## [Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Upgrades and enhancements to alarm system
Inquiry Sub- Category	Adding video surveillance to the existing alarm system
Description	Customers seek information on enhancing their security system with video monitoring capabilities, allowing them to remotely view live footage, receive alerts, and monitor their property more effectively.
Data Size	5,026 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)
