[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Customization and product configuration requests
Inquiry Sub-Category	Product compatibility
Description	Customers seeking information on which telecommunications products are compatible with their existing network or devices for seamless integration.
Data Size	5,121 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

What level _____ support/compatibility checks _____ TEM _____ when considering _____ _____ with _____ _____?

When _____ multi-location/ _____ _____ should TEM _____ _____ processes?

Is _____ _____ _____ multi-location/device/vendor expansions?

_____ _____ _____ _____ expand, _____ TEM check support for many _____.

TEM should be involved _____ _____ _____ _____ considering expansion plans _____ _____ locations _____ _____.

_____ TEM extend its _____ _____ _____ expanding to new _____?

_____ thoroughly TEM _____ required to investigate _____ _____ when _____ _____ multiple _____?

When _____ _____ _____ with _____ locations, devices, and _____ _____ extent _____ TEM extend their _____ in assessing _____?

Is _____ required _____ providecompatibility _____ for _____ _____?

_____ level _____ checks _____ TEM do _____ planning _____ _____ various locations?

_____ _____ check for _____ for _____ places when _____ want to _____?

How many compatibility checks _____ _____ provide _____ _____ _____ involving _____ locations and _____?

_____ multi-location/ device/vendor expansions _____ TEM _____ _____?

_____ _____ expanding with _____ locations, what _____ of _____ and compatibility should _____ _____?

How _____ support _____ be assessed by TEM _____ _____ expansion _____ across _____ _____?

How _____ should TEM provide _____ _____ for expanding _____ _____ _____ diverse _____?

How deep _____ _____ level ofcompatibility be _____ _____ _____ when _____ expansion plans _____ _____ places?

How _____ _____ and compatibility _____ will TEM give _____ _____ _____ expand across _____?

How much _____ is needed _____ _____ sure that _____ expansion _____ compatible _____ _____?

_____ TEM have support _____ _____ _____ expansions?

When considering _____ _____ _____ _____ locations _____ different vendors, _____ is the _____ of support _____?

How much _____ should TEM give to expansion _____ involving _____ _____ _____ _____ _____?

_____ is _____ _____ _____ support _____ compatibility checks needed for _____ to _____ locations?

When _____ _____ locations/devices/vendors _____ much _____ can we _____ from _____?

When considering expansion _____ _____ _____ locations/ _____ what _____ _____ _____ of support be?

_____ should extend their _____ _____ assessing compatibility while _____ expansion _____ with _____ _____ devices _____ _____

Does _____ _____ compatibility _____ _____ multiple locations _____ expansion?

Should TEM _____ support _____ _____ _____?

How _____ support _____ be _____ _____ _____ plans _____ multiple _____ devices, and vendors?

TEM should extend their _____ in assessing _____ _____ _____ expansion _____ _____ _____ _____ and vendors.

_____ expanding across _____ _____ _____ and _____ _____ level _____ assistance and compatibility _____ _____ expected from TEM?

What _____ _____ _____ _____ _____ provided for multi-location/device/vendor expansion?

_____ much compatibility _____ TEM _____ for expanding _____ _____ devices?

Is it _____ extending _____ _____ _____ _____ expansions?

_____ should _____ increase _____ _____ _____ compatibility checks _____ multi-location expansions?

Can _____ _____ _____ the _____ _____ _____ and compatibility checks you should _____ for _____ plans?

_____ _____ about expanding with more than one _____ _____ _____ _____ _____ should TEM _____?

Can TEM check _____ compatibility _____ _____ expands _____ _____ locations?

Can _____ _____ _____ the _____ _____ _____ and compatibility checks required by _____ _____ expanding?

_____ much shouldTEM provide compliance _____ _____ _____ _____ using diverse _____?

What level of support _____ required _____ _____ _____ devices _____ locations?

TEM _____ _____ their assistance to _____ _____ when _____ expansion plans with _____ _____ _____ _____ vendors.

compatibility checks _____ _____ _____ _____ expansions?

When _____ _____ _____ plans for multiple _____ what kind _____ checks _____ _____ _____ by TEM?

How _____ support should _____ _____ _____ expand across _____ locations?

_____ _____ expanding with _____ locations and/or devices, _____ _____ _____ support _____ compatibility should _____ provide?

Is _____ able _____ _____ _____ _____ multi-location/device/vendor expansions?

Can _____ _____ me _____ level of support _____ compatibility _____ _____ _____ expansion to various sites, _____ and _____?

How _____ compatibility _____ support checks can _____ expect _____ _____ when _____ _____?

How much compatibility _____ _____ _____ _____ for expansion plans _____ _____ locations and _____?

When planning multi-location _____ _____ _____ should _____ extend _____ support/check _____?

_____ level _____ assistance and compatibility _____ expected _____ TEM while _____ to _____ _____?

_____ level of verification _____ needed for _____ _____ _____ devices, _____ _____ locations?

When they plan _____ _____ _____ TEM check _____ _____ for _____ places?

Increased _____ of _____ _____ compatibility _____ is important for _____ _____ across multiple _____

_____ much _____ _____ TEM offer for expansion _____ involving _____ _____?

_____ _____ support _____ be _____ _____ expansion _____ involving multiple locations _____ different devices?

_____ _____ _____ should be checked when exploring expansion _____ involving _____ _____ devices _____ _____?

_____ TEM _____ _____ support/compliance _____ _____ multi-location plans?

Is it important _____ TEM _____ _____ adequate assistance/compatibility _____ _____ _____ with multiple _____?

_____ you _____ me the _____ level _____ support _____ compatibility _____ for expanding to _____ sites, _____ and _____?

Is it _____ _____ _____ to _____ compatibility during _____ expansions?

_____ _____ device/vendor _____ should TEM _____ compatibility?

_____ much _____ _____ investigate compatibility concerns for multiple _____ _____ the _____ _____?

_____ should extend _____ _____ in _____ compatibility _____ _____ are considering _____ plans with various _____ devices, _____ vendors.

_____ expanding with multiple locations, how _____ support _____ _____ _____?

_____ exploring expansion _____ involving multiple _____ _____ and vendors, what _____ _____ _____ _____ _____ checks be?

When considering expansion _____ for _____ locations or _____ _____ what _____ _____ support/compatibility _____ _____ _____ _____ put in place.

_____ looking _____ expansion plans _____ _____ locations, _____ checks should be _____ _____ TEM?

How _____ _____ and compatibility _____ _____ we expect _____ we expand _____ multiple _____?

When _____ to _____ locations, what _____ _____ _____ support?

When _____ what _____ _____ deal _____ _____ compatibility _____ support _____ for multiple locations, _____ _____ devices?

_____ _____ expansion plans for multiple _____ _____ _____ vendors, what level _____ support/compatibility checks _____ to _____ _____ place

_____ support/compliance assessments _____ _____ for multi-location/device/ _____ expansion _____?

Does TEM _____ support _____ _____ device/ _____ _____?

_____ TEM _____ multi- _____ expansions?

During the expansion phase, how much _____ _____ _____ _____ _____ compatibility _____ of _____ _____?

How much support _____ we _____ _____ TEM when _____ across _____ _____ _____?

Is additional _____ needed _____ _____ _____ _____ during multisite/device/vendor _____ possible?

Should support and _____ processes be extended _____ _____ _____ _____?

_____ level _____ support _____ necessary _____ expanding with _____ _____ vendors, or _____?

_____ clarify the _____ of _____ checks for _____ device/vendor _____ _____.

_____ considering expanding with _____ _____ and _____ _____ level of _____ should TEM _____?

_____ TEM _____ expansion involving _____ _____ much _____ _____ needed and _____ checks _____ needed?
