Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)

How ____ ____ ____ ____ audited ____ tested for ____ ____ could ____ ____ situations like mine (credit-card-skimmer)?

How often ____ ____ going ____ check the system ____ make ____ you ____ end ____ ____ a credit ____ ____?

Do you ____ ____ systems for ____ ____ ____ often?

____ do you test ____ ____?

____ ____ to know ____ often ____ ____ and test ____ security ____ your ____ with regard to risks similar ____ ____ ____ skimmers.

How ____ ____ you ____ your systems to detect ____ ____ skimming ____?

Do you ____ out regular ____ checks ____ ____ ____ vulnerabilities ____ ____ incidents ____ ____ credit card skimmer ____ I encountered?

____ ____ audit ____ ____ for credit-card skimmers?

You test ____ ____ ____ credit ____ skimmer ____?

How often ____ your ____ ____ for ____ like the one ____ ____?

Do you ____ ____ testing ____ issues like ____ ____?

____ security audits ____ to ____ system weaknesses like how ____ fell victim ____ credit ____ ____ ____ a ____ ____?

____ your ____ being tested for ____ ____ my ____ ____ skimmer?

How frequently ____ ____ check out ____ in ____ ____?

Is it possible that security ____ are ____ ____ ____ ____ ____ ____ uncover ____ weaknesses like how I fell victim ____ ____ ____ ____?

How ____ ____ the ____ assessments ____ ____ your systems, like the one ____ ____ ____?

____ you audit ____ systems ____ to make ____ ____ ____ ____ from threats ____ ____ a credit card skimmer?

Do ____ routinely test and ____ ____ ____ that ____ ____ ____ ____ similar to ____ ____ by credit card skimmers?

Do ____ systems ____ audited ____ for potential ____ like what ____ ____ my ____ ____ skimmer?

____ often do ____ ____ ____ to ____ protection against ____ like I ____?

How often do ____ ____ security ____ ____ vulnerability ____ to ____ against ____ like ____?

____ someone regularly test and ____ ____ system to ____ ____ troubles ____ my ____ ____ skimming ____ incident?

____ ____ be ____ audits conducted ____ your ____ ____ to situations ____ as mine.

Having in mind ____ ____ ____ (credit-card-skimmer), ____ often are vulnerability ____ ____?

____ you test ____ ____ flaws ____ could lead to ____ similar to ____ ____ ____ ____ ____ card skimmers experienced?

Are there ____ ____ for susceptibility ____ credit ____ ____?

Do you ____ your ____ regularly ____ ____ such ____ ____ happened with my ____ ____?

Is ____ system ____ out ____ ____ skimmers ____ mine?

_____ you conduct _____ _____ _____ _____ testing _____ threats such _____ credit card skimming?

_____ frequently _____ you conduct security tests _____ _____ _____?

_____ _____ _____ _____ occurrence for _____ _____ _____ uncover _____ weaknesses like how I fell _____ _____ credit card skimming?

_____ you _____ your systems _____ a regular basis _____ _____ _____ skimmer _____?

Is _____ systems audited _____ _____ _____ potential vulnerabilities _____ the credit _____ _____ situation?

Is _____ testing carried out _____ _____ such as _____ credit _____ _____ _____?

_____ often _____ you conduct _____ audits to protect _____ _____ _____?

_____ _____ _____ you _____ security audits to _____ _____ from _____ card-skimming attacks?

Is _____ regular audits _____ _____ on _____ _____ susceptibility _____ _____ like mine?

_____ often _____ _____ get your systems _____ at for _____ _____ that _____ _____ to fraud?

_____ regular audits _____ your _____ detect _____ _____ that _____ lead _____ problems _____ _____ card skimming?

_____ _____ systems _____ _____ threats _____ a credit card skimmer?

Can someone regularly test and _____ _____ _____ _____ _____ security issues _____ my incident with _____ _____ _____ _____ device?

_____ you carry _____ _____ vulnerability scans _____ your _____ to _____ _____ like _____ _____ card skimmer?

Please _____ me _____ _____ _____ test _____ _____ _____ your platforms _____ regard to risks like credit _____ skimmers.

Do you _____ _____ _____ vulnerability _____ on your _____ _____ _____ situations _____ credit card _____ issues?

How often do _____ _____ vulnerability _____ and _____ audits _____ detect _____ _____?

Do _____ check your systems _____ _____ _____ _____ mine?

_____ _____ to _____ the extent _____ which _____ systems _____ _____ for _____ vulnerabilities _____ credit card skimming.

Do you _____ test for weak _____ in the system to _____ _____ no _____ artists _____ _____ _____ _____ _____?

Do _____ regularly check _____ see _____ _____ systems _____ vulnerable to _____?

_____ you do regular _____ checks to _____ sure _____ _____ no _____ _____ will _____ incidents _____ my _____ card skimmer?

_____ frequently _____ you conduct security _____ to identify _____ _____ _____ skimming _____?

_____ _____ testing _____ _____ for threats like a _____ card skimming _____?

_____ you _____ evaluate _____ test _____ _____ _____ _____ lead to problems like those _____ by victims _____ credit _____ skimmers?

_____ _____ _____ audits _____ look out for _____ _____ like mine?

_____ need _____ _____ _____ _____ you evaluate and _____ _____ _____ _____ your _____ with regards to risks comparable to _____ card skimmers.

Do you _____ _____ audit systems _____ _____ credit-card _____?

Is there regular vulnerability scans _____ _____ on your _____ to _____ _____ like _____ _____ card skimmer _____ _____?

_____ you _____ vulnerability _____ for things _____ my credit card's _____ _____?

Are _____ _____ audits that look out for _____ _____ _____ _____?

_____ many times _____ you checked _____ _____ for _____ _____ _____ that messes with my _____?

How _____ _____ you going _____ _____ that system to prevent another _____ _____ _____?

Are _____ _____ regular _____ regarding _____ card _____?

_____ _____ _____ _____ tests happen in _____ systems?

Do _____ audit your systems _____ to _____ _____ they aren't vulnerable to _____ _____ _____ _____ card _____?

_____ experienced credit _____ _____ so _____ often do you _____ _____ systems _____?

_____ you constantly _____ _____ _____ flaws that could _____ to similar problems to _____ encountered _____ _____ _____ skimmers?

Are audits conducted _____ _____ _____ to look out for _____ _____ _____?

_____ often _____ you _____ _____ system _____ _____ _____ another credit card skimmer?

_____ many times _____ you _____ the systems _____ these _____ stuff that _____ with _____ _____?

I experienced credit card _____ so _____ frequently _____ you _____ _____ _____?

Do you _____ your systems _____ for _____ _____ _____ threats?

_____ the audits _____ out _____ _____ _____ like mine?

_____ experienced credit card _____ _____ _____ frequently do _____ get your systems _____ _____?

I wonder _____ _____ _____ _____ _____ and tested _____ potential _____ _____ the credit card _____ situation?

_____ _____ and test for _____ spots _____ _____ _____ so _____ _____ can steal _____ credit cards?

Do you _____ _____ check _____ systems for _____ _____ mine?

_____ there _____ _____ or evaluations done on your _____ susceptibility _____ _____ such _____ _____?

_____ _____ times _____ you check _____ _____ to make sure that _____ hackers aren't _____ with _____ _____?

_____ you doing _____ _____ to look _____ for _____ skimmers _____ mine?

How frequently are _____ tests conducted _____ _____ _____ _____ skimming _____?

_____ you do _____ _____ checks _____ make sure _____ _____ _____ vulnerabilities that can lead _____ incidents _____ _____ credit card skimmer _____?

Do _____ systems have to _____ audited _____ _____ _____ _____ the credit card _____?

_____ you _____ your systems _____ for _____ _____ credit card _____?

_____ there _____ audits conducted _____ your _____ susceptibility to _____ _____ mine?

_____ _____ _____ _____ your _____ for weaknesses like mine?

_____ _____ _____ audits on _____ system's _____ _____ situations like mine?

_____ _____ _____ the _____ assessments _____ on your systems, like _____ situation?

Do you carry _____ _____ vulnerability scans _____ your _____ _____ _____ things _____ _____ card _____ issues?

_____ you _____ regular audits _____ detect _____ _____ _____ could lead to problems _____ the one _____ _____?

_____ _____ credit card fraud, _____ how frequently do _____ get _____ _____ _____?

Do you _____ _____ _____ _____ to make sure there aren't _____ _____ _____ could cause incidents like _____ credit _____ _____ _____?

_____ _____ do _____ have _____ tests to _____ _____ card skimming schemes?

I _____ if _____ systems are _____ _____ _____ _____ _____ similar to what _____ with my credit card _____ _____.

Do _____ _____ _____ _____ for vulnerabilities, _____ _____ happened with my credit _____?

Do you _____ _____ systems _____ to make sure they're _____ against _____ _____ _____?

How _____ _____ your _____ audited _____ vulnerabilities _____ to _____ _____ to me?

_____ you _____ _____ _____ and vulnerability testing _____ threats _____ as a _____ card skimming _____?

How _____ _____ _____ _____ to make _____ you are protected against _____ card-skimming?

How often _____ _____ check _____ _____ _____ make _____ _____ don't _____ up with _____ credit card skimmer?

_____ there _____ frequencies for _____ to _____ like credit _____ _____?

Do you carry _____ vulnerability scans _____ _____ _____ to _____ credit card _____ _____?

Are _____ regular vulnerability _____ _____ _____ _____ systems _____ detect situations _____ my _____ card skimmer?

_____ you _____ your _____ often _____ issues such _____ credit-card _____?

I _____ wondering _____ security audits are done _____ _____ regular _____ to uncover system _____ _____ how _____ _____ victim to _____ _____ _____.

_____ _____ audits conducted _____ your systems to _____ security _____ _____ could lead _____ problems like what _____ _____?

_____ _____ _____ your systems _____ skimmer _____ regularly?

_____ _____ _____ regular _____ to detect _____ flaws that _____ _____ to problems like _____ I _____?

Do _____ _____ _____ audited and tested for things _____ credit _____ _____?

Are you _____ and auditing _____ _____ _____ _____ systems?

_____ _____ tests _____ are _____ _____ your systems about _____ card skimmers?

I don't know if _____ _____ _____ _____ _____ a regular basis to uncover system _____ _____ _____ _____ fell victim _____ _____ _____ skimming.

Do you _____ _____ _____ frequently to _____ _____ vulnerabilities _____ the _____ that happened _____ my _____ card?

Do _____ _____ vulnerability testing on your systems _____ _____ _____ as a credit _____ _____ _____?

Are _____ _____ conducted on your _____ pertaining _____ credit _____ _____?

_____ often _____ _____ _____ _____ security tests related to issues like _____?

_____ your systems _____ regularly to _____ _____ _____ _____ from threats _____ a credit card _____?

_____ your systems audited for _____ _____ to _____ credit _____ skimmer _____ _____?

How _____ times _____ year _____ you _____ _____ _____ protect against credit-card-skimming?

Do _____ conduct _____ _____ checks to _____ _____ there _____ no vulnerabilities _____ could _____ _____ a credit card skimmer like _____ _____?

Is regular _____ conducted to detect security _____ that _____ _____ to problems _____ _____ _____ _____?

How often do you _____ _____ _____ to _____ sure we _____ _____ _____ credit card _____?

How frequently _____ _____ conduct security _____ _____ protect yourself _____ _____ attacks?

Do you _____ _____ tests _____ credit _____ _____?

Do you _____ out _____ _____ for threats _____ _____ a credit card _____ _____?

Do _____ carry _____ vulnerability _____ on _____ systems _____ _____ _____ like credit card skimmer _____?

Do your systems get _____ _____ tested _____ issues similar _____ _____ _____ _____?

How often ____ ____ ____ ____ ____ ____ vulnerability ____ to guard against credit-card-skimming attacks?

____ ____ testing your ____ for weaknesses ____ my ____ ____ skimmer?

Is ____ customary for your ____ to conduct ____ tests ____ ____ ____ ____?

____ the ____ of ____ card ____ how often ____ you ____ your ____ looked ____?

How ____ do ____ ____ audits to ensure ____ against ____ situations, ____ ____ did?

____ would ____ to know how ____ ____ evaluate ____ test ____ security ____ ____ ____ with ____ ____ the risks of ____ card skimmers.

How ____ ____ you conduct extensive ____ to protect ____ ____ ____ ____ did?

____ you ____ your ____ ____ threats that are ____ to ____?

How ____ ____ ____ run ____ tests to identify ____ card ____ threats?

Do ____ ____ audit your systems ____ vulnerabilities ____ credit-card ____?

Do you ____ ____ ____ ____ to ____ for ____ like ____ happened with my credit ____?

____ your ____ audited often to make sure they're ____ against ____ ____ ____ credit ____ ____?

____ you ____ ____ ____ your systems for weaknesses like ____?

How often do security ____ ____ ____ identify ____ ____ skimming ____?

How often are ____ ____ tested ____ ____ like the one ____ resulted ____ ____ ____.

Are ____ audits ____ ____ your system's ____ to ____ such ____ mine?

____ you tell me ____ ____ ____ evaluate and test the ____ of ____ platforms with ____ ____ ____ similar ____ credit card ____?

Do you carry ____ vulnerability scans on ____ ____ ____ detect ____ ____ credit ____ ____ ____ issues?

____ ____ systems ____ out ____ any potential skimmers like ____?

Is your system checked ____ ____ ____ weaknesses ____ ____?

How many ____ have you ____ the ____ ____ these bad ____ ____ ____ ____ my card?

Do ____ ____ ____ systems for ____ card ____ threats regularly?

____ ____ do ____ ____ ____ to make sure the vulnerabilities that ____ ____ ____ ____ ____ ____ credit card skimmer are fixed?

____ you periodically evaluate ____ ____ ____ security ____ ____ ____ ____ to problems like ____ encountered by ____ card skimmers?

Do ____ ____ for security ____ ____ to those encountered ____ ____ of ____ card ____?

Do ____ ____ regular system checks to make ____ there ____ ____ ____ that could ____ to ____ like the ____ card ____ ____ ____?

____ often do you ____ your systems looked ____ for ____ ____ can ____ ____?

How often ____ you ____ ____ evaluations ____ things ____ ____ card safety?

____ frequently do ____ ____ your ____ ____ security problems?

I'd like to ____ how ____ you ____ ____ ____ ____ ____ ____ your platforms with ____ to ____ like credit card ____.

____ you ____ ____ ____ ____ vulnerability ____ for threats such as credit ____ skimming?

How many times ____ ____ ____ ____ systems ____ make sure ____ sneaky ____ don't mess ____ my ____?

How ____ do ____ check ____ credit-card-skimming ____?

____ you ____ the systems frequently ____ ____ ____ credit-card skimmers?

Can someone regularly ____ ____ ____ ____ ____ to ____ sure you don't have security ____ ____ I ____?

Do ____ ____ regular system ____ to ____ sure there ____ ____ vulnerabilities ____ could ____ ____ incidents like ____ credit card skimmer ____?

Do ____ ____ for ____ flaws ____ could lead to the same ____ that ____ ____ credit card ____ ____?

____ ____ do ____ testing and audits ____ ____ skimmers?

How frequently are ____ ____ audited and ____ for ____ similar ____ ____ ____ ____ led to my ____?

Do you ____ and ____ ____ systems ____ ____ card ____ threats?

____ ____ ____ ____ ____ ____ ____ audits ____ done regularly ____ ____ system weaknesses like how I fell victim to ____ card skimming.

____ ____ like ____ know how often you ____ the ____ ____ your platforms ____ ____ to the risks ____ credit ____ ____.

Are there ____ tests ____ on ____ systems ____ such ____ ____ skimmers?

How frequently ____ vulnerability evaluations ____ ____ ____ credit ____ safety?

How often do ____ check ____ system ____ make ____ ____ don't ____ another credit ____ ____?

____ your ____ ____ ____ to ____ sure they are protected ____ ____ threats?

How ____ vulnerability ____ ____ conducted ____ your systems ____ credit card ____?

Are your ____ ____ ____ for ____ card ____?

____ ____ times do ____ ____ ____ ____ ____ these ____ stuff that messes with my card?

____ wanted to ____ ____ ____ to ____ ____ systems undergo assessments ____ ____ vulnerabilities ____ credit card skimming.

Is ____ ____ periodic focus on the potential exposure ____ vulnerabilities, like ____ ____ ____ ____ ____ ____?

Do ____ ____ ____ ____ for issues like ____ card skimming?

Is ____ systems audited ____ tested ____ ____ like ____ ____ card skimmer?

____ experienced ____ ____ fraud, so how often do ____ ____ ____ ____ checked?

____ ____ ____ ____ systems checking for ____ like mine?

Do ____ carry out ____ ____ and ____ testing for ____ ____ credit card ____?

____ ____ ____ audited for things ____ credit ____ skimmers?

____ your systems audited and tested for vulnerabilities ____ the ____ ____ ____ ____ my ____ ____ ____?

How frequently ____ your ____ ____ ____ ____ for ____ ____ are ____ to the ____ I experienced?

____ often ____ ____ systems tested for vulnerabilities ____ ____?

____ there ____ testing ____ on your systems ____ ____ card ____?

Is security ____ done ____ ____ regular ____ ____ find ____ weaknesses like ____ one I ____ victim ____?

____ many ____ have ____ checked the systems ____ make ____ the hacker ____ ____ not ____ ____ my card?

Do you audit your ____ frequently ____ make ____ they are ____ ____ threats similar ____ ____ credit ____ ____?

How ____ do ____ conduct audits ____ protect ____ from ____ ____ I ____?

How frequently do ____ ____ ____ ____ ____ guard against credit-card-skimming ____?

Are ____ conducting ____ audits to look ____ ____ skimmers ____ ____?

____ ____ ____ you get your systems ____ ____ for risks ____ can ____ ____ credit card ____?

____ often ____ you ____ audits to ensure protection ____ ____ ____ ____ experienced?

____ you been ____ vulnerability ____ ____ your ____?

Are ____ constantly evaluating and ____ ____ security ____ that could lead ____ problems ____ ____ ____ encountered by ____ ____ skimmers?

____ wonder if ____ ____ ____ audited ____ tested for potential vulnerabilities ____ to ____ happened ____ my ____ card skimmer ____.

____ wonder if ____ systems are ____ and tested for potential ____ ____ ____ ____ ____ ____ me.

Have your systems ____ ____ ____ ____ for ____ issues?

How ____ ____ the vulnerability ____ done ____ your systems, ____ ____ ____ ____ was in?

How often ____ you ____ to ____ that ____ ____ ____ ____ we ____ get another ____ card skimmer?

Do you periodically ____ ____ ____ ____ vulnerabilities that could ____ ____ incidents ____ my credit card ____ ____?

____ the number ____ vulnerability checks in ____ ____ ____ ____ mine?

Is ____ regular ____ conducted on your ____ ____ such ____ card ____?

Do you usually ____ ____ ____ ____ ____ for credit-card-skimming issues?

____ ____ if ____ ____ ____ ____ on a regular basis to ____ ____ ____ like how I fell ____ to credit ____ skimming.

____ you ____ ____ for ____ flaws that could lead to problems ____ ____ ____ of credit ____ ____?

Is your ____ ____ ____ ____ weaknesses ____ mine?

____ often ____ you check ____ ____ to prevent another ____ ____ skimmer?

____ ____ do ____ check ____ ____ ____ ____ sure ____ don't get another credit card skimmer?

How frequently ____ ____ ____ ____ for vulnerabilities similar ____ what ____ ____ me?

____ you ____ periodic ____ ____ vulnerability testing ____ threats ____ as credit ____ skimming?

Is ____ ____ ____ ____ on your system's susceptibility to ____ such ____ ____?

____ ____ ____ did you check ____ systems to make sure ____ my ____ ____ messed ____?

____ ____ regular vulnerability ____ done ____ ____ that can detect situations like my credit ____ skimmer ____ ____?

Please let me know how frequently you test ____ security ____ ____ ____ ____ regards ____ ____ ____ ____ ____ card skimmers

Do ____ ____ ____ systems ____ to make sure they're protected ____ threats ____ to a ____ ____ ____?

____ you ____ ____ security ____ ____ are similar to ____ encountered ____ credit ____ skimmers?

____ ____ do you ____ security ____ and vulnerability ____ ____ protect yourself ____ credit-card-skimming ____?

____ often do you conduct ____ ____ ____ your ____ for issues ____ ____?

Do ____ ____ your systems often for ____ ____ skimmer ____?

Are ____ systems audited ____ issues ____ ____ ____ happened?

_____ _____ regular for _____ systems to conduct tests regarding _____ _____ _____?

_____ your _____ _____ _____ to make sure _____ _____ get _____ like a credit _____ skimmer?

_____ often are _____ _____ run to _____ credit card _____ _____?

Is _____ audits done _____ a _____ _____ _____ uncover system _____ like _____ I _____ victim to _____ card _____?

_____ often are vulnerability _____ performed _____ your _____ _____ the one _____ _____ recently?

How _____ is my _____ _____ safety evaluated _____ your _____?

_____ _____ _____ _____ system checks _____ make sure there _____ no vulnerabilities _____ can lead _____ incidents like _____ _____ _____ skimmer _____ encountered?

Are there _____ _____ _____ done _____ your _____ _____ could detect credit _____ skimmer _____?

Do _____ check _____ _____ often _____ _____ sure you _____ _____ any vulnerabilities?

How _____ _____ you _____ _____ systems for vulnerabilities _____ _____ lead _____ _____ like mine?

_____ _____ _____ _____ systems often for _____ _____ credit card skimmers?

_____ _____ like to know _____ often you _____ _____ test the _____ _____ your platforms _____ regards to risks _____ _____ credit _____ _____.

How often do you _____ vulnerability _____ _____ _____ credit _____ _____?

_____ you _____ out regular _____ scans on _____ _____ _____ situations _____ my _____ card skimmer _____ issues?

_____ it possible to clarify _____ _____ _____ _____ my systems are _____ for potential _____ _____ _____ card skimming?

_____ you perform _____ system _____ _____ make _____ there are _____ _____ that could cause _____ like _____ credit _____ _____ incident?

_____ _____ _____ vulnerability evaluations done on your _____ for things _____ _____ _____ _____ safety?

_____ _____ regular tests regarding _____ _____ skimmers conducted _____ _____ systems?

_____ _____ audits _____ on _____ _____ _____ _____ find _____ weaknesses like _____ one I fell victim to?

_____ your _____ get audited and _____ _____ _____ issues?

_____ your systems _____ tested for _____ _____ _____?

How _____ _____ you _____ audits to make _____ _____ _____ protect yourself _____ _____ situations?

_____ you _____ your systems _____ _____ vulnerabilities like what _____ _____ my _____ card?

With _____ _____ situation _____ mind, how often _____ _____ _____ done?

_____ often are _____ _____ _____ for vulnerabilities _____ the _____ that caused my _____?

Are _____ _____ audited often _____ _____ sure _____ not _____ to _____ like _____ _____ card skimmer?

_____ you _____ _____ _____ _____ for _____ such _____ what happened _____ my credit card?

_____ frequently are your _____ audited and _____ _____ vulnerabilities _____ _____ _____ _____ what happened _____ me?

_____ _____ conduct audits on your _____ looking _____ _____ skimmers?

Do _____ check _____ _____ _____ to look out _____ potential _____?

Can someone _____ test and _____ _____ system to _____ _____ troubles _____ as _____ _____ with a credit card _____ _____?

_____ _____ check _____ _____ against threats _____ mine?

Can _____ tell _____ _____ security audits are done on a regular _____ _____ _____ _____ weaknesses _____ _____ _____ _____ victim to _____ card skimming?

_____ _____ do you conduct audits to make _____ you're _____ _____ _____?

Is _____ regular audits _____ your system's _____ _____ _____ _____ mine?

I want _____ know the _____ to _____ my systems undergo _____ _____ _____ vulnerabilities such _____ credit _____ _____.

_____ _____ _____ _____ how often you evaluate and test the security of _____ _____ with _____ _____ _____ _____ _____ credit card skimmers.

_____ audits _____ to _____ _____ _____ skimmers like mine?

Do _____ check _____ _____ _____ _____ vulnerabilities like credit-card-skimmers?

How often _____ vulnerability _____ _____ on _____ systems, _____ the _____ _____ had recently?

_____ someone regularly _____ and audit _____ _____ _____ as _____ I had a _____ card _____ _____?

Exactly _____ I experienced, _____ _____ _____ you conduct extensive audits _____ ensure _____ _____ _____?

_____ there regular _____ _____ on _____ systems _____ for potential _____?

_____ you undergo _____ _____ _____ to make _____ _____ there are _____ _____ _____ could _____ to _____ _____ my credit card skimmer incident?

Do you conduct _____ audits _____ vulnerability _____ _____ threats such _____ _____ _____ _____ skimmer incident?

_____ _____ test any weak _____ _____ _____ system _____ _____ one can _____ our credit cards?

____ ____ ____ your systems tested ____ vulnerabilities ____ ____ ____ in situations like mine?

____ frequently do ____ conduct ____ audits ____ vulnerability ____ ____ defend ____ credit-card-skimming attacks?

I was wondering if ____ ____ clarify the extent ____ ____ ____ systems ____ assessed ____ potential ____ like ____ card ____.

I experienced credit-card-skimmers and how often ____ ____ ____ audits ____ ____ ____?

____ ____ like to know ____ often ____ ____ and test the security ____ ____ platforms with ____ to ____ that are ____ to ____ ____ ____

____ ____ ____ audited frequently to ____ sure ____ ____ ____ from ____ ____ to credit card skimmers?

____ you ____ regular ____ ____ ____ security ____ that ____ lead to problems such as credit ____ ____?

____ you constantly evaluate and ____ ____ security flaws that could lead to similar ____ ____ ____ ____ by victims ____ ____ ____ ____?

____ ____ are the ____ ____ done ____ ____ systems like the one I ____?

Do you check ____ systems often for vulnerabilities such ____ ____ ____ ____ ____ with ____ ____ ____?

I'd like ____ know ____ ____ to ____ my systems ____ assessments for ____ vulnerabilities ____ ____ card ____ instances.

How many ____ and vulnerability tests ____ ____ ____ your ____ ____ prevent ____ like ____?

____ your system even ____ ____ for weaknesses like ____ ____ card ____?

Do you ____ audit and test ____ systems ____ ____ like ____ ____?

How often do you ____ audits ____ ensure ____ ____ ____?

How ____ times have ____ checked the ____ for this ____ ____ ____ with ____ ____?

____ often ____ ____ ____ audited and ____ for ____ similar to what happened to ____?

____ you periodically test security flaws ____ could lead ____ ____ similar to ____ ____ ____ ____ ____ skimmers?

Do ____ ____ evaluate ____ test ____ ____ flaws that ____ lead ____ problems similar to credit ____ ____?

____ ____ to ____ the extent to which my systems are ____ ____ ____ card ____ ____.

Do ____ ____ for security ____ ____ could lead ____ ____ similar ____ those encountered by ____ ____ skimmers?

To ____ against credit-card-skimming attacks, ____ ____ ____ you ____ ____ audits?

How ____ do you check your ____ ____ ____ such as ____ ____?

____ there regular ____ ____ ____ ____ susceptibility towards situations ____ mine?

I need to know ____ ____ you test ____ security of ____ platforms with regards ____ ____ ____ ____ ____ ____.

How often are your ____ ____ ____ tested ____ ____ same ____ ____ ____ to my situation?

How ____ are you ____ for ____ ____?

How ____ ____ you conduct audits to ____ against ____ ____ like ____?

____ you ____ evaluate ____ test ____ security ____ that ____ ____ to those ____ by credit card ____?

Having in ____ my ____ ____ how ____ ____ vulnerability ____ performed?

____ ____ ____ ____ you checked the systems ____ ____ sneaky hackers that mess ____ my ____?

Are your ____ ____ often ____ make ____ they're protected against ____ ____ ____?

____ you guys ____ for ____ ____ spots ____ the ____ ____ we don't have credit ____ ____?

____ you testing systems ____ for vulnerabilities ____ ____ ____?

How ____ do you run ____ ____ ____ your ____?

Do you conduct regular audits ____ ____ ____ ____ ____ ____ mine?

Exactly like my ____ how ____ ____ you ____ ____ ____ ensure protection ____ ____ scenarios?

____ there a periodically conducted ____ ____ focuses on the ____ exposure of ____ ____ mine ____ ____ with ____ ____?

____ you ____ test and ____ security flaws ____ could lead ____ ____ ____ those encountered ____ ____ card skimmers?

____ your systems ____ ____ tested ____ ____ like credit ____ skimmer?

____ you ____ ____ ____ scans ____ your ____ ____ can detect situations like my credit ____ skimmer exploit ____?

____ ____ conduct ____ tests on your ____ ____ ____ like mine?

How ____ are ____ checking the ____ to ____ ____ ____ ____ ____ up with another ____ card skimmer?

Are ____ ____ vulnerability ____ conducted ____ ____ ____ to avoid ____ similar to mine?

What is ____ ____ ____ ____ ____ in your ____ like mine?

How ____ ____ your systems ____ for ____ ____ ____ what ____ to me?

Is ____ possible ____ ____ ____ ____ done on ____ ____ basis ____ uncover ____ weaknesses like how ____ fell ____ to ____ card skimming?

Do ____ check ____ ____ frequently, ____ ____ ____ ____ what ____ to my credit card?

____ ____ credit ____ fraud, so how ____ ____ you ____ your ____ looked for?

____ your ____ ____ often to ____ sure ____ protected against ____ ____ a ____ card skimmer?

Is ____ system ____ and tested ____ issues ____ ____?

____ ____ ____ your systems ____ to look for vulnerabilities, ____ ____ what happened ____ my ____ ____?

I would appreciate it ____ you ____ ____ ____ how often ____ test the ____ ____ your ____ with ____ to ____ ____ ____ credit ____
skimmers

____ ____ check ____ see if your ____ are ____ ____ credit-card-skimming?

Are ____ ____ tests ____ on ____ system regarding ____ ____ skimmers?

____ ____ system frequently ____ ____ ____ ____ potential ____ like what happened with my ____ ____ skimmer?

____ ____ times have you ____ ____ ____ for this type ____ stuff?

____ ____ are vulnerability checks ____ your ____?

____ ____ check your ____ ____ for threats similar to ____?

____ ____ ____ ____ what the extent to ____ my systems are ____ ____ potential ____ like credit ____ skimming.

How ____ ____ have you checked ____ ____ ____ these hacker stuff that ____ ____ my ____?

____ your ____ audited ____ tested ____ issues similar ____ what ____ happened?

Are you testing ____ systems ____ ____ card ____ threats ____?

____ many ____ do ____ check ____ systems to make sure ____ ____ ____ stuff doesn't ____ ____ my card?

How ____ ____ ____ ____ check the system to avoid ____ ____ credit card ____?

____ ____ test ____ systems often ____ vulnerabilities ____ ____ credit card skimmers?

Do you ____ out ____ ____ vulnerability testing ____ threats ____ ____ ____ card ____ incident?

____ ____ ____ been audited and ____ for potential vulnerabilities like what ____ to ____ credit ____ ____ ____?

In the ____ ____ credit ____ fraud, how ____ do you ____ ____ ____ ____ at?

I ____ ____ to ____ ____ frequently you ____ and test the security of ____ ____ ____ regard ____ risks ____ ____ credit card ____.

How often ____ you ____ ____ systems looked ____ ____ ____ that ____ ____ to fraud?

____ ____ conduct regular ____ regarding ____ credit card ____?

What is the ____ ____ vulnerability ____ ____ your ____?

____ ____ ____ your systems ____ for vulnerabilities like credit ____ ____?

____ often do ____ ____ the ____?

____ want ____ know if security audits are ____ regularly ____ uncover system ____ ____ ____ I ____ victim to ____ ____ ____.

Let me know how often ____ evaluate ____ ____ ____ ____ ____ ____ platforms with regards to risks ____ ____ card ____.
