[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Data usage and bandwidth queries
Inquiry Sub-Category	Data overage charges
Description	Customers may receive unexpected charges on their bills due to exceeding their allotted data limits. They seek clarification from ISPs regarding the charges, any options for additional data allocation, and ways to avoid future overage charges.
Data Size	7,489 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)
