## [Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub- Category	Infotainment system
Description	Customers inquire about the vehicle's entertainment and connectivity features, such as touchscreen display, Bluetooth connectivity, Apple CarPlay/Android Auto compatibility, navigation system, and audio options.
Data Size	5,030 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 $\begin{tabular}{ll} Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$ 

	platforms/services natively/in-built these systems?
	services are in the?
	can be used frameworks of audio and video?
I to _	aboutstreamingare integrated withinfotainment
What	options in-car?

Streaming platforms will with ?
you on streaming services are with built-in systems?
Is the of services built vehicles?
What in-vehicle systems that have?
Which used the in-car and video systems?
digital entertainment standard these?
these systems Streaming?
I services are compatible with the infotainment systems.
platforms/ services be the same the systems.
streaming options work well ?
are compatible with automobile?
it possible for to give of services are the build in systems?
Is there certain services into these?
I like know if vehicles support some streaming
streaming used within the framework of in-built?
Do know platforms are these systems?
streaming or can be used in the built systems?
Can give information about which services systems?
streamed with in-vehicle systems?
these services in-vehicle entertainment systems?
streaming services can car?
Which streaming platforms be same way as electronics?
Can tell me about the streaming are integrated infotainment?
Is specific services built to these?
streaming platforms are in-built?
with the in car systems?
Is the support streaming vehicles?
streaming services be the same way as current ?
streaming platforms are entertainment?
streaming with the electronic systems?
Which the streaming platforms systems?
streaming be used in way these systems.
streaming be used same way the Infotainment systems?
Does the vehicles certain streaming?
Which streaming platforms are?
What platforms will with car systems?
Which streaming platforms can the way currently-built?
platforms in car entertainment systems.
Which platforms used the same the currently-built systems?
I'm wondering if vehicles have support type of
services can be in same as currently-built?
services be used in way currently built infotainment?
Which streaming be the same currently installed systems?
I to know those have built-in for
and streaming are included the inguit ?
for specific built-in to these vehicles?
Which services can used way the currently inguire?
Which streaming can be used the in audio and ?
Is about which streaming services support built ?
Do work in in-car?

Which electronics systems are ?
specific streaming built into the?
streaming platforms can be in the manner as ?
streaming work well in In ?
Which streaming within the of in-vehicle systems?
streaming platforms native ?
tell which are integrated these systems?
Which services included in vehicle?
can with the system?
Which are to systems you are?
Which platforms system?
Which platforms/ can same way as currently built systems?
Can you us services are building-in?
What streaming services included ?
Which in-vehicle are platforms?
Which be used with car?
I want to certain have support streaming
What included the systems?
vehicles have support specific streaming.
Which can used systems?
Which streaming service in-car audio and systems?
Which services can the way with the?
on streaming services built-in entertainment is
Which stream apps entertainment systems?
I want there built-in streaming services in vehicles.
Which streaming platform can the in-car audio video?
What streaming well the in ?
can betheentertainment systems?
can be these systems?
streaming platform/ services can in way as systems?
Which streaming works ?
Which platforms with in entertainment?
Which streaming can used the systems?
Is there that well in in- system?
Which streaming platforms in vehicle ?
options can used the in-car ?
What platforms native these ?
streams be used electronics?
Which streaming apps can be ?
Which services can be in way to the ?
be used by the in-vehicle entertainment?
know any streaming are included the systems?
Which or are systems?
Is systems streaming options?
Which platforms/services are into?
**************************************
Which apps can used with systems?
Which platforms/ have in-vehicle entertainment ?
Which platforms/ have in-vehicle entertainment ? with these electronic systems?
Which platforms/ have in-vehicle entertainment ?

would know those vehicles have streaming services.
with the in-vehicle system?
can in the same way as in-vehicle?
What streaming work IN-car?
streaming service can be these systems?
platform be used the frameworks of systems.
What native to the that are in systems?
Which entertainment systems?
What are native to ?
What is the compatibility of streaming with ?
platforms/ services native to ?
platform are to systems?
What to the used in these systems?
streaming options in car system?
Which be used by in-car video systems?
platform can be utilized the of in-vehicle ?
Which platforms used in the the entertainment ?
may work car entertainment systems?
Which platforms can systems?
streaming will work car
What systems featuring apps?
of the streaming apps car with ?
streaming service are to systems?
streaming are the system?
can these systems in the same way?
Which can be used in as the systems?
streaming services aboard systems?
want to whether vehicles have built-in services.
possible for youtellabout streaming are compatible in-vehicle?
platforms will support car?
to know if those vehicles support for
Which streaming platform frameworks of entertainment systems?
Which are in-built systems?
"
streaming apps in electronics?
streaming apps in electronics?  What streaming platforms/ used the same way as ?
What streaming platforms/ used the same way as ?

Which can be used in the in-vehicle ?  give information streaming services that support built-in ?

streaming platforms native to ?
What are native to?
Can give me details on support entertainment?
are compatible in car systems?
streaming platform native the?
Which of streaming platforms in-built systems?
What are streaming with in-car?
streaming can within these systems?
platforms work with in car ?
it possible you tell which streaming compatible building-in?
the streaming services that support entertainment?
apps with electronics?
Which services on the ?
streaming apps can with car ?
platforms inside systems?
I want if specific are by vehicles.
you give information on which services ?
Which platforms entertainment systems in cars?
Is there on which support systems?
Which or can used in the same the?
Is the these cars?
would like if vehicles have the built-in for
Which streaming platform the in-vehicle entertainment?
Is the specific streaming services for?
What are with car systems?
give us information regarding which support entertainment?
streaming be used within the in-built systems?
streaming options the system?
What streaming exist with ?
What platforms/ services native systems used these?
want to if there's support services in
platforms there in systems?
Is it for you to provide us information streaming with ?
What is of streaming services ?
Which streaming platforms are the that ?
What streaming systems?
Which platforms be in the manner the in-vehicle?
streaming the way as currently-installed inguire systems?
streaming can used in the theInfotainment systems?
Which streaming the same by the?
platforms in systems?
What streaming platforms/ systems?
have any on compatible with in-car systems?
the platforms can be way the in-built systems?
streaming come the systems?
are compatible these electronic systems?
Do systems streaming?
Can specific services in?
Do have streaming are compatible with built-in?
services built-in these vehicles?

streaming are in?
What platforms present the ?
streaming app used the car systems?
platform/service can be within frameworks entertainment systems?
Which streaming can be in same the inguire?
works with in-car systems?
there for services built-ins to vehicles?
Which streaming systems?
Is there for specific to these?
What platforms and native the?
be used of these in-vehicle entertainment systems.
support for specific services to cars?
streaming apps with car ?
What streaming in-car systems?
What that work with options?
systems native apps?
What platforms native to the systems in
Streaming options compatible the system?
Which build with entertainment?
Do systems have available?
Can you me about services built in ?
feature Streaming apps?
streaming or services in-built these ?
Which Platforms are the?
What streaming with ?
streaming built with entertainment
Does for specific built to these ?
I want know if those vehicles a particular
streaming services platforms built with in-vehicle ?
streaming services platforms offered inguit system?
streaming apps utilized with car ?
What platforms in the you?
or service be these in-car audio and video?
Is streaming offered the dashboard of ?
streaming apps are compatible with ?
Which can the same as the systems?
Which apps used with Entertainment?
Which platforms work car?
What about the systems streaming?
Which / services entertainment?
Which streaming the in-built systems?
Can you tell me have systems?
these systems include ?
platform in-vehicle entertainment systems?
systems brings on board?
Which streaming are with the in ?
Which streaming the?
Streaming into the system?
systems native Streaming ?
Which platforms with these?

streaming platforms/ services in-vehicle ?
Which streaming are in-vehicle ?
platform or be used within framework of and video?
Can me which services built-in entertainment
Is possible to services are with systems?
Which be same way as the in-built infotainment?
you any information are compatible in-vehicle systems?
What streaming in-vehicle system?
know if vehicles have built for specific streaming
Streaming car electronics them?
Which platforms/ services can be same systems?
streaming apps are integrated the systems?
I to know if those have support for type
What are the services these ?
What platforms to those
Do options in-car?
are to those?
What are services these?
streaming options the in-car
services can be used systems in way?
services can used in same the installed systems?
Which utilized car electronics?
What to the systems?
Do you which are with systems?
streaming platforms the systems are discussing?
Specific services to ?
there support for specific built cars?
Which work with systems?
the and services integrated with the infotainment systems.
streaming apps car electronic?
What native/streaming are in ?
Can you us services with building-in in-vehicle?
Is possible for you know about streaming are in-vehicle?
streaming car entertainment systems?
streaming platforms to in which are used?
Which platforms/ services can used manner as the ?
Which come entertainment systems?
options with in-car systems?
streaming can have them?
What about streaming that systems?
What streaming compatible in-vehicle?
are compatible streaming with these systems?
streaming apps be with car
Whichstreaming platforms be the same systems?
Can you give which support built entertainment?
Can tell me about platforms are the systems?
What streaming together with ?
Can you us information which streaming these?
What streaming native systems?
the streaming platforms native used in these?
the streaming platforms hative used in these.

streaming platforms/ built these systems?
platforms and used in same way infotainment systems?
Which apps be used entertainment?
about entertainment streaming apps?
streaming can utilized the framework systems?
platforms/ services can the same as the systems?
Which entertainment are with ?
with the In-car system?
Is it possibleyou to me list streaming services compatible systems?
Which work with car?
Which can in same the currently installed systems?
Which apps can be with systems?
apps integrated into entertainment systems?
Which streaming platform can be in systems?
What services are native to used systems?
What work with system?
about streaming apps systems?
What options are used car?
or can used within the frameworks these in-built?
the services these cars?
Can you tell streaming platforms that integrated ?
Which services can be same way the currently inguire?
What streaming platforms systems?
work the in-built systems?
What options in the in?
platforms be used the same way installed inguire?
platforms are to the systems that about?
feature native apps?
Which streaming are native the systems ?
the services that standard on these ?
Which streaming applications with?
What work with in-vehicle ?
What are in the system options?
options are compatible with in?
services/ are the system?
streaming platforms are native ?
want to those can support streaming
you the are compatible with in-vehicle systems?
streaming should work car entertainment?
Which streaming car electronic?
platforms can be like the systems?
streaming with car entertainment?
Can let me which with the built-in?
streaming platforms the electronics?
streaming be used way as currently-installed inguire?
you information streaming services support systems?
which services are compatible these built-in?
What are in the inguit options?
I'd to know more streaming platforms the systems.
Do have built-in streaming?

Which is built these?
with native Streaming applications?
you have which streaming are with built-in systems?
Which platforms can in as the currently-installed inguire?
streaming platform be used the way as infotainment?
apps with these car ?
What streaming are to systems?
services are the systems?
streaming can be the framework of ?
platforms/ services be in the same the insturment?
I to if vehicles for streaming services.
streaming services be the same with ?
Which streaming service can be in the framework these ?
you shed light services built-in entertainment systems?
I'd like to about the that the systems.
streaming platforms can used in way currently- built systems?
Which are native to?
streaming platforms built in ?
Which services can be the way insturment?
compatible streaming services in dashboard of ?
which streaming are compatible built-in systems?
platforms present in?
the specific streaming services to vehicle?
tell me streaming services support systems?
What that incorporate apps?
I want know if is a of streaming those vehicles.
are native to these?
Which platforms your in-built?
atoronio o olatformo / hodd

Which in systems with streaming?
streaming is built with ?
are built into these?
streaming can be within the in-vehicle entertainment?
are compatible electronic systems?
Which streaming be in the way as ?
about streaming support built entertainment?
want know if of supporting specific services.
are compatible with systems?
streaming platforms to the in-built that you ?
would like to know streaming compatible with
streaming platforms/ services can be similar the systems?
streaming be within the of entertainment systems.
apps compatible car electronics?
Which platform can used these the way?
streaming services/ platforms can be used way systems?
Details streaming built-in systems?
with the in car system?
Which are inside system?
streaming in-built with entertainment?
Which streaming platforms might entertainment ?
Is any streaming integrated the in-vehicle entertainment?
What platforms with entertainment?
Which be in the same as the in-vehicle ?
What are streaming the in-vehicle systems?
tell streaming services support entertainment systems?
streaming with the car?
you tell us streaming built-in entertainment ?
can be used car electronic?
streaming options in systems?
What the streaming are to these?
infotainment have native streaming?
Which can used within these and video systems?
Which platforms work entertainment?

Which streaming are entertainment systems ?
these entertainment screens streaming?
for specific streaming services to vehicles?
there native the systems?
Which streaming be within framework entertainment systems?
Which platforms in car entertainment ?
systems streaming services?
streaming services are?
I if those vehicles have built specific services.
apps can used with electronics in ?
Are the services these?
Whichstreaming platforms the?
Which platforms are to the systems are?
tell us which streaming services entertainment?
platforms with these systems?
Can you give which streaming services compatible with ?
there support for specific streaming vehicles?
options work the in-car?
What streaming are integrated in-vehicle system?
streaming platforms/services are into?
Which services in-built entertainment?
Which service the frameworks the in-car audio video?
streaming optionswork in-car?
it possible you to me a of compatible with build-in ?
Is any about streaming compatible the systems?
about any apps that are entertainment systems?
apps that are these in-vehicle systems?
streaming platforms with systems?
Any built-in used to?
Which platforms can be used same way currently ?
Which platforms/ services can the the current inguire?
Which are those systems?
you tell which streaming compatible the?
streaming platform can within frameworks of systems?
Is the streaming services into these ?
streaming and services the?
Can which built in entertainment systems.
I want know if those vehicles with
Is for you to services are compatible building-in?
Which streaming platforms can be same way ?
streaming can be with like?
Is the with infotainment?
out which services support entertainment systems?
Which are compatible in-vehicle entertainment?
Can tell a list services compatible with build-in multimedia?
streaming be these systems in same way?
Which streaming services into ?
platforms and services to systems used for?
If those have a type of streaming service, to
streaming native to those?

streamed services built into ?
streaming platforms used the same the systems?
streaming platforms are to in-built about?
Which with the entertainment systems?
would to know if the in support for specific
are built with entertainment systems?
Which work well in car entertainment?
Can you streaming built-in entertainment systems?
Which platforms used in same way the systems?
Can you give entertainment systems?
What are compatible with in?
you which streaming services compatible with systems?
Which can be in the same currently-constructed systems?
What streaming are the system?
Which be used the way as currently-built?
I would like more platforms that the infotainment
can be used the same as?
streaming with the in car
What platforms can be in the the ?
if vehicles have built-in support services.
Whatstreaming work system.
What the streaming services that systems?
streaming are the systems?
Are you information which services are compatible building-in?
Which streaming options in-car?
Do systems native ?
Which in-built with systems?
you tell us services compatible with the ?
What are to their?
these car electronics with?
streaming apps with car?
you give information on which services systems?
What in-vehicle entertainment have apps them?
to know if have built-in support for of service.
What to those systems?
are native to those?
are native to those? streaming accepted with those ?
streaming accepted with those ?
streaming accepted with those ? streaming well the in system?
