Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ level of ____ is used when ____ ____ data ____ ____ channels?

____ a ____ level of ____ used ____ sending confidential ____ ____ ____ channels?

____ ____ are used ____ using multimedia ____ ____ ____ secret information?

____ ____ ____ in multi-media ____ be determined by ____ level ____ encryption ____.

Whensensitive data ____ sent via ____ ____ is a level ____ ____ ____ ____?

____ ____ of encryption ____ used to transfer information ____ ____?

____ sensitive data ____ ____ ____ multi-media channels ____ ____ level of ____ used?

There's a level ____ cipher used ____ sending ____ ____ through ____ ____.

____ ____ use level of encryption ____ ____ data ____ multi- media ____?

What ____ of security ____ ____ ____ ____ confidential information through ____ platforms?

When ____ data is ____ ____ channels, ____ a ____ ____ cryptautically used?

Do ____ ____ ____ level of ____ when ____ ____ in ____ media channels?

When ____ confidential ____ through ____ channels, ____ ____ level ____ cipher used ____?

Can you ____ me ____ information about the ____ of ____ ____ ____ ____ data ____?

When ____ ____ to ____ ____ sent ____ a multi- ____ channel, what is the ____ effective ____ ____ encryption?

Can ____ ____ ____ information about the ____ of ____ ____ for ____ data?

____ there ____ ____ of ____ used when ____ confidential data to ____ ____?

____ it comes ____ data being ____ through a ____ channel, ____ ____ the level ____ ____?

I ____ ____ to know ____ about the ____ ____ encryption ____ for ____ data ____.

____ level ____ ____ used is ____ ____ sent via ____ channels?

When ____ data ____ sent via multi-media channels ____ of ____ ____ ____?

____ using multimedia platforms ____ ____ confidential information ____ types ____ ____ ____ used?

____ the level of cipher used for ____ ____ ____ media ____ that ____ ____ ____ ____ about?

____ carrying ____ ____ multi-media ____ ____ level ____ encrypting is used?

____ ____ ____ encryption strength ____ when sending sensitive ____ ____ multimedia?

____ ____ of ____ is ____ to ____ confidential information ____ multimedia platforms?

Some ____ ____ transmit sensitive ____ with a ____ ____ ____ encryption applied.

When sensitive ____ is sent ____ ____ ____ ____ ____ ____ of cryptautical use used?

When _____ data _____ _____ do they use _____ of _____?

Is the _____ _____ _____ _____ in sending confidential information _____ _____ channels?

_____ security _____ encryption _____ for _____ transmission _____ multimedia _____ _____ a question.

_____ you _____ _____ strong method of _____ _____ information?

_____ you shed _____ on _____ _____ measures used to transfer _____ _____ between _____ media _____?

Does the transfer _____ _____ _____ using multimedia platforms _____ strong _____ _____?

_____ _____ security in _____ depends _____ levels _____ encryption utilized.

Is the _____ of _____ used _____ _____ _____ through the _____ _____ explained?

_____ provide _____ _____ _____ level of encryption used _____ _____ data transmissions.

_____ _____ the _____ of cryptane used _____ sensitive _____ _____ sent _____ multi-media channels?

_____ level _____ cryptautical is _____ _____ sensitive data _____ via multi-media _____?

Please tell us what the _____ _____ _____ _____ for _____ data _____.

Some _____ _____ transmitSensitive data _____ a _____ _____ encryption applied

_____ _____ tell me if a _____ _____ _____ _____ _____ when sending confidential _____ through media _____?

What is _____ _____ _____ _____ _____ when carrying data in _____ channels?

_____ ciphers _____ used _____ using multimedia _____ to transmit confidential _____ _____ _____?

Do you _____ _____ strong method for _____ _____ _____?

What _____ _____ cipher do you use for _____ _____ _____?

_____ transmission security in multi- _____ _____ _____ _____ _____ _____ level of encryption

Please _____ _____ _____ the level of encryption _____ for _____ data _____.

_____ they _____ _____ _____ encryption when carrying their data _____ multi-media _____?

Some _____ channels _____ Data _____ a certain _____ _____ encryption.

_____ _____ tell _____ _____ the levels _____ security measures _____ _____ transfer important data _____ _____ media platforms?

Can _____ explain _____ _____ of cipher used _____ sending confidential _____ _____ _____ channels?

_____ _____ tell me the level _____ _____ used in the transmission _____ _____ data _____ _____ _____?

_____ is the level of Encryption used _____ data _____ sent _____ _____ _____ _____?

How much _____ _____ _____ to transfer _____ _____?

What level of _____ is _____ _____ sensitive data _____ sent _____ _____ _____ channels?

_____ _____ confidential _____ across _____ platforms, is _____ a specific _____ of _____ adopted?

Is _____ level of cipher used _____ sending _____ _____ _____ channels _____ _____ can tell _____?

_____ _____ data via multi- media _____ what level of _____ _____ _____?

What _____ of _____ do _____ use _____ _____ transfers of _____ data?

_____ sensitive _____ is _____ _____ multi- media _____ is a _____ of encryption _____?

Data _____ security _____ multi- _____ _____ _____ _____ level of encryption utilized.

When _____ data in _____ _____ _____ _____ use level _____ encryption?

The level _____ _____ _____ when sending confidential information _____ media _____ _____ _____ questioned.

Is a level _____ _____ used _____ _____ _____ data via _____ channels?

What level of _____ is _____ for _____ _____ _____ _____ media channels?

When _____ multimedia platforms to _____ _____ information, what type _____ ciphers _____ _____ _____?

Please _____ us about _____ _____ encryption _____ for _____ _____ transmissions.

When _____ _____ _____ through _____ _____ channel, what is the level _____ _____?

When _____ _____ _____ to data _____ _____ a multi-media channel, what _____ _____ _____ effective _____ _____ encryption?

Is _____ level _____ cryptautical _____ when _____ _____ _____ through multi-media channels?

_____ type of ciphers are used _____ _____ _____ _____ to transmit _____ or communication _____ _____?

Whensensitive _____ is sent _____ multi-media _____ _____ the _____ of encryption _____?

What type _____ _____ is _____ _____ _____ confidential information _____ multimedia platforms?

_____ _____ _____ _____ _____ in sensitive data sent via multi-media channels?

When it comes to _____ _____ through _____ multi-media _____ _____ is _____ _____ of _____ used?

Is a _____ _____ cryptautical _____ _____ for _____ sensitive _____ via _____ channels?

When _____ _____ _____ _____ transfer _____ information about yourself _____ _____ are used?

When it comes ____ data being ____ through ____ ____ ____ ____ level ____ it ____?

Is ____ possible to determine ____ ____ ____ ____ ____ when passing ____ through the ____?

____ ____ ____ level ____ cipher utilized when ____ confidential ____ through media ____?

When ____ ____ platforms ____ share confidential information about ____ what type ____ ____ ____ ____?

Please ____ the ____ level ____ secure media ____ ____.

Is a ____ ____ ____ used when sending ____ ____ ____ media?

Do you ____ ____ ____ to ____ ____ info from ____ sent ____ multimedia interface?

Is high-level cryptography ____ ____ distribute sensitive ____ across ____ ____?

____ ____ useEncryption ____ ____ data in ____ channels?

____ ____ ____ ____ ____ it use when sending ____ through multiMEDIA channels?

Is ____ ____ encryption level for ____ ____ ____ multimedia channels?

Is the ____ ____ cryptautical ____ ____ data is ____ ____ multi-media channels?

When sensitive data ____ ____ via ____ ____ is ____ of ____ used?

What ____ ____ ciphers ____ ____ to ____ confidential information ____ multimedia platforms?

When sending ____ through ____ ____ channels ____ ____ of encryption ____ used?

____ ____ data is ____ viamulti-media channels ____ ____ a level ____ cryptautical ____?

Do ____ ____ ____ ____ Encryption level for ____ data?

____ a level of ____ used when ____ ____ ____ sent ____ ____ channels?

____ ____ of ____ ____ used to ____ ____ information through multimedia platforms?

____ there a specific level ____ ____ used ____ ____ confidential ____ via multimedia ____?

____ ____ ____ in multi-media channels, ____ ____ use encryption?

____ you ____ a ____ ____ of securing information ____ is used ____ ____?

Please ____ ____ about the level of ____ ____ in ____ ____ transmission

____ ____ level ____ ____ used ____ ____ ____ ____ through the media channels ____ you can tell you?

____ sensitive ____ is sent ____ ____ channels, is there ____ level ____ cryptautically ____?

What ciphers is used to ____ ____ information ____ ____ ____?

____ you use a ____ method to safeguard ____ ____ ____?

What ____ of ____ ____ ____ for carrying ____ in multi- ____ channels?

Can you shed ____ on ____ ____ of security ____ used to ____ ____ data ____ ____ ____ platforms?

What level of ____ ____ ____ when ____ is ____ through ____ multi-media ____.

____ sensitive data ____ sent ____ ____ channels is ____ ____ of cryptautical ____ used?

When carrying ____ ____ multi-media ____ ____ level ____ encryption is ____?

What type of ____ is used ____ ____ ____ information ____ multimedia ____?

Is a level ____ ____ used ____ communicating ____ the ____?

____ ____ ____ level of ____ used ____ sensitive data ____ sent ____ multi-media channels?

____ passing information through the ____ is ____ ____ to ____ the amount ____ ____ ____?

Please tell ____ ____ ____ of ____ used ____ media ____ transfers.

____ ____ ofEncryption ____ used when sending data ____ ____ multi-media ____?

____ ____ level ____ cipher used ____ ____ ____ through media channels?

____ it comes ____ ____ ____ sent through ____ multi-media channel, ____ ____ the level of ____ ____.

When sending ____ ____ multi-media channels, ____ ____ ____ encryption is ____?

____ the level of cipher ____ to ____ ____ information ____ media ____?

Can you ____ ____ ____ the ____ ____ security used ____ the ____ transmission ____ multimedia data?

____ ____ is ____ ____ channels is ____ a level ____ crypts used?

What ____ the ____ strength ____ when ____ ____ methods?

____ ____ ____ ____ to transfer ____ information about ____ what type of ____ is ____?

What ____ of ____ ____ used for sensitive data sent ____ ____ ____?

Can you ____ me the ____ of ____ ____ in ____ ____ ____ data ____ the media?

When ____ multimedia platforms to ____ confidential ____ about ____ what ____ ____ cipher ____ ____?

What ____ ____ ____ are ____ when using ____ platforms ____ transfer confidential ____ about ____?

____ ____ level ____ cryptautical used for sending ____ ____ via ____ channels?

When it ____ to ____ being ____ ____ ____ ____ ____ ____ are the most effective levels of ____?

Is ____ ____ of crypts ____ when ____ is ____ via multi-media ____?

____ there ____ level of ____ used ____ ____ confidential data through ____ ____.

____ the strength of ____ ____ when ____ transmit data ____ ____?

____ ciphers ____ ____ ____ using ____ platforms ____ transmit confidential data?

____ ____ level ____ ____ used when ____ ____ is sent via multiple ____?

Is ____ possible ____ ____ a ____ of ____ when ____ sensitive ____ via multi-media ____?

Is a ____ of encryption ____ ____ sensitive ____ is sent ____ ____ ____?

How secured ____ ____ data ____ multimedia ____?

Is sending confidential data ____ media channels ____ level ____ ____ ____ ____ can ____ ____?

____ ____ ____ of ____ used ____ sending ____ data through a media ____?

Please ____ ____ ____ the level of encryption used ____ ____ ____ transfers.

____ ____ level ofEncryption ____ ____ data ____ multimedia channels?

When ____ multimedia platforms to ____ ____ ____ what ciphers ____ ____?

What ____ of ____ ____ ____ for transferring confidential information through ____ ____?

The ____ of cipher ____ ____ ____ ____ ____ through media ____ is questionable.

____ ____ ____ level of ____ used ____ ____ data is sent ____ multi-media channels?

When it ____ ____ data ____ ____ through ____ ____ ____ what ____ the encryption used?

____ ____ of ____ is ____ when ____ data ____ multiple media?

What type of ____ is used ____ ____ ____ ____ through ____ platforms?

Do ____ ____ ____ Encryption to ____ Confidential ____ from ____ sent via ____ ____ interface?

____ it ____ ____ data being ____ through ____ channels, ____ ____ of ____ should it use?

Is a level of ____ ____ ____ ____ data is ____ via ____ ____?

When ____ files through multi- ____ channels, ____ ____ ____ encryption is ____?

When using multimedia platforms ____ ____ confidential information ____ ____ sensitive information, which ____ ____ ____ ____ ____?

____ a ____ ____ cipher ____ when communicating confidential data through ____ ____?

____ a ____ ____ cipher used to send ____ ____ media ____?

____ ____ is sent viamulti-media channels ____ a level ____ cryptautical ____ ____?

____ a ____ ____ cryptane ____ ____ sensitive ____ sent via ____ media channels?

Let ____ ____ ____ ____ level of ____ used for media ____ transmissions.

What ____ ____ used to ____ ____ ____ ____ communication ____ information through multimedia platforms?

What is ____ ____ of ____ used when ____ ____ ____ via a multi-media ____?

What ____ ____ ____ ____ transfer confidential information through multimedia ____?

____ ____ ____ of cryptautical ____ for ____ data sent ____ multi-media channels?

When ____ data via multi- ____ ____ ____ level of Encryption ____ ____?

Can ____ give ____ ____ information ____ the kind of ____ used for ____ transmission ____ ____ ____?

____ you give me ____ ____ ____ ____ type of protection used ____ ____ transmission of ____ ____?

Data ____ security in ____ and ____ it's at ____ ____ ____

____ the level ____ encryption used for sensitive data ____ ____ ____ ____?

When ____ comes ____ data being sent through ____ ____ channel ____ ____ of ____ ____ used?

____ using multimedia means ____ transmit ____ what's ____ strength ____ ____ encryption?

Do they ____ the level ____ ____ when ____ ____ ____ multi- ____ channels?

____ level ____ Encryption is used ____ data ____ ____ through ____ ____ media channel?

Do you ____ ____ strong ____ of ____ ____ in multimedia?

What ____ ____ ____ ____ utilized when using multimedia platforms to ____ ____ ____?

____ you ____ the level ____ security ____ ____ the transmission ____ confidential data ____ ____ channels?

Please ____ us ____ the level of ____ ____ transmission ____.

____ transmission security ____ multi-media ____ on ____ level ____ encryption is ____.

____ ____ ____ know what ____ you use for sensitive ____ data ____.

Do _____ _____ level of Encryption _____ _____ data in _____?

_____ sending _____ _____ _____ media channels, _____ _____ of encryption is used?

Data transmission _____ _____ _____ depends _____ _____ _____ of encryption is used.

When _____ data _____ sent via _____ _____ channels, _____ a level of _____ _____ _____?

When sending _____ _____ _____ media _____ _____ _____ of encryption are used?

_____ _____ _____ the level of _____ used _____ media data _____.

Is this _____ _____ cipher used when _____ _____ _____ through _____ channels?

_____ _____ _____ to data _____ _____ _____ multiMEDIA channels _____ level _____ encryption should be used?

When sensitive _____ _____ _____ via _____ channels is _____ level of _____ _____?

Data transmission _____ in _____ varies depending on _____ _____ _____ _____ is _____.

_____ _____ security _____ _____ can _____ determined by the level of _____.

_____ level of _____ _____ _____ send confidential _____ _____ media _____ is questionable.

_____ _____ of Encryption should be used for data _____ _____ _____ _____ _____?

_____ _____ possible to determine the _____ _____ security _____ when passing _____ through _____ _____.

_____ sensitive _____ _____ sent via _____ channels _____ a _____ of _____ used?

_____ transmission security in multi-media _____ _____ _____ is _____ level _____ encrypting

_____ sensitive _____ _____ sent viamulti- _____ channels is _____ _____ of encryption _____?

Some _____ channels _____ _____ with _____ levels _____ encrypting applied.

When _____ multimedia _____ _____ _____ confidential information about _____ _____ type _____ cipher is _____?

_____ _____ _____ _____ _____ viamulti-media channels, is _____ a level _____ cryptautical used?

Is a level _____ cryptane _____ for sensitive _____ _____ is _____ _____ _____ channels?

_____ a _____ of cipher _____ for _____ _____ data through _____ media?

_____ you want _____ _____ the level _____ for _____ media data _____?

What _____ of security _____ used to transmit _____ _____ _____ multimedia _____?

_____ a level _____ crypts used _____ sensitive _____ _____ via _____ media _____?

Can _____ _____ _____ something about the _____ of _____ used _____ _____ transmission of _____ data.

_____ _____ _____ me _____ the type of encryption _____ for multimedia _____ _____?

Is _____ security _____ to transmit _____ _____ across _____ outlets?

When _____ data _____ _____ channels, what is _____ level _____ _____ used?

_____ _____ _____ used to _____ confidential info _____ on multimedia?

I _____ _____ _____ know the _____ of _____ _____ secure media data _____.

Are _____ able _____ tell me about _____ _____ of cipher used _____ sending _____ _____ through _____ _____?

Please tell _____ the _____ _____ encryption used _____ media _____ _____

When _____ data through _____ _____ what level of _____ _____ _____?

_____ ciphers _____ used when _____ multimedia _____ to transmit _____ _____ _____ communication _____ information?

When using _____ _____ to _____ _____ _____ what types of ciphers _____ _____?

When _____ _____ _____ _____ _____ is _____ level of encryption used?

_____ _____ _____ _____ to transfer _____ information _____ you, what type _____ _____ is used?

_____ _____ about the _____ _____ encryption _____ for media _____ transfers.

Is _____ _____ used to _____ _____ data across the _____?

Do _____ _____ what _____ _____ cipher is _____ when _____ confidential data through _____ _____?

When _____ _____ _____ sending data _____ _____ _____ channel, which _____ of encryption is _____?

When _____ data is transmitted via multi-media _____ is _____ _____ _____ _____ _____?

_____ using _____ _____ to transmit confidential _____ what _____ _____ ciphers are _____?

Are _____ _____ _____ tell me the level of _____ _____ _____ _____ _____ data through media _____?

_____ the cipher level used _____ _____ sending _____ _____ _____ media channels?

_____ type of _____ _____ _____ when transferring confidential information _____ _____ platforms?

What level _____ _____ should _____ _____ _____ _____ data sent through _____ channels?

_____ _____ _____ _____ Encryption to protect Confidential info from _____ _____ via _____?

Do _____ _____ a strong _____ of _____ _____ used _____ multimedia?

Is _____ a specific _____ _____ _____ used _____ transmit confidential _____ through multimedia _____?

Some multimedia _____ _____ a _____ level _____ _____ to _____ data.

_____ _____ security _____ _____ _____ for data _____ through multimedia channels?

_____ a _____ of _____ used _____ sending information through the _____ _____?

Does _____ level _____ _____ used when _____ confidential _____ through media channels _____ _____?

_____ _____ comes to data being _____ through _____ _____ channel _____ is _____ _____ ofEncryption used?

Is a level of cryptane _____ _____ _____ is _____ _____ multi-media _____?

Can you tell us _____ _____ _____ of security used _____ sending _____ _____ _____ _____?

_____ _____ the level of encryption _____ for _____ _____ transmissions.

What _____ _____ ciphers are _____ when using _____ _____ to transmit _____ _____?

_____ transmission _____ _____ multi-media and whether it's at _____ _____ _____ Encryption.

_____ sending confidential data _____ _____ channels, is _____ _____ _____ cipher utilized?

_____ you help _____ understand _____ _____ of _____ measures used _____ transfer important _____ across different _____ _____?

_____ a _____ of cryptautically used when _____ data _____ sent _____ _____?

_____ transmission _____ in multi- _____ and whether it's _____ level _____ _____

_____ _____ use level _____ _____ with _____ in multi-media channels?

_____ they use level _____ encryption when transporting _____ in _____ _____ _____?

Is a level _____ crypts _____ for _____ _____ _____ via _____ media _____?

Please _____ _____ with the _____ of _____ used in _____ data _____.

What kind of _____ _____ _____ when _____ multimedia _____ to _____ confidential _____?

_____ type of _____ _____ used _____ _____ _____ information through multimedia platforms?

_____ _____ _____ _____ a multi-media _____ what level _____ encryption is used?

Is _____ level _____ crypts _____ when the data is _____ _____ _____ _____?

Is it possible _____ _____ how much _____ is used _____ _____ _____ _____ _____ channels?

_____ multimedia _____ transmitSensitive data _____ certain level of _____ _____

Is there a level _____ _____ used _____ _____ confidential _____ _____ _____ channels?

Some multimedia _____ _____ _____ _____ a certain _____ of _____ applied.

I want to _____ more about _____ _____ of _____ _____ for _____ _____ of multimedia _____

_____ _____ _____ to _____ the _____ of security used when sending confidential _____ _____ media _____?

What kind _____ ciphers _____ used _____ using _____ _____ _____ _____ confidential _____ about yourself?

_____ transmission _____ _____ multi-media depends _____ _____ _____ of Encryption used

_____ levels of crypts used _____ _____ _____ is sent _____ multi-media _____?

When _____ _____ to _____ being _____ through a multi-media channel, what _____ _____ most _____ level _____ _____?

Is the _____ of _____ _____ _____ sending _____ _____ media channels that _____ can _____ me?

_____ sensitive _____ _____ _____ _____ _____ channels the level ofEncryption is used.

When _____ data _____ _____ via multi-media channels, _____ _____ _____ of _____ use utilized.

_____ _____ _____ encryption should _____ _____ when sending data through multiMEDIA _____.

_____ _____ level of _____ _____ _____ sending _____ data _____ media channels appropriate?

_____ it comes to data being _____ through _____ _____ what _____ _____ encryption _____ _____ use?

_____ you _____ a strong _____ _____ securing _____ shared _____ multimedia.

What level _____ encrypting data _____ _____ _____ _____?

Is a level of cryptautical _____ when _____ data _____ _____ _____ _____ _____.

When _____ _____ platforms, _____ ciphers _____ used to _____ _____ information about _____?

Data _____ _____ for _____ depends _____ _____ _____ of encryption is used.

_____ transmission security in multi-media _____ be _____ _____ _____ level _____ cipher _____ used.

What type of _____ is _____ when _____ confidential _____ is sent _____ _____ _____?

_____ a level of cipher used for _____ _____ _____ _____ _____ channels?

_____ it possible to tell me the _____ _____ _____ _____ when _____ data through _____ _____?

_____ _____ _____ in _____ _____ dependent on which level of _____ _____ use.

_____ sensitive data _____ transmitted via multi-media _____ is _____ _____ _____ crypts _____?

____ ____ level ____ cipher ____ when Sending ____ information through ____ channels?

____ the level of ____ ____ ____ sensitive ____ ____ via multi-media channels?

When sensitive ____ is sent viamulti-media ____ ____ ____ level ____ ____ used?

____ is a ____ of ____ used ____ ____ confidential information ____ media ____.

Is ____ level ____ ____ used ____ send confidential data ____ ____?

Is a ____ level ____ cipher used ____ ____ ____ ____ through ____ channels?

____ a ____ of cipher ____ in ____ ____ ____ through the media?

____ sharing ____ information across multi-media platforms what ____ ____ protection ____ ____ ____ provide?

____ tell ____ about ____ level of encryption ____ ____ media ____ transfer.

Is ____ ____ of ____ used ____ ____ is sent ____ multi-media channels?

When it comes ____ ____ data through a ____ ____ how ____ ____ the level ____ ____?

____ ____ ____ ciphers ____ used when using a multimedia platform ____ ____ ____ information?

When ____ comes ____ ____ ____ through a multi-media ____ ____ is the most effective ____ ____ ____?

____ you ____ ____ what ____ ____ ____ is ____ for the ____ of multimedia data?

____ ____ ____ ____ should be used when ____ data ____ multiMEDIA channels?

Is ____ of ____ used when ____ data ____ sent ____ ____ channels?

____ ____ ____ to ____ ____ ____ you use for sensitive multimedia ____ transmission.

____ the level of ____ ____ for ____ confidential ____ ____ media channels?

____ ____ comes to sending ____ through ____ multi-media ____ what ____ ____ level ____ Encryption?

Can ____ tell ____ what the encryption ____ ____ ____ using ____?

____ tell ____ ____ ____ encryption used ____ media data transfers

Is ____ level ____ ____ used when sending ____ ____ ____ ____ channels ____ to me?

____ you tell me ____ ____ ____ cipher used ____ sending ____ data ____ the ____?

____ ____ level of ____ used when ____ ____ ____ through the ____ channels?

Is the ____ of cryptane ____ ____ ____ data sent ____ ____ channels?

When ____ multimedia channels to ____ ____ information, ____ ____ a specific ____ ____ ____ used?

When sensitive data ____ ____ ____ ____ channels ____ a level of ____ ____?

Is the level ____ ____ ____ ____ ____ ____ data ____ media channels ____ can tell?

Can you tell ____ about the ____ ____ ____ ____ for the ____ transmission of ____ ____.

A level of crypts ____ ____ ____ ____ ____ is ____ via multi-media ____

Is ____ a ____ of cipher used ____ ____ confidential ____ ____ media?

____ level ____ ____ is ____ when moving data in ____ ____?

When passing ____ ____ ____ media is it ____ ____ ____ the amount ____ encryption ____?

What ____ the most effective ____ ____ encryption when ____ ____ ____ ____ being ____ through a ____ channel?

What ciphers ____ used ____ ____ confidential information with ____ ____?

____ ____ ____ encryption should be used ____ sending data ____ a ____ ____?

Can ____ ____ me a ____ ____ ____ ____ ____ of security used ____ ____ transmission of multimedia data?

When sensitive data ____ ____ via ____ channels ____ this ____ of ____ ____?

What cipher ____ used to ____ confidential ____ using ____ ____?

Do you ____ ____ ____ of encryption is used ____ ____ ____?

When it ____ ____ ____ data ____ ____ ____ what level ____ ____ should it use?

____ let ____ know the level ____ ____ used for ____ ____ transmissions.

Do you ____ strong methods ____ ____ ____ shared in ____?

When sensitive data ____ sent ____ multi-media ____ ____ ____ level of ____ ____?

Are there ____ of crypts used ____ sensitive ____ sent ____ ____ ____?

____ ____ ____ security ____ used for ____ ____ ____ information through multimedia platforms?

When ____ ____ ____ sent via ____ ____ ____ the encryption used high?

Data ____ security in ____ is dependent ____ ____ ____ ____ ____ it needs.

____ ____ possible to determine the ____ of encryption ____ ____ ____ with the ____?

____ sending ____ ____ through the media, a ____ of ____ ____ used.

_____ it _____ level _____ _____ used _____ _____ confidential _____ through the media?

_____ you _____ _____ _____ _____ about the kind of encryption _____ _____ multimedia _____ transmission?

What _____ is used _____ _____ confidential _____ _____ multimedia platforms?

What _____ _____ security is _____ for the _____ of _____ information _____ _____ platforms?

_____ a level of cipher _____ _____ sending _____ through _____ _____ that you _____ _____ _____ about?

_____ the transfer of data using _____ _____ involve _____ _____?

I want _____ _____ more _____ the kind _____ _____ used _____ the _____ _____ _____ multimedia data

_____ _____ security in _____ _____ _____ determined by _____ level of encryption _____ use.

Is a _____ of cryptane _____ _____ data is _____ via _____ _____?

Is a _____ _____ _____ used for _____ data that _____ sent via _____ _____?

_____ _____ _____ of Encryption used _____ sending _____ through a multi-media _____?

_____ _____ _____ of _____ _____ good for sending confidential _____ _____ media channels?

_____ using _____ platforms _____ transmit confidential _____ _____ _____ of ciphers is _____?

_____ _____ to _____ if you have _____ _____ _____ _____ kind _____ security used _____ _____ transmission of multimedia data.

When it _____ to _____ being _____ _____ multiMEDIA _____ _____ encryption _____ should _____ use?

_____ a _____ of _____ used _____ _____ data through the _____?

_____ a level _____ cipher _____ when _____ confidential _____ through _____ channels?

_____ it possible to _____ if a _____ _____ cipher is used _____ sending confidential _____ _____ _____ _____?

Is _____ level _____ _____ _____ when _____ data through the media _____?

Is a level of _____ _____ when _____ data _____ _____ via multiple _____ _____?

Is it possible to _____ _____ _____ _____ passing information _____ media _____?

When sensitive data _____ _____ _____ multi-media channels _____ _____ of _____ _____ used?

When _____ comes _____ sending _____ through _____ _____ channel _____ _____ _____ Encryption is used?

What _____ _____ _____ _____ Encryption used when sending data through _____ _____ _____.

What _____ the _____ _____ _____ _____ _____ _____ data through a multi-media channel?

Do _____ use _____ encryption _____ _____ _____ _____ on multimedia interface?
