Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Do _____ _____ follow _____ same criteria for _____ invalid _____ requests _____ _____ it _____ between _____?

Do _____ network providers share _____ frameworks for _____ _____ _____ _____?

Is the assessment _____ ineligible transfer _____ _____ _____ _____ mobile _____?

_____ it _____ there _____ differences _____ invalid _____ _____ on mobile phone network _____?

Will different mobile _____ _____ the same _____ in _____ _____ transfer demands _____ _____?

Does _____ MNO follow _____ _____ _____ for port _____?

Is there _____ consistency in the way _____ MNO's _____ _____ _____ _____ _____?

_____ it possible _____ _____ phone companies have _____ same rules _____ _____ porting _____?

_____ there a _____ set _____ criteria _____ _____ identify _____ ports for _____ mobile _____ operator?

Is _____ consistency _____ the MNOs _____ _____ way they _____ _____ ports?

There is _____ question whether or _____ _____ _____ _____ _____ _____ when _____ un accepted port _____

_____ _____ _____ have _____ same standards for rejecting _____ requests?

Is there _____ _____ standards _____ rejecting port _____ by _____ _____?

Is _____ _____ _____ set _____ criteria _____ _____ port _____ _____ will it be different _____ operators?

There can be _____ _____ _____ port determinations _____ mobile _____ _____ providers.

_____ _____ MNOs _____ the same _____ guidelines _____ port _____ demands?

_____ there _____ similar set of _____ porting _____ across _____ _____ mNOs?

_____ the assessment _____ _____ transfer demand _____ within mobile _____?

_____ the _____ for _____ the _____ _____ _____ _____ with those for all mobile network _____?

Is there consistency among _____ MNOs when _____ _____ _____ _____ port _____?

Is _____ _____ set of criteria _____ to _____ invalid requests _____ _____ Mobile _____ _____?

Is _____ _____ invalid _____ _____ that _____ _____ same across all MNOs?

Is the criteria _____ to _____ _____ ports _____ _____ _____ every mobile network _____?

Do different mobile network _____ _____ a _____ _____ for declining _____ _____ _____?

Will the _____ for determining invalid _____ requests _____ _____ _____ to _____?

_____ _____ a set _____ _____ for _____ port _____ _____ is it different _____ operators?

Is _____ consistency in how _____ _____ _____ decisions about _____ _____ claims?

Can the ineligible _____ _____ _____ _____ in _____ consistent way for _____ _____ carriers?

_____ _____ invalid port _____ _____ same for all _____?

_____ _____ _____ _____ set _____ criteria _____ determining invalid port requests, _____ do _____ vary by _____?

_____ _____ a _____ _____ _____ criteria for determining invalid _____ requests for _____ of _____ _____ will _____ be unique between _____?

Does _____ set of _____ exist for all the MNOs _____ _____ _____ to _____ _____ _____?

Is it possible _____ MNO _____ _____ same _____ _____ rejecting _____ requests?

_____ it possible _____ mobile _____ _____ _____ _____ _____ criteria for _____ and _____ invalid port requests?

Is _____ _____ _____ the MNOs look at _____ _____ _____ same?

Will _____ _____ _____ _____ assessed _____ a consistent way by _____ mobile _____?

Is the _____ _____ evaluating port-out _____ _____ same for _____ _____?

Is it _____ _____ the invalid _____ rules are _____ _____ _____ _____ MNOs?

_____ the different mobile network _____ _____ the _____ _____ for declining _____ _____ solicitation _____?

_____ _____ _____ differences between invalid port determinations of _____ mobile _____ _____?

_____ the _____ _____ for distinguishing invalid port requests consistent _____ _____ _____ for _____ _____ _____ operators?

Is _____ _____ for _____ invalid port requests _____ all _____ network _____ _____?

_____ _____ criteria _____ _____ _____ _____ port requests consistent _____ the mobile network operators?

_____ there _____ _____ set of criteria for _____ invalid _____ _____ _____ will it _____ _____ for operators.

Is there _____ _____ of criteria for _____ _____ _____ requests _____ _____ of _____ or _____ it unique _____ operators?

_____ the _____ _____ _____ invalid requests consistent across all _____ _____ operators?

Is _____ a _____ _____ _____ criteria _____ invalid port _____ _____ is it different between _____?

There _____ be differences _____ _____ _____ _____ _____ regards to invalid _____ determinations.

_____ _____ a _____ of criteria _____ _____ invalid ports _____ each _____ network operator?

Is there any _____ _____ _____ MNOs _____ it _____ _____ accepting or rejecting _____ _____ applications?

Do different mobile _____ _____ give _____ _____ framework for _____ _____ transfer _____ attempts?

_____ _____ _____ _____ set of criteria for invalid port requests _____ mobile _____ _____?

_____ all _____ follow _____ _____ standards for refusal _____ port?

_____ all _____ use the same _____ _____ _____ port _____ requests?

_____ the same set _____ criteria _____ _____ for detecting invalid requests across _____ _____ _____ mobile _____ _____?

There might be differences _____ _____ _____ _____ invalid ports _____ _____ _____ providers.

Is the _____ _____ same _____ _____ operator, when _____ _____ _____ the _____ _____ failed port applications?

Is the _____ set of _____ _____ _____ _____ invalid ports _____ every _____ _____ operator?

_____ the criteria for _____ _____ port _____ _____ with _____ mobile _____ operator?

Is the _____ _____ of criteria _____ to identify _____ _____ _____ every mobile _____?

_____ _____ a _____ _____ criteria for determining invalid port requests or _____ it _____ _____ _____ _____?

_____ the assessments _____ _____ transfer demands _____ consistent for _____ _____?

_____ all _____ _____ _____ same _____ for _____ evaluation of port-out demands?

Is it _____ _____ _____ _____ operators to _____ the same _____ _____ _____ porting requests?

_____ _____ a _____ _____ _____ porting determinations among mobile network _____?

_____ _____ be _____ among mobile _____ _____ when making _____ port determinations.

_____ the _____ set of _____ _____ for detecting invalid _____ _____ all of _____ _____ _____ operators?

_____ there a set of _____ _____ invalid port _____ _____ _____ mobile _____?

Will _____ determination _____ ineligible transfer _____ be _____ _____ for _____ mobile _____?

_____ there consistency _____ the MNOs when _____ comes _____ _____ _____ _____ illegitimate _____ appeals?

Is each _____ following _____ _____ _____ _____ it comes _____ port refusal?

Will _____ _____ of _____ transfer demands _____ _____ for different _____ carriers?

Does the _____ _____ _____ _____ port requests fit _____ the _____ _____ operators?

Is _____ possible for _____ operators to use different _____ _____ _____ _____ _____ _____ invalid _____ requests?

Is it _____ for _____ _____ operators to use _____ _____ _____ rejecting _____ port _____.

_____ _____ _____ providers have _____ same framework _____ declining _____ transfer solicitations.

_____ _____ _____ _____ _____ _____ operators could use different criteria to decide _____ to _____ invalid port _____?

Is _____ a _____ of criteria used _____ determine invalid _____ requests _____ is _____ _____ _____ _____?

Do ____ mobile ____ ____ have ____ same framework ____ declining ____ transfer ____?

Is ____ possible ____ ____ MNOs ____ the same ____ when ____ ____ demands?

Will the assessment of ____ ____ demands ____ mobile ____ ____ ____?

Is ____ ____ ____ ____ criteria for determining ____ ____ ____ or will they ____ by operators?

____ ____ ____ ____ distinguishing ____ ____ requests the same for all ____ mobile network ____?

The determination of ____ ports ____ be ____ ____ the ____ network ____.

____ the criteria used to ____ ____ ____ the ____ for ____ mobile ____ operator?

____ there a ____ of ____ ____ determining invalid port requests ____ ____ ____ them or ____ ____ different for each ____?

____ ____ possible ____ mobile network operators ____ use different ____ ____ ____ ____ to accept ____ reject ____ port requests?

Can there be ____ ____ the invalid port ____ ____ ____ mobile ____ ____?

Is the ____ ____ ____ the ____ ____ requests ____ with ____ for the mobile ____ operators?

____ there ____ ____ ____ ____ criteria for invalid port requests for ____ ____ ____ operators?

Is ____ possible that ____ is a ____ ____ ____ that all ____ ____ when considering ____ ____?

____ there ____ set of criteria ____ determining invalid port requests ____ ____ it ____ ____ ____ ____?

Is ____ a standard ____ ____ ____ ____ ____ invalid port ____ for ____ of them, ____ is it different by ____?

Do mobile ____ ____ to ____ ineligible ____ ____ the same ____?

Is it ____ for invalid port ____ ____ ____ ____ ____ network providers?

Do mobile network providers have ____ ____ for declining ____ ____ ____ ____?

____ ____ ____ ____ port-out requests the same for ____ MNOs?

____ it ____ for the mobile ____ operators to ____ different criteria ____ ____ ____ port ____?

Is ____ ____ that mobile ____ ____ use different criteria ____ determining ____ to accept ____ ____ ____?

Is the same criteria ____ to ____ ____ ____ ____ all ____ Network ____?

____ it ____ that different mobile ____ ____ ____ ____ ____ standards ____ evaluating unworkable requests?

____ it ____ that ____ guidelines for all ____ ____ ____ ____ the identification ____ ineligible ____ requests?

Is ____ ____ that mobile network ____ ____ ____ criteria for determining whether to ____ or ____ invalid ____ ____?

____ there a ____ ____ criteria ____ invalid port ____ ____ ____ mobile network ____ follow?

____ ____ be differences ____ ____ way ____ network ____ ____ invalid port determinations.

____ there a ____ ____ ____ ____ ____ invalid port requests or is ____ unique to ____ ____?

____ there ____ ____ ____ criteria ____ determining invalid port ____ ____ is ____ different for operators?

Is the ____ set of ____ used ____ detecting ____ ____ ____ all ____ ____ OPERATOR's?

Is the criteria used ____ distinguishing invalid ____ ____ ____ ____ those ____ ____ all the mobile ____ ____?

____ the ____ set ____ ____ used for ____ invalid port ____ ____ ____ network operators?

Does ____ ____ follow the ____ ____ for refusal of ____?

____ ____ assessment ____ ineligible transfer demands ____ different ____ carriers ____ uniform?

Do all ____ have ____ same guidelines for ____ ____ port- ____ ____?

Is it ____ ____ ____ ____ operators to ____ different criteria ____ determining ____ ____ requests.

Is ____ ____ among the ____ when ____ comes ____ denying or ____ ____ ____ appeals?

____ all mobile ____ ____ ____ a ____ ____ for identifying invalid ____ requests?

____ ____ a ____ of criteria for ____ port requests ____ all mobile ____ ____?

____ ____ ____ follow the ____ rules ____ port refusal?

____ ____ ____ ____ all ____ have ____ same guidelines for evaluating port- out ____?

Is the criteria ____ ____ ____ ____ port ____ ____ ____ mobile network operators?

____ ____ ____ differences ____ the determination of invalid ____ for mobile ____ ____.

____ different ____ network providers ____ ____ same framework ____ declining unsound ____ solicitation ____?

____ ____ ____ possible ____ ____ different mobile service ____ ____ the ____ standards ____ evaluating ____ for port?

____ ____ ____ operators ____ have ____ criteria for distinguishing invalid port ____.

____ there ____ ____ for ____ ____ requests among mobile ____ operators?

Is ____ possible ____ ____ different ____ ____ ____ the same standards for ____ unworkable requests?

Is there ____ ____ MNOs ____ ____ ____ to illegitimate ports?

____ the ____ for distinguishing invalid ____ requests the same ____ ____ ____?

____ ____ differences ____ ____ ____ of ____ ports between mobile service providers?

____ there a set of ____ ____ invalid ____ requests among ____ ____ network ____?

____ it ____ ____ ____ ____ ____ ____ use different criteria for ____ whether to accept or ____ invalid ports?

Is ____ possible ____ mobile ____ ____ to use different ____ for invalid ____ ____?

____ ____ ____ ____ of criteria ____ invalid port requests ____ ____ mobile operators use?

Is ____ a standard ____ of criteria for ____ port requests ____ ____ ____ ____ different from operator ____ ____?

____ ____ network operators use ____ ____ to decide whether ____ ____ invalid ____ requests?

Is ____ evaluation ____ for port-out requests ____ ____ ____ ____ MNOs?

Can ____ ____ ____ ____ the determination of invalid ____ ____ mobile service ____?

____ mobile network providers all ____ a ____ framework ____ ____ unsound ____ solicitation ____?

____ mobile network ____ ____ ____ ____ framework for declining ____ transfers?

____ there ____ among ____ MNO's ____ ____ they ____ illegitimate ported appeals?

____ the criteria for ____ invalid ____ ____ ____ with ____ mobile network ____?

Is ____ possible ____ ____ network operators ____ ____ different ____ for accepting ____ ____ invalid ____ requests?

Is the ____ ____ ____ ____ requests consistent ____ all phone ____?

____ ____ ____ follow the same ____ in ____ of port?

____ mobile ____ ____ share a ____ ____ ____ ____ unsound transfer solicitation efforts?

When ____ comes to ____ port requests, ____ a set ____ standards ____ place ____ ____ ____ ____ MNOs?

Is ____ ____ set of ____ used by ____ ____ operators for detecting ____ ____?

____ ____ possible ____ ____ different ____ service ____ ____ the same standards for evaluating requested ____ ____?

Do ____ ____ for ____ invalid port requests correspond ____ mobile ____ ____?

____ the criterion ____ ____ classification ____ unsuccessful ____ applications differ for ____ ____?

____ the framework ____ ____ unsound transfer solicitations ____ by ____ ____ providers?

Is the ____ ____ of ____ used ____ detecting invalid requests across ____ ____ ____ ____?

Is the same ____ of ____ ____ by ____ ____ ____ operators when detecting invalid ____ ____?

Is there ____ ____ ____ criteria ____ mobile network operators ____ ____ ____ port requests?

Will ____ ____ a ____ set of ____ for ____ invalid ____ requests or ____ ____ ____ different ____ each operator?

____ the ____ set ____ criteria ____ to find ____ ports ____ every mobile ____ ____?

Is it ____ that ____ ____ have ____ same ____ ____ ____ port requests?

____ ____ ____ follow the ____ standards ____ refusal at port?

Is there ____ same set ____ ____ ____ rules ____ ____ mno's?

____ ____ possible for mobile network operators ____ ____ ____ ____ for determining whether ____ accept invalid ____ ____?

____ there a set of ____ ____ all ____ ____ OPERATOR's use ____ ____ invalid ____?

____ every MNO follow ____ ____ ____ ____ guidelines?

____ ____ possible ____ invalid ____ determinations ____ ____ different among mobile ____ providers?

____ ____ MNO follow ____ same ____ ____ port refusal?

____ ____ ____ differences between ____ mobile network ____ in the determination ____ invalid ____.

____ ____ possible that ____ MNO ____ ____ same ____ for ____ at port?

____ ____ same criteria used ____ ____ invalid ____ for ____ ____ network operator?

Is there a way ____ tell if ____ ____ follow the ____ ____ ____ ____ ____ to declining invalid ____ ____?

Is ____ ____ that all ____ companies have ____ same rules ____ ____ ____ requests?

____ ____ assessments of ineligible ____ ____ ____ ____ ____ ____ manor across all mobile carriers?

____ ____ possible that ____ MNO follows the ____ port ____ ____?

There ____ be differences among mobile ____ ____ when ____ ____ ____ determinations.

____ ____ a ____ ____ of standards for ____ ____ ____ requests by all MNOs?

____ ____ be ____ for mobile network operators ____ use ____ ____ ____ ____ whether ____ accept or reject invalid port ____?

Do all ____ follow ____ same ____ ____ ____ ____ port requests?

____ it ____ ____ mobile ____ operators ____ have ____ criteria for evaluating invalid ____ ____?

____ ____ mobile carriers do the ____ assessments of ____ ____ ____?

____ ____ ____ ____ ____ criteria for invalid port requests among ____ operators?

_____ it possible that the _____ _____ _____ porting _____ different _____ different _____?

Will all mobile _____ assess ineligible _____ _____ _____ _____ same _____?

Do _____ mobile _____ providers _____ _____ same approach to _____ _____ _____ _____ solicitation attempts?

_____ _____ possible for _____ _____ operators to have different _____ _____ _____ invalid _____ requests?

_____ the criterion the _____ for _____ _____ _____ it comes to _____ _____ applications?

Is _____ _____ _____ criteria _____ determining invalid port _____ or is _____ _____ for _____?

_____ there a set _____ _____ in _____ _____ all the _____ when it _____ to _____ port _____?

Is _____ _____ _____ _____ invalid porting _____ among mobile _____ providers?

_____ there _____ in how the _____ decide _____ _____ _____ claims?

Is there _____ way to _____ if different _____ _____ the _____ guidelines when _____ _____ _____ declining invalid _____ out _____?

_____ each _____ _____ _____ same standard _____ refusal of port?

Is _____ a _____ _____ of _____ for determining invalid _____ _____ for _____ operators _____ is it different _____ _____?

_____ there a _____ _____ of _____ for determining invalid port _____ _____ is it _____ _____ _____?

Is there a standard _____ _____ _____ for _____ invalid _____ requests, _____ is it _____ _____ to _____?

Is it _____ that _____ _____ _____ share a single _____ _____ declining _____ _____ solicitations?

Will the _____ _____ ineligible transfer demands _____ all _____ _____ _____ consistent?

Is _____ _____ among _____ _____ when it _____ _____ _____ illegitimate port appeals?

Is there _____ _____ _____ _____ _____ invalid port _____ within the _____ network operators?

_____ _____ _____ _____ _____ way _____ the _____ decide on illegitimate port claims?

_____ the criteria for _____ _____ port requests vary _____ _____?

Is _____ _____ of invalid _____ requests consistent _____ _____ mobile _____ operators?

_____ there a _____ set _____ criteria _____ invalid _____ requests by all _____ _____?

Do _____ mobile _____ providers have _____ _____ _____ _____ _____ un sound transfer solicitation _____?

_____ there a consistent _____ of criteria _____ _____ port requests _____ all _____ _____ _____ _____ operators?

_____ _____ possible that _____ _____ _____ do the same _____ on _____ port requests?

Do _____ share the _____ guidelines _____ _____ _____ demands?

Is the _____ set _____ _____ being used _____ detecting _____ _____ _____ _____ all mobile _____ operators?

_____ _____ a _____ set _____ criteria _____ invalid _____ requests _____ is it different _____ operators?

Is there a _____ of criteria _____ _____ _____ _____ identify _____ ports in every _____ _____ _____?

_____ _____ invalid _____ rules the same _____ _____ MNOs?

_____ _____ a _____ way in which the _____ decide _____ _____ _____ applications?

Is _____ _____ for _____ port _____ _____ same for all _____?

_____ _____ a _____ of criteria for _____ _____ requests _____ mobile _____ operators?

_____ _____ _____ _____ between mobile _____ providers _____ _____ determination of invalid ports?

_____ Mnos share _____ _____ standards _____ _____ assessment of _____ ports?

I _____ if the _____ _____ rejecting _____ requests are _____ _____ for _____ MNOs.

Does _____ MNO follow _____ same _____ _____ _____ refusal?

_____ it _____ that mobile _____ operators _____ use _____ criteria _____ decide _____ to _____ _____ reject _____ port requests?

_____ about invalid port _____ among _____ mobile _____ _____?

_____ there a set _____ _____ _____ all MNOs when it _____ to _____ _____ porting _____?

_____ _____ _____ differences in the _____ _____ invalid ports _____ the mobile _____ providers.

Is there _____ _____ set of criteria _____ _____ invalid _____ _____ for _____ or _____ it vary from _____ to _____?

Can there _____ _____ in invalid _____ _____ among _____ _____ providers?

Is _____ possible _____ _____ network _____ _____ _____ different _____ _____ rejecting _____ accepting invalid port requests?

_____ _____ _____ set of criteria _____ used _____ detecting invalid _____ _____ all _____ the mobile _____ operators?

_____ there a _____ _____ of criteria _____ _____ port requests for all _____ them or _____ _____ unique _____ _____?

Is _____ a _____ _____ _____ for _____ _____ requests _____ is it different for each _____?

_____ _____ _____ standard _____ of criteria _____ determine _____ _____ requests, or _____ _____ different by operators?

Is there a standard _____ _____ _____ _____ determining invalid _____ _____ or _____ it _____ for each _____?

_____ it a standard set _____ _____ for determining _____ _____ requests, or _____ it _____ _____ each _____?

Is _____ criteria _____ _____ _____ port requests _____ _____ _____ of all _____ network operators?

There can _____ _____ between mobile _____ _____ when it comes _____ _____ _____ determinations.

Is there _____ standard set of _____ _____ _____ determine invalid _____ _____ or is it _____ _____ _____?

Will _____ _____ of ineligible transfer demands _____ _____ _____ across _____ _____ carriers?

_____ all mobile _____ make _____ same _____ _____ ineligible _____ demands?

Is there _____ in _____ _____ _____ decide _____ _____ port appeals?

Is the _____ framework for _____ _____ _____ _____ by different mobile network _____?

Is it possible _____ _____ network operators to _____ different _____ for _____ _____ _____ _____?

Is there _____ _____ of criteria for _____ _____ _____ _____ among _____ mobile network _____?

_____ there _____ consistency _____ _____ the _____ decide _____ illegitimate port appeals?

_____ _____ a set of criteria that all of _____ _____ _____ _____ _____ _____ to detect invalid _____ requests?

Do _____ _____ _____ providers share the _____ framework for _____ _____ solicitation _____?

Does _____ MNO _____ _____ _____ standards for refusal _____ port?

_____ _____ _____ have the same set of _____ _____ rules?

_____ _____ consistency _____ the MNOs _____ it comes _____ _____ on illegitimate port _____?

Is there _____ standard set _____ _____ for determining _____ _____ _____ for every _____ or _____?

Is there a standard _____ _____ criteria for _____ invalid _____ requests _____ _____ _____ _____ per _____?

Will _____ _____ of _____ transfer _____ _____ _____ the same way _____ all _____ carriers?

Do _____ mobile _____ _____ share a unified framework _____ _____ unsound _____ _____ attempts?

Is _____ _____ that every _____ follows the same _____ _____ _____ _____ port?

_____ _____ _____ _____ _____ network _____ use the same _____ _____ criteria for _____ invalid port requests?

Is _____ _____ _____ _____ _____ _____ for determining invalid _____ requests or will _____ vary by _____?

Is there _____ _____ of _____ _____ _____ to identify invalid _____ for each mobile _____ _____?

I don't know _____ _____ _____ follows the _____ standards _____ port _____.

_____ all of _____ _____ _____ operators have _____ _____ of criteria for invalid _____ _____?

Do _____ network providers _____ a common _____ _____ declining _____ _____ _____ attempts?

_____ there a _____ of _____ for invalid port requests _____ _____ mobile _____ _____?

Is there _____ set _____ criteria _____ invalid _____ requests that _____ _____ _____ _____ have?

Can invalid _____ _____ _____ _____ among _____ network providers?

Is _____ standards of _____ port requests _____ same _____ _____ _____?

There could _____ differences among _____ _____ providers _____ _____ determination _____ invalid _____.

Is _____ possible _____ _____ is a set of _____ _____ _____ MNOs _____ _____ _____ unaccepted ports?

_____ anyone know if _____ _____ follow the same _____ when _____ _____ _____ _____ _____ port-out petitions?

_____ _____ _____ _____ mobile network operators _____ _____ criteria for rejecting _____ port requests?

_____ the criteria for _____ invalid port requests _____ with _____ _____ _____ the _____ network _____?

_____ _____ be a standard _____ _____ criteria for _____ _____ _____ requests or _____ _____ be different for _____ operators?

Is it _____ _____ _____ _____ operators use _____ _____ to decide _____ to _____ or reject _____ requests?

Is _____ _____ _____ distinguishing _____ _____ _____ consistent with all the mobile _____ operators?

Is there _____ _____ _____ of criteria _____ _____ port _____ among _____ mobile _____ operators?

Is there a _____ set of _____ _____ _____ invalid port requests or will _____ _____ _____ _____ to _____.

_____ the _____ set _____ criteria _____ for _____ _____ _____ requests across all _____ networks?

Do _____ MNOs have identical _____ _____ _____ port-out _____?

_____ all _____ mobile network operators _____ _____ same _____ of criteria _____ _____ _____ calls?

Can _____ _____ differences between _____ invalid port determinations _____ _____ _____ _____ providers?

Do all MNOs have the _____ _____ _____ _____ _____ demands?

_____ there a _____ of _____ that _____ network operators use _____ detect _____ _____ _____?

_____ all the _____ MMNO's have _____ _____ set _____ invalid port _____?

Do all _____ companies have the _____ _____ for _____ _____ _____?

_____ there a set of criteria _____ _____ _____ requests among _____ _____ _____ operators.

_____ it possible for mobile _____ _____ _____ _____ _____ criteria _____ determining whether or not to _____ or _____ invalid _____ _____?

____ there ____ ____ ____ standards for all ____ ____ when ____ comes to ____ port requests?

Is ____ a set ____ ____ ____ ____ ____ ____ requests, or will it be ____ ____ operators?

Is it ____ ____ ____ ____ operators to ____ ____ criteria to decide ____ to ____ invalid port ____?

____ ____ a ____ ____ of ____ for determining invalid ____ requests, or ____ ____ different by ____ operators?

____ ____ ____ differences among mobile ____ ____ when making ____ porting determinations

Is ____ ____ ____ in ____ port determination ____ mobile phone ____ providers?

Is there ____ standard set of criteria ____ ____ ____ ____ ____ or ____ ____ different for each ____.

Is ____ any ____ in invalid port ____ ____ mobile ____ service ____?

Is there ____ ____ of ____ that all mobile network operators ____ ____ detecting ____ ____ ____?

Does each ____ follow ____ same ____ ____ it ____ to ____ of ____?

____ ____ a set ____ guidelines for invalid ____ ____ ____ all ____ network operators?

Does ____ ____ framework ____ for ____ of unsound ____ ____ for different ____ ____ providers?

____ Different ____ ____ ____ share a unified ____ ____ ____ unsound transfer solicitation attempts?

Is ____ ____ set of ____ used for ____ invalid ____ ____ all of ____ ____ network ____?

Is ____ a ____ way ____ ____ the ____ ____ on illegitimate ____ requests?

____ different mobile ____ providers ____ ____ same framework for ____ unSound ____ ____ attempts?

Is there a ____ set ____ criteria ____ ____ port ____ among ____ ____?

____ ____ determination ____ ineligible transfer demands made ____ a ____ ____ for ____ mobile ____?

____ ____ be ____ between invalid port determinations ____ mobile ____ ____?

____ mobile ____ ____ a uniform assessment ____ ineligible ____?

____ the same ____ ____ ____ ____ for detecting invalid port ____ ____ ____ mobile network OPERATOR's?

Do ____ ____ ____ distinguishing invalid ____ requests ____ with the ____ network ____?

Will it vary from ____ to ____ or is ____ a ____ ____ ____ criteria for ____ ____ ____ requests?

____ it possible that there ____ ____ ____ of criteria ____ all MNOs ____ ____ unaccepted ____?

____ it ____ possible that different ____ ____ providers ____ the same ____ ____ evaluating ____ actions?

____ it comes ____ voiding ____ requests, ____ ____ ____ of ____ exist for all ____ MNO's?

Can the assessments of ____ ____ demands ____ ____ ____ ____ mobile carriers?

Will ____ assessment ____ ____ transfer ____ be different across ____ ____?

Is ____ a ____ ____ criteria ____ ____ MNO's ____ when looking at unaccepted ____?

____ ____ possible ____ ____ ____ ____ providers follow the ____ standards for ____ requested ports ____ call?

____ ____ ____ uniform set of ____ for identifying invalid ____ ____ among all ____ network ____?

Do ____ ____ adopt ____ same port ____ ____?

Is ____ possible that ____ criteria ____ ____ ____ ____ requests varies ____ operators?

Is ____ ____ ____ ____ ____ criteria for determining invalid port ____ ____ ____ ____ for each operator?

Is it possible ____ ____ ____ operators ____ ____ ____ criteria ____ rejecting porting requests?

Do ____ MNO follow the same ____ ____ refusal ____ ____?

Is ____ ____ ____ set of criteria ____ ____ ____ ____ requests ____ is it ____ for operators?

____ ____ ____ set of ____ used ____ all of the ____ network operators for ____ invalid ____ ____?

Do ____ criteria for ____ ____ ____ ____ match those of ____ mobile ____?

Is there ____ uniform ____ of ____ for ____ ____ ____ ____ all mobile ____ operators?

____ the ____ for distinguishing invalid ____ ____ ____ ____ the ____ network operators?

____ there ____ standard ____ of criteria ____ determining ____ ____ ____ or ____ ____ different between operators?

Is ____ ____ ____ all ____ ____ have the ____ ____ for denying port requests?

Is ____ a ____ set of criteria ____ ____ port ____ ____ mobile- network ____?

____ ____ ____ ____ set of ____ ____ ____ invalid port requests or is ____ different ____ operator

Will ____ transfer ____ be assessed ____ a ____ ____ ____ all mobile ____?

There can ____ ____ among ____ ____ providers in ____ invalid ____ determinations.

____ the ____ for ____ ____ ____ requests consistent with the ____ ____ operators.

____ ____ ____ mobile ____ operators, are the criteria for ____ the invalid port ____ ____ ____?

____ mobile network providers ____ ____ similar ____ to decline ____ ____ solicitations?

_____ the _____ for _____ invalid _____ requests fit all _____ _____ operators?

Is it possible for mobile _____ operators _____ _____ _____ criteria _____ _____ whether _____ accept _____ reject _____ _____ requests

_____ all _____ _____ _____ same guidelines for evaluating _____ demands?

Will _____ the _____ make _____ _____ _____ of ineligible transfer demands?

Is _____ same set of _____ _____ used by all _____ _____ _____ _____ for _____ invalid _____ requests?

_____ _____ MNOs apply the _____ protocols during _____ _____ _____ dismissal of _____ port-ins?

_____ the same set _____ criteria _____ _____ identify _____ requests _____ _____ mobile Network _____?

Is it possible for _____ network _____ _____ _____ different criteria _____ _____ _____ requests?

_____ it _____ for mobile _____ _____ _____ use _____ criteria _____ _____ if a port request _____ valid?

Is there _____ among the MNOs _____ _____ _____ to accepting _____ _____ _____ port _____?

When it _____ to _____ of _____ _____ applications, is _____ criterion _____ same _____ every _____?

Is there a _____ to _____ if different _____ _____ the same _____ _____ it comes _____ _____ _____ ports-out _____?

Do we _____ if there _____ _____ guidelines for _____ port-out _____ in _____ _____?

_____ there _____ set _____ _____ for determining invalid _____ _____ _____ all of them _____ is that _____ for _____ operator?

_____ _____ network _____ use _____ _____ for _____ whether to accept invalid port _____?

_____ it possible that _____ _____ have the _____ _____ for _____ port _____.

Is _____ a set of _____ _____ _____ invalid port requests or _____ _____ _____ _____ operator?

_____ the criteria for _____ _____ invalid port requests _____ _____ _____ _____ mobile _____ operators?

_____ it possible _____ _____ _____ _____ providers have the _____ _____ for _____ port actions?

Do _____ _____ _____ the _____ guidelines _____ _____ evaluation of port-out demands?

_____ _____ _____ that _____ _____ look at illegitimate ports the _____ way?

Is there a _____ _____ _____ criteria for determining _____ _____ _____ or _____ they different _____ each _____?

_____ there _____ _____ of standards for _____ the MNOs _____ _____ _____ to _____ ports?

Is _____ same _____ of _____ used _____ all mobile _____ _____ _____ detecting invalid _____?

Do all mobile _____ _____ _____ the same _____ _____ declining _____ _____ solicitation attempts?

_____ _____ _____ set _____ criteria that all MNO _____ _____ _____ unaccepted ports?

_____ _____ consistency among the _____ _____ the way _____ _____ _____ illegitimate ports?

Is it possible for _____ MNOs _____ decide on illegitimate _____ _____ _____ _____ _____?

_____ _____ possible _____ the _____ for invalid porting _____ different for _____ _____?

Will all _____ carriers make assessments of _____ _____ demands _____ _____ _____ _____?

_____ _____ same _____ _____ criteria _____ used _____ detecting invalid port _____ across _____ _____ network operators?

Is _____ _____ for _____ _____ operators to _____ different criteria _____ _____ invalid port _____

_____ the assessments of _____ _____ _____ _____ the _____ across mobile carriers?

Is there _____ in _____ _____ MNOs decide _____ illegitimate _____ _____?

_____ _____ same set _____ criteria used to _____ _____ _____ across all of the _____ _____ _____?

Is _____ a _____ _____ of criteria for _____ _____ _____ by _____ mobile _____ operators?

Is there _____ _____ among _____ _____ _____ _____ comes _____ rejecting illegitimate port claims?

_____ _____ _____ that all MNOs have _____ same guidelines for _____ _____ _____?

_____ there a _____ set of criteria _____ _____ _____ port _____ _____ _____ it _____ for operators?

Is _____ _____ _____ _____ in which _____ transfer demands _____ assessed for _____ _____ carriers?

_____ there a standard set of criteria for _____ port _____ for _____ of _____ _____ _____ _____ _____ per _____?

Will _____ _____ of ineligible _____ demands _____ _____ same _____ _____ mobile carriers?

_____ _____ differences _____ _____ _____ providers when it comes to invalid _____ _____?

Is _____ possible _____ _____ network _____ to _____ different _____ _____ rejecting invalid port _____.

_____ different mobile network _____ _____ _____ same framework _____ decline _____ transfer solicitation _____?

_____ _____ _____ _____ set _____ _____ for evaluating invalid port requests or is _____ different _____ _____?

Is _____ a _____ set of _____ _____ _____ invalid _____ requests or is _____ different _____ _____.

Is _____ _____ in the _____ _____ mno's decide _____ illegitimate port _____?

Is there a _____ _____ _____ _____ for _____ _____ _____ _____ the mobile network operators?

Do _____ _____ _____ _____ have a _____ approach to _____ unsound transfer solicitation _____?

_____ there a standard _____ _____ _____ _____ determining _____ port _____ or is it different _____ _____?

Is _____ possible _____ _____ mobile _____ operators to have different criteria _____ _____ _____ _____?

_____ mobile network _____ have the same _____ _____ _____ unsound _____ solicitations?

_____ _____ a _____ set _____ criteria _____ determining _____ port requests or is _____ different for _____ _____?

Is it possible for _____ _____ _____ to _____ _____ criteria _____ _____ _____ to _____ or reject invalid port _____?

Is there _____ among _____ MNOs in _____ _____ handle _____ _____ appeals?

Is _____ possible _____ _____ network operators to _____ _____ _____ to _____ on _____ porting requests?

_____ _____ criteria _____ distinguishing invalid _____ requests _____ _____ _____ for all the _____ network operators?

_____ _____ network _____ _____ a common framework for declining _____ _____ transfer solicitation _____?

_____ _____ criteria used to determine invalid _____ _____ _____ _____ operator _____ operator?

Do _____ network _____ share a _____ approach _____ _____ _____ transfer solicitations?

Do mobile _____ providers _____ a _____ framework _____ declining _____ transfer _____?

_____ the _____ for distinguishing invalid _____ requests _____ with _____ operators of _____ _____?

_____ all the mobile _____ operators _____ the _____ _____ of criteria for _____ _____ _____?

_____ there a set _____ criteria _____ _____ _____ _____ in all of the _____ _____ operators?

_____ _____ criteria for distinguishing invalid _____ requests _____ to _____ for _____ _____ network _____?

_____ _____ a standard _____ _____ _____ for invalid port _____ among all _____ _____ _____ network operators?

_____ it possible that the _____ _____ determining invalid _____ _____ _____ different _____ operators?

_____ there _____ _____ set _____ criteria _____ determining _____ port requests for _____ _____ them _____ different for operators?

_____ _____ possible for different _____ _____ providers to _____ the same _____ _____ _____ requested ports?

Is _____ _____ consistency in the way the _____ _____ on _____ _____ _____?

_____ _____ a set of _____ _____ all mobile network _____ use _____ detect _____ port _____?

Is the criteria _____ distinguishing _____ invalid port _____ consistent _____ _____ mobile _____ _____?

Will _____ transfer demands _____ _____ _____ all _____ carriers _____ a _____ manor?

Is _____ _____ _____ set _____ criteria for _____ _____ _____ _____ will it be _____ from operator to operator?

_____ _____ assessments of ineligible transfer demands _____ _____ _____ _____ _____ way for _____ carriers?

Is _____ determination of ineligible _____ uniform _____ _____ _____ carriers?

Do the criteria _____ distinguishing invalid port _____ _____ that _____ the _____ _____ _____?

_____ different mobile network _____ use _____ _____ _____ _____ decline unsound transfer solicitation _____?

Is _____ _____ _____ distinguishing _____ port requests consistent with _____ _____ all _____ networks?

_____ _____ _____ for mobile network _____ to _____ different criteria in deciding whether _____ not to _____ _____ _____ _____?

Does each _____ _____ the same _____ of refusal _____ _____?

Is there a _____ _____ _____ _____ _____ operators follow the _____ _____ when it comes _____ _____ invalid port-in _____?

Is it _____ _____ _____ rules _____ invalid port can _____ _____ _____ different MNOs?

Is there a _____ set of _____ _____ _____ port _____ _____ all _____ _____ operators?

Does each MNO _____ _____ _____ rules _____ _____ _____ refusal of port?

_____ _____ _____ that there are _____ rules _____ invalid _____ _____ different MNOs?

Do you know if different _____ follow _____ same _____ _____ _____ _____ portout _____?

Is it possible for _____ mobile _____ _____ _____ to _____ _____ invalid port _____?

There can be a difference in _____ port _____ _____ _____ _____ _____.

Is there _____ _____ _____ for rejecting port _____ _____ all _____?

_____ _____ _____ _____ set _____ invalid port _____ across all mNOs?

_____ port _____ can _____ _____ _____ mobile network providers

Does _____ set of _____ _____ _____ _____ _____ when it _____ to _____ voided port requests?

Will _____ assessment _____ _____ _____ demands be _____ same in _____ _____ carriers?

When _____ _____ _____ denying or _____ _____ port requests, is there _____ _____ _____ MNOs?

_____ _____ _____ that different _____ network _____ _____ _____ approach to declining unsound _____ solicitation attempts?

There may _____ _____ _____ _____ network _____ in _____ _____ of invalid ports.

Do different mobile _____ providers _____ _____ approach _____ _____ _____ _____ solicitation attempts?

Is _____ invalid _____ _____ that are _____ same _____ _____ MNOs?

_____ different mobile _____ _____ share _____ same _____ for declining _____ _____ solicitations?

Is _____ possible _____ _____ network operators _____ use different _____ for determining _____ _____ of _____ _____?

_____ there _____ among _____ MNOs _____ it _____ _____ denying or _____ illegitimate _____ appeals?

Is _____ possible _____ _____ _____ the same _____ refusal norms?

Are there a _____ _____ _____ _____ determining invalid port _____ _____ _____ it _____ for operators?

_____ _____ _____ _____ set _____ criteria for invalid port _____ by _____ the _____ network operators?

_____ _____ _____ _____ classification _____ failed port applications, is the criterion the _____ _____ _____ operator?

Is _____ _____ difference between _____ _____ providers' invalid porting _____?

_____ _____ same _____ of criteria _____ _____ detecting invalid _____ amongst all _____ _____ operators?

Is _____ _____ common set _____ _____ _____ invalid port requests among _____ _____?

_____ _____ _____ operators _____ different criteria for determining whether to _____ invalid _____ _____?

Does every _____ follow _____ same _____ _____ _____ port?

When it _____ to assessing _____ port requests, _____ a set _____ _____ exist _____ _____ _____ _____?

Is _____ _____ standard set of _____ for determining _____ port _____ _____ _____ it _____ by _____?

Is _____ a common set _____ criteria for invalid _____ requests _____ _____ _____ _____?

_____ there be _____ _____ _____ of _____ for determining _____ port _____ or _____ it vary by _____?

Is the criteria for distinguishing _____ _____ _____ consistent with _____ _____ _____ _____ mobile _____?

_____ _____ the same set of _____ _____ rules that _____ _____ _____ other MMNO's?

Is _____ _____ set _____ criteria _____ _____ detecting _____ port _____ throughout the different _____ network _____?

Is there _____ in how _____ decide _____ _____ port _____?

Is _____ same _____ of _____ _____ for detecting _____ _____ requests _____ all _____ the _____ network OPERATOR's?

_____ mobile _____ _____ use different criteria for _____ _____ to accept or _____ _____ _____ requests?

_____ might _____ differences _____ _____ determination of invalid _____ among _____ network _____

_____ _____ _____ that mobile _____ _____ share an _____ to declining _____ transfer _____ attempts?

_____ the _____ _____ ineligible transfer _____ _____ uniform across _____ carriers?

Is it _____ that _____ _____ _____ determining invalid porting requests _____ _____ _____?

_____ it _____ for mobile _____ operators _____ have different _____ _____ rejecting invalid _____?

Is _____ _____ set _____ _____ _____ _____ the different telephone _____ operators for _____ invalid port requests?

Is it _____ that _____ MNOs have _____ _____ _____ _____ evaluation of _____ demands?

Do all _____ adopt _____ _____ evaluation guidelines for _____ _____?

Is _____ _____ _____ set of _____ _____ rules _____ all MNO's?

Is _____ possible that _____ are different _____ _____ _____ porting for _____ _____?

_____ there _____ _____ set for determining _____ _____ requests for all _____ them _____ _____ it _____ for operators?

Is it possible _____ _____ _____ _____ of _____ _____ _____ _____ _____ MNO for unaccepted port applications?

When _____ comes to voiding _____ requests, _____ _____ _____ set of standards _____ all _____ _____?

_____ there _____ _____ _____ of criteria for _____ _____ port requests or is _____ _____ _____ operators

Do all _____ have _____ same _____ guidelines _____ port _____ _____?

_____ the different mobile _____ _____ have a _____ _____ for _____ _____ transfer solicitations?

_____ network _____ _____ have _____ _____ the _____ they _____ invalid port determinations.

Is there any consistency in _____ _____ MNOs _____ on _____ _____ _____?

_____ the criteria for _____ invalid _____ be _____ same _____ all _____ _____ operators?

_____ you tell me if different operators _____ _____ same _____ _____ _____ _____ port-in _____?

_____ all mobile carriers _____ _____ consistent _____ _____ ineligible transfer _____?

Is _____ _____ for mobile operators to use different _____ for _____ _____ _____ _____?

Is _____ _____ standard _____ of _____ for determining _____ _____ _____ _____ is it _____ to operators?

_____ _____ _____ for _____ network operators to use _____ _____ in rejecting _____ _____ requests?

_____ _____ _____ among the MNOs _____ how they _____ _____ illegitimate _____ claims?

Is _____ possible _____ the _____ network _____ to _____ different criteria _____ _____ _____ requests?

_____ it _____ _____ _____ _____ phone companies _____ the _____ rules when _____ port requests?

_____ it _____ _____ _____ network operators to _____ different _____ for determining _____ to _____ or _____ invalid port _____.

Does each _____ follow _____ same _____ _____ refusal of _____

_____ _____ _____ uniform _____ of ineligible transfer demands across _____ mobile _____?

_____ the _____ _____ _____ _____ port _____ _____ with operators of mobile networks?

Is _____ _____ uniform _____ of _____ _____ invalid _____ _____ _____ all mobile network operators?

Is _____ criteria for _____ invalid port _____ _____ _____ the _____ _____ operators?

_____ _____ _____ standard _____ of _____ _____ _____ invalid port requests, _____ _____ it different among operators?

_____ there _____ _____ _____ _____ criteria that all MNO's use _____ consider unaccepted _____?

_____ _____ the mobile network OPERATOR's _____ the _____ _____ of _____ _____ _____ invalid port requests?

_____ _____ MNO follow the _____ _____ _____ port refusal?

_____ it the same set of _____ _____ _____ used to _____ invalid _____ for _____ _____ _____ operator?

_____ it possible _____ _____ _____ if different operators _____ the _____ guidelines when _____ comes to _____ invalid _____ _____?

Are all the _____ network operators _____ the _____ _____ _____ criteria for _____ _____ _____ requests?

_____ it consistency _____ _____ MNOs when _____ comes _____ accepting _____ _____ _____ port applications?

_____ the criteria for distinguishing the invalid _____ _____ _____ _____ the ones _____ all _____ _____ network _____?

Do _____ network providers share a _____ _____ for _____ _____ _____ attempts?

Is the same set _____ _____ used _____ _____ _____ port requests _____ _____ _____ telephone _____ operators?

Is _____ _____ for _____ _____ network operators _____ have the same _____ _____ identifying invalid _____?

_____ _____ be differences _____ mobile networks when _____ _____ to _____ _____ determinations?

Does _____ a standard _____ _____ _____ _____ _____ _____ _____ requests or does it vary by _____?

_____ there a set _____ _____ _____ _____ _____ _____ _____ for every operator or _____ it different?

_____ each _____ _____ the _____ _____ for refusal in port?

_____ there the same _____ _____ invalid port rules _____ _____ _____ the _____?

Is it _____ that the rules _____ _____ port _____ be _____ for _____ _____?

Is _____ any standard _____ of _____ for determining _____ _____ requests, _____ is it _____ _____ each _____?

Are all the _____ _____ _____ using the _____ _____ _____ _____ for detecting invalid _____?

The determination _____ invalid ports may _____ _____ _____ _____ _____ providers.

Is there _____ _____ _____ _____ porting determinations between the _____ network _____?

_____ _____ be differences _____ _____ network providers when _____ comes _____ invalid _____ determinations.

_____ there a standard set _____ _____ _____ invalid _____ _____ _____ will _____ be _____ by operators?

Is _____ possible that different _____ _____ providers have _____ _____ _____ for _____ unsound _____ solicitation _____?

_____ _____ consistency _____ the MNO's _____ it _____ to _____ _____ rejecting _____ port claims?

Do _____ MNO _____ _____ _____ standards for refusal at _____?

_____ _____ _____ _____ set _____ criteria for determining _____ port requests _____ is _____ different for every _____?

Is an _____ _____ _____ transfer uniform _____ _____ carriers?

_____ there a standard set _____ _____ for _____ _____ port _____ _____ is it different _____ _____?

_____ _____ transfer demands _____ assessed in _____ _____ across _____ mobile carriers?

_____ there a standard set _____ _____ for _____ port _____ _____ is it different _____ _____.

_____ there _____ _____ _____ MNO's in _____ way they look at _____ _____?

All _____ MNOs have _____ same _____ _____ _____ port requests?

Is there the same set _____ invalid _____ _____ _____ _____ the _____?

_____ the _____ criteria _____ to identify invalid _____ for different _____ _____ _____?

Is the _____ _____ _____ _____ requests _____ _____ of all MNOs?

_____ all _____ _____ the same when it _____ _____ tossing out _____ _____?

Is there _____ standard _____ of criteria for _____ _____ requests or _____ _____ _____ by _____?

_____ it possible for mobile network operators _____ _____ different _____ for _____ _____ _____ _____?

Do mobile _____ providers have _____ _____ framework to _____ _____ _____ solicitations?

_____ there a _____ _____ of criteria for determining invalid _____ _____ _____ is _____ different _____ _____?

_____ mobile _____ _____ _____ _____ ineligible transfer in the same _____?

Do mobile network _____ _____ _____ _____ _____ _____ declining unsound _____ solicitation attempts?

Is the ____ ____ ____ ____ demands made ____ ____ same way ____ ____ mobile carriers?

Is it possible that ineligible ____ demands are ____ ____ a ____ manor ____ ____ ____ ____?

Do ____ ____ network ____ share the same framework ____ ____ ____ solicitation ____?

Is ____ set ____ standards in place for ____ ____ ____ when ____ comes ____ assessing ____ ____ requests?

____ you tell ____ ____ ____ ____ ____ follow ____ ____ guidelines ____ it comes to declining invalid ____ out petitions?

Is ____ ____ uniform ____ ____ criteria ____ invalid port ____ among all of ____ ____ network ____?

____ a set of ____ ____ for the MNOs when ____ comes ____ ____ ____ port ____?

Do ____ have a ____ set of criteria ____ ____ ____ ____ requests ____ ____ it different ____ operators?

____ ____ consistency in the ____ MNOs decide ____ illegitimate ____ ____?

____ ____ a standard set ____ ____ for ____ ____ requests or is ____ ____ between operators?

____ ____ ____ for distinguishing invalid ____ requests be ____ ____ mobile ____ operators?

____ the ____ for distinguishing invalid ____ requests consistent ____ ____ for ____ mobile ____ ____?

Is there ____ ____ ____ criteria used ____ ____ invalid ____ across ____ ____ network operators?

____ ____ ____ that different ____ service providers ____ the ____ ____ for evaluating requested porting ____?

Does ____ criteria for ____ ____ port requests ____ with ____ ____ operators?

Is ____ a ____ ____ of criteria for ____ ____ ____ requests and ____ it ____ unique between ____?

Is ____ a set ____ ____ for invalid port ____ ____ ____ ____ operators?

Is ____ assessment ____ ineligible ____ uniform among ____ ____?

Is ____ consistency in how ____ ____ ____ ____ port requests?

Is there ____ set of ____ ____ identifying ____ ports for every ____ ____ ____?

____ different ____ ____ providers have the ____ ____ to decline ____ solicitations?

____ ____ possible ____ a standard ____ ____ ____ is used ____ all the ____ ____ considering unaccepted ports?

____ ____ ____ set of ____ used when ____ ____ requests by all MNOs?

Is ____ ____ framework for declining ____ ____ solicitation attempts shared ____ ____ ____ ____ providers?

Is there consistency ____ the ____ that the ____ ____ ____ illegitimate ____ ____?

Is it ____ for all ____ ____ ____ to ____ a ____ ____ ____ criteria for invalid ____ requests?

Is ____ ____ ____ ____ criteria ____ invalid ____ requests among mobile operators?

____ mobile network providers ____ the ____ ____ ____ ____ un sound ____ solicitation attempts?

When ____ comes to ____ port ____ ____ a set ____ ____ ____ for ____ MNOs?

____ there consistency ____ ____ the MNOs look ____ illegitimate ____?

Is ____ possible ____ ____ ____ operators ____ use different ____ to decide ____ ____ not ____ accept ____ ____ invalid port requests?

____ ____ invalid port rules the ____ ____ all ____?

Do ____ ____ network providers ____ the same ____ for declining ____ ____ ____?

____ the same set ____ ____ used ____ ____ ____ port ____ across the ____ network operators?

Is the same set ____ ____ used by ____ ____ ____ for ____ invalid ____ ____?

____ ____ ____ for identifying invalid ____ ____ ____ same for all mobile network ____?

____ the assessment ____ ineligible ____ demands ____ uniform ____ all mobile ____?

____ ____ mobile network ____ have ____ similar ____ ____ declining ____ transfer solicitations?

____ the criterion ____ same ____ all operators when ____ ____ ____ failing ____ applications?

____ it possible ____ know if ____ operators follow ____ same guidelines when it ____ ____ ____ ____ port-out ____?

When _____ comes to assessing voided port _____ does a _____ _____ standards _____ _____ _____ _____?

Is it possible _____ mobile _____ _____ to _____ different _____ for _____ whether _____ accept _____ port _____?

_____ a _____ _____ _____ by _____ network providers for _____ _____ transfer solicitations?

_____ all _____ the _____ _____ _____ operators _____ the same set of _____ for _____ invalid _____?

Do _____ _____ mobile _____ operators have the _____ criteria _____ _____ _____ port requests?

_____ _____ consistency in _____ the MNO's _____ on _____ port _____?

Will the assessment of ineligible _____ _____ _____ _____ _____ be _____?

_____ there consistency _____ the _____ _____ it _____ _____ rejecting illegitimate _____ appeals?

Is _____ _____ set of criteria used for _____ _____ ports used _____ _____ _____ _____ operators?

_____ it possible that all _____ _____ _____ same _____ governing their evaluation _____ _____ _____?

_____ _____ port rules the _____ _____ _____ MNOs?

_____ _____ _____ have _____ same standards for rejecting port _____?

Is a _____ _____ criteria used _____ identify _____ _____ _____ every mobile network _____?

Will different _____ _____ have the _____ _____ to assess _____ transfer _____?

_____ _____ criteria for _____ invalid _____ requests _____ the _____ _____ all _____ mobile network operators?

There can _____ _____ _____ _____ port determinations between mobile _____ _____.

_____ there be differences in the _____ of invalid _____ _____ _____ _____ _____ _____ providers?

_____ the same set _____ criteria _____ for detecting invalid _____ _____ across _____ different _____ _____ _____?

Is _____ _____ standard _____ _____ criteria _____ invalid _____ requests for all of _____ _____ is _____ different _____ each operator?

_____ _____ network _____ have _____ same _____ _____ declining unsound _____ solicitation efforts?

_____ _____ criteria used _____ determining invalid _____ _____ vary _____ _____ to operator?

_____ may be different _____ of invalid _____ _____ the _____ _____ providers.

_____ _____ a set _____ _____ for determining invalid port _____ _____ _____ _____ or is it different for every _____?

There _____ a question _____ if a _____ of _____ _____ _____ _____ voided _____ requests by all the _____.

_____ _____ be differences in invalid port _____ _____ mobile _____?

Is there consistency among _____ _____ _____ _____ _____ _____ accepting or rejecting _____ ported _____?

_____ there a _____ _____ criteria _____ all _____ use to detect invalid _____ _____?

_____ _____ _____ different among _____ network providers?

Is _____ possible _____ not _____ _____ have _____ same rules _____ _____ porting?

Is _____ a _____ _____ _____ criteria _____ determining invalid _____ _____ for all of _____ _____ different for each _____?

_____ _____ _____ consistency among the MNO's when _____ comes to _____ or _____ _____ _____ claims?

_____ there _____ difference in _____ port _____ _____ _____ service providers?

Do _____ mobile network providers _____ the _____ _____ _____ declining unsound transfer _____ _____?

Is _____ _____ _____ _____ _____ _____ request is invalid consistent among _____ mobile _____ operators?

_____ _____ evaluation _____ for port-out _____ the _____ for allMNOs?

All MNOs _____ _____ _____ _____ to reject _____ requests?

_____ mobile network _____ share the same _____ _____ _____ _____ transfer solicitations?

_____ the _____ for _____ _____ _____ requests compatible with _____ mobile _____ operators?

_____ there _____ _____ in _____ _____ MNOs _____ at illegitimate ports?

Will the _____ of _____ _____ _____ be made _____ _____ _____ for different _____ carriers?

Does _____ MNOs follow the _____ criteria _____ _____ _____ port _____?

Do _____ _____ _____ operators have the _____ criteria _____ identify _____ port _____?

Is _____ _____ _____ of _____ _____ determining _____ port _____ _____ _____ it different for each operator?

Is it possible _____ _____ _____ _____ _____ _____ have _____ invalid port determinations?

_____ _____ _____ for _____ network operators to _____ _____ criteria in determining _____ to _____ or reject _____ port _____?

_____ _____ _____ if there is _____ standard set of criteria for _____ _____ port _____ or if _____ is _____ _____ _____.

_____ _____ possible for _____ _____ operators _____ _____ different _____ _____ rejecting or accepting _____ porting requests?

Mobile _____ _____ can have _____ regarding _____ port _____

_____ _____ criteria _____ to _____ invalid ports for _____ mobile network _____ _____ same?

_____ the _____ _____ distinguishing invalid port requests _____ with _____ network _____?

Is it _____ for _____ _____ follow the same _____ _____ _____ refusal?

_____ it _____ to _____ if different operators follow _____ _____ guidelines _____ it _____ to declining _____ port-in _____?

Is there a _____ _____ _____ _____ for _____ _____ port requests, or will it _____ different for _____ _____?

_____ there a standard set of _____ _____ determining _____ _____ requests or _____ it _____ _____ _____ operator?

Is _____ _____ guidelines _____ port out _____ _____ same _____ all MNOs?

Does _____ _____ follow the _____ standards _____ refusal at _____?

_____ the _____ set of criteria _____ _____ identify _____ _____ _____ each mobile network _____?

_____ mobile network _____ share _____ same framework _____ _____ unsound _____ solicitation?

_____ there a _____ _____ criteria for _____ port requests _____ _____ the mobile _____?

_____ _____ _____ _____ set _____ invalid port rules _____ all _____ the MMNO's?

Is _____ _____ _____ the MNOs _____ _____ comes to deciding _____ _____ accept _____ reject _____ port claims?

_____ _____ _____ question _____ to whether the _____ use _____ criteria _____ _____ _____ accepted port applications

Is _____ way ineligible transfer _____ _____ assessed for _____ mobile _____ _____?

Do _____ MNOs follow the _____ standards for _____ _____ _____?

_____ _____ possible that _____ MNOs share _____ _____ for evaluating port-out _____?

Does there a standard _____ _____ _____ for determining _____ _____ requests _____ _____ it _____ by _____?

Is there _____ _____ _____ determining invalid port _____ _____ _____ _____ them or is it different _____ _____?

_____ mobile network _____ _____ _____ criteria to determine whether to accept _____ _____ invalid _____ _____?

_____ there a _____ _____ of _____ _____ invalid port requests _____ all the _____ _____ operators?

_____ _____ _____ follow the _____ standard for _____ of port?

_____ there a way to _____ _____ different _____ abide _____ _____ same _____ when _____ comes _____ declining invalid _____ petitions?

Is the criteria _____ differentiating the _____ _____ requests _____ _____ _____ mobile _____ operators?

Will the _____ _____ _____ _____ assessed in a consistent _____ by _____ _____ carriers?

Is the assessment of _____ _____ _____ made _____ _____ consistent _____ across _____ mobile _____?

_____ _____ a standard _____ of _____ _____ _____ port _____ _____ the mobile network operators?

_____ there any _____ among the MNOs _____ how they _____ on _____ _____ _____?

Is _____ _____ _____ of criteria _____ _____ for _____ invalid _____ _____ all mobile network operators?

Is _____ _____ of ineligible transfer _____ within _____ _____?

_____ _____ a standard set _____ _____ _____ _____ invalid port _____ for all _____ them or is that different _____ _____?

_____ _____ a set _____ _____ for _____ port _____ among all of _____ _____ network operators?

_____ _____ _____ _____ criteria for _____ _____ _____ requests, _____ is it different for operators?

_____ _____ have the same standards _____ assessing _____ _____ applications?

Are the criteria _____ distinguishing the _____ _____ requests consistent _____ _____ _____ _____ operators?

Is _____ a standard set of criteria _____ to _____ _____ port _____ _____ _____ of them _____ is _____ _____ for _____ operator?

Is the assessment _____ _____ transfer _____ by _____ _____?

Do _____ MNO _____ _____ same _____ refusal _____?

Is _____ a set _____ _____ that is used _____ _____ invalid _____ _____ _____ mobile network _____?

Is _____ same set _____ criteria used for _____ _____ _____ requests across _____ _____ _____ OPERATOR's?

_____ there a difference _____ _____ _____ of invalid _____ between _____ network _____?

_____ _____ _____ following the same port _____ _____?

Does _____ _____ _____ distinguishing invalid _____ requests _____ _____ those _____ _____ mobile network operators?

_____ _____ _____ _____ _____ of criteria for determining _____ port requests, or _____ they different _____ _____?

Do _____ share the same _____ in assessing _____ _____ _____?

Will _____ criteria _____ _____ determine _____ port _____ vary by _____?

_____ _____ assessment of _____ transfers uniform _____ _____ carriers?

Do _____ mobile network _____ _____ the same _____ for _____ _____ _____ requests?

_____ _____ any consistency among the MNO's _____ it _____ _____ _____ ports?

Mobile _____ providers can _____ differences _____ it comes _____ _____ _____ determinations.

Is each _____ _____ the _____ _____ _____ guidelines?

_____ the assessment _____ _____ transfer demands _____ made _____ a _____ _____ across all mobile _____?

Are ____ ____ set of criteria used ____ ____ invalid ____ ____ all ____ Network ____?

____ ____ ____ operators ____ ____ criteria for determining ____ ____ ____ to accept invalid port requests?

____ the ____ ____ of criteria used ____ detecting invalid ____ among ____ mobile ____ ____?

Is ____ ____ ____ ____ ____ to have different ____ when ____ whether to accept invalid ____ requests?

Is there ____ ____ set of ____ for ____ ____ port ____ or ____ ____ ____ to each operator?

Do all mobile ____ operators ____ ____ ____ set ____ criteria ____ invalid port ____?

____ can be differences ____ mobile ____ ____ concerning ____ ____ determinations.

____ the assessment of ____ ____ ____ across mobile carriers be ____ ____?

Is ____ consistency among the ____ ____ how ____ ____ at illegitimate ____?

Can you ____ ____ ____ different ____ adhere to ____ ____ ____ when it ____ ____ declining invalid port-out petitions?

____ ____ possible for mobile network ____ to ____ ____ ____ to determine ____ to ____ or reject ____ port ____?

There _____ _____ a difference _____ _____ _____ _____ on invalid port determinations.

Is _____ possible for _____ _____ _____ _____ use different _____ in determining _____ _____ _____ or reject _____ port requests?

Is it _____ _____ _____ _____ _____ to use different _____ _____ _____ if to _____ or reject invalid _____ requests?

Is _____ _____ _____ _____ _____ the same for _____ the MNOs?

Do all _____ _____ the _____ _____ _____ refusal at port?

Do the _____ _____ _____ invalid port requests _____ to _____ _____ mobile network _____?

_____ it possible for invalid ported _____ _____ differ among _____ _____ _____?

_____ _____ _____ port rules the _____ across all _____?

There might _____ _____ _____ _____ determination of invalid _____ among the _____ _____ providers.

_____ there a _____ _____ _____ _____ _____ port requests in _____ mobile network operators?

_____ _____ possible that all MNO's adopt the _____ _____ _____ _____ port-out _____?

Do _____ network providers have _____ common _____ to _____ unsound _____ _____?

Is there consistency _____ _____ MNOs _____ it comes _____ _____ _____ giving _____ _____ port request?

_____ the _____ of _____ _____ demands be _____ across all _____ carriers?

_____ there _____ set _____ criteria _____ invalid _____ _____ across all _____ network operators?

Is there consistency among _____ _____ _____ _____ way they decide _____ illegitimate _____ _____?

Does _____ _____ _____ for declining unsound transfer _____ _____ exist _____ _____ mobile network _____?

Do the criteria for _____ _____ _____ _____ correspond with _____ for _____ _____ _____ operators?

_____ _____ consistency _____ _____ MNO's in their _____ about _____ port claims?

Will _____ transfer _____ be _____ _____ _____ consistent _____ across the _____ carriers?

Can you tell _____ _____ different _____ _____ _____ same guidelines when _____ _____ port-in _____?

Is there a _____ set of _____ for _____ _____ _____ _____ for all of them _____ _____ _____ _____ _____ between operators?

Is _____ the same set _____ _____ _____ _____ _____ happens across the _____?

_____ all MNO's have _____ same guidelines _____ evaluating _____ _____?

_____ _____ network providers _____ _____ _____ approach for declining unsound _____ solicitations?

Is it possible for _____ _____ _____ to differ _____ mobile _____ _____.

Is there a standard _____ _____ criteria for determining _____ _____ _____ for _____ _____ is it _____ _____ each _____?

_____ _____ _____ way to know if _____ operators abide by the same _____ _____ it _____ _____ _____ _____ port-out petitions?

_____ _____ _____ set of _____ for _____ invalid port requests _____ is _____ _____ for operators?

There _____ _____ a set _____ criteria for _____ _____ _____ _____ _____ mobile network operators.

Is there _____ set _____ criteria _____ _____ _____ invalid port _____ _____ _____ it different _____ operators?

Is there a standard _____ _____ _____ _____ invalid _____ _____ or is it _____ for _____ _____.

_____ mobile network _____ may have _____ criteria _____ _____ invalid port _____.

Will the assessments _____ _____ transfer demands be _____ _____ _____ _____ _____ carrier?

Is there a _____ in _____ _____ _____ _____ different mobile network _____?

_____ there the same _____ _____ _____ refusal _____ each MNO?

Do all _____ _____ the _____ _____ for _____ _____ out demands?

When it _____ _____ assessing voided _____ _____ _____ a set _____ _____ exist for all _____?

Is it _____ _____ the _____ _____ operators to use different _____ _____ rejecting _____ accepting _____ port _____?

_____ there be _____ _____ the _____ _____ determination on _____ phone _____ providers?

_____ it _____ for mobile network operators _____ _____ _____ criteria for determining _____ _____ _____?

Is _____ _____ of ineligible transfer _____ _____ _____ a consistent way _____ _____ carriers?

_____ _____ criteria _____ distinguishing invalid port _____ _____ with _____ for all _____ mobile network _____?

_____ _____ _____ that different _____ _____ providers _____ _____ same framework to decline unsound transfer _____?

_____ the ineligible transfer demands _____ _____ _____ _____ _____ _____ different mobile carriers?

Is the _____ _____ criteria used _____ identify invalid _____ _____ every _____ _____ operator _____?

Is _____ _____ set _____ criteria _____ _____ identify _____ _____ for every mobile _____ operator

Is _____ possible for _____ mobile _____ providers _____ _____ differing _____ port _____?

_____ _____ the same _____ of invalid _____ _____ that happen _____ the other _____?

Is _____ _____ the same for all _____ when _____ _____ _____ _____ classification _____ failed port _____?

Do different ____ ____ providers share the ____ framework for ____ ____ ____ solicitation ____?

____ ____ criteria ____ distinguishing ____ ____ requests in ____ ____ mobile network operators?

Are ____ standards for rejecting port requests ____ ____ ____ all ____ ____?

Does ____ ____ for ____ invalid ____ requests ____ to those for ____ mobile ____ ____?

Do ____ ____ follow the ____ ____ for ____ refusal?

____ the ____ ____ ____ ____ used to identify ____ requests ____ all the mobile network ____?

Is ____ ____ standard ____ of criteria ____ ____ invalid port ____ ____ ____ of ____ or will ____ ____ unique to each operator?

____ ____ ____ for all MNOs to ____ the same guidelines ____ ____ ____ demands?

Is there a set ____ criteria that ____ ____ to ____ invalid ____ for ____ ____ ____ ____?

____ it ____ for ____ ____ ____ ____ ____ follow the same standards ____ ____ requests for porting?

Does mobile ____ providers ____ ____ ____ framework ____ declining unsound transfer ____ ____?

Is ____ a ____ of criteria ____ determining ____ ____ requests ____ ____ it ____ by operator?

Is the ____ ____ ____ criteria being ____ for ____ ____ port requests across ____ ____ ____ network operators?

____ ____ ____ standard set ____ criteria ____ ____ invalid port requests for ____ ____ them ____ ____ it different for each ____?

Can ____ ____ differences ____ ____ networks ____ the determination of ____ port?

____ there ____ ____ to know ____ ____ operators follow the ____ guidelines when ____ ____ to ____ invalid portout ____?

Is ____ a consistent ____ ____ ____ ____ identifying ____ ports among ____ mobile network ____?

____ mobile ____ ____ share ____ same framework ____ declining unsound transfer ____?

____ ____ network ____ have different ____ port ____?

Is the ____ set ____ ____ ____ ____ ____ of the network operators for detecting ____ ____ ____?

____ ____ same set of ____ used ____ determine invalid ____ ____ ____ mobile Network ____?

When making invalid ____ determinations ____ ____ ____ ____ difference among ____ network ____.

____ ____ ____ standard set ____ criteria for invalid port ____ ____ ____ mobile network ____?

____ there ____ differences in the determination ____ ____ ports ____ ____ ____ service providers?

____ ____ a uniform way ____ which ____ ____ demands ____ assessed for different ____ ____?

Is ____ ____ same set of ____ used ____ identify invalid ____ ____ every ____ ____ operator?

____ ____ ____ set ____ criteria for invalid port ____ ____ ____ mobile network operators.

Will ineligible transfer ____ ____ ____ ____ a consistent ____ across ____ of ____ ____ carriers?

Do ____ networks ____ the same ____ ____ declining ____ ____ solicitations?

____ there ____ ____ set ____ invalid port rules in ____ ____?

Is there ____ ____ ____ of criteria for invalid ____ requests ____ ____ it ____ for ____.

Is there any consistency ____ how ____ ____ ____ on ____ ____ appeals?

____ there a ____ set of ____ ____ determining invalid ____ requests, ____ ____ it ____ ____ all operators?

____ different ____ ____ providers ____ ____ same process for declining ____ solicitations?
