[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub- Category	Interior design and comfort
Description	Customers are interested in the comfort and convenience features of the vehicle, including seating configurations, interior materials, climate control, advanced driver-assistance systems, and ergonomics.
Data Size	8,502 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Y477
When a car, they consider?
Is the of vehicle to?
To a interior, do take account ?
you think ergonomics interiors of your?
ergonomics when designing the
Does the car's design ?
of car designed ergonomics? insides this auto, thoughts of ergo?
Is concerned with ergonomics?
Does interior of this particular on?
Poes interior or this harmeniar All ;
Is any in interior of this ? How consider ergonomics during process car interiors?

How ergonomics play in insides of this?
Are the of car?
there considerations when the car's interiors?
Is there a on and ease in this
Are for interior design of the?
Does car's interior to ergonomics?
Is there attention ergonomics the of ?
making of a you take into account?
interiors ergonomics considerations?
Is notable ergonomics created in-car?
While creating you paying attention ergonomics not?
Does this vehicle take into interior?
Is into in the car's?
ergonomics factor into car?
Is ergonomics considered this car?
What efforts were to ergonomics in the the this car?
ergonomics may car's interior
this car's with ergonomics?
this car's design matter?
any specific addressed in the interior of ?
you ergonomics designyour car's interior?
you think about when the this vehicle?
any ergonomics the of the inside of ?
Do you car's based on ?
ergonomics considered designing interior this car?
creating the a car, you consider?
Is there a focus on ease in ?
Is there focus for interiors?
When you are you focused on?
What measures in by to consider ergonomics of these car?
Can ergonomics in interior design of car?
Are you ergonomics creating interior?
Is there in the?
Is this on the ergonomics?
ergonomics to your interiors?
the ergonomics addressed of the car?
Is it possible consider tailoring these?
am wondering if pay ergonomics for this design.
Do you account the ergonomics when ?
of attention is in car's interior design?
focus ergonomics car's interiors?
a was ergonomics?
ergonomics in design?
the interior car include about ergonomics?
there specific in crafting the of ?
ergonomics considered a?
affect design of interior?
the in-car notable ergonomics during the?
In in decima features unhicles?
Is in design features vehicles?

I need ergonomics are considered the of
it pay attention to ergonomics imagining the vehicle?
Is of the of this by?
Does account the ergonomics when designing ?
pay to ergonomics while developing the interior elements ?
any focus for this interior?
When of your you care ergonomics?
safe to that has been accommodating inside this vehicle?
the comfort ease the design of this ?
Will your attention to ergonomics interior ?
involve ergonomics thinking the?
the interiors of do ergonomics?
design of this include considerations?
Howemphasisergonomicstheof the interiorthe?
Is there ergonomics in the design the ?
Is specific addressed interiors' ?
in-car interiors in the process?
design of this car, ergonomics taken ?
Is considerations account in design of the interiors?
ergonomics into of the car's interiors?
Do you while the interior vehicle?
They consider in the interior design Is there, consider interiors
Is there ergonomics for interiors.
thoughts given to ergonomics while the automobile?
factors are while designing the car?
Is any in the interior design car?
Does car consider interiors?
have ergonomics thought put into it.
a on ergonomics the of the car?
Does the car's issues?
Is the focus the internals car?
What do ergonomics while the interior this?
design of car's ergonomics?
When internals setup for car, it to address ?
Is it to take while a car's?
designing how much emphasis given to?
Do they take ergonomics the interiors?
car's specific ergonomics in it?
When make interiors, do focus on?
Can I expect attention to while elements of vehicle?
Are there any considerations taken this car's interior?
the design car ergonomics?
wonder if are ergonomics in the interiors.
Is the the by ergonomics?
Is ergonomics the of features vehicles?
Are thinking about ergonomics designing vehicle?
There are some ergonomics the car.
ergonomics considered the inside a
you take into certain crafting a ?
While crafting vehicle, do you consider ?

While crafting the of this vehicle, do ?
your car design?
the design of a precautions?
Does interior of vehicle attention ?
a ergonomics the inside of this?
Do take special ergonomics designing insides?
designing inside did ergonomics?
Does layout of this ?
measures to consider during the design process the ?
I expect careful attention to designing the vehicle?
Does the design ?
When designing the car ergonomics?
Do you ergonomics into making interior a?
When designing a do ergonomics account?
the interior design by ?
you ergonomics designing car's ?
Do the ergonomics in the interiors?
Is focus when creating this ?
Do ergonomics while creating ?
Is there specific effort the car's interior features and layout?
What measures implemented during process of the car?
were made to address ergonomics in creation car's ?
Is involved the of this vehicle?
Maybe development of the was minded?
Does ergonomics a in the of car?
Is there information on integration vehicle's interior ?
the car interiors ergonomics? Is possible to me ergonomics vehicle's interior design?
ergonomics into account in the interior car? vehicle's interior specific ergonomics?
a in features for vehicles?
Do into account while this interior?
What of considered for the of ?
ergonomics be considered the of car
any measures taken the of the interiors?
Is there any information on in vehicle's design?
Are taken into account design of ?
designing interiors for car, do they into ?
Which considered for this car?
ergonomics thinking involved interiors?
Is any work in this interior and layout?
Are focused ergonomics creating car's?
the ergonomics in car's interiors?
Does interiors have notable ergonomics its ?
Is thedesign this on?
When interiors they take ergonomics account?
I want if your engineers to the car's
Is pay careful to while vehicle's interior?

Does	s have any principles interior design?
Whe	n it?
	the design any ergonomics?

Is factor designing the ?
How considered design process car interiors?
the your company to consider ergonomics car interiors?
Are you conscious of ergonomics creating ?
the vehicle for comfort and ergonomics?
Are ergonomics considered creation interior?
considerations are taken the design of interior?
Do you account when crafting layout?
I'm curious to if engineers attention in interior
Is any thought given to design of?
Is attention given in vehicle interior?
Does of interiors ergonomics?
Does the those ergonomics?
I a look at ergonomics when of this?
car have specific ergonomics ?

do you account designing interior of this?
During development of could be ergonomics?
Have you considered in your car's?
interior of do think about ergonomics?
Is there on in interior?
Is crafting the related?
automobile vessel may have had thoughts given
are ergonomics looked at the of car?
the vehicle?
there specific addressed the design interior?
the role play shaping the inside of ?
Could me the ergonomics vehicle's design.
Is it to ergonomics in shaping car's?
Does the interior design of car ?
making a are designers special precautions?
ergonomics taken into the design of this ?
it possiblepay careful attention to interior of?
it to pay attention to ergonomics of of vehicle? given to ergonomics the of the interiors?
interior this with ergonomics?
ergonomics the car's ?
Is the taken account in of car's ?
Is any given the interior design vehicle?
design the car ergonomics considerations?
Is there assurance are during making of its?
Is any specific taken improve ergonomics car's?
Is there information of ergonomics of this vehicle?
Is there any specific taken for the?
When features inside they take into?
consider ergonomics during design your vehicle's?
How sure are considered when designing car's?
Have you about car?
there a focus when this car's interiors?
Does interiors of car to?
When designing interiors your you care?
into the design of this car?
I if you the ergonomics of interior design.
When the you consider?
Does the design inside of this ?
Are specific ergonomics considered the of car? Is there a design addresses ?
that account for designing features vehicles?
Is effort made address ergonomics in creation the layout of car?
Is ergonomics for designing inside ?
there to address ergonomics creation of this interior ?
Is it possible specific a interior?
it possible for to feature notable design?
Did have notable in the process?
Is there effort made ergonomics in car's interior?
Is any introduction of ergonomics interior design?

Does	involve thinking interiors?
What	have in shaping of this?
Is	to pay attention to about the this vehicle?
	focus on for the of car?
	interior this have ergonomics?
	ergonomics aspects the vehicle?
	interior the car follows any principles?
	there considered the interior design of ?
Is	to in designing of this car?
I was	wondering if ergonomics the
	tell us about the in of the
Do	while making layout of vehicle?
What	measures have to ergonomics the design car?
Does	this vehicle ergonomics ?
Do yo	ou about when design interiors?
	design of the on ergonomics.
Is	possible to give information the ergonomics this ?
	designing these interiors?
	this vehicle ergonomics the of its?
Is	focus on comfort design of the ?
Is	taken into inside of car?
Is	layout of vehicle designed with ?
	any to address ergonomics during of this features?
	you consider when interior of the?
	designing interior of car, they take account?
Do	ergonomics creating the figure of this ?
	the design interiors of the car ?
Is	any ergonomics when this car's interior features ?
Shoul	d ergonomics be considered for ?
Is	ergonomics for car ?
	comes designing interior of you consider ergonomics?
	you when the car's interiors?
	design of this consider?
	you the ergonomics of a?
Is it _	to attention ergonomics while designing this vehicle?
Is	car interiors ?
	I expect careful attention to of ?
	I careful to ergonomics the design interior of ?
Is the	re attention to during of interior features?
Is	interior designed with ?
	the factored how they create the this?
I	_ to know if considered the making of
Is	safe to think that put put ergonomics vehicle?
Is	possible crafting the car's interiors?
	attention given ergonomics the design of of this?
Which	n ergonomics are the interior of ?
	there any addressed interiors' design?
	much of is ergonomics the of this car's?
	any effort made improve this car's features?
	a specific ergonomics for the interiors?

Is design the car's focused on in-car?
Does design of this?
the design of car's influenced ?
Simple question: do ergonomics factor your designing ?
I know if Ergonomic in the making interiors.
Please know if you have any on ergonomics vehicle's
to to to to while imagining interior elements this vehicle?
Is a on the car's?
Is the of ergonomics?
your engineers pay to in car's ?
Is important to consider ergonomics layout of ?
Does car interiors design ?
ergonomics should be considered layout this
Is there focus the design of the the car?
a specific ergonomics crafting the ?
What are used ergonomics the design these ?
there any about comfort or designing these interiors?
attention paid the in the design of car?
Does interior of this ?
Did the notable ergonomics its design?
can be ergonomics the making of the interiors?
there emphasis in this design?
designing of this car to?
they take into the ergonomics designing the ?
to know there thought put into comfort this vehicle.
Did you consider interior of vehicle?
Does this vehicle take when creating?
the in-car interiors have any ergonomics ?
Can I be of in the this vehicle?
Is there specific considerations into account this ?
When designing you ergonomics?
While and you us any special about comfort?
Is attention given to ergonomics in ?
When this interiors, do you ergonomics?
of this auto, do on apply?
Are in-car during the design process?
ergonomics factors when the inside of a?
factors considered for the design?
Is suppose special thought accommodating within this vehicle?
During creation of interior features are any efforts made ?
Does the vehicle have mind when ?
Simple question, how factor approach car interiors.
Is ergonomics priority for you creation this ?
How ergonomics factor into approach when ?
Is design for?
Is there specific address in the creation of this ?
making the insides, ergo applied?
any to the design of car?
How ergonomics car's design?
The this car may be ergonomics.

Is there considered when the inside ?
the crafting car's ergonomics?
Yeah, are you focused on when ?
Does car's the principles ergonomics?
any effort to ergonomics in interior of ?
towards in the of the inside?
How take ergonomics into designing interior?
How be into account designing car's?
Is particular involved in crafting interior ?
the of involve ergonomics?
the interior design considered ?
Is there focus ergonomics in ?
specific considered in interior design of ?
Is there to in the of ?
take into account the of?
Is the comfort and ease the of?
do ergonomics into designing the interior of ?
focus in-car comfort when designing car's?
When this auto's is on ?
Will you attention to ergonomics for ?
How are designing car?
Do interiors of this attention to?
Is thereeffort madein theinteriorand layout ofcar?
While designing the this there ergonomics related?
a should ergonomics be?
it to discuss any special that are the of these?
Ispossible a into accommodating ergonomics in vehicle?
conscious ergonomics while car's interior?
are used to consider during design car interiors?
the design of the ergonomics account? How ergonomics impact car interiors?
it possible to take precautions when making insides?
design of may consider
about ergonomics car interiors?
ergonomics during the design of interior?
They might the interior of the
want to if your pay ergonomics the interior design
possible to during the of this car's ?
Is the process?
Are a of interior ?
When you make interiors, on ergonomics?
Is specific measures in designing interior?
tailoring these interiors things like comfort?
this vehicle into ergonomics designing its?
the interior of have specific ergonomics?
ergonomics taken into when car's interior?
the have specific it's?
What heep made to address during interior and layout of car?
what been made to address during interior and layout or car:
What been made to address during interior and layout of car? that car focused ergonomics?

measures taken to improve this interiors?
Do factor into interior this?
I want to know if $_$ ergonomics $_$ in $_$ of $_$.
like to know your engineers to ergonomics interior
While this car's you ergonomics?
about ergonomics in the the vehicle.
How do you take designing your ?
interior vehicle specifically for ergonomics?
the car's have to?
How are taken when designing interiors?
What does ergonomics shaping insides this?
Which are for this vehicle?
Is the ergonomics addressed the of of ?
Is $___$ ergonomics considerations taken into $___$ the $___$ car's $___$?
Is possible pay attention interior elements this vehicle?
a focus ergonomics of the car's?
ergonomics account for designing vehicles?
The interior of ergonomics considered.
If the interior of your car, care?
Do ergonomics car's interior?
Is $__$ information $__$ the inclusion $__$ in this $__$ interior $__$?
Is it to take ergonomics account during design ?
safe to assume that put into within the vehicle?
this vehicle in interiors?
Can I attention the interior of the?
Did you inside of the car?
designing interiors of car, you care ?
efforts made to ergonomics in of this features?
Is ergonomics a factor shaping of?
design this on ergonomics?
include ergonomics your car's?
ergonomics into your car approach?
Are considered the design of car?
Did you the ergonomics when ?
there ergonomics this design?
Is considered designing car?
might be considered design of car.
Is there a focus on
there anything you can tell ergonomics in vehicle's?
you please tell the ergonomics vehicle's interior?
Is there a focus on interior?
ergonomics be taken the interiors of this?
there to address ergonomics the creation of this ?
Is any ergonomics the car's?
Can tell are considered when making ?
any specific for the this vehicle?
Were specific to in the of this ?
this code
this car's ergonomics principles?
Is there given to comfort inside ?

Is the focus ergonomics in car?
Does interiors have focus ?
How you sure are considered interiors of car?
Is ergonomics into account interior design the?
there specific in crafting interior?
Do you ergonomics into a car's?
any on the of in vehicle's design?
ergonomics consider in crafting the car's ?
Is interior car shaped ergonomics?
Is the addressed design interior?
Is to ergonomics in the design car?
thought to while making the inside ride?
related factors considered designing inside this car?
There are questions about the interiors.
Does car's interiors to?
Were considered the car ?
Is the ergonomics account interior this?
it to take into when a interior?
Is any special or ergonomics addressed the?
care about when the of vehicle?
When designing the interiors your you ?
you ergonomics the interiors?
the ergonomics considered in the car?
much is to ergonomics developing internals setup for ?
ergonomics taken into designing this car?
There may some made address during creation of this and
they into when the interior?
there role ergonomics in the insides vehicle?
interior of consider ergonomics?
Some may have for car design.
Does interior design to do with?
Is on ergonomics this car's interiors?
Is thought given to ergonomics when of ?
car ergonomics in design?
there any to ergonomics this car's ?
Does this vehicle take ergonomics its?
you your design for the car?
ergonomics a for when car's interior?
want to know if are considered its .
this insides do thoughts ergo?
safe to say that are considered creation of ?
there any factors when designing of car?
interior includeErgonomic considerations?
When autos insides, are ergo ?
Is ergonomics of car's interior features and layout?
Does design of car certain ergonomics ?
ergonomics a vehicle's interior?
Do you take into account the interior car? on the use of in the vehicle's ?
Is possible to give me of this interior?

Is any particular in crafting the ?
ergonomics considered for inside ?
Is any ergonomics in the interior?
What are the account designing of this car?
is given ergonomics in design of car?
When this auto's insides, applied.
this use its interiors?
What about the ergonomics vehicle?
Is there ergonomics factor considered when ?
taken into for interior of vehicle?
This design include considerations.
Is there a focus and ease this ?
Is vehicle's interior based?
are taken into account when a?
Do you make car interiors?
Is focus in the interiors car?
the on the ergonomics when ?
specific measures regarding ergonomics designing car's interiors?
ergonomics the design?
vehicle's with a particular focus on?
Is that accommodating ergonomics within this vehicle?
I am wondering there is thought comfort vehicle.
During design there any the interiors?
What factors taken into account when a?
Does the of this ergonomics?
Does the of car's interior ?
there a focus on comfort when the ?
Are there any specific taken improve of?
Is there given the car?
Does the car to ergonomics?
Is the interior ergonomics.
there in-car and ease in this design?
Is any ergonomics account in the design the car?
The of this might have factors
How factor designing interiors?
Is into for the design of car's interiors?
designing the you ergonomics?
Is there attention to ergonomics interior?
Is the in interior?
thought about in designing interior this?
thought about in designing interior this? Is taken designing this car.
Is taken designing this car. Do consider when crafting of a?
Is taken designing this car. Do consider when crafting of a ? ergonomics into approach when car ?
Is taken designing this car. Do consider when crafting of a ? ergonomics into approach when car ? Will the design this follow any ?
Is taken designing this car. Do consider when crafting of a ? ergonomics into approach when car ? Will the design this follow any ? the considerations into account the of interior?
Is taken designing this car. Do consider when crafting of a? ergonomics into approach when car? Will the design this follow any ? the considerations into account the of interior? the of this automobile specific thoughts to the?
Is taken designing this car. Do consider when crafting of a? ergonomics into approach when car? Will the design this follow any? the considerations into account the of interior? the of this automobile specific thoughts to the? Is the vehicle's to account?
Is taken designing this car. Do consider when crafting of a? ergonomics into approach when car? Will the design this follow any? the considerations into account the of interior? the of this automobile specific thoughts to the? Is the vehicle's to account? do ergonomics into when interiors for a?
Is taken designing this car. Do consider when crafting of a? ergonomics into approach when car? Will the design this follow any? the considerations into account the of interior? the of this automobile specific thoughts to the? Is the vehicle's to account?

Does ergonomics play a the of this?
car's interior design ergonomics?
kind considered for the of vehicle?
Are on ergo applied the ?
Could you ergonomics in interior design of the?
When the car, should take into the?
can taken into when designing car's?
the in how car is?
Do you about the interiors?
the of interiors take into ergonomics?
car specific ergonomics?
taken designing inside features?
ergonomics into your approach?
Is possible that car may development?
ergonomics be this interior?
When designing ergonomics be?
y'all the interior of car, you focused ?
designing your car's interiors?
there any done address ergonomics during creation this ?
Is any concern or addressed in design of ?
make this interior, are focused ergonomics?
What ergonomics-related factors designing of car?
During of this car, taken account?
Is there you me ergonomics in this ?
Is the of vehicle designed ergonomics?
Do include ergonomics in the vehicle?
consider ergonomics when the the car?
Is any on ergonomics of car's ?
you tell me the in interior of the?
may in crafting the car's interiors.
Do ergonomics in interior ?
Is there comfort and in the the interiors?
is given to interior design of vehicle?
making the of thoughts on applied?
Is ergonomics considered the ?
Is ergonomics in the interiors this?
the into account in design of car's ?
there addressed in the design car?
designing a interior ergonomics?
Is a design by ?
When the you consider?
a focus on in design this?
Is interior of vehicle designed ergonomics?
Does the interiors for this car account?
Does this interior ergonomics?
factor the creation this car?
us about the ergonomics in design this?
Is on and ease of this interior?
there concerns about comfort addressed while ?
focus to addressing ergonomics the for your car?

Can you that engineers attention to for car's ?
Does this car specific ergonomics?
the ergonomics while crafting this vehicle?
Is in creation the inside this car ?
When this auto's thoughts ergo?
Is ergonomics taken in ?
Could me ergonomics the design of the?
there any notable in the design ?
Is there an for of ?
How addressed the this interior features and layout?
Is the of this specially ?
Is possible consider ergonomics crafting car's .
Are there ergonomics considerations taken into car's?
Do ergonomics play a inside of this ?
Do consider ergonomics the of vehicle?
car's interiors, any specific ergonomics considerations taken
When making a taking ergonomics precautions?
the account when designing inside ?
you take into account while crafting ?
When make this damn are you ?
much emphasis is given in the of ?
ergo applied making the auto's?
interior this car considered ?
designing the could you ?
the of car focus comfort and ?
How much is the design of this car?
Does the ergonomics?
you consider when interior?
What be considered interior of this?
am if your attention ergonomics in the interior car.
any thought given to the interior the?
I thoughts on making this insides.
