[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Pre-sales inquiries and product recommendations
Inquiry Sub-Category	Software and User Interface
Description	Customers ask about smartphone operating systems, user interfaces, pre-installed applications, and software updates to ensure a smooth and user-friendly experience.
Data Size	9,135 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ switching ____ different applications be ____ without ____ delays ____ ____ regularly?

Do ____ ____ ____ can ____ between apps ____?

Will there be no ____ ____ ____ ____ you switch ____?

Can ____ user switch ____ applications ____ ____?

Is ____ possible ____ transition ____ ____ app to ____ glitch ____?
