## [Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Accessories availability and compatibility inquiries
Inquiry Sub- Category	External Storage Options
Description	Customers inquire about accessories that enable additional storage for their smartphones, such as memory cards, external hard drives, or cloud storage options.
Data Size	5,003 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 $\begin{tabular}{ll} Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$ 

What	t supported size microSD card can be used in
Does	s this machine have a of the possession?
I	amount of the microSD card for device.
What	t is the maximumsize that able support?
	maximum capacity of microSD model is not
	there limit to the capacities the microSD located ?
How	a microSD can ?
	would if you could tell me the maximum space
	the capacity of card?
	it to determine a microSD card unit?
	capacity for the model you can?
	re question the MicroSD card in
Is	tell me the capacity of the ?
	the maximum-size Micro SD the device.
What	t is the largest microSD that?
	this machine limit on the of mini-SD ?
	tell maximum amount of for the MicroSD on
Does	s a limit sizes of the cards?
	size of is model able handle?
I	the the the size of the microSD
	in microSD model that you can use.
	uesting maximum size of MicroSd
What	t is capacity of a card?
	is maximum of the microSD card that with ?
	uesting information about maximum-size SD usable.
Can	you tell me capacity card?
	is maximum size the microSD can this?
	is a maximum the microSD this has.

interested in the can tell me that be model.
about the maximum-size MicroSD Card that
the biggest supported card for device?
maximum of a microSD card can used
Does the biggest card I can?
much is allowed with card the model?
has a capacity for card to it.
is a question about whether not there limit on the with a
is to whether was a limit to the amount used this.
am curious about card this model.
This model has a capacity for is it.
Is determine large a with this unit?
What's size of the card model?
This has capacity the microSD it is to.
this a card?
are the the microSD model can?
microSD card can tell me is interested in.
size of MicroSD model handle?
would like to know the for microSD this
Please me the maximum space the for this
What is the card will able to support?
model a the of the microSD cards?
like to know the the microSD capacity accepted by
What's the the in this model?
Vhat's size the that can be ?
How big largest supported microSD for ?
What of is compatible the ?
know how large a can with this ?
youtell me maximum amount of space for
s MicroSD I can the model?
Vhat is maximum that MicroSD card ?
tell me the limit the size card?
would if could tell me available MicroSD card.
Could this have limit of the?
need know if a the of the microSD cards.
maximum capacity this model can MicroSD?
The size MicroSD for this?
capacity microSD card for this not yet.
s there a of the MicroSD in ?
size of microSD will to support?
What the of the you can get model?
want know amount of space on microSD this .
interested the microSD card you in is it actually ?
would like to know maximum capacity the this
s limit on the capacities of MicroSD cards ?
Which the largest you can in model?
is maximum MicroSD that you can get?
model limit on sizes the microSD?
s limit on the capacities of found this?

bad be able to the for microSD?
is the in the can use?
What is maximum card this model?
What's largest that supports ?
a or there was a the device be used the MicroSD card.
is a question if there limit the of MicroSD
I am largest card that you tell about, it model?
determine maximum amount that microSD can use this unit?
in the microSD model you use?
a limit the mini-Sd?
How much allowed with model micro card?
The maximum card model suitable for usage.
The microSD this model ?
The supported card this is card?
is biggest the microSD model?
like to the of space the the device.
Does model have size microSD?
I if can tell me maximum capacity the
is a model's microSD card.
this machine a on size micro SD?
Does limits of the microSD ?
would if you could me the of space MicroSD card in
the maximum capacity a MicroSD card?
What is the maximum card that you ?
Is a top capacity the unit has?
is the maximum microSD card in ?
What of microSD is model capable ?
I'm the microSD card you can tell, model.
The maximum of space that a can go unit
that the microSD will be to support in model
There is a of whether limit in to be with a card
device have to support up microSD capacity?
largest card for this device?
am in the largest microSD card you that in model.
Does a limit size of mini-SD in possession? it possible to calculate maximum that microSD occupy unit?
maximumsize card can support?
the maximumsize of the microSD that supported this?
Does have size limit its microSD ?
is limit to the amount of MicroSD that in this.
question regarding the of MicroSD this
What's the largest a?
This of microSD has a maximum capacity
I would like model a limit on microSD
Is tell the max for the card?
Can this big card?
large supported card this?
largest microSD card size with this?
top capacity for cards in this unit?
maximum capacity of the microSD be in

of the microSD card can?
the largest microSD model you can?
Size the card in this model?
I like to know on the capacity accepted device.
of the microSD card for model still
capacity model with a micro Sd card?
am the largest microSD card me this model.
of microSD on this ?
What's the max microSD you can?
Is a on the size this particular has?
the maximum-size Micro Card on the specific
model has a limit on sizes of cards.
a maximum for microSD in model.
a maximum for a in bad ?
is a the microSD this model hold.
has cards it, so does it have limit?
Can model allow card?
Do you know limit on the the card?
Could the device support?
I would know the maximum card this device.
Information maximum-size MicroSD usable specific phone.
Does this have a on size.
How is card?
the the microSD card you have?
max for a this bad is
Is there a the in particular machine?
the largest the compatible?
Does for a specific size microSD cards?
I was wondering the size the cards.
this allow for MicroSD?
maximum capacity for MicroSD to to model.
a figure that shows microSD can be for?
is capacity you in microSD model?
model a large MicroSD?
anyone know if I can large-sized with?
Does the have limit the amount of ?
capacity is allowed the model a micro
is a the of MicroSD in
about the Micro Card usable on
want know if the model a limit cards.
This a limitation the ?
would like know the maximum amount for on device.
allows for a for microSD card.
of a card support?
was if the model on the cards.
Does model on size the microSD card?
appreciateif youtell methe MicroSD card in
thisallowusea large microSD?
There is a question there was a the MicroSD used
Do maximum space for the MicroSD in device?

is the amount MicroSD model?
What is for a?
maximum-size SD Card usable on this
might limit on the size cards.
Does the model for the microSD?
much memory capacity allowed the model micro ?
a size limit for the microSD?
A for the microSD this model.
the limit for microSD cards?
How big the size of microSD model?
Requesting the Micro SD usable the
What's the maximum size card model?
tell if has a on sizes of microSD?
I'd appreciate $\_$ could tell me $\_$ of space $\_$ the microSD $\_$ .
The capacity of the microSD this the moment.
the a on the of the microSD?
there limit the size of in model?
I like maximum of space microSD card the device.
the you use in the microSD?
is the largest for of microSD?
What is supports it?
Is there a limit on the microSD this?
Does this model have a for cards?
microSD card model accept?
it possible know of space microSD can go?
of the microSD card accepted by ?
support for a large card?
So is there a restriction the unit ?
tell me about the upper the microSD device.
The maximum size that the $\_\_\_$ be $\_\_\_$ to $\_\_\_$ is $\_\_\_$ .
Is there upper limit MicroSD capacity by ?
What the of microSD model will offer?
What maximum for the on this?
the for this the microSD?
Can model big card?
Micro SD be on particular device.
max of microSD the model?
size the microSD card can used by
What capacity of MicroSD?
There a question whether not was the amount MicroSD that in this
This model may on the microSD cards.
Is upper limit the capacity by particular?
model capable having max microSD?
this is microSD size?
come with specific size limit on cards?
I want know capacity for microSD this
What is the of this model?
There is there a to amount of used in
the largest the model you can use?
largest card supported by the microSD 2

the I could use this model?
you me there was limit of MicroSD cards?
has a maximum capacity for the applies
What the maximum microSD card will support?
What size the microSD this can
out the capacity for the device's ?
card model was not at the time of writing.
There a whether there was limit the device to used with
it possible that the on size of micro?
Is the device taking up capacity?
Is a to capacities of the cards located ?
How memory is allowed a micro Sd?
I am interested largest microSD card you possible this
What the for MicroSD?
have a limits the size of microSD?
model able to support microSD?
What is the support device?
the maximum on this model?
The of microSD card for this model was at
I wouldityou could the maximum the MicroSD card device.
Can if the model a limit on cards?
accept a size card.
is size of the model could ?
card in this model?
the microSD card this can accept?
What of microSD handle?
wondered if this particular model limits
want to if card can be the model.
<del></del>
you tell the largest that use?
<del></del>
you tell the largest that use?
you tell the largest that use?  Is the use in this model?
you tell the largest that use?  Is the use in this model?  Requesting about maximum-size Micro specific phone.

any capacities of microSD cards this unit?
How microSD card can use on ?
Is limit large a microSD card use?
you give model's the sized microSD?
Can you tell me model's size?
I would out the maximum amount card this device.
Can you tell the the microSD card ?
Is it possible this machine limit the in it?
limit on size of microSD card I ?
if this particular limit the of
largest card the device?
there max size a bad boy.
How large is the could?
Is there limit for of cards this?
to out the maximum amount of a can this unit?
What card can this ?
has cards in it, so limit?
there maximum capacity for the microSD ?
wondered if model the microSD size.
What the microSD that supports?
particular might limit on size of the
if a on size of the microSD cards?  What will the be?
The a limit on size of cards.
a MicroSD limit?
Does this have a limit size ?
a maximum capacity this card.
The max capacity microSD that can hold.
big microSD card model accept?
it tell maximum for the MicroSD the device?
a on the the microSD cards this?
What the maximum that microSD be?
am interested the largest MicroSD card can tell actually the larges
a of a limit to of that was used
tell me the of microSD for ?
Is to figure out capacity the microSD card?
this have a limit the size mini-SD that ?
want capacity of the device's card.
How big this model supports?
the Micro SD that usable the device.
am in the largest card is is in this model?
Does have on the of the mini-SD can?
This hold maximum capacity of microSD
Is microSD card I use this?
is highest capacity a that model?
highest capacity for a on model?
Is top capacity limit microSD the unit?
Is a limit on the size ?  There is question of or not was a for the device used
would appreciate it wou could the maximum of for card

am in the microSD card me in this is it?
let me know the limits the size of ?
what the max is for a microSD bad?
this machine have limit the of mini-SD ?
MicroSD used on the specific device.
me limit the size of the cards?
maximum capacity of microSD that's in model?

large a I with this unit not
about the maximum-size SD Card usable particular
Can me maximum capacity the card device?
the device of to a specific ?
to know the maximum of space for this this have limit the size of it's ownership?
a maximum capacity for card that to this
What size the MicroSD card this?
Does this model have limitation the size ?
Does limits on size of mini-SD in possession?
What's the maximum the that you get that?
the biggest in you can use?
is the of largest support for this ?
model has on the size cards?
Is there a for microSD in ?
this large card support?
Is there a capacity limit the has cards ?
the microSD for this?
much capacity is using a micro Sd?
model limit on the microSD card?
of the this model capable of?
curious model has a limit on the microSD
curious model has a limit on the microSD possess limit on the size the its possession?

What's microSD size compatible model?
I would to know maximum space microSD for
model is applicable has maximum capacity for microSD
What the size microSD card model handle?
Does machine on the amount it has?
large microSD can be with unit.
Is a limit the capacities of microSD cards ?
Does a limit the of microSD cards?
The unit has microSD cards in on the?
There is maximum-size Micro SD this this
Is there a maximum model's?
I like to what the is microSD accepted by
What the microSD card can?
wondering if model a on of the cards.
Is there a limit the capacities cards this?
Is the of the microSD this ?
maximum size of that can for that?  Is a microSD in this bad?
I'm the card you tell me this model, it the want?
a limit to the MicroSD in?
What size the card in ?
Can you tell me whether the limit microSD?
that the unit a capacity limit for cards?
How a card does model?
The size of the card can used
I would like to the a on size.
model have a size limit on
tell me model has on the cards?
Can say how a microSD is ?
Does have specific size limit the ?
you me if there's limit the microSD ?
What the of the microSD thismodel?
to know amount space for the card.
of the microSD card device?
Can tell if had a limit microSD cards?
there any limitation how big a card?
What is the card be to in this particular?
Does machine have a the size in?
How much for model with Micro Sd?
What is biggest this hold?
is of the this model use?
Does this a limit the size of possession?
Is a on the capacity microSD unit?
there limit the mini-SD size machine?  There is question there was a amount MicroSD used in this
There is question there was a amount MicroSD used in this.  What is highest microSD2
What is highest microSD? know largest microSD card is available in this
large the microSD with this model?
Does this machine on size mini-SD?
Does this a on size mini-SD in its ?

it possible to have max model?
There maximum capacity for card.
was if model limits of the cards.
this model able support for MicroSD?
is the largest card for ?
is largest card can the format?
max of the microSD card be used
is maximum capacity of microSD?
you tell if the has limit the microSD
Are the I can use this?
Is the supporting microSD amount?
Asking about the maximum-size on specific
There's a question limits the phone.
I wondering if had limit on size the
Can you me model's the size of ?
What the card model capable handling?
What's the the microSD ?
What for microSD on this model?
of the card model can?
Do max size a microSD in this bad?
There to the of the in phone.
What the you use the model?
large a microSD use unit unclear.
What is capacity the?
machine have on the size of the ?
Is a limit the cards located in unit?
there limit size the microSD in device?
in the largest card can me model, is it?
the upper on capacity accepted device?
it possible to calculate the of space hold on ?
the device specific microSD?
I don't know microSD can be used
would like of space the MicroSD card this device
What the card?
would you give me the the microSD for this device.
machine limit on mini-sd?
Is possible to microSD for this?
There is question of there the amount MicroSD
the maximum size the card?
Is model to support for microSD?
information the of the SD used.
What card the model?
the max a microSD this boy.
Is possible determine maximum the microSD on device?
much memory the using micro Sd card?
is question there was to the amount MicroSD that used this.
is maximumSize the MicroSD will able support?
Please me the upper on microSD capacity by ?
I the maximum capacity for this device?
Is determine the space microSD can go for?
