[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Electronics and Technology Retailers
Inquiry Category	Warranty and product support inquiries
Inquiry Sub- Category	Product compatibility inquiries
Description	Addressing questions regarding product compatibility with specific devices or systems, ensuring customers purchase products that seamlessly integrate with their existing setup. Providing guidance and recommendations on suitable options.
Data Size	10,565 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 $\label{lem:masked_sample} \mbox{Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)}$
