[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Electronics and Technology Retailers
Inquiry Category	Warranty and product support inquiries
Inquiry Sub-Category	Product compatibility inquiries
Description	Addressing questions regarding product compatibility with specific devices or systems, ensuring customers purchase products that seamlessly integrate with their existing setup. Providing guidance and recommendations on suitable options.
Data Size	5,185 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)

____ this ____ be ____ ____ Linux ____ systems?

____ keyboard will ____ be recognized ____ ____.

It is unclear ____ ____ ____ ____ accepted by Linux ____ ____.

____ Linux ____ ____ is a ____?

____ is ____ if the ____ operating ____ ____ accept ____ keyboard.

____ ____ ____ ____ ____ identify by a Linux system?
