[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Alarm system false alarms or notifications
Inquiry Sub-Category	Notification customization and preferences
Description	Customers inquire about customizing their alarm system's notification settings to prevent unnecessary alerts or to receive alerts in specific ways, such as through phone calls, text messages, or email notifications.
Data Size	8,569 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

_____ I get separate _____ _____ _____ _____ triggered sensor instead _____ a _____ _____ alert _____ event?

Can _____ get _____ emails _____ each _____?

_____ would like to _____ _____ _____ _____ for each sensor _____.

_____ _____ possible _____ _____ _____ get email notifications for each triggered _____.

_____ it _____ _____ _____ separate email notifications _____ _____ activated sensor, instead of a _____ alert _____ _____ event?

Is _____ _____ way _____ get _____ email alerts _____ _____ sensor?

_____ it _____ to get _____ email _____ regarding the activation _____ _____ _____?

I wonder if _____ possible _____ _____ _____ _____ _____ for each _____ activation.

Is _____ possible _____ _____ specific _____ _____ _____ for each triggered sensor?

_____ individual emails _____ triggered _____ _____ a general _____

_____ I get distinct notification _____ _____ _____ _____?

_____ it possible _____ _____ notified separately _____ _____ _____ sensor instead of _____ _____ generic alert?

Is _____ _____ _____ request _____ alert emails for _____ _____ _____ of _____ one notification event?

_____ wonder _____ I _____ _____ separate email notifications for each _____ _____.

_____ _____ possible _____ get separate _____ blasts _____ the activation _____ every _____?

Is _____ _____ _____ get _____ email _____ _____ the activation of _____ detector.

Individual alerts _____ _____ _____ generalized event _____?

Is _____ possible I could _____ individual email _____ _____ _____ _____ sensor?

_____ _____ possible to have _____ email _____ _____ for _____ detected _____ event _____ not _____ into _____ single notification?

It would _____ great _____ _____ could _____ _____ _____ notifications _____ each sensor activation.

How about _____ emails _____ _____ _____ sensor?

_____ it possible to request distinct _____ notifications _____ _____ _____ in case _____ _____ _____?

_____ it _____ _____ get _____ _____ notifications _____ to the activation _____ every detector?

Can we _____ _____ _____ alert _____ _____ email?

Is it _____ _____ I can receive _____ _____ per _____?

Is it _____ to _____ seperate _____ _____ _____ _____ sensor activated?

Is it _____ to be notified _____ _____ email about _____ _____ _____ instead _____ _____ a generic alert _____ _____?

_____ _____ _____ _____ email option for triggered _____?

Do you have the _____ to _____ individual _____ _____ _____ each _____ _____?

_____ it _____ _____ get separate _____ reports _____ every _____ sensor?

_____ it possible to _____ separate _____ alert _____ _____ _____ activation?

_____ _____ _____ to _____ individual email notifications for each _____?

_____ it possible to _____ _____ _____ _____ triggered sensor?

_____ it possible _____ receive _____ updates for each _____ _____.

I wonder _____ _____ _____ get emails _____ _____ sensor _____ goes off.

_____ it _____ _____ _____ separate _____ _____ _____ triggering of _____ security device, rather _____ _____ general message about all occurrences?

_____ want to know _____ _____ _____ _____ individual email notifications _____ _____ triggered sensor.

Is _____ a way to _____ _____ _____ _____ every sensor _____?

Can the _____ send _____ emails _____ _____ _____ sensor is _____?

_____ _____ _____ be sent _____ each triggered _____?

_____ _____ possible to send _____ emails to _____ activated _____?

_____ it _____ for _____ to receive _____ email notifications _____ individual _____ _____?

Is _____ possible _____ _____ _____ _____ _____ each _____ sensor, instead of one general _____ per _____?

_____ it _____ _____ receive individual _____ via _____ for _____ sensor?

_____ it _____ to receive _____ emails for _____ _____?

I _____ like _____ _____ _____ _____ notifications for each sensor.

Is it _____ _____ get notifications _____ each _____ _____ email?

Is _____ _____ _____ receive email notifications _____ _____ trigger instead of _____ _____ one?

_____ _____ possible to provide _____ email _____ _____ each sensor _____?

Want _____ receive _____ _____ for triggered _____

Is _____ _____ _____ be notified of each triggered sensor _____ _____ _____?

Is _____ _____ _____ to receive seperate emails _____ _____ _____ sensor?

_____ _____ possible _____ be notified through _____ _____ _____ each sensor?

_____ there _____ way _____ _____ separate emails _____ _____ specific sensor?

Would it _____ possible _____ get _____ email _____ regarding every _____ _____?

_____ _____ emails for _____ sensor, not a _____ _____?

I don't _____ if _____ _____ _____ _____ email _____ for each _____ sensor.

Is _____ a _____ _____ _____ distinct _____ according to their triggered _____?

Is it possible _____ _____ for _____ emails per _____ _____?

_____ you think _____ _____ _____ get individual notifications via _____ for _____ _____?

_____ _____ possible to get a separate _____ _____ every time _____ sensor _____ _____?

Want to _____ _____ _____ for _____ sensor

_____ there _____ _____ to receive _____ emails about each security device individually, _____ _____ a _____ _____ _____ _____ occurrences?

_____ _____ wondering if I _____ _____ email notifications _____ each _____ triggered.

Is _____ _____ _____ receive individual email _____ for individual _____?

_____ it _____ for _____ to _____ separate _____ emails _____ all of _____ _____ that triggered?

_____ email _____ for each _____ _____ can you _____?

_____ it possible _____ get _____ email notifications for each _____ tripping, _____ _____ one _____ _____?

Is _____ possible _____ have individual email _____ _____ _____ _____ activation?

Is _____ _____ _____ procure _____ by _____ _____ separate emails based on _____ senses?

_____ _____ possible _____ _____ individual alert _____ of a generalized _____ email?

_____ _____ _____ _____ request distinct alert _____ for _____ the sensors _____ happen _____ once?

_____ there a way _____ _____ separate _____ _____ on triggered _____.

_____ I receive _____ email _____ for each _____ _____?

_____ _____ _____ way of _____ distinct _____ according to triggered _____?

Can I _____ notified separately _____ email _____ _____ _____ sensor?

_____ I be _____ _____ different emails for each _____ _____?

Can I receive _____ _____ _____ _____ each triggered _____?

_____ it _____ _____ get emails for _____ sensor that goes _____ or _____ _____ _____?

Is it possible _____ _____ _____ alert _____ _____ every sensor that causes _____ _____ _____?

Is it _____ _____ get _____ _____ _____ all sensor activations?

_____ it _____ for me to receive _____ email _____ for _____ _____?

_____ _____ possible to send unique _____ _____ for _____ sensor _____ and not _____ _____ into a single _____?

Can _____ get _____ _____ _____ _____ each sensor?

Is it _____ to _____ _____ email _____ _____ each _____ activation?

Can I _____ _____ notification _____ for _____ _____?

_____ wonder _____ it's possible _____ _____ individual notifications _____ email _____ every _____.

Is _____ possible to _____ _____ emails for _____ _____ activated?

_____ wonder if I _____ get separate _____ for each _____ _____ _____.

Can _____ _____ _____ _____ emails for all the _____ instead of just _____ _____?

_____ there a _____ to receive _____ emails _____ each _____ _____ individually, rather _____ a general _____ _____ all _____?

I _____ wondering _____ _____ _____ _____ individual _____ notifications for _____ triggered sensor.

_____ _____ _____ for me to _____ separate _____ for _____ _____ that is _____ off?

There is _____ option to have unique _____ _____ _____ _____ _____ _____ merged into _____ notification.

Is _____ _____ to request individual emails _____ _____ _____?

_____ wonder _____ _____ _____ _____ to receive seperate emails _____ every _____ activation.

Is _____ _____ to _____ _____ email notifications for _____ sensor event _____ not _____ into _____ _____?

Is _____ possible to get separate _____ _____ every _____ that _____ _____.

_____ there a _____ to _____ _____ _____ _____ each triggered _____ instead of _____ a generic alert _____ event?

_____ it _____ possible _____ request _____ _____ per sensor activated?

_____ it be possible to _____ _____ _____ about every _____?

_____ was _____ _____ I could _____ _____ email notifications for each _____ _____.

Is there _____ way to _____ _____ email notifications for _____ _____ _____.

_____ _____ possible that _____ triggered component _____ send _____ own _____ email?

_____ it possible _____ _____ individual _____ via _____ for _____ _____ sensor, _____ opposed to _____ single alert?

_____ it _____ _____ _____ distinct _____ emails _____ all of _____ _____ that are triggered?

_____ _____ possible to send individual _____ _____ for every _____ _____ _____ combined ones?

_____ _____ _____ for every sensor to _____ its _____ _____ _____ notification in _____ of _____ combined alert?

Can't _____ _____ _____ email notifications for _____ _____ _____ tripping instead _____ one generic _____?

_____ it possible to _____ _____ _____ email for _____ _____ sensor?

Is _____ _____ to request separate _____ _____ for _____ sensor, instead _____ a consolidated _____ after _____ _____?

Is _____ _____ option _____ _____ distinct emails about the triggering of _____ security _____ _____ _____ _____ _____ general message for all _____?

Is _____ _____ _____ _____ distinct email _____ for _____ activated sensor, _____ of a consolidated alert _____ _____ _____ happens?

Is _____ _____ to get specific _____ notifications _____ _____?

Is it possible _____ _____ _____ email _____ for each _____ _____?

_____ it possible _____ get _____ email _____ for _____ triggered sensor _____ _____ just _____ _____ alert?

Would it _____ _____ to _____ _____ _____ for every sensor _____?

_____ _____ possible to send _____ _____ email _____ for each _____ sensor?

Are _____ able _____ _____ _____ _____ notifications _____ each activated sensor?

_____ it possible to _____ _____ email notifications for _____ _____ _____.

_____ am wondering _____ I _____ receive email _____ for each _____ _____.

Is _____ _____ to _____ _____ _____ notifications _____ every sensor activation?

_____ _____ possible to _____ _____ alert _____ sensor _____ instead _____ _____ single general one?

_____ I could _____ _____ _____ for each sensor _____.

_____ _____ possible to request a separate alert email for _____ _____ _____ _____ _____?

_____ _____ possible to _____ _____ _____ _____ emails for each sensor?

I _____ if _____ _____ request separate _____ _____ sensor activated.

Is it ____ ____ be notified ____ ____ ____ ____ ____ from a generic alert per ____?

____ ____ a way ____ receive emails for every ____ ____?

Could ____ request a ____ email ____ ____ ____ sensor activated?

____ it ____ to request separate ____ emails ____ ____ the ____ ____ are triggering?

Is ____ individual ____ ____ ____ every triggered ____ ____ good idea?

Is there ____ ____ to receive ____ ____ ____ each specific ____?

____ it possible to ____ seperate ____ ____ ____ activations?

____ want ____ receive separate email ____ ____ each triggered ____.

Is it possible ____ receive distinct ____ ____ ____ triggered ____?

Is there ____ ____ ____ get ____ notifications via ____ for each ____ ____?

____ we send ____ activated detector its ____ ____ ____ email?

Is it possible ____ ____ individual email ____ ____ each ____ ____?

____ it possible ____ ____ ____ email notifications ____ ____ activation of ____ detector?

____ there an ____ ____ provide individual ____ ____ for each ____ activation?

Is it ____ to ____ separate ____ ____ ____ ____ triggered sensor?

Can we ____ ____ ____ own ____ through ____?

____ the ____ ____ ____ to send seperate ____ based ____ which ____ are triggered?

Can ____ send ____ detector's ____ on ____?

Would it ____ ____ to ____ seperate email ____ ____ ____ detector?

____ ____ possible ____ ____ notification emails for ____ triggered sensor?

____ there ____ option ____ ____ sensor to send ____ ____ email notification?

____ ____ emails ____ sent ____ each sensor?

It ____ an ____ to want ____ ____ for ____ activated ____.

Is ____ possible ____ request separate ____ ____ for all ____ ____ ____ ____ a notification?

Is ____ possible I can get ____ email ____ for ____ ____ ____?

Is there ____ way to ____ ____ ____ updates ____ each ____ alert?

____ ____ give ____ email ____ ____ each sensor activation?

____ ____ possible ____ ____ ____ ____ means of separate emails for each activated ____?

____ ____ are triggered, can ____ ____ ____ separate emails?

____ it possible ____ ____ ____ ____ ____ each triggered sensor via email?

____ you send individual email ____ ____ ____ sensor ____?

Is it ____ ____ receive ____ alerts ____ sensor ____.

____ it be ____ to ____ ____ ____ about every single ____ sensor?

____ it ____ ____ ____ individual notifications ____ email ____ each sensor, ____ than a ____ alert?

____ it possible to ____ notified ____ about each triggered sensor ____ ____ getting ____ ____ ____ every ____?

Is it ____ ____ ____ to receive email ____ for ____ ____ sensor.

____ ____ ____ to get ____ ____ for every sensor?

____ the ____ able to ____ seperate emails ____ ____ ____ activity?

Is ____ ____ to ____ ____ ____ notifications for each ____ ____ instead of the general ____?

Is it ____ to ____ ____ emails ____ the triggering ____ each ____ ____ rather than a general message ____ ____ ____?

____ ____ ____ ____ I receive ____ email notifications ____ triggered sensors?

When each sensor is ____ I ____ ____ ____ receive ____ ____.

Is there ____ separate email ____ ____ ____ ____?

Is it ____ ____ get distinct notification ____ ____ every ____?

Is ____ ____ ____ ____ ____ ____ emails based on triggered sensors?

____ it ____ to ____ ____ ____ email ____ each triggered sensor, instead ____ a generic ____ ____ event?

Is there a way ____ get ____ notifications ____ ____ ____ ____ sensor?

Is ____ ____ ____ ____ email notifications per sensorTrigger ____ of ____ general ____?

____ there a ____ ____ get separate ____ when ____ sensor is ____?

____ ____ ____ to receive ____ ____ email ____ every sensor activation?

_____ it _____ to _____ seperate emails _____ on _____ sensors _____?

_____ _____ _____ for me _____ get notification emails for _____ _____?

_____ there a _____ _____ _____ _____ notifications for each _____ sensor via _____?

Could _____ ask for _____ _____ _____ each _____ sensor activated?

_____ each _____ sensor _____ its _____ email _____?

Are _____ _____ notification _____ for _____ _____ sensor?

_____ it possible _____ get _____ _____ when a sensor _____ _____?

Is it _____ _____ _____ separate email _____ for _____ sensor?

_____ it _____ _____ get _____ email notifications _____ each _____ instead of _____ a _____ alert?

Is it _____ _____ I receive _____ email updates for _____ _____ _____ _____ _____ _____ collective notification per event?

_____ there _____ _____ _____ _____ sensor to create its own _____ notification instead _____ _____ combined _____?

Is there _____ _____ to get _____ _____ _____ _____ triggered sensor?

Is _____ _____ that _____ _____ _____ email _____ per sensor triggered?

Is it _____ that _____ _____ email _____ _____ _____ sensor alert?

_____ _____ _____ to _____ unique email notifications _____ _____ _____ detected sensor event, and _____ merged into _____ notification?

_____ I _____ a generic alert _____ _____ can _____ _____ notified _____ about each _____ sensor?

_____ _____ possible to get _____ notifications for _____ _____ sensor, instead of _____ _____ _____?

_____ I _____ separate _____ notifications _____ _____ sensors?

_____ _____ possible _____ get individual notifications for _____ sensor _____ _____?

_____ _____ possible _____ triggered _____ to _____ it's own email _____?

_____ _____ to provide individual _____ notifications _____ _____ sensor activation, can _____?

Is _____ _____ for _____ sensor to have its _____ dedicated _____ _____ instead _____ _____ combined _____?

_____ wonder _____ I _____ be _____ via _____ emails for each _____.

_____ _____ _____ way _____ could _____ individual _____ notifications for each triggered _____?

Is _____ a _____ _____ receive distinct _____ based _____ the _____ sensors?

_____ there _____ option to _____ _____ alert _____ _____ sensor is _____ by email?

_____ _____ _____ _____ send individual _____ _____ for every sensor, _____ of _____ combined one?

Can _____ get _____ _____ _____ each _____ is triggered?

Is _____ a way to _____ individual _____ _____ _____ _____ using email?

Is _____ _____ for you _____ _____ email notifications _____ each sensor _____?

_____ it possible _____ get _____ notification email for _____ _____ _____?

_____ _____ an _____ to _____ unique email _____ _____ for each detected sensor event, _____ merged _____ one _____.

_____ there _____ _____ to _____ _____ _____ every sensor that goes off?

Is _____ _____ to _____ individual _____ notifications _____ _____ _____ instead of just one general _____?

I _____ _____ if I _____ _____ _____ emails for _____ sensor activation.

_____ _____ possible to _____ seperate _____ _____ for _____ triggered _____ instead of one?

Is it possible _____ _____ separate _____ _____ for all _____ sensors _____ triggered, _____ _____ one notification _____?

Is _____ possible _____ get _____ email notifications _____ _____ _____ sensor, _____ _____ a general alert?

Can I _____ distinct _____ _____ for all _____ _____ that are _____?

_____ it possible for _____ _____ _____ individual _____ _____ for every triggered _____?

Is _____ possible to _____ _____ separate email when _____ _____ is _____?

Is it possible to get separate email _____ _____ every _____ _____ _____ _____ _____?

_____ could be _____ to send _____ _____ notifications for each _____ _____.

Can _____ system send seperate _____ _____ _____ when the sensors _____ _____?

Is _____ possible to request _____ email notifications _____ _____ sensor _____ of _____ _____ alert after _____ _____ happens?

_____ _____ be seperate notifications _____ each _____ _____ email.

Is _____ _____ _____ to _____ _____ emails _____ the _____ of _____ security device, rather than _____ general message?

_____ it possible to receive _____ alert _____ sensor triggering _____ _____ _____ _____ one?

_____ individual alert emails _____ _____ _____ _____ sensor?

Is there a _____ _____ _____ separate _____ _____ the _____ of each _____ _____ rather than a general _____ _____ all _____?

_____ _____ possible to _____ individual email _____ _____ each sensor _____?

Is it possible for _____ to be notified separately _____ each _____ _____ instead _____ _____ _____ _____ per _____?

_____ _____ a _____ _____ _____ consolidated alert after _____ _____ _____ email notifications for each sensor?

_____ it _____ to get a specific _____ _____ _____ triggered by _____?

I _____ to receive _____ _____ _____ each sensor _____ triggered.

Is it _____ that I _____ receive _____ _____ for _____ _____ sensor _____?

Can _____ be _____ _____ email _____ _____ for triggered sensors?

_____ it _____ to _____ individual alert email _____ every _____ _____?

Do _____ know if it _____ possible _____ _____ individual notifications _____ _____ for _____ _____ sensor?

_____ _____ _____ I receive distinct _____ notifications _____ _____ triggered sensor?

Is _____ possible _____ I _____ receive _____ emails _____ _____ sensor activations?

Is it possible _____ receive _____ emails _____ each _____ _____.

_____ _____ _____ to _____ if _____ is _____ to _____ individual _____ via email for each activated _____.

Would it _____ _____ _____ _____ _____ emails about every _____ sensor specifically?

I _____ _____ if I _____ _____ separate email _____ for each _____ _____.

Can _____ sensor _____ _____ _____ email notifications?

Is it _____ to get _____ email _____ _____ _____ the triggered _____?

I _____ _____ if _____ _____ receive _____ _____ when _____ sensor is triggered.

Can I receive _____ _____ when each _____ _____ _____?

_____ _____ individual _____ emails _____ sent for every _____?

_____ _____ possible _____ _____ _____ receive distinct email _____ _____ each sensor alert?

_____ _____ be notified by _____ emails for _____ _____ sensor?

_____ _____ be possible to _____ _____ email _____ of _____ detector's activation?

_____ would like _____ _____ _____ email notifications for each _____.

Is it _____ to _____ separate _____ updates _____ each _____ _____ instead _____ _____ collective notification _____ event?

_____ I receive separate emails _____ _____ _____?

_____ _____ notifications _____ _____ _____ sensor, _____ of a single alert?

_____ it possible to _____ _____ email _____ _____ triggered sensor?

_____ it _____ possible to get _____ email _____ _____ _____ activation of every _____?

_____ there _____ _____ email alert for each _____ _____?

Is _____ _____ to _____ _____ email for _____ sensor activation?

I am _____ _____ _____ _____ get emails for each sensor _____ _____ _____.

_____ I _____ different _____ notifications _____ _____ sensor tripping instead of _____ _____ notification?

_____ _____ _____ that I _____ email notifications for individual _____ _____?

I need to _____ _____ I can _____ _____ _____ per _____ triggered.

_____ _____ _____ sensor _____ _____ _____ dedicated email notification in place of _____ _____ alert?

_____ _____ possible _____ each _____ _____ to get separate emails?

Are there _____ _____ _____ every sensor _____?

Would _____ _____ _____ to get _____ _____ _____ _____ activation of each detector?

_____ _____ possible for every _____ to create _____ _____ _____ notification _____ lieu _____ a _____ alert?

Is it _____ to receive _____ _____ per _____ _____?

_____ it _____ _____ get _____ email notifications _____ each blasted _____ _____ instead _____ one _____ notification?

_____ it possible _____ send seperate _____ to _____ _____ activation?

Is there _____ way _____ _____ sensor _____ have a dedicated _____ _____ _____ place _____ a combined _____?

_____ _____ a _____ to send individual _____ notifications for _____ sensor _____?

_____ _____ to _____ if I can get _____ for every sensor that _____ off or _____ _____ _____ _____.

Is it possible _____ the system _____ _____ _____ _____ _____ _____ per sensor?

Can eachtriggered _____ send _____ _____ _____ notification?

Is _____ _____ to send _____ notifications _____ each _____ sense?

_____ _____ be individual _____ emails _____ _____ every triggered sensor?

Is there ____ ____ to ____ ____ ____ alerts ____ each sensor activated?

Could individual ____ ____ be ____ for every ____ ____?

Is it ____ ____ be ____ via different ____ for different ____ ____?

____ it possible ____ ____ separate ____ for each activated sensor as ____ ____ ____ ____ ____ after an event ____?

Is there ____ ____ ____ get a different email ____ ____ triggered ____?

____ ____ possible to ____ ____ ____ ____ on which sensor is triggered.

____ ____ a ____ to receive separate ____ for ____ sensor ____?

____ there a ____ to ____ distinct ____ about the ____ ____ each ____ device, rather ____ a ____ message?

Is it ____ ____ get seperate ____ notifications ____ the activation ____ ____ ____?

Is ____ possible ____ the system ____ send separate ____ if ____ ____ are ____?

Is ____ ____ ____ receive distinct email notifications ____ ____ ____ sensors.

____ ____ possible ____ I can ____ ____ emails for every ____ sensor?

Is ____ ____ I will ____ different email ____ for each ____ ____?

____ ____ be possible to have individual ____ notifications ____ ____ for ____ ____ sense?

Is it possible ____ ____ a ____ ____ alert for ____ ____?

____ it possible ____ send unique ____ notifications for ____ ____ sensor event ____ ____ merged into ____ ____ notification?

____ it ____ to ____ seperate ____ ____ on which sensor ____?

____ I request different ____ ____ ____ ____ sensor?

Is it ____ ____ ____ separate ____ ____ regarding ____ activation ____ every detector?

____ there's ____ option ____ ____ unique ____ notifications ____ for each detected sensor ____.

Is ____ ____ to receive separate emails ____ each ____ ____?

____ ____ ____ to be ____ with ____ ____ for each sensor?

____ ____ ____ I will receive seperate email ____ for ____ sensor ____?

Is it possible ____ get different ____ ____ ____ ____?

Is it ____ each triggered sensor ____ ____ ____ email ____?

Is it possible to ____ separate email ____ ____ each activated ____ ____ ____ a consolidated ____ ____ an ____?

I am wondering if I ____ ____ ____ ____ emails ____ ____ ____ sensors that ____.

____ there a way to have ____ email ____ ____ each ____ ____ ____?

____ ____ ____ to desire ____ emails for ____ activated sensor?

Can ____ ____ ____ ____ ____ email notifying it?

Is ____ a ____ ____ get specific ____ ____ ____ for every triggered ____?

____ ____ ____ is ____ ____ I receive seperate emails?

____ it possible ____ ____ seperate ____ for ____ sensor activation.

____ wondering ____ I ____ ____ ____ emails for ____ sensor ____ goes off.

Is it ____ ____ ____ alert ____ ____ be ____ for each ____ sensor.

____ would ____ ____ receive ____ emails for specific sensor ____.

Is ____ possible to get ____ ____ each ____ ____ goes off, or ____ ____ ____ covering the entire ____?

____ it ____ ____ send separate ____ ____ for individual sensors?

____ ____ get seperate ____ ____ each sensor is ____?

____ it ____ ____ each activated sensor ____ ____ their own ____?

Is ____ possible to get emails ____ ____ ____ ____ ____ off or only one ____ ____?

Is it possible for me ____ ____ ____ for ____ ____ that ____ ____ ____ just one ____ alert?

____ ____ ____ to ____ emails when ____ sensor is triggered?

Can ____ ____ each detector ____ own ____?

____ it ____ ____ ____ ____ emails ____ ____ ____ activated, rather than just one general alert?

____ it possible ____ send ____ alert emails ____ every ____ ____ ____ combining them?

Is ____ possible ____ ____ triggered ____ ____ dispatch it's own notifying ____?

I ____ ____ ____ could receive ____ emails ____ each ____ activation.

____ ____ ____ to get different ____ alert for each ____?

Is it ____ ____ get ____ ____ for individual ____?

Is there ____ email ____ for ____ sensor ____ instead ____ a ____ general ____?

Is ____ possible ____ ____ distinct ____ ____ for every sensor ____ causes ____ notification?

I wonder ____ I ____ ____ ____ email notifications ____ each ____.

When a sensor ____ triggered, can ____ ____ ____ ____?

____ it ____ ____ me to ____ a ____ email for ____ ____ sensor?

Is ____ possible to ____ notified ____ ____ email about each ____ ____ of ____ ____ alert per ____?

____ there any ____ to get ____ ____ for ____ ____ that goes ____?

Is ____ possible to ____ ____ alerts, ____ a ____ email?

individual ____ for triggered ____ not ____ ____ ____

Is ____ ____ to ____ ____ each triggered sensor via ____?

Is ____ ____ to get a separate ____ ____ ____ ____ sensor.

Can we ____ ____ ____ through email on ____ ____?

____ ____ possible to send emails for ____ ____ ____?

Is ____ possible ____ ____ emails ____ ____ activated?

____ it possible ____ ____ system to ____ separate emails based ____ ____ ____ triggered?

____ it possible ____ ____ ____ ____ ____ email notifications for ____ triggered sensor?

____ it possible for ____ ____ ____ different emails for ____ ____ sensor?

____ there a way for ____ ____ ____ separate email ____ for each ____ ____?

____ I ____ a separate ____ ____ ____ sensor ____ sets off?

____ it possible to ____ notifications via ____ ____ ____ sensor ____ is ____?

Can I ____ a ____ ____ for every ____ ____ goes ____?

____ ____ email ____ detector's ____ alert?

____ it possible ____ ____ ____ ____ generate ____ own dedicated email notification instead ____ ____ combined ____?

____ it possible ____ receive ____ alert ____ ____

____ it be ____ to ____ individual ____ ____ for each ____ sense.

Is there a ____ ____ a consolidated ____ ____ an event and ____ separate ____ ____ for ____ ____ sensor?

____ ____ ____ to ____ ____ email ____ concerning the activation ____ every detector?

Is it ____ to ____ separate email notifications ____ ____ sensor, ____ ____ ____ one?

____ I have ____ different ____ ____ ____ each blasted sensor ____?

I'm wondering if I ____ ____ ____ ____ ____ each ____ is triggered.

Is it ____ ____ be notified ____ email ____ ____ triggered sensor ____ of ____ generic ____?

____ you able ____ send ____ emails for ____ activated ____?

____ ____ possible ____ get separate email notifications for ____ ____ ____ ____ ____ general alert ____ event?

____ I ____ separate emails for ____ ____ ____?

____ we send each detector's ____ ____ ____ ____?

____ the system send ____ emails ____ ____ ____ triggered?

____ ____ possible to receive separate email ____ for ____ ____ ____?

Is it possible for ____ ____ ____ ____ sent by ____ ____ ____ mechanism?

____ ____ possible that I ____ separate email notifications ____ ____ sensor ____?

____ ____ a ____ ____ notification ____ for triggered sensors?

Is it possible ____ ____ ____ ____ to ____ activated sensor?

I would like ____ know if ____ ____ ____ option ____ have unique email notifications ____ ____ ____ ____ event.

____ it possible to ____ ____ ____ ____ ____ each detected ____ event and not ____ into ____ single notification?

____ would ____ ____ know if ____ ____ ____ email notifications ____ sensor triggered.

Is ____ ____ to get ____ email notifications ____ ____ sensors?

____ ____ possible ____ ____ receive ____ updates for each sensor ____.

Is ____ ____ to send ____ emails ____ every sensor, ____ of ____ ____ alert?

____ it possible to ____ ____ ____ ____ for ____ triggered sensor.

Is ____ ____ ____ ____ every sensor ____ have it's own email ____?

Is it possible ____ request separate ____ ____ for each ____ ____ instead ____ a consolidated ____ ____ ____ ____ occurs?

Is ____ possible to ____ ____ email alert for ____ sensor ____ ____ ____?

____ there a ____ to send ____ ____ ____ on which ____ are ____?

I ____ ____ if ____ could ____ ____ emails for ____ specific ____ activation.

I ____ ____ if ____ could request distinct email ____ ____ ____ ____ sensor.

Can ____ ____ individual ____ emails ____ ____ triggered sensor?

____ ____ ____ option ____ receive separate emails ____ the triggering ____ each ____ ____ than ____ general message?

____ it ____ to ____ separate email ____ concerning ____ detector?

Is ____ possible for ____ ____ emails to be ____ to ____ ____?

Is ____ ____ to send ____ ____ notifications via ____?

Is it ____ ____ have ____ ____ ____ for each ____ event and ____ merged ____ one ____?

Is ____ possible to ____ ____ ____ ____ each triggered ____ instead of getting ____ generic ____ each ____?

____ ____ possible for every activated sensor to ____ ____ own email notification in ____ ____ ____ ____ ____?

____ it possible ____ each triggered sensor ____ be ____ ____ ____?

Is ____ ____ ____ get ____ emails telling me ____ ____ sensor?

Is there ____ ____ to ____ separate ____ ____ to triggered ____?

Is ____ ____ ____ to get ____ that ____ ____ according ____ triggered sensors?

____ ____ possible to ____ separate emails ____ ____ activations?

Would ____ ____ ____ to get ____ email notifications ____ every ____?

____ ____ send ____ each detector's alert ____ ____?

____ ____ an option ____ every ____ sensor to issue ____ own ____ ____?

Can we ____ ____ for each ____ ____?

____ ____ ____ I ____ ____ separate email ____ for each sensor alert.

____ ____ possible to receive ____ emails about the triggering of ____ ____ ____ ____ instead ____ a general ____?

____ each ____ send ____ own alert ____ ____?

Every ____ ____ ____ have its own ____ notification ____ ____ of a ____ alert.

____ it ____ ____ ____ could get individual ____ notification ____ each ____ sensor?

____ it possible ____ ____ separate email advisories ____ ____ activation ____ ____ detector?

____ ____ ____ if ____ could ____ seperate ____ for each specific sensor ____.

____ I ____ ____ emails for every ____ that goes ____?

____ it ____ ____ ____ ____ email notifications about triggered sensor ____ ____ ____ generic alert per ____?

I want ____ know if ____ ____ ____ ____ individual notifications via ____ ____ ____ activated sensor.

____ ____ possible ____ ____ could get ____ emails for ____ sensor activations?

Is there any ____ ____ ____ separate ____ ____ for ____ triggered sensor?

____ I ____ ____ alert emails for each ____ ____ triggered, instead ____ ____ ____ notification event?

I ____ if I could request ____ email ____ for ____ ____ ____.

Is ____ ____ ____ have separate ____ ____ sensor activation?

____ ____ ____ I receive separate email ____ for each ____ ____.

Can ____ receive ____ email ____ ____ each ____ sensor?

Is there a ____ ____ send seperate ____ ____ on ____ sensors ____ ____?

Want individual ____ ____ triggered ____ ____ ____ general alert.

Would it ____ ____ ____ I ____ separate emails for ____ specific ____ ____?

____ ____ an option to receive ____ ____ about the triggering of each security ____ ____ than ____ ____ ____?

Is there ____ way to ____ ____ email alert ____ ____ triggered ____?

____ would ____ ____ ____ ____ I could receive separate ____ ____ each sensor activation.

____ ____ get ____ ____ for ____ ____ that goes ____ instead of one goofy ____?

Is it ____ to be notified separately ____ ____ triggered ____ ____ ____?

____ it ____ ____ each triggered component to ____ ____ ____ ____ instead of a general ____?

____ it possible ____ send out ____ ____ for each ____ ____?

Is it ____ that I ____ get ____ ____ ____ for each ____ ____?

Get ____ ____ ____ of a generalized ____?

Is it _____ for me _____ be notified _____ _____ each _____ sensor instead _____ _____ _____ _____ alert per _____?

Is _____ possible _____ receive emails _____ _____ sensor _____?

Is it possible to _____ _____ _____ _____ than _____ _____ event email?

Is _____ _____ _____ to send separate _____ _____ every activated _____?

Is _____ possible to have _____ _____ notifications for _____ _____.

_____ _____ _____ option to have individual _____ _____ _____ activated sensor?

_____ it _____ _____ _____ separate emails _____ _____ _____ sensors that are triggered?

Is _____ _____ to _____ _____ alert _____ _____ all _____ the sensors _____ cause a notification _____?

_____ there _____ option to get _____ email notifications _____ each _____ _____?

Is _____ _____ _____ _____ me via different emails for _____ _____?

_____ _____ _____ possible to receive separate email notifications _____ _____ _____?

_____ it _____ to have _____ _____ notifications _____ for each _____ sense?

_____ it possible to get _____ alert per _____ _____ _____ _____ a _____ general _____?

Is _____ an option for every activated _____ _____ have _____ _____ dedicated _____ _____?

_____ individually _____ _____ be sent _____ _____ sensor?

Is _____ possible _____ _____ separate _____ _____ for _____ activated sensor _____ a consolidated _____ after _____ event occurs?

I _____ _____ _____ know if _____ can give individual email notifications _____ _____ _____ _____.

Is it _____ to be notified _____ _____ triggered _____ _____ _____ _____ _____ by generic alert?

_____ it possible _____ the _____ to _____ _____ emails _____ on _____ sensor triggered?

Is it _____ _____ get _____ email _____ if there _____ _____ _____ activation?

Is _____ possible to _____ individual email _____ _____ _____ sensor activation _____ _____ a _____ alert?

Is it _____ _____ _____ _____ email notifications about _____ _____ of _____ detector?

Is it possible _____ _____ _____ emails for _____ _____ sensor?

Could _____ get individual _____ notifications _____ _____ _____?

_____ it _____ _____ request distinct emails _____ triggered _____?

Is it _____ to _____ _____ _____ notifications for _____ triggered _____?

_____ it possible _____ _____ _____ _____ separate email notifications for each _____ _____.

Is it possible to _____ _____ emails _____ _____ _____ sensors?

_____ _____ _____ option to get _____ notifications _____ sensor triggered _____ email?

Is it possible to receive _____ _____ _____ every _____ _____.

_____ it _____ possible to _____ individual email _____ _____ out for _____ specific _____?

Is _____ _____ to send _____ _____ based on which _____ are _____.

_____ to _____ individual emails _____ _____ activated _____?

Is it _____ to receive _____ _____ _____ _____

Is it possible _____ _____ different _____ based on _____ _____?

Can _____ _____ emails _____ _____ _____ each _____ _____ instead of a combined one?

Is _____ _____ to receive _____ _____ _____ sensor Trigger?

Is _____ possible _____ _____ multiple _____ notifications _____ each _____ sensor?

_____ _____ _____ _____ every sensor _____ create _____ own email notification _____ place of _____ _____ alert?

_____ want to know _____ _____ _____ _____ email for each _____ that goes _____.

_____ I _____ separate _____ for specific _____ _____?

Can _____ _____ _____ _____ it is possible _____ get individual _____ via _____ _____ every sensor?

I'm _____ _____ _____ _____ _____ _____ emails for each specific sensor activation.

Would _____ _____ sense _____ _____ separate email notifications _____ _____ activation of every _____?

_____ _____ possible for _____ to _____ _____ _____ notifications for each _____ sensor.

_____ _____ be _____ _____ have _____ email notifications _____ each detected sensor _____.

I would _____ _____ get separate _____ _____ _____ each _____ alert.

I'm _____ _____ I _____ _____ separate email notifications for _____ triggered _____.

_____ I request _____ emails _____ all _____ sensors _____ triggered, instead _____ _____ one notification _____?

_____ _____ _____ be notified via _____ _____ for each sensor.

_____ it _____ _____ _____ a _____ _____ alert for each sensor activated?

_____ it possible _____ request _____ email _____ _____ each _____ sensor _____ for a _____ alert?

_____ _____ possible to _____ seperate email alerts for _____ _____ _____?

Is _____ possible to _____ _____ _____ notifications for each _____ _____?

_____ triggered sensors able to _____ _____ _____ _____ notification?

Is there _____ _____ to _____ separate _____ about _____ _____ of _____ security device, rather _____ a _____ _____ about all _____?

Would _____ _____ possible to _____ _____ emails about _____ _____ specifically?

_____ individual _____ _____ _____ _____ for triggered sensors.

_____ it _____ _____ _____ _____ _____ for every _____ sensor, not just one _____ alert?

_____ _____ a _____ to send _____ based _____ which sensors are _____?

Is _____ _____ to receive different email _____ _____ individual _____ _____?

_____ _____ _____ way to _____ email _____ _____ each sensor activation?

_____ _____ _____ _____ get individual notifications _____ every activated sensor _____ email?

_____ each _____ _____ a different _____ notification?

_____ _____ _____ know if _____ could _____ _____ _____ for each sensor activation.

_____ it possible to _____ _____ emails _____ _____ _____ is triggered?

_____ _____ _____ to get separate notification _____ _____ each triggered _____?
