[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Plan and package information requests
Inquiry Sub-Category	Family or shared plans
Description	Customers want to know about plans that allow multiple lines or devices to be connected under a single account, along with the cost and benefits of such plans.
Data Size	6,016 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ it possible _____ _____ _____ _____ _____ for _____ line on the same shared _____?

Is it possible to _____ _____ data _____ _____ each _____ _____ a shared _____?

_____ _____ the _____ on the shared _____ _____ their own _____ limits?

Can _____ _____ in _____ plan _____ its _____ data caps?

_____ _____ data _____ _____ found on _____ plans?

_____ _____ _____ different for lines _____ a shared _____?

Can _____ _____ of _____ plan have its _____ data _____?

Is _____ _____ way _____ modify data _____ _____ individual lines within _____ shared _____?

_____ _____ _____ plan have _____ data limits?

_____ _____ possible _____ _____ limits on one shared plan _____ _____?

_____ _____ feasible _____ each line on the plan _____ _____ _____ data _____?

Do _____ data _____ apply _____ _____ _____ sharing the _____ plan?

_____ _____ on the same _____ _____ _____ data limits?

Is _____ _____ limits _____ one shared _____ _____?

I _____ like to _____ how _____ _____ individual data _____ for _____ _____ _____ the _____ account.

_____ the shared _____ _____ each _____ _____ have its _____ data limit?

_____ they _____ _____ _____ limits for _____ line?

Do separate lines _____ _____ _____ plan _____ different _____ limits?

_____ _____ _____ plan lines _____ distinct _____ limits?

Is _____ _____ to _____ data _____ on individual lines shared _____ _____ _____ package?

Does the _____ _____ allow _____ different _____ caps _____ _____ lines?

_____ _____ a way _____ _____ different _____ _____ for the same plan.

Does it _____ sense _____ _____ _____ an _____ _____ have _____ data restrictions?

Do _____ individual lines _____ _____ same _____ _____ _____ own data restrictions?

Are _____ data caps _____ to be different _____ _____ _____ _____?

Can we tailor _____ data _____ _____ _____ lines within a _____ _____?

_____ _____ be differing _____ of allowed _____ within a _____ _____?

_____ data _____ _____ varied for _____ line _____ a _____ plan?

_____ I _____ separate data limits _____ _____ lines on _____ _____?

_____ lines _____ _____ _____ stinkin' plan _____ different limits on _____ data?

Is _____ _____ _____ _____ _____ every line on this plan?

Do _____ think it _____ possible _____ assign _____ _____ limitations _____ _____ phone on a _____ _____ package?

_____ _____ limits _____ changed _____ _____ shared plan?

Can _____ _____ me _____ it _____ possible _____ set distinct _____ for data _____ _____ individual _____?

_____ the _____ limits _____ the same _____ _____ be different?

_____ some lines _____ _____ plan have _____ data _____?

_____ _____ be possible _____ vary data _____ _____ _____ line _____ a shared plan?

Can _____ _____ _____ _____ varied on a _____ plan?

Is _____ possible _____ set _____ limits _____ _____ _____ on individual lines?

_____ the _____ limits _____ the same plan _____ _____?

_____ it possible _____ _____ _____ experiences _____ data limitations _____ the _____ subscription?

_____ every line _____ the _____ _____ have data _____?

Is it possible _____ lines _____ _____ _____ single _____ _____ have different bandwidth _____?

_____ _____ _____ to _____ data usage _____ individual lines sharing the _____ _____.

_____ it _____ _____ data caps per _____?

_____ _____ possible _____ have dissimilar _____ limitations _____ _____ connected on _____ unified scheme?

_____ limits _____ _____ line _____ shared plans _____ vary.

_____ we _____ separate data _____ for each line _____ _____ _____?

_____ _____ make sense to impose different _____ _____ on _____ lines _____ _____ _____ plan?

_____ _____ think _____ will have _____ _____ caps _____ _____ within a shared plan?

_____ we _____ _____ _____ _____ to each line?

Can _____ _____ _____ our _____ _____ have _____ own data limit?

_____ _____ a way to _____ unique _____ limitations to every _____ on a _____ _____ _____?

_____ _____ _____ _____ data limits _____ one shared plan.

Can _____ _____ _____ _____ plan vary?

_____ _____ _____ if _____ possible to _____ different _____ limits _____ each line in _____ shared _____?

Can you impose different _____ limitations on _____ _____ within _____ _____ _____?

_____ I _____ _____ ability _____ set data limits _____ every line _____ the _____?

_____ might be possible _____ _____ _____ _____ _____ account with different _____ restrictions.

Can there _____ different _____ _____ for each _____ in _____ _____ _____ plan?

Can _____ _____ _____ data _____ for lines?

Is _____ _____ to set _____ limits on the _____ _____ _____ _____ lines?

_____ _____ possible _____ assign different _____ _____ per line _____ _____ family plan?

Is it _____ _____ _____ data limits for each _____ _____ _____ plan?

_____ there be different _____ caps for _____ _____ in a _____ _____ _____?

_____ it possible _____ have different _____ _____ _____ _____ lines _____ _____ same shared plan?

_____ my data _____ _____ different for every _____ _____ _____ plan?

Is it possible _____ _____ data _____ per _____ _____ our family _____?

_____ _____ line _____ its _____ _____ of data limits?

_____ _____ line _____ _____ plan have its _____ data cap?

_____ it _____ _____ set _____ limitations on _____ usage on _____ lines?

_____ _____ _____ _____ a plan have different data _____?

_____ _____ possible to _____ _____ _____ _____ within a shared plan?

Is _____ possible to _____ different data _____ _____ _____ lines _____ a _____ plan?

Is _____ _____ to have differing _____ _____ _____ a _____ plan?

_____ it possible _____ impose _____ data _____ _____ _____ lines within a shared _____?

_____ it _____ _____ individual lines sharing _____ _____ plan to _____ separate data _____?

_____ _____ be _____ in data _____ on _____ shared plan?

_____ there _____ separate data _____ for every line _____ _____ _____ plan?

_____ _____ possible _____ different data _____ for _____ _____ _____ a shared plan?

Can the _____ of _____ _____ _____ _____ different data limits?

_____ _____ be possible _____ have _____ data caps _____ _____ line in _____ shared _____?

Is it _____ _____ _____ connected to _____ unified scheme to _____ different _____ _____?

_____ _____ _____ different data limits on each _____ _____ the shared _____.

Is it _____ to _____ different _____ _____ for _____ _____ on the _____ plan?

_____ _____ _____ line _____ _____ same package could be separated.

Data _____ _____ _____ same _____ could _____ different.

_____ _____ assign _____ allowances to _____ individual lines _____ _____ plan?

_____ I _____ different _____ limits _____ each _____?

_____ each _____ of _____ _____ plan have certain data _____?

Can _____ _____ _____ _____ _____ data limit _____ the shared plan?

Can I use _____ _____ limits _____ each line _____ _____ shared _____?

_____ each _____ on a _____ plan _____ its _____ _____ limits?

Is it possible to have _____ _____ _____ _____ _____ connected _____ the same _____.

_____ _____ _____ separate data limits _____ each _____?

Can I get _____ data caps for _____ _____ of _____ _____ _____?

_____ _____ _____ different data limits _____ _____ same plan?

Is it possible to _____ _____ _____ limits _____ one _____ _____?

Is the same _____ able _____ _____ different _____ _____?

Are there _____ _____ _____ different _____ _____ _____ line within a _____ plan?

_____ _____ _____ to _____ different data limits _____ the _____ plan.

_____ it possible to have dissimilar _____ _____ _____ lines _____ on a _____ _____?

_____ _____ possible to set _____ _____ usage _____ for _____ lines?

Do you _____ it's _____ _____ impose _____ data _____ on _____ lines?

Will the _____ plan _____ _____ data restrictions _____ each _____?

There may _____ separate _____ _____ per line _____ the _____.

Is it _____ _____ _____ different bandwidth limitations among _____ _____ _____ _____ scheme?

_____ you _____ to allow individual data _____ _____ _____ _____ one account?

Can _____ modify _____ _____ _____ _____ individual lines in _____ shared plan?

_____ _____ on the same plan have different _____ _____ _____?

_____ limits can _____ between lines _____ _____ _____ plan.

Individual _____ on the shared _____ could _____ _____ data _____.

_____ _____ _____ to impose different _____ limitations _____ lines _____ a _____ plan?

_____ it possible that _____ line _____ _____ _____ plan has _____ own data _____?

Can _____ _____ line _____ this plan have _____ _____ limits?

Will _____ be _____ _____ allocate different _____ limits for _____ _____ _____ a plan?

Is _____ possible to _____ _____ _____ _____ individual _____ sharing the _____ package?

Is _____ _____ _____ have _____ _____ limits _____ _____ line of a shared plan?

Are _____ _____ to _____ different _____ _____ _____ _____ within the shared plan?

_____ there be _____ data limits for _____ _____ on _____ same _____.

_____ the _____ on the _____ have _____ _____ data limit?

_____ _____ on a shared plan can _____ _____ _____ limits.

_____ _____ _____ data limits _____ individual _____ within _____ shared plan?

Can _____ _____ _____ _____ _____ have different data limits?

Can _____ _____ _____ specific data _____?

_____ it _____ _____ different data _____ _____ be _____ on one plan?

_____ _____ shared plan _____ have _____ data _____?

Is it _____ _____ vary the _____ limits for _____ _____ in a _____ _____?

Does ____ make ____ ____ have different data limits ____ ____ ____ plan?

Different ____ in the same plan ____ ____ ____ data ____.

Can lines ____ a common group plan ____ ____ ____ ____ data ____?

Is it ____ to ____ ____ ____ for different lines on a ____ ____?

Can I ____ ____ data caps ____ ____ ____ line on ____ plan?

____ ____ possible ____ impose ____ ____ limitations ____ a shared plan.

____ I ____ ____ opportunity ____ set separate data limits ____ ____ line?

Do ____ lines ____ the ____ plan ____ different ____ limits?

____ every ____ ____ ____ plan have its own ____ limit?

____ it ____ ____ connect lines ____ a unified ____ with different ____ ____.

____ there ____ data caps ____ ____ ____ ____ our shared plan?

____ ____ line ____ ____ ____ plan have ____ own data caps?

Can ____ line ____ our ____ plan have ____ ____ data ____?

____ it ____ for lines ____ ____ one unified ____ to have differing ____ ____?

____ there be ____ ____ caps on ____ ____?

____ ____ data caps likely to be ____ within ____ ____ ____?

____ ____ ____ ____ the same ____ plan ____ different data limits?

Can ____ make ____ limits ____ ____ ____ ____ a shared plan?

On ____ ____ plan, ____ data limits ____?

Can all ____ of ____ ____ plan ____ ____ limits?

The shared plan could ____ different ____ ____ for ____ ____.

Can ____ ____ data ____ ____ lines of the ____?

Can the ____ limits ____ ____ ____ each ____ on ____ plan?

I am wondering ____ ____ can have ____ data limits ____ ____ ____.

____ a ____ ____ our ____ have ____ own data limit?

____ each line ____ ____ ____ ____ have its ____ data caps?

____ ____ ____ for ____ ____ in ____ shared plan is doable

Is ____ possible that lines sharing ____ ____ ____ have ____ data ____?

____ your ____ plan ____ ____ ____ data caps for ____ line?

____ ____ sure ____ I can ____ separate data ____ ____ each line?

Is ____ possible ____ set ____ ____ for separate ____ ____ the same ____ package?

Do you ____ if ____ ____ to have different ____ ____ for each line ____ ____ ____ ____?

____ ____ separate ____ limits for each line ____ ____ ____ plan?

Is ____ possible ____ give different ____ caps ____ line ____ ____ ____ plan?

Do you ____ I can ____ ____ data ____ ____ each ____?

____ it possible to change ____ ____ ____ connected lines ____ ____ ____ plan?

____ ____ ____ of shared plan ____ different ____ limits?

Is it possible ____ change the data ____ ____ each ____ ____ ____ same ____ ____?

____ different ____ in a plan have ____ ____ on ____?

Can ____ data limits be ____ in a ____ ____ ____?

____ my data caps ____ different ____ ____ line ____ our ____?

Is there a ____ to ____ ____ allowances ____ each ____ of ____ ____?

Can ____ lines have ____ ____ ____?

Can we ____ data limits ____ individual ____ ____ a ____?

____ it possible ____ place different data limitations ____ ____ ____ ____ a shared ____?

It may ____ different ____ ____ ____ line within a ____ ____.

Is there ____ different ____ ____ per line on ____ ____ ____?

____ ____ on the plan ____ ____ different data ____.

____ ____ a way ____ assign different data ____ per ____?

____ ____ be possible to ____ ____ ____ ____ for different lines in ____ ____ plan?

Is _____ permissible _____ every _____ _____ _____ _____ mobile _____ _____ have individual data limits?

Is it _____ to _____ _____ data limits _____ each _____ _____ a _____ plan?

_____ you _____ if it _____ _____ _____ allocate different data _____ for each _____ _____ _____ shared plan?

Data limits _____ be _____ _____ _____ on the _____ package.

Is _____ possible _____ each _____ has _____ data limitations on _____ _____ _____?

Can _____ _____ _____ limits _____ _____ _____ with a shared plan?

Are there _____ _____ restrictions for _____ _____ _____ the same _____?

Can we _____ _____ caps per _____ in _____ family _____?

It _____ _____ to have different data _____ for _____ _____ _____ _____ single _____ plan.

Can all _____ _____ on the _____ plan have _____ _____ _____?

Is it _____ _____ people _____ _____ an account with _____ data _____?

_____ different _____ in the _____ plan _____ _____ limits?

_____ the _____ _____ allow flexibility _____ _____ data restrictions to _____ line?

_____ _____ _____ plan's lines _____ _____ data limits?

_____ individual data _____ be allowed for every _____ _____ _____ shared _____ _____?

_____ the _____ lines in the plan have _____ _____ _____?

Is _____ _____ caps _____ to _____ different _____ the _____ plan?

_____ lines _____ different _____ limits?

Can each _____ _____ _____ share _____ have _____ data limits?

Can _____ change _____ data limits _____ _____ _____ plan?

_____ there be _____ _____ _____ _____ line within _____ shared plan?

Will I _____ able _____ _____ _____ limits _____ _____ line _____ this plan?

_____ individual data limits _____ for _____ lines in _____ _____ _____ plan?

_____ _____ lines have their _____ data _____ _____ a _____ plan?

I _____ like to have _____ _____ limits for _____ line _____ _____ _____.

Can _____ line _____ a _____ _____ cap?

Is it _____ for each line _____ the _____ _____ to _____ _____ _____?

_____ _____ _____ _____ the _____ shared plan vary?

_____ it possible for _____ _____ on one _____ _____ vary?

_____ _____ have seperate data limits for _____ _____ _____ this _____ _____ plan?

Can _____ set _____ usage caps _____ _____ _____ in the unified _____?

_____ _____ _____ limits _____ on a _____ plan?

_____ it be feasible to _____ _____ data _____ for each _____ _____ _____ _____ plan?

Is _____ _____ to _____ varied _____ limits on _____ _____ plan?

_____ _____ _____ limits _____ different on one _____ plan?

_____ the _____ _____ our plan _____ unique _____ caps?

_____ each line _____ _____ _____ have _____ limits?

_____ it be _____ _____ allocate _____ data _____ _____ each line?

On _____ same shared _____ could _____ _____ separate data _____?

Is it _____ that I _____ _____ _____ _____ caps for each _____?

_____ _____ lines on the same plan _____ _____ limits _____ _____?

_____ _____ _____ to set _____ data _____ for every line on _____ _____?

_____ _____ _____ to vary data limits _____ _____ _____ in a _____ plan?

Is it possible _____ each line _____ _____ _____ _____ have _____ _____ caps?

Can _____ in _____ common _____ _____ different levels of _____ _____?

_____ _____ line _____ the shared plan _____ _____ data limits?

Is it _____ _____ _____ _____ _____ account _____ not have the same data _____?

Is there _____ way _____ _____ _____ _____ limits for different lines _____ _____ same _____?

_____ _____ limits be feasible for _____ _____ on a _____ _____?

_____ _____ shared plan _____ different _____ caps for every _____.

_____ it possible _____ a _____ _____ to have different _____ _____ _____ line?

_____ _____ think _____ data _____ for every line _____ _____ single shared _____ is _____?

On the _____ _____ can _____ _____ _____ data limits?

Do different _____ _____ the same _____ _____ _____ data limits

_____ I _____ _____ _____ data limit for each _____?

_____ it be feasible _____ _____ _____ _____ _____ _____ each line in _____ shared plan?

Can _____ _____ _____ group plan have different _____ of _____?

_____ _____ possible to allocate varying data _____ for _____ _____ of _____ shared _____?

Is it possible to limit _____ _____ _____ _____ _____ _____ sharing _____ package?

Is _____ _____ to establish separate data _____ for every _____ _____ _____ _____?

_____ users connected _____ _____ _____ _____ plans have _____ _____ against datum incursion?

Can each line on _____ _____ _____ _____ data cap?

It is _____ _____ _____ _____ data limits _____ different lines _____ _____ same shared _____.

_____ there _____ _____ _____ _____ data usage _____ individual lines sharing _____ same package?

Is it _____ it _____ have different _____ _____ per _____?

Does _____ _____ line _____ this _____ plan _____ different _____ limits?

_____ each _____ on the plan get their _____ _____ _____?

Can _____ be possible to set _____ _____ data usage _____ _____ _____?

It's _____ to have _____ data _____ _____ _____ on the _____ _____ package.

Is _____ possible to _____ seperate data _____ _____ _____ line on _____ _____?

_____ each phone within the _____ plan have _____ _____ _____?

Can _____ line of our plan get _____ _____ _____ _____?

_____ same _____ _____ have separate _____ _____ per line.

_____ I get _____ data _____ for _____ _____ on the _____?

Can _____ on _____ same stinkin' _____ have different _____ _____?

Can _____ data _____ _____ a _____ plan _____?

_____ _____ plan may have different _____ _____ _____ each line.

_____ different data limits _____ _____ _____ _____ _____ on a shared plan?

Can I _____ different _____ _____ for different _____ _____ our shared _____?

It is _____ to _____ different _____ _____ for _____ lines _____ the same _____.

Is it _____ _____ assign varying _____ _____ _____ each line in _____ shared _____?

Is _____ shared _____ likely _____ have _____ _____ caps per _____?

_____ the lines _____ _____ shared _____ have different data _____?

Is it _____ to _____ different data _____ for _____ _____ of a _____ _____?

_____ a _____ plan _____ varied _____ _____ feasible?

_____ it _____ _____ _____ allocate different data limits _____ each _____ _____ a _____ plan?

Can _____ get _____ _____ limits for _____ _____?

Is it possible _____ _____ _____ _____ limitations _____ each phone _____ _____ _____ network package

_____ it _____ _____ _____ might have different _____ caps per _____?

_____ _____ a way _____ each _____ to _____ their _____ data limits?

Individual _____ sharing _____ _____ _____ might _____ data restrictions.

_____ it _____ to _____ _____ data caps for _____ _____ _____ a plan?

Can _____ _____ line _____ this plan _____ _____ own data _____?

_____ _____ possible for you _____ allow _____ data _____ _____ _____ on a single _____?

_____ data caps are doable _____ _____ _____ in a _____ _____.

Is it _____ _____ allocate _____ _____ _____ for each line _____ _____ shared plan?

Is it _____ to _____ _____ data _____ _____ _____ line in a _____ plan?

_____ _____ set _____ limits _____ individual lines in _____ _____ plan?

_____ I _____ _____ separate _____ limit for each _____?

_____ _____ possible to _____ _____ data limits _____ _____ shared plan?

Is it _____ _____ assign different _____ _____ per _____ for _____ _____ plan?

The same _____ package _____ _____ separate data _____ _____ each _____.

_____ _____ _____ _____ the same _____ _____ have different data limits?

Can there be _____ _____ of data _____ in _____ _____ _____?

_____ each line on the _____ plan _____ different _____ _____?

_____ it possible _____ _____ _____ data _____ for _____ line on _____ stupid plan?

_____ any _____ the lines _____ _____ plan have different _____ _____?

Can data limits vary _____ _____ _____ _____.

Is _____ possible _____ _____ divergent usage caps for every _____ _____ _____ same _____ _____?

How _____ different data caps _____ _____ _____ _____ a _____ shared plan?

You _____ _____ different data _____ _____ each line _____ _____ shared plan.

_____ _____ _____ for data limits _____ _____ from line to line _____ shared _____?

Data limits _____ _____ between _____ on the _____ _____.

Is _____ _____ _____ _____ per line on a _____?

Is _____ _____ way _____ _____ _____ data _____ _____ connected lines within a _____ plan?

Are there _____ _____ _____ _____ line?

Is _____ _____ it _____ _____ varying _____ caps per line?

_____ the _____ _____ limits feasible _____ each _____?

Is _____ _____ for _____ _____ on _____ shared plan _____ have varying data _____?

Is it _____ to _____ _____ _____ _____ on shared lines?

_____ _____ if it _____ _____ to _____ different _____ limits _____ each line in _____ _____ plan.

_____ it possible to _____ _____ _____ _____ _____ different lines in _____ family plan?

Is it possible _____ _____ to get _____ _____ _____ for _____ line?

Is it possible _____ _____ different data caps _____ _____ _____ _____?

_____ it possible to put _____ data _____ _____ _____ _____ plan?

Data _____ may vary between lines _____ _____ _____ _____.

_____ it possible _____ have different _____ _____ among _____ _____ _____ one unified scheme?

Can a _____ plan _____ _____ data _____ for each _____?

Is _____ _____ that _____ phone within the _____ plan _____ _____ _____ data limit?

_____ _____ _____ _____ get _____ data caps for every line?

Data limits on _____ _____ shared _____ _____ be _____.

_____ _____ possible _____ _____ data limits _____ individual lines within _____ shared _____.

_____ the lines _____ same plan _____ _____ _____ limits?

Is _____ possible _____ _____ separate _____ _____ _____ the same package.

Is it possible _____ the _____ _____ for _____ _____ to _____?

_____ it _____ _____ change data _____ for each _____ _____ a shared _____?

Can _____ _____ limits be _____ for _____ line _____ _____ shared plan?

Is it possible to have different _____ limitations _____ _____ _____ _____ _____ unified _____?

_____ it possible _____ _____ different limits _____ data _____ on individual _____?

Is _____ possible to have _____ bandwidth _____ _____ _____ connected on the _____ _____?

Is _____ _____ _____ data cap _____ line on _____ plan?

Does _____ _____ _____ have different _____ caps _____ line?

_____ it _____ to have different bandwidth _____ for _____ _____ on _____ same _____.

Each line _____ _____ _____ data _____ _____ the shared plan.

Do _____ allow _____ _____ _____ individual _____ within the same shared _____?

_____ _____ the _____ plan, do you allow different _____ caps _____ _____ _____?

Can we _____ individual _____ _____ _____ a _____ plan?

_____ _____ _____ can apply to individual lines _____ _____ same _____.

Do the lines in _____ _____ plan _____ _____ _____ limits?

Is _____ possible _____ limit data _____ _____ individual _____ _____ sharing a _____?

Different _____ caps for every _____ _____ _____ single _____?

_____ _____ use _____ data _____ for _____ lines?

Can _____ assign _____ allowances to different lines _____ _____ _____?

Is there _____ to _____ _____ data caps per _____ within _____ _____ _____?

_____ _____ _____ _____ the shared plan have _____ _____ for data?

_____ _____ get different _____ caps _____ _____ line on the shared _____?

_____ _____ be _____ data _____ per line _____ a shared _____?

_____ different lines in the _____ _____ have _____ data _____?

Can _____ data _____ _____ found on _____ same _____?

The shared plan _____ have _____ data _____ on _____ _____.

_____ _____ allow different _____ caps for each line within _____ _____ _____?

Is it _____ _____ individual _____ limits for _____ _____?

_____ we _____ differing _____ caps _____ each line _____ a _____ plan?

Is it possible _____ _____ different _____ caps in _____ _____?

Different _____ _____ _____ every _____ _____ _____ shared plan is possible.

Is it _____ to _____ _____ data limitations _____ _____ phone on _____ shared _____ _____?

Do _____ _____ it is _____ to allocate _____ _____ limits for _____ _____ _____ a _____ plan?

Can _____ line in _____ plan _____ its _____ data _____?

_____ _____ shared plan's data _____ _____?

Can _____ _____ be _____ to _____ _____ of the plan?

Do _____ _____ _____ is possible to _____ varying _____ _____ _____ each line?

_____ _____ line _____ _____ plan have _____ own data limit?

_____ the _____ plan allow differing data _____ _____ be _____?

Can _____ _____ _____ this plan _____ _____ data limit?

Can _____ _____ _____ _____ _____ _____ have different limits for data?

On the same _____ _____ separate _____ limits _____ _____ possible?

_____ it _____ _____ to impose different data limitations _____ lines _____ a _____ _____?

Can our _____ plan have _____ _____ _____ for _____ line?

Is it _____ for there to _____ _____ _____ _____ per _____?

_____ _____ line have different _____ _____ in a _____ plan?

_____ _____ possible for _____ line _____ our _____ to get unique _____ _____?

On the same _____ package, _____ _____ be _____ _____ limits?

Is _____ _____ for lines _____ on one unified _____ _____ _____ _____ bandwidth limitations?

Different data _____ can be _____ _____ a _____ _____ plan.

_____ each line _____ different _____ _____?

Is it _____ to _____ differing data _____ for _____ _____ in _____ shared _____?

_____ _____ _____ individual _____ allowances to different lines of _____ collective _____?

Do you allow differing _____ _____ _____ individual _____ _____ the _____ plan?

_____ _____ a shared _____ _____ _____ data caps per line?

Is it _____ _____ _____ different bandwidth _____ between lines connected _____ _____ _____ scheme?

Is it possible for _____ plan _____ have _____ data _____ _____ _____?

_____ it _____ _____ lines sharing _____ _____ to have differing data _____?

_____ the data _____ on _____ plans _____ _____?

Do _____ _____ _____ _____ _____ for _____ lines in the same plan?

Is _____ _____ _____ _____ line in a _____ _____ _____ to have individual _____ limits?

_____ we give _____ _____ a different amount _____ _____ _____ a _____ subscription?

_____ _____ possible to set _____ limitations _____ _____ data _____ on individual _____?

_____ it _____ to _____ _____ usage _____ individual _____ _____ the same package?

Can I get _____ _____ _____ for each _____ _____ my _____?

_____ every _____ _____ our _____ plan _____ its _____ data limit?

_____ different _____ _____ different _____ limits?

_____ _____ line _____ _____ shared _____ have its _____ data limits?

Can we _____ data _____ _____ _____ lines within _____ _____ plan?

Is it _____ to _____ differing _____ _____ _____ lines _____ _____ the same scheme?

_____ we _____ data allowances _____ _____ line _____ the plan?

_____ _____ _____ to have _____ data _____ for _____ _____ on the plan?

_____ the _____ lines _____ the shared _____ _____ different _____ limits?

Can a _____ _____ _____ group plan have different _____ _____ allowed _____?

_____ all _____ the _____ on the plan have _____ _____ _____?

_____ _____ _____ different data limits for _____ line _____ a _____ plan?

Can _____ lines of our _____ plan _____ _____ _____ limits?

_____ _____ dang line _____ this shared plan have _____ _____ _____?

Data limits _____ _____ different for _____ line on _____ _____ _____.

_____ _____ shared plan _____ _____ _____ different data limits?

_____ _____ _____ _____ _____ plan able to _____ unique data caps?

Can we set usage _____ _____ different lines _____ _____ _____ _____?

Is _____ feasible _____ _____ different data _____ for _____ line in _____ shared _____?

_____ individual _____ _____ _____ for every line in a _____ _____?

_____ it possible _____ have _____ data _____ _____ each line?

_____ sharing _____ _____ have _____ data limits per _____.

_____ data caps _____ _____ _____ _____ a shared plan.

Would _____ be _____ _____ _____ _____ share _____ account with _____ data restrictions?

On _____ _____ are different data _____ _____?

_____ _____ think _____ _____ allowed to set _____ data _____ for each _____?

_____ it _____ to set _____ _____ for data usage _____ individual _____?

_____ _____ possible to vary _____ limits on _____ same _____ _____?

Can we personalize _____ _____ _____ _____ shared _____?

Is _____ _____ _____ the data limits on _____ shared _____ _____ vary?

_____ _____ _____ _____ adjust data limits _____ individual lines within _____ _____ plan?

_____ _____ be _____ to _____ different data _____ to _____ lines in the _____ _____?

_____ there a _____ data cap for _____ _____ _____ _____ plan?

_____ it doable _____ have different data _____ for _____ _____?

_____ _____ _____ to _____ dissimilar _____ limitations among lines on _____ unified _____?

_____ _____ _____ each _____ a different amount of data _____ _____?

Can _____ be _____ data caps _____ the _____ _____?

_____ _____ _____ to connect lines on one _____ _____ with different _____ _____?

_____ we assign _____ allowances _____ individual _____ of the _____?

Can _____ _____ the lines on _____ shared _____ have different _____ _____?

_____ it possible _____ _____ _____ _____ _____ plan to have varied data limits?

_____ it _____ to _____ differing _____ caps _____ _____ shared plan?

_____ it _____ possible to _____ different data _____ for _____ _____?

Are _____ data _____ _____ for each _____ in a _____ mobile _____?

Each _____ on the shared _____ _____ _____ _____ limits.

Is it _____ _____ _____ _____ bandwidth limitations among lines _____ on a _____ _____?

Can lines within _____ _____ group _____ _____ _____ levels of _____ data?

_____ we _____ data allowances _____ different lines of _____ _____.

_____ each line _____ _____ shared plan _____ _____ data limits?

_____ _____ allow for _____ data caps for _____ same _____ _____?

Is _____ _____ _____ limits _____ every line _____ _____ joint plan?

_____ you allow _____ _____ caps depending on _____ individual _____?

____ ____ datum ____ be set ____ ____ sharing a common subscription ____?

____ ____ lines sharing a ____ ____ ____ data restrictions?

____ you willing ____ ____ ____ ____ separate data caps for each ____?

Is ____ ____ ____ for individual lines sharing ____ same ____?

Different data ____ for ____ line ____ ____ single shared ____?

It might have ____ ____ ____ per line ____ the ____ ____.

____ ____ change the data ____ ____ ____ lines ____ a plan?

In our family ____ is ____ ____ to ____ ____ data caps ____ ____?

Can individual ____ ____ ____ same ____ ____ different data restrictions?

Can each ____ on ____ ____ have ____ limits ____ data?

Can there ____ ____ data ____ for ____ line ____ ____ plan?

Is it ____ to have varying ____ ____ ____ ____ ____ plan?

____ ____ ____ to ____ separate ____ limits per line on the ____.

Can we ____ ____ ____ ____ ____ ____ line of the plan?

I wonder if different ____ ____ ____ same ____ have ____ ____ limits.

In ____ ____ ____ different data caps ____ each ____.

Each user ____ ____ ____ data limitations on ____ ____ subscription.

____ ____ ____ way to have ____ data limits ____ the shared ____?

____ a ____ sharing an ____ ____ different data ____?

Can ____ have ____ ____ ____ for ____ line on ____ plan?

Are it possible to ____ ____ ____ ____ for ____ ____ ____ a shared plan?

Can ____ be seperate ____ limits ____ each ____ ____ ____ plan?

____ ____ ____ may ____ to individual lines sharing ____ plan.

Is ____ feasible ____ give different ____ ____ for each ____ ____ a shared ____?

Do you know ____ ____ is ____ to ____ differing ____ limits for ____ ____?

____ data ____ ____ changed for individual lines in ____ ____ ____?

____ ____ line on ____ ____ plan ____ data limitations?

____ ____ ____ ____ ____ data limitations on the group subscription?

Will the shared plan allow ____ ____ ____ ____ ____ data ____?

____ ____ ____ to impose different ____ limitations on lines ____ the ____ ____?

____ the ____ plan allow for ____ in ____ ____ restrictions ____ different ____?

Can we create different ____ ____ ____ ____ lines in a ____ ____?

____ the ____ have ____ ____ caps ____ each line?

Will ____ shared ____ allow us ____ ____ data ____ ____ different lines?

It could ____ ____ to have separate data ____ ____ ____ ____ the same ____.

Can data ____ be applied ____ individual ____ ____ a ____?

____ single shared ____ with ____ ____ caps for every ____ is ____.

Each line ____ ____ ____ ____ has different data ____

____ each line ____ ____ ____ have ____ data limits?

____ ____ ____ on shared plan have different ____ ____?

Is it ____ to ____ ____ ____ ____ ____ ____ connected on the same scheme?

____ ____ ____ separate ____ caps for ____ line ____ our plan.

____ there be different ____ ____ ____ ____ plan?

Can ____ line's data ____ ____ ____?

Can each line on our ____ ____ ____ ____ ____ caps?

____ it ____ ____ to ____ data ____ ____ each ____ in a shared plan?

Can ____ ____ have their ____ data limits on ____ ____ ____?

Is ____ possible to ____ ____ limitations ____ data usage on ____ ____?

Is it ____ ____ ____ ____ ____ ____ among lines connected on a unified ____?

Can ____ ____ line ____ ____ plan ____ different data limitations?

____ ____ possible to ____ ____ data ____ to each line ____ ____ plan?

____ it possible ____ change ____ ____ per ____?

Is ____ allowed ____ each ____ ____ a ____ ____ plan ____ have individual ____ limits?

____ lines on ____ same ____ ____ different ____ limits?

Can the ____ ____ on a shared ____ ____ ____?

____ ____ lines on our plan ____ different ____ ____?

Are there ____ data ____ for ____ lines ____ a ____?

____ you ____ I ____ set ____ data caps ____ ____ line?

____ it ____ to have ____ ____ caps for ____ line of our ____ ____?

____ ____ possible ____ allocate different ____ ____ for each line in ____ ____ plan.

Is it possible ____ assign ____ data ____ per ____ ____ our ____ ____.

____ ____ ____ with ____ data caps ____ doable.

____ the shared ____ able to ____ ____ data ____?

____ ____ ____ for ____ line ____ the ____ plan to have its own ____ ____?

Can different ____ ____ a plan ____ different ____ ____?

Can ____ ____ within ____ shared plan ____ its ____ data ____?

____ limits ____ ____ for each line ____ ____ plans

____ ____ possible ____ assign individual data ____ ____ ____ line of ____ plan?

Is it ____ for data ____ ____ vary between ____ ____ ____ shared ____?

Can lines ____ different ____ ____ ____ the same ____?

Is ____ ____ that there ____ ____ differing ____ ____ per line?

Can ____ have different data ____ for ____ ____ ____ our shared ____?

Is ____ ____ to ____ ____ ____ on lines within a shared ____?

Is it ____ ____ ____ ____ bandwidth ____ for lines connected on ____ single ____?

____ single ____ plan with different ____ ____ is ____.

On this shared ____ ____ ____ dang line ____ ____ ____ limits?

Can ____ ____ ____ ____ plan lines have different ____ limits?

Is ____ ____ plan ____ ____ varying data caps per ____?

____ ____ possible ____ ____ individual data caps ____ ____ ____ a single account?

Is ____ likely to ____ ____ data caps within ____ ____ ____?

Can each phone in ____ shared ____ ____ ____ own ____ ____?

____ it possible ____ ____ data ____ ____ individual ____ within a plan?

____ ____ caps ____ ____ line ____ a single plan ____ doable.

____ ____ line of the ____ plan ____ different ____ limits?

____ each ____ ____ our plan ____ ____ own data caps?

____ ____ be different usage caps ____ ____ line in ____ ____ phone ____?

____ ____ ____ ____ allocate differing data ____ for each line in ____ ____?

Is ____ ____ to ____ ____ data ____ on ____ same shared package?

Is there ____ way to restrict ____ ____ on individual lines ____ ____ ____ ____?

____ the data ____ ____ for ____ ____ of the plan?

____ the ____ limits on the ____ ____ ____?

____ we modify ____ data ____ ____ individual ____ within ____ shared plan?

____ it possible for ____ line ____ ____ ____ plan to ____ its own ____ ____?

____ each line of ____ ____ have its ____ ____ limits?

____ ____ possible to make ____ data ____ within a ____ ____?

____ I ____ ____ ____ limits on different ____?

Is it ____ to ____ ____ data ____ for each ____?

____ ____ ____ ____ ____ limits for ____ lines of the plan?
