[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Product warranty and repairs
Inquiry Sub-Category	Recurring repair issues
Description	Customers experience repeated problems with their appliances and seek assistance in identifying the root cause or finding a permanent solution.
Data Size	6,687 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ ____ ____ conducted ____ ____ design flaws resulting in continuous breakdowns ____ ____ users ____?

Has your ____ ____ ____ ____ see ____ ____ ____ design ____ that ____ to repetitive user troubles?

____ you look ____ why ____ ____ issues keep ____?

Is there ____ about ____ design ____ that ____ ____ malfunction?

____ ____ look at the ____ of ____ flaws ____ ____ breakdown incidents?

Is ____ enough ____ into ____ malfunction caused ____ design ____?

____ investigations been ____ into design flaws ____ cause users ____ ____ ____ ____?

____ ____ ongoing investigations ____ the ____ ____ that cause breakdowns?

____ you ____ into ____ design ____ ____ endless breakdowns?

Did they ____ the ____ ____ ____ flaws on ____ ____ incidents?

Have investigations been ____ into ____ ____ ____ that ____ ____ ____ breakdown frequently?

Did ____ look at ____ ____ ____ caused ____ breaks for ____?

____ there an ____ ____ ____ ____ design flaws ____ ____ frequent user reports of ____?

____ ____ ____ ____ design flaws causing repeated ____?

____ ongoing issues ____ ____ technical ____ ____ to flawed ____ thoroughly investigated?

____ ____ look ____ design ____ which ____ repeated breakdowns ____ users?

____ investigations ____ ____ into the ____ ____ flaws that ____ ____ continuous breakdowns?

Did ____ ____ ____ design issues ____ ____ breakdowns?

Did investigators look into ____ ____ ____ to ____ ____?

____ the ____ of ____ user ____ related ____ flawed designs?

Has ____ probing ____ ____ to find design ____ that cause ____ ____?

____ a study ____ done ____ ____ problems caused by ____ ____?

____ investigations ____ done into ____ design ____ that can ____ continuous ____?

____ ____ been design flaws that ____ in ____ ____?

____ ____ an ____ investigation regarding ____ flaws that ____ ____ breakdowns?

____ anyone ____ into design flaws ____ ____ ____ breakdowns?

____ ____ looked into ____ design flaws ____ can ____ ____ to face ____?

____ a study ____ ____ defects ____ ____ potential design flaws?

____ you investigating ____ possible design flaws ____ ____ ____ ____ users facing ____?

Have you _____ _____ _____ _____ there are _____ persistent defects _____ _____ _____ _____ cause repeated failures?

_____ _____ possible breakdown _____ _____ examined _____ _____ in design abilities?

Is it possible that _____ _____ can _____ _____ user _____?

Is _____ _____ _____ design flaws that cause _____ breakdowns?

Is _____ a study about _____ defects _____ _____ _____ _____ flaws.

Is there any investigation _____ _____ _____ _____ lead _____ continuous breakdowns _____ _____?

_____ the _____ _____ _____ user breakdowns _____ result of flawed _____?

Did _____ _____ the impact _____ design flaws on _____ _____ _____?

Do you _____ investigations _____ design flaws that _____ _____ _____ _____?

_____ _____ _____ of repetitive _____ _____ caused by flawed design?

Do you _____ if there _____ _____ _____ _____ the design causing _____ _____?

Did _____ organization _____ _____ assessment on _____ _____ _____ that could _____ contributing _____ repetitive user _____?

Do _____ _____ if breakdown problems _____ looked _____ _____ defects _____ designs?

Is _____ breakdown instances _____ looked _____ for underlying _____ _____?

_____ _____ if _____ probe _____ ongoing breakdowns _____ _____ inadequate designs.

_____ _____ _____ _____ into screwy _____ that cause _____ to break?

_____ _____ know _____ there _____ design flaws that lead to _____ breakdowns _____ _____?

_____ you _____ into design flaws _____ _____ users to _____?

Did _____ look _____ _____ _____ of _____ _____ failures on users?

_____ there _____ investigations _____ design _____ causing _____ breakdown?

Is a study _____ _____ _____ design flaws _____ cause _____ _____?

Been _____ into _____ design _____ causing _____ _____?

Did _____ look into user issues _____ _____ _____ _____.

Is _____ _____ investigation into design weaknesses that _____ _____ _____?

Repetitive _____ _____ _____ be due to _____ _____.

If _____ _____ _____ flaws _____ your _____ design, have you looked into _____ _____?

_____ there enough research _____ _____ _____ caused _____ design weaknesses?

_____ investigations done _____ _____ _____ that caused user _____?

_____ investigations occur on _____ flaws _____ _____ to _____?

_____ there _____ design flaw _____ caused _____ user _____?

Have you looked _____ design _____ _____ _____ users _____ breakdown?

_____ looking _____ _____ design issues _____ cause endless _____?

Have _____ been _____ _____ potential _____ flaws _____ can lead _____ _____ failures?

Are _____ questioning _____ design _____ cause repetitive _____ _____?

Does _____ ongoing _____ prompt _____ _____ flaw _____?

Have you _____ potential design _____ _____ _____ cause _____ related failures _____?

Is _____ study _____ _____ problems _____ from design _____ done?

Have _____ _____ at _____ roots _____ design _____?

_____ you _____ _____ flaws that _____ repeated breakdowns for _____?

Is there research _____ _____ or _____ _____ _____ cause recurring _____?

_____ _____ _____ ongoing investigations about possible design flaws resulting _____ frequent _____ _____ _____?

Do _____ _____ if _____ are _____ _____ causing frequent _____ breakdowns?

Have you _____ _____ the screwy _____ _____ make _____ break?

_____ you know _____ there _____ _____ flaws that _____ _____ problems _____ users?

Is _____ still investigations _____ _____ _____ problems causing _____ breakdowns?

_____ there a possibility _____ _____ _____ that _____ _____ _____ users facing breakdowns?

_____ _____ _____ done an assessment on possible design flaws _____ _____ _____ _____ repetitive user _____?

Is _____ a possibility _____ _____ issues cause _____ _____ failures?

_____ _____ happen on design _____ _____ _____ user breakdowns?

_____ it possible _____ _____ _____ _____ that lead to repeated _____ breakdowns?

_____ you understand _____ design issues cause _____ _____ _____?

Been _____ _____ those design issues _____ _____ _____?

_____ you examined potential _____ faults that _____ _____ user-related _____?

_____ _____ ongoing _____ and flawed designs that led _____ _____ technical _____?

If design _____ cause _____ _____ failures, have _____ _____ them?

_____ _____ _____ there _____ persistent deficiencies in the design _____ _____ repeated _____ for us _____?

Have _____ looked _____ _____ flaws that _____ led to _____ _____?

Have _____ organization done assessments on _____ _____ _____ _____ _____ _____ to _____ user troubles?

Have investigations been done into _____ _____ _____ _____ _____ result in _____ _____?

_____ _____ on _____ flaws _____ user breakdowns?

_____ has _____ be _____ investigation _____ _____ malfunction caused by _____ weaknesses.

_____ the _____ _____ repetitive user breakdowns _____ _____?

_____ it _____ _____ that design flaws caused _____ _____ breakdowns?

Did thorough _____ _____ place to _____ design _____ responsible _____ _____ _____ breakdowns?

_____ flawed _____ affect _____ issue of _____ user _____?

Did you look into _____ causes _____ _____ design _____ _____ _____ happening?

Have you _____ _____ see if _____ _____ any _____ deficiencies _____ the _____ causing _____ failures?

Do you have any investigations into _____ _____ problems _____ _____ in _____ _____ _____ _____?

_____ _____ study _____ _____ about problems caused _____ potential design _____?

Is there _____ _____ regarding _____ flaws _____ _____ breakdowns?

_____ _____ any persistent _____ _____ _____ design that _____ repeats of failures for _____ _____?

_____ _____ probing been done _____ find design _____ _____ _____ _____ for repeated _____ failures?

_____ _____ an examination _____ potential design _____ _____ cause continuous _____ _____ users?

_____ _____ _____ that _____ _____ design issues that keep happening?

_____ it _____ _____ _____ designs resulted in frequent _____ problems?

Was the _____ user _____ due _____ _____ designs _____?

_____ _____ _____ _____ design faults _____ may cause user-related _____ yet?

_____ there enough _____ into user malfunction _____ _____ _____ weakness?

_____ there _____ _____ _____ design flaws cause frequent _____ breakdowns?

_____ investigations _____ done into _____ design flaws that can _____ _____ to _____ _____ _____?

Does your _____ _____ assessments on possible _____ flaws _____ contribute _____ _____ user _____?

Is it possible that investigators _____ _____ user _____ _____ _____ _____ designs?

Do _____ guys _____ _____ _____ _____ that can _____ users _____ face breakdowns?

Have you _____ if _____ _____ _____ _____ failures.

_____ _____ research done if _____ designs _____ _____ failures?

_____ there _____ ongoing investigation about design flaws _____ _____ _____?

Do _____ _____ _____ possible design _____ _____ can _____ to users facing _____?

_____ _____ a _____ _____ _____ defects _____ from potential design flaws?

_____ there _____ investigation _____ user malfunction _____ by design _____?

Have you looked into _____ design _____ _____ _____ _____ failures?

_____ investigations _____ _____ flaws _____ lead to _____?

Was _____ _____ _____ to _____ designs investigated?

Did you _____ _____ flaws _____ caused _____ _____?

_____ your _____ looked at _____ design _____ that _____ cause _____ failures?

Did _____ _____ _____ the _____ linked to inadequate _____?

_____ the _____ defects cause the continuous _____ experienced _____ _____?

_____ _____ _____ have been done about persistent _____ due _____ _____ design _____?

Is there a _____ _____ _____ _____ _____ users to face _____?

Is it possible that ongoing _____ resulted in _____ technical _____ _____ _____ _____ _____?

_____ _____ looked into the _____ _____ that can lead _____ _____ facing _____?

____ ____ _____ any design flaws that _____ _____ continuous malfunction?

Is _____ any _____ _____ _____ potential defects related to _____ _____?

_____ investigations _____ done into the design flaws _____ _____ _____ continuous _____?

Are breakdown _____ examined _____ _____ _____ _____ capabilities?

_____ _____ _____ examination into the _____ defects causing the _____?

_____ recent _____ _____ thoroughly examined for _____ _____?

Is _____ any _____ _____ _____ roots stemming _____ design errors?

Is there _____ ongoing _____ regarding design _____ _____ _____ breakdowns?

_____ a _____ _____ _____ persistent _____ _____ from potential design flaws?

_____ they _____ _____ _____ designs are causing _____?

Is there an _____ _____ into design _____ _____ persistent breakdowns _____ _____?

Investigations might _____ _____ at the _____ linked _____ inadequate _____.

_____ _____ _____ regarding design flaws that cause _____ _____.

_____ the continuous _____ resulted _____ _____ design _____?

Have _____ conducted assessments on design _____ that may _____ _____ _____ _____ _____?

_____ you _____ into _____ designs _____ things to always _____?

_____ _____ research _____ possible design flaws _____ can _____ _____ problems?

_____ _____ issue _____ repetitive _____ breakdowns due to flawed _____ _____?

_____ the _____ being caused _____ _____ designs _____ thoroughly?

Is _____ _____ _____ causing continuous user _____?

_____ there ongoing _____ resulting in frequent technical _____ _____ to _____ _____?

_____ there _____ _____ _____ into design flaws that _____ persistent _____?

_____ continuous disruptions _____ _____ users _____ possibly caused _____ design _____.

Are _____ _____ on design _____ that lead _____ _____ _____ by users?

_____ your _____ _____ at potential design faults _____ _____ user _____?

_____ you look at _____ issues _____ _____ to _____?

_____ _____ thorough _____ on recurrent _____ caused by _____ designs?

_____ your organization conducted assessments on _____ _____ flaws _____ contribute to _____ _____ _____?

Were investigations done _____ _____ _____ _____ resulted _____ user breakdown?

_____ _____ researching if faulty _____ _____ causing _____?

_____ _____ _____ for flaws that _____ lead _____ repeated breakdowns?

_____ may have _____ at the ongoing _____ _____ _____ inadequate _____.

_____ there _____ _____ of the design _____ _____ the disruptions?

_____ you conduct any investigations _____ _____ _____ _____ _____ cause problems _____ users?

Is there any ongoing _____ _____ _____ _____ _____ resulting in _____ user- reported _____?

_____ _____ have been _____ examination into the design _____ _____ _____ disruptions?

Have you _____ to see _____ _____ are _____ _____ design _____ that _____ repeated _____?

_____ _____ _____ design flaws _____ lead to users facing _____?

_____ there any _____ on the design _____ that _____ to _____ _____?

Design bugs _____ _____ _____ disruptions?

Have investigations _____ done into _____ design _____ that cause _____ _____ _____ _____?

Are _____ _____ behind frequent _____ _____ looked _____?

Have _____ _____ _____ _____ that lead to _____ breakdowns?

_____ investigations occur on _____ _____ _____ _____ breakdowns?

Is _____ _____ study about design flaws _____ cause _____ _____?

Potential design _____ _____ _____ _____ the continuous _____ experienced by _____.

_____ there _____ investigations regarding design issues _____ _____ _____ users?

Have _____ looked at possible design _____ _____ lead _____ _____?

Have you _____ to _____ _____ _____ are _____ _____ defects in _____ design?

_____ there ongoing investigations regarding _____ issues _____ _____ breakdowns _____ _____?

Did ____ ____ possible ____ ____ ____ lead to the ____ facing breakdowns?

____ ____ ____ design flaws cause ____ to break ____?

____ ____ designs cause ____ ____ user breakdown?

Is ____ enough ____ into user malfunctioning ____ ____ ____ weaknesses?

____ ____ ____ repeat user issues ____ of flawed ____?

____ experience ____ breakdowns due ____ design ____ are investigations ____?

____ ____ researched if faulty ____ are ____ cause ____ failures?

Was recent ____ instances ____ ____ ____ ____ design fault?

____ the ____ issues ____ by poor ____ ____ thoroughly?

Did ____ research if ____ ____ ____ failures?

____ anyone ____ if ____ are ____ flaws ____ lead ____ users ____ breakdowns?

____ ____ ____ study ____ at potential defects ____ ____ constant ____ malfunctioning experienced by ____?

____ your ____ done ____ ____ possible ____ flaws that ____ ____ contributing to repetitive user ____?

Did ____ know if design ____ ____ ____ user ____?

Have ____ design ____ ____ ____ triggered by ongoing ____?

There ____ ____ been ____ ____ of the design defects ____ ____ disruptions.

____ you look at design ____ behind ____ ____ ____?

____ ____ ____ study on the causes of persistent malfunction ____ ____ potential ____ ____?

Does your organization conduct ____ on possible ____ flaws ____ could ____ ____ ____ ____ user ____?

Have ____ ____ if ____ ____ cause failures?

____ ____ ____ to find design ____ responsible for repeated ____ ____?

Is ____ ____ assessment done on ____ ____ ____ that could ____ to repetitive ____ ____?

____ investigators look ____ repeat ____ due to ____ ____?

____ ____ looking into repeat ____ ____ due ____ flawed design?

Is there any ____ ____ design ____ ____ frequent ____ breakdowns?

____ flawed designs the ____ ____ ____ technical ____?

____ anyone done ____ if faulty designs ____ ____ ____?

____ ____ any design ____ investigations ____ of ongoing ____?

Investigations ____ have ____ ____ the ____ ____ linked to ____ designs.

____ ____ ____ brought ____ any design flaw ____?

____ you know ____ ____ are any persistent flaws ____ ____ ____ that ____ repeated failures ____ us ____?

Is ____ ____ ____ about ____ flaws causing problems ____ users?

____ the investigation done ____ recurring user breakdowns ____ ____ ____?

____ ____ investigation ____ the ____ breakdowns linked to inadequate ____?

____ ____ ____ ____ design flaws that ____ frequent user breakdowns?

Have you ____ the ____ design ____ that cause ____ to ____ ____?

____ ____ ongoing breakdowns linked ____ ____ designs being ____?

Did ____ ____ at ____ flaws ____ ____ ____ failures for users?

____ an ongoing malfunction caused ____ ____ ____ ____?

____ ____ check ____ issues that cause ____?

____ ____ ____ have looked into repeat user ____ due to ____ ____.

____ it ____ that breakdown problems ____ ____ ____ defects in ____ abilities?

Are ____ breakdown ____ ____ ____ for underlying design ____?

____ there ____ ongoing ____ into possible ____ ____ ____ ____ in frequent user reported ____?

____ ____ ____ ____ investigations ____ prompted by ongoing malfunctioning?

Were recent ____ instances ____ looked ____ for ____ ____ flaws?

____ ____ have ____ ____ ____ the design flaws that lead ____ breakdowns?

Is the issue of repetitive ____ ____ ____ ____ flawed ____?

____ ____ look at user problems ____ to ____ ____?

Is ____ organization ____ assessments on possible ____ flaws ____ ____ ____ ____ repetitive ____ troubles?

Is there _____ thorough _____ done _____ recurrent issues _____ _____ _____ designs?

_____ there _____ _____ investigations _____ possible _____ flaws that cause frequent _____ _____ malfunction?

Do you look into _____ flaws that _____ _____ _____ _____?

Have _____ _____ _____ see if there _____ _____ defects _____ _____ design _____ cause repeated failures?

Do _____ know _____ there are _____ persistent _____ _____ _____ design _____ _____ failures for consumers?

I _____ if a _____ _____ _____ done on _____ _____ caused _____ poor designs.

Is there _____ study _____ at _____ defects _____ to _____ _____ malfunctioning?

_____ _____ analyzed _____ malfunction roots related _____ design _____?

_____ _____ organization conduct _____ _____ possible design _____ that _____ contribute _____ repetitive _____ problems?

_____ you _____ if _____ are any _____ _____ in _____ _____ that cause _____ failures?

Have _____ checked if _____ _____ _____ persistent deficiencies in _____ design that _____ repeated _____ _____ _____?

Has a study been done _____ persistent _____ caused _____ _____ _____ _____?

Did you _____ design _____ _____ led _____ _____?

_____ may _____ _____ if _____ designs _____ persistent failures.

Did _____ research if _____ _____ are to _____ _____ failures?

Was it the case _____ repetitive _____ breakdowns _____ _____ _____ _____?

_____ there any reviews or _____ on _____ _____ _____ to design _____?

Is _____ _____ _____ find _____ flaws accountable for repeated _____ _____?

_____ there ongoing _____ regarding design _____ _____ _____ for users?

_____ there _____ flaws _____ _____ product's design _____ cause repeated _____?

_____ there _____ _____ _____ _____ possible design flaws causing _____ _____ reported malfunction?

Design flaws may _____ _____ frequent _____ _____.

_____ _____ probing if repetitive _____ _____ _____ caused by _____ issues?

_____ _____ still investigations _____ _____ problems causing frequent _____ for _____?

Has _____ organization _____ any _____ on _____ _____ _____ that contribute _____ repetitive _____ troubles?

Is _____ _____ persistent deficiencies in _____ _____ _____ repeated failures?

_____ _____ _____ take place to find _____ flaws responsible for _____ _____ _____?

Have investigations been done _____ _____ _____ _____ the _____ _____ cause users to _____ _____?

_____ the _____ _____ behind frequent _____ been _____ into?

Have _____ been any design _____ _____ resulted _____ _____ _____ malfunction?

_____ _____ _____ _____ _____ into the design _____ that create breakdowns?

Are _____ _____ _____ flaws _____ _____ design that cause _____ failures?

Is _____ possible that _____ _____ _____ that _____ _____ us breakdown _____ _____ been _____ for screw-ups?

_____ your company _____ _____ potential _____ _____ that _____ user-related failures?

Have investigations examined _____ _____ _____ _____ design _____?

Do you _____ if _____ _____ persistent _____ _____ _____ design that cause _____?

Is _____ any reviews _____ _____ on malfunction _____ _____ _____ design flaws?

_____ _____ look into design _____ _____ repeated breakdowns _____ users?

Are you _____ if _____ _____ _____ _____ failures?

_____ _____ if _____ were _____ on recurring user breakdowns _____ _____ defects.

_____ you investigated _____ design _____ cause _____ _____?

Did _____ do _____ investigations _____ _____ design _____ that lead to _____?

Design _____ cause _____ _____ breakdowns?

Have _____ looked into _____ _____ due to _____ _____?

Are there _____ _____ _____ findings on _____ incidents attributed _____ _____ issues?

_____ _____ _____ the issue _____ _____ user breakdowns was due to _____ _____.

Have _____ been done _____ the potential _____ flaws _____ result _____ _____ breakdowns _____ _____ users?

_____ _____ company _____ at _____ design problems _____ _____ user-related failures?

_____ _____ know _____ design _____ _____ cause frequent user breakdowns?

Did _____ _____ _____ _____ _____ users to break?

_____ there any ongoing investigations _____ _____ _____ _____ resulting in _____ reported _____?

_____ _____ company _____ at potential _____ fault that can cause _____ _____ _____?

Did _____ _____ of design _____ on user _____ _____ assessed?

_____ _____ _____ _____ design resulted in continuous _____?

Have _____ _____ _____ _____ potential _____ _____ that cause users to break _____ multiple _____?

_____ you investigate _____ design _____ _____ _____ the _____ for users?

Weak product _____ _____ _____ was _____ probing done about _____?

Design _____ behind frequent disruptions _____ _____ _____ _____.

_____ ongoing problems prompted _____ _____ _____ investigations?

_____ _____ _____ on design flaws that resulted in _____ _____?

Does _____ know _____ design flaws _____ causing _____ _____ breakdowns?

Is there _____ ongoing _____ about design flaws _____ _____ breakdowns _____ _____?

_____ _____ _____ _____ into how design flaws can _____ problems for _____?

_____ there _____ _____ bugs _____ frequent disruptions?

_____ researchers evaluate the _____ _____ design _____ _____ _____ breakdown incidents?

Do _____ research if _____ _____ _____ persistent _____?

Does _____ _____ _____ assessments _____ possible design flaws _____ _____ _____ _____ repetitive user problems?

_____ _____ _____ assessments on _____ design flaws _____ could _____ repetitive user _____?

_____ _____ look at _____ issues _____ cause _____ breakdown?

_____ _____ investigate design flaws _____ caused users _____ break _____?

Is _____ possible that _____ flaws _____ _____ recurring _____ experienced _____ users?

The design flaws _____ _____ _____ continuous breakdowns _____ _____.

_____ _____ looked into possible _____ _____ that could _____ _____ users to face _____?

_____ there _____ _____ on design flaws _____ to _____?

_____ _____ _____ on design flaws that lead _____ user _____?

_____ there still _____ into design _____ _____ _____ _____ experienced by users?

_____ _____ examined _____ _____ flaws that could cause user-related _____?

Is there _____ design _____ _____ _____ frequent _____ breakdowns?

Have your company looked _____ _____ _____ flaws that could _____ _____ _____?

_____ _____ _____ investigations into _____ design flaws _____ resulted _____ continuous breakdowns.

Sup, _____ you _____ looking into _____ _____ issues causing _____ _____?

Do _____ have _____ _____ design _____ _____ to continuous breakdowns?

Is _____ recent _____ instances _____ _____ for _____ design flaws?

_____ _____ take _____ account _____ impact _____ design _____ _____ user breakdown incidents?

_____ investigators _____ into user issues _____ _____ _____ design?

Is there _____ _____ done _____ recurring _____ _____ _____ design flaws?

Have _____ _____ _____ potential design _____ _____ _____ cause frequent user-related failures?

Have you investigated the _____ _____ _____ _____ breakdowns _____ your _____?

Have _____ looked into _____ _____ of screwy things _____ _____?

_____ _____ _____ _____ behind frequent outages.

_____ you _____ design issues _____ are _____ _____?

Is _____ investigations done _____ design _____ to _____ _____ breakdowns?

Do you _____ if your _____ _____ _____ _____ user failures?

_____ _____ _____ if the _____ cause failures?

Is _____ _____ design _____ behind _____ outage?

_____ there an investigation on _____ design flaws _____ _____ _____ _____ breakdowns?

Are _____ _____ persistent _____ in the design _____ _____ _____ failures _____ us?

_____ there _____ into _____ breakdown linked _____ _____ designs?

Have _____ looked into design _____ that cause _____ _____ _____ _____ breakdowns?

_____ it possible _____ _____ _____ examination was _____ on _____ _____ caused by _____ designs?

_____ there _____ ongoing _____ that leads _____ technical _____ _____ to _____ designs?

_____ any design _____ been caused _____ the _____ _____?

_____ _____ look at the impact _____ design _____ on _____ _____ incidents?

_____ investigations look at _____ _____ _____ inadequate _____?

_____ _____ _____ cause _____ have people researched?

Have _____ looked at malfunction _____ stemming _____ _____ _____?

Was _____ breakdown _____ _____ _____ _____ underlying design faults?

_____ it possible that _____ _____ design _____ caused repeat _____ _____?

_____ it _____ that _____ problems _____ examined for design _____?

_____ your _____ _____ _____ on possible design _____ _____ could contribute _____ repetitive user _____?

_____ it _____ case that design flaws _____ _____ _____?

_____ investigators look into repetitive user _____ _____ to _____ _____?

If faulty _____ cause _____ _____ have _____ _____ it?

Have _____ looked into _____ flaws that _____ _____ _____ users facing _____?

Is _____ _____ done about _____ malfunctions from _____ design _____?

_____ there _____ examination of the _____ defects that _____ _____ _____?

_____ there any _____ _____ _____ possible _____ flaws resulting _____ frequent _____ _____ of malfunctioning?

Did you _____ _____ _____ _____ that cause _____ to happen?

Did you _____ into _____ screwy _____ that cause _____ _____ _____?

Is _____ _____ _____ into _____ problems causing _____ breakdowns _____ users?

Have _____ _____ _____ from design _____?

Do _____ know if _____ are any defects in _____ design _____ _____ _____ _____ _____ us _____?

Was _____ _____ issue of _____ _____ breakdowns due _____ flawed _____?

_____ investigations _____ at _____ ongoing breakdowns linked _____ inadequate _____?

_____ _____ examined _____ design faults that can _____ _____ _____ failures yet?

_____ you _____ at potential design faults _____ _____ cause _____ failures _____?

_____ _____ on design flaws caused _____ _____?

Is there _____ bugs that _____ _____ _____ _____?

Have _____ _____ at potential design _____ causing _____ user-related _____ _____?

Are _____ _____ investigations on _____ design _____ _____ _____ to continuous breakdowns?

_____ you have _____ investigations _____ the _____ _____ _____ cause breakdowns in _____ users?

_____ recent _____ _____ _____ scrutinized _____ design faults?

Is _____ _____ into _____ design flaws that _____ _____ malfunctions?

_____ there enough _____ into user malfunction _____ _____ _____ weaknesses

If continued breakdown _____ were _____ for _____ in _____ _____?

_____ we _____ if breakdown issues were _____ _____ for _____ _____ design _____?

_____ design _____ the _____ _____ _____ user failures?

Is _____ _____ _____ _____ _____ flaws causing repeated breakdowns?

_____ _____ possible that _____ looked _____ _____ due to _____ designs?

Is it _____ that _____ _____ _____ experienced by users were caused _____ _____ _____?

Has _____ _____ _____ to _____ flaw investigations?

Have _____ _____ done _____ the _____ _____ flaws that _____ users to _____ repeatedly?

Is _____ _____ _____ _____ issues _____ in _____ _____ failures due to flawed designs?

Is it _____ that investigations looked at the _____ _____ _____ _____ _____ _____?

Are there _____ _____ regarding _____ flaws _____ recurring _____?

_____ the _____ issues caused by _____ designs examined _____ _____?

_____ recent _____ instances thoroughly _____ _____ underlying _____ faults?

_____ _____ _____ _____ _____ are any persistent defects in the _____ that _____ _____ failures?

Is recent _____ _____ _____ analyzed for _____ _____?

Is there any _____ _____ designs _____ make _____ _____ break?

Do ____ check ____ ____ ____ ____ are ____ persistent defects in ____ design ____ cause ____ ____ for us consumers?

____ you looked ____ the ____ design ____ that ____ ____ to breakdowns?

Have ____ ____ at ____ design ____ that ____ ____ user-related failures?

If there are flaws ____ ____ product's ____ have ____ looked into ____ ____ ____?

Weak product ____ ____ ____ was ____ probed.

Was repetitive ____ ____ due ____ ____ ____ examined?

____ ____ able to investigate possible design ____ ____ ____ ____ ____ facing breakdowns?

Investigations ____ have been ____ ____ recurring ____ ____ from design ____.

Did you look ____ design ____ ____ ____ causing ____?

Have ____ been ____ on ____ ____ causing user ____?

____ ____ organization done a ____ ____ ____ ____ if it contributes ____ ____ user troubles?

Yo, ____ ____ looked into screwy designs that ____ ____ ____?

____ people research if ____ ____ ____ causing ____?

Is ____ ____ investigation done on design ____ ____ user ____?

____ it possible that ____ ____ ____ are ____ by ____ issues?

____ you ____ ____ ____ into the design problems that ____ ____?

Was ____ ____ on design ____ to ____ ____ breakdowns?

____ investigations ____ ____ the breakdown ____ to poor ____?

____ ____ ongoing ____ resulting in frequent technical failures ____ ____ ____ designs ____ thoroughly?

Is ____ ____ investigation ____ ____ malfunction caused by design ____?

____ there ____ any design ____ that resulted in ____ ____?

____ there ongoing ____ into design ____ ____ ____ ____ for users?

____ recent ____ instances ____ examined for flaws in ____ ____?

____ your ____ ____ at potential ____ flaws ____ ____ cause user-related failures?

Did you ____ ____ investigations into the design ____ ____ ____ breakdowns for ____ ____?

____ anyone aware of design ____ causing ____ ____ ____.

Are ____ ____ flaws that ____ in ____ ____?

____ ____ ____ ____ done about persistent problems ____ ____ design flaws?

____ ____ design ____ that ____ ____ in continuous malfunctioning?

Is ____ any ____ ____ design ____ that ____ lead to continuous ____?

Is there any investigation ____ ____ ____ ____ to inadequate ____?

Been ____ into those design ____ that ____ causing ____ ____?

Did ____ look for repeat ____ ____ because of ____ ____?

Have you ____ ____ the possible ____ flaws that lead ____ ____ ____ facing ____?

____ investigators ____ for user ____ due ____ flawed ____?

Is ____ ____ ongoing ____ into the possibility of ____ ____ ____ ____ ____ reported malfunctions?

If design ____ ____ repetitive ____ failures, ____ you ____?

Is ____ breakdown instances ____ ____ for ____ ____?

____ your ____ conduct an assessment on ____ ____ flaws that ____ ____ to repetitive ____ ____?

Has your ____ ____ ____ ____ possible ____ flaws that could cause repetitive ____ ____?

Do ____ have any ____ ____ findings ____ malfunction ____ attributed ____ design ____?

Is recent breakdown ____ ____ ____ for ____ ____?

____ there ongoing investigations ____ ____ ____ problems causing ____ ____ for users?

____ ____ any investigation on ____ ____ flaws that lead ____ ____?

Did you look ____ ____ issues ____ were ____ ____?

____ ____ ____ persistent ____ can be investigated.

____ people looked into ____ ____ that ____ ____ user breakdowns?

____ recent ____ instances thoroughly ____ ____ underlying design ____?

Does ____ organization conduct assessments on ____ ____ flaws ____ ____ contribute ____ repetitive ____ ____?

____ ____ been ____ into ____ ____ flaws that ____ to ____ breakdowns by users?

____ researchers ____ at the impact ____ ____ ____ ____ ____ recurring user breakdown incidents?

____ it ____ ____ ____ probe the ____ breakdowns linked to inadequate ____?

Was there ____ ____ ____ resulted in frequent technical ____ ____ to ____ ____?

Is there ____ ____ on ____ ____ ____ that lead ____ continuous breakdowns ____ users?

Is ____ ____ study ____ at potential defects in ____ ____ system ____ ____ by ____?

Is it ____ to find design ____ ____ ____ ____ system ____?

____ have ____ been ____ into ____ design ____ causing ____ breakdowns?

Do you ____ ____ ____ ____ issues cause the ____ ____ failures?

____ there been design ____ ____ by ____ ____?

____ ____ breakdown instances thoroughly inspected ____ ____ design ____?

____ you check ____ ____ ____ that ____ things break?

____ ____ ____ peeked ____ the design issues ____ endless breakdowns?

____ you investigated the ____ design ____ that ____ to ____ facing ____?

____ ____ ____ investigations ____ design problems ____ constant breakdowns for ____?

Have ____ ____ ____ at ____ design ____ ____ could ____ to user-related failures?

Have ____ ____ done ____ potential design ____ ____ cause ____ to ____ more ____ more?

Is there ____ ____ relating to design ____ ____ constant breakdowns ____ ____?

Are ____ ____ ____ roots due ____ ____ errors?

____ ____ ____ conducted to ____ flaws ____ ____ design that cause users to ____ ____?

Do ____ ____ bungled ____ that people ____ stranded ____?

____ you ____ into ____ possible ____ ____ that ____ cause ____ to face breakdowns?

Is ____ ____ ____ into whether ____ flaws can cause ____ ____?

Have you conducted any ____ into the design ____ that ____ ____ ____ ____ ____?

Is there ____ ____ investigation ____ ____ flaws ____ ____ breakdowns for users?

____ investigations ____ ____ the ____ breakdowns linked to ____ designs?

Is there ongoing ____ ____ design problems ____ ____ regular ____ for ____?

Have ____ ____ ____ ____ designs that make things ____?

Did you ____ at ____ issues ____ ____ ____ occur?

____ you ____ ____ there ____ ____ persistent deficiencies ____ ____ ____ that cause repeat failures?

____ you investigated if repetitive ____ failures ____ caused ____ ____ ____?

____ ____ ____ ____ ____ possible design flaws that ____ contribute ____ repetitive user problems?

Do you know if ____ ____ ____ ____ deficiencies ____ the ____ ____ cause repeated ____ for ____?

____ investigators ____ at repeat user ____ ____ ____ flawed design?

Have ____ ____ into ____ design ____ that cause users ____ face ____?

____ ____ ____ ongoing ____ of ____ ____ flaws ____ in frequent user reported malfunction?

Have you ____ if ____ ____ ____ is to ____ for repeated ____?

____ flaws ____ cause ____ breakdowns ____ being ____.

____ ____ organization ____ assessments on ____ ____ flaws ____ may be contributing to ____ ____ troubles?

Is ____ ____ breakdowns ____ to inadequate ____ ____?

Is it ____ ____ ____ design flaws that ____ responsible ____ ____ system ____?

____ ____ malfunction leads ____ any ____ flaw ____?

____ ____ know if there is ____ ____ design ____ ____ recurring malfunction?

____ flaws could be ____ ____ ____ continuous ____ breakdowns.

Is ____ ____ that ____ ____ ____ continuous user breakdowns?

____ there ongoing ____ into ____ ____ that ____ breakdowns ____ users?

____ ____ design flaws ____ to continuous ____?

____ ____ look ____ ____ impact of potential design ____ ____ user ____ incidents?

____ ____ ____ ____ investigations ____ design flaws resulting in ____ reported malfunction?

Was ____ issue ____ repetitive ____ breakdowns due ____ flawed ____ looked ____?

Are ____ any reviews ____ ____ ____ malfunction incidents attributed to ____ ____?

_____ _____ investigating _____ design issues _____ repetitive _____ failures?

Is _____ _____ _____ regarding design flaws _____ users _____ _____ recurring breakdowns?

_____ it the case _____ repetitive _____ _____ _____ _____ flawed designs?

Is _____ recent breakdown _____ thoroughly examined _____ _____ _____ fault?

Did _____ _____ design _____ _____ breakdowns?

_____ you _____ _____ _____ _____ led to the breakdowns?

_____ design _____ a cause of _____ _____ _____?

Did you look _____ _____ flaws _____ _____ in repeated _____?

Have you _____ _____ into the _____ issues causing _____ _____ _____?

Did _____ look _____ the _____ issues _____ of flawed _____?

Was _____ frequent technical failures _____ to _____ _____ _____ _____ of _____ issues?

Do _____ _____ if breakdown _____ _____ _____ for defects in design _____?

Is _____ breakdown instances _____ _____ _____ _____ errors?

Were there ongoing issues _____ _____ designs _____ resulted in _____ _____ _____?

Is it possible that _____ _____ _____ _____ breakdowns _____ users?

Have _____ _____ _____ _____ flaws that cause _____ breakdowns?

_____ the investigation _____ on _____ _____ _____ user breakdowns?

Is _____ research _____ design _____ _____ can cause _____?

Do _____ _____ _____ there _____ any persistent _____ _____ _____ design _____ cause _____ failures for consumers?

_____ may _____ flaws _____ the _____ that _____ users _____ _____ recurring malfunction.

Does your organization do assessments _____ _____ design _____ _____ contribute to _____ _____ _____?

Have investigations _____ conducted _____ _____ design _____ _____ _____ users to break _____ frequently?

Are _____ ongoing _____ _____ design flaws that _____ _____ breakdowns?

Have multiple design _____ _____ users' _____ _____ _____?

_____ there _____ _____ _____ on _____ _____ caused by poor designs?

_____ enough investigation into user _____ _____ _____ _____ weaknesses?

Are _____ possible _____ _____ that have _____ _____ continuous malfunctions?

_____ you looked _____ screwy _____ that _____ things _____?

Do investigators _____ at _____ issues _____ _____ _____ designs?

Have your _____ conducted assessments on _____ _____ _____ _____ can lead _____ repetitive _____ _____?

_____ _____ _____ _____ _____ on possible design flaws that contribute to repetitive _____ _____?

Is _____ enough _____ into recurring _____ problems _____ by _____ _____?

Have _____ _____ _____ roots due _____ design _____?

Is there _____ ongoing _____ relating _____ _____ _____ _____ _____ in frequent _____ reported malfunctions?

_____ _____ enough investigation into user _____ caused _____ design _____?

_____ _____ investigating _____ design flaws _____ can cause _____ _____ face breakdowns?

Were there ongoing problems _____ _____ _____ _____ resulted _____ frequent _____ failures?

_____ _____ _____ examination conducted _____ _____ issues caused by poor _____?

_____ _____ investigated any possible _____ flaws _____ _____ _____ users facing breakdowns?

Is _____ aware of design _____ _____ _____ _____?

_____ frequent _____ failures _____ _____ _____ designs caused _____ ongoing issues?

Have you _____ into the _____ _____ _____ things _____?

Is _____ continued _____ problems examined for _____ _____ _____ abilities?

_____ the _____ malfunctioning _____ to _____ design flaw _____?

_____ there ongoing _____ _____ design _____ causing _____ breakdown?

_____ _____ find _____ flaws that _____ repeated _____?

Did _____ investigate _____ _____ that lead _____ the _____?

_____ _____ _____ conducted into potential design _____ that lead _____ _____ breakdowns?

_____ you check if there are persistent defects _____ _____ _____ _____ _____ _____ failures?

Is investigators _____ _____ _____ issues due _____ flawed _____?

_____ you looked _____ design flaws _____ can _____ _____ _____ face breakdowns _____ often?

_____ there ongoing _____ _____ _____ flaws that cause recurring _____?

Have _____ conducted _____ _____ into _____ design problems _____ _____ _____ for your users?

Is _____ possible that _____ _____ done on _____ user _____ from _____ _____?

_____ _____ researched if faulty _____ cause _____?

Were there _____ _____ that resulted _____ _____ _____ issues _____ _____ flawed designs?

_____ _____ possible _____ _____ _____ flaws _____ for recurring system failures?

Are you looking _____ screwy _____ _____ make _____ _____?

_____ it _____ that _____ _____ done about weak product _____ _____ frequently?

_____ the _____ linked _____ _____ designs investigated?

_____ you _____ _____ into possible _____ flaws _____ _____ _____ users facing breakdowns?

_____ may _____ researched _____ faulty _____ cause persistent _____.

Do _____ have _____ investigations _____ design problems _____ cause _____?

_____ _____ _____ design flaws _____ cause repeated _____?

Have _____ looked _____ design _____ that _____ _____ _____ facing breakdowns?

_____ there are _____ flaws _____ your _____ design, have _____ looked _____ _____ problems?

Have _____ _____ potential design _____ that could _____ _____ _____ failures?

Have _____ conducted _____ _____ _____ _____ problems that cause _____ for users?

_____ _____ malfunction caused _____ _____ design flaws?

There _____ _____ _____ _____ potential _____ defects that could _____ continuous disruptions for _____.

Is there _____ _____ of _____ design defects _____ may _____ _____?

_____ _____ _____ done into the _____ _____ flaws _____ can lead to _____ breakdowns?

Is _____ _____ that _____ were thorough _____ _____ on _____ issues _____ by poor _____?

Design _____ _____ lead to _____ _____ _____ users.

There _____ _____ on design flaws _____ can lead _____ _____ _____.

_____ you _____ any investigations _____ _____ flaws that lead _____ _____ breakdowns?

_____ _____ the case that design _____ _____ user _____?

Was _____ an _____ _____ _____ _____ defects causing the disruptions?

_____ thorough _____ _____ place _____ find design _____ responsible _____ repeated _____ breakdowns?

_____ there _____ _____ regarding design problems causing _____ _____?

Have _____ _____ into the screwy _____ that _____ _____ _____ break?

_____ there _____ been enough _____ _____ user malfunction _____ _____ design weaknesses?

Is there _____ investigation into _____ _____ _____ _____ design weaknesses.

Have _____ looked _____ _____ design _____ _____ could _____ _____ users facing breakdowns?

_____ people _____ _____ _____ designs _____ recurring failures?

Is there _____ look into _____ _____ _____ things to _____?

Is _____ possible _____ _____ _____ lead _____ the users facing _____?

Is _____ organization doing assessments on possible _____ _____ that _____ _____ _____ _____ user _____?

Have _____ been _____ into potential design _____ that _____ _____ continuous _____?

Is _____ any examination into _____ _____ _____ _____ cause the _____?

Was the issue of repetitive _____ _____ _____ _____ faulty _____?

Is it _____ _____ _____ _____ caused _____ user breakdown?

Have _____ _____ _____ into design _____ _____ can cause continuous _____?

_____ the continued breakdown problems examined for _____ _____ _____ _____?

Did _____ organization _____ _____ _____ possible design flaws that _____ cause _____ user _____?

Have _____ _____ looked _____ _____ design _____ that could cause _____ failures?

Did you _____ any _____ into the _____ _____ that _____ problems _____ _____ users?

_____ you investigate _____ _____ _____ _____ repetitive failures?

Is _____ _____ instances thoroughly _____ at _____ _____ fault?

Was _____ because _____ _____ _____ that investigators _____ into repeat _____?

_____ it _____ to flawed _____ that _____ user _____ occur?

Is _____ _____ investigations regarding design _____ _____ cause _____ breakdowns _____ users?

_____ wonder if _____ _____ _____ flaws caused user _____.

_____ _____ design bugs _____ cause _____ _____ yet?

Was _____ _____ issues resulting _____ frequent _____ failures due _____ _____ _____ investigated thoroughly?

Do _____ investigate _____ design _____ that _____ lead _____ breakdowns?

Did _____ _____ _____ _____ issues that _____ happening?

Have investigations looked _____ _____ malfunction _____ related _____ design _____?

_____ ongoing _____ due _____ flawed designs resulting in _____ _____ _____?

_____ there been design flaws _____ _____ _____ continuous _____?

_____ have you looked _____ _____ design _____ causing _____ breakdowns?

_____ _____ _____ at the ongoing breakdowns _____ by inadequate _____?

_____ there any _____ _____ _____ recurring _____ caused by poor _____?

_____ there any _____ on _____ _____ flaws that cause _____?

_____ you been looking _____ those _____ _____ _____ endless breakdowns?

_____ you look _____ design issues that _____ _____ the _____?

Did investigators _____ into repeat _____ _____ _____ _____ faulty designs?

_____ there enough investigation _____ user malfunctioned _____ _____ _____ weaknesses?

_____ _____ causing persistent breakdowns _____ being _____.

Looking _____ the design _____ behind _____ _____ _____?

_____ _____ looked into screwy designs _____ make _____ _____?

_____ _____ _____ design _____ behind frequent outages?

_____ you investigate design _____ _____ repeated _____?

_____ _____ _____ _____ design issues that keep _____?

Have _____ looked _____ _____ _____ _____ make things break?

_____ _____ look into possible flaws that _____ lead _____ _____ _____?

_____ you checked _____ _____ are any persistent _____ in the _____ that _____ _____?

Were _____ _____ _____ _____ that caused the constant _____ experienced by _____?

_____ you investigated possible _____ _____ _____ can lead to _____?

Were researchers able _____ assess _____ impact of _____ _____ _____ _____ user _____ incidents?

Is it possible _____ continuous _____ _____ from _____ _____?

Is _____ _____ done _____ persistent _____ _____ _____ potential design flaws.

_____ you _____ _____ into _____ design problems that _____ breakdowns _____ your _____?

_____ it possible that design _____ _____ _____ accountable for _____ system _____?

_____ _____ _____ done into _____ design _____ that cause _____ breakdowns?

Is there still _____ _____ design flaws that _____ _____ _____?

_____ you _____ any _____ _____ _____ design problems that _____ users to break _____?

Does _____ organization conduct assessments _____ design flaws _____ _____ contribute to _____ _____ _____?

_____ _____ _____ assessments on possible design _____ that _____ contribute to repetitive _____ _____?

_____ _____ investigations on _____ _____ that _____ user breakdowns?

_____ you looked _____ _____ causes of design _____ that _____ to _____?

_____ the _____ _____ _____ due _____ _____ designs the result _____ ongoing issues?

Have _____ flaws _____ found _____ _____ _____ for _____ system breakdowns?

_____ _____ _____ investigations into _____ flaws that lead _____ continuous _____ _____ users?

Have _____ looked _____ the design _____ _____ the _____ outages?

_____ _____ _____ take _____ to _____ _____ flaws that _____ repeated system breakdowns?

_____ _____ an _____ investigation _____ design _____ causing _____ breakdown for users?

_____ it _____ to investigate _____ flaws that _____ _____ continuous breakdown _____ _____?

_____ _____ been done into _____ _____ _____ that can lead to _____ _____?

_____ flaws _____ persistent _____ _____ by users _____ being investigated.

_____ investigators look _____ _____ issues because of _____ _____?

_____ _____ any _____ to find design flaws _____ for repeated _____ _____?

_____ _____ _____ _____ about _____ malfunctions arising _____ potential design flaws.

_____ there research _____ _____ design flaws _____ cause _____ problems?

Is _____ _____ _____ _____ _____ design flaws causing frequent user _____ malfunction?

_____ your organization do design _____ _____ see _____ _____ _____ design flaws that _____ to _____ _____ troubles?

_____ have _____ _____ _____ at the design issues _____ _____ breakdowns?

_____ _____ investigate bungled _____ that _____ users?

Do _____ analyze _____ _____ _____ from design _____?

_____ _____ ongoing investigations _____ _____ problems causing _____ to break _____?

_____ there ongoing investigations _____ _____ flaws _____ cause recurring _____?

_____ there _____ flaws in _____ product's design, _____ _____ looked _____ _____ malfunction?

Have investigations _____ _____ _____ potential design _____ that _____ _____ continuous breakdowns?

_____ _____ _____ looking at the design _____ _____ the _____ breakdowns?

_____ _____ enough _____ regarding user _____ _____ by design weaknesses?

Is _____ an ongoing _____ _____ design _____ causing persistent _____ experienced _____ _____?

Have _____ been _____ into _____ design _____ that _____ to _____ breakdowns?

Is there _____ issues that _____ in _____ _____ _____ due _____ flawed _____?

_____ _____ _____ design _____ _____ are causing breakdowns?

_____ _____ if _____ _____ _____ conducted on _____ issues _____ by poor designs.

Has your _____ done _____ design assessment to see _____ there are _____ flaws _____ _____ _____ repetitive _____ _____?

Have _____ done _____ _____ into _____ design _____ that _____ problems _____ your users?

Is there _____ _____ done _____ recurring issues _____ _____ _____ designs?

Is _____ _____ investigations into _____ _____ causing frequent breakdowns _____ _____?

_____ the _____ issues caused _____ _____ _____ examined?

Has _____ study _____ done _____ _____ _____ due _____ design flaws?

_____ _____ _____ into _____ issues as a result of _____ _____?

Did _____ uncover _____ _____ _____ cause breakdowns?

Have _____ conducted _____ assessment on _____ _____ flaws _____ could _____ _____ _____ user troubles?

_____ anyone _____ _____ _____ designs that make _____ break?

Is the issue of _____ _____ breaks _____ _____ _____ designs?

_____ there _____ flaws that _____ to _____ users _____ breakdowns?

_____ you looked _____ _____ designs that _____ _____?

Is _____ _____ _____ _____ design flaws causing _____ failures?

_____ wonder _____ _____ looked at _____ _____ due _____ flawed designs.

Do you _____ if there _____ any persistent _____ _____ _____ _____ cause multiple _____?

There may _____ _____ an _____ of _____ design defects that _____ _____ _____.

_____ _____ _____ _____ looking at those design issues causing _____ _____?

Did _____ probing take place _____ find _____ _____ _____ _____ repeated _____ breakdowns?

Is _____ any _____ into potential design defects _____ _____ _____?

_____ ongoing problems _____ any _____ flaw _____?

_____ you checked _____ see _____ there are any _____ deficiencies in the _____ _____ _____ repeated failures _____ _____?

_____ might have _____ an examination _____ potential design _____ that _____ _____ _____.

Did you look _____ _____ _____ _____ led _____ repeated breakdowns?

Have investigations _____ _____ into potential _____ flaws _____ lead to a _____ _____ _____?

Did researchers _____ at _____ _____ _____ possible design flaws _____ _____ incidents?

Was _____ _____ problems _____ _____ flawed designs?

Is it possible that _____ _____ _____ _____ _____ _____ _____ in design abilities?

Was _____ possible that _____ looked into _____ _____ due _____ _____ design?

_____ you _____ into _____ design issues _____ _____ endless breakdowns?

____ ____ ____ ____ in your ____ design, have ____ ____ at the repeated malfunction?

____ you ____ ____ ____ ____ ____ flaws that cause continuous breakdowns?

Is ____ ____ design ____ that causes ____ outages ____?

Are investigations looking ____ the ____ ____ ____ ____ inadequate designs?

Are there any reviews ____ ____ ____ malfunction incidents ____ ____ design ____?

Was there ____ ____ of potential design ____ ____ ____ failures?

____ ____ have any findings regarding malfunction ____ attributed ____ ____ ____?

____ thorough ____ ____ place to ____ ____ flaws ____ were responsible for system ____?

Is ____ aware of design flaws ____ cause ____ ____ ____?

I wonder ____ ____ ____ done ____ design flaws causing ____.

Do ____ look into ____ that can ____ to ____ ____?

____ flaws ____ to continuous ____?

Have ____ looked into ____ ____ ____ cause ____ breakdowns?

____ you ____ the design problems ____ ____ problems ____ your ____?

Are there any ____ or findings ____ ____ ____ attributed ____ ____ inadequacies?

Are recent breakdown ____ ____ ____ for ____ ____?

Have investigations ____ done ____ potential design flaws, ____ ____ ____ ____ breakdowns?

____ ____ ____ done into ____ ____ ____ that can cause continuous ____ by users?

Is ____ design ____ ____ users' experience ____?

____ you conducted assessments ____ ____ ____ ____ ____ may contribute to repetitive ____ problems?

____ you checking ____ see if ____ are ____ persistent ____ in the design ____ ____ repeated ____ for ____ ____?

____ ____ any ____ investigations into ____ design flaws ____ in frequent user- ____ ____?

____ ____ ____ at design flaws that ____ recurring ____?

Have you ____ possible design ____ that ____ lead ____ ____ facing ____?

Has any ____ ____ investigations ____ ____ ____ ongoing malfunction?

____ your organization conducted ____ assessments to ____ ____ there are ____ ____ ____ ____ to ____ user troubles?

Is ____ done ____ ____ ____ ____ cause user breakdown?

Was ____ looking ____ ____ issues ____ of flawed ____?

There may ____ ____ ____ ____ ____ potential ____ defects that caused disruptions.

Is ____ any ongoing ____ regarding ____ ____ ____ recurring breakdowns?

Have you conducted an ____ into the ____ ____ ____ ____ problems for ____ ____?

____ ____ investigated if ____ issues cause ____ user ____?

Is ____ any ongoing investigations ____ to ____ design flaws ____ ____ frequent ____ ____ ____?

Is ____ ____ ____ ____ at potential ____ related to ____ malfunction?

____ there ____ ____ possible ____ flaws ____ malfunction?

____ investigations ____ on ____ flaws that cause ____ ____?

Is there ongoing investigations ____ ____ ____ causing ____ ____?

Is ____ ____ ____ done if ____ ____ are causing failures?

____ ____ know if design issues ____ ____ ____ failures?

____ there research into ____ flaws ____ can cause ____ ____?

Has your company looked ____ potential design flaws ____ ____ ____ ____ ____?

Have ____ ____ at potential ____ ____ that could ____ frequent ____ failures?

Are ____ ____ ____ flaws in the ____ ____ that cause repetitive ____ issues ____?

Design ____ ____ ____ ____ repeated user breakdown.

Has ____ looked ____ screwy designs that ____ ____ ____ break?

____ a study been done ____ persistent ____ caused ____ ____ ____?

____ ____ discover design ____ ____ cause ____ breakdowns?

Are there any ____ ____ in the design ____ ____ ____ repeated ____?

Are ____ any reviews ____ findings ____ malfunction incidents ____ ____ ____ deficiencies?

Do ____ ____ ____ design ____ that ____ lead to users facing ____?

Has ____ study been done ____ ____ ____ ____?

____ ____ any investigation of ____ flaws ____ lead ____ breakdowns by ____?

Are ____ ____ possible design ____ ____ can lead to ____?

Have ____ problems caused ____ ____ ____?

____ ____ look into ____ flaws ____ lead to repeated ____?

Are ____ ____ persistent deficiencies in the ____ that ____ ____?

Was ____ ____ ____ ____ user ____ caused by flawed designs?

Is ____ ____ ____ investigations ____ possible design flaws ____ frequent ____ reported ____?

Has thorough ____ ____ done to find design ____ ____ ____ ____ ____ system breakdowns?

Have you conducted assessments ____ ____ ____ flaws that ____ ____ to ____ ____?

Is ____ an investigation ____ design flaws ____ cause ____ breakdowns ____ ____?

____ ____ ____ ongoing ____ ____ possible design ____ causing ____ user reported malfunction?

____ ____ ____ be ____ examination into the design defects ____ caused ____ ____.

____ people ____ ____ flawed ____ ____ causing failures?

Have you ____ any investigations ____ ____ ____ that cause ____ for ____?

____ ____ possible that ____ ____ into user issues ____ ____ flawed designs?

____ you looked into the ____ bugs ____ cause ____ ____?

____ there any ____ investigations ____ ____ design ____ resulting in frequent ____ reported ____?

____ ____ ____ ____ regarding design ____ causing breakdown for users?

Is there ____ investigations ____ design ____ ____ ____ breakdowns?

Are you ____ into the ____ ____ that ____ ____ ____ breakdowns?

Is there enough ____ ____ ____ problems caused by ____ ____?

____ ____ ____ done ____ ____ design ____ that result in continuous breakdowns ____ by ____?

____ ____ study ____ done about ____ flaws ____ persistent malfunction?

____ investigations done ____ design flaws ____ ____?

____ might ____ analyzed ____ ____ roots from ____ errors.

Is ____ possible that ____ ____ have been found ____ ____ ____ ____ breakdowns?

____ anyone aware ____ design flaws ____ ____ ____ frequent ____ breakdowns?

____ there a ____ ____ design flaws ____ ____ continuous ____ encountered by ____?

____ ____ ____ design ____ that resulted ____ breakdowns?

Has ____ ____ if ____ designs are ____ ____?

____ there ____ ____ regarding ____ problems causing constant failures ____ ____?

____ ____ ____ persistent ____ in ____ design which cause repeated ____?

There ____ be ____ ____ ____ design that cause recurring ____ by ____.

____ ____ conducted ____ design flaws ____ cause user ____?

Did investigators ____ ____ repeat user ____ due ____ ____ designs?

Are you investigating ____ ____ flaws ____ cause ____ users ____ face ____?

There may ____ been ____ ____ of potential design ____ ____ ____ disruptions.

____ ____ ____ ____ there are ____ persistent ____ in the design ____ repeated ____ for ____ consumers?

____ there ____ investigation into the breakdown linked ____ ____ ____?

____ anyone researched if ____ ____ are ____ persistent ____?

Is ____ any ____ ____ the design ____ that lead to ____ breakdowns ____ ____?

____ ____ issues ____ by ____ designs ____ thoroughly?

____ ____ ____ that investigations ____ ____ on recurring ____ ____ from design defects?

Has ____ ____ been ____ ____ design flaws that ____ persistent ____?

____ ____ ____ ____ flaws that ____ users to breakdown?

____ ____ ____ research ____ ____ designs cause failures?

____ ____ researched if ____ designs are ____ failures ____?

Is ____ ongoing investigations ____ ____ problems ____ cause ____ breakdowns ____ users?

Have ____ been ____ that ____ to repeated ____ ____?

____ ____ done on ____ flaws ____ caused users to ____?

Have ____ examined ____ design fault ____ ____ cause user-related ____?

Have ____ done any ____ ____ ____ design ____ that create ____ ____ your users?

Are ____ ____ ____ possible design ____ that ____ to ____ facing breakdowns?

____ there ____ ____ behind frequent outages ____?

Is ____ ____ on if faulty ____ ____ ____ failures?

____ ____ a ____ ____ done ____ ____ caused by bad designs?

____ ____ a thorough ____ ____ on the issues ____ by ____ designs?

____ repetitive user failures ____ ____ design ____?

____ ____ probing been done to find ____ ____ ____ repeated ____ breakdowns?

____ you ____ looked ____ the design bugs ____ ____ outages?

Have you looked ____ ____ ____ designs that ____ ____ always ____?

Did ____ look ____ ____ ____ ____ cause things to break?

____ ____ a ____ examination ____ on ____ ____ caused by poor designs?

There are ____ on design ____ that ____ ____ continuous ____.

____ ____ ____ ____ ____ possible design flaws that ____ contribute to ____ user troubles?

Is ____ any ____ into ____ design ____ causing recurring ____?

____ ____ ____ into ____ issues linked to ____ designs?

____ ____ ____ any investigations into ____ ____ problems that ____ ____ users' experience?

____ there ____ thorough examination ____ was conducted ____ recurrent ____ caused by ____ ____?

Did you ____ design ____ ____ ____ ____ breakdowns?

____ there ____ ____ investigators ____ into repeat user issues ____ to ____ ____?

Do you ____ if there are any ____ ____ ____ ____ design ____ ____ repeated ____?

____ people done ____ ____ faulty ____ are ____ blame for ____?

____ ____ conducted assessments ____ ____ design ____ that ____ be ____ to repetitive user ____?

____ ____ possible to find ____ flaws that are ____ ____ ____ ____ breakdown?

Has thorough probing been ____ ____ find ____ ____ that ____ repeated ____ ____?

Have investigations been conducted to ____ design ____ ____ ____ ____ ____?

____ investigations ____ ____ ____ look ____ potential design flaws that ____ continuous ____?

____ ____ ____ done about persistent flaws ____ ____ design?

Is ____ a ____ ____ persistent malfunctions arising from ____ ____ ____.

____ there investigations into the ____ breakdowns ____ to ____ ____?

____ you ____ ____ design ____ ____ cause users to breakdown?

Was there an ____ ____ ____ user breakdowns ____ ____ flawed ____?

____ constant ____ experienced ____ users may have ____ ____ ____ ____ design defects.

Does ____ ____ take place ____ ____ design ____ ____ ____ accountable for repeated system ____?

The ____ ____ experienced by ____ were possibly caused by ____ ____ ____?

____ it possible ____ ____ investigations into potential ____ ____ ____ result ____ continuous breakdowns?

____ ____ ____ on design flaws that lead ____ user ____?

____ ____ ongoing investigations about design problems ____ problems ____ ____?

Is there ____ thorough ____ ____ ____ issues caused by ____ ____?

____ ____ an ____ on ____ user breakdowns from design ____?

Have ____ malfunction ____ to ____ ____ investigations?

Did you ____ design flaws ____ ____ ____ ____?

Are investigations ____ ____ recurring user ____ ____ design ____?

Have you ____ ____ possibility of design flaws ____ cause ____ ____ ____ ____?

____ there ____ investigations regarding ____ flaws ____ ____ repeated breakdowns?

____ there ____ ____ into design ____ causing users ____ ____ down?

Has ____ ____ ____ malfunction ____ from ____ errors?

____ ____ any ____ into ____ ongoing breakdowns linked ____ ____ designs?

How _____ _____ the examination on _____ _____ _____ by _____ designs?

_____ recent _____ instances _____ thoroughly examined _____ _____ fault?

Have _____ _____ _____ flaws in the product's construction _____ cause _____ _____ issues _____?

Did you _____ _____ _____ _____ the design problems that _____ breakdowns for _____ _____?

Is it _____ _____ people _____ researched _____ faulty _____ are causing _____?

Have _____ been looking into _____ _____ issues _____ _____ to _____ breakdowns?

_____ _____ looked _____ the _____ flaws that _____ _____ _____ users facing breakdowns?

_____ you _____ any investigations on _____ _____ _____ that _____ to continuous _____?

_____ _____ _____ _____ at _____ design fault that could _____ user related _____?

_____ design flaws _____ could _____ to continuous breakdowns _____ _____ _____.

_____ there _____ investigation on design _____ leading to _____ _____?

_____ there _____ _____ into the potential design defects that _____ _____ _____?

_____ you have _____ _____ about the _____ _____ that cause breakdowns for _____ _____?

_____ you checked for _____ deficiencies in the design _____ _____ _____ _____ _____ _____ consumers?

Are _____ _____ persistent deficiencies _____ the _____ that _____ _____ failures for _____?

Is _____ any findings _____ _____ incidents _____ _____ design inadequacies?

_____ you _____ into why _____ _____ _____ happening?

_____ there _____ investigations into design _____ _____ _____ breakdowns?

Was _____ the _____ of _____ _____ causing user _____?

Have _____ been _____ _____ the design issues _____ _____ endless _____?

Have you _____ _____ _____ into _____ _____ problems _____ cause breakdowns?

Sup, have _____ _____ _____ _____ the _____ issues causing endless _____?

Is a _____ done on _____ _____ _____ from design _____?

_____ you _____ possible design flaws _____ cause _____ to _____ _____?

_____ _____ _____ done _____ _____ _____ flaws that result in recurring breakdowns?

_____ _____ _____ into _____ impact of _____ _____ _____ on user breakdown incidents?

We don't _____ if _____ _____ were examined for _____ in _____ _____ _____.

_____ you have any _____ done _____ possible _____ _____ that _____ _____ to _____ user troubles?

Did you discover design _____ that _____ _____ _____ breakdowns _____ _____?

Is _____ _____ _____ investigations regarding possible _____ _____ _____ in frequent user- reported _____?

_____ _____ research _____ design _____ that _____ malfunctioning?

Do you _____ _____ _____ _____ _____ flaws that _____ to breakdown _____ users?

_____ _____ _____ experienced by users may _____ _____ _____ design flaws.

_____ _____ issue of repetitive user _____ _____ to _____ designs?

Have _____ _____ researching if _____ _____ _____ problems?

Are _____ any _____ deficiencies in _____ _____ that _____ _____ for _____ consumers?

_____ investigations done on design _____ _____ _____ _____ breakdowns?

Have you _____ into possible design _____ _____ _____ _____ breakdowns?

Were _____ recurrent issues _____ _____ _____ _____ studied thoroughly?

_____ continuous disruptions _____ by users _____ _____ _____ _____ potential design defects.

Do _____ into potential design _____ _____ in continuous _____ _____ by _____?

Is it possible for thorough probing _____ find _____ _____ _____ _____ _____ _____?

_____ there an examination _____ _____ _____ _____ that _____ cause continuous disruptions for _____?

_____ _____ any persistent deficiencies in the _____ that _____ recurring _____ for _____ _____?

_____ there _____ design flaw that _____ _____ _____?

Did you find _____ _____ that _____ more _____ for _____?

_____ the _____ looking _____ user issues _____ to flawed _____?

_____ don't _____ _____ _____ _____ were examined for defects in design _____.

Is _____ enough _____ _____ how _____ malfunction _____ caused _____ design weaknesses?

_____ anyone looked _____ _____ _____ _____ cause frequent breakdowns?

Have people been researching ____ ____ ____ ____ ____ failures?

____ there any ____ into ____ flaws that ____ ____ continuous ____?

Have you ____ for flaws ____ ____ ____ to ____ breakdowns?

Is ____ possible that ____ ____ caused repeated ____ ____?

Do ____ investigate design ____ ____ ____?

Did researchers ____ at ____ ____ ____ design issues on ____ ____ incidents?

____ there any ____ ____ into possible design flaws ____ ____ in ____ user- ____ ____?

____ ____ researched if ____ ____ are causing ____?

Do ____ know if ____ breakdown ____ ____ ____ at ____ ____ in design abilities?

____ there ____ ____ relating to design ____ causing repeated ____?

Is anyone looking ____ ____ designs ____ ____ things ____?

____ ____ ____ investigation ____ design flaws ____ ____ continuous breakdowns by users?

Has ____ study been ____ about ____ ____ ____ potential ____ flaws?

____ ____ ____ ____ ____ design flaws causing users to experience recurring ____?

____ your ____ ____ at potential ____ fault ____ ____ user-related failures?

____ ____ ____ research ____ design flaws causing ____?

____ a study been ____ ____ ____ flaws in the ____?

____ you ever investigated ____ ____ ____ ____ ____ to users facing breakdowns?

Have investigations ____ ____ ____ ____ ____ design errors?

Is there ____ ____ conducted on ____ issues ____ ____ ____ designs?

____ ____ ____ design issues ____ to repetitive user ____?

Have ____ company looked at ____ design ____ that ____ ____ user-related ____?

Have ____ ____ at screwy ____ ____ cause things ____ ____ break?

____ ____ ____ ____ the design ____ that lead to breakdowns?

Have ____ ____ ____ design flaws ____ may cause ____ to ____ breakdowns?

____ you ____ ____ on ____ design ____ that ____ ____ contributing to ____ user problems?

____ you checking to see ____ ____ ____ any persistent deficiencies that ____ ____ failures ____ ____ ____?

Is ____ an ongoing investigation into ____ design ____ ____ in ____ ____ reported ____?

Is ____ any look ____ screwy ____ ____ ____ things break?

Is it ongoing ____ ____ design problems ____ cause ____ ____ ____ users?

Have ____ checked ____ screwy ____ that ____ things ____?

Is ____ ____ possibility ____ ____ flaws causing ____ malfunction?

Have you ____ ____ see if there ____ ____ ____ ____ ____ the design that ____ ____ failures?

____ ____ ____ instances ____ examined for flaws ____ the design?

Is there ____ investigation into ____ ____ breakdowns linked ____ ____ ____?

Was ____ issue ____ ____ ____ breakdowns ____ ____ flawed designs examined?

____ ____ ____ have been conducted ____ persistent malfunction ____ from design ____?

Have ____ ____ conducted ____ find ____ ____ there are ____ ____ that cause ____ breakdowns?

Do you ____ if ____ ____ ____ persistent deficiencies ____ the ____ that ____ ____ for consumers?

Have you ____ ____ potential ____ faults that can ____ user ____ ____?

Is it possible ____ there were ____ ____ ____ resulted in ____ ____?

Have investigations analyzed ____ roots ____ a ____ ____ ____ errors?

____ ____ in ____ ____ caused continuous malfunctioning?

____ ____ investigated ____ flaws that can cause ____ ____ face ____?

____ have looked ____ ____ malfunction roots due ____ design ____.

Do investigations into ____ ____ flaws ____ ____ ____ breakdowns encountered ____ users?

____ a ____ been ____ about ____ caused by design ____?

____ investigations ____ done ____ whether or ____ there are design ____ ____ ____ ____ breakdowns?

____ ____ be done on ____ ____ that ____ user breakdowns?

Did you find ____ ____ the ____ that ____ repeated ____ for ____?

Were ongoing _____ resulting _____ _____ technical flaws due _____ _____ _____ investigated _____?

_____ it _____ _____ investigations _____ _____ flaws caused users _____ breakdown?

Was it possible _____ investigators _____ look into _____ _____ due _____ _____ _____?

_____ _____ any investigation regarding design _____ _____ to continuous _____ by _____?

_____ _____ look _____ the breakdowns linked to _____ _____?

_____ there _____ _____ _____ design problems _____ users to break _____?

Is it known if _____ _____ _____ examined _____ _____ _____ design?

Do you know _____ there are _____ issues that _____ _____ _____ _____?

_____ _____ looked _____ _____ flaws that lead to _____ breakdowns by _____?

_____ you _____ if _____ _____ _____ _____ that _____ users to face breakdowns?

Are _____ design _____ _____ _____ to users facing _____?

_____ there _____ _____ deficiencies in _____ _____ _____ repeated failures for _____ consumers?

Is there an examination _____ _____ defects _____ _____ _____ disruptions?

Were recent breakdown _____ _____ _____ _____ _____ fault?

_____ design issues cause repetitive _____ _____ _____ _____ _____ it out?

Have _____ _____ into _____ _____ that _____ cause _____ to face breakdowns?

Is _____ any _____ for _____ _____ _____ from design?

Was there a _____ _____ _____ _____ recurrent _____ caused _____ poor designs?

_____ there are _____ _____ deficiencies in _____ _____ have _____ checked them?

_____ _____ enough investigation in _____ to _____ malfunction _____ by design _____?

_____ _____ are any flaws in your product's design, have _____ _____ _____ _____ _____?

_____ _____ flaws that _____ the _____ breakdowns experienced by _____ _____ _____ investigated.

Is it possible that _____ _____ _____ checked for defects _____ _____ _____?

_____ ongoing malfunctioning _____ _____ _____ design flaws?

_____ there _____ _____ flaw _____ contributes _____ repetitive user _____ such as continuous _____?

_____ there _____ investigation into user _____ _____ by design _____?

_____ are stranded constantly, _____ you _____ _____ _____?

Is there _____ _____ investigations regarding _____ design flaws _____ in frequent _____ _____ _____?

Is _____ _____ for _____ probing _____ _____ _____ flaws for repeat system _____?

Were _____ _____ due _____ flawed _____ the cause _____ _____ technical problems?

Is _____ any investigation into _____ _____ _____ linked _____ _____ designs?

_____ faulty _____ _____ persistent _____ have people _____ them?

Looked _____ _____ design bugs _____ _____ outages.

_____ there analysis _____ _____ roots _____ from _____ errors?

Do _____ _____ if _____ _____ _____ been _____ about persistent defects?

_____ _____ _____ at design flaws _____ cause the _____ _____ face breakdowns?

Were _____ looking at _____ design _____ causing _____ _____?

Are there _____ _____ _____ in the _____ that cause repeated _____ for _____ _____?

_____ there _____ reviews _____ findings _____ _____ _____ attributed to design issues?

_____ _____ design _____ that leads _____ _____ _____ facing breakdowns investigated?

Did you look _____ _____ _____ to cause _____ to _____?

_____ you look _____ _____ _____ _____ cause the breakdowns?

_____ _____ enough _____ _____ user _____ caused by designs?

Did you _____ at design _____ _____ caused _____ _____?

Did investigators _____ _____ user issues _____ _____ _____ design?

Did you _____ design _____ _____ _____ breakdowns to _____?

Is _____ _____ investigations _____ _____ _____ problems _____ breakdowns for users?

_____ _____ look into design flaws _____ _____ repeated _____ for _____?

_____ _____ organization conduct _____ _____ possible design flaws that may _____ _____ repetitive _____ _____?

Were _____ _____ _____ _____ reviewed _____ design faults?

There are design _____ that _____ _____ _____ _____ by users.

Are investigations _____ _____ recurring _____ _____ _____ design faults?

Do you _____ if user _____ _____ _____ by _____ issues?

_____ _____ been _____ if _____ _____ cause failures?

Is it _____ _____ investigations caused user _____ because _____ _____ _____?

Is _____ possible _____ _____ analyzed recurring malfunction _____ _____ _____ design errors?

Is _____ possible that investigations _____ _____ malfunction _____ from _____ _____?

_____ you studied _____ possible design flaws that _____ _____ _____ _____ _____ breakdowns?

If _____ _____ _____ _____ failures, have you _____?

_____ people researching if _____ designs _____ _____ _____?

_____ _____ _____ looking at _____ _____ issues that cause _____ breakdowns?

_____ the _____ _____ instances _____ examined for the _____ design _____?

Was it _____ _____ investigators looked into repeat _____ _____ _____ of _____ _____?

Is _____ _____ investigations _____ design _____ _____ cause repeated breakdowns?

_____ _____ _____ to analyze _____ _____ roots stemming from _____ errors?

_____ _____ looked into the _____ _____ that _____ _____ users to _____ breakdowns?

_____ _____ into _____ design _____ causing _____ breakdowns?

_____ there _____ _____ on design flaws that _____ _____ breakdown?

Sup, _____ _____ looked _____ the _____ _____ _____ cause endless breakdowns?

Is _____ _____ investigation _____ the _____ _____ that cause breakdowns _____ users?

_____ _____ _____ _____ breakdown problems were _____ into for defects _____ design?
