[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Security features
Description	Customers seek details about the security measures implemented in the telecommunications equipment to protect against unauthorized access and data breaches.
Data Size	5,547 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ ____ ____ Telecommunications ____ Manufacturers implement to ____ ____ network intrusions?

Do the ____ of ____ ____ have ____ against ____ breeches?

Protections against ____ ____ ____ employed ____ ____ manufacturers.

____ ____ ____ take ____ ____ prevent ____ access to their networks.

Telecommunications ____ ____ ____ to ensure protection ____ unauthorized ____ intrusions.

Do ____ ____ exist ____ Telecommunication ____ Firms?

Telecommunication ____ ____ ____ precautions ____ illegal network ____.

How ____ telecom ____ ____ keep ____ ____ free from intrusions?

What ____ ____ manufacturers ____ ____ prevent unauthorized ____ incursions?

____ ____ are ____ ____ the ____ equipment makers.

Telecom ____ ____ ____ you ____ hackers from ruining our ____?

What are ____ measures Telecommunications ____ use ____ stop ____ ____.

What is the Telecommunications ____ ____ ____ to ____ ____ network ____?

Do ____ ____ ____ defend against network ____?

____ are ____ doing to stop ____ ____?

____ telecommunications manufacturers ____ safeguards against ____ ____.

What do ____ ____ makers do ____ ____ illegitimate ____?

____ ____ equipment ____ keep their ____ ____ of intrusions?

Do ____ equipment ____ have procedures ____ place for ____ ____?

What do ____ manufacturers ____ to keep ____ ____ ____?

Discuss ____ ____ ____ producers ____ networks.

____ are ____ equipment ____ ____ against intrusions?

Telecom ____ how ____ ____ ____ ____ keep those hackers away ____ ____ networks?

____ ____ are ____ ____ telco gear makers ____ ____ illegitimate insurgencies?

Is ____ possible ____ telecom ____ ____ ____ ____ against illegal network intrusions?

Telecom ____ how do ____ ____ hackers out ____ ____ networks?

____ measures have been ____ in ____ at ____ equipment ____.

____ ____ telecom manufacturers prevent ____ ____?

What _____ _____ measures _____ Makers _____ to prevent _____ activity?

Can you _____ _____ _____ the security precautions _____ by _____ of _____ _____?

_____ _____ _____ _____ have security procedures _____ place.

_____ _____ _____ _____ steps _____ telecom equipment _____ take against cyber threats.

_____ tech _____ _____ to _____ system penetrations?

_____ Makers, how _____ you keep those _____ from _____ _____ our _____?

_____ provide _____ description of the _____ taken by _____ _____ _____ Manufacturers _____ _____ _____ breeches of networks.

What _____ telecom _____ _____ _____ _____ stop network breeches?

_____ _____ _____ _____ by telecommunications hardware makers against _____ incursions.

Telecommunications _____ _____ use _____ to _____ _____ hacking.

_____ measures _____ _____ contraptions _____ to keep _____ hackers _____ of my _____?

What _____ steps _____ _____ manufacturers _____.

How _____ the manufacturers _____ telecom equipment _____ _____ _____?

Telecom _____ _____ _____ unauthorized _____ to networks.

_____ _____ for preventing unauthorized _____ _____ have _____ deployed by organizations producing _____ _____.

Telecommunications _____ _____ _____ their networks _____.

_____ are the steps telecom equipment _____ _____ taking _____ _____ network _____?

_____ taken by _____ gear _____ _____ limit hacking _____?

_____ _____ Telecommunications _____ Manufacturers do _____ keep _____ networks safe?

telecom equipment _____ make _____ network _____ are _____ _____

I _____ _____ in _____ about _____ _____ measures _____ by _____ manufacturers _____ telecommunication equipment.

_____ do Telecommunications _____ Manufacturers keep _____ _____ safe _____ unauthorized _____?

_____ does telecom equipment _____ _____ to prevent _____ _____?

_____ telecommunications _____ _____ safeguards against _____ intrusion?

_____ are the _____ the _____ Equipment _____ use _____ prevent _____ _____ intrusions?

Please explain the _____ taken by _____ Telecommunications _____ _____ _____ control _____ breach _____ _____.

_____ are the preventative _____ that _____ _____ manufacturers _____?

_____ do _____ _____ makers do to prevent illegal _____ _____?

Do telecom _____ _____ _____ _____ network breeches?

_____ want _____ know about security _____ taken _____ _____ _____ makers.

What _____ _____ manufacturers do _____ stop unauthorized _____ _____?

Did _____ hardware suppliers take any _____ _____ _____ _____ unauthorized individuals from _____ _____ _____?

_____ _____ how do you _____ hackers _____ messing with _____ _____?

telecom _____ makers have _____ _____ _____ place.

_____ telecommunications _____ _____ taken _____ specific actions to _____ unauthorized people _____ _____ their _____?

Telecommunications hardware _____ use _____ to _____ _____ _____ safe.

Telecom _____ _____ use security _____ _____ stop _____ access.

_____ hardware _____ _____ precautions in place to _____ network _____.

_____ _____ are being _____ by _____ gear makers _____ stop _____ incursions?

_____ _____ taken by phone _____ _____ to _____ hacking attempts.

Is there _____ _____ _____ telecommunications _____ suppliers _____ _____ _____ _____ unauthorized people from _____ their networks?

How _____ telecom _____ makers _____ unauthorized access _____ _____?

How do telecom _____ manufacturers prevent _____ _____ to _____ _____?

Telecommunications device _____ use _____ to _____ _____.

Telecommunications equipment producers _____ safeguards _____ place _____ _____ _____.

The measures _____ _____ _____ to prevent _____ _____.

_____ _____ _____ suppliers take specific actions to deter _____ people from _____ _____ _____?

How _____ telecom _____ _____ _____ network security?

Telecom _____ manufacturers _____ doing things to _____ _____ _____.

_____ the steps telecom _____ _____ _____ against _____ threats.

____ ____ know what ____ ____ ____ equipment makers take?

____ ____ manufacturers ____ ____ networks from unauthorized ____.

____ can ____ ____ ____ ____ network intrusion attempts?

____ do ____ ____ Manufacturers guard against ____ network ____?

____ ____ ____ ____ makers safeguard their networks?

____ ____ ____ try to stop ____ system ____?

____ tech ____ try ____ stop ____ ____ penetrations?

Security ____ are ____ at telecom ____ ____

____ are these ____ supposed ____ ____ unauthorized ____ incursions?

____ telecommunications hardware ____ ____ any steps to ____ unauthorized ____ ____ entering ____ networks?

What safeguards are put ____ place ____ ____ ____ network ____?

Telecom ____ Manufacturers have measures ____ ____ ____ block ____.

Do telecommunications ____ ____ have specific ____ they take to ____ ____ ____ from ____ their ____?

There ____ precautions that ____ ____ ____ ____ ____ illegal network incursions.

THe ____ that telecommunications ____ ____ ____ against network ____ are ____.

____ manufacturers have measures ____ place to ____ ____ ____.

What are ____ ____ Makers ____ ____ stop illegal ____?

Is it ____ ____ Telecommunications ____ Manufacturers ____ ____ protection ____ unauthorized ____ intrusions?

Do ____ hardware suppliers have ____ ____ actions ____ can ____ ____ ____ unauthorized individuals from entering ____ ____?

How are ____ ____ ____ ____ stop network ____?

Has the ____ hardware ____ taken ____ actions ____ ____ ____ ____ from entering their ____?

Telecommunication equipment ____ ____ ____ steps in place ____ ____.

Telecom equipment manufacturers have ____ ____ ____ ____ ____ hackers successfully.

Telecommunications ____ ____ ____ ____ network incursions.

____ ____ Telecom Equipment ____ ____ against ____ intrusions?

____ Telecommunication ____ Firms have ____ measures in ____ ____ hackers.

Are ____ security measures ____ ____ the manufacturers of ____ ____?

____ ____ Telecommunications Equipment Manufacturers do ____ ____ ____ networks safe?

____ preventative ____ ____ ____ ____ telecom equipment manufactures?

____ ____ ____ put in place ____ ____ equipment companies.

Do ____ have any information on ____ security ____ ____ ____ the ____ ____ ____ equipment?

The producers of ____ equipment ____ safeguards in ____ ____ ____ ____.

____ ____ Equipment Firms have ____ ____ in ____?

____ ____ steps ____ equipment manufacturers take ____ ____ themselves from ____ threats.

____ ____ telecom ____ manufacturers make ____ networks ____?

Have ____ ____ suppliers ____ any ____ to keep ____ out ____ their ____?

____ ____ ____ done ____ telecom equipment ____ to prevent network ____?

____ manufactures ____ ____ stop unpermitted system ____

____ ____ makers have ____ measures in ____ ____ ____ themselves against ____ access.

____ equipment ____ ____ ____ measures in place ____ hackers.

What ____ telecom equipment ____ doing ____ protect ____ ____?

Do telecommunication ____ have ____ ____ prevent ____ ____ attempts?

Which precautions are ____ ____ to ____ ____ network ____?

Discuss what ____ ____ telecom ____ manufactures ____.

How ____ telecom equipment ____ make ____ ____ network is ____?

____ ____ telecom ____ manufacturers able to protect ____ ____?

How ____ telecom ____ makers ____ their ____?

____ ____ ____ equipment ____ guard against ____ intrusions?

____ us how telecommunications device ____ ____ ____.

____ are ____ safeguards ____ ____ Manufacturers use to ____ unauthorized network ____?

_____ telecommunications manufacturers employ _____ against _____ _____?

_____ do the manufacturers _____ the _____ _____?

_____ do _____ _____ makers _____ _____ networks protected?

_____ _____ manufacturers _____ network compromises.

_____ _____ know what security _____ _____ put in place _____ _____ of telecommunication _____?

How are the _____ Equipment _____ _____ _____ unauthorized _____ intrusions?

THelecommunications manufacturers _____ _____ against _____ _____.

_____ _____ hardware suppliers taken _____ to _____ unauthorized individuals _____ _____ their _____?

_____ equipment makers have security _____ _____ place _____ protect _____ _____ _____ access.

_____ precautions _____ _____ by the Telecommunications _____ _____ _____ prevent _____ network intrusions?

Telecommunications equipment _____ have _____ _____.

Which _____ are _____ place to defend against _____ _____ _____?

_____ equipment _____ _____ _____ to prevent unauthorized _____ intrusions.

Telecommunications manufacturer _____ _____ against _____ _____.

Telecommunications Makers _____ _____ in place _____ _____ _____.

_____ telecommunication hardware makers _____ _____ protocols to _____ _____?

Have the telecommunications _____ _____ _____ _____ _____ to _____ unauthorized people from _____ their _____?

How do telecommunications _____ manufacturers _____ their networks _____ _____ _____?

How will telecom _____ _____ prevent _____ access _____ _____?

Tell _____ about the security _____ _____ by _____ manufacturers _____ telecommunication _____.

_____ measures are _____ _____ to defend _____ unwanted _____ breeches?

What _____ the manufacturers of _____ _____ do _____ _____ unauthorized _____?

_____ how telecommunications device producers _____ _____ _____ _____.

_____ are _____ security steps _____ the _____ equipment _____?

_____ _____ _____ _____ telecom _____ protect against network intrusions?

_____ equipment _____ install safeguards _____ prevent _____ _____ intrusions.

Is _____ any specific _____ _____ _____ _____ suppliers have _____ _____ discourage _____ individuals _____ entering their networks?

_____ _____ wondering _____ the security measures implemented _____ _____ equipment _____.

Telecommunications hardware _____ try to _____ _____ _____ _____.

How can _____ _____ _____ unauthorized network _____?

What are _____ _____ _____ by _____ telecom gear makers _____ _____ illegitimate _____?

_____ _____ manufacturers _____ measures that _____ hackers.

_____ steps _____ _____ _____ telecom gear take _____ prevent unauthorized _____?

Telecom _____ manufacturers _____ _____ network _____.

Security _____ _____ _____ equipment makers.

How _____ _____ _____ makers keep networks _____?

THeSafeguards employed _____ _____ manufacturers _____ _____ unauthorized _____?

What safeguards are _____ by Telecommunications _____ _____ _____ prevent unauthorized _____ _____?

_____ equipment manufacturers _____ _____ _____ _____ their networks.

_____ _____ _____ by _____ _____ producers to stop hacking attempts.

_____ gear manufacturers take _____ to _____ _____ _____ to networks.

_____ _____ telecommunications hardware _____ taken any _____ to prevent unauthorized _____ _____ _____ their _____?

_____ _____ _____ what security measures _____ _____ by manufacturers of _____ equipment?

_____ Telecommunications Hardware Makers follow _____ _____ _____ avoid _____?

_____ taken by _____ producers _____ _____ to _____ hacking attempts?

How _____ _____ _____ manufacturers fight network _____?

_____ protections are in _____ _____ defend _____ _____ breeches?

How _____ telecom _____ _____ _____ _____ network intrusions?

What are _____ measures _____ Telecommunications _____ take _____ _____ _____ activity?

Tell _____ _____ _____ security measures _____ are put _____ place by _____ equipment _____.

_____ do _____ _____ manufacturers keep their _____ _____?

There _____ precautions _____ _____ telecommunications _____ makers _____.

_____ do _____ manufacturers _____ telecom _____ keep their _____ safe?

_____ _____ producers of telecommunications _____ _____ safeguards in _____ _____ _____ network breeches?

Please _____ _____ _____ put in _____ _____ _____ Telecommunications _____ Manufacturers for _____ _____ breeches of networks.

_____ are Telecommunications _____ Manufacturers' safeguards _____ _____ _____ network intrusions?

There are precautions _____ _____ _____ _____ telecommunications _____ makers against _____ incursions.

Tell _____ about _____ _____ measures taken by _____ _____ _____ makers

What _____ are _____ _____ _____ _____ prevent network intrusions?

_____ do these manufacturers _____ _____ _____ _____ networkinfiltratings?

_____ telecommunications _____ suppliers _____ _____ actions to stop individuals from _____ _____ _____?

_____ measures do _____ Makers _____ in place to _____ _____ _____?

Telecom _____ _____ do you keep _____ hackers _____ messing with _____ _____?

_____ specific protocols _____ by telecommunication hardware _____ to _____ _____?

_____ do _____ _____ _____ defend against _____ intrusions?

Do _____ _____ _____ deterrents to _____ unpermitted system _____?

Telecom _____ Manufacturers _____ _____ _____ block hackers _____.

_____ _____ _____ _____ phone _____ producers _____ ward off hacking attempts?

Telecom _____ manufacturers are _____ something _____ prevent _____ _____.

How _____ telecom _____ manufacturers protect _____ _____ _____?

_____ do telecommunications _____ _____ do _____ _____ their networks?

_____ do telecom equipment makers _____ sure their _____ _____ _____ _____?

Tell _____ what _____ steps _____ _____ manufacturers _____

Measures _____ _____ _____ have been held by _____ _____ Manufacturers.

Telecommunications hardware makers implemented _____ _____ _____ _____.

_____ _____ _____ _____ security steps _____ place for hackers.

_____ _____ _____ telecom _____ take to prevent network _____?

What measures _____ _____ _____ place _____ _____ Makers _____ stop illegal activities?

How do _____ device makers prevent _____ _____ _____ _____?

telecom _____ makers _____ _____ keep _____ _____ out.

_____ _____ telecom _____ makers _____ against illegal network _____?

_____ _____ producers keep _____ _____ _____ unauthorized access.

_____ do Telecommunications _____ _____ protect _____ _____ intrusions?

_____ _____ _____ _____ equipment protect against _____ intrusion.

Telecom manufacturers _____ _____ variety of _____ _____ _____ network intrusions.

_____ do _____ _____ makers _____ networks?

_____ _____ steps _____ taken _____ the manufacturers of _____ equipment?

What _____ _____ _____ Manufacturers doing _____ _____ unauthorized network intrusions?

Do telecommunications _____ producers _____ safeguards _____ place _____ network _____?

_____ _____ instituted _____ _____ Telecommunications Equipment Manufacturers for _____ _____ breaches of networks _____ _____ outlined.

Telecommunications _____ _____ guard against _____ _____.

How _____ telecom _____ _____ prevent network _____?

What precautions _____ taken _____ unauthorized _____ _____?

_____ _____ Telecom Equipment _____ protect _____ illegal _____ intrusions?

Telecom equipment _____ have _____ measures _____ _____.

Please _____ me about the security _____ _____ _____ telecom _____ _____.

_____ _____ _____ manufacturers' _____ _____ prevent network intrusions?

_____ Equipment _____ _____ _____ illegal network intrusions.

Do _____ hardware makers _____ any _____ _____ _____ hackings?

_____ telecom equipment _____ _____ _____ intrusions _____ kept out?

How do _____ _____ _____ protect the _____?

_____ the Telecommunication _____ Firms _____ _____ security _____ in place?

Tell _____ _____ the _____ precautions _____ are taken by _____ _____ equipment _____.

_____ taken by _____ gear producers _____ guard _____ _____.

_____ steps _____ _____ by _____ against _____ hacking attempts?

_____ _____ equipment makers make sure _____ _____ _____ kept out?

Tell _____ _____ _____ security measures _____ the manufacturers _____ telecommunication _____ use.

How _____ _____ of _____ equipment _____ the _____?

_____ _____ the measures Telecommunications Makers put in _____ _____ stop _____ _____?

_____ _____ how do _____ keep _____ bad guys _____ of your _____?

_____ are _____ _____ telecom manufacturers _____ _____ keep their _____ safe?

How _____ _____ _____ manufacturers make _____ their _____ are protected?

_____ _____ do _____ _____ use to prevent network _____?

_____ _____ do Telecommunications Equipment _____ put _____ _____ to protect their _____?

_____ _____ the measures _____ Makers put into place _____ _____ illegal _____?

_____ producers _____ _____ equipment have measures _____ _____ against network _____?

_____ do telecom _____ makers _____ _____ _____ of intrusions?

_____ regards _____ _____ _____ what _____ steps _____ equipment manufacturers take?

_____ _____ any _____ against network _____ _____ the telecommunications _____ producers?

The telecommunications _____ _____ safeguards _____ _____ intrusions.

What _____ _____ _____ _____ used _____ telecommunication equipment manufacturers?

_____ _____ _____ _____ security precautions taken _____ the telecom equipmentmakers.

_____ do equipment _____ protect _____ _____?

Telecommunication _____ firms _____ _____ precautions _____ _____ for hackers.

Have _____ hardware suppliers taken any actions to _____ _____ _____ _____ _____ their _____?

_____ safeguards _____ _____ place _____ fight against unwanted _____ breeches?

Do _____ of _____ equipment _____ their _____?

How _____ _____ manufacturers able _____ _____ _____ network penetration?

_____ Hardware _____ _____ precautions _____ network incursions

Telecom _____ adopt measures _____ _____ network _____

_____ _____ _____ protect _____ network intrusion.

_____ do telecom _____ _____ their _____?

_____ the telecommunications _____ suppliers taken any specific _____ to _____ unauthorized _____ _____ _____ their _____?

Do _____ _____ _____ equipment _____ safeguards against _____ breeches?

Is _____ any _____ _____ at _____ _____ firms?

Telecom Makers, _____ _____ you able _____ _____ _____ hackers _____ of your _____?

Do _____ equipment _____ stop _____ _____?

Explain _____ telecommunications _____ producers _____ their _____

_____ equipment _____ have _____ against _____ breeches.

_____ _____ _____ telecommunications device producers _____ their _____.

_____ are _____ that the _____ hardware _____ _____.

_____ do these _____ prevent unauthorized _____ _____?

_____ manufacturers have _____ _____ _____ to prevent network _____.

What are _____ steps _____ _____ Makers _____ to _____ _____ activity?

Discuss _____ _____ device _____ guard against _____ _____.

_____ taken _____ phone gear producers _____ _____ _____.

Does _____ equipment _____ have safeguards _____ place against _____ _____?

Tell _____ about the _____ measures _____ by _____ _____ telecommunication _____.

Do _____ _____ _____ equipment have _____ in _____ against network _____?

_____ do _____ _____ manufacturers _____ unauthorized _____ to networks.

____ measures are ____ ____ at ____ equipment ____

Please ____ ____ steps taken ____ ____ Telecommunications ____ Manufacturers ____ control unauthorized ____ breeches.

____ equipment makers ____ that ____ ____ are ____ out.

What ____ the ____ of telecom ____ ____ to ____ their ____?

The ____ Equipment ____ ____ ____ ____ in place.

____ does telecom equipment ____ do ____ ____ ____ network intrusions?

Do you have ____ ____ ____ the security measures ____ by ____ manufacturers ____ ____ ____?

Telecommunications ____ ____ ____ safeguards to ____ against ____.

____ ____ ____ ____ unsanctioned network intrusions?

____ the ____ of telecommunications ____ ____ ____ place safeguards against ____ breeches?

Do telecom ____ use ____ ____ ____ intrusions?

The manufacturers ____ ____ equipment ____ ____ breeches.

____ ____ ____ Makers do ____ stop ____ activities?

What ____ measures ____ telecom ____ use to prevent ____ ____?

____ ____ the steps ____ ____ are ____ to prevent network ____?

____ ____ any specific ____ followed by telecommunication ____ ____ to ____ hackings?

Telecommunications ____ makers ____ take ____ against ____ ____.

Are ____ ____ trying ____ ____ ____ system penetrations?

How ____ these ____ ____ unauthorized ____ intrusions?

____ steps were taken ____ the ____ ____ ____ to ____ illegitimate incursions?

____ are ____ ____ ____ ____ stop network invasions?

____ equipment ____ prevent network ____.

____ Equipment Manufacturers ____ ____ in ____ ____ block hackers.

____ tell ____ about the steps ____ ____ the ____ ____ Manufacturers for ____ ____ breeches ____ networks.

In order to ____ ____ ____ to networks, what ____ ____ manufacturers ____?

____ ____ ____ the security precautions taken ____ telecom ____ makers.

____ preventative ____ telecom ____ ____ take

How ____ telecom ____ makers make ____ their ____ ____ not ____?

____ do the ____ ____ equipment ____ network ____?

Is ____ ____ ____ steps ____ place for Telecommunication Equipment ____?

Tell us ____ what ____ ____ telecom ____ manufacturers ____.

How do telecommunication ____ manufacturers ____ ____ networks ____ unauthorized ____?

____ security ____ are taken against ____ ____ ____?

Do ____ hardware ____ follow ____ ____ avoid ____?

Explain ____ ____ ____ ____ protect networks.

____ ____ ____ do you ____ ____ hackers out of ____ networks?

What security steps ____ in place ____ ____ ____ ____.

____ do ____ manufacturers ____ to ____ unauthorized network ____?

____ do the manufacturers stop ____ ____ from ____ ____?

Security ____ ____ Telecommunication Equipment ____ ____ hackers?

____ ____ ____ ____ hardware ____ put in place ____ network incursions.

____ equipment ____ prevent ____ breaches

Telecom ____ ____ ____ trying to prevent ____ ____.

____ do manufacturers of ____ ____ ____ networks ____?

____ ____ steps are ____ by ____ equipment ____?

Telecommunications hardware ____ have ____ ____ ____ to protect ____ networks.

What ____ telecom ____ ____ do ____ stop ____ breeches?

What ____ telecom ____ manufacturers do ____ ____ ____ network intrusions?

The ____ Equipment ____ have ____ ____ place to block ____.

____ ____ ____ manufacturers ____ against network intrusions.

____ ____ telecom ____ keep ____ network safe?

I ____ curious ____ the security ____ implemented by ____ ____ equipment ____.

____ can manufacturers ____ ____ intrusion ____?

____ ____ how ____ you keep ____ from ____ with ____ networks?

____ there ____ specific actions ____ telecommunications ____ ____ have ____ ____ deter ____ from entering ____ networks?

What ____ the telecom ____ ____ doing ____ ____ their networks?

Are ____ ____ ____ ____ any ____ actions ____ prevent unauthorized people ____ entering their ____?

Please describe ____ steps taken ____ ____ ____ ____ ____ ____ controlling unauthorized breaches ____ networks.

How ____ telecom equipment ____ ____ against ____?

How do ____ ____ ____ make ____ ____ ____ networks are protected?

____ ____ manufacturers use safeguards ____ prevent ____ ____.

____ manufacturers ____ safeguards ____ unauthorized ____

____ should ____ gear ____ prevent unauthorized ____?

How ____ Comm ____ manufacturers prevent unauthorized ____ ____ ____?

____ equipment ____ protect ____ network ____

Has the telecommunications hardware suppliers ____ ____ specific actions ____ ____ ____ ____ from entering ____ ____?

____ ____ ____ of ____ equipment have the necessary ____ ____ place?

Telecommunications ____ ____ have ____ to avoid ____.

____ equipment makers ____ to ____ unauthorized ____ ____.

I ____ ____ know about ____ security ____ ____ by telecom ____ makers.

____ do ____ Telecommunications ____ manufacturers ____ ____ networks?

How ____ manufacturers of ____ ____ prevent ____ ____?

____ are the ____ ____ ____ by telecommunication ____ manufacturers?

Telecom ____ ____ do ____ keep ____ bad guys ____ messing ____ ____ networks?

____ the security measures ____ ____ ____ manufacturers of telecommunication ____?

Telecommunications ____ makers ____ ____ in place ____ prevent network ____.

____ ____ have been put in ____ ____ defend ____ unwanted ____ breeches?

____ hardware ____ have precautions in ____ ____ ____ incursions.

Telecom Makers, how are ____ able ____ ____ ____ hackers ____ ____ our ____?

____ are some ____ ____ against ____ ____ access?

Do producers ____ ____ equipment ____ ____ necessary safeguards in ____?

____ are ____ ____ ____ to ____ unauthorized network changes?

____ me ____ the security ____ ____ for telecom ____.

Do ____ ____ of telecommunications equipment ____ security ____ ____?

What do ____ manufacturers ____ ____ ____ unauthorized ____ infections?

Telecom ____ ____ ____ able ____ keep ____ ____ away from our networks?

____ do telecom ____ companies prevent ____ ____ to ____?

Do ____ steps ____ ____ telecom ____ firms?

____ do ____ manufacturing ____ ____ ____ network intrusion attempts?

____ are the ____ telecom ____ manufacturers ____ taking ____ protect ____ network?

How do telecom gear ____ ____ unauthorized ____ to ____ ____?

____ ____ preventative steps telecom ____ manufacturers take ____ ____ threats.

____ ____ ____ adopt measures ____ prevent ____ intrusions?

Telecommunications ____ put ____ place ____ to stop ____ ____.

Telecom ____ how ____ prevent ____ ____.

____ ____ do ____ gear manufacturers ____ to prevent unauthorized ____ to ____?

Have telecommunications ____ ____ taken ____ ____ ____ unauthorized individuals ____ entering their ____?

What are ____ ____ ____ Makers put in ____ ____ fight ____ activities?

How do ____ ____ ____ keep ____ ____ free of intrusions?

Are ____ hardware ____ taking any ____ ____ ____ deter ____ people ____ entering ____ networks?

Have ____ ____ ____ taken any specific ____ to ____ unauthorized ____ from entering ____ ____?

How do ____ makers ____ ____ ____?

Measures ____ ____ hacking ____ ____ ____ taken by phone ____ producers.

____ ____ safeguards ____ network ____ in ____ for ____ equipment producers?

____ telecommunications ____ ____ taken any ____ to prevent unauthorized ____ ____ ____ their networks?

telecom ____ makers make ____ network ____ ____ ____ out

What ____ manufacturers ____ to ____ ____ intrusion?

____ ____ have ____ information about ____ ____ ____ used by the ____ of ____ equipment?

____ measures ____ ____ manufacturers ____ to prevent network ____?

____ ____ know ____ ____ security ____ are ____ ____ the manufacturers of telecommunication equipment?

How ____ Telecom ____ Makers protect their ____ ____ ____ intrusions?

Telecom ____ Manufacturers have measures ____ ____ ____ ____.

____ are ____ of telecom equipment doing ____ ____ their ____?

How ____ ____ manufacturers deal ____ ____ network ____?

How ____ ____ ____ ____ unauthorized network intrusions?

How do ____ ____ stop ____ ____ intrusions?

____ equipment ____ protect against ____ ____.

Please ____ ____ measures ____ by ____ ____ Equipment Manufacturers for ____ unauthorized breaches ____ ____.

____ me what ____ ____ ____ taken ____ telecom equipment.

____ telecommunications ____ producers have safeguards ____ ____?

____ ____ ____ the ____ measures taken by ____ equipment makers.

I don't ____ ____ measures telco contraptions ____ ____ ____ shady ____ out of ____ ____.

Telecommunications ____ ____ put precautions in ____ ____ prevent network ____.

Do producers of ____ equipment ____ ____ in ____ ____ ____ breeches?

How do ____ Equipment manufacturers ____ against ____ ____ ____?

Do telecommunications ____ ____ have ____ ____ ____ network breeches?

How do ____ ____ ____ their networks ____ of ____?

Do ____ ____ suppliers ____ any actions to deter ____ ____ entering ____ ____?

How do ____ ____ ____ ____ network intrusions?

Do producers of ____ equipment have ____ in ____ ____ ____ network ____?

____ Telecommunications Equipment ____ ____ ____ in place to ____ unauthorized network ____?

I want ____ know ____ ____ security measures taken ____ ____ manufacturers of ____ ____.

____ producers of ____ devices ____ ____ ____ unauthorized access.

____ ____ telecom ____ ____ ____ to protect their network?

How does ____ Equipment Manufacturers ____ ____ ____ networks are ____?

How ____ ____ Equipment ____ protect the ____?

Security ____ ____ used ____ telecom ____ makers.

____ ____ these manufacturers ____ ____ from being ____?

How ____ ____ Equipment ____ ensure ____ their ____ are protected?

Do you ____ what ____ ____ are put ____ ____ ____ telecommunication ____ manufacturers?

How do ____ ____ ____ equipment protect ____?

How ____ telecommunications ____ ____ ____ sure their networks ____ protected?

____ there any safeguards against ____ breeches for ____ ____ ____?

____ hardware ____ give ____ against network ____.

____ ____ ____ ____ against network intrusions.

____ do ____ equipment makers ____ ____ ____ intrusions?

How do ____ makers ____ ____ ____?

What are the ____ ____ ____ ____ use ____ ____ unauthorized intrusions?

Telecommunications ____ ____ safeguards ____ unauthorized ____.

____ you have ____ information about the ____ ____ ____ ____ the telecommunication equipment ____?

Telecommunications ____ ____ ____ place ____ ____ stop illegalities.

____ manufacturers have ____ ____ preventing network ____.

How ____ ____ ____ protect ____ network intrusions?

How ____ telecom ____ makers ____ their ____?

____ taken ____ ____ makers to stop ____ ____?

____ explain the steps ____ ____ ____ ____ ____ Manufacturers ____ controlling unauthorized break-ins.

____ gear makers ____ to ____ unauthorized ____ ____ networks.

____ ____ are ____ by telecom gear makers to ____ ____ ____?

What ____ manufacturers ____ telecom gear do ____ prevent ____ ____?

What ____ the ____ ____ ____ gear makers are ____ ____ stop ____ incursions?

What do ____ Equipment Makers ____ to ____ illegal ____ ____?

____ ____ makers make ____ ____ intrusions ____ ____ out of the network.

____ are telecom ____ ____ to ____ unauthorized ____ to networks?

____ telecom manufacturers have measures ____ ____ ____ ____?

How do manufacturers ____ ____ ____ make sure ____ intrusions are ____ ____?

What security ____ are ____ in ____ by manufacturers ____ ____ ____?

____ are the measures ____ manufacturers ____ to prevent ____ ____?

____ ____ device manufacturers prevent ____ ____?

Telecommunications manufacturers have safeguards ____ ____ ____ ____.

____ ____ Telecommunications Makers stop ____?

____ tell us how to prevent ____ ____ into networks ____ ____ ____ ____ firms.

____ am looking for ____ ____ ____ measures implemented by manufacturers ____ ____ ____.

____ do telecom ____ ____ protect ____ networks ____ intrusions?

____ the telecommunications ____ ____ ____ ____ in place?

____ measures ____ manufacturers ____ telecom ____ ____ to ____ network intrusions?

____ ____ the measures that ____ ____ ____ use to prevent network ____?

How ____ telecommunications ____ ____ protect themselves ____ unauthorized ____ intrusions?

Which ____ are in ____ ____ ____ comes to ____ ____ network breeches?

____ ____ the steps taken ____ the ____ equipment ____ to ____ ____ intrusions?

____ manufacturers of telecom gear ____ steps ____ ____ unauthorized ____?

How do ____ ____ make ____ network intrusions are ____ ____?

____ telecommunications hardware ____ ____ any specific ____ to ____ unauthorized ____ ____ entering ____ networks?

How do ____ ____ Manufacturers protect ____ ____.

How do ____ equipment ____ protect ____ ____?

What ____ ____ ____ Telecommunications Makers take ____ ____ illegal activities?

Is there any information about ____ security measures ____ ____ the ____ ____ ____ ____?

____ equipment ____ protect ____ ____ ____ network intrusions.

____ ____ ____ to possible ____ or intrusion ____ what ____ do ____ take?

Telecommunications hardware ____ ____ ____ against ____ incursions.

What ____ ____ equipment makers ____ ____ protect their ____?

____ ____ ____ manufacturer doing ____ prevent ____ intrusions?

The ____ ____ telecommunication device use ____ ____ ____ hacking.

How ____ manufacturers ____ networks from ____ ____?

____ ____ how do you keep the ____ ____ ____ ____ networks?

Is ____ an ____ by tech ____ ____ stop ____ system ____?

____ ____ ____ ____ equipment use safeguards against ____ breeches?

____ ____ ____ the ____ of unlawful entries into ____ ____ ____ phone manufacturing firms.

____ ____ ____ makers ____ unauthorized network intrusion?

Are security ____ implemented ____ manufacturers ____ ____ ____?

____ for ____ hackers ____ held by ____ ____ Manufacturers.

_____ manufacturers _____ measures to _____ network _____.

Safeguards _____ _____ _____ telecommunications _____ against unauthorized _____.

_____ are _____ in which telecom equipment _____ _____ _____ breeches.

_____ _____ the _____ _____ the _____ Equipment Manufacturers use to _____ unauthorized _____ intrusions?

Do _____ _____ manufacturers _____ network _____?

_____ are the measures _____ contraptions _____ to _____ shady _____ _____ of _____ network?

_____ _____ _____ _____ have specific actions they take _____ stop _____ individuals _____ entering _____ networks?

_____ equipment manufacturers are _____ _____ _____ _____ intrusions.

How _____ Telecommunications _____ Manufacturers to prevent _____ _____ _____?

How _____ Telecommunications _____ _____ protect _____ networks _____ unauthorized incursions?

What _____ _____ Telecommunications _____ _____ to stop illegal _____?

_____ want _____ know about the _____ measures _____ _____ place by _____ equipment _____.

What do _____ _____ _____ equipment _____ _____ prevent intrusions?

_____ do _____ _____ of telecom equipment do _____ _____ _____ safe?

_____ _____ hardware _____ follow _____ guidelines to avoid _____?

Telecom _____ makers have _____ _____ against illegal _____ _____.

_____ _____ about the security _____ taken _____ _____ equipment manufacturers

_____ _____ _____ have _____ in place to prevent _____.

Telecom equipment _____ are able _____ _____ against _____ _____ intrusions.

What measures _____ _____ Makers _____ _____ place _____ stop _____ activity?

Telecom Equipment _____ _____ measures _____ place to _____ _____.

_____ _____ telecommunications equipment manufacturers keep _____ _____ free _____ _____ intrusions?

_____ you _____ what _____ _____ are in _____ by telecommunication equipment _____?

Do telecommunication companies _____ _____ to _____ _____ intrusion _____?

_____ are _____ _____ hardware _____ _____ against illegal network incursions.

_____ _____ have safeguards _____ place _____ _____ intrusions.

How do _____ _____ _____ keep _____ _____ safe?

_____ _____ telecom equipment makers _____ _____ networks _____?

Does _____ _____ _____ producers _____ any safeguards against network _____?

What _____ do telecom manufacturers _____ _____ preventing _____ _____?

What _____ Telecom _____ Makers doing to _____ _____ _____?

_____ _____ have any _____ on the _____ _____ _____ by the manufacturers _____ telecommunication _____?

_____ do _____ _____ Manufacturers _____ their networks?

What are _____ _____ _____ manufacturers _____ to prevent network _____?

_____ Makers, _____ do you keep _____ hackers from _____ _____ _____?

_____ _____ _____ _____ against unauthorized intrusions?

Which _____ are _____ place _____ _____ against unauthorized network _____?

_____ _____ hardware _____ take any specific _____ to stop people _____ _____ their _____?

_____ equipment _____ are _____ _____ prevent _____ intrusions.

_____ equipment _____ protect _____ intrusions.

There are protocols _____ by telecommunication _____ _____ _____ _____ hacking.

How _____ _____ _____ manufacturers _____ their networks?

_____ _____ the steps taken _____ _____ gear _____ to stop _____ infiltrations?

_____ steps are _____ by _____ telco gear _____ _____ stop _____ incursions?

What _____ do _____ take _____ prevent _____ _____ to networks?

_____ _____ how the _____ _____ _____ protect themselves.

_____ _____ steps can _____ equipment manufacturers _____?

Do _____ _____ _____ have safeguards _____ _____ breeches?

Do the _____ _____ _____ safeguards against _____ _____?

_____ manufacturers _____ be trying _____ stop _____ _____ penetrations.

Do telecommunications manufacturers _____ safeguards _____ _____ _____?

Are _____ security _____ implemented by manufacturers _____ _____ _____?

How do manufacturers _____ _____ _____ prevent _____ network _____ attempts?

Do _____ know about _____ security _____ _____ by _____ _____ _____ telecommunication equipment?

How do _____ _____ _____ against network _____?

Telecom _____ _____ have _____ responsibility _____ keep _____ intrusions out.

_____ manufacturers use _____ _____ _____ intrusion

What are the _____ _____ telecom _____ _____ take _____ prevent _____ access?

The Telecommunications _____ _____ have _____ in _____ _____ prevent unauthorized network _____.

How do _____ _____ Makers _____ unauthorized _____ _____ attempts?

Which _____ do the telecom manufacturers use _____ _____ _____ _____?

Which _____ steps are _____ _____ _____ equipment _____?

Telecom _____ _____ to adopt measures _____ _____ network _____.

Do _____ _____ makers _____ protocols _____ _____ hacking?

Do _____ equipment producers have _____ _____ _____ to _____ _____ breeches?

How _____ the manufacturers _____ _____ protect _____ _____?

Measures _____ taken by phone gear _____ to _____ _____ _____.

_____ _____ telecom gear _____ prevent unauthorized _____?

_____ Equipment _____ _____ security precautions _____ place for _____.

I _____ to know what security _____ _____ _____ _____ _____ manufacturers _____ telecommunication equipment.

_____ Makers, how _____ _____ keep _____ hackers _____ messing _____ our networks?

Explain _____ telecommunications device _____ _____ _____ networks.

How _____ _____ equipment manufacturers protect _____ _____ _____?

Is _____ _____ security measures _____ _____ _____ the _____ equipment firms?

_____ device producers _____ _____ to stop _____.

Do telecommunications hardware _____ _____ specific protocols _____ _____ _____?

_____ _____ by _____ gear _____ to stop _____ hacking attempts?

What _____ the manufacturers _____ _____ _____ network _____?

_____ can _____ manufacturers _____ _____ stop unauthorized network _____?

_____ the _____ _____ telecommunications equipment have safeguards _____ protect _____ _____?

_____ equipment makers _____ protect _____ _____ _____ intrusions.

Do _____ know _____ about _____ _____ measures _____ by the _____ of telecommunication _____?

Telecom Makers, _____ _____ _____ keep _____ bad guys _____ of our _____?

How are _____ _____ _____ makers trying to _____ _____ incursions?

_____ _____ _____ _____ used _____ Telecommunications _____ Manufacturers to prevent unauthorized _____ intrusions?

_____ _____ manufacturers _____ _____ _____ unauthorized network intrusions.

What are _____ _____ taken _____ _____ to prevent _____ access to _____?

Tell _____ _____ _____ _____ _____ by telecom equipment makers.

_____ _____ _____ _____ security measures _____ for telecom equipment.

_____ us _____ preventative _____ _____ equipment _____ take against cyber _____.

_____ gear _____ take steps to prevent _____ _____ to _____.

_____ the telecommunications hardware suppliers _____ _____ _____ to _____ unauthorized _____ from entering _____ _____?

_____ producers _____ _____ _____ have procedures _____ place _____ network breeches?

_____ _____ safeguards used by _____ _____ against unauthorized _____.

How _____ _____ _____ manufacturers _____ against hacker _____?

Explain _____ _____ _____ _____ protect networks.

How _____ telecom _____ _____ _____ _____ to networks?

Is there _____ _____ _____ _____ _____ devices to prevent unauthorized network _____?

_____ Equipment _____ _____ _____ to block hackers.

_____ _____ equipment producers _____ _____ safeguards _____ network breeches?

There are ____ telecommunications ____ makers ____ in ____ against ____ network ____.

How ____ manufacturers of ____ ____ ____ ____ network safe?

Any ____ steps ____ ____ Equipment ____?

____ tell us ____ ____ measures ____ ____ the Telecommunications Equipment Manufacturers to ____ ____ ____.

telecom ____ manufacturers protect ____ ____

What are the ____ ____ ____ ____ to ____ violations?

Telecommunications Equipment ____ ____ ____ ____ to prevent ____ network intrusions.

Is ____ any security ____ in place ____ ____ ____ Firms?

____ taken ____ phone ____ ____ to stop ____ hacking?

____ ____ ____ ____ preventative ____ ____ taken by telecom equipment manufacturers?

____ producers of ____ ____ ____ procedures ____ place to protect ____ networks?

What safeguards are in place ____ ____ ____ ____ ____?

____ ____ ____ do to stop ____ ____ intrusions?

telecom manufacturers have ____ ____ ____ ____ intrusions.

Telecommunications ____ ____ implement certain ____ against ____ ____.

Do telco gear ____ ____ any ____ to ____ illegitimate ____?

____ there ____ ____ actions telecommunications ____ suppliers ____ ____ to discourage unauthorized individuals ____ entering ____ ____?

____ would ____ ____ know ____ the security ____ that ____ implemented ____ telecommunication ____ manufacturers.

____ ____ ____ prevent network intrusions, what ____ ____ ____ manufacturers doing?

____ ____ try to ____ ____ intrusions.

____ ____ makers want network ____ kept ____.

Is there any safeguards ____ network ____ ____ ____ equipment ____?

Do Telecommunications ____ ____ ____ specific ____ ____ avoid hackings?

____ are the measures ____ Telecommunications ____ ____ in ____ to ____ breeches?

What ____ the safeguards Telecommunications ____ Manufacturers put ____ place ____ ____ ____ ____?

What ____ ____ Telecommunications ____ Manufacturers put in ____ to ____ ____ ____ intrusions?

____ ____ the measures that ____ Telecommunications ____ use to stop ____ ____?

____ do ____ of ____ ____ prevent unauthorized ____ ____ their networks?

____ manufacturers ____ precautions ____ possible hacking ____?

____ do ____ ____ stop ____ network penetrations?

How ____ manufacturers supposed ____ ____ ____ network ____?

____ ____ ____ ____ make networks safe?

____ do ____ equipment ____ keep their ____ ____?

____ ____ these manufacturers ____ unauthorized ____ penetration?

____ ____ ____ telecommunications manufacturers ____ against unauthorized ____.

Telecommunication ____ ____ implement ____ against ____ network ____.

How ____ ____ manufacturers ____ unauthorized network ____ ____?

____ makers ____ ____ ____ have safeguards in ____ ____ network breeches?

____ ____ the ____ of telecom equipment ____ ____ prevent ____ intrusions?

____ how ____ ____ ____ keep ____ networks safe.

How ____ ____ manufacturers protect ____ ____?

____ preventive steps ____ ____ manufacturers ____ ____ cyber threats.

Please tell me ____ the ____ ____ ____ the Telecommunications Equipment ____ ____ controlling unauthorized ____ ____ ____.

____ ____ telecom ____ makers do to keep ____ networks ____?

____ ____ ____ Makers ____ ____ stop illegal activities?

____ you know any ____ steps ____ ____ manufacturers ____?

Telecom equipment ____ ____ ____ illegal ____ intrusions.

What steps are taken ____ ____ gear ____ to ____ ____ ____?

____ me about ____ ____ ____ ____ telecom equipment makers

Do producers ____ ____ ____ have safeguards ____ network ____?

Are ____ any specific actions ____ ____ ____ suppliers ____ ____ to deter ____ ____ ____ entering their networks?

____ ____ have precautions ____ place against ____ ____.

____ equipment manufacturers ____ ensure protection ____ ____ ____ intrusions.

____ do ____ ____ Manufacturers make sure ____ protect ____ networks?

Telecom equipment ____ use ____ ____ to ____ ____ unauthorized access.

Telecommunications hardware ____ have ____ ____ ____ ____ incursions.

Do ____ ____ ____ have ____ specific actions they ____ ____ ____ ____ unauthorized individuals from entering ____ networks?

telecom ____ makers ensure ____ intrusions ____ ____ ____

What are ____ steps Telecommunications ____ ____ ____ ____ illegal activity?

Do ____ equipment ____ have procedures ____ place ____ ____ ____ network breeches?

Telecom ____ ____ do ____ keep the hackers ____ ____ ____ network?

What steps ____ ____ to ____ telecom ____ from ____ penetrated?

How ____ these ____ stop unauthorized ____ ____?

____ ____ Telecom equipment makers protect ____ illegal ____ ____?

____ there ____ telecom equipment ____ are doing ____ prevent ____ ____?

What ____ steps are ____ ____ ____ manufacturers ____?

How do ____ manufacturers ____ ____ ____?

____ how ____ ____ ____ from unauthorized access.

There are ____ telecom ____ ____ take ____ stop unauthorized ____.

telecom ____ ____ ____ to ____ network intrusions

____ ____ manufacturers ____ network breeches?

Tell ____ which security ____ are taken ____ ____ ____ makers.

Telecom ____ ____ ____ against ____ invasions.

____ should Telecommunications ____ ____ protect ____ networks?

____ should Telecommunications ____ ____ ____ to protect their ____?

____ ____ use ____ against intrusions.

____ are the ____ ____ by ____ telco gear makers to ____ ____ ____?

How are ____ ____ makers stopping ____ ____?

____ hardware ____ ____ precautions in place ____ ____ incursions.

Telecom ____ adopt preventative ____ ____ prevent ____ ____.

____ ____ ____ safeguards against ____ intrusions

____ any security steps ____ ____ ____ Equipment Firms for ____?

____ ____ telecom manufacturers ____ ____ ____ free of intrusions?

____ security ____ are implemented by ____ ____ ____ telecommunication equipment?

____ are the ____ ____ manufacturers use to ____ network ____?

Which ____ ____ in place to ____ ____ ____ network breeches?

____ ____ ____ equipment manufacturers protect their ____ from ____ intrusions?

____ ____ equipment ____ have safeguards against ____ ____?

____ can telecom equipment makers protect ____ ____ ____ ____?

What are the ____ the ____ ____ ____ in ____ ____ stop ____ activity?

Telecommunications ____ makers do ____ against ____ ____ ____.

____ ____ Telecom Equipment ____ prevent ____ intrusions?

____ can ____ ____ Equipment Manufacturers ____ to prevent unauthorized ____ ____?

How ____ telecom equipment ____ ____ against ____ ____?

____ me about ____ ____ that telecom equipment manufacturers take ____ ____ ____.

____ ____ ____ security ____ the telecom equipment makers ____.

____ do telecom ____ ____ ____ ____ from being attacked?

Telecom Makers, how ____ ____ ____ ____ hacker ____ ruining ____ networks?

What ____ do ____ ____ ____ prevent network ____?

What do the ____ Makers ____ ____ ____ to ____ illegal ____?

Telecommunications _____ use _____ _____ _____ intrusions.

What do _____ equipment makers do _____ keep _____ _____ _____ _____?

_____ telecommunications hardware suppliers _____ _____ _____ _____ to _____ _____ individuals _____ entering their networks?

What measures _____ _____ _____ _____ _____ network intrusion?

How _____ _____ preventing network _____?

_____ are employed _____ _____ manufacturers against _____ _____.

Telecom _____ how can you _____ _____ _____ from _____ with _____ networks?

Discuss _____ _____ device _____ guard _____

_____ can _____ Equipment Makers _____ against _____ _____?

What _____ _____ _____ Telecommunications Equipment _____ use _____ keep _____ safe?

Have telecommunications hardware _____ _____ action _____ deter unauthorized _____ _____ _____ their _____?

Do _____ _____ _____ to prevent _____ _____ to networks?

_____ _____ telecom equipment makers _____ _____ network _____ _____ not happen?

What do _____ _____ of _____ equipment _____ to _____ the _____?

Telecommunications hardware makers follow _____ _____ _____ _____ _____.

_____ do _____ equipment _____ protect against _____ _____?

_____ _____ the measures _____ _____ Makers _____ in _____ _____ stop illegal activities?

How _____ the _____ _____ _____ unauthorized _____ intrusions?

Telecom _____ Manufacturers _____ _____ _____ place _____ block hacking.

Talk _____ _____ telecommunications device _____ _____ _____ networks.

What _____ _____ _____ in place by _____ manufactures to _____ _____ system _____?

_____ _____ Comm Device Manufacturers _____ unauthorized _____ _____?

Is it _____ _____ telecommunications _____ suppliers _____ taken actions to prevent _____ individuals _____ _____ _____ _____?

_____ security _____ are _____ place _____ _____ equipment firms?

_____ _____ producers _____ networks _____ unauthorized access.

Measures _____ by _____ gear producers _____ _____ off hacking _____?

Do _____ _____ suppliers _____ any _____ actions to discourage _____ _____ from _____ their _____?

_____ equipment _____ _____ network intrusions are _____ _____.

_____ _____ the _____ _____ by the Telecommunications Equipment _____ for _____ unauthorized _____ of _____.

_____ security steps exist at _____ _____ _____ _____ hackers?

_____ _____ telecom equipment _____ _____ sure _____ are no intrusions?

_____ _____ hardware _____ follow _____ protocols to _____ hackings?

What are _____ steps telecom _____ manufacturers _____ _____ to _____ network _____?

_____ do Comm device _____ _____ unauthorized _____ intrusion _____?

Telecommunications _____ _____ ensure protection against _____ _____ _____

Telecom _____ _____ _____ steps _____ prevent _____ access.

There are measures _____ _____ Makers _____ _____ place _____ _____ breeches.

_____ _____ equipment producers _____ _____ in _____ to prevent _____ breeches?

_____ intrusion prevention _____ are _____ _____ telecom _____.

_____ _____ Telecommunications _____ _____ _____ _____ protect their network from unauthorized intrusions?

Measures have _____ taken _____ phone gear _____ _____ stop _____ _____.

There are security measures _____ _____ _____ _____ _____.

_____ _____ do _____ _____ take to stop _____ activity?

_____ _____ _____ _____ stop unpermitted system penetrations.

_____ can Telecom Equipment Makers _____ _____ _____?

telecom gear manufacturers try _____ _____ unauthorized _____ _____ _____

_____ _____ the manufacturers of _____ _____ _____ the network?

I'm curious _____ the _____ _____ _____ by _____ equipment makers.

_____ do makers _____ _____ _____ protect against _____ intrusions?

_____ manufacturers _____ _____ to prevent _____ intrusion

Telecom _____ _____ _____ measures _____ _____ network intrusions.

_____ the producers of telecommunications _____ have _____ _____ _____?

_____ _____ _____ make _____ devices use _____ _____ _____ protection to prevent unauthorized _____ hacks?

_____ _____ _____ _____ taken by the telco gear _____ _____ stop _____ insurgencies?

What do the telecom _____ _____ _____ _____ _____ intrusions?

_____ do telecomm _____ _____ protect their _____?

How _____ _____ Equipment Manufacturers _____ _____ networks?

_____ _____ telecommunications hardware _____ taken _____ specific _____ to _____ _____ people from _____ their networks?

There are _____ used by _____ _____ _____ unauthorized _____.

_____ _____ any security _____ _____ _____ Telecommunication Equipment Firms?

Tell me what _____ _____ _____ in _____ _____ telecom equipment.

Please describe _____ _____ taken by _____ _____ Equipment _____ _____ control _____ intrusions _____ networks.

Has _____ telecommunications hardware _____ _____ any _____ to stop unauthorized _____ _____ _____ their _____?

Tell me _____ the security _____ taken _____ _____ equipment _____

_____ _____ know about the _____ _____ put _____ _____ by the _____ _____ telecommunication equipment?

What _____ _____ steps taken _____ _____ _____ gear _____ to stop illegitimate _____?

_____ _____ _____ intrusions, what _____ telecom equipment _____ doing?

Any _____ _____ _____ Telecommunication _____ Firms?

_____ _____ by _____ _____ gear producers to _____ hacking attempts?

Do you _____ _____ information about _____ _____ _____ put _____ _____ _____ telecommunication equipment manufacturers?

Telecommunications _____ _____ in place measures _____ _____ illegal _____.

_____ there _____ _____ protection in _____ _____ devices _____ _____ unauthorized network hacks?

_____ are _____ intrusions _____ _____ _____ the equipment?

Is _____ extra _____ _____ preventing _____ network hacks in the _____ _____?

Is _____ _____ _____ _____ the _____ _____ for preventing unauthorized network hacks?

Do telecommunications hardware suppliers take _____ _____ _____ discourage _____ _____ _____ _____ their networks?

Telecom _____ _____ do _____ _____ _____ networks safe?

Do _____ _____ protect themselves _____ _____ intrusions?

How do the _____ _____ _____ gear _____ _____ _____ to their networks?

Is there _____ _____ _____ telecommunication companies _____ to _____ off illegal _____ _____?

Do _____ equipment _____ _____ measures _____ _____ _____ protect their networks?

Do _____ _____ what _____ measures _____ in place for _____ _____?

_____ do _____ manufacturers stop _____ _____ _____ hijacked?

_____ _____ _____ suppliers take _____ _____ actions to deter _____ individuals _____ entering _____ networks?

_____ telecommunications hardware suppliers taken _____ _____ _____ _____ unauthorized individuals _____ entering their _____?

_____ _____ hardware suppliers _____ _____ _____ to prevent _____ people from _____ their networks?

_____ hardware makers _____ precautions to _____ _____ _____.

How _____ _____ _____ _____ keep the network free _____ intrusions?

There _____ _____ telecom _____ manufacturers take _____ stop _____ _____ to networks.

_____ do telecom _____ _____ keep _____ safe?

_____ _____ these companies _____ unauthorized _____ penetrations?

_____ _____ Telecommunications Equipment Manufacturers _____ _____ networks against unauthorized _____?

_____ _____ hardware _____ _____ _____ to _____ _____ individuals from entering their networks?

_____ _____ tell me about the _____ _____ _____ _____ the _____ of telecommunication equipment?

What _____ _____ measures _____ telecom manufacturers take _____ _____ _____ intrusions?

_____ _____ _____ question _____ _____ _____ Equipment Makers protect against _____ network intrusions.

How _____ telecom _____ makers make sure _____ are _____ _____?

_____ _____ hardware suppliers have _____ specific _____ _____ take _____ deter _____ individuals from _____ _____ networks?

Which _____ _____ _____ _____ to defend against _____ intrusions?

_____ there extra _____ put on _____ devices _____ preventing _____ network _____?

The steps ____ telecom gear ____ ____ to ____ unauthorized access ____ ____.

What ____ steps ____ in place ____ ____ equipment ____?

Telecommunications ____ have safeguards ____ ____ ____ unauthorized ____.

____ how telecom ____ producers keep ____ ____.

Telecommunications hardware makers ____ ____ against ____ ____.

____ me about ____ security ____ taken by ____ equipment ____.

____ ____ manufacturers ____ protection against unauthorized ____ ____.

____ manufacturers adopt various ____ ____ ____ ____ intrusions.

____ are the ____ taken ____ the ____ ____ makers to ____ ____ infiltrations?

Tell us ____ ____ steps ____ equipment ____ ____

____ Makers, how ____ you protect ____ networks ____ those ____?

Telecommunications ____ makers have ____ ____ ____ against network ____.

____ safeguards are in ____ ____ defending against ____ network ____?

____ steps ____ Telecommunications ____ ____ to stop illegal ____?

____ ____ by phone gear manufacturers ____ prevent ____ ____?

What safeguards are implemented ____ ____ ____ ____ Manufacturers to prevent ____ ____ ____?

____ ____ ____ ____ ____ manufacturers prevent unauthorized access to ____ networks?

____ equipment ____ protect ____ ____ intrusions

Do ____ know ____ ____ ____ ____ ____ by telecom equipment makers?

Tell ____ ____ the security ____ taken by ____ equipment ____.

____ ____ ____ deter unauthenticated ____ entrance, do you have ____?

I ____ ____ ____ about the security ____ that are implemented ____ manufacturers ____ ____ ____.

Do ____ ____ makers ____ specific protocols ____ avoid ____?

What preventive measures ____ ____ ____ ____?

Are ____ ____ ____ steps in place ____ telecom ____ firms?

____ us ____ prevention of unlawful entries ____ networks ____ ____ ____ manufacturing ____.

How ____ telecom equipment manufacturers ____ ____ ____ ____?

____ hardware makers ____ precautions ____ ____ ____ network incursions.

Explain how Telecommunications ____ ____ protect ____ ____.

Do telecommunications hardware suppliers ____ any ____ ____ ____ ____ ____ ____ entering their networks?

How ____ manufacturers ____ ____ equipment ____ ____ intrusions?

How telecom vendors ____ ____ unauthorized ____ ____.

____ Equipment Manufacturers make protection against unauthorized ____ ____ ____ ____.

Can ____ hardware ____ deter people ____ entering ____ ____?

How do telecom manufacturers ____ ____ ____ ____?

How do Telecom ____ ____ ____ ____ networks from ____?

Is there ____ ____ for telecom ____ manufacturers ____ ____ network ____?

How ____ telecom equipment ____ ____ ____ network ____?

Telecom Equipment Manufacturers ____ ____ in ____ to ____ ____.

Is ____ ____ measures implemented by the ____ of ____ ____?

How are ____ ____ able ____ ____ unauthorized network ____?

____ are the measures that ____ ____ ____ ____ stop breeches?

____ me what ____ ____ ____ ____ by telecom equipment makers.

____ equipment manufacturers ____ measures ____ place ____ block ____.

There ____ security ____ ____ ____ equipment Makers.

____ telecommunications ____ ____ have systems ____ place to ____ ____ networks?

How ____ device ____ prevent ____ network ____ ____?

____ steps are ____ taken ____ ____ ____ makers?

____ preventative ____ ____ ____ by ____ equipment makers?

____ can telecom gear ____ do ____ ____ ____ ____ to networks?

_____ _____ the telecom manufacturers _____ network _____?

_____ describe _____ measures taken _____ the Telecommunications _____ _____ _____ controlling unauthorized breeches _____ _____.

_____ producers of _____ device guard _____ from _____ _____.

How are _____ _____ manufacturers _____ _____ stop unauthorized _____ _____ networks?

_____ _____ _____ security measures are taken _____ _____ equipment.

_____ us why telecom _____ _____ _____ _____ steps against cyber _____.

How _____ _____ _____ taken by telecom equipment manufacturers _____ _____ _____?

_____ equipment _____ take _____ measures _____ _____ threats.

Do you have _____ information _____ _____ _____ measures _____ _____ implemented by telecommunication _____ _____?

Telecom _____ _____ _____ measures in _____ _____ protect against _____ access.

_____ _____ like _____ know _____ the security measures implemented _____ _____ of _____ equipment.

Which _____ are _____ in _____ by Telecommunications _____ _____ _____ prevent unauthorized network _____?

_____ equipment manufacturers _____ safeguards _____ prevent _____ _____.

Do _____ _____ producers have _____ protection _____ network _____?

How _____ telecom equipment _____ _____ _____ _____ their network?

_____ describe _____ steps _____ by the Telecommunications Equipment Manufacturers _____ controlling _____ _____ _____ _____.

telecom manufacturers _____ measures _____ _____ network _____.

_____ _____ _____ _____ actions telecommunications hardware _____ have _____ to deter unauthorized _____ _____ entering _____ networks?

Telecommunications _____ _____ ensure _____ _____ network intrusions.

THeSafeguards used _____ telecommunications _____ _____ _____ intrusion?

Is there _____ _____ _____ tech _____ to stop _____ penetrations?

What _____ _____ _____ able _____ _____ to stop illegal activities?

telecom _____ _____ measures _____ prevent _____ intrusions

How _____ _____ Equipment Manufacturers make _____ _____ their _____ _____ safe?

_____ steps are _____ _____ _____ _____ manufacturers to prevent unauthorized _____?

_____ _____ _____ steps taken by _____ gear makers _____ stop illegitimate _____?

_____ telecom equipment _____ are doing _____ to prevent _____ _____?

Is there any security _____ _____ _____ _____ equipment _____?
