[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Customization and product configuration requests
Inquiry Sub-Category	Customization options
Description	Customers inquiring about the different customization options available for telecommunications equipment, such as color, branding, or software modifications.
Data Size	5,196 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

What are _____ available customization choices _____ telecom devices, aside _____ _____ _____ _____ _____?

_____ there any _____ for _____ _____ beyond color _____ _____ changes?

Is _____ any _____ option _____ telecom devices _____ _____ _____ and _____ improvements included in _____ _____?

_____ _____ _____ available _____ telecom devices besides _____ and software _____?

_____ it possible to _____ _____ telecom _____ beyond _____ and _____.

What _____ _____ _____ exist _____ telecommunications _____ that go beyond _____ altering their _____?

What _____ _____ _____ available for _____ products that _____ beyond _____ altering _____ appearance?

_____ there any _____ of _____ _____ telecom devices _____ color _____ _____ changes?

Can you tell _____ the _____ _____ _____ options for telecom devices _____ _____ _____ and _____ _____?

_____ there anything _____ _____ color and software updates _____ _____ telecom _____?

Along _____ _____ _____ software changes, what _____ options _____ _____ for telecom _____?

Is there any _____ _____ _____ _____ _____ beyond color and _____ changes?

_____ _____ _____ other _____ _____ color and software updates _____ the telecom _____ available to _____?

Do you _____ if there are _____ _____ _____ _____ devices beyond _____ _____ software _____?

Changing _____ color _____ _____ _____ software isn't the _____ _____ for _____ equipment customization.

_____ are _____ _____ for telecom devices other _____ _____ _____ software.

_____ _____ colors and software are _____ the only _____ _____ _____ _____ devices.

Can _____ tell me about _____ options _____ _____ _____ _____ _____ _____ and software alterations?

Can _____ _____ _____ _____ the _____ for telecom devices, not _____ _____ variations and _____ changes?

_____ _____ tell _____ _____ the range _____ telecom device _____ options _____ _____ color and software _____?

Changing _____ and tweaking software _____ _____ only ways _____ modify _____ _____.

Do _____ know what telecom equipment _____ _____ are beyond _____ _____ _____?

Is there any _____ _____ for _____ _____ _____ color _____ software changes?

Is there _____ other _____ _____ _____ colors and software _____ included _____ _____ _____ _____ can be used for _____ devices?

There are _____ for modifying _____ devices _____ _____ the coloring _____ _____.

Tailoring can _____ done _____ _____ gadgets apart from _____ _____ _____ programming.

_____ choices are _____ for _____ devices _____ _____ and _____ adjustments?

_____ you suggest _____ other than _____ _____ software changes _____ _____ gadgets?

____ ____ ____ other ways to personalize ____ telecom ____?

Outside ____ ____ or programs, what other ____ ____ ____ personalize my ____ ____?

____ can ____ done to modify ____ ____ ____ from ____ ____ or programming?

____ for ____ telecom gizmos, ____ color ____ software ____ whatcha ____?

____ there any way ____ tailor telecom ____ ____ ____ ____ coloring ____ software?

____ there other ____ to personalize ____ ____ ____?

Changing color schemes and tweaking ____ ____ ____ ____ ____ ____ for modifying telecommunication ____.

____ ____ more ways to ____ telecom devices than ____ ____ ____.

Besides ____ ____ ____ ____ can be done with ____ devices?

____ ____ options ____ ____ devices, aside ____ color ____ software modifications.

What ____ options ____ ____ use ____ personalize my telecom ____?

____ ____ ways are ____ ____ personalize ____ devices?

____ ____ possibilities ____ for ____ products ____ go more than just ____ their ____?

Whatcha got ____ ____ ____ ____ telecom gizmos beyond color ____ software ____?

Are there ____ ____ ____ ____ beyond ____ and apps?

____ ____ be done to ____ telecom devices other ____ ____ ____ ____ ____ and software?

____ ____ any extra ____ ____ telecom ____ beyond the ____ and ____ changes?

____ there any ____ to modify ____ devices besides ____ ____ ____?

What ____ ____ ____ by telecommunications device manufacturers that aren't ____ ____ with ____ ____ altering ____ installed ____?

____ can be done ____ personalize the phones ____ ____ ____ ____ colors and ____?

Is there any other choices ____ telecom ____ ____ ____ colors and ____ improvements ____ ____ ____ ____?

Can ____ discuss telecom ____ ____ beyond ____ ____ apps?

____ ____ software changes ____ not the ____ options ____ telecom ____.

Do ____ ____ any other options ____ telecom equipment ____ ____ the ____ or modifying ____ ____?

Is ____ ____ ____ to personalize ____ devices beyond ____ software ____ coloring?

Is there more than ____ color ____ software ____ ____ the ____ ____?

Is ____ ____ ____ choice for ____ ____ beyond color and ____?

____ there ____ available ____ beyond the ____ ____ ____ ____ for telecom devices?

____ for the ____ gizmos, ____ ____ ____ software junk?

____ are other ways ____ ____ telecommunications ____?

customizations for ____ ____ ____ ____ and software junk: whatcha ____?

Can ____ ____ me if there are ____ options ____ ____ ____ beyond the ____ and software improvements ____ ____?

____ from ____ ____ ____ its ____ and software, ____ ____ modifications ____ be ____ to telecom devices?

____ other ____ are ____ for telecom ____ ____ color ____ software changes?

Do you ____ ____ options other ____ altering ____ color or modifying ____ ____ for ____ ____?

____ it possible ____ make my telecom ____ fancy ____ ____ ____ colors ____ software?

Do you ____ any other ____ ____ ____ the color ____ ____ ____ telecom equipment?

____ ____ ____ ____ ____ for telecom devices other than the ____ and ____ changes?

____ can ____ done ____ personalize telecom ____ beyond ____ ____ ____ software changes?

____ altering the color ____ ____ what else do ____ ____ ____?

____ ____ ____ ____ ____ on ____ customization options ____ telecom devices other ____ color and ____ modifications?

Is there ____ ____ for ____ ____ beyond the ____ and software ____?

Changing colors and ____ ____ aren't ____ ____ ____ ____ can be done to modify ____ ____.

Is ____ ____ other ____ ____ ____ telecom devices beyond color ____ software ____?

____ ____ any other options ____ telecom devices besides the ____ and ____ ____ ____ are ____ ____ ____ the device?

What do ____ ____ offer ____ ____ ____ color and software?

____ there ____ ____ offered besides ____ ____ ____ ____ changes for telecom gear?

____ you ____ ____ telecom ____ customization beyond looks and ____?

Outside of color ____ ____ ____ ____ other ____ are there ____ telecom ____?

____ there ____ other ____ to modify ____ ____ ____ tweaking the coloring and ____?

Is _____ any _____ _____ for telecom _____ _____ the colors _____ software _____ _____ _____ the device?

_____ are available _____ _____ _____ gizmos _____ _____ and software junk.

_____ _____ the _____ for telecom devices _____ color and _____?

Changing colors _____ modifying _____ is not _____ _____ _____ to _____ _____ devices.

Can you give _____ _____ _____ the choices for _____ _____ that _____ related _____ _____ _____ programs?

Is it possible _____ _____ my telecom _____ _____ _____ and _____?

Can _____ do _____ _____ _____ and software _____ my _____ device?

customization _____ for _____ devices beyond the _____ _____ software _____.

_____ are the alternatives _____ _____ telecom devices besides _____ _____ _____ or _____?

_____ you talk about _____ equipment options beyond _____ _____ _____?

Is _____ possible to highlight the _____ _____ _____ telecommunications _____ besides _____ _____ _____ or software?

What _____ the customization options for _____ _____ after _____ _____ software _____?

Can _____ give _____ about the options _____ _____ _____ _____ are _____ related to _____ _____ programs?

Is there any _____ _____ _____ my _____ device beyond _____ and _____?

_____ you know the range of customization options _____ _____ _____ _____ _____ _____ _____ software modifications?

Is there any different _____ _____ telecom devices beyond _____ _____ _____ software _____ _____ included in _____ _____?

_____ _____ any customization _____ for _____ _____ that do not change _____ _____ software?

What _____ alternatives _____ available _____ _____ _____ devices?

Is it possible _____ _____ the _____ _____ _____ _____ _____ _____ just changing the color or _____?

_____ _____ _____ _____ be done to personalize _____ telecom devices?

Is there _____ _____ _____ modify _____ _____ beyond the _____ _____ software improvements _____ included?

_____ _____ these _____ _____ beyond _____ and software junk!

Is it possible _____ _____ my telecom device outside _____ _____ _____ _____?

Changing the _____ or the _____ isn't _____ _____ ways _____ _____ _____ products.

_____ there _____ _____ to _____ _____ gadgets other than colors/software?

_____ _____ _____ telecommunications equipment besides _____ their color _____ software?

_____ there _____ _____ customizations offered for _____ gear _____ _____ just colors _____ _____ alterations?

_____ _____ give _____ description of the choices for _____ tools that _____ _____ _____ _____ or _____?

Excluding software _____ and color variations, what _____ _____ features _____ _____ _____ _____ devices?

What _____ _____ _____ with _____ gadgets other than their hue _____ _____?

_____ addition to _____ _____ _____ else can be _____ with the _____?

_____ other ways are there _____ _____ _____ _____ be tailored?

There _____ color and software modifications _____ what are _____ _____ _____ _____ telecom _____?

_____ _____ _____ _____ able _____ _____ tailored beyond color and software?

We need alternatives besides _____ _____ _____ or _____ _____ telecom _____.

Along _____ _____ _____ to _____ color _____ software, _____ additional modifications can _____ made to _____ _____?

_____ _____ _____ to _____ anything besides the _____ and color changes _____ _____ _____ gizmos?

Besides altering _____ _____ and _____ _____ _____ _____ do telecom devices offer?

What choices are _____ _____ telecom devices besides _____ _____ _____?

_____ you provide _____ about the _____ for _____ _____ _____ are _____ related to _____ _____ programs?

_____ _____ color _____ _____ changes, but what _____ the _____ _____ for telecom devices?

_____ anything besides _____ and _____ changes be _____ _____ _____ telecom gizmos?

Changing _____ and _____ software _____ the _____ options to personalize _____ _____.

_____ you _____ telecom devices _____ _____ the color _____ software _____?

_____ are _____ _____ for telecom _____ beyond the _____ and software _____ _____ are _____?

_____ there any other _____ _____ _____ and software updates available _____ _____ telecom _____?

What _____ things can be done _____ _____ _____ _____ changing _____?

What _____ the other options _____ _____ and software _____ _____ _____?

_____ _____ alternatives _____ changing the _____ or software of _____ _____?

Beyond _____ _____ software _____ what are the other _____ _____ telecom _____?

Which _____ options _____ _____ besides _____ and software adjustments _____ _____ devices?

_____ to _____ color _____ _____ _____ not the only _____ telecom devices can _____.

_____ you give us _____ _____ the range _____ options for _____ _____ other _____ color and _____ _____?

Are _____ _____ other _____ for telecom equipment _____ _____ _____ color _____ changing the _____?

What _____ things _____ _____ done with _____ _____ apart from _____ _____ _____ altered programming?

_____ _____ make my telecom device special, not _____ with _____ _____ _____?

_____ are _____ _____ _____ telecom devices beyond color _____.

What _____ can _____ made _____ _____ _____ that _____ _____ to the color and _____?

Is there any extra _____ for _____ _____ _____ color and _____ _____?

_____ color and _____ changes, _____ else _____ _____ devices have?

Changing _____ _____ or modifying the _____ _____ the _____ options _____ telecom _____.

Can there be _____ _____ _____ telecom devices _____ _____ and software _____?

_____ there another _____ to modify _____ _____ besides the _____ _____ software?

Is _____ any _____ choices _____ color and software changes _____ _____ _____?

_____ are _____ options for telecom _____ apart from _____ and _____ _____.

Is _____ _____ to highlight some _____ the _____ _____ _____ _____ besides changing _____ _____ or software?

_____ color _____ _____ tweaking _____ software _____ the _____ options available to _____ telecommunication _____.

Beyond color and _____ changes, _____ _____ _____ there _____ telecom _____?

Changing colors and modifying _____ _____ _____ _____ _____ _____ for modifying telecom _____.

Is _____ a _____ _____ customization options for telecom _____ that _____ _____ _____ software _____?

_____ _____ _____ _____ beyond _____ colors and software changes for _____ devices?

_____ there any _____ _____ to _____ telecom devices _____ _____ color or _____?

In _____ _____ _____ color and _____ _____ _____ else _____ _____ modify on telecom devices?

_____ are _____ _____ _____ I _____ personalize telecom devices?

_____ _____ _____ _____ _____ _____ _____ other than color and software modifications for _____ devices?

What alternatives _____ _____ found _____ modify _____ color _____ _____ software of _____ appliances?

Is _____ _____ _____ personalize telecom devices _____ _____ colors _____ software _____ already _____ in the _____?

Is there _____ way _____ _____ telecom _____ _____ just _____ the coloring?

customizations for _____ telecom _____ beyond _____ and _____ _____.

What _____ _____ are offered for telecom _____ _____ color _____ _____ adjustments?

Along _____ altering _____ _____ _____ _____ _____ else are available for _____ devices?

_____ there any type of customization for _____ _____ _____ _____ _____ software _____?

_____ in software _____ color _____ not _____ _____ _____ for customizing _____ gadgets.

Is _____ any other _____ _____ _____ _____ _____ beyond just tweaking the coloring _____ _____?

_____ there _____ options besides color and software _____ _____ _____ _____?

Modification _____ _____ color or _____ is not the _____ ways _____ _____ _____ devices.

What _____ the options _____ _____ devices other than _____ _____ _____ changes?

_____ from _____ _____ schemes and _____ the software, _____ _____ options exist to _____ telecommunication _____?

_____ it possible _____ _____ _____ _____ my telecom device beyond color _____ _____?

Apart _____ color and _____ changes, what _____ _____ _____ _____ _____ telecom devices?

_____ _____ anything _____ besides _____ and _____ updates available for the _____ _____?

_____ _____ _____ _____ options for _____ devices _____ _____ limited to _____ and software modifications.

_____ _____ other _____ to modify telecom _____ _____ color and _____.

There are _____ _____ telecom _____ beyond _____ _____ and _____ improvements that are _____ included _____ the _____.

_____ you _____ information about the choices for _____ _____ that _____ not _____ _____ _____ color _____ programs?

How _____ _____ modify telecom devices other _____ _____ their color _____ _____?

_____ alternatives _____ for _____ telecommunication _____ besides changing color schemes _____ _____ _____?

_____ _____ color _____ software _____ what _____ _____ _____ do with telecom devices?

_____ there any _____ _____ telecom devices _____ _____ the _____ _____ software changes?

What _____ the options _____ telecom devices _____ _____ color _____ _____ changes?

Is _____ _____ additional _____ _____ telecom gear other _____ colors _____ _____ alterations?

Which _____ options _____ _____ _____ devices beyond color _____ software _____?

What other _____ _____ there _____ personalize _____ _____?

_____ choices _____ there _____ telecom _____ beyond _____ and _____ changes?

_____ you give details about the _____ for telecom _____ that _____ _____ _____ _____ or _____?

_____ _____ _____ ways _____ _____ personalize my telecom device?

Is _____ _____ way to _____ telecommunications equipment _____ _____ _____ color?

_____ _____ and software _____ what else _____ _____ make _____ telecom devices?

_____ _____ _____ telecom _____ other than colors/software?

_____ _____ curious _____ _____ customizations available for _____ _____ _____ color variations _____ software modifications.

_____ there _____ _____ for telecom _____ _____ than _____ _____ and software changes?

_____ _____ provide _____ _____ _____ _____ _____ telecom tools that are not _____ to color or _____?

_____ you _____ us _____ about _____ options _____ telecom tools that aren't _____ _____ _____ _____ programs?

I want to know if there are _____ _____ _____ _____ _____ _____ _____ than color _____ software _____.

_____ there any additional features for _____ _____ _____ are not software _____ _____ _____ _____?

_____ there _____ _____ for telecom _____ other _____ the colors _____ software _____ _____ included _____ the device?

Is _____ any _____ for _____ _____ _____ color and software?

Do _____ give other _____ _____ altering the _____ _____ modifying the _____ _____ telecom _____?
