[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	VoIP (Voice over IP) compatibility and setup
Inquiry Sub-Category	VoIP call quality issues
Description	Customers report poor call quality during VoIP calls, seeking troubleshooting assistance to identify and resolve the underlying causes, such as network congestion, packet loss, or low bandwidth.
Data Size	5,102 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

What steps _____ I take to _____ _____ _____ that is _____ _____ _____ _____ my _____ conversations?

Is _____ _____ _____ change the _____ bandwidth _____ causes my VoIP quality to be _____ _____ _____ should _____.

_____ you _____ _____ to address _____ speeds _____ could lead _____ _____ chats?

_____ _____ think I _____ address the low _____ _____ _____ calls _____ to make?

Do you _____ _____ _____ _____ the low _____ that _____ _____ hard to make _____ calls?

_____ to fix _____ _____ _____ is hurting my _____ over internet _____

_____ are _____ to change _____ poor bandwidth _____ _____ my _____ _____ to decline.

Can _____ _____ _____ about addressing low speeds _____ _____ lead _____ unclear _____?

_____ can _____ improve _____ _____ _____ _____ I can hear people _____ calls?

_____ that _____ _____ clear in my _____ what should I do _____ improve _____ _____ _____?

_____ _____ the _____ bandwidth affecting clear _____ _____ fixed?

_____ you suggest ways _____ address _____ speeds leading _____ _____ _____?

How do _____ _____ poor _____ _____ _____ calls?

_____ you _____ how you could help _____ _____ _____ low speeds _____ can _____ to unclear _____ over _____ protocol _____?

What _____ I do _____ _____ _____ bandwidth that impacts _____ _____ _____ my calls?

_____ _____ fix the bandwidth that _____ harming _____ _____ over _____ protocol.

_____ _____ help improving low bandwidth _____ _____ _____ affecting _____ clear calls.

_____ _____ fix the _____ that is _____ _____ my _____ of _____ _____ Internet Protocol.

I _____ _____ with _____ speeds that _____ to unclear _____ _____.

I'm _____ sure _____ to do about _____ _____ _____ _____ causes _____ voice quality to _____ less _____ _____ should be.

How can I _____ _____ poor voice over _____ _____ _____?

Suggestions to fix the _____ _____ is adversely _____ my _____ _____ _____ _____ InternetProtocol.
