[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Billing and payment inquiries
Inquiry Sub-Category	Billing summaries
Description	Customers inquire about obtaining detailed or summarized billing statements and invoices to review their usage, charges, and payment history.
Data Size	5,052 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

____ there any restrictions ____ on accessing historical transactions ____ certain ____ ____ ____ ____ ____ design?

Is ____ possible that ____ ____ me from ____ ____ deals past a ____ ____?

____ you have ____ restrictions ____ ____ historical ____ can be ____?

____ system design limit ____ ____ out ____ ____ records?

____ system design ____ reaching ____ ____ older ____?

____ ____ prevent me ____ looking ____ ____ deals past a specific ____?

I ____ to know ____ any ____ ____ ____ transactions are ____ in ____ ____ design.

Is it ____ ____ you ____ me ____ ____ ____ deals beyond a ____ ____ period?

I ____ to ____ if the system ____ any restrictions ____ ____ ____ historical ____.

Does ____ system have ____ limitations ____ ____ ____ transactions?

I need to know ____ ____ ____ ____ ____ restrictions ____ historical transactions.

____ ____ ____ ____ from checking historical deals ____ ____ specific period?

I want ____ know if the ____ ____ limits access ____ historical ____ ____ ____.

Does your system ____ ____ on retrieving past ____ ____ ____ certain ____ ____?

I ____ to know ____ ____ are ____ ____ on accessing ____ transactions ____ ____ system.

Is ____ possible ____ ____ ____ design restricts ____ to ____ transactions?

Is there a limit ____ ____ amount ____ historical transactions ____ ____ can ____ ____ ____ system?

____ there ____ limitations ____ ____ ____ transactions from your system?

____ the design ____ ____ system accommodate historical ____ that are ____ ____ ____ ____ period?

Does ____ system's design limit ____ ____ ____ ____ beyond the ____ frame?

Can ____ system's ____ ____ ____ transactions that are ____ ____ defined period?

Does ____ ____ restrict ____ for older ____?

____ you ____ me ____ ____ ____ deals past a ____ period?

Does ____ setup limit retrieving ____ ____ a ____ time ____?

____ ____ to ____ ____ ____ system ____ restrictions on access ____ historical transactions.

____ ____ something you prevent ____ from ____ historical ____ ____ ____ specific time period?

____ ____ something that you keep ____ ____ ____ historical ____ beyond the ____ ____ period?

____ would ____ to ____ ____ the system's ____ restricts ____ to historical ____

Do ____ ____ my access for ____ historical deals ____ ____ ____ period?

____ ____ system design restrict historical ____ ____?

____ ____ ____ design, are there ____ ____ on historical transactions?

____ it possible ____ retrieve transactions ____ a certain ____ period ____ ____ ____?

System design ____ limiting ____ ____ ____?

Does your ____ impede ____ ____ ____ transactions?

Does your ____ ____ access ____ ____ transactions beyond ____ times?

I ____ to know if ____ on ____ to ____ transactions ____ ____ ____ the ____.

____ ____ ____ designed to ____ ____ hard to look at ____ that ____ ____ going ____ for ____ long time?

Are ____ ____ ____ system design when it ____ to ____ ____ transactions?

Is ____ any restrictions ____ accessing ____ ____ beyond ____ ____ time ____ ____ your system?

Does ____ ____ have ____ limits on ____ long you ____ ____ history?

Is ____ ____ ____ to make ____ hard to ____ at the transactions ____ ____ seen ____ a ____?

____ your ____ ____ ____ ____ a ____ that it can't access historical ____ beyond certain ____?

Is your ____ meant to ____ ____ from viewing ____ ____?

____ ____ ____ limitations ____ ____ historical ____ beyond a specific period?

____ your system ____ access ____ ____ transactions?

Is ____ ____ ____ ____ ____ me from ____ the past transactions?

____ ____ ____ designed to prevent ____ from seeing ____ transactions?

____ ____ ____ ____ prevent ____ from ____ historical deals ____ a single time period?

____ your system designed to make ____ difficult to ____ ____ ____ ____ seen ____ a ____ time?

____ there ____ limit ____ ____ much historical ____ one can ____ by the ____?

Are you limited by ____ design ____ ____ ____ ____ ____ at historical transactions ____?

Can historical transactions that ____ beyond a ____ ____ ____ ____ be ____ ____ ____ system's design?

There ____ ____ limitations on retrieving ____ ____ ____ certain ____ in your ____.

____ your ____ ____ it ____ ____ look at past transactions?

I am curious ____ ____ ____ ____ restricts ____ to ____ transactions.

Does ____ ____ ____ ____ from viewing ____ transactions?

Is ____ system designed ____ make ____ difficult ____ ____ ____ transactions you've ____ in ____ past?

____ you ____ a ____ ____ makes ____ ____ to view past transactions?

Is it ____ ____ ____ past transactions beyond a certain ____ within the ____ ____ ____ ____?

____ ____ might ____ historical ____ access.

____ are limits ____ retrieving ____ transactions ____ ____ system's setup

I want to ____ ____ the system's design ____ ____ ____ ____ transactions.

____ your ____ design ____ ____ to ____ transactions ____ a certain time ____?

____ your system ____ limits on ____ ____ you can access ____ ____?

____ transaction ____ ____ be ____ by system ____.

Can ____ system's design accommodate historical transactions ____ ____ ____ ____ time ____?

____ your ____ ____ ____ ____ to look at transactions ____ the past?

Is it something ____ ____ prevent me ____ ____ ____ ____ beyond ____ ____ time period?

____ your system make ____ ____ to ____ at ____ you've recorded ____ the ____?

____ your ____ ____ ____ a way that ____ is ____ possible to ____ ____ ____ beyond certain moments?

____ design ____ limit ____ ____ ____ older records

____ ____ system ____ the ____ of time you ____ ____ past purchases?

Do you ____ ____ ____ access transaction records ____ a ____ ____?

I ____ ____ know if ____ system imposes ____ ____ on accessing ____ ____.

Is ____ ____ ____ to ____ me from seeing transactions ____ the ____?

Are your ____ designed ____ ____ ____ difficult ____ view past ____?

____ your system design prohibit ____ to ____ transactions ____ ____ certain ____ ____?

Does ____ system have ____ ____ on retrieving ____ ____?

____ there ____ ____ on ____ ____ ____ historical transactions ____ can access by ____ system?

Is it possible ____ ____ ____ from ____ ____ deals ____ the ____ time period?

Does ____ ____ make ____ hard to see ____ ____ the ____?

____ ____ ____ to ____ ____ historical transactions are restricted by ____ system's ____.

I would ____ ____ know if ____ restrictions ____ access ____ historical transactions are imposed ____ ____ ____ ____.

____ the system's design ____ ____ ____ ____ a specific ____ frame?

Do you have ____ ____ retrieving transactions beyond a ____ ____ ____ ____?

____ ____ possible for your ____ ____ ____ me from seeing past ____?

____ ____ system's design ____ ____ to ____ transactions?

I ____ to know ____ restrictions on historical ____ ____ in ____ by ____ ____.

Is ____ ____ design that ____ access ____ ____ transactions?

Do you ____ any ____ on ____ ____ transaction records ____ ____ time ____?

I would like ____ know if there ____ ____ ____ ____ ____ for ____ ____ transactions.

Do you have ____ ____ ____ retrieving transactions ____ ____ certain ____?

Can your ____ design accommodatehistorical ____ that are ____ ____ ____ ____ frame?

____ the ____ design accommodate ____ ____ that are ____ a specific frame ____ ____?

Is your system designed to make it ____ to ____ ____ ____ ____ that have ____ recorded ____ ____ ____?

Can ____ ____ access to transaction ____ past ____ ____ time ____?

____ you ____ by ____ ____ to access ____ ____ ____ a certain period?

I would ____ ____ know if there ____ ____ on ____ ____ ____ transactions in the ____.

Does your ____ ____ ____ transactions ____ its ____?

Does your ____ ____ ____ limitations ____ how much historical ____ ____ can ____?

I ____ like to ____ if ____ ____ are ____ ____ your ____ design.

Does your system ____ ____ on ____ ____?

____ your system have ____ limits on ____ ____ ____ ____ retrieved?

A ____ design may ____ ____ transaction ____.

____ you want ____ view historical transactions ____ ____ ____ ____ of time ____ you limited by ____ ____?

Are ____ ____ on ____ transactions ____ ____ certain period in your ____?

I ____ like ____ ____ ____ access ____ ____ transactions is ____ ____ the system's design.

Can ____ ____ design allow historical ____ that ____ ____ ____ ____ time frame?

____ you ____ me ____ any limitations ____ retrieving ____ beyond ____ certain ____?

Does ____ framework of ____ systems ____ you ____ ____ transactions beyond ____ ____ ____ ____ been set?

____ ____ system's design accommodate historical ____ ____ ____ beyond ____ set time ____?

I want ____ ____ ____ there ____ restrictions ____ historical ____ imposed by ____ system.

Do you ____ me from ____ ____ deals after ____ ____ ____ period?

I want ____ ____ if ____ restrictions on historical ____ ____ part ____ ____ system's ____.

____ on getting ____ ____ past ____ specific ____ ____ is something you ____ ____ in place.

Does ____ ____ have any limits on how long ____ ____ ____ ____?

I want ____ know ____ there ____ restrictions on access to ____ transactions ____ ____ ____ ____ ____ system.

It ____ possible ____ ____ ____ ____ historical transaction access

____ ____ systems designed ____ make me ____ ____ ____ ____ see ____ in the past?

Is your system ____ in ____ a ____ ____ you can't access ____ ____ ____ ____ times?

I ____ to know if ____ system ____ restrictions ____ accessing ____ ____.

____ design of ____ system ____ ____ restrictions on ____ historical ____.

____ the framework of ____ systems ____ ____ to look at ____ transactions beyond ____ window ____ ____ been ____?

____ system's design may ____ access ____ ____ transactions beyond ____ ____ time ____.

There ____ limitations ____ retrieve ____ ____ ____ your system's setup.

____ you have ____ to ____ transaction records ____ a ____ time ____?

____ it ____ ____ the system ____ restricts access ____ history?

Is ____ system blocking ____ ____ in ____ particular ____?

Can ____ ____ design ____ historical ____ ____ are beyond a ____ period?

Is _____ your system _____ _____ _____ from looking at _____ _____?

Do you make _____ limit _____ access to historical deals _____ _____ _____ _____ _____?

_____ your system's design _____ of accommodating _____ _____ _____ are _____ a _____ _____ period?

_____ you _____ _____ access historical transactions _____ a certain period of _____ are _____ limited _____ the _____ _____?

_____ _____ something you _____ _____ from _____ historical deals _____ _____ certain period?

_____ you _____ _____ _____ design _____ access _____ transactions past _____ certain period of _____?

Can _____ limit _____ _____ transaction records _____ a specific _____?

Is the _____ design _____ _____ out _____ older _____?

Do there exist limits _____ when _____ _____ _____ _____ _____ your system?

_____ _____ _____ designed to _____ access _____ past transactions?

_____ _____ prevent _____ from looking _____ _____ deals beyond a _____ time _____?

Are _____ restrictions on historical _____ _____ _____ _____ system?

_____ _____ to know _____ _____ system's design restricts _____ to _____ transactions.

_____ _____ possible _____ system _____ restricts _____ transaction access?

_____ your _____ _____ _____ _____ to past transactions beyond _____ _____ time frame?

_____ your systems make me _____ be _____ _____ _____ _____ transactions?

_____ the _____ design _____ historical transaction _____?

_____ _____ _____ design restrict access _____ _____ transactions _____ _____ certain time frame?

Are your system _____ _____ make _____ _____ _____ see past _____?

_____ your system designed to limit _____ _____ _____ _____?

_____ your _____ _____ accommodate historical _____ that are _____ the defined _____?

Does _____ system have _____ _____ _____ to older _____?

_____ want _____ know _____ the _____ _____ restrictions on historical _____.

_____ _____ _____ _____ your system restricts me _____ viewing _____ transactions.

_____ want to know if there _____ _____ _____ on _____ _____ within _____ system's _____.

_____ _____ design limit accessibility _____ _____ records?

Are your _____ _____ to keep me _____ _____ _____ transactions?

Does _____ _____ _____ _____ time limit _____ historical transactions?

I _____ like _____ know if _____ _____ _____ historical transactions are _____ _____ _____ design.

_____ _____ system blocking old _____ with _____ _____?

_____ you limited by _____ design when you _____ _____ view historical _____ _____ a certain _____ _____ _____?

Does _____ system design limit _____ _____ _____?

_____ you _____ _____ _____ _____ _____ much historical _____ can be accessed by _____ system?

_____ your system _____ to _____ me from viewing _____ _____?

Does _____ system restrict how _____ _____ can _____ _____ transactions?

Do you prevent _____ _____ _____ transaction records beyond _____ _____ _____?

Does your _____ _____ access to _____ _____ _____ a _____ time frame?

Is it _____ _____ your _____ _____ _____ hard _____ look at transactions _____ _____ in the _____?

_____ _____ to know _____ any _____ on _____ transactions are _____ in _____ design _____ _____ system.

Does the _____ _____ how long _____ can access _____ _____?

Do _____ _____ something _____ prevents me from _____ _____ _____ past _____ specific period?

Is _____ _____ _____ capable of _____ historical transactions _____ are beyond a _____ _____ _____ time?

Is your system designed _____ _____ let _____ _____ _____ transactions?

A system _____ that _____ _____ transaction _____?

Can your _____ _____ restrict access _____ _____ transactions _____ _____ certain _____ frame?

I want _____ know _____ _____ _____ any _____ on accessing historical transactions in the _____ _____ _____ _____.

_____ the _____ design _____ _____ _____ dated transactions?

_____ _____ _____ _____ old transactions in their _____?

Can you _____ _____ _____ the transaction records _____ _____ _____ limit?

_____ you _____ _____ system design _____ _____ want to _____ historical transactions?

Do your systems ____ ____ ____ ____ me ____ see past ____?

____ ____ system ____ any limitations ____ how ____ historical ____ can be ____?

Its ____ ____ ____ ____ design ____ historical transaction access.

Does ____ system make it ____ ____ ____ ____ transactions?

Is ____ ____ ____ on ____ ____ you need ____ ____ Past transactions from your ____?

Is your system ____ to ____ me ____ ____ ____ past ____?

Does your system ____ ____ ____ ____?

____ ____ system ____ to make ____ hard ____ ____ to look at ____ for a ____ ____?

Does ____ ____ ____ it ____ to look at ____ that have ____ ____ ____ a ____ time?

Can your system ____ ____ ____ to ____ ____ transactions?

____ the ____ design accommodate historical transactions ____ ____ beyond a ____ ____ ____?

I want ____ know ____ ____ ____ has restrictions ____ ____ transactions

Does ____ ____ ____ restrict access to ____ ____?

Per your ____ ____ ____ there any ____ to ____ ____ transactions?

____ ____ ____ blocking ____ ____ in a designed ____ intentional way?

____ your ____ affect ____ ____ to ____ transactions?

I want ____ ____ ____ there ____ ____ ____ ____ historic transactions imposed ____ the system.

Is ____ ____ blocking old ____ in ____ designed ____.

____ it something that ____ prevent me from ____ ____ deals ____ ____ ____ time ____?

____ ____ limit ____ ____ to historical deals ____ a specific period ____ ____?

Are you ____ ____ ____ to check ____ ____ beyond ____ specific ____ period?

____ your ____ have ____ time limit on ____ ____?

____ you ____ by system design if you ____ ____ see ____ ____?

____ your ____ ____ ____ ____ in some way?

____ your systems designed to ____ ____ hard ____ you ____ see ____ ____?

Does your ____ ____ you any ____ ____ how long ____ can ____ ____ transactions?

____ the ____ ____ accommodate historical ____ past ____ certain ____ of time?

____ there any ____ ____ accessing ____ ____ beyond a ____ time frame ____ ____ system?

____ system ____ ____ restrict ____ to ____ transactions

____ ____ design restrict ____ transaction ____?

Can your ____ design ____ ____ transactions that ____ beyond a ____ ____?

____ you ____ restrictions on ____ you ____ retrieve ____ ____ your system?

Does ____ system ____ ____ ____ with its ____?

____ it ____ that system ____ restricts historical ____ ____?

Does ____ ____ ____ it ____ to ____ older transactions?

____ ____ ____ ____ restrictions on when historical transactions ____ be accessed ____ ____ certain time ____?

Is ____ ____ designed ____ make it ____ ____ ____ transactions you have ____ ____ a ____ time?

____ it possible that ____ ____ ____ ____ checking ____ deals ____ a specific period?

____ ____ to know if the ____ design restricts ____ ____ ____ ____ historical transactions.

Does ____ system make it ____ to ____ ____ at ____ ____?

Are ____ systems designed ____ ____ ____ not be able to ____ ____ transactions ____ the ____?

____ it possible ____ ____ ____ restricts historical ____?

Is it ____ ____ system ____ can restrict historical ____ ____?

The design ____ the system may ____ ____ ____ ____ to historical ____.

I ____ to ____ ____ ____ system's design imposes ____ on historical ____.

____ would ____ to ____ if there are any ____ ____ ____ ____ ____ your system.

____ you have limitations ____ retrieving ____ beyond a ____ ____ ____?

____ your ____ have restrictions ____ ____ ____ you can ____ historical transactions?

____ ____ ____ my access ____ ____ historical deals ____ the specific time ____?

____ if ____ ____ design restricts ____ ____ access?

____ ____ impose ____ ____ access to older ____?

____ your system ____ ____ ____ me from ____ at past ____?

Is ____ ____ for your system's ____ ____ limit ____ ____ historical transactions beyond ____ ____ ____ frame?

____ ____ system ____ ____ designed ____ make it hard ____ see transactions ____ the past?

____ ____ have ____ ____ accessing transaction records beyond a certain ____ ____?

____ ____ ____ ____ to ____ ____ ____ looking at the transactions ____ recorded in the past?

Do ____ systems ____ ____ ____ be able to see ____ ____ ____ past?

Does your system's ____ ____ ____ transactions beyond ____ ____ period ____ time?

Can your ____ ____ accommodate historical ____ ____ go beyond ____ ____ frame?

System design ____ ____ historical ____ ____.

Does ____ system make it hard to see ____ ____ ____ ____ ____ ____ ____ past?

____ ____ to know if there ____ restrictions ____ ____ historical transactions ____ the ____ ____ designed.

____ want ____ ____ if the ____ of ____ system limits access to ____ ____.

Are there ____ ____ on ____ to historical ____ ____ your ____?

____ ____ ____ ____ ____ amount of historical transactions ____ one can access?

Can ____ ____ design ____ ____ ____ that go ____ the ____ time period?

____ ____ system structured in ____ way that it ____ difficult ____ ____ historical ____ beyond ____ ____?

Does your system have ____ ____ ____ ____ long you ____ ____ ____ transactions?

Does ____ ____ have restrictions ____ ____ to ____ transactions?

Can ____ system's design ____ historical transactions that are ____ ____ ____ period ____ ____.

____ your ____ design allow historical ____ that ____ beyond ____ ____ frame?

Historical transaction access ____ ____ ____ ____ system ____.

Are ____ ____ transactions ____ blocked by ____ ____?

____ it possible ____ ____ system ____ restrict historical ____ access?

____ your system's ____ ____ ____ transactions that ____ beyond a certain point ____ ____?

____ it ____ that your ____ ____ ____ it difficult ____ look at transactions ____ ____ past?

Is ____ ____ blocking ____ transactions ____ a ____ way?

I want ____ know ____ your system's design ____ ____ restrictions ____ ____ ____ transactions.

I would like ____ know if ____ ____ accessing historical ____ are ____ ____ ____ ____.

Can you ____ ____ ____ transaction ____ ____ a ____ time limit?

I ____ ____ know if ____ are restrictions ____ ____ ____ transactions by ____ system.

____ ____ possible ____ ____ design limits historical ____?

Is it ____ that your system ____ it ____ to ____ ____ ____?

Does ____ ____ ____ ____ restrictions ____ accessing ____ transactions on you?

Are you limited by the system ____ ____ ____ ____ to ____ ____ ____?

Does your system block ____ ____ transactions ____ ____ ____?

Is ____ ____ ____ you prevent me from ____ ____ deals ____ ____ time period?

____ you ____ my ____ to check ____ deals ____ ____ period?

Is ____ ____ structured in ____ ____ way that ____ ____ transactions beyond certain ____ is ____ ____?

____ the system ____ ____ restricts access ____ past ____?

____ ____ a ____ your ____ is blocking ____ transactions?

____ ____ ____ ____ access historical transactions ____ a ____ time frame in ____ system ____?

____ you limited by ____ ____ ____ you ____ ____ access historical transactions after ____ ____ period of ____?

Can ____ ____ design accommodatehistorical ____ that are beyond ____ specific ____ ____ ____?

____ your ____ structured ____ ____ ____ way ____ ____ transactions are ____ beyond certain times?

____ ____ have limits on retrieving ____ ____ a certain ____?

Can ____ ____ design accommodate historical ____ ____ are ____ a certain ____ ____ time?

____ ____ ____ that your ____ limits access to ____ transactions?

____ ____ ____ to know if restrictions ____ ____ transactions are ____ the ____ design.

Are ____ barriers in ____ ____ ____ ____ records beyond a ____ limit?

I ____ to know ____ the ____ ____ affects ____ ____ historical transactions.

____ ____ design ____ ____ out to older ____?

I have a ____ ____ ____ and ____ ____ view ____ past the time ____ you have ____ ____?

Are your ____ designed ____ ____ me from ____ ____ transactions?

Does your ____ have ____ restrictions ____ ____ ____ transactions beyond a ____ time ____?

____ your system designed ____ make ____ hard to see ____ ____ ____ ____?

Does ____ ____ ____ access to historical transactions ____ ____ time ____?

Do ____ have a ____ on how ____ you have ____ fetch ____ ____ ____ ____ system?

____ your ____ restrict ____ to historical ____ ____ ____ time frame?

____ ____ ____ restrictions on ____ historical transactions ____ a time ____ in your ____?

Can your ____ ____ ____ historical transactions ____ are ____ ____ time period?

Can ____ ____ of ____ system accommodate historical transactions ____ are ____ ____ ____ ____ of time?

Do ____ ____ ____ ____ ____ transactions beyond a certain ____ in ____ setup?

Can historical transactions that go ____ a ____ ____ be ____ ____ ____ ____ of your ____?

____ ____ system ____ any restrictions ____ ____ ____ you can ____ historical transactions?

Is ____ ____ ____ you ____ me ____ checking historical deals past ____ specific ____?

____ want to know ____ your ____ restricts ____ from ____ past ____.

____ ____ ____ ____ old transactions with its ____?

Does it ____ that ____ system ____ restricts ____ ____ access?

____ ____ system's design ____ ____ transactions?

Does ____ ____ have ____ ____ older transactions?

____ ____ ____ ____ accommodate historical transactions that ____ ____ a ____ time frame?

____ ____ ____ restricts ____ transaction access?

Is your system designed to ____ it ____ ____ ____ at ____ ____ ____ past?

____ your ____ designed to make ____ ____ to ____ ____ transactions you ____ recorded in ____ ____?

____ ____ want ____ ____ ____ ____ ____ ____ certain time period, are you limited by ____ design?

Do you ____ my ability ____ ____ historical ____ ____ a specific ____ ____?

Is ____ ____ limit to ____ ____ beyond ____ certain ____ ____ your setup?

____ ____ system's design accommodate ____ ____ that ____ beyond a ____ period?

Is it ____ that ____ system ____ ____ historical ____?

Do ____ ____ ____ on ____ transactions ____ be retrieved in your ____?

____ you ____ my access to historical ____ ____ the ____ ____?

Are ____ ____ limits ____ older ____?

____ ____ ____ know if ____ is any restrictions ____ historical transactions ____ the ____.

____ ____ ____ design ____ of ____ ____ transactions ____ a specific time frame?

Does ____ system ____ ____ ____ ____ ____ historical ____ can ____ accessed beyond certain times?

Can you ____ ____ about ____ limitations ____ retrieving ____ transactions?

Is ____ system limiting ____ ____ ____ transactions?

Are your ____ ____ to make ____ not be able ____ ____ ____ ____ transactions?

____ your system make ____ difficult ____ ____ to ____ ____ transactions?

____ ____ system's design ____ ____ transactions ____ go beyond a certain period ____ ____?

____ ____ have ____ ____ how long ____ can ____ transaction records?

____ you ____ by the system ____ ____ ____ want ____ ____ historical transactions beyond ____ certain ____?

____ your system ____ access ____ older ____?

____ ____ ____ ____ system design ____ you want ____ see historical transactions ____ ____ period of ____?

____ the framework of your systems ____ ____ to ____ ____ beyond the ____ that ____ ____ ____?

____ the framework ____ your ____ ____ to view ____ ____ ____ the window that ____ been ____?

____ your systems ____ to ____ ____ from viewing ____ transactions?

____ your system make ____ hard ____ look ____ ____ ____ ____ have ____ going on ____ a long time?

I ____ to know ____ you have any ____ ____ access to ____ ____ in ____ ____.

____ ____ be limitations on when ____ ____ ____ transactions ____ your system?

____ ____ ____ for me to ____ ____ ____ beyond ____ certain window within the framework ____ my ____?

I ____ ____ know if there ____ ____ on historical ____ imposed ____ ____ by ____ system.

Can ____ system's design accommodate ____ transactions ____ go ____ ____ ____ period?

____ anyone ____ how long you ____ ____ fetch past ____ ____ ____ system?

I ____ like to know if ____ design ____ ____ ____ ____ ____ restrictions on historical ____.

Can your ____ ____ accommodate ____ transactions ____ a certain ____ ____ time?

Does ____ system ____ old transactions in ____ ____ ____ ____ way?

____ your ____ make ____ harder ____ access ____ transactions?

Is there any limit on how ____ historical ____ ____ ____ ____ by ____ ____?

____ your ____ designed to not let me ____ ____ ____?

____ your system ____ ____ ____ intentional or ____?

____ you ____ by system ____ if ____ want ____ view ____ ____ beyond a ____ time?

Do ____ ____ me ____ checking out ____ deals past a ____ ____ ____?

____ your ____ limit access to historical ____ ____ ____ ____ frame?

Do ____ ____ something that ____ me from checking ____ deals ____ ____ ____ period?

____ your system ____ ____ a way that ____ transactions can ____ accessed ____ ____ ____?

____ ____ if the system's design restricts ____ ____ historical ____.

____ the ____ of the ____ ____ access to ____ transactions?

____ you have ____ to access ____ ____ ____ the ____ limit?

I want ____ know if ____ design ____ ____ ____ restrictions access ____ historical ____.

____ you limiting ____ ____ to ____ ____ beyond a ____ period?

Does your ____ ____ restrictions ____ ____ ____ older transactions?

____ it something you ____ ____ from checking historical deals ____ ____ ____ ____ period?

Does ____ ____ design ____ ____ ____ older transactions?

____ the ____ ____ limitations ____ retrieving transactions beyond ____ certain time ____?

____ ____ system have limits on ____ amount of time you ____ ____ ____ ____?

Do ____ ____ ____ system ____ restricts ____ to dated transactions?

Is it possible that your ____ ____ designed to ____ ____ ____ to look ____ ____ ____ the ____?

____ ____ restrict access ____ transaction ____ beyond ____ ____ time limit?

____ your system's ____ ____ ____ ____ ____ are beyond a specified ____ frame?

____ your ____ ____ ____ limits on how long ____ can ____ ____ transactions?

I ____ to know ____ restrictions ____ access to ____ ____ are ____ by the ____ ____.

____ would ____ to know if there ____ any ____ ____ ____ transactions imposed ____ the ____.

Is ____ system designed ____ ____ it hard ____ ____ the ____ that you ____ recorded in ____ ____?

____ you tell me about ____ limitations on ____ transactions ____ ____ ____ ____?

____ ____ system ____ ____ transactions in a ____ manner?

Are ____ systems intended ____ ____ me ____ seeing past ____?

Is ____ ____ you prevent me from ____ ____ ____ ____ ____ time period?

Does your ____ ____ ____ ____ accessing historical ____ for long?

Do you ____ ____ ____ ____ retrieving ____ beyond a certain ____?

____ ____ ____ ____ access ____ historical deals ____ a certain time period?

____ you ____ me from ____ out ____ historical deals ____ a ____ ____ period?

____ ____ system structured in ____ ____ way that ____ to historical ____ is ____?

Is ____ system designed ____ ____ it ____ to ____ ____ past transactions?

Can ____ ____ design accommodate ____ transactions that ____ beyond ____ ____ period ____ time?

Does the ____ design limit ____ ____ ____ ____ ____ a certain ____ of time?

Does the ____ you ____ make it hard to ____ ____ ____ ____ the ____?

____ you think ____ ____ ____ make ____ difficult to look at ____ ____ the ____?

Do you ____ me ____ checking ____ deals ____ ____ ____ period?

_____ _____ possible _____ _____ makes it _____ _____ view past transactions?

Does your _____ restrict you from _____ historical _____ _____ _____ _____ period?

_____ _____ system _____ of _____ access to _____ transactions?

System design _____ _____ _____ access?

Does your _____ _____ _____ to historical transactions _____ _____ _____ frame?

Does _____ system prevent _____ _____ old _____?

Can _____ _____ that go _____ a _____ window _____ accessed within _____ framework _____ _____ system?

Will _____ _____ _____ on checking historical _____ beyond _____ period?

I want to _____ if _____ _____ design _____ _____ _____ _____ historical transactions.

Is _____ design _____ reach out _____ _____ _____?

I _____ to know _____ _____ _____ _____ restrictions _____ historical transactions in _____ system's _____.

Is the system designed _____ _____ _____ _____ to _____ transactions _____ have _____ _____ _____ the past?

Do _____ restrict my _____ _____ _____ historical deals beyond _____ particular _____?

_____ want to _____ if the system's _____ _____ historical _____.

_____ curious if _____ restrictions on _____ transactions are _____ _____ _____ _____ design.

Is it _____ _____ designed _____ your system _____ _____ _____ transactions?

_____ you preventing me _____ _____ historical _____ past a _____?

Does _____ _____ _____ _____ _____ to view the past transactions?

_____ _____ a _____ _____ the amount of historical _____ that _____ _____ accessed by _____ system?

Do you _____ limitations _____ _____ transactions _____ _____ certain _____ _____ your setup?

_____ want _____ know _____ restrictions _____ _____ _____ transactions are _____ on _____ by the system's _____.

Is your system designed _____ _____ _____ _____ _____ the _____ transactions?

_____ _____ to know if _____ are _____ on _____ historical _____ by _____ design _____ the _____.

_____ _____ _____ designed to _____ _____ hard _____ see _____ that you've recorded _____ the past?

_____ _____ limiting _____ _____ to historical _____ beyond a certain _____ period?

Do you restrict _____ from checking _____ _____ deals _____ _____ certain _____ _____?

_____ a system limit _____ _____ _____ _____ records?

Does your _____ have _____ _____ _____ transactions?

_____ _____ _____ designed _____ _____ it hard _____ me to _____ past transactions?

Do _____ prevent _____ _____ checking out historical _____ _____ a _____ time _____?

_____ system design limit reaching _____ _____ _____ _____?

I'm _____ if the system's _____ restricts _____ _____ historical _____ on _____.

Historical transaction access _____ _____ restricted _____ _____ _____ design.

Does the system design limit _____ _____ _____ _____ _____?

_____ _____ possible _____ _____ historical transactions past a certain _____ within _____ _____ of _____ system?

Is _____ system _____ _____ make it difficult _____ _____ transactions _____ seen for _____ long _____?

Does _____ _____ have any _____ on retrieving _____ _____ transactions?

Do you preclude me _____ checking out any _____ deals _____ _____ _____ _____ _____?

_____ _____ to _____ _____ your system's _____ _____ any restrictions on access _____ _____ transactions.

_____ you _____ me _____ looking _____ _____ deals past _____ certain _____ period?

_____ _____ _____ _____ any limits on retrieving transactions _____ a certain _____?

Does _____ _____ have limits _____ _____ to older _____?

Is _____ _____ _____ _____ make _____ _____ to see transactions _____ _____ been _____ in the past?

Is _____ system structured _____ a way _____ it _____ not easy to _____ _____ _____ beyond _____ _____?

_____ you have restrictions on _____ _____ _____ in your _____?

Is your _____ _____ to _____ it _____ _____ _____ past transactions?

Does your _____ have _____ on _____ _____ _____ _____ a certain period of _____?

Is it something you _____ me _____ _____ historical deals _____ _____ _____ _____?

I want to _____ _____ there _____ restrictions on accessing _____ _____ _____ the _____.

_____ the _____ of your system accommodate historical transactions _____ are _____ _____ certain _____ _____ _____?

____ the system ____ to ____ ____ ____ older transactions?

____ there any limit on ____ amount ____ ____ ____ ____ ____ fetch Past ____ from your ____?

Does ____ system ____ it ____ to look ____ ____ that ____ ____ recorded ____ the past?

If you want ____ ____ historical transactions beyond ____ ____ ____ period ____ you limited ____ ____ ____?

Can your ____ ____ ____ historical transactions ____ ____ beyond a specific ____ ____ time?

Barriers to getting ____ ____ past ____ ____ ____ limit are something ____ might put ____ ____.

Is ____ a ____ ____ accessing older ____ ____ your system?

Is ____ ____ ____ ____ ____ ____ hard for me ____ see past transactions?

Does the ____ ____ limit ____ to ____ ____?

Does ____ system ____ ____ transactions?

____ ____ prevent me from ____ historical ____ ____ ____ specific period?

Can ____ system's design ____ historical ____ ____ are ____ a ____ frame of ____?

____ the system have ____ on ____ past ____ beyond ____ ____ period?

____ the ____ ____ old ____ based on ____ design?

Are your system ____ ____ ____ ____ a deliberate ____ ____ way?

____ your ____ structured ____ ____ a ____ that you cannot ____ ____ transactions past certain ____?

I ____ to know ____ ____ transactions ____ ____ by the ____.

____ ____ ____ blocking old transactions ____ ____ intentional?

____ it something ____ keep me ____ ____ ____ ____ past a certain ____?

Do you ____ ____ ____ ____ when you ____ retrieve ____ in ____ system?

Is it possible ____ you prevent ____ from checking ____ ____ past ____ ____ ____ ____?

Do you ____ ____ ____ accessing older ____?

____ ____ ____ ____ limitations ____ accessing historical ____ ____ a certain time frame?

I ____ ____ ____ ____ there is ____ ____ on accessing historical transactions ____ by ____ system's ____.

Do you have ____ on ____ ____ ____ view ____ history?

____ ____ like to ____ ____ there ____ restrictions on historical transactions in ____ ____.

____ you restrict my ____ to ____ historical ____ ____ ____ period?

____ your ____ ____ me ____ seeing past ____?

I ____ to ____ if ____ ____ design has any ____ ____ historical ____.

____ ____ possible that your ____ ____ me ____ seeing ____ transactions?

____ ____ ____ ____ prevent ____ from checking historical ____ beyond a ____ time period?

Does ____ ____ ____ ____ design restricts historical ____ access?

____ the system ____ preventing ____ ____ dated ____?

Is there a ____ on ____ ____ beyond ____ ____ time ____ in your ____?

____ ____ ____ ____ reaching ____ to older records?

____ your ____ ____ you ____ ____ archived ____ after a ____ limit is crossed?

Is ____ ____ ____ ____ ____ you from ____ at ____ ____ you've seen for ____ long time?

Do ____ restrict my access ____ ____ deals ____ a ____ time ____?

____ ____ something you keep ____ from checking ____ ____ ____ ____ single time period?

Is your system designed to ____ ____ ____ ____ ____ ____ ____ that you have recorded ____ ____ past?

Are ____ limiting my access for checking historical ____ ____ ____ ____ ____ ____?

Do ____ restrict ____ ability to ____ ____ historical deals ____ ____ specific ____ period?

____ ____ ____ have ____ restrictions on ____ transactions beyond a ____ time ____?

Does ____ system ____ ____ access to ____ ____?

Does ____ system's ____ allow ____ ____ ____ beyond a certain time ____?

____ ____ if your system ____ me ____ viewing past ____.

Does your system ____ it ____ ____ access ____ ____?

____ your ____ have ____ on how long you ____ ____ ____ transactions?

____ ____ system designed ____ make ____ hard to look ____ the transactions ____ ____ ____ time?

____ ____ a question for you - ____ I see transactions ____ ____ ____ frame that ____ ____ in ____?

Did ____ ____ ____ any ____ on retrieving ____ transactions?

____ your ____ have any ____ ____ ____ amount ____ historical transactions ____ can be ____?

Can you limit ____ ____ transaction ____ ____ ____ ____ time limit?

____ ____ system ____ to make ____ ____ to ____ at transactions ____ ____ been recorded in ____ past?

____ ____ system have any ____ ____ ____ past transactions beyond a ____ time ____?

____ ____ limit the ____ to ____ records ____ ____ specific time limit?

I ____ if ____ ____ limits reaching out to ____ ____.

____ you limited ____ ____ ____ in accessing historical transactions ____ a ____ ____ of ____?

Are your systems ____ ____ prevent you ____ seeing ____ ____?

Can you tell ____ ____ there ____ ____ to ____ transactions ____ a certain ____ ____?

____ ____ make it difficult ____ access transaction ____ ____ the time ____?

I ____ to ____ ____ ____ system's design puts restrictions ____ historical ____.

Can your ____ design ____ ____ transactions ____ the time ____?

Does ____ system make ____ hard ____ ____ ____ ____ ____ in the past?

____ ____ ____ structured in ____ ____ ____ ____ access to historical transactions beyond ____ times?

____ you have ____ on ____ transactions can be ____ ____ your ____?

Can your system's design accommodate ____ transactions ____ go ____ ____ ____ ____?

Does ____ system design ____ access ____ ____ ____?

____ would ____ to ____ ____ the design of the ____ ____ access ____ ____ transactions.

____ on ____ ____ records beyond a specific ____ ____ are ____ you may ____ ____ place.

____ ____ system designed to limit me ____ viewing ____ ____?

Do ____ have ____ ____ ____ ____ records beyond a ____ limit?

____ ____ prevent ____ ____ ____ out any historical deals ____ a certain ____?

Is it true ____ ____ ____ imposes ____ ____ older transactions?

____ ____ ____ my ____ to historical deals beyond one ____ ____?

Do ____ ____ limitations on retrieving ____ after ____ certain ____?

____ on ____ ____ ____ beyond ____ specific time ____ ____ be put in place

Do ____ have any restrictions ____ ____ ____ ____ beyond a ____ time ____ ____ your system?

____ don't ____ if ____ design ____ the system ____ ____ to historical ____.

Does your system ____ restrict historical transactions ____ ____ ____ ____ ____?

Does your system's ____ ____ access ____ ____ ____ beyond a ____ ____ frame?

____ your ____ meant to make me ____ ____ ____ ____ ____ transactions in ____ past?

Can ____ system's design allow ____ ____ beyond a ____ ____ ____?

____ ____ system's design accommodate historical transactions ____ ____ beyond ____ specific ____ ____ time?

____ historical transactions ____ a ____ ____ period ____ ____ in your ____ design?

Per your system's ____ are ____ any ____ ____ ____ ____ transactions?

____ you ____ ____ ____ ____ records past a certain ____ frame?

____ you preventing me ____ checking ____ ____ beyond a ____ time ____?

Is ____ ____ structured in ____ a way that accessing historical ____ ____ ____ ____ ____ restricted?

____ ____ system designed ____ prevent ____ ____ viewing past transactions?

If ____ want ____ access historical transactions ____ ____ ____ period ____ ____ ____ you limited ____ system design?

____ your ____ design accommodate historical ____ that are ____ ____ particular ____ ____?

Does ____ system ____ access ____ ____ ____ beyond a certain ____ frame?

____ you preventing ____ ____ to ____ historical ____ past a ____ period?

Does ____ ____ design accommodate ____ transactions ____ go ____ a ____ ____ period?

____ ____ ____ ____ on accessing older transactions?

Is ____ ____ that you ____ ____ ____ historical deals over time?

____ ____ ____ of ____ ____ ____ you ____ seehistorical transactions beyond the window that ____ ____ set?

Did the ____ ____ restrict ____ to ____ ____?

Is it ____ you prevent my ____ ____ ____ ____ deals ____ the ____ period?

____ ____ ____ block ____ transactions in ____ design?

Is the ____ ____ ____ ____ ____ to ____ it hard to ____ at ____ in ____ past?

Does ____ system ____ ____ restrictions on what time you ____ ____ ____ ____?

Do you ____ barriers ____ place to ____ ____ ____ a certain time ____?

I ____ to ____ ____ the ____ design ____ restrictions on ____ historical ____.

Are ____ ____ ____ ____ ____ much historical ____ one can see by your ____?

____ your ____ design accommodate ____ ____ that ____ ____ a specific period ____ time?

____ your ____ make it difficult ____ ____ ____ transactions?

Does ____ ____ have ____ limitations on the ____ ____ ____ transactions it ____ access?

Do you ____ it difficult to ____ ____ ____ ____ ____ certain time ____?

Can you limit ____ access ____ ____ ____ past ____ ____ limit?

____ you ____ ____ ____ design in ____ past transactions?

____ ____ wondering if your ____ are ____ to ____ me ____ ____ ____ to see past ____.

Can ____ ____ accommodate historical ____ ____ a certain ____ period?

____ it ____ to ____ ____ past ____ certain ____ ____ your system's setup?

____ ____ any restrictions ____ ____ historical ____ can ____ accessed by your ____?

____ your ____ ____ old transactions in ____ designed ____?

Do you ____ any limits on ____ ____ after ____ ____ ____?

____ ____ design ____ ____ system accommodate ____ transactions ____ are beyond ____ certain period?

____ system ____ limit ____ out ____ older ____?

____ ____ ____ ____ limit reaching ____ to older records?

Is your system designed to ____ ____ ____ ____ ____ transactions ____ ____ past?

____ the ____ ____ accommodate historical ____ ____ are ____ a particular time ____?

Barriers on getting transaction ____ ____ a ____ ____ are something that you ____ ____ ____ ____.

____ want ____ ____ if ____ ____ ____ ____ on accessing historical transactions ____ on you ____ the system.

Do ____ ____ it ____ ____ ____ ____ check ____ ____ beyond a specific time period?

____ you limited ____ the system ____ ____ ____ historical transactions ____ ____ certain period of ____?

____ ____ ____ ____ you ____ me ____ checking historical deals ____ the specific time ____?

Is your ____ made ____ ____ ____ ____ transactions?

Does ____ system make ____ ____ ____ view ____ transactions?

____ are ____ on ____ past ____ ____ your system's setup

____ design restrictions historical ____ ____?

Does your ____ ____ ____ to ____ transactions?

Does ____ ____ that ____ system ____ restricts ____ transaction access?

____ ____ restrict access ____ the transaction ____ ____ a ____ limit?

Are ____ limited by system ____ ____ ____ historical ____?

____ you have ____ restrictions ____ retrieving ____ ____ from ____ system?

Is it something you ____ allow me ____ ____ historical deals ____ ____ ____ ____ ____?

____ your ____ setup ____ ____ any limitations on ____ past ____?

Does your ____ ____ me from ____ ____ transactions ____ the ____?

____ ____ system have any ____ ____ retrieving past ____ after ____ certain ____?

____ ____ ____ to access historical ____ ____ a certain time frame ____ your ____ ____?

I ____ ____ know if ____ are ____ on ____ transactions ____ ____ ____ your system.

Is ____ system designed ____ ____ it difficult ____ ____ ____ the ____ for a ____ time?

____ ____ have ____ ____ access transaction records that ____ ____ ____ certain time limit?

I would ____ ____ know if ____ ____ imposes ____ ____ accessing ____ transactions.

____ ____ possible that historical ____ access ____ restricted ____ system ____.

Does your system prohibit ____ ____ ____ ____ transactions beyond ____ ____ frame?

Are you ____ ____ ____ ____ ____ in accessing historical transactions?

____ ____ system allow limitations ____ older ____?

There ____ ____ on ____ past ____ ____ ____ setup of your system.

____ ____ ____ know if there ____ restrictions on ____ ____ on your ____.

Is ____ ____ limiting access to ____ ____

I ____ ____ know if ____ ____ any ____ on historical transactions ____ ____ ____ of the ____.

____ your ____ restrict ____ long ____ can view ____ transactions?

Is ____ system designed ____ stop ____ ____ seeing ____ transactions?

____ your ____ ____ access to old ____

____ your system ____ ____ ____ ____ ____ ____ accessing ____ ____ beyond certain moments can be difficult?

Is ____ system ____ ____ make ____ hard to ____ ____ transactions ____ the past?

____ ____ ____ blocking access to ____ transactions ____ design?

Is ____ transaction ____ ____ by ____ system ____?

____ ____ ____ ____ any ____ ____ the ____ of ____ transactions that one can access?

____ ____ ____ design accommodate ____ transactions beyond ____ defined time ____?

Is ____ ____ ____ old ____ in ____ design way?

____ your ____ ____ to ____ it hard ____ look ____ ____ ____ you've recorded in ____ past?

____ your system limit ____ to historical ____ ____ ____ ____ time frame?

____ ____ ____ know if the ____ design causes restrictions ____ ____ transactions.

____ ____ ____ ____ any restrictions ____ how long ____ can access ____ transactions?

____ ____ like ____ know ____ your systems are ____ to ____ ____ from seeing past ____.

Is system ____ ____ ____ to older ____?

Does ____ system ____ ____ limitations on ____ long ____ can access ____?

Do there ____ ____ on ____ transactions ____ ____ certain ____ period?

Is it your ____ that restricts ____ ____ ____ ____ transactions?

____ your system ____ ____ ____ ____ long you can accesshistorical ____?

____ you ____ ____ on retrieving ____ ____ a certain ____ period?

____ ____ system ____ ____ from ____ past transactions?

Do ____ prevent me ____ checking historical deals ____ ____ ____ ____?

____ your system make it ____ ____ ____ to ____ older ____?

____ would like ____ know if ____ system's ____ ____ any restrictions ____ historical ____.

____ your ____ designed ____ make ____ ____ to ____ transactions that ____ have seen ____ ____ long time?

____ your system's ____ allow ____ ____ ____ beyond a certain ____ frame?

____ your ____ designed to ____ ____ from past ____?

____ ____ transactions ____ a ____ period ____ with your ____ design?

Does your system's ____ allow ____ to ____ ____ ____ ____ a ____ period?

____ ____ systems ____ ____ ____ on how long you ____ access historical ____?

Does ____ ____ of ____ ____ allow ____ ____ view historical ____ beyond the window ____ ____ set?

____ the design of ____ system ____ historical transactions ____ ____ ____ ____ certain time ____?

____ ____ system ____ prohibit access to ____ ____?

Do ____ prevent ____ from ____ ____ ____ deals past ____ ____ time period?

Does ____ ____ ____ access to older ____?

____ ____ ____ your ____ ____ limitations on older transactions?

____ your ____ design ____ ____ ____ ____ go beyond a ____ time period?

I ____ ____ if your ____ ____ designed to ____ me ____ ____ past transactions.

____ ____ system ____ any ____ on historical ____ ____ a ____ time frame?

____ system ____ limit getting ____ ____ records?

____ ____ possible that ____ system will make ____ ____ to ____ ____ transactions?

Has your ____ ____ ____ ____ ____ hard to view past transactions?

Will you be ____ to ____ access to transaction ____ ____ a ____ ____ ____?

____ ____ ____ ____ ____ ____ amount ____ historical transactions one can ____ by your system?

____ you ____ ____ from ____ out ____ historical ____ beyond a certain ____ period?

_____ your system designed _____ make _____ difficult for _____ to _____ _____ _____?

Do _____ systems make _____ _____ to _____ _____ transactions?

If you _____ to see _____ _____ _____ _____ _____ _____ period, are you limited _____ _____ design?

_____ am wondering if _____ _____ _____ accessing _____ transactions _____ imposed by the _____.

I'm wondering _____ there _____ _____ _____ _____ _____ transactions by the system.

Can _____ limit access to _____ records _____ a _____ _____?

Is _____ possible that _____ _____ _____ it _____ to _____ _____ _____ from the past?

Are _____ any limitations _____ _____ past _____ from _____ system?

Does _____ design _____ you _____ _____ historical transactions _____ _____ _____ period of time?

_____ _____ _____ my _____ for looking at _____ deals _____ a _____ period?

Historical _____ access _____ be restricted _____ _____ system _____.

_____ _____ prevent me from seeing historical _____ _____ _____ certain time _____?

_____ am wondering _____ any _____ _____ accessing historical _____ are _____ by _____ _____ design.

Does anyone limit _____ _____ _____ have _____ _____ past _____ from _____ system?

_____ _____ impose barriers to _____ transaction _____ _____ a certain _____ limit?

_____ _____ system have _____ _____ _____ _____ _____ you can access historical transactions?

Is your system designed to _____ _____ _____ to see _____ _____ recorded in _____ _____?

_____ _____ system limit access _____ _____ transactions?

Are _____ _____ barriers to _____ transaction records _____ a _____ _____?

Can your _____ _____ _____ _____ _____ that _____ beyond a specific time?

Is your _____ _____ _____ make it difficult _____ see _____ that _____ been going _____ _____ a _____ time?

Can _____ system's _____ _____ transactions _____ are _____ a _____ time period?

_____ _____ system _____ old transactions deliberately _____ by _____?

_____ _____ system make _____ _____ to view past _____?

Do you _____ _____ _____ checking historical deals _____ a _____ _____ period?

Do your systems make you _____ _____ _____ _____ _____ past _____?

Can your system's _____ accommodate _____ transactions _____ _____ period _____ _____?

_____ _____ _____ your system restricts _____ to _____ transactions?

I would like _____ _____ if _____ _____ has restrictions on _____ _____ _____.

_____ _____ _____ _____ limit reaching for _____ records?

_____ _____ system make it _____ _____ _____ past transactions.

_____ you have any _____ _____ _____ _____ beyond _____ certain period?

Does your _____ _____ limitations on _____ transactions _____ _____ certain _____?

Isn't it _____ _____ the system design _____ _____ _____ access?

_____ _____ like to know if _____ _____ _____ on _____ historical _____ _____ your system.

_____ your _____ structured _____ a _____ _____ it _____ access historical transactions _____ certain _____?

_____ want _____ _____ if there _____ _____ _____ _____ transactions that _____ _____ the design of the system.

The _____ _____ might _____ _____ _____ older transactions.

_____ you _____ _____ _____ checking _____ any historical deals _____ a particular _____?

_____ _____ _____ that _____ system design _____ restrict historical transaction _____?

Is _____ _____ _____ _____ the _____ of _____ transactions one can _____ _____ your system?

_____ your _____ limit _____ _____ can _____ older transactions?

Does your system's design _____ access _____ _____ _____ beyond _____ specific _____ _____?

_____ _____ possible _____ system _____ restricts historical _____ access?

_____ you _____ to _____ historical transactions _____ a certain _____ _____ time, are _____ limited _____ system _____?

Is your system's design _____ to _____ _____ _____ _____ _____ past a certain _____ of _____?

_____ _____ make it _____ to access _____ records beyond _____ time _____?

_____ _____ restrict me from checking out _____ _____ _____ a certain _____ _____?

_____ you limited by _____ _____ to _____ _____ transactions?

Do _____ _____ any _____ _____ retrieving transactions after a _____ _____ period?

Does your ____ ____ ____ to older ____

____ ____ ____ ____ long ____ have to fetch ____ transactions from your ____?

____ you ____ to access ____ transactions, are you limited ____ ____ ____?

By ____ system's design, ____ ____ ____ restrictions on historical ____?

____ ____ ____ ____ it ____ ____ look at the past transactions?

____ it ____ that the system ____ restricts historical ____ ____?

____ your system have ____ on ____ ____ ____ canaccess historical ____?

Is it ____ ____ your system imposes ____ ____ ____ older ____?

____ ____ possible that I cannot find ____ ____ past a ____ ____ ____ ____ system?

____ you restrict ____ access to ____ historical ____ past ____ ____ time ____?

____ am ____ if ____ system's ____ restricts access to ____ transactions ____ ____.

Does ____ system ____ ____ ____ able to see the ____ transactions?

Do ____ ____ my ____ ____ historical deals beyond a certain ____ ____?

Do you ____ any ____ ____ ____ transactions beyond ____ ____ period ____ your system?

I ____ like ____ ____ ____ there are ____ restrictions on historical ____ in ____ design of ____ ____.

I want ____ know ____ ____ ____ ____ on historical ____ that ____ system has.

Does ____ ____ block access to ____ ____?

____ you prevent me from ____ ____ historical deals ____ ____ ____ ____ period?

Do you ____ me ____ checking out any historical ____ ____ a ____ ____ ____?

____ your system ____ old ____ ____ or by ____?

Is it possible that ____ ____ ____ me from ____ ____ ____?

____ you ____ ____ hard ____ get transaction ____ beyond a time ____?

Does ____ system make it hard to ____ at ____ ____ ____ ____ ____ ____ past?

Your ____ may ____ ____ difficult to ____ past ____.

Are ____ ____ designed to ____ me from viewing ____ ____?

I want ____ ____ ____ your ____ ____ ____ to make me not ____ able to ____ ____ transactions.

____ your ____ restrict ____ ____ transactions?

____ ____ ____ design impose ____ ____ access to historical transactions?

____ ____ system's design accommodate historical ____ ____ a ____ period ____ time?

Do you keep me ____ ____ ____ deals ____ ____ specific ____?

____ ____ ____ know ____ ____ on ____ transactions are imposed by ____ system.

____ your ____ designed ____ not ____ ____ ____ see past transactions?

____ ____ limitations ____ retrieving ____ ____ under the setup of ____ system.

I want to ____ if ____ on accessing ____ transactions are ____ ____ ____ ____.

____ your ____ ____ ____ ____ it hard to look at ____ you ____ made ____ ____ past?

Does ____ system ____ old ____ ____ on ____?

____ your ____ ____ to ____ me from ____ at past ____?

I ____ ____ know ____ any restrictions on access ____ historical ____ ____ imposed by ____ ____.

Is your ____ designed to make it ____ for ____ ____ ____ that have ____ recorded ____ the ____?

____ you keep me ____ ____ ____ any ____ deals after a ____ ____?

Is it ____ ____ prevent my ____ ____ check historical ____ ____ ____ ____ time period?

Is ____ ____ designed to make ____ difficult to ____ ____ the transactions ____ ____ ____ ____ the past?

Is it ____ that ____ designs ____ historical ____ ____?

Are ____ ____ ____ limit ____ ____ ____ records ____ a specific time limit?

____ ____ system's design ____ ____ ____ ____ a certain time period?

____ your system's ____ ____ historical ____ that are outside of ____ specific ____ ____?

____ ____ ____ blocking old ____ in a way ____ was ____?

Do ____ prevent ____ from ____ ____ historical ____ after a particular ____?

Do ____ ____ ____ restrictions ____ ____ transaction records beyond ____ certain ____ limit?

Does your system make ____ hard to ____ ____ transactions ____ ____ in ____ ____?

_____ the system design restriction _____ _____ to _____ _____?

Are there any limits _____ how long _____ _____ to fetch _____ _____ _____ _____ _____?

I want to know _____ historical transactions _____ restricted _____ _____ _____ _____

_____ your system impose _____ _____ on how _____ _____ can _____ historical _____?

_____ _____ _____ _____ restrict access _____ past transactions?

limitations _____ _____ _____ _____ under your system's _____

Is your system _____ to make _____ _____ to _____ _____ _____ transactions?

_____ your _____ make _____ difficult to see the _____ _____?

_____ _____ system able _____ block _____ transactions with its _____?

Does your system _____ you _____ viewing _____ _____ _____ _____ time frame?

_____ it possible _____ the system _____ _____ historical transaction _____?

Are your _____ designed _____ _____ _____ me see past _____?

_____ your _____ _____ _____ make _____ difficult to see the _____ transactions?

_____ _____ _____ designed to make _____ hard to _____ at transactions you've _____ in _____ _____?

_____ your system's _____ accommodate _____ _____ _____ _____ after a certain period _____ time?

_____ you prevent _____ _____ checking out any _____ _____ _____ _____ time period?

Is there any restriction on _____ _____ _____ a _____ time frame _____ _____ _____?

_____ you restrict my ability to _____ historical _____ beyond _____ _____ _____?

_____ a system's _____ accommodate historical transactions _____ are _____ _____ specific _____ _____?

Can _____ _____ _____ _____ transaction records limited _____ _____ specific time limit?

_____ _____ likely that _____ design restricts _____ _____ access?

Can you limit access _____ _____ _____ _____ _____ certain time _____?

_____ you _____ _____ access _____ checking _____ deals beyond a _____ period?

_____ _____ prevent me _____ checking out historical deals _____ _____ _____ period?

_____ _____ system designed _____ make it _____ to look at transactions _____ _____ _____ _____ the _____?

Does _____ _____ _____ allow _____ transactions that are _____ a specific _____ of _____?

_____ want _____ _____ if there _____ _____ _____ accessing _____ transactions built into _____ system.

_____ _____ _____ have any restrictions on _____ _____?

Does _____ system _____ a _____ on _____ _____ you can _____ historical _____?

_____ _____ _____ design limiting access _____ _____ past?

_____ _____ _____ intentional or designed _____ to block _____ transactions?

Are _____ any _____ on _____ historical _____ _____ on you by the _____ _____?

_____ you _____ _____ on _____ long _____ _____ access historical transactions?

Is it _____ _____ the _____ design _____ _____ historical transactions?

_____ want to know _____ there _____ a _____ limit _____ retrieving _____ _____.

_____ _____ _____ _____ _____ _____ it harder to _____ at transactions in the past?

_____ you _____ _____ to transaction _____ _____ a certain _____ limit?

_____ your _____ _____ to make _____ _____ for _____ to _____ at transactions _____ the past?

Is _____ _____ _____ on accessing _____ transactions beyond _____ _____ _____ of your system?

I _____ a _____ _____ _____ _____ _____ see transactions past _____ time period you _____ _____ place?

_____ your _____ prevent _____ from _____ previous _____?

Does _____ system _____ how long you _____ _____ _____ transactions?

_____ _____ system _____ _____ to old transactions.

_____ you _____ _____ from seeing _____ _____ _____ after a _____ time period?

Is _____ _____ that _____ design of the system _____ historical _____ _____?

Does your _____ _____ access _____ old _____ by _____?

_____ _____ system blocking _____ _____ with _____ design?

Can the system's _____ accommodate _____ _____ beyond a _____ _____ _____?

_____ _____ _____ _____ retrieving past _____ under the system's setup

Is _____ possible to retrieve _____ _____ beyond _____ certain period _____ _____ _____ setup?

Are you _____ by system _____ _____ _____ _____ access to historical _____?

_____ your _____ restrict access _____ _____ _____ beyond the _____ frame?

Do you _____ _____ access for _____ _____ _____ _____ time period?

_____ your _____ have _____ _____ how long you _____ access _____ transactions?

_____ it something that _____ _____ _____ from checking historical _____ past the _____ _____?

I _____ _____ question _____ _____ - can I _____ _____ past _____ time _____ you have _____ place?

_____ the _____ _____ _____ restrict me _____ viewing past transactions?

_____ _____ any _____ _____ _____ historical transactions beyond _____ _____ frame by your system?

Is your system designed _____ _____ it difficult _____ look _____ _____ transactions that _____ _____ recorded _____ _____ past?

Do you make _____ _____ _____ access transaction records _____ _____ _____ limit?

_____ your system _____ _____ _____ it difficult _____ _____ transactions _____ you _____ _____ in the past?

Are _____ _____ designed to _____ me from seeing _____ _____ _____?

_____ _____ possible that _____ _____ restrictions historical _____ access?

It's _____ _____ a _____ _____ restricts historical _____ access.

I want to _____ if _____ system _____ _____ _____ _____ transactions.

Does your system _____ _____ _____ retrieve past transactions _____ _____ specific _____?

_____ it possible that the _____ design _____ _____ _____?

Is _____ _____ _____ to make it _____ to _____ at transactions _____ the _____?

Can _____ system's design _____ historical _____ _____ _____ _____ a certain time _____?

Does the _____ _____ _____ systems _____ you _____ _____ _____ transactions _____ _____ window set for them?

_____ you _____ _____ limit on retrieving _____ beyond _____ _____ time period?

Is _____ possible that _____ _____ _____ historical transaction _____?

Does your _____ limit the _____ _____ _____ _____ _____ _____ beyond _____ certain time period?

Do _____ _____ _____ _____ checking out _____ deals _____ a particular time _____?

Does _____ system _____ any restrictions _____ when you _____ _____ _____ transactions?

_____ your _____ _____ it _____ _____ you to see _____ in _____ past?

Are _____ any restrictions on _____ to _____ transactions beyond _____ _____ _____ on _____ _____?

_____ your _____ limit _____ _____ past transactions?

_____ design _____ limit _____ _____ access.

I have _____ _____ _____ you, _____ _____ _____ _____ past _____ _____ you have put in place?

The system design _____ _____ _____ _____ past _____.

_____ _____ system's _____ _____ historical _____ that are beyond _____ _____ time period?

_____ _____ _____ _____ access to check historical deals past _____ specific _____?

_____ your _____ _____ to _____ it _____ to _____ at _____ _____ have _____ recorded in the past?

Can it _____ _____ _____ design _____ historical transaction _____?

_____ _____ system design restricted access _____ _____ _____?

Are you limited _____ system _____ if _____ _____ _____ _____ historical transactions _____?

_____ _____ if _____ design of the system restricts _____ to _____ _____.

_____ _____ setup have _____ _____ _____ _____ transactions beyond _____ certain time period?

_____ your _____ make it difficult to look _____ transactions _____ _____ _____?

_____ possible the _____ _____ _____ historical transaction _____.

Does _____ system make _____ hard to see the _____ _____ recorded _____ _____ _____?

Is it _____ _____ the system _____ restricts _____ _____?

_____ access _____ _____ _____ restricted by your system's _____?

I _____ like _____ know if historical transactions _____ _____ _____ you _____ the _____ _____.

I want _____ know _____ _____ restrictions on accessing historical _____ _____ _____ in the _____ _____.

_____ there _____ _____ on _____ historical _____ can be accessed by _____ _____?

Does _____ system have limitations _____ _____ _____

Does _____ _____ put restrictions _____ older _____?

_____ _____ system's design accommodate historical transactions that go _____ _____ _____ _____ of _____?

____ ____ system allow for retrieving ____ transactions ____ ____ certain ____?

The system ____ ____ limit ____ out ____ ____ records

____ it possible ____ the design ____ the ____ ____ ____ access?

____ your system ____ ____ block ____ ____ viewing the past ____?

Is ____ possible to retrieve transactions ____ ____ certain period ____ ____ ____?

Can ____ ____ ____ accommodate historical ____ ____ ____ beyond a defined ____ period?

____ ____ system's ____ accommodate ____ ____ ____ ____ past a specific time frame?

Does ____ system prevent you from ____ historical ____ ____ ____ ____ frame?

____ ____ system have ____ limits ____ ____ long ____ can use ____ transactions?

Do you ____ ____ ____ ____ ____ deals beyond ____ specific period?

Is ____ system's design ____ ____ ____ ____ transactions beyond a ____ ____ of time?

____ you restrict ____ to transaction ____ ____ ____ ____ time limit?

____ ____ limited by system design when ____ ____ to access ____ ____?

Does ____ ____ design ____ accessing historical transactions beyond ____ ____ time ____?

____ it possible that ____ ____ ____ transaction ____?

____ ____ ____ designed ____ ____ ____ unable to see transactions in the ____?

I want to know ____ ____ ____ design ____ restrictions ____ ____ ____ transactions.

I want to ____ if the ____ ____ access to ____ ____ ____ ____.

____ your ____ design ____ past transactions ____ are beyond ____ ____ ____ of time?

There are some ____ on the ____ ____ ____ transactions ____ ____ access by ____ ____.

____ it possible for your ____ ____ restrict ____ ____ ____ ____ past a ____ time frame?

I ____ to ____ if ____ system's design ____ historical ____.

Can the system's ____ accommodate ____ transactions that ____ ____ ____ ____ ____ frame?

Is ____ possible ____ you prevent me ____ checking ____ ____ ____ any ____ ____ period?

I ____ to know if ____ to ____ transactions ____ ____ by your ____ ____.

____ the ____ restrict ____ to ____ transactions?

____ ____ ____ ____ know if ____ system's design ____ access to ____ transactions.

Do you ____ my ____ to ____ ____ ____ beyond ____ specific ____ of time?

____ ____ transactions limited ____ system ____?

____ system ____ ____ reaching ____ ____ older records?

Do ____ ____ systems ____ make me ____ ____ ____ ____ see past transactions?

Does ____ ____ ____ any limitations ____ ____ previous transactions?

Does the ____ ____ limit ____ ____ into older ____?

____ want to ____ if the ____ design ____ access ____ historical ____.

____ ____ ____ designed ____ make it hard ____ look ____ the transactions ____ a long ____ of ____?

Does ____ system ____ restrictions on accessing ____ transactions ____ a ____ ____?

____ ____ limit my ____ ____ check ____ ____ beyond a certain period?

____ you ____ by system ____ if ____ want to ____ past ____?

____ ____ possible ____ ____ systems ____ ____ to ____ me from seeing past transactions?

I ____ ____ ____ if the ____ design ____ access to historical ____

____ you restrict access ____ transaction ____ ____ ____ specific ____ limit?

Can ____ transactions ____ beyond ____ preset window within ____ ____ ____ ____ system?

Are ____ systems ____ ____ prevent me from seeing ____ ____?

____ your ____ ____ how ____ ____ can access historical transactions?

____ you have limitations on ____ transactions ____ a ____ ____?

There ____ a possibility that ____ design ____ ____ ____ access.

Are ____ any limits ____ the amount of ____ transactions ____ can ____ ____ ____ ____?

Does ____ system block ____ ____ ____ ____ in any way?

____ you place barriers ____ ____ ____ records ____ a ____ time limit?

____ want to know if ____ are ____ restrictions ____ ____ ____ your ____.

____ ____ to know if the ____ of ____ system ____ ____ on access to ____ ____.

____ your system structured in ____ ____ way ____ historical ____ ____ be accessed beyond ____ ____?

Can ____ limit access to transaction ____ ____ ____ time ____?

____ ____ ____ ____ if ____ design of ____ system ____ any restrictions ____ accessing historical transactions.

Are ____ ____ by ____ design ____ ____ ____ ____ ____ a certain period of time?

Does your ____ make ____ ____ older ____?

____ want ____ know ____ your system's design ____ access to ____ ____.

____ ____ ____ structured in such ____ way that historical transactions ____ ____ ____ ____ certain times?

Do you restrict ____ ____ to ____ deals beyond ____ ____ period ____ ____?

Does ____ ____ ____ your system allow access to ____ ____ beyond ____ ____ ____ frame?

____ ____ system ____ in ____ ____ that ____ ____ access historical transactions beyond ____ hours?

____ it possible ____ a ____ ____ restricts ____ transaction access?

____ ____ system designed ____ make ____ hard ____ ____ to look at your ____ in ____ ____?

Does ____ system impose limits ____ ____ ____?

Your ____ ____ block ____ to old ____.

Do ____ prevent ____ ____ ____ out any historical ____ after ____ certain ____ of ____?

____ ____ ____ design ____ access to ____ transactions beyond the ____ frame?

Do you limit ____ ____ ____ ____ deals past ____ specific ____ period?

Do ____ ____ transaction records from being ____ beyond ____ ____ ____?

I ____ ____ know if you ____ ____ ____ access ____ historical transactions in ____ ____.

Are your ____ designed ____ make ____ difficult for ____ ____ see ____ ____?

____ ____ to ____ ____ ____ system design restricts access ____ ____ transactions on you.

____ ____ limit ____ ____ to historical ____ beyond ____ particular time period?

____ it ____ that the system ____ reduces ____ transaction ____?

____ ____ access restricted by ____ ____?

Is ____ system structured in such ____ way ____ ____ transactions cannot ____ ____ ____ ____ times?

____ the system ____ limits ____ ____ transactions?

Does your ____ ____ ____ from looking ____ ____ transactions?

____ ____ system impose ____ ____ on historical ____ beyond a ____ time ____?

Do ____ have ____ ____ on ____ ____ can retrieve ____ in ____ system?

____ the system ____ ____ ____ out ____ older records?

I want to know if ____ system's ____ ____ ____ ____ ____ access ____ historical ____.

____ you ____ me from ____ ____ deals beyond ____ specific ____ period?

Does ____ ____ design ____ access ____ historical ____ beyond a specific ____ ____?

Is ____ ____ ____ able ____ accommodate historical ____ that are ____ a ____ time ____?

____ ____ systems ____ to prevent me from ____ ____ transactions?

Systems ____ may restrict ____ ____ ____.

____ there a restriction ____ ____ historical ____ beyond a ____ time frame ____ ____ ____?

Does ____ system ____ it ____ ____ ____ ____ transactions that ____ ____ in the past?

____ ____ ____ to ____ if your system is ____ ____ restrict me ____ ____ past transactions.

____ ____ setup ____ any limitations on retrieving transactions ____ ____ certain ____?

____ the ____ blocking old ____ in ____ intentional or ____ ____?

Can ____ system's design accommodate ____ transactions ____ ____ ____ ____ ____ time frame?

____ it ____ ____ prevent ____ ____ checking historical ____ past the specific time ____?

I would ____ ____ know ____ there ____ ____ ____ on historical ____ by ____ system.

____ there ____ ____ on ____ past transactions from ____ system?

Is it ____ ____ see historical transactions ____ ____ preset ____ within ____ ____ of ____ system?

Is the ____ designed ____ ____ ____ ____ ____ look at transactions ____ have ____ recorded in the ____?

Is ____ ____ ____ ____ make it ____ to ____ ____ transactions that have been ____ before?

Is your ____ structured in ____ ____ way that ____ to ____ ____ ____ limited?

The design ____ ____ ____ might limit ____ to ____ transactions.

____ you have ____ limitations ____ ____ transactions ____ a certain ____?

Does your system ____ ____ ____ viewing ____ ____?

____ ____ ____ know if any restrictions on ____ transactions are ____ ____ ____ system's ____.

____ ____ any ____ ____ accessing older ____ in your system?

____ ____ prevent ____ from ____ ____ any historical ____ past a ____ time period?

Do ____ have any limitations on ____ ____ ____ a ____ time ____ ____ your ____?

Is your ____ ____ how ____ can ____ ____ transactions?

____ your system's design restrict ____ ____ ____ transactions ____ the ____ frame?

____ your system ____ ____ block ____ ____ looking at ____ transactions?

Is it possible ____ ____ ____ restricts ____ historical ____ access?

Does ____ ____ design limit ____ reaching of ____ ____?

____ your ____ have ____ limits on ____ long you ____ ____ ____ transactions?

____ want ____ ____ ____ the ____ ____ ____ system has restrictions on historical transactions.

Do ____ ____ ____ on ____ transactions beyond a set ____ ____?

____ ____ ____ ____ ____ ____ ____ checking historical deals past a specific period?

____ you keep ____ ____ ____ ____ accessed beyond a certain ____ limit?

____ ____ system designed to make ____ ____ ____ ____ to look at transactions ____ a ____ ____?

____ it your system that ____ ____ to ____ ____?

Do ____ have ____ that prevent ____ ____ accessing transaction records ____ ____ ____ ____ limit?

____ your system impose ____ ____ ____ how ____ you ____ ____ historical transactions?

____ ____ ____ ____ ____ access to older transactions by design?

____ your system's ____ accommodate historical ____ that are ____ ____ ____ point?

____ would like ____ know if ____ ____ restricts ____ ____ ____ past transactions.

I would like ____ ____ ____ ____ ____ ____ me from viewing previous ____.

____ your system restrict ____ to ____ ____.

____ ____ ____ ____ old transactions ____ a way?

____ ____ ____ know ____ the design of the ____ restricts ____ to historical ____.

I want to ____ ____ ____ on ____ ____ transactions ____ ____ on you ____ the system.

____ your system ____ to make ____ ____ ____ see transactions in ____ ____?

Can ____ be limits ____ accessing old ____ ____ set ____?

Is ____ ____ ____ ____ retrieving transactions beyond ____ certain time period ____ ____ system?

I ____ to know ____ ____ ____ restrictions on accessing ____ ____ ____ by ____ system design.

____ ____ system's ____ ____ historical transactions beyond ____ ____ time period?

Does your system ____ ____ ____ retrieving transactions ____ ____ certain ____?

Do you have ____ ____ ____ transactions beyond ____ certain ____?

____ ____ ____ make past ____ ____ to view?

Can ____ ____ ____ accommodate historical transactions ____ ____ specific ____ frame?

____ ____ have limitations on ____ ____ ____ transactions ____ your system?

____ ____ system ____ any ____ on how ____ ____ can access ____ transactions.

Do ____ limit my ____ to ____ deals ____ a ____ time ____?

Do you ____ ____ restrictions on ____ to ____ ____ ____ your system?

____ your system ____ ____ ____ that ____ ____ access historical transactions?

Can there be limits ____ checking historical ____ ____ ____ ____ ____?

____ ____ have a time-frame limitation ____ ____ ____ transactions?

____ there ____ on ____ ____ transactions in your ____?

____ it ____ to retrieve transactions beyond a certain ____ ____ ____ ____ ____?

Is ____ ____ blocking old ____ ____ design or ____?

____ ____ ____ designed to make ____ difficult to look at ____ ____ recorded ____?

____ ____ ____ stop ____ transactions from ____ accessed?

_____ _____ _____ make it hard _____ look back at _____?

Is your system designed _____ make _____ _____ to _____ _____ _____ _____ in _____ past?

Do you _____ me _____ _____ historical deals _____ a _____?

Do you _____ _____ restrictions _____ retrieving _____ _____ a _____ period?

Does your _____ _____ the length of time _____ _____ _____ historical _____?

Do _____ _____ setup allow _____ _____ _____ transactions _____ a certain period?

I _____ _____ question for _____ _____ I _____ _____ _____ _____ the time frame you have in _____?

Do your systems have _____ restrictions _____ _____ _____ you _____ _____ historical _____?

_____ you _____ barriers in _____ to _____ transaction _____ beyond a _____ _____?

_____ it possible that your _____ _____ _____ hard _____ view previous _____?
