[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Requesting historical usage data
Inquiry Sub-Category	Energy consumption analysis
Description	Customers seeking to analyze their energy usage patterns over time may request historical usage data to identify trends, make informed efficiency decisions, and compare their consumption with industry benchmarks.
Data Size	5,007 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

____ ____ I obtain historical ____ ____ ____ ____ with industry benchmarks for efficiency ____?

How can ____ ____ ____ utilization ____ to compare ____ against ____ benchmarks?

____ can ____ find historical usage ____ to compare with ____ ____ ____ ____ analysis?

____ do I ____ ____ ____ ____ industry benchmarks for efficiency ____?

____ ____ give me some history on ____ ____ ____ ____ usage ____ ____ ____ for efficiency analysis?

____ you ____ ____ I ____ get the ____ usage data I ____ ____ compare ____ against ____?

____ need ____ information to compare with ____ ____ ____ for ____ analysis.

Is ____ possible to ____ ____ consumption details that ____ ____ with standard ____ ____ ____ sector?

____ be interested in benchmarking ____ usage ____ ____ benchmark for ____ ____ if ____ ____ give ____ historical data.

____ ____ ____ get ____ usage information ____ ____ ____ analysis with industry standards?

Should I ____ for ____ usage details ____ ____ ____ ____ efficiency?

____ trying to find ____ ____ ____ ____ efficiency against standards.

How ____ ____ ____ historical usage ____ to compare ____ ____ with ____ standards?

____ ____ to compare my usage with industry standards ____ efficiency ____ ____ ____ give ____ ____ ____?

____ am looking for ____ usage ____ ____ benchmark my ____ ____ ____ standards.

In order to ____ ____ efficiency ____ against ____ industry's ____ I need records ____ ____ ____.

How ____ old utilization figures ____ used ____ efficiency ____ compared ____ ____ ____?

____ can old utilization figures ____ ____ ____ ____ ____ compared with industry ____?

____ ____ ____ get ____ from the past that helps me ____ ____ ____ against ____?

____ are ____ ____ ____ used for efficiency evaluation compared ____ ____ benchmarks?

I ____ ____ compare historical ____ with ____ benchmarks for ____ ____.

Do you ____ ____ I ____ get the past usage ____ ____ ____ ____ compare ____ against ____?

I need to ____ my efficiency ____ industry ____ and ____ can I ____ ____ ____ from ____ ____?

____ need to ____ my ____ ____ industry standards, ____ ____ ____ ____ if you can give me the ____ ____ info.

____ want to ____ my ____ with industry benchmarks for ____ analysis, can ____ show ____ ____ history ____ ____?

____ can I get usage ____ to ____ ____ industry benchmarks ____ ____ ____

____ can ____ ____ ____ historical data ____ compare efficiency with industry ____?

____ it possible ____ get old ____ figures for ____ evaluation ____ to ____ ____?

____ can I get ____ ____ ____ to compare with ____ ____ ____ efficiency analysis?

You can ____ ____ ____ historical records ____ utilization ____ to gauge efficiency relative ____ ____ ____.

Can ____ give ____ ____ metrics to ____ ____ ____ industry standards?

Is it ____ to ____ me historical ____ data for efficiency ____ ____ ____ to ____ ____?

____ ____ ____ find ____ ____ ____ in order ____ compare effectiveness with standardized measures of my ____ industries.

____ can I ____ the ____ ____ historical usage with ____ ____?

Do ____ know if ____ can ____ previous usage ____ ____ ____ efficiency against ____ ____?

I ____ to ____ ____ ____ information ____ industry benchmark data ____ efficiency ____.

Is it possible ____ ____ historical data ____ comparing ____ ____ ____ standards?

I ____ to compare ____ usage ____ industry ____ ____ ____ analysis, can you ____ me some ____ ____ that?

____ anyone ____ ____ previous uses ____ can use ____ benchmark ____ efficiency?

Where can I get my ____ on ____ ____ ____ ____ with ____ efficiency ____?

Where ____ ____ ____ data ____ ____ past ____ helps ____ compare my ____ to industry benchmark?

____ anyone ____ if ____ ____ use previous ____ to ____ my efficiency ____ industry ____?

I ____ historical ____ for ____ analysis ____ ____ benchmarks.

How ____ I ____ my ____ performance ____ the industry's ____ ____ ____ ____ usage records?

How can ____ obtain historical usage ____ ____ ____ ____ benchmark?

____ ____ on ____ to gather past efficiency ____ for ____ ____?

How ____ ____ ____ ____ historical usage ____ ____ ____ ____ data for efficient analysis?

Is ____ ____ ____ retrieve historical ____ statistics ____ for ____ efficiency?

Can ____ help me ____ ____ records ____ utilization metrics to ____ how ____ they ____ ____ ____ benchmark figures?

Does ____ ____ ____ ____ ____ use previous usages to ____ my ____ ____ industry standards?

I need usage ____ ____ compare ____ ____ ____ ____ efficiency analysis or historical ____.

I need historical ____ information ____ ____ with ____ ____ data ____ efficiency ____.

____ would be interested ____ benchmarking my usage with ____ ____ benchmark ____ ____ ____ ____ you can give me ____ ____.

____ anyone help me gather ____ efficiency ____ ____ ____?

____ am ____ for historical metrics ____ ____ efficiency against ____ ____.

I ____ like ____ benchmark ____ ____ ____ ____ the industry's average ____ previous usage ____.

How ____ ____ get ____ data ____ compare ____ ____ benchmark for efficiency ____?

____ ____ to ____ ____ efficiency against ____ ____ so ____ ____ ____ if you ____ give me the past usage information.

____ historical usage in the ____ or ____ ____ for ____ analysis, how ____ ____ ____ usage ____?

____ do ____ find ____ records to check ____ efficiency ____ ____?

____ ____ ____ ____ usage ____ ____ compare to industry benchmark for ____ analysis?

____ ____ we ____ past usage ____ to compare ____ industrial ____ for analyzing ____?

I ____ ____ compare my ____ with benchmarks ____ ____ analysis, ____ ____ ____ me a ____ on that?

How can ____ get usage information to compare with ____ ____ ____ efficiency ____ ____ ____ ____?

Does ____ know previous ____ I can ____ to ____ ____ ____ ____ industry standards?

____ want to ____ ____ usage with industry ____ for efficiency analysis, can ____ ____ ____ ____ data for ____?

How ____ ____ get ____ information to compare with industry ____ ____ efficiency ____ for historical ____ ____ ____ past ____

Can you help ____ find historical records of utilization ____ ____ ____ ____ efficient ____ ____ ____ to ____ figures?

____ ____ help ____ locate historical records ____ utilization metrics, ____ gauge ____ ____ to benchmark ____?

Is it ____ ____ ____ historical ____ ____ ____ efficiency ____ as compared ____ industry standards?

Where can ____ ____ ____ usage data that is ____ ____ comparing efficiency against ____ measured ____ ____ my ____?

I'm looking ____ ____ records ____ ____ metrics ____ gauge efficiency ____ ____ figures.

____ ____ know if ____ ____ usages can be used ____ benchmark ____ ____?

Which methods ____ ____ to ____ ____ utilization ____ ____ efficient performance comparison?

I am looking to compare historical ____ ____ ____ benchmark ____ ____ ____ ____.

I ____ to ____ ____ ____ against industry standards, ____ ____ ____ ____ previous usage information.

____ ____ ____ ____ historical metrics to ____ efficiency ____ industry norm.

Where can ____ get historical data ____ ____ ____ against ____?

_____ _____ I get _____ data to compare _____ benchmarks for _____ _____?

For _____ _____ _____ industry _____ _____ can I _____ historical data?

How _____ you compare _____ usage _____ with industrial standards _____ _____ _____?

_____ you _____ _____ historical _____ data _____ efficiency analysis in line _____ industry _____?

_____ _____ _____ see historical usage and industry benchmark figures _____ _____ _____.

Does _____ know _____ _____ have historical data _____ _____ _____ _____ with _____ benchmarks for _____ analysis?

I want to _____ _____ usage with _____ benchmarks _____ efficiency _____ _____ you _____ me the _____ _____?

How _____ we find _____ _____ _____ for _____ _____ analyzing efficiency benchmarks?

Can _____ use _____ energy usage statistics _____ _____ _____ _____ _____ other companies?

_____ _____ I _____ _____ information to _____ _____ industry _____ for efficiency analysis.

_____ I _____ to _____ my efficiency _____ the industry's average, _____ _____ get previous _____ _____?

I'm _____ to _____ _____ records _____ utilization _____ to _____ how _____ they are relative _____ _____ figures.

I _____ to _____ my _____ _____ industry benchmarking _____ _____ analysis

Does _____ know _____ historical _____ statistics _____ essential _____ _____ _____ compared to industry _____?

_____ you know where I can _____ past _____ _____ in _____ _____ compare efficiency _____ _____ in _____ sector?

Where can _____ find past data _____ _____ _____ is needed _____ _____ _____ with _____ of my _____ industries?

How _____ _____ get _____ usage data _____ compare and analyze _____ _____?

Is _____ possible _____ _____ _____ _____ to the industry's Benchmarks for _____ _____?

_____ _____ to benchmark my efficiency _____ industry _____ _____ am wondering if _____ can give _____ _____ previous _____ _____.

To _____ my _____ with _____ _____ _____ _____ analysis, can _____ supply me the historical _____?

How _____ _____ _____ to access historical _____ _____ that can be used _____ _____ _____?

_____ _____ to compare historical usage data to _____ _____ _____ _____ _____ analysis.

How can I get _____ _____ to compare _____ _____ benchmark for _____ _____ _____ historical _____?

I _____ _____ _____ historical metrics to _____ efficiency _____ industry _____.

Do _____ _____ _____ I can _____ past _____ data _____ _____ efficiency against standards _____ my _____?

How _____ _____ get usage data to _____ _____ _____ _____ for _____ analysis _____ historical usage?

_____ need to benchmark _____ efficiency _____ industry standards _____ I am _____ _____ you can give _____ _____ _____ _____.

_____ do _____ compare historical _____ _____ benchmarking data for _____ _____?

_____ want to compare historical usage _____ industry _____ figures _____ _____ _____.

How _____ _____ _____ _____ utilization figures for efficiency _____?

How _____ _____ _____ _____ usage _____ _____ industry benchmark data for _____ analysis?

I _____ help accessing historical data to _____ _____ _____ _____ compared _____ _____ norm.

Is there any way to _____ historical consumption _____ _____ will allow _____ _____ _____ _____ in _____ _____?

I would like _____ _____ _____ efficiency against _____ _____ if _____ _____ give _____ _____ past usage information.

How _____ I _____ usage information _____ _____ _____ _____ for efficiency analysis?

_____ want _____ _____ _____ usage with _____ _____ for efficiency analysis _____ I need historical _____.

_____ it _____ to _____ _____ information to _____ _____ _____ for Efficiency Analysis?

I _____ historical _____ _____ _____ _____ efficiency analysis _____ industry standards.

I want _____ compare _____ usage _____ _____ standards for _____ analysis, _____ you give _____ _____ history of _____?

_____ can _____ compare the _____ _____ historical _____ _____ the industry benchmark?

Where can _____ _____ _____ data that _____ _____ me compare _____ _____ to industry _____?

_____ you help _____ _____ _____ records _____ utilization metrics that _____ _____ used _____ gauge efficiency?

Do you know where _____ _____ get _____ _____ data for comparing _____ _____ commonly _____ standards _____ _____ sector?

What are _____ _____ to get _____ _____ details _____ efficient _____ comparison?

I _____ _____ to _____ historical _____ information and _____ _____ to similar industries' average _____ _____.

I need _____ previous _____ _____ _____ check my efficiency against _____ _____.

_____ want _____ _____ _____ usage with _____ benchmarks for _____ _____ can _____ give that data?

I want to _____ _____ usage _____ _____ for efficiency _____ _____ _____ _____ me historical data?

I _____ like to _____ historical records _____ _____ metrics to _____ _____ relative to _____ _____.

_____ can _____ _____ usage info _____ _____ _____ industry benchmark for _____ analysis?

_____ can _____ do _____ collect _____ _____ information _____ compare _____ _____ _____ performance in similar industries?

If you can _____ me _____ data _____ would _____ _____ _____ benchmarking my _____ _____ _____ benchmark for efficiency _____.

If I want _____ _____ my _____ _____ the _____ _____ _____ _____ get records of _____ usage?

_____ _____ we _____ _____ usage _____ for comparing efficiency benchmarks?

_____ _____ looking _____ _____ data to _____ efficiency against standards.

Obtaining past _____ data to _____ against _____ _____ for _____ _____ _____ steps _____ involved?

I want to _____ _____ _____ to industry _____ _____ _____ _____ I find relevant _____ from the _____?

_____ _____ _____ _____ past _____ to industrial standards _____ analyzing efficiency?

Where _____ I _____ _____ usage data _____ is important _____ _____ _____ against standards?

Do _____ know _____ _____ can _____ _____ usage _____ vital _____ _____ efficiency _____ commonly measured standards?

I _____ _____ _____ previous usage to benchmark my _____ against _____ _____.

Does _____ know any _____ _____ _____ can use to _____ my _____ against _____ _____?

_____ need usage _____ to _____ _____ _____ Benchmarks _____ efficiency analysis.

_____ _____ _____ do _____ collect historical _____ information and _____ _____ with similar industries?

There are _____ to _____ _____ _____ data for _____ efficiency _____.

_____ can we _____ _____ _____ _____ consumption history for benchmarking?

_____ want to compare my _____ _____ industry benchmarks, _____ where _____ I find _____ _____ _____ the _____?

I _____ to use _____ usage _____ industry benchmark figures _____ _____ _____.

_____ do _____ get _____ _____ data to compare _____ _____ efficiency benchmarks?

How do I _____ _____ information _____ compare _____ _____ _____ _____ efficiency analysis?

_____ am _____ _____ usage information _____ _____ _____ industry benchmarks for _____ analysis.

How should I get historical _____ information _____ _____ _____ _____ to _____ _____?

I _____ to compare my usage with _____ benchmarks _____ _____ _____ _____ you _____ give _____ historical _____?

_____ do _____ find out _____ _____ _____ _____ so that I _____ _____ my _____ to industrial standards?

When _____ _____ with standardized _____ of my _____ industries, can _____ find _____ _____ _____ utilization?

To compare _____ _____ with _____ benchmark for _____ _____ _____ you _____ _____ historical data?

_____ need _____ _____ my _____ _____ _____ standards _____ I'm curious if _____ can _____ me the previous usage _____.

_____ efficiency analysisHistorical data _____ _____ _____ to _____ _____ usage with industry _____.

_____ _____ _____ _____ get _____ _____ previous _____ to _____ my _____ performance against the industry's average?

How _____ _____ _____ out about previous _____ levels _____ _____ I can _____ _____ my efficiency?

_____ it possible _____ _____ usage _____ to _____ benchmark for efficiency _____ _____ historical _____?

I want _____ _____ my usage and _____ benchmarks for _____ analysis, _____ you _____ _____ _____ _____?

_____ can _____ _____ _____ data _____ compare efficiency with industry _____?

_____ you _____ _____ _____ can get _____ usage _____ that can _____ used _____ _____ efficiency against standards?

I need _____ benchmark my _____ against industry standards, _____ _____ _____ not sure if _____ _____ get _____ _____ _____ information.

I _____ _____ if _____ offer historical data _____ _____ my _____ with _____ benchmarks _____ efficiency analysis.

_____ seeking _____ metrics to gauge _____ _____ _____ standards.

_____ _____ _____ compare usage information to _____ _____ _____ _____ analysis of historical usage?

How _____ we obtain historical _____ _____ for comparing _____ analyzing _____ _____?

_____ _____ possible _____ _____ _____ usage information _____ industry benchmarks for efficiency _____?

Do _____ know where I _____ get past _____ data that _____ _____ for _____ _____ _____ _____ _____ standards in _____ sector?

_____ _____ _____ compare _____ usage and _____ benchmark data for _____ analysis?

To compare effectiveness with standardized _____ _____ _____ _____ _____ _____ can _____ _____ _____ data on utilization?

I need _____ accessing _____ _____ _____ _____ _____ energy consumption compared _____ industry standards.

Can _____ get _____ _____ for comparing efficiency _____ _____ standards?

_____ _____ _____ obtain _____ usage data for _____ efficiency analysis _____ industry _____?

Is _____ _____ to _____ _____ usage _____ for evaluating efficiency compared _____ industry _____?

_____ _____ we get historical _____ _____ _____ an _____ performance comparison with industry _____?

How _____ I find historical usage _____ _____ _____ _____ analysis with _____ _____?

What can _____ do to collect historical utilization information _____ compare _____ _____ average _____ _____ _____ the _____ _____?

____ ____ I compare the industry's ____ ____ ____ Analysis ____ usage?

I want ____ compare ____ ____ ____ industry benchmarks ____ ____ analysis, can ____ give ____ some ____ information?

Do ____ know how ____ get ____ ____ data that's ____ ____ ____ ____ against commonly measured ____?

____ want ____ benchmark my efficiency against industry standards, ____ ____ ____ previous ____ ____.

____ ____ possible ____ provide historical consumption ____ for ____ analysis ____ industry ____?

How can old ____ figures be used ____ ____ ____ ____ ____ ____ benchmark?

____ ____ one ____ ____ ____ figures to compare ____ with industry benchmarks?

____ ____ ____ ____ ____ my usage with industry ____ ____ efficiency analysis, can you give me ____ ____ ____ that?

____ need historical ____ ____ for efficiency analysis ____ industry ____.

Does anyone know ____ ____ get ____ usage statistics essential ____ ____ efficiency compared ____ ____ ____?

____ I ____ to benchmark my ____ performance ____ ____ industry's average, ____ ____ ____ ____ previous usage records?

How ____ one get ____ utilization figures ____ use ____ ____ ____?

How ____ I ____ ____ usage information ____ ____ efficiency ____ to industry ____?

____ ____ we ____ out ____ utilization ____ for efficient performance comparison with ____ ____?

Where can I find ____ ____ to compare ____ ____ ____ measures ____ my ____?

I ____ ____ benchmark my ____ ____ industry standards, ____ I'm ____ ____ ____ ____ give me ____ previous usage information.

How ____ ____ compare ____ industry's Benchmarks ____ ____ Analysis with my ____ ____?

I ____ to compare ____ usage ____ ____ benchmarking ____ ____ analysis, ____ you provide ____ historical ____?

____ it possible to ____ records of previous usage to ____ ____ ____ ____ the ____ ____?

____ ____ ____ ____ I ____ ____ past usage data that's vital ____ comparing ____ against standards?

____ anyone ____ any ____ usages I ____ use to ____ ____ efficiency?

____ want ____ ____ historical records of ____ ____ ____ ____ I ____ gauge efficiency against benchmark ____.

____ can I ____ ____ ____ to compare ____ industry benchmarks for efficiency ____ in ____ ____?

____ someone ____ me ____ ____ get ____ usage statistics to ____ efficiency ____ to ____ metrics?

Do ____ ____ where I can ____ past ____ data ____ I ____ compare ____ ____ standards?

I want to ____ my ____ with industry ____ ____ efficiency ____ ____ ____ give ____ a ____ of that?

____ ____ can ____ me the previous usage ____ I ____ to ____ ____ efficiency against ____ standards, I ____ ____.

____ was ____ if you could help ____ find historical records of ____ metrics ____ ____ ____ ____ ____ benchmark ____.

____ ____ get historical ____ data ____ ____ analysis against industry ____?

____ ____ ____ previous ____ that I ____ use ____ benchmark my efficiency?

____ you recommend seeking ____ usage details ____ ____ ____ ____ efficiency?

____ ____ find ____ ____ information for ____ analysis using ____ benchmarking?

How do ____ ____ the industry's ____ for ____ Analysis with ____ ____?

____ ____ I ____ usage information to ____ ____ with ____ benchmarking ____ efficiency analysis?

____ ____ ____ in benchmarking my ____ ____ an ____ ____ for ____ analysis ____ ____ could give me historical data.

How ____ ____ ____ past ____ data to compare ____ ____ standards in my ____?

How ____ ____ ____ ____ data for comparing and ____ ____ Benchmarks?

What steps should ____ take ____ ____ historical ____ ____ for comparing efficiency ____ ____ ____ standards?

____ can ____ find ____ data on utilization ____ to ____ ____ ____ standardized measures ____ my ____ industries?

Can I ____ ____ ____ ____ to ____ efficiency analysis?

____ do I get ____ usage ____ ____ ____ ____ ____ to measure efficiency ____ benchmarks?

I want to ____ my usage ____ other ____ ____ ____ analysis, ____ you give ____ ____ ____?

____ ____ to ____ ____ ____ with industry benchmarks ____ efficiency analysis, can you ____ ____ some history ____ that?

Can we ____ ____ energy ____ statistics to ____ ____ ____ to ____ companies?

____ ____ see past ____ data ____ compare ____ analysis?

I ____ ____ ____ ____ ____ ____ industry benchmarks ____ where ____ I find relevant ____ from the past?

Is it possible ____ find ____ ____ data ____ compare ____ ____?

For ____ ____ with ____ measures ____ ____ field's industries, ____ can I find ____ ____ utilization?

How is ____ possible to compare ____ usage ____ with ____ ____ for ____ ____?

____ you know ____ I can ____ past usage ____ ____ is ____ for ____ ____ ____ standards?

_____ am _____ _____ _____ records _____ utilization metrics, _____ to _____ _____ _____ to the benchmark figures.

_____ can _____ get usage _____ _____ _____ _____ industry _____ for efficiency analysis?

I need _____ assistance _____ _____ historical _____ _____ _____ our _____ _____ compared to industry norm.

_____ want _____ compare _____ usage with _____ _____ efficiency _____ can you _____ _____ data?

I'm looking for _____ usage _____ _____ efficiency analysis _____ _____ _____ _____ standards.

Where _____ I _____ _____ _____ _____ I can use to compare _____ efficiency _____ _____ benchmarks?

I _____ to _____ _____ _____ against industry standards and am _____ _____ you _____ give _____ _____ previous _____ information.

_____ _____ _____ benchmark my _____ _____ industry standards and _____ _____ if _____ can give _____ the past _____ information.

_____ _____ I compare _____ usage _____ _____ benchmark _____ for efficiency analysis?

_____ _____ to _____ my usage _____ industry _____ for _____ _____ can _____ give me some history on _____?

Can _____ _____ me _____ _____ I need _____ compare my usage with _____ _____ efficiency _____?

_____ looking for historical _____ to _____ _____ _____ industry standards.

There _____ _____ to obtain historical _____ _____ _____ comparing _____ analyzing efficiency _____.

How can _____ get _____ _____ data _____ _____ and _____ efficiency benchmark?

I want _____ _____ _____ _____ with industry benchmarks _____ _____ analysis, for _____ usage.

I want _____ _____ my _____ _____ industry _____ for efficiency _____ _____ you _____ me _____ data

Is it _____ to retrieve _____ _____ statistics essential _____ comparing _____ with _____ _____?

For comparing effectiveness with _____ _____ of my _____ industries, where _____ _____ _____ _____ _____ on _____?

Is there a _____ _____ gather _____ efficiency _____ for _____?

_____ you give me _____ records of _____ metrics that I _____ _____ _____ _____ efficiency _____ to benchmark _____?

Can you let me know _____ _____ _____ _____ my usage _____ _____ _____ for efficiency _____?

How can _____ compare industry's Benchmarks _____ _____ _____ _____ usage _____?

_____ _____ _____ _____ _____ about seeking historical usage _____ to assess _____ industry's efficiency?

I _____ _____ _____ my usage _____ industry benchmarks _____ efficiency _____ can _____ give me _____ _____?

To compare efficiency _____ industry _____ _____ can _____ gather _____ _____?

_____ _____ one _____ old utilization _____ _____ evaluation of efficiency?

_____ can we acquire historical _____ _____ to _____ _____ _____ efficiency benchmarking?

How to _____ _____ _____ data for _____ _____ benchmarks?

_____ can I _____ records of previous _____ to _____ _____ efficiency _____?

_____ _____ _____ me _____ usage data so _____ can judge my _____ _____ efficiency?

_____ I _____ _____ _____ information and compare _____ with average _____ _____ in _____ industries?

_____ want _____ _____ historical usage with Industry benchmark _____ for _____ _____.

I'd be _____ _____ _____ my _____ with _____ _____ _____ efficiency analysis if you could give me _____ _____.

I want _____ _____ historical usage with industry _____ _____ _____ _____ analysis.

I _____ to compare _____ usage _____ _____ _____ figures for better _____.

I am _____ if you _____ _____ _____ the previous _____ information _____ _____ _____ benchmark my _____

_____ _____ I _____ historical _____ for comparing _____ _____ industry standards?

_____ my usage with _____ benchmark _____ _____ _____ is _____ I would be _____ _____.

Does _____ know _____ _____ _____ can be _____ to _____ _____ _____ with benchmarks for _____ analysis?

_____ I access _____ usage _____ to compare _____ _____?

I _____ to benchmark _____ _____ _____ _____ standards and _____ wondering if _____ can give _____ _____ previous _____ data.

How _____ _____ _____ industry benchmarks _____ efficiency _____ with historical usage _____?

Can _____ tell me the _____ data _____ compare _____ usage _____ _____ benchmarks for _____ _____?

How _____ get _____ _____ _____ _____ _____ and analyzing efficiency benchmarks?

_____ _____ _____ historical records _____ utilization metrics to gauge _____ _____ _____ the benchmark.

I _____ to compare my usage with _____ benchmark _____ efficiency _____ can _____ _____ _____ _____ _____ that?

I _____ _____ if _____ _____ _____ me the _____ usage _____ I need to _____ my efficiency _____ other _____.

Can you give me _____ _____ to compare my usage _____ _____ _____ _____ _____ _____?

_____ would like to compare my usage _____ industry _____ _____ _____ _____ _____ you _____ me historical data about _____ _____?

_____ _____ to benchmark my efficiency against _____ _____ _____ I _____ curious if _____ can give me _____ _____ _____ information.

_____ can _____ _____ historical utilization details for efficient _____ comparison _____ _____ _____?

I _____ to _____ my _____ _____ _____ benchmark _____ efficiency _____ can you give me _____ data _____ that?

What _____ _____ _____ to collect _____ utilization information and _____ _____ _____ _____ _____ measures of similar industries?

_____ _____ _____ get _____ of _____ usage to _____ my _____ _____ the industry's average?

Do you _____ where _____ can _____ past _____ data _____ _____ _____ _____ _____ efficiency against standards?

I want _____ _____ _____ _____ _____ _____ _____ _____ efficiency analysis, can you give me a _____ _____ of that?

_____ _____ _____ compare _____ usage _____ _____ data for efficiency analysis?

Can I _____ historical usage _____ _____ _____ with _____ _____ data _____ efficiency analysis?

_____ do I _____ _____ about previous _____ levels that _____ help me _____ my _____ _____ industrial _____?

_____ am _____ historical _____ _____ _____ efficiency _____ as compared to industry _____.

_____ you _____ that _____ _____ _____ previous _____ to benchmark _____ _____ against industry standards?

Can you _____ _____ find _____ metrics to _____ _____?

How can _____ benchmark _____ efficiency performance _____ _____ _____ average by obtaining _____ _____ _____?

_____ _____ historical usage data for _____ _____ _____ _____ industry standards.

_____ _____ we able to get _____ _____ details _____ _____ performance comparison with _____ _____?

_____ _____ know where _____ can _____ past _____ _____ that I can _____ to compare _____ against _____?

How _____ _____ compare _____ usage data against _____ standards _____ _____ efficiency?

If I _____ to _____ efficiency _____ with industry standards _____ _____ historical _____ _____.

_____ do I _____ historical usage information _____ _____ _____ _____ _____ efficiency analysis?

How can we _____ historical _____ _____ for _____ _____ comparison with _____?

I'd _____ _____ compare my _____ with industry benchmarks _____ efficiency analysis, _____ you _____ _____ a history _____ _____?

_____ can _____ get historical usage _____ _____ comparing _____ benchmark?

_____ are the steps _____ in _____ past _____ data _____ _____ _____ _____ analyzing efficiency?

Is it _____ _____ _____ past usage _____ _____ comparing efficiency _____?

_____ anyone _____ _____ usages _____ _____ use to benchmark my _____?

How _____ I get _____ _____ _____ compare _____ _____ benchmark for _____ analysis.

Do you know where _____ can _____ _____ _____ data that is vital _____ _____ efficiency against _____ _____ _____?

_____ would _____ _____ compare _____ _____ withindustry _____ figures for efficient analysis.

_____ can I do _____ _____ _____ utilization data and _____ it with _____ _____ _____ of similar _____?

_____ _____ know how to _____ _____ usage _____ that is _____ for _____ efficiency _____ commonly _____ standards?

How _____ _____ use previous usage _____ _____ my _____ against industry _____?

_____ _____ _____ to _____ past _____ data to compare efficiency _____.

I'm looking for historical _____ _____ _____ _____ against _____ standards.

I would _____ interested in _____ _____ _____ _____ industry _____ for _____ analysis _____ you gave me historical _____.

_____ am _____ if _____ can _____ _____ the previous usage information _____ need to _____ my _____ _____ industry _____.

_____ I collect _____ _____ information and compare it _____ average _____ _____ _____ _____ industries?

_____ _____ to _____ my usage _____ industry _____ for efficiency analysis, _____ _____ _____ me the _____ data?

_____ looking _____ historical records _____ utilization _____ in order _____ _____ efficiency _____ benchmark _____.

_____ need to benchmark my _____ _____ _____ _____ if you _____ _____ me the _____ usage _____.

Where _____ _____ _____ historical data _____ comparing _____ with _____ standards?

_____ can _____ _____ _____ figures to _____ _____ with industry benchmarks?

I _____ _____ compare _____ _____ _____ industry benchmarks for efficiency analysis, can _____ give me _____ _____ _____ that?

_____ you _____ _____ locate _____ records _____ utilization metrics to _____ _____ against benchmark _____?

Can _____ help _____ find historical _____ _____ utilization _____ that _____ efficiency _____ to benchmark _____?

I _____ to _____ my usage _____ _____ benchmarks for _____ _____ can _____ _____ me any _____?

What _____ _____ I _____ _____ get historical _____ information _____ comparing _____ analysis _____ industry standards?

I need _____ previous _____ information _____ compare _____ efficiency against _____ _____.

I want to _____ _____ usage with _____ for efficiency analysis, _____ _____ _____ _____ historical _____?

Where _____ I find _____ from _____ past _____ will _____ _____ compare _____ _____ against others?

_____ it possible to _____ historical usage data _____ _____ evaluating efficiency _____ _____ _____ _____?

_____ _____ see _____ _____ data _____ analyzing efficiency?

_____ there any way to collect historical _____ _____ _____ _____ it to _____ _____ _____ in _____ industries?

_____ _____ _____ find usage information _____ _____ with _____ benchmarking _____ efficiency analysis?

_____ you have information _____ _____ _____ _____ can _____ to benchmark my efficiency?

_____ _____ _____ compare _____ usage _____ industry benchmarks for _____ analysis, _____ _____ tell me _____ about that?

Can _____ _____ me _____ data _____ compare my usage with _____ _____ efficiency _____?

I'm _____ _____ historical _____ to compare my _____ with _____ benchmarks _____ _____ analysis.

Do you _____ _____ _____ can find past _____ _____ _____ is crucial for _____ efficiency _____ _____?

I need _____ benchmark _____ efficiency against _____ standards, and I _____ wondering _____ you _____ give _____ _____ _____ _____ information.

I _____ _____ to _____ historical _____ _____ _____ metrics to see _____ efficient _____ are relative to _____ figures.

_____ _____ I have to do _____ _____ _____ usage information to _____ efficiency _____ _____ _____ standards?

Where can _____ find _____ from _____ past _____ _____ _____ _____ compare _____ efficiency to industry _____?

_____ do I compare _____ _____ _____ to industry _____ data _____ efficiency _____

_____ you help me _____ historical records _____ _____ metrics _____ _____ I can _____ efficiency _____ benchmark _____?

How _____ I get usage information to compare with _____ _____ _____ efficiency _____ _____ _____ _____?

Do _____ _____ _____ _____ can get _____ usage _____ that is vital for _____ _____ _____ standards?

Is _____ possible to _____ previous usage _____ to _____ my _____ performance _____ _____ _____ average?

_____ _____ the _____ to _____ historical utilization _____ and compare it _____ average _____ _____ of similar _____?

Is it a good idea to _____ _____ usage _____ _____ _____ _____ _____ to industry _____?

Should _____ seek _____ usage _____ to _____ my industry's efficiency _____ _____ _____ benchmarks?

How do _____ obtain _____ usage _____ _____ comparing efficiency _____ _____ industry _____?

_____ _____ collect historical _____ information _____ compare _____ with _____ performance measures in _____ same _____?

I'm wondering if _____ _____ _____ _____ _____ previous _____ information that _____ need to _____ _____ _____ against industry standards.

_____ want to compare my _____ with _____ _____ _____ efficiency _____ can _____ give _____ _____ historical data?

_____ _____ _____ _____ historical utilization _____ for efficient performance comparisons?

Is it _____ _____ get historical usage _____ that are essential _____ _____ _____ _____ with _____ _____?

How _____ _____ _____ _____ for efficient _____ comparison be obtained?

I want _____ _____ my _____ with industry benchmark _____ efficiency analysis, _____ _____ _____ me _____ _____?

_____ want _____ _____ _____ efficiency against _____ benchmarks, so where _____ _____ _____ relevant data from _____ past?

I _____ _____ benchmark my _____ _____ against _____ _____ average, _____ I can't find a way to _____ _____ _____ records.

_____ want _____ _____ _____ usage _____ industry benchmarks _____ _____ analysis, can _____ give _____ the historical data to _____?

How _____ _____ _____ _____ information _____ compare with industry's _____ for efficiency _____?

_____ need _____ _____ my _____ _____ industry standards, _____ _____ _____ if you can give _____ the previous _____ information.

Do you _____ if _____ can _____ previous usages _____ _____ _____ efficiency?

I would _____ to _____ historical metrics _____ _____ _____ against industry _____.

I need _____ _____ _____ _____ order _____ compare _____ against commonly _____ standards.

How _____ _____ _____ _____ usage _____ with industry benchmarks for efficiency _____?

How _____ we _____ historical _____ _____ for _____ _____ performance comparison?

Is it possible _____ _____ _____ _____ data to compare _____ _____?

Could we _____ _____ _____ _____ history for _____?

Is _____ _____ to _____ the _____ _____ for _____ Analysis with usage _____?

Are _____ _____ records _____ _____ metrics that I _____ _____ to _____ efficiency _____ to the _____ figures?

_____ _____ _____ historical usage _____ to gauge _____ industry's efficiency?

Does anyone know if I _____ _____ prior usages _____ _____ _____ _____?

How can I _____ _____ _____ _____ _____ with _____ _____ for efficiency analysis?

_____ _____ _____ where I can get _____ _____ _____ that is _____ for _____ efficiency _____ other standards?

I'm in need _____ _____ _____ _____ _____ with _____ benchmarks _____ efficiency analysis.

If _____ want _____ benchmark _____ efficiency performance _____ _____ industry average, _____ can _____ _____ records of previous _____?

What _____ _____ do to _____ historical utilization _____ and compare it _____ _____ average performance _____ _____ _____?

_____ it _____ _____ obtain usage _____ to compare _____ the _____ for _____ Analysis?

_____ I _____ _____ usage _____ to _____ my _____ _____ to standard benchmarks?

I _____ wondering if you _____ _____ me the _____ _____ _____ I need to _____ _____ _____ against _____ standards.

_____ _____ _____ me the data _____ _____ _____ compare _____ usage _____ industry _____ for efficiency analysis?

_____ can _____ _____ _____ information to _____ it _____ industry _____ for efficiency analysis?

Can _____ _____ _____ find _____ records of utilization metrics so _____ can gauge _____ _____ _____ benchmark _____?

_____ _____ to _____ my _____ _____ benchmark for efficiency analysis, can _____ provide that _____?

How to _____ historical utilization _____ for _____ _____ comparison _____ _____ averages?

Is it a good idea _____ _____ historical _____ _____ _____ evaluating efficiency _____ _____ _____ metrics?

_____ _____ have _____ previous usage that I can _____ to benchmark my _____ _____ _____ _____?

Does anyone _____ _____ _____ _____ past efficiency _____ for benchmarking?

Is _____ possible _____ _____ historical _____ _____ _____ for analyzing efficiency _____ to _____ metrics?

_____ _____ _____ interested _____ benchmarking my usage _____ _____ benchmark _____ efficiency analysis _____ you could _____ me _____ data.

I am looking _____ _____ information _____ compare _____ industry _____ _____ _____ analysis.

_____ _____ _____ use old utilization figures to _____ efficiency compared _____ _____?

Can _____ give me _____ data _____ my _____ to _____ it _____ _____ _____ _____ efficiency analysis?

I _____ to find historical records _____ utilization _____ _____ to gauge efficiency _____ _____ _____ _____.

_____ _____ _____ me the historical data _____ compare _____ _____ _____ industry _____ for efficiency analysis?

How _____ I _____ usage information _____ _____ _____ _____ benchmarks for efficiency analysis in _____ _____?

Does anyone _____ _____ _____ I _____ use to compare my _____ against _____ _____?

_____ can _____ find _____ usage data _____ compare _____ _____ benchmark data _____ efficiency _____?

_____ _____ to compare my usage _____ _____ _____ for _____ analysis, can _____ give _____ the _____ data

_____ want _____ analyze my own _____ relative _____ industrial standards, _____ how _____ I _____ previous _____ _____?

_____ _____ one _____ _____ utilization figures to evaluate efficiency _____ to _____ _____?

_____ _____ to benchmark my efficiency against _____ standards _____ _____ am _____ if _____ _____ _____ me _____ usage info.

I want _____ _____ my _____ _____ industry _____ for efficiency analysis, can _____ give me any _____ _____ _____ _____?

Is it _____ to _____ historical consumption _____ _____ _____ comparison _____ standard _____ in the _____?

_____ do you _____ historical _____ details _____ efficient _____ comparison?

I'm _____ for historical _____ _____ _____ metrics, specifically to _____ _____ _____ _____ sector-wide benchmark figures.

_____ _____ _____ _____ find _____ information to compare with the _____ _____ _____ Efficient Analysis?

Do you know _____ I can _____ _____ _____ _____ for comparing _____ against _____ _____?

How _____ you _____ historical _____ data for comparing _____ _____?

Should I _____ for historical _____ details _____ _____ _____ industry's _____?

I'm looking _____ historical _____ to _____ efficiency _____ industry _____.

_____ _____ to _____ _____ _____ with benchmarks _____ _____ analysis, can you give me _____ historical _____?

Where can _____ _____ data from _____ _____ _____ helps _____ compare _____ _____ against industry benchmark?

I _____ _____ _____ _____ can _____ _____ _____ usage information I _____ to benchmark my efficiency.

_____ historical usage details to _____ my _____ efficiency _____ _____ _____.

I _____ past _____ on _____ to compare _____ _____ _____ _____ of industries.

_____ can _____ find past _____ that can help me _____ my _____ _____ _____?

_____ anyone know what _____ _____ _____ _____ to _____ _____ efficiency against others?

_____ _____ to _____ _____ _____ _____ industry standards, and I am wondering _____ I _____ get _____ previous usage _____.

_____ _____ I _____ _____ _____ to compare _____ _____ Benchmarks for Efficient Analysis?

Is _____ _____ _____ _____ records of previous usage _____ _____ _____ efficiency performance _____ the average?

_____ do you get _____ usage _____ for analyzing _____ _____?

_____ _____ _____ obtain historical usage _____ to _____ efficiency _____ with industry _____?

_____ order to _____ effectiveness _____ standard measures of my field's _____ where _____ I _____ _____ _____ _____ utilization?

What _____ _____ _____ of getting historical utilization _____ _____ efficient performance _____?

What _____ methods _____ _____ _____ utilization details for _____ performance _____?

_____ comparing effectiveness _____ standard measures of _____ _____ industries, where _____ _____ find _____ data _____ _____?

I need _____ benchmark my efficiency against industry _____ _____ I am _____ _____ I _____ _____ _____ previous _____ _____.

_____ _____ I compare the _____ _____ for _____ Analysis with usage _____?

How _____ _____ get _____ _____ details _____ _____ performance comparison with _____ averages?

_____ _____ _____ _____ historical data for comparing _____ with _____ standards?

_____ _____ to compare _____ _____ withindustry benchmark figures _____ _____ analysis.

_____ _____ I _____ _____ data on utilization _____ to _____ effectiveness _____ _____ measures of my field's _____?

How are we _____ to _____ past _____ _____ to compare _____ industrial _____ _____ analyzing _____?

_____ _____ _____ where I _____ _____ past _____ data _____ compare _____ against the standards in _____ industry?

_____ you know whether I can _____ _____ _____ to _____ my _____?

_____ _____ _____ _____ information about _____ consumption _____ _____ will help _____ analyze my efficiency?

_____ _____ know _____ _____ can compare my use with industry _____ _____ _____ analysis?

_____ can one _____ _____ _____ figures _____ _____ evaluation compared with industry _____?

_____ can I _____ usage _____ from _____ industry's Benchmarks _____ Efficiency _____?

How _____ I use _____ _____ _____ compare with _____ benchmarks for _____ _____?

_____ _____ I _____ _____ get _____ utilization information _____ compare it to average performance measures _____ _____ _____?

I _____ in _____ of _____ usage data for efficiency _____ _____ to _____ _____.

_____ you able to help _____ find _____ metrics _____ _____ _____ against industry _____?

I'd _____ to _____ _____ _____ with _____ benchmarks for efficiency _____ _____ you _____ me historical data _____ that?

_____ _____ historical data _____ comparing efficiency _____ industry _____.

_____ wondering if _____ _____ _____ _____ _____ _____ usage information I need _____ benchmark my _____ against industry standards.

How might _____ utilization figures _____ _____ _____ _____ evaluation compared _____ industry _____?

I _____ _____ _____ _____ _____ with _____ benchmarks _____ efficiency analysis, can you provide some _____ on _____?

_____ _____ provide historical _____ data _____ efficiency analysis against _____ _____?

How _____ I _____ _____ _____ previous _____ _____ that will allow _____ _____ analyze my efficiency?

_____ you show _____ _____ _____ _____ _____ analysis against industry benchmarks?

How can _____ _____ usage _____ _____ order to _____ with _____ _____ for efficiency _____?

_____ to _____ historical _____ _____ _____ benchmarking efficiency?

_____ you _____ where I can _____ the _____ usage _____ I _____ to _____ my _____ against other _____?

I _____ like _____ compare my usage with industry _____ _____ efficiency analysis, _____ you give me _____ _____ _____ _____ _____ _____?

_____ can _____ usage data be compared against industrial _____ _____ _____ _____?

_____ _____ _____ get historical _____ details for an _____ _____ comparison?

_____ _____ _____ _____ my _____ _____ industry benchmark _____ efficiency analysis can _____ _____ me the historical data?

I _____ to compare historical _____ _____ with _____ _____ _____ efficiency analysis.

Is it _____ _____ retrieve _____ usage statistics _____ _____ evaluate efficiency _____ to _____ _____?

_____ _____ _____ compare my usage with industry benchmarks _____ efficiency _____ can _____ _____ _____ _____ information?

How can _____ use _____ utilization figures _____ compare _____ _____ industry _____?

Can you _____ me _____ data on _____ usage in _____ _____ industry _____ _____ _____ analysis?

_____ anyone _____ _____ _____ not I can use _____ usages _____ _____ my efficiency?

_____ you help me _____ historical records _____ utilization _____ _____ can be _____ _____ gauge efficiency relative _____ _____ _____?

_____ you _____ give _____ _____ data I'd be _____ _____ benchmarking _____ usage with an _____ _____ _____ efficiency analysis.

Are _____ able to _____ me _____ _____ _____ information _____ I need _____ benchmark my _____?

How _____ one compare _____ _____ figures _____ industry _____ _____ efficiency evaluation?

How may _____ _____ figures _____ _____ to compare _____ with _____?

Is it _____ _____ get _____ usage _____ _____ evaluate efficiency _____ to industry _____.

Can _____ _____ usage information to compare _____ _____ _____ _____ for _____ Analysis?

_____ _____ for _____ _____ of utilization _____ to _____ efficiency relative to _____ benchmark _____.

_____ want _____ compare my usage _____ _____ benchmarks _____ efficiency _____ _____ _____ me _____ history on that.

Where _____ _____ _____ _____ data that _____ _____ me _____ my efficiency against industry _____?

How _____ _____ get _____ information to _____ with _____ benchmark _____ efficiency?

What _____ _____ have _____ _____ to get _____ usage _____ _____ comparing _____ analysis with _____ standards?

_____ _____ I _____ records _____ _____ usage _____ compare my _____ performance against the _____ average?

Is it _____ _____ _____ historical _____ _____ _____ _____ efficiency compared to industry metrics.

For historical usage in _____ _____ _____ industry _____ _____ efficiency analysis, can _____ _____ _____ information?

_____ can I _____ usage _____ to industry benchmarks _____ efficiency _____ of _____ _____?

_____ _____ to compare _____ usage _____ _____ for efficiency analysis, can you _____ me _____ _____ data for _____?

_____ can _____ _____ _____ usage data for _____ efficiency benchmarks?

_____ _____ wondering _____ _____ can give me previous usage _____ _____ need to benchmark _____ efficiency _____ industry _____.

_____ _____ I _____ historical usage _____ _____ compare efficiency analysis _____ _____ standards?

_____ anyone _____ the _____ usages I _____ use to _____ _____ efficiency _____ industry _____?

How _____ _____ get _____ _____ _____ for _____ and analyzing efficiency benchmarks?

I _____ _____ obtain historical _____ information _____ _____ _____ to _____ efficiency analysis with industry _____.

_____ it _____ to get _____ _____ stat _____ evaluating efficiency _____ _____ industry metrics.

_____ anyone _____ _____ _____ can use _____ old usages _____ benchmark my _____?

How _____ we _____ _____ usage data _____ _____ to industrial _____ for _____ efficiency?

_____ want to get _____ usage _____ for comparing _____ _____ with _____ _____.

I _____ a _____ about _____ _____ _____ usage information to compare _____ industry _____ _____ efficiency _____.

_____ _____ _____ do to _____ usage information to _____ _____ _____ efficiency analysis?

I want to know the _____ _____ information _____ _____ _____ _____ my efficiency _____ _____ standards.

_____ looking for historical records _____ _____ _____ to determine _____ relative _____ benchmark _____.

_____ it helpful _____ _____ historical _____ statistics for evaluating _____ compared _____ industry _____?

I want _____ _____ my efficiency _____ _____ the _____ average, but _____ I _____ _____ usage _____ to _____ that?

_____ _____ I compare usage _____ _____ industry Benchmarks for _____ _____?

_____ _____ I _____ usage data to compare with _____ _____ _____ efficiency _____ of _____ usage?

_____ _____ _____ process for obtaining _____ _____ _____ for _____ efficiency analysis with _____ standards?

Do _____ know where and how _____ _____ get _____ usage _____ _____ _____ efficiency against _____ measured _____?

_____ _____ must I take to get historical _____ information to _____ efficiency _____ _____ _____ _____?

_____ it possible to get _____ _____ stat for evaluating _____ compared _____ _____ _____?

_____ _____ _____ me how _____ get historical usage statistics _____ _____ _____ efficiency compared _____ _____ metrics?

Does anyone have historical data _____ _____ my _____ _____ industry benchmarks _____ _____ _____?

I'm looking for _____ _____ _____ metrics _____ gauge efficiency _____ _____ benchmark _____.

For _____ effectiveness _____ standardized _____ _____ my field's _____ where _____ I find _____ _____ on _____?

Do you know where _____ can _____ _____ _____ _____ that _____ _____ for _____ efficiency _____ standards?

_____ _____ looking for _____ usage _____ to compare _____ industry _____ data for _____ _____.

What steps _____ _____ _____ _____ historical _____ _____ for _____ _____ analysis with industry standards?

_____ in _____ _____ past usage data to compare _____ _____ commonly _____ _____.

_____ can _____ _____ historical utilization details for _____ performance _____ _____ peers?

_____ need historical consumption _____ for efficiency analysis _____ _____ _____.

_____ _____ able to _____ me _____ previous _____ _____ I _____ _____ benchmark my efficiency?

I would _____ to find _____ _____ to _____ efficiency _____ _____ standards.

_____ _____ I _____ my efficiency _____ _____ the _____ average with the _____ of _____ usage _____?

How do we _____ past _____ data _____ _____ _____ _____ efficiency analysis?

_____ _____ _____ benchmark _____ efficiency _____ against the industry's average _____ looking _____ my previous _____?

_____ can I _____ to _____ usage _____ _____ _____ benchmarks for _____ analysis?

How to acquire _____ _____ _____ _____ _____ efficiency benchmarks.

_____ it possible _____ _____ usage _____ _____ _____ benchmarks _____ efficiency analysis _____ historical usage?

How _____ get historical _____ information for _____ _____ _____ comparison?

_____ can I _____ past _____ _____ _____ _____ vital for comparing efficiency _____ commonly measured standards in _____ _____?

_____ _____ _____ _____ _____ _____ performance _____ the industry's _____ by looking at previous usage?

_____ _____ _____ me find historical _____ I can use _____ _____ efficiency?

_____ _____ help _____ locate historical _____ _____ utilization _____ to gauge _____ relative to _____ figures?

I want _____ compare my usage _____ _____ _____ _____ efficiency analysis, _____ you _____ historical _____?

Do you have ____ ____ ____ ____ ____ ____ information and compare ____ ____ average performance measures ____ similar industries?

Is ____ ____ ____ collect historical ____ information and compare ____ to ____ ____ ____ in ____ industries?

To compare ____ efficiency performance ____ ____ ____ average, I need ____ of ____ ____.

____ can ____ get ____ data for ____ ____ analyzing efficiency ____?

____ it possible to ____ ____ usage stats ____ are ____ for ____ efficiency compared ____ ____ ____?

I ____ ____ to ____ usage information to compare ____ industry ____ for ____ ____.

I ____ to ____ my usage ____ industry benchmark ____ ____ analysis, can ____ ____ me ____ ____ data?

I ____ to ____ ____ ____ of utilization metrics ____ order to gauge ____ ____ ____ figures.

____ ____ collect ____ utilization information and ____ ____ ____ the average performance ____ of ____ industries?

____ do ____ ____ ____ usage information for comparing ____ ____ with ____ standards?

____ I want to ____ my ____ ____ ____ ____ I need ____ usage information.

I ____ ____ compare ____ ____ to ____ ____ for efficiency analysis, ____ ____ usage ____ the past

Seek ____ ____ ____ to look at ____ ____ efficiency.

____ are ____ ____ I need to take ____ ____ ____ usage information ____ ____ efficiency ____ with industry standards?

Where ____ I ____ relevant data ____ ____ past to ____ ____ ____ against ____ benchmark?

____ ____ know ____ I can ____ ____ prior usages ____ ____ my efficiency?

Can ____ get ____ information to compare ____ ____ benchmarks for ____ ____ of ____ ____?

____ anyone know ____ ____ ____ ____ could use to benchmark my ____?

____ ____ ____ ____ usage ____ to compare ____ industry benchmark for efficiency ____?

I need ____ ____ ____ efficiency against industry ____ ____ ____ ____ to know the ____ usage ____.

In order ____ compare ____ ____ standardized measures of ____ ____ ____ ____ ____ I find past data on ____.

____ ____ to find historical ____ ____ analyze ____ against standards.

Does ____ know ____ my previous usages ____ ____ used ____ benchmark ____ ____ against industry ____?

____ ____ we ____ historical ____ data for ____ benchmarking?

____ ____ ____ to compare ____ usage ____ industry benchmark figures ____ ____ analysis.

How can ____ ____ ____ ____ ____ ____ for efficient performance comparison?

____ ____ usage with ____ ____ ____ ____ analysis ____ something that I'd be ____ in.

For ____ ____ with standardized ____ of ____ field's industries, ____ ____ I locate ____ ____ on ____?

____ anyone aware of ____ previous ____ I ____ use ____ benchmark ____ ____?

How ____ ____ ____ past usage data to compare against industrial ____ ____ ____ ____?

____ want to ____ my ____ ____ industry ____ ____ efficiency analysis, can you ____ ____ a ____ of that?

____ ____ an efficiency ____ ____ done ____ old ____ ____ compared to industry benchmarks?

____ do I compare historical usage ____ ____ ____ data ____ efficiency ____?

____ I find ____ information to compare ____ industry benchmarks ____ ____ ____?

____ ____ searching ____ historical data to analyze efficiency ____ ____.

____ ____ like ____ usage data ____ ____ analysis, compared to ____ standards.

____ should I get ____ ____ ____ ____ compare ____ analysis with ____ standards?

____ compare effectiveness with ____ ____ ____ my field's industries, ____ ____ ____ ____ past ____ on utilization?

____ comparing effectiveness with ____ ____ of ____ field's industries, ____ can ____ find ____ utilization ____?

____ ____ ____ ____ figures ____ used ____ efficiency evaluation ____ to industry benchmarks?

____ can ____ ____ ____ utilization details for efficiency ____?

____ can ____ ____ ____ information to compare ____ to industry ____ for efficiency ____?

What steps are needed to get ____ ____ ____ ____ comparing ____ ____ ____ industry ____?

____ benchmarking ____ efficiency performance ____ the industry's ____ can I ____ ____ ____ ____ usage?

____ you ____ me historical data ____ when I ____ usage ____ ____ ____ for ____ analysis?

____ ____ ____ interested ____ ____ my usage with an industry benchmark ____ efficiency ____

I ____ to ____ historical utilization information and compare it ____ ____ ____ ____ ____ ____ industries

____ ____ be ____ ____ benchmarking my usage ____ ____ benchmark for ____ analysis

____ you ____ ____ ____ ____ for efficiency analysis against industry ____?

Can ____ provide ____ the ____ I need ____ compare ____ ____ with ____ ____ for efficiency ____?

What should _____ do _____ get _____ _____ _____ in order to compare _____ _____ _____ _____ standards?

How do _____ get past usage _____ _____ _____ _____ industrial _____ _____ efficiency analysis?

_____ _____ help _____ find records of utilization metrics to _____ _____ _____ _____ _____ figures?

_____ _____ I _____ _____ about _____ consumption levels _____ _____ help _____ analyze my efficiency?

_____ _____ _____ compare _____ usage _____ industry benchmarks for efficiency _____ _____ you tell _____ _____ about it?

What am _____ supposed to _____ to get historical usage _____ _____ _____ efficiency _____ _____ _____ _____?

_____ wanted _____ _____ _____ usage _____ industry benchmarks for _____ _____ _____ you give _____ some history on that?

_____ you help _____ find _____ _____ _____ utilization metrics for benchmarking _____?

_____ are _____ to _____ _____ usage data for _____ efficiency.

I want to _____ _____ efficiency against _____ standards, _____ I _____ _____ the _____ _____.

How _____ _____ _____ _____ _____ data to compare _____ industrial standards for _____ efficiency?

I _____ _____ on my _____ consumption _____ _____ analysis _____ industry benchmarks.

I _____ _____ _____ on utilization _____ _____ to compare _____ with _____ measures of my _____.

I _____ to compare _____ usage _____ _____ _____ _____ _____ analysis, can _____ tell _____ _____ little bit about that?

Do you know _____ I _____ _____ past _____ data to _____ _____ against _____ _____?

Do you _____ _____ usage data _____ I can _____ to _____ _____ _____?

Is _____ _____ _____ _____ previous _____ _____ to compare my efficiency performance _____ the _____ average?

_____ trying to find _____ _____ _____ _____ metrics to gauge _____ _____ to _____ figures.

I _____ _____ in historical _____ _____ for efficiency _____ _____ _____ industry standards.

I _____ to compare my efficiency _____ industry _____ _____ _____ can _____ get _____ _____ _____ the past?

Do you _____ _____ _____ _____ use previous usage _____ benchmark _____ _____ against industry _____?

I _____ your help _____ _____ historical data _____ _____ _____ energy consumption compared _____ industry _____.

How do you _____ _____ _____ _____ to _____ industrial _____ for _____ efficiency?

How _____ _____ get historical usage info _____ _____ efficiency _____ _____ _____ standards?

_____ _____ past usage data _____ order to compare _____ _____ commonly _____ standards in _____ _____.

_____ would _____ _____ _____ my _____ _____ industry benchmarks for _____ analysis, can you _____ me _____ data?

_____ can _____ obtain usage _____ _____ compare _____ industry _____ for efficiency _____?

I'm _____ _____ historical metrics _____ measure efficiency _____ _____ norm.

_____ wondering _____ _____ can access _____ usage data _____ comparing efficiency _____.

_____ _____ _____ _____ get usage _____ to _____ _____ the industry's Benchmarks for _____ analysis?

I _____ like _____ _____ historical records of _____ metrics in order _____ gauge _____ _____ _____ _____ figures.

I need _____ usage _____ for efficiency _____ _____ compare _____ industry _____.

_____ want _____ _____ my _____ to industry benchmarks _____ efficiency _____ can _____ _____ me about _____?

Seek _____ usage details _____ _____ assessment _____ my industry's _____.

Do _____ know _____ to _____ _____ usage to _____ _____ efficiency?

How _____ you get past usage data to _____ _____ industrial _____ _____ _____ _____?

_____ can _____ _____ industry _____ for efficiency analysis with _____ _____?

Where can _____ find data from the _____ _____ _____ help _____ _____ my efficiency _____ _____?

Is _____ _____ _____ acquire records _____ previous usage _____ _____ my efficiency _____?

How do I _____ _____ usage data _____ _____ and _____ _____ benchmarks?

How can I compare usage _____ _____ industry's _____ _____ _____ _____?

_____ need _____ previous _____ _____ for benchmarking my _____ against industry _____.

I _____ to _____ my usage with _____ benchmarks _____ efficiency _____ _____ you _____ me a _____ _____ _____ that?

_____ _____ we get _____ _____ _____ _____ comparing and analyzing efficiency benchmarks?

Does _____ _____ how I _____ use the past usages _____ _____ _____ _____?

_____ _____ _____ _____ to _____ past usage data to _____ against industrial standards _____ analyzing _____?

Do _____ _____ how _____ _____ _____ usage data _____ compare efficiency _____ standards?

_____ can one _____ _____ _____ figures _____ _____ efficiency _____ with industry benchmarks?

How can _____ compare the _____ Benchmarks _____ _____ analysis _____ _____ information?

_____ can I get _____ _____ to _____ _____ industry _____ for efficiency _____?

____ ____ ____ ____ you can give ____ ____ previous usage information ____ need ____ ____ my efficiency against others.

I'm looking for historical ____ to ____ efficiency ____ ____ ____.

____ ____ ____ me find ____ ____ of utilization ____ that ____ efficiency relative ____ the ____ figures?

____ can ____ ____ ____ usage ____ to compare efficiency benchmarks?

____ it ____ ____ ____ to retrieve ____ usage statistics essential to ____ ____ ____ to industry ____?

____ ____ to ____ usage information ____ industry ____ for efficiency ____ ____ historical usage.

____ can I get historical ____ ____ ____ ____ to ____ standards?

Is it ____ to obtain ____ ____ ____ comparing ____ ____ industry standards?

____ ____ to ____ ____ usage with industry ____ for ____ ____ can you give ____ some ____ on that?

____ it ____ to ____ historical ____ ____ essential ____ evaluate efficiency ____ with industry ____?

I'm wondering if you ____ ____ ____ ____ usage information ____ need to ____ my ____ ____ ____ standards.

____ ____ I ____ ____ ____ to get historical usage ____ ____ compare efficiency analysis ____ industry ____?

____ you ____ if ____ can ____ ____ ____ to compare my ____ ____ industry benchmarks for efficiency ____?

Is ____ ____ ____ obtain records of previous ____ ____ benchmark ____ efficiency ____?

____ you give ____ historical data to ____ ____ ____ ____ industry benchmarks ____ efficiency ____?

I need ____ ____ ____ usage to ____ benchmark data ____ efficiency ____.

____ need the previous usage information to benchmark ____ ____ ____ ____ ____

I ____ to ____ my ____ ____ industry ____ for efficiency analysis, can ____ tell ____ ____?

I ____ to ____ ____ usage ____ to compare ____ analysis ____ industry ____.

____ ____ I get usage information ____ compare with industry benchmarks ____ ____ ____ ____ ____ usage?

How ____ I ____ ____ usage ____ for comparing efficiency analysis ____ ____ ____?

____ ____ to compare my ____ to industry ____ for ____ analysis, can you ____ me ____ ____ data to ____ ____?

____ ____ like to compare ____ usage with ____ ____ for ____ analysis.

To ____ analyze ____ efficiency relative ____ industrial ____ ____ do ____ get ____ about previous ____ ____?

Is there ____ ____ ____ ____ ____ utilization information and compare ____ ____ ____ ____ measures in similar industries?

I ____ ____ know if ____ ____ get usage ____ ____ ____ with ____ benchmarks for ____ analysis.

____ ____ ____ taken to compare ____ ____ ____ to industrial standards for efficiency ____?

____ ____ possible to ____ usage information ____ ____ with ____ for ____ analysis?

I need ____ ____ ____ ____ ____ my efficiency ____ other industry standards.

In order to ____ my ____ ____ industry ____ I ____ information ____ ____ usage.

How do I get ____ ____ ____ ____ ____ ____ industrial ____ for analyzing efficiency?

Is ____ possible to get ____ ____ info ____ evaluating ____ ____ ____ industry metrics?

I ____ ____ ____ historical ____ so that I can ____ ____ ____ consumption to industry ____.

____ ____ ____ ____ past data on utilization ____ compare effectiveness ____ ____ ____ of my ____ industries?

____ ____ help ____ ____ historical records of ____ metrics that ____ ____ against benchmark ____?

____ ____ get ____ information ____ compare ____ industry ____ for efficiency analysis ____ historical ____?

____ ____ ____ to get historical ____ ____ ____ ____ evaluating efficiency compared ____ industry metrics?

____ ____ historical ____ ____ ____ ____ analysis as compared to industry standard.

I'd ____ ____ ____ ____ ____ with industry benchmarks for ____ analysis, can ____ give me ____ ____?

To analyze my ____ ____ ____ ____ industrial standards, ____ do ____ source information ____ previous ____ ____?

Historical data can be ____ to ____ ____ usage ____ ____ for ____ ____

How ____ ____ able ____ ____ ____ utilization ____ for efficient performance comparison?

I want ____ ____ ____ usage with the ____ benchmark ____ ____ efficient ____.

Where ____ I ____ ____ data ____ comparing ____ ____ industry standards?

How ____ ____ ____ usage information to compare with industry ____ ____ efficiency ____ ____ ____ ____ the past?

I need past data on ____ ____ order to ____ effectiveness ____ ____ ____ ____ my ____.

Do ____ ____ ____ I ____ get ____ usage data ____ for comparing ____ ____ standards ____ my sector?

Do you ____ ____ I ____ get past usage ____ to ____ ____ ____ standard?

How ____ I get ____ data ____ compare efficiency ____ ____ ____?

____ need ____ ____ historical ____ so ____ I ____ analyze our ____ consumption compared ____ ____ industries.

____ need ____ ____ ____ efficiency ____ industry standards and ____ was wondering ____ ____ ____ give me the previous usage ____.

____ effectively analyze ____ ____ ____ ____ ____ standards, ____ do I get ____ about previous ____ levels?

____ ____ ____ get past usage data ____ ____ vital for comparing efficiency ____ standards ____ ____ ____?

____ ____ have ____ ____ ____ ____ can use ____ compare my ____ ____ industry benchmark for efficiency analysis?

how ____ ____ ____ past ____ data to compare against ____ standards for ____ ____?

____ you know ____ I ____ ____ ____ usage ____ that ____ ____ for comparing ____ against commonly measured standards?

____ do ____ ____ historical ____ ____ ____ can be used to ____ ____ against benchmarks?

____ ____ to ____ ____ usage ____ ____ benchmarks ____ efficiency analysis, can ____ provide the ____ data to do ____?

____ I wanted to ____ my ____ performance against ____ industry's ____ can ____ get records ____ ____ ____?

I need ____ ____ ____ efficiency ____ ____ ____ and where can I find relevant ____ ____ ____ past?

How is past ____ ____ ____ against industrial ____ ____ analyzing ____?

Can I ____ at past ____ ____ to ____ ____?

Can ____ ____ ____ locate historical records ____ utilization metrics, so ____ ____ can ____ efficiency ____ to benchmark ____?

____ compare ____ ____ with ____ standards, I need ____ ____ information.

____ ____ looking for ____ consumption ____ ____ efficiency analysis against ____ benchmarks.

____ am ____ ____ ____ records of utilization metrics ____ ____ efficiency against ____ figures.

For ____ ____ ____ get our energy ____ ____?

____ ____ know how to obtain past usage data ____ is vital ____ ____ ____ ____ ____ measured ____?

____ you give me ____ consumption for efficiency ____ ____ ____ ____?

I am ____ ____ you ____ give me ____ previous ____ information, ____ ____ ____ benchmark my efficiency ____ industry ____.

What is the ____ of ____ past ____ ____ to ____ standards ____ ____ efficiency?

____ ____ ____ to get ____ ____ ____ to evaluate efficiency ____ to industry metrics?

____ it ____ to ____ past efficiency metrics for ____ ____?

How ____ ____ ____ historical usage information ____ comparing ____ analysis ____ ____ standards?

____ can I compare ____ ____ from the ____ to industry benchmarks ____ ____ ____?

How ____ I get usage ____ to ____ with ____ benchmarkings ____ ____ ____?

How ____ we compare ____ industry benchmarks to get ____ usage ____ ____ ____ ____?

____ you ____ ____ ____ historical records ____ utilization metrics ____ ____ ____ they ____ to benchmark figures?

____ ____ ____ benchmark my ____ ____ ____ industry's ____ ____ can ____ get records of previous usage?

Do you ____ the data ____ ____ to compare ____ usage ____ industry benchmark ____ ____ ____?

Can ____ get usage data to ____ ____ ____ benchmarks ____ ____ analysis?

____ ____ ____ usage ____ ____ compare ____ ____ industry's Benchmarks for Efficiency Analysis?

____ can ____ ____ usage information to industry Benchmarks ____ ____ ____?

How ____ ____ ____ use old ____ figures ____ ____ efficiency evaluation?

I'm looking ____ ____ ____ ____ utilization metrics ____ ____ efficiency relative to the ____ ____.

Do ____ know ____ I can ____ past ____ data ____ ____ efficiency ____ standards?

____ ____ ____ get ____ ____ to compare with ____ benchmarks ____ efficiency analysis, for historical ____ in ____ past?

____ want ____ ____ historical usage against ____ benchmark ____ ____ efficient analysis.

____ you have ____ usage ____ ____ ____ ____ to benchmark my efficiency ____ ____ standards?

____ I gather ____ ____ to ____ ____ with industry standards?

____ it possible ____ collect ____ utilization information ____ ____ ____ with ____ ____ measures in ____ industries?

How ____ I obtain ____ usage ____ to ____ with ____ benchmarks ____ efficiency ____?

____ it possible to ____ ____ ____ to compare it ____ ____ ____ ____ efficiency analysis?

How ____ one ____ old ____ ____ ____ ____ compared to industry benchmarks?

I want ____ ____ ____ usage ____ industry benchmarks ____ efficiency analysis, do ____ have any ____ ____ ____ it?

I ____ ____ ____ ____ ____ to ____ ____ for efficiency analysis, can ____ ____ me historical data?

____ ____ know how ____ get ____ information to compare ____ ____ benchmarks ____ efficiency ____.

____ ____ if ____ can access past usage data ____ compare ____ ____.

____ ____ give me ____ ____ compare my usage ____ ____ benchmarks for ____ analysis?

I'm going ____ ____ my usage ____ ____ benchmarks ____ efficiency ____ can you ____ me ____ ____ on that?

_____ can _____ _____ usage data _____ Benchmarks for _____ Analysis?

I _____ to _____ historical _____ _____ gauge _____ against _____ standards.

_____ _____ a good idea to _____ historical _____ _____ _____ compare efficiency _____ _____ metrics?

Is _____ possible to get _____ about previous consumption _____ to _____ _____ _____ _____ _____ standards?

_____ _____ _____ compare my usage with _____ benchmark _____ _____ analysis, _____ you _____ me historical data about _____?

_____ _____ I get historical _____ info _____ _____ efficiency analysis _____ _____ standards?

Is it _____ to get _____ _____ _____ _____ to _____ _____ efficiency performance _____ _____ of the industry?

_____ _____ _____ _____ my _____ with benchmarks for efficiency _____ _____ you give _____ historical data?

How _____ _____ historical utilization details _____ efficient _____ comparison with _____ _____?

_____ _____ _____ past _____ usage statistics to _____ our _____ to others?

Do you know _____ _____ can use _____ usage _____ _____ my _____?

Where _____ I _____ _____ data _____ I can use _____ compare _____ efficiency _____ _____ benchmarks?

_____ _____ for historical records of utilization metrics _____ _____ _____ _____ _____ _____ benchmark figures.

_____ _____ we _____ historical usage data _____ comparison _____ analyzing _____ benchmarks?

Does _____ _____ the _____ uses _____ can use _____ benchmark _____ efficiency?

How can i _____ usage _____ to _____ _____ _____ benchmarks _____ _____ analysis?

I need to benchmark _____ _____ against industry standards, _____ _____ _____ _____ know _____ _____ usage _____.

_____ do I _____ historical _____ info that can _____ _____ _____ _____ efficiency against _____?

_____ anyone have the previous _____ _____ I can use _____ _____ _____ _____?

Do you have _____ _____ _____ historical _____ details to _____ my _____ _____?

_____ can _____ use historical _____ data _____ compare with industry _____ _____ efficiency _____?

_____ _____ _____ _____ to _____ to _____ historical usage _____ for comparing _____ _____ with industry standards?

_____ do I compare the industry's _____ for _____ _____ with _____ _____?

Is anyone _____ _____ _____ usages that _____ can use to _____ _____ _____?

_____ _____ know _____ _____ can get past _____ data _____ is _____ _____ _____ efficiency against commonly measured standards?

_____ can _____ find _____ data on utilization that _____ _____ to _____ _____ with standardized _____ of _____ _____ industries?

Do you know where I _____ _____ past _____ _____ _____ _____ essential for _____ _____ _____ commonly measured standards?

I _____ to _____ my _____ with _____ _____ _____ efficiency analysis _____ _____ can _____ me historical data.

_____ it _____ to _____ _____ usage _____ for _____ efficiency compared with industry _____?

_____ _____ possible to _____ _____ information _____ _____ with the Benchmarks for _____ analysis?

Does anyone _____ _____ _____ data can _____ _____ _____ _____ my _____ with _____ benchmarks for efficiency analysis?

Where can you get _____ utilization _____ for _____ _____ _____?

_____ can we get _____ usage _____ _____ analyzing _____ benchmarks.

_____ want _____ benchmark my _____ performance _____ _____ industry's average, _____ I _____ know how _____ _____ records of previous _____.

_____ _____ to compare my usage _____ _____ _____ for efficiency analysis, _____ _____ provide _____ the _____ data to _____ that?

_____ would _____ to find historical data _____ analyze _____ _____ _____.

_____ steps are _____ to get _____ _____ _____ _____ compare _____ _____ standards for analyzing efficiency?

_____ can a _____ use _____ _____ figures _____ evaluate efficiency _____ _____ benchmarks?

Is it _____ _____ _____ historical _____ statistics _____ _____ evaluating efficiency _____ to _____ metrics?

_____ you _____ how to _____ past usage _____ that _____ _____ for comparing efficiency _____ _____?

_____ want _____ _____ my efficiency _____ industry _____ and am _____ _____ you _____ _____ _____ the previous usage information.

_____ _____ to compare _____ usage with industry _____ _____ efficiency analysis, can _____ _____ the _____ _____?

_____ it _____ to get _____ usage _____ essential for _____ _____ _____ _____ industry metrics?

benchmarking _____ usage _____ an _____ benchmark for efficiency analysis if _____ _____ _____ _____ historical _____.

How can _____ _____ _____ utilization _____ for _____ _____ performance comparison?

Do you know _____ _____ _____ _____ _____ _____ _____ data I _____ _____ compare efficiency against standards?

_____ _____ _____ _____ past _____ on utilization _____ _____ can use to compare _____ with standardized _____ of _____ field's industries?

_____ evaluating efficiency _____ with _____ _____ _____ someone advise on retrieving _____ usage _____?

_____ _____ I _____ _____ _____ _____ _____ order to _____ efficiency analysis with industry standards?

_____ _____ _____ _____ the industry's Benchmarks for Efficiency Analysis _____ _____ data.

_____ _____ I find past _____ on _____ in order to _____ _____ with _____ _____ of _____ field's industries?

_____ like _____ use historical _____ _____ gauge _____ against industry _____.

_____ _____ _____ do to _____ historical _____ info _____ _____ be used _____ measure efficiency?

I _____ like to _____ historical usage _____ industry _____ _____ for _____ _____.

I _____ _____ compare my _____ with _____ _____ for _____ analysis, _____ you give me historical data _____ _____?

Does _____ _____ if _____ _____ use previous _____ _____ benchmark my _____ _____ industry standards?

I _____ _____ benchmark my _____ against industry _____ but I _____ previous _____ _____.

_____ _____ _____ for historical usage _____ _____ _____ analysis as _____ to industry standards?

I _____ to compare my usage _____ _____ benchmarks _____ efficiency _____ _____ I _____ historical _____?

_____ _____ know how _____ can get _____ _____ _____ _____ _____ crucial _____ comparing efficiency against standards?

Can _____ _____ _____ historical _____ data so _____ _____ judge y'all against industry standards _____ _____?

_____ in _____ _____ _____ metrics to gauge _____ _____ industry norms.

Is it _____ _____ _____ records of previous _____ to compare _____ _____ performance _____ the _____ _____?

_____ can I _____ the _____ _____ _____ Efficient Analysis _____ usage?

_____ _____ possible to _____ records of previous _____ to _____ my _____ _____ against _____ industry's _____?

I _____ _____ _____ _____ efficiency _____ _____ _____ but I want _____ previous usage information.

I _____ _____ need _____ usage _____ to compare _____ _____ benchmarks _____ efficiency analysis.

_____ _____ _____ compare _____ usage with industry benchmarks _____ _____ _____ can you give me information _____ _____?

_____ want _____ _____ _____ records _____ utilization metrics so _____ _____ _____ _____ efficiency relative to benchmark figures.

_____ _____ _____ compare my usage with _____ benchmarks for efficiency _____ can _____ _____ me the _____ _____?

_____ _____ I _____ _____ about _____ previous consumption _____ so that _____ can _____ _____ my efficiency?

Where can I _____ my _____ _____ usage data to _____ _____ _____ _____?

I need _____ _____ historical records _____ _____ _____ to _____ _____ relative to benchmark _____.

How can I _____ the _____ _____ _____ _____ Analysis with _____ _____ data?

I'm looking for _____ _____ _____ utilization metrics _____ _____ _____ efficient _____ am relative _____ benchmark _____.

_____ do _____ compare historical usage _____ _____ benchmark data for _____ _____?

Is it _____ _____ _____ historical usage statistics essential to _____ _____ _____ _____ industry _____?

_____ it possible to get historical _____ _____ _____ _____ against industry _____?

Is there _____ way to _____ historical _____ for _____ efficiency _____ _____ _____?

_____ _____ _____ me find _____ records of utilization metrics, _____ _____ can _____ _____ against benchmark _____?

I _____ to _____ if _____ _____ the _____ usages I _____ _____ to benchmark _____ efficiency _____ industry standards.

_____ _____ I use past _____ data to _____ efficiency _____?

How _____ _____ _____ historical utilization _____ for efficient _____ _____ _____ industry averages?

Does _____ have any _____ _____ _____ I _____ _____ _____ benchmark my efficiency?

_____ you _____ any options for _____ _____ _____ information and comparing _____ _____ _____ performance measures of similar _____?

Is _____ _____ to _____ _____ of previous _____ to benchmark _____ efficiency _____?

How do _____ _____ _____ usage data _____ _____ and analyzing _____ benchmarking?

_____ it possible _____ get historical usage stat _____ _____ _____ compared _____ industry _____?

I want _____ compare _____ usage with _____ _____ _____ in efficient _____.

I want _____ _____ _____ usage with industry benchmark _____ efficiency _____ can _____ tell _____ more _____ _____?

Is it _____ _____ idea to _____ historical _____ statistics for _____ _____ with _____ _____?

_____ _____ _____ get previous usage _____ _____ benchmark my _____ performance?

Is it possible _____ _____ historical _____ to _____ efficiency _____ _____?

How _____ _____ _____ historical data _____ comparing efficiency _____ _____ standards?

Please give _____ historical _____ _____ _____ can _____ my _____ _____ industry _____ for efficiency analysis.

_____ it a _____ idea to retrieve historical usage data essential _____ _____ _____ _____ _____ _____ _____?

How do _____ _____ access to _____ _____ _____ that can be _____ _____ _____ efficiency?

_____ anyone know _____ _____ can compare my _____ to industry _____ for _____ _____?

How _____ I _____ _____ _____ to _____ _____ industry benchmarks _____ efficiency analysis of _____ usage?

_____ do I _____ historical _____ _____ for comparing _____ analysis _____ _____ standards?

How do ____ ____ ____ to historical ____ info ____ can ____ ____ to ____ efficiency?

Is ____ ____ to acquire ____ of ____ usage to ____ my ____ performance ____ the ____ ____?

____ ____ ____ me ____ historical data ____ need to compare ____ usage with ____ ____ for efficiency ____?

I need past ____ data ____ ____ ____ against ____ in ____ industry.

____ can I do ____ collect historical utilization ____ and ____ ____ ____ similar ____?

Is ____ ____ to ____ historical usage ____ for evaluating ____ compared ____ industry ____.

____ can ____ ____ usage information ____ ____ ____ industry ____ for ____ analysis for historical usage?

____ ____ ____ historical records ____ ____ metrics to ____ efficiency against benchmark ____.

I would ____ to ____ my ____ with benchmarks ____ efficiency ____ can ____ ____ ____ ____ data?

How can I ____ ____ industry's Benchmarks for ____ ____ ____ ____ ____ data?

____ it ____ ____ ____ historical consumption for efficiency ____ ____ industry benchmarks?

How can ____ ____ the ____ ____ of the industry's ____ for ____ ____?

How do ____ ____ historical ____ to compare ____ industry ____ ____ ____ efficiency analysis?

____ it possible ____ ____ ____ data for ____ efficiency with industry ____?

How can ____ compare ____ ____ with ____ ____ ____ efficiency analysis?

____ it ____ to get ____ information ____ compare ____ industry's ____ for Efficient ____?

Where can ____ ____ past ____ ____ ____ me compare ____ efficiency against industry ____?

How do ____ ____ historical usage ____ ____ comparing ____ analysis ____ industry ____?

Is there ____ way ____ ____ the ____ efficiency ____ for ____?

For ____ effectiveness ____ standardized ____ ____ my ____ industries, where can ____ find ____ past ____ ____ utilization?

____ need ____ ____ my consumption for ____ analysis against ____ ____.

I ____ ____ compare ____ ____ ____ industry benchmarks for ____ analysis, ____ historical ____ in the past ____

____ need to benchmark my ____ ____ industry ____ ____ am wondering ____ you ____ give me ____ usage ____.

____ ____ give me historical usage data so I can ____ the ____ ____ ____ ____ ____?

____ ____ ____ ____ usages ____ can use to benchmark ____ efficiency ____ industry standards?

How ____ ____ ____ usage information ____ ____ with ____ benchmarks ____ efficiency analysis for historical usage ____ the ____?

How can I get usage ____ ____ ____ with ____ benchmarks ____ ____ analysis, for historical ____ ____ the ____?

____ ____ I ____ ____ compare the ____ of historical ____ with ____ benchmarks?

____ ____ to ____ ____ efficiency ____ industry ____ where ____ ____ find ____ data from the past?

____ ____ past ____ on utilization ____ compare ____ with the ____ measures ____ ____ field.

____ ____ to compare historical usage to ____ ____ data ____ ____ analysis.

Do ____ know ____ past usage ____ ____ ____ use ____ benchmark my ____?

____ it ____ to get records of ____ usage to ____ ____ performance to ____ ____ ____?

What ____ ____ to get ____ utilization ____ ____ efficient performance ____?

____ it a ____ idea ____ ____ historical usage stat ____ ____ efficiency compared ____ ____ metrics?

____ ____ ____ usage ____ be compared with ____ benchmarks for efficiency ____?

How ____ I ____ ____ usage ____ with industry benchmark ____ for ____ ____?

Is it possible ____ ____ historical ____ statistics ____ evaluate ____ compared to ____ ____?

____ my usage with industry ____ ____ efficiency ____ ____ you ____ ____ me historical ____

Is it possible to ____ ____ ____ ____ that ____ be used ____ a baseline ____ ____ ____?

____ ____ my ____ efficiency ____ ____ standards, ____ do I find information ____ ____ consumption levels?

I ____ usage ____ ____ compare ____ industry ____ ____ efficiency analysis for historical ____.

I ____ ____ ____ my ____ ____ industry ____ for ____ ____ if you can ____ me historical data.

Is ____ possible to get ____ energy consumption ____ ____ ____?

How ____ you ____ ____ ____ utilization ____ that aid ____ assessing ____ levels?

____ steps ____ ____ to compare past usage ____ with ____ ____ for ____ efficiency?

How ____ I find ____ usage data to ____ ____ industry ____ data ____ ____ ____?

____ it ____ ____ ____ usage ____ ____ compare with industry benchmarks for efficiency ____?

Do ____ know ____ I ____ obtain ____ ____ data to compare ____ ____ standards?

____ ____ ____ the ____ Benchmarks ____ Efficiency ____ with usage information?

I would _____ _____ compare _____ usage with industry benchmarks for efficiency _____ _____ _____ _____ _____ some _____ of _____?

_____ can I compare usage information _____ the _____ Benchmarks _____ _____ _____?

_____ looking _____ usage _____ to compare _____ industry benchmark _____ _____ analysis.

_____ you _____ me find _____ records of _____ specifically to _____ efficiency _____ _____ the _____ figures?

_____ _____ _____ benchmark my _____ against industry standards, but _____ like _____ _____ _____ previous usage _____.

I want _____ _____ _____ _____ of utilization _____ _____ _____ how efficient they are _____ _____ benchmark figures.

_____ _____ the _____ methods to _____ _____ _____ details for efficient performance _____?

_____ you _____ _____ information on _____ use that _____ _____ use to _____ _____ efficiency?

Where _____ I _____ usage _____ to _____ _____ the _____ _____ for Efficient Analysis?

_____ can I _____ relevant _____ from the past to _____ _____ efficiency _____ _____ _____?

_____ _____ you get _____ usage data _____ comparing efficiency _____?

_____ want _____ compare _____ _____ with industry _____ _____ efficiency _____ Can _____ give me the historical _____?

_____ need usage _____ _____ compare _____ industry _____ _____ _____ _____ for historical usage _____ the past or

Do you _____ _____ _____ can _____ past usage _____ _____ _____ comparing _____ against standards?

Is _____ possible to find _____ _____ to _____ _____ industry _____ _____ _____ _____ of historical usage?

Do you know _____ _____ can _____ past _____ data for _____ _____ _____ standards?

_____ _____ _____ get _____ _____ to compare against _____ benchmark for _____ analysis _____ historical usage?

I want _____ _____ historical _____ _____ _____ metrics to gauge _____ against benchmark _____.

_____ need _____ benchmark _____ efficiency against _____ _____ and I'm _____ if _____ can _____ the previous _____ information _____ you.

How _____ _____ utilization figures be used _____ _____ _____ compared _____ _____ benchmarks?

I _____ _____ to _____ the previous usages to _____ _____ _____ against _____ standards.

Does _____ _____ how I _____ _____ _____ use with industry _____ _____ efficiency analysis?

_____ _____ _____ good idea to retrieve historical _____ statistics _____ _____ efficiency _____ with _____ metrics?

_____ you _____ _____ I can _____ _____ usage _____ _____ my efficiency against industry _____?

Where _____ _____ find past _____ that I can use _____ compare _____ _____ _____ _____?

_____ _____ I _____ to _____ _____ _____ with industry benchmark data for efficiency _____?

_____ _____ _____ _____ _____ can _____ _____ usage data in order to compare _____ against _____ standards?

How _____ _____ _____ _____ old utilization figures to _____ efficiency _____ _____ benchmark?

_____ _____ you obtain historical _____ details for efficient _____ comparison _____ _____ _____?

Can _____ _____ _____ _____ historical usage statistics essential _____ _____ efficiency compared to _____ _____?

How _____ I get _____ _____ to compare _____ _____ Benchmarks _____ Efficiency _____?

I _____ to _____ _____ _____ against industry standards _____ _____ was _____ _____ you could _____ me previous _____ information.

_____ are the _____ used _____ _____ _____ _____ details for efficient performance _____?

_____ _____ know _____ _____ _____ get past _____ data that's vital for comparing _____ against _____?

Is there _____ _____ to _____ usage _____ to _____ with industry benchmarks _____ _____ analysis _____ _____ usage?

_____ _____ _____ _____ past usage data that _____ crucial for comparing _____ against _____?

_____ you know _____ _____ get _____ _____ data that is vital _____ _____ efficiency _____ standards?

_____ _____ I compare usage _____ to _____ benchmark _____ efficiency _____ _____ the past?

_____ _____ I _____ historical usage _____ _____ compare _____ _____ benchmark _____ in efficiency analysis?

_____ can _____ evaluate efficiency using _____ _____ _____ compared to _____ benchmarks?

_____ you _____ _____ historical data _____ _____ can use _____ compare my usage with industry benchmarks _____ _____ _____?

_____ _____ to _____ my usage with an industry benchmark _____ _____ _____ _____ you can give me _____ _____.

How _____ you obtain historical _____ _____ for _____ _____ benchmarks?

_____ you _____ any _____ for seeking _____ _____ details to _____ my industry's _____?

I'm _____ for historical _____ _____ utilization metrics to _____ _____ _____ efficiency _____ _____ figures.

_____ _____ obtain historical usage _____ for _____ _____ analyzing efficiency _____.

_____ _____ _____ find _____ usage information to compare _____ _____ data for efficiency _____?

I want _____ _____ the historical usage _____ the _____ _____ _____ _____ efficient analysis.

What _____ _____ _____ _____ _____ data to compare efficiency with _____ standards?

Do _____ know where _____ _____ _____ past _____ data needed _____ compare _____ against _____?

_____ you _____ give _____ historical _____ I'd like to _____ my _____ with an _____ benchmark _____ _____ analysis.

_____ _____ _____ _____ historical usage information _____ benchmark data for _____ analysis?

Do you know _____ _____ _____ get past usage _____ vital _____ comparing _____ _____ _____?

I want _____ compare my _____ against industry benchmarks, _____ I don't _____ _____ _____ get _____ _____ from _____ _____.

_____ anyone _____ the _____ usages I _____ use to _____ _____ efficiency?

Where can _____ _____ _____ past _____ that I _____ to _____ my _____ against industry _____?

I _____ _____ usage data _____ efficiency _____ as compared to _____ _____

How _____ _____ compare usage _____ to _____ _____ _____ efficiency analysis of past _____?

Where _____ _____ find _____ _____ _____ will _____ me compare my efficiency _____ industry _____?

How _____ I compare _____ _____ to _____ benchmark for _____ analysis _____ _____ usage?

How _____ old utilization _____ _____ used to compare _____ _____ _____ benchmark?

_____ _____ trying _____ find _____ _____ to analyze efficiency against _____.

_____ _____ to _____ _____ usage against _____ figures for efficient _____.

Do you _____ _____ _____ _____ get past usage data _____ is crucial _____ _____ _____ against _____?

What can one do to _____ _____ _____ _____ for _____ _____?

I need to obtain _____ usage information _____ _____ of _____ analysis _____ _____ _____.

How do I _____ _____ usage _____ that _____ be _____ _____ measure _____ in a _____?

Do _____ _____ _____ I can get _____ _____ data to _____ efficiency _____ commonly measured _____ _____ my sector?

I _____ previous usage information _____ _____ _____ efficiency to _____ _____.

_____ like _____ find _____ _____ _____ utilization _____ to _____ efficiency relative _____ benchmark figures.

Can _____ help me _____ historical _____ _____ utilization metrics _____ _____ be _____ _____ gauge efficiency against benchmark _____?

Does _____ _____ when _____ _____ use the _____ _____ to benchmark _____ efficiency?

Does _____ _____ _____ _____ _____ which I _____ use to benchmark my _____?

_____ you _____ to _____ historical consumption _____ efficiency _____ against _____ benchmarks?

_____ _____ to compare my usage _____ industry benchmarks _____ efficiency analysis, _____ you give me _____ _____ _____ _____?

_____ need _____ data on _____ _____ _____ _____ compare effectiveness _____ _____ measures of my industries.

_____ _____ gain _____ usage data _____ _____ efficiency benchmarks?

_____ _____ _____ find usage _____ to _____ _____ _____ Benchmarks for Efficiency Analysis?

_____ _____ _____ get _____ _____ information for comparing _____ analysis with industry _____?

I _____ _____ _____ my usage with industry benchmarks for _____ analysis, _____ _____ _____ _____ historical data for _____?

What _____ _____ _____ taken _____ _____ _____ usage data _____ industrial _____ for analyzing efficiency?

_____ you _____ _____ _____ can get past _____ data _____ _____ _____ against the standard?

_____ _____ we _____ _____ usage data for analyzing _____ benchmarks?

_____ it _____ to get past _____ _____ for comparison _____ efficiency _____?

What _____ _____ _____ to _____ _____ _____ information to _____ efficiency analysis _____ industry standards?

_____ _____ to _____ historical usage to _____ figures _____ efficient _____.

_____ need _____ compare my usage with _____ _____ for _____ _____ _____ you give _____ _____ data?

How do I find _____ _____ _____ that _____ allow me to _____ _____ own _____ _____ _____ standards?

I would _____ _____ _____ benchmarking my usage _____ a industry _____ _____ _____ analysis if _____ could _____ me _____ data.

_____ I use _____ _____ _____ benchmark my efficiency against _____ _____?

Is _____ _____ _____ obtain usage information _____ compare against industry _____ _____ efficiency _____?

_____ you help _____ find _____ records of utilization _____ specifically _____ gauge efficiency _____ _____ _____ _____?

I _____ to _____ my _____ with _____ _____ for efficiency _____ and can _____ _____ _____ the historical data?

How _____ _____ find out about _____ consumption levels _____ compare _____ own _____ _____ industrial _____?

_____ _____ _____ do _____ _____ usage _____ with _____ benchmarks _____ efficiency analysis of historical usage?

Do _____ know how _____ _____ _____ usage statistics essential for evaluating _____ _____ to _____ _____?

How do I _____ _____ _____ previous _____ _____ that _____ help me _____ my _____?

I _____ _____ to _____ _____ information to _____ _____ industry benchmarks for efficiency _____.

_____ want _____ _____ usage _____ to _____ _____ for _____ analysis _____ usage in the past.

Do you know if I _____ _____ _____ _____ _____ measure my _____?

_____ _____ a good idea _____ _____ historical _____ statistics _____ _____ efficiency compared with _____ metrics?

Where can _____ _____ _____ _____ from the _____ to compare _____ _____ against _____ benchmark?

_____ comparing _____ _____ _____ measures of my _____ industries, where can I find _____ _____ _____ _____?

Can you give _____ _____ data _____ when _____ use industry _____ _____ _____ analysis?

_____ _____ _____ _____ obtain _____ information to _____ the Benchmarks for _____ Analysis?

_____ anyone _____ when I can _____ previous usages to _____ _____ _____?

What steps are _____ _____ _____ _____ usage _____ to compare _____ industrial standards _____ analyzing _____?

_____ you help me find historical _____ of _____ _____ so _____ _____ can _____ _____ _____ benchmark figures?

Do you _____ the _____ _____ that _____ can _____ _____ _____ my efficiency?

Can _____ _____ past usage data _____ compare _____ _____?

_____ _____ _____ _____ _____ can get past usage data _____ is vital _____ comparing efficiency _____ _____ standards?

I'm trying to find historical _____ of utilization _____ _____ gauge _____ _____ _____ _____.

_____ _____ _____ _____ historical usage information to _____ with _____ data _____ efficiency analysis?

Do _____ have _____ _____ _____ past usage _____ I can _____ _____ benchmark _____ efficiency?

Is _____ _____ to _____ _____ data from _____ _____ _____ compare my _____ against industry benchmarks?

How _____ I access historical usage _____ _____ _____ be _____ to _____ _____?

Can you provide me _____ historical _____ _____ utilization _____ that _____ can _____ _____ gauge _____ against _____ figures?

_____ _____ _____ to retrieve _____ usage figures essential for _____ efficiency _____ _____ _____ metrics?

_____ _____ I _____ _____ _____ information _____ compare with benchmark data _____ efficiency analysis

_____ you help _____ find historical _____ of _____ _____ _____ _____ _____ to benchmark figures?

How _____ _____ compare usage information with _____ _____ _____ Efficient _____?

Do you know _____ I _____ use _____ _____ _____ benchmark _____ efficiency _____ industry _____?
