## [Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	CCTV camera installation
Inquiry Sub- Category	Recording and storage options
Description	Customers inquire about the different recording and storage options available for CCTV cameras, including cloud-based storage, local storage, and backup solutions.
Data Size	5,001 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 $\label{lem:masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)$ 

What the of and storage fees for cloud-based or	_?
is each that involves clouds or?	
How you recordings, storage or cloud?	
The costs of each includes fees services.	
What are recordings, storage, backups?	
give me an of the of and cloud-based?	
How is for services record store data?	
Tell the different and storage if cloud-based or	a backup
you the cost options, such as cloud?	
Fees for and recording the costs of each	
When considering service or backups, much does co	ost?
Fees or cloud are that recording storage options	
much does cost to archive and store the a?	
Do know the a cloud-based recording service?	
is the of cloud-based backup recording option?	
much cost to store it in or a?	
are the prices for backups, and?	
Considering service fees or the cost?	
fees recordings, storage, cloud	
am looking estimate of the cost of different types	cloud-based.
How is total save/record plus cloud backups?	
Fees tied to and are included in the for or	ptions.
Recording/storage backup and cloud	
any for cloud-based services backups the of expense	es to recording and?
What the to archive in the cloud a?	
the store it the cloud a service?	
cloud service fees and backups, much does cost?	
expenses also and cloud .	

you have a of expenses different recordings for on the server?	
Can you us in each taking into cloud-based and backup?	
How much does archive and store in or ?	
charged use services to record store data?	
give an of different types of like the cloud?	
Can me estimate of the of of such as backups ?	
is cost for cloud backup ?	
you give breakdown of the forstoring, including services or backups?	
take use option for recording, with fees cloud included?	
associated with a cloud-based keeping a backup with recording?	
are the implications for each charges associated cloud-based services?	
Recording and to fees or backups.	
you know the price of method ?	
there of associated different to backing up on cloud servers?	
How	
Fees tied to services or costing structure of different recording	
How it save/record data, and backups?	
both cloud are various to record/store content.	
Fees backups or cloud the options that cost.	
It expenses due to saving clouds backing	
Recording/storage expenses cloud costs.	
What are the using a cloud-based backup or recording ?	
How much a cloud-based backup service recording option?	
much to archive and store cloud off-line backup service?	
like to the of recording and such as	
The of a cloud-based service	
give me breakdown of the related to storing, any charges services backup	ns?
What are of using cloud service a recording	
How much is data with using cloud ?	
want to know the of different as backups	
much to archive and the cloud or off-line service?	
The of for backups, cloud, recording services.	
much do you pay to store cloud-based?	
Fees for cloud stuff backups included the cost recording	
service backups, how much recording and options?	
How much does cost in cloud back?	
What charges with cloud-based files each method of and?	
costs of include fees cloud-Based Services recording	
and backups, how recording and storage cost?	
Do an breakdown the expenses related to and any charges cloud-based services	7
are associatedcloud-based or backup files forrecording ?	'
archive and save it in the cloud?	
Various ways to content, both cloud	
How much does it to have those ?	
Fees include: or?	
Fees or backups in the recording and storage.	
I need know the price storage cloud-based.	and.
itemizedthestoragecroud-baseditemizedtheassociated with recording and storing,wellanyfor cloud-baservices or?	<del>sc</del> u
of using a backup service recording addition to regular.	
you a of expenses associated with different payments for backing server?

much does to use cloud keep backup with recording storage option?
Expenses due data clouds backing are in option's cost.
How much it cost a storage facility or ?
What the option, including expenses incurred due saving on?
How much the cost plus use the?
Recording and storage include the for
Is there to backing up on?
you pay storage or cloud?
I to cost of and storage
How much does to record and services?
Will you itemized breakdown the expenses related to recording and any or ?
The services are the costing of recording and storage options.
Your recording storage fees for or
What the costs with ?
are fees associated with cloud ?
Is there a expenses associated besides payment for backing cloud?
What is using a backup service?
is it for to store or record?
What are cloud backups?
Fees for cloud-based or the and storage costs.
The costs using a or keeping recording are discussed.
I price of for recording and storing things.
thereitemized of expenses recording storing, charges for cloud-based services ?
What price for storage option services?
What are the a service keeping backup or options?
much is price of or ?
much it of the options that include backup?
There costs using a cloud-based service with option.
Can you of of different besides considering for backing on cloud server?
an itemized breakdown of the recording and storing, including services?
the recording and cloud?
much does to backups and storage?
What is of a cloud service a?
much I have pay the option the services?
Can cost of different storage options, such as the cloud?
What are of using recording backup ?
Recording/storage and include and cloud
Let me know various and and whether it's a cloud-based backup
How it cost to store archive it in or ?
Can you estimate of cost of types of as backups ?
How much spend each recording storage account cloud-based as as backup costs
cost of the various and options and whether it's cloud-based backup
Fees associated with backups included in recording and storage options.
would to know the of different backups or
What the cost of storing or backing ?
costs have fees for services cloud
cost of using option orcloud-based service?
charges for services or an breakdown expenses related to recording and storing?
price of a method or cloud?
How data plus use cloud backups?

there breakdown of expenses associated with different backing ?
Can the cost of storage, such and cloud-based?
How much to store in the cloud a facility?
backup costs or fees be associated method method data
What's cost to data cloud backup?
in expenses up clouds calculating how much to and store data.
Can of of cost of different storage, such as or?
are the financial implications each of storage, including?
Is a breakdown of expenses and related backing on cloud?
tell me about of services, backups recording?
Costs of a cloud-based a recording storage option
How much it for each of recording storage with the stuff ?
are total data use cloud backups?
Can give a breakdown expenses different besides payments to up the cloud
How much is save/record plus use ?
me various recording options, a cloud-based service backup expense.
breakdown of associated with recordings the payments for on server?
Take additional for backing into account it costs per to record and
Can you an the expenses with recording and including charges cloud-based
it to in the cloud backup it?
much cost to store in the cloud an off-line service?
costs of all options cloud-service fees?
To costs to store data, take account any for up clouds.
Considering both and maintenance ways to?
you me of different types of storage, as?
give a breakdown of different along related backing on cloud server?
costs or fees included the associated recording and
Does it archive and in or an backup?
Fees for backup services are your costs.
to to for each of the that clouds or backup?
storing, like how much?
backups clouds/other media are expenses all?
expenses recording storage options, such as services?
How much storage cost, like cloud?
Cost for cloud-based backups the prices recording storage alternatives.
What the of using service keeping a recording storage?
Is to save/record data use cloud?
need the of and storage options, like a
Costs of backup service
How much it and in the?
much does to archive and in cloud or?
of a service keeping a backup with a recording?
What are charges associated cloud-based services for recording ?
Fees record/store backups?
What cost of using a keeping a recording?
What are the costs a option cloud-based ?
Storage and services.
you me the costs recording and storage such as services ?
is different of storage like or backups?
provide an itemized of to and including any charges for services or?

Expenses associated saving on or are in the every re	ecording and option.
tell me about the expenses of various and such ?	
Fees backups or services are the costs.	
cloud service or keeping a with a recording or storage	
are fees for services?	
How it and store it in or backup ?	
Fees for and backups are in costs.	
much I need to pay each option of ?	
Recording/storage expenses charges backup cloud costs.	
Fees for backups or cloud are the price recording	
are the of having backup recording option?	
to services are included the structure recording stor	rage options.
How is it of options that backup services?	
Every recording and cost includes expenses due saving data ba	cking
cloud backup recording method costing?	
costs are recordings, storage ?	
Are service fees in storage and?	
What the cost of service or keeping a with option	
How it in the cloud or backup?	
much would it cost each recording, the fees storage?	
What are of using cloud-based service a with?	
for cloud-based backups are in and costs.	
Can itemized breakdown and storing expenses, including charg	jes services or backup
	jes services or backup
Can itemized breakdown and storing expenses, including charge Can the cost of different such or cloud-based?	
Can the cost of different such or cloud-based? are involved in the storage into cloud-based service and	
Can the cost of different such or cloud-based?         are involved in the storage into cloud-based service and         The each include fees backup, and	
Can the cost of different such or cloud-based?         are involved in the storage into cloud-based service and         The each include fees backup, and         much costs to store in cloud or facility?
