[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Product features and specifications inquiries
Inquiry Sub-Category	Operating system requirements
Description	Customers inquire about the compatibility of their smartphone with different operating systems, such as Android or iOS, and seek information on the specific requirements and functionalities of each system for their device.
Data Size	6,842 paraphrases

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Are _____ any limitations _____ _____ certain _____ _____ _____ between operating systems?

Limits on _____ _____ _____?

Is there _____ limitations _____ _____ certain _____ _____ _____ operating systems?

_____ _____ any limitations _____ using certain features _____ different _____?

Do _____ _____ constraints when _____ between _____ _____?

_____ possible that _____ are _____ pertaining _____ select _____ _____ _____ OS migration.

_____ feature use limitations _____ _____ OS _____?

_____ _____ the limitations that _____ can face when _____ _____ operating _____?

_____ a _____ _____ have _____ constraints?

_____ the switch from _____ operating _____ to another, _____ _____ might _____?

Could there _____ restrictions _____ _____ _____ attributes?

_____ operating _____ hinder _____ cool _____?

swap _____ _____ _____ any cool _____?

Is _____ _____ _____ on changing _____?

_____ there _____ _____ _____ on features _____ _____ between different software platforms?

Do _____ _____ _____ system swaps impede any _____ _____?

_____ moving between _____ operating systems, _____ _____ _____ face constraints?

_____ there a _____ that _____ functions _____ _____ in the _____ _____ operating systems?

_____ there be _____ in the _____ _____ _____ features when moving _____ OS _____?

When _____ switch between _____ operating _____ _____ the functions _____ _____?

_____ feature _____ _____ _____ shifts present?

_____ _____ _____ _____ limits when changing OS _____.

Is _____ _____ _____ when _____ operating system?

Is it possible _____ _____ certain _____ _____ _____ operating systems?

Would _____ be issues _____ _____ _____ in _____ switch _____ operating systems?

_____ _____ _____ to _____ different OS's?

_____ _____ _____ _____ on _____ I _____ between OS and functions?

Can _____ be restrictions _____ _____ operating _____?

Any _____ _____ operating systems _____ _____?

Do specific _____ _____ constraints _____ changing to 2 _____ _____?

_____ operating systems _____ _____ limitations?

Can _____ _____ used _____ _____ OS?

_____ _____ be _____ when changing _____ features.

I _____ _____ know _____ there are _____ limitations pertaining _____ select functions _____ an _____ _____.

_____ there _____ limit on _____ specific features _____ _____ OS?

Will certain _____ have _____ _____ their use when _____ _____ _____ _____ platforms?

_____ utilizing _____ _____ _____ what _____ can I face?

Is there any _____ to using _____ features _____ _____ _____ _____ operating _____?

Is there any _____ _____ the _____ _____ during _____ OS _____.

Will _____ _____ have _____ _____ _____ operating systems?

Shifting between operating systems _____ have _____ _____ utilizing _____ _____.

Is _____ different _____ systems _____?

What if _____ _____ _____ _____ changing _____ OS?

There _____ be _____ limitations _____ _____ _____ functionalities during an _____ migration.

Do _____ _____ _____ exist _____ the _____ change?

Should there _____ _____ _____ moving between _____ _____ _____ of features?

_____ may be _____ _____ certain _____ when _____ operating systems.

Can _____ _____ me if _____ are _____ limitations to _____ certain features _____ changing _____ _____?

There _____ _____ limitations _____ _____ _____ _____ the switch from one _____ to another.

Is _____ a rule for _____ _____ _____ with _____?

_____ there _____ _____ constraints on OS _____?

_____ certain features _____ _____ _____ _____ migrate across different OS _____?

Limitations of _____ _____ _____ changing _____.

_____ _____ _____ constraints _____ _____ between operating systems.

Is there _____ _____ for _____ functions when _____ _____?

Is _____ any limitations _____ go back _____ _____ _____ _____ systems?

I _____ if _____ is a _____ _____ _____ OSs.

_____ _____ _____ problem to switch _____ systems with _____ features?

What _____ _____ limitations for specific features during the _____ from _____ _____ _____ _____?

_____ me if _____ are limits _____ _____ different _____.

Is it _____ that certain _____ are _____ _____ in _____ _____ _____ operating systems?

_____ _____ any _____ _____ using different operating _____?

_____ _____ any limit _____ _____ features _____ different OS?

_____ changing operating _____ _____ limitations?

_____ across operating _____ may _____ _____.

_____ _____ any _____ to using different _____.

_____ _____ change, _____ _____ use limitations exist?

Is there _____ chance _____ _____ _____ _____ _____ in the _____ between operating systems?

There could _____ _____ _____ changing operating _____.

Some _____ _____ _____ _____ when changing _____ systems.

_____ feature use restrictions exist _____ _____ _____?

Is there _____ _____ apply _____ certain _____ when you _____ operating _____?

_____ may _____ limited _____ an OS _____.

Is there any _____ _____ _____ functions _____ _____ OSes?

_____ _____ system _____ adversely _____ any cool _____?

_____ _____ a different operating _____ what limitations can _____ _____?

_____ _____ _____ _____ on _____ functionalities during an OS transition.

There could _____ _____ restrictions on _____ _____ _____.

____ you tell me ____ ____ skills are ____ while ____ ____ ____ to system?

____ some functions ____ constraints when ____ between ____ ____ systems?

____ I ____ ____ when ____ different operating ____?

____ there ____ ____ ____ constraints on features ____ shifting between different ____ ____?

Is ____ possible to ____ ____ ____ using multiple operating ____?

Is there ____ limitations while ____ ____ ____?

____ ____ features have restrictions on how ____ ____ used when moving ____ ____ ____ ____?

____ there ____ ____ about moving ____ ____ ____ terms of features?

____ ____ ____ ____ changing operating systems, are ____ any limitations?

____ ____ ____ restrictions ____ specific functions ____ transitioning ____ operating systems.

Are there limitations ____ ____ ____ during ____ OS ____?

____ ____ between ____ systems, are there ____ ____ to ____ features?

Do feature ____ restrictions ____ ____ ____ OS ____?

____ using ____ pose ____ problem ____ an OS ____?

____ ____ ____ features affect ____ switch restrictions?

Will certain ____ be ____ difficult ____ use on ____ ____ ____?

____ certain features ____ difficult to ____ when ____ ____ ____ OS platforms?

____ ____ ____ restrictions on ____ ____ when ____ switch operating systems?

____ feature use ____ limitations ____ the ____ ____?

Should there ____ any ____ while ____ ____ ____?

____ there a chance ____ some ____ ____ unavailable ____ the transition ____ operating ____?

What constraints are ____ for ____ ____ ____ ____ systems?

____ may be ____ that ____ ____ ____ operating systems.

Is there ____ ____ ____ ____ and ____ ____ the operating systems?

I don't ____ ____ there ____ any ____ on select ____ during ____ OS ____.

____ there ____ restriction on ____ operating ____?

Would ____ ____ ____ operating systems have problems ____ ____ functions?

____ it ____ for ____ ____ have ____ on specific ____ when transitioning ____ ____ systems?

____ ____ be any ____ ____ changing ____ systems?

____ any limitations ____ ____ and forth ____ ____ systems?

When ____ ____ ____ ____ are there Limitations?

____ certain features limited when ____ ____ ____?

When ____ use ____ ____ systems, ____ limitations can ____ face?

____ ____ think ____ is limits to using ____ ____?

In ____ ____ ____ ____ systems, ____ ____ functions limited or unavailable?

____ ____ functions face ____ whenswitching between 2 ____ ____?

Is it ____ ____ use ____ features with ____ ____?

____ there ____ on ____ ____ ____ an OS transition?

What ____ do I ____ to ____ with when ____ ____ operating ____?

Is there ____ requirement ____ ____ ____ OSes in ____ of ____?

____ ____ operating systems ____ ____ features limited?

____ ____ any limit when ____ switch ____ ____?

Are ____ ____ to using ____ ____ different ____?

____ features havelimitations when ____ ____ ____.

Can ____ ____ any ____ regarding features ____ moving between ____?

____ it possible ____ use features ____ between ____ ____?

Restrictions from ____ ____ ____ may be ____.

Is there ____ restrictions ____ transitioning ____ ____?

____ there any limit ____ using ____ ____ ____ different OS?

____ ____ any constraints ____ ____ certain ____ while ____ between operating systems?

There may ____ restrictions ____ certain ____ ____ changing operating ____.

____ ____ limitation ____ feature ____ during OS ____?

____ ____ limits ____ when ____ operating system?

Do specific functions ____ constraints when ____ ____ ____ 2 ____ ____?

____ the ____ ____ feature limits ____?

____ ____ ____ ____ for certain ____ during the switch ____ another OS?

____ ____ expect any restrictions ____ specific ____ ____ transitioning between ____ systems?

Does using certain ____ ____ ____ OS ____?

____ there ____ ____ ____ the ability to ____ certain features ____ moving across ____ ____ platforms?

Do certain ____ face constraints ____ ____ between ____ ____ systems?

Is ____ ____ to impose restrictions ____ ____ features ____ changing ____ systems?

Does using certain features ____ ____ restriction during ____ ____ ____?

Is feature ____ ____ when ____ ____?

____ can be ____ ____ certain functions during an ____ ____.

____ it possible to ____ ____ with ____ different ____?

____ ____ switch between operating systems ____ ____ ____?

____ ____ between ____ operating ____ do certain functions ____ constraints?

____ changing ____ choices, what are ____ ____?

There may ____ limits ____ using ____ features ____ ____ OS.

Does ____ certain feature pose ____ restrictions ____ ____ ____ switch?

____ there ____ restrictions ____ transitioning ____ attributes?

Possible ____ on ____ ____ changes.

____ ____ any limit to using ____ ____?

Does the ____ ____ certain ____ ____ the switch ____ ____ systems?

____ ____ ____ to use some capabilities while shifting ____ ____ ____?

Changing ____ systems can ____ ____ ____.

I need to ____ ____ operating systems, ____ I ____ ____ ____?

OS ____ ____ have feature ____ on ____.

____ ____ functions ____ ____ when ____ to 2 operating systems?

____ ____ ____ restrictions on changing the ____ ____?

I ____ if ____ ____ any ____ on ____ certain ____ when changing ____ systems.

Is ____ a limit ____ utilizing ____ capabilities while shifting ____ ____ ____?

Will I ____ restrictions when ____ switch ____ ____ and ____?

____ ____ ____ that ____ are limitations ____ ____ select ____ during an OS migration.

Some ____ ____ ____ ____ while ____ switch operating systems.

Will certain ____ ____ restrictions on their user ____ when ____ ____ ____ different ____ ____?

Can ____ expect ____ ____ when transitioning ____ operating ____?

____ ____ system swaps impede ____ cool ____?

____ there limits for ____ ____?

Does the use of ____ ____ ____ a problem ____ an ____ ____?

When ____ operating ____ do ____ ____ apply?

Do features have limitations ____ ____ ____ ____?

____ there constraints in utilizing ____ when ____ ____ operating ____?

I ____ to ____ if I ____ ____ ____ restrictions ____ transitioning between ____ systems.

____ ____ limitations be ____ ____ changing ____ systems?

____ feature ____ ____ by OS ____?

____ ____ switch between ____ and ____ while facing ____?

____ it possible to use ____ ____ ____ ____ OS?

Can ____ tell ____ ____ certain ____ ____ ____ when moving from ____ system ____ another?

Can ____ be ____ on ____ ____ ____ ____ can be switched?

When moving ____ ____ ____ ____ ____ any limits?

____ it ____ ____ limit certain features ____ different ____ systems?

____ operating ____ ____ ____ ____ on certain features.

Is there a ____ ____ ____ ____ ____ an OS migration?

Does ____ ____ pose ____ limitations ____ an ____ switch?

____ ____ ____ operating ____ might have constraints.

Is there ____ limitation on the ____ ____ ____ be shifted ____ different ____ ____?

Is there ____ on certain ____ in ____ ____ ____?

____ may be limited in ____ ____ ____ operating ____.

During an OS migration, there ____ ____ ____ on ____ ____.

There might ____ ____ ____ certain ____ when ____ operating systems.

Will certain features have restrictions ____ their use ____ ____ ____ ____ ____ ____ platform?

During an OS migration, ____ ____ ____ ____ ____ on what ____ be ____?

____ think ____ ____ OS ____ to limited ____?

Is ____ ____ restriction ____ certain ____ while changing ____ systems?

Which functions ____ ____ ____ changing between 2 ____ ____?

____ there ____ ____ certain features in ____ operating ____?

Can there ____ ____ limits when ____ ____ ____?

Is it ____ ____ some functions are ____ ____ ____ ____ ____ systems are different?

____ it ____ ____ specific capabilities ____ be utilized while ____ ____ operating ____?

Will ____ be ____ restrictions on specific functionalities ____ transitioning ____ ____ ____?

____ ____ limitations ____ ____ features ____ you ____ from one ____ to another?

Is there ____ ____ with ____ across various ____ ____?

Is ____ limits to ____ ____?

____ there ____ ____ ____ changing OSs?

What ____ ____ I access when ____ ____ ____ systems?

____ ____ any ____ on the features ____ are shifted between ____ ____?

When ____ switch between operating ____ can ____ expect ____ ____?

During ____ ____ transition are ____ any ____ on certain ____?

____ restrictions when ____ operating ____?

Do feature ____ ____ ____ you ____ ____ OS?

____ ____ any limit to the ____ that can ____ used ____ ____ ____ systems?

____ ____ restrictions on certain features ____ you ____ ____ systems?

____ shifting between ____ systems limiting ____ ____ of particular ____?

____ ____ ____ Limitations for using ____ ____ changing OS.

____ ____ OS transition ____ ____ on ____ things?

____ ____ between operating systems, can ____ ____ restrictions ____ ____ functionalities?

____ ____ features ____ ____ when ____ operating systems?

Is ____ ____ ____ ____ certain features with ____ OSs?

____ ____ ____ restrictions ____ the use of certain ____ when ____ ____ across ____ OS platforms?

____ restrictions on ____ operating ____?

When ____ ____ ____ systems, do specific functions ____ ____?

____ ____ features restrict you ____ an ____ ____?

____ ____ ____ constraints ____ functions across ____ systems?

____ shifts ____ have ____ constraints.

____ ____ certain features ____ ____ problem for an OS ____?

____ ____ wondering if there ____ ____ ____ pertaining ____ select ____ during an ____ migration.

Changing operating ____ could ____ ____.

Is there limitations ____ certain ____ ____ ____ ____ transition?

Is there ____ ____ ____ features in ____ operating ____?

Can I expect _____ _____ _____ _____ when _____ operating systems?

_____ it possible for me to _____ _____ _____ _____ _____ transition _____ operating systems?

Will _____ features _____ restrictions on _____ _____ experience when _____ across _____ _____?

How might _____ switch _____ one _____ _____ to _____ affect certain _____?

Is there _____ in utilizing _____ _____ when shifting _____ _____ _____?

_____ _____ might _____ _____ specific features _____ you switch _____ another OS?

Is it _____ _____ _____ different operating _____ _____ certain limits.

_____ there _____ _____ to _____ features _____ different OSs?

Is there any _____ _____ _____ _____ _____ _____ with different OS?

OS _____ _____ feature constraints _____?

Limitations going _____ and _____ _____ _____ _____ feature-wise?

_____ the _____ _____ face constraints _____ _____ switch between operating _____?

_____ _____ have any _____ _____ using different _____?

Is _____ _____ limit on using specific _____ _____ _____ _____ systems?

Do _____ _____ limits when changing _____ _____?

When I _____ between _____ systems, _____ _____ expect any _____?

_____ operating systems _____ _____ limitations?

Is _____ _____ _____ using _____ _____ when shifting between _____ systems?

_____ _____ possible _____ use _____ _____ with different OS.

_____ there be constraints _____ _____ _____ _____ between _____ software platforms?

Is _____ _____ to utilizing particular _____ _____ shifting _____ operating _____?

Is _____ a _____ to _____ functionalities during _____ _____ migration.

_____ limits on _____ _____ system.

Features _____ operating systems _____ _____?

_____ _____ features _____ _____ on _____ _____ to use when moving across _____ OS _____?

Is there any constraints _____ _____ _____ _____ different _____ platforms?

_____ there _____ _____ on _____ functions when _____ OSes?

Is _____ possible _____ _____ _____ certain abilities are limited when _____ from _____ _____ _____?

_____ feature use have limitations _____ _____ _____.

Does using _____ _____ _____ _____ OS switch?

There _____ _____ restrictions on _____ _____ systems.

_____ it possible to _____ _____ _____ certain functions _____ _____ OSes?

What are _____ of _____ _____ on different _____ _____?

_____ are _____ limitations _____ _____ different operating _____?

I wonder if _____ _____ any _____ _____ _____ functionalities _____ an _____ migration.

Is there _____ limits _____ changing _____ _____?

Is _____ any _____ _____ _____ _____ systems feature-wise?

OS _____ _____ limitations?

_____ there _____ limits on certain features _____ _____ operating _____?

Is there _____ _____ on moving _____ _____ _____ terms of _____?

Some _____ can't _____ used when _____ _____ operating _____.

What _____ _____ _____ of using features _____ other operating _____?

Is _____ limitations _____ _____ _____ _____ OS change?

_____ am wondering _____ _____ are _____ _____ _____ the _____ _____ during an OS migration.

Will certain _____ _____ _____ _____ their _____ _____ use when moving across different _____ _____?

_____ it possible _____ use _____ features _____ _____ switch between _____ systems?

There might be _____ _____ _____ certain capabilities _____ _____ between _____ systems.

_____ _____ switch _____ have _____ limitations.

_____ _____ some limitations _____ using _____ when _____ operating systems.

_____ _____ limitations _____ when _____ OS?

_____ _____ _____ constraints regarding _____ when changing between different _____ _____?

Is _____ _____ _____ _____ switching operating systems?

_____ _____ limits _____ certain _____ _____ using different operating systems?

Do _____ features _____ limitations _____ _____ _____ systems

_____ there limitations _____ _____ features _____ different _____?

_____ _____ possible to _____ specific capabilities _____ changing _____ systems?

_____ feature _____ _____ _____ when the OS _____ changed?

Is _____ any limits while _____ _____ _____?

There are any limits _____ _____ _____ _____ OS _____.

Do certain _____ _____ constraints when they _____ between _____ _____ _____?

Is there a _____ to _____ features _____ _____ operating _____?

What limitations can _____ _____ _____ _____ _____ _____ _____ switch _____ one OS to another?
