[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Modem or router configuration assistance
Inquiry Sub-Category	Port Forwarding and Firewall Settings
Description	Customers may need help with configuring port forwarding rules and firewall settings on their routers to allow specific applications or services to access the internet or protect their network from unauthorized access.
Data Size	9,582 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

____ can I ____ my ____ network's ____ by correctly ____ both effective ____ ____ ____ Firewall ____?

____ should ____ ____ optimal ____ in my house ____ ____ ports ____ fireproof shield ____?

____ need ____ assistance with setting up ____ ____ and ____ ____.

Is ____ ____ ____ ____ up port ____ ____ firewalls for ____ home network?

I want ____ know ____ to protect my ____ ____ ____ effective ____ ____ and firewall ____.

I need ____ ____ configuring ____ ____ ____ and firewall settings in my home ____ to ____ ____ more ____.

Is ____ ____ ____ way ____ ensure robust security ____ Port forwards ____ ____.

I need ____ ____ ____ ____ protect ____ home network using ____ port ____ and firewall ____.

How ____ I ____ home ____ ____ through ____ forwarding ____ firewalls?

How can ____ improve the security of my ____ ____ ____ ____ effective Port ____ ____ setting ____ ____ firewall?

____ ____ ____ ____ ____ secure home network through ____ port forwarding

Can you ____ me with the ____ setup of ____ ____ ____ ____ ____ for ____ home ____?

____ a ____ network ____ ____ Port forwarding ____ reliable ____ configurations?

How ____ I set up the ____ combination ____ ports ____ ____ to ____ ____ my ____ ____ protected?

____ anyone tell ____ how ____ ____ ____ port ____ firewall ____ for my secured ____ ____ network?

____ you assist ____ ____ ____ my port ____ ____ beefing up ____ firewalls?

How can I ____ the ____ ____ my ____ ____ ____ setting ____ accurate Port forwarding & ____ ____?

Home ____ ____ can ____ ____ through port forwarding and ____ ____.

____ security ____ home with ____ port forwarding ____ robust ____ ____?

Establish a secure ____ ____ ____ ____ Port ____ techniques ____ reliable firewall ____?

In order ____ ____ optimal security for ____ ____ network, ____ you ____ assist ____ setting up port ____ and ____ ____?

____ ____ wondering ____ ____ ____ ____ me ____ ____ my firewalls and fix my port forwarding.

____ ____ like ____ ____ if it is ____ ____ secure ____ home network by setting ____ ____ ____ forwarding and ____ measures.

____ ____ I make my ____ ____ more ____ ____ configuring ____ forwarding and barriers?

____ am looking ____ advice on ____ ____ home ____ ____ proper implementation ____ ____ forwarding.
