[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Privacy and security concerns
Inquiry Sub-Category	Biometric authentication
Description	Concerns regarding the use and security of biometric features, such as fingerprint or facial recognition, including inquiries about their accuracy, vulnerability to spoofing, or the storage of biometric data.
Data Size	6,846 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Is ____ ____ ____ hackers to ____ the facial recognition ____ ____ ____ devices?

Is ____ ____ ____ a hacker to just ____ the ____ scans ____ our ____?

____ there a ____ that ____ ____ find a ____ around ____ facial ____ feature?

____ ____ possible for attackers to ____ ____ ____?

Is ____ ____ for ____ to ____ ____ ID?

____ it ____ they ____ facial login ____ ____?

____ ____ win your ____ face ____?

Is it ____ ____ break ____ ____ security.

____ it possible ____ ____ ____ facial recognition on ____ devices?

____ could ____ possible ____ ____ ____ detection by hackers.

____ ____ ____ that the ____ scanning on ____ phones can be ____ by ____?

____ there any ____ ____ circumvent ____ recognition?

____ the ____ to ____ ____ scans exist?

Is it ____ ____ someone ____ ____ flaws in ____ face ____ system.

____ criminals can ____ ____ ____ the facial detection ____ ____ a phone.

Is ____ possible for hackers ____ break ____ the ____ ____ ____ ____ our phones?

Is ____ ____ way ____ escape ____ ____ authentication?

____ ____ ____ ____ facialLogin on phones?

Can they ____ past the ____ ____ ____ ____ phones?

Would ____ guys ____ Face ____?

Do you ____ the face ____ ____ ____ ____?

Is it possible ____ ____ to ____ around ____ ____ on ____ device?

Is ____ a ____ that the ____ ____ break ____ your ____?

Are ____ ____ ____ to circumvent ____ facial ____ function?

Can ____ beat facial ____ ____ my ____?

Can ____ get ____ the ____ scans ____ ____ device?

____ it ____ ____ crack ____ recognition security

Do you think that ____ ____ ____ ____ be ____?

_____ it possible _____ _____ to _____ facial _____?

Is _____ possible for hackers _____ _____ _____ _____ _____ recognition function on our _____?

_____ _____ lock _____ be _____ by hacks.
