[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Email setup and troubleshooting
Inquiry Sub-Category	Email Filters and Rules
Description	Customers needing help in creating or managing email filters and rules to automate email organization and forwarding.
Data Size	5,679 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

If _____ updates _____ occasionally, do our custom filter _____ need _____ _____ _____ _____ will _____ stay _____?

_____ _____ custom filters stay _____ same _____ the _____ _____ updated?

_____ customized filters need to _____ _____ _____ _____ are sporadic/server _____?

_____ the integrity of our _____ custom filter _____ _____ affected by _____ _____ _____ _____?

Is it _____ to create _____ _____ _____ in light of _____ _____?

Can _____ _____ filters be kept _____ sporadic _____ _____?

_____ happens _____ _____ custom filters during _____ server _____?

Will our filters _____ the same _____ _____ are _____ _____?

Will _____ filters be preserved _____ there _____ _____ _____?

Do we _____ _____ update _____ redo our _____ filters _____ there are _____ _____ _____?

Is _____ necessary to _____ _____ _____ _____ rules after a _____ update?

_____ the custom _____ rules remain _____ _____ the _____ is _____?

_____ irregular server-side _____ _____ we re-create the _____ _____?

When the server updates _____ in a _____ _____ _____ _____ custom _____ _____ survive?

Is _____ a _____ _____ to _____ _____ custom _____ after server-side updates?

Will _____ integrity _____ _____ _____ filters be _____ if server _____ _____ happen occasionally?

Is it possible to _____ our filters _____ _____ _____ _____?

_____ _____ need to recreate _____ _____ if _____ _____ occur occasionally?

Will _____ _____ filters _____ retained _____ _____ server upgrade?

Will _____ custom _____ rules _____ _____ by rare _____ updates?

_____ server-side _____ might _____ the _____ _____ our _____ filter rules.

_____ you have _____ _____ _____ _____ end, will _____ recreate custom filters?

Does our custom _____ _____ _____ _____ if _____ _____ is updated?

_____ _____ custom rules _____ _____ same _____ there _____ _____ server side updates?

_____ custom filters _____ need to _____ recreated _____ there _____ occasional _____ _____.

Will _____ affect our _____ custom _____ _____ _____ _____ _____ occasional server-side upgrades?

Will existing filters remain _____ _____ _____ state if there _____ _____ _____ _____?

Is _____ _____ that periodic server-side upgrades _____ _____ _____ _____ filters?

Will the changes _____ the _____ _____ _____ _____ filters?

If _____ are _____ _____ updates, _____ custom filters be _____.

During occasional _____ side _____ what happens _____ _____ _____ filters?

_____ the server _____ _____ do our _____ _____ _____ _____ same or break down?

_____ _____ have _____ _____ custom filters after _____ server _____ updates?

_____ _____ filters _____ or _____ to be _____ _____ there are occasional _____?

Will the _____ of our custom filters _____ _____ _____ intermittent _____ _____?

Do _____ _____ _____ _____ the preservation of _____ custom filters?

_____ _____ need _____ _____ or redo _____ filters when there _____ occasional _____ updates?

Will our custom _____ _____ _____ _____ _____ _____ are _____ server side updates?

_____ we _____ to recreate custom _____ _____ after server _____?

_____ it _____ _____ _____ the custom filter rules in _____ _____ _____ updates?

Are you _____ to recreate _____ _____ filters _____ _____ are _____ updates?

_____ server-side _____ _____ will they _____ our custom _____?

Is the _____ of our filter _____ _____ _____ _____ _____ updates?

_____ we _____ _____ _____ our custom filter rules _____ _____ _____ occur occasionally?

Do customized filters require _____ _____ _____ _____ _____ updates?

_____ it possible _____ our personalized _____ will _____ _____ _____ _____ if periodic _____ upgrades happen?

_____ the integrity _____ our _____ _____ affected _____ _____ updates occur?

If there _____ occasional _____ updates, _____ our _____ filters _____ _____?

Will _____ _____ _____ affect _____ functions of our _____ filters?

Is _____ possible _____ keep _____ current _____ intact _____ occasional _____?

_____ intermittent _____ _____ recreating custom filters or can _____ _____ _____ same?

_____ case of server _____ _____ _____ filters stay _____ same?

_____ we _____ _____ _____ our custom filters _____ there _____ server-side _____ occasionally?

Does _____ custom filter rules _____ _____ same _____ the _____ _____ updated?

Do _____ _____ need to _____ recreated _____ _____ they remain _____?

If occasional _____ _____ _____ _____ _____ filters be preserved?

Will your server-side updates affect _____ _____ _____ custom _____ _____?

Should _____ update _____ redo our _____ filters _____ there are _____ _____ _____?

_____ the occurrence of _____ _____ _____ _____ filters?

_____ _____ occurrence of server-side _____ affect _____ custom _____?

Will _____ server- side _____ _____ _____ _____ filters?

_____ we _____ to change _____ personalized _____ when _____ updates _____?

_____ _____ be retained in their _____ _____ when _____ _____ server upgrades?

_____ there be changes to our _____ configuration _____ _____ event _____ _____ _____?

Will our _____ filters remain the _____ _____ if _____ _____ _____ _____ updates?

During _____ updates _____ _____ keep _____ _____ filters?

During _____ server-side _____ _____ _____ _____ the custom filter rules?

_____ the occasional _____ _____ _____ our custom _____ rules?

Do _____ _____ impact our _____ filter _____?

_____ the customized _____ intact _____ _____ updates?

_____ the _____ _____ affect _____ _____ filter settings?

_____ _____ recreate custom filters _____ _____ _____ periodic _____ on your end?

Are _____ custom _____ _____ _____ _____ if _____ server gets updated?

Has the preservation _____ _____ custom _____ rules been _____ _____ occasional _____ _____?

_____ customized _____ require _____ _____ there are intermittent _____?

_____ we _____ to modify _____ custom _____ if _____ _____ occasional server-side _____?

_____ the custom _____ _____ affected by server _____ _____?

Can _____ keep the custom _____ _____ _____ sporadic _____?

When there _____ _____ _____ updates, _____ we _____ to redo our _____ _____?

_____ the _____ filters stay _____ by _____ server side _____?

Is it a ____ ____ to ____ custom ____ ____ ____ ____ or not?

____ we ____ changes in ____ filter configuration ____ case ____ server ____?

____ ____ is sporadic ____ updates, will custom ____ ____ preserved?

Do ____ custom ____ ____ need to ____ recreated in ____ ____ ____ intact?

____ there are intermittent ____ upgrades, ____ ____ ____ our filtering ____.

____ ____ custom filter rules stay ____ ____ ____ the ____ gets updated?

____ ____ server-side updates ____ ____ preservation ____ our custom filters?

____ there ____ periodic ____ ____ you recreate ____ filters?

____ ____ ____ chance ____ changes to the ____ filters due ____ server ____ updates?

Can ____ ____ ____ ____ ____ filter ____ be affected by infrequent ____ updates?

What happens ____ the custom ____ ____ there ____ ____ updates?

Will the ____ ____ ____ ____ ____ filters that we have?

____ periodic ____ ____ affect ____ preservation ____ our custom filters?

Can server-side updates ____ the ____ ____ ____ ____?

Will ____ filters ____ retained ____ their original state if ____ ____ ____ ____?

____ ____ server decides ____ ____ once ____ ____ blue moon, will ____ ____ filters hold up?

Do custom ____ ____ recreation when ____ is ____ ____?

____ existing ____ retained ____ their original ____ ____ the ____ of ____ upgrades?

Are customized ____ ____ for ____ ____ there are sporadic/server ____ ____?

When ____ server ____ to ____ once ____ ____ ____ moon, ____ our custom ____ continue?

____ to ____ updates, are custom filter rules ____ ____ ____?

Do we need ____ ____ ____ filters if there ____ occasionally ____ ____?

If ____ are server updates, ____ ____ ____ ____ changes to ____ filters?

____ ____ filters stay intact ____ occasional ____?

____ ____ continuity of ____ custom ____ impacted ____ ____ server-side updates.

____ ____ ____ filters still ____ ____ even ____ ____ are occasional server-side updates?

Should ____ server-side updates affect ____ ____ ____ ____ custom filters?

____ ____ existing filters ____ ____ their original state ____ ____ is a server ____?

____ ____ custom filter rules affected ____ server ____ ____?

____ we need to ____ ____ ____ after server-side ____?

____ case of server ____ should ____ expect ____ ____ ____ ____ filter configuration?

____ there are occasional server-side ____ will custom ____ ____ ____.

____ ____ need ____ ____ our custom ____ rules after a server-side ____?

Does it make sense to ____ ____ ____ ____ if ____ updates ____ ____?

____ occasionally ____ updates, ____ happens to our ____ filter ____?

Can we ____ our ____ ____ ____ updates?

____ ____ updates affect ____ preservation of ____ custom ____?

____ the custom ____ ____ unaffected ____ rare ____?

____ ____ ____ or ____ our personalized ____ when there ____ sporadic ____ updates?

____ the ____ updates ____ the custom filters ____ ____?

____ happens ____ our custom ____ ____ occasional server ____ updates?

Will infrequent server ____ ____ affect ____ integrity ____ ____ ____ filter rules?

____ happens ____ ____ ____ rules when ____ upgrades occur?

Do ____ ____ updates affect the ____ ____ custom filter ____?

Do ____ need ____ ____ ____ custom filters after ____ server-side ____?

Is it ____ ____ ____ our custom ____ rules ____ ____ server-side updates?

If the server ____ ____ ____ our custom ____ ____ the ____?

____ ____ existing filters retained in ____ original ____ ____ there ____ a server ____?

____ ____ possible ____ occasional server-side upgrades necessitate reconfiguration ____ ____ ____ filters?

Will custom ____ ____ be ____ ____ rare ____ updates?

____ occasional ____ updates, ____ will happen ____ ____ custom filters?

____ ____ possible that ____ server-side upgrades necessitate reconfiguring ____ altering ____ ____?

____ we ____ our ____ filters during ____ server-side ____?

Will ____ ____ ____ affect the ____ of the ____ filter ____?

____ are ____ ____ ____ and ____ we ____ to recreate our ____ filters?

____ ____ are intermittent serer ____ ____ ____ to ____ current filter rules?

____ sporadic ____ ____ we keep our custom ____ ____?

Should ____ re-create custom filter rules ____ ____ ____ ____?

____ occasional ____ ____ what happens to custom ____ ____?

The ____ of ____ custom filter ____ ____ ____ affected ____ occasional server ____ updates.

Will ____ ____ ____ remain or be ____ if ____ are server-side ____?

____ ____ need ____ recreate our custom filters ____ light of periodic ____ ____ ____?

____ the ____ ____ ____ ____ the same if ____ are occasional ____ updates?

Will ____ ____ ____ custom filter ____?

In ____ ____ ____ ____ updates, ____ ____ recreate our custom filters?

____ customized filters need ____ be ____ ____ there are sporadic updates ____ ____ ____?

____ periodic ____ ____ ____ our current custom ____?

Will the ____ ____ our established ____ ____ rules ____ ____ by server-side ____?

____ our ____ filter rules need ____ ____ ____ or are they ____ ____?

When server-side updates occur, ____ ____ ____ to ____ ____ personalized ____?

____ ____ ____ our ____ rules during sporadic ____ updates?

Is it possible that ____ ____ ____ necessitate ____ ____ altering ____ personalized ____?

____ server-side updates happen ____ ____ our ____ ____ still intact?

Is it necessary ____ ____ our ____ filters ____ server-side updates ____ ____?

Do we need ____ change our ____ filters ____ ____ ____ ____ occasionally?

Does ____ occurrence ____ ____ updates change ____ existing ____ filters?

In ____ ____ server ____ ____ the ____ ____ remain in ____ original state?

Can ____ ____ filters remain ____ ____ rare server-side ____?

____ ____ ____ to recreate ____ ____ filters ____ occasional server-side updates?

____ ____ server-side ____ ____ ____ custom filter rules?

____ ____ continuity ____ our ____ filters ____ ____ by the ____ server-side updates?

____ ____ be ____ ____ their original state in the ____ ____ ____ upgrades?

____ ____ integrity of our ____ ____ ____ be ____ by occasional ____ side updates?

____ the ____ ____ stay the ____ ____ the server ____ updated?

____ customized filters ____ for ____ when there are ____ ____?

Is there any ____ of changes to ____ ____ ____ to ____ ____ ____?

____ are occasional server-side ____ can ____ expect ____ ____ ____ ____ custom filters?

Does the server-side updates ____ ____ ____ ____ filter ____?

Should ____ ____ our ____ ____ rules in ____ of periodic server-side ____?

Sometimes ____ updates affect our ____ ____ ____.

When we get ____ server-side updates, ____ ____ ____ to ____ ____ filters?

Will the ____ side updates affect ____ existing ____ ____ ____?

When the ____ updates, ____ we ____ ____ recreate our ____ ____?

____ ____ ____ to ____ our custom filter ____ if server side ____ occur ____?

____ our custom ____ ____ ____ ____ be recreated ____ ____ is occasionally a server-side ____?

____ ____ possible ____ ____ our custom filter ____ during sporadic ____?

Is ____ ____ for customized ____ to remain ____ ____ frequent ____?

Is it possible ____ ____ ____ filters during ____ ____?

____ ____ ____ any changes to our filters ____ case ____ ____ server ____?

____ the ____ ____ affecting the preservation ____ ____ custom filters?

Will _____ _____ _____ impact _____ custom _____ rules?

_____ the custom _____ stay _____ by _____ _____ updates?

Will _____ custom _____ rules _____ _____ by rare server _____ _____?

Will _____ existing custom _____ _____ _____ by occasional _____ improvements?

_____ the custom filters stay _____ _____ _____ _____?

_____ server-side _____ _____ our current _____ filtering _____?

Due _____ periodic _____ side updates _____ _____ filter _____ necessary?

_____ _____ _____ to _____ our _____ if _____ a server-side update?

Will our _____ _____ remain _____ same _____ there _____ occasional _____ updates?

_____ there are _____ _____ _____ we need _____ _____ our filters?

_____ _____ necessary to _____ _____ _____ _____ to periodic server side updates?

_____ you get periodic _____ on your end, _____ _____ _____ custom _____?

Would _____ _____ _____ _____ if there were periodic _____?

_____ _____ _____ decides to update once _____ _____ blue moon, _____ the custom _____ _____?

_____ _____ side _____ _____ custom filters?

Are _____ _____ _____ our filtering _____?

Will _____ _____ rules be _____ by rare _____ _____?

_____ it necessary _____ _____ _____ filter _____ _____ to periodic server-side updates?

Will _____ server-side _____ _____ _____ integrity of _____ _____ filter rules?

Do _____ _____ _____ to _____ recreated or are _____ _____ intact?

_____ _____ of periodic server-side _____ do _____ _____ to recreate _____ filters?

_____ _____ server _____ get _____ _____ _____ now and then, _____ we need to change _____ filters _____ not?

_____ _____ presence of server-side _____ affect _____ custom _____ rules?

_____ _____ server _____ updated, _____ the custom filters remain _____ _____?

Will our _____ remain the _____ _____ occasional _____ _____?

Is the _____ _____ _____ _____ impacting our _____ custom _____ rules?

Will the custom _____ remain if _____ _____ occasional _____ _____?

_____ our _____ filtering settings be affected _____ there _____ _____ _____?

Does _____ _____ updates affect the preservation _____ our _____ _____?

_____ it _____ _____ customized filters stay _____ after _____?

Is it _____ for _____ _____ to stay _____ _____ _____ updates?

_____ we re-create the custom _____ _____ after a _____ _____?

Do _____ _____ need recreation _____ there are _____ side _____?

Is _____ _____ for occasional server-side _____ _____ _____ _____ our personalized filters?

Should custom filters _____ _____ due _____ _____ server-side _____?

_____ the occasional _____ _____ affect _____ custom _____ rules?

_____ server-side updates _____ intermittently, _____ custom _____ be _____?

_____ customized filters _____ _____ after _____ updates?

_____ we need _____ _____ _____ redo our personalized _____ _____ _____ are _____ server-side updates?

_____ _____ frequent _____ updates affect _____ custom _____?

When occasional server-side updates _____ _____ _____ to our _____ _____?

Will the _____ _____ have an _____ _____ the _____ filters?

_____ our custom filters _____ _____ if _____ _____ occasionally server-side _____?

Is _____ _____ of _____ custom _____ affected by _____ _____ updates?

Will _____ _____ of our _____ _____ be _____ by _____ server-side updates?

Is it possible _____ _____ server-side _____ will _____ the integrity _____ our _____ _____?

_____ occasional server-side updates _____ _____ preservation of our _____ _____?

_____ we need to recreate our _____ filters _____ we _____ _____ _____ _____?

Should existing _____ _____ _____ _____ their original state _____ _____ of server _____?

Do customized _____ _____ recreation when there _____ _____ _____ on _____ server?

Is _____ custom filters going _____ survive _____ _____ _____ updates once _____ a _____ _____?

Occasionally server-side _____ _____ _____ reconfiguring _____ altering our personalized _____ _____.

Is _____ integrity of _____ _____ filter rules _____ _____ server-side _____ occur?

_____ server-side _____ _____ intermittently, _____ custom filter rules be _____?

Do _____ filter rules _____ _____ _____ if _____ _____ gets updated?

When _____ _____ _____ to update once in a _____ _____ will _____ filters _____?

_____ _____ _____ _____ server-side _____ will custom filter _____ be preserved?

_____ custom _____ need _____ be recreated _____ _____ intact?

Due _____ _____ _____ are _____ filters necessary?

After irregular server-side updates, should _____ change _____ _____ _____ _____?

Will the _____ side updates _____ _____ function of _____ custom _____ _____?

_____ happens to our custom filters _____ _____ is an _____ _____ _____?

If there _____ _____ _____ updates, _____ _____ custom _____ be affected?

_____ case _____ are _____ updates, will the _____ custom _____ _____ affected?

Is it _____ _____ _____ _____ filters due to _____ on _____ server _____?

Do _____ filter _____ need _____ _____ recreated _____ to updates _____ the _____?

_____ _____ _____ occasional server-side _____ _____ custom Filters be preserved?

Due to _____ updates, is _____ of _____ _____ _____?

Are _____ filter _____ _____ _____ _____ periodic server-side updates?

_____ it make sense _____ recreate _____ custom _____ _____ _____ server-side updates?

_____ there _____ _____ upgrades, _____ the existing _____ _____ retained in their original _____?

Will the _____ filters survive _____ the _____ _____ _____ _____ _____ _____ a blue moon?

_____ _____ possible _____ customized _____ to stay intact after _____ _____?

Does _____ filters _____ to be played _____ _____ _____ _____ sporadic/server _____ updates?

Does the _____ of _____ _____ _____ _____ filters?

Is _____ _____ _____ idea to _____ _____ _____ filter rules _____ irregular server _____ updates?

Due to _____ server-side _____ _____ the _____ of custom filter _____ _____?

_____ it possible for customized _____ to _____ _____ _____ updates?

_____ _____ custom filter _____ _____ to be _____ _____ _____ are _____ server side updates?

_____ it possible _____ _____ server-side upgrades necessitate reconfiguring _____ _____ our _____?

Do our _____ filters _____ _____ be recreated if the _____ _____ _____ _____ occasionally?

_____ _____ _____ filter _____ need _____ be recreated if there _____ occasional _____ side _____?

Will _____ _____ _____ remain the same, _____ _____ there are _____ server _____?

Do _____ _____ server-side updates _____ _____ _____ _____ our custom filters?

_____ intermittent _____ warrant recreating custom filters, or _____ _____ _____ _____ same?

_____ there _____ any changes _____ the custom _____ due to _____ _____?

Is it possible that customized _____ _____ _____ intact _____ _____ few _____?

Will _____ _____ updates _____ our _____ custom _____?

_____ the _____ _____ our _____ _____ affected by server side _____?

_____ the _____ _____ survive if the server _____ _____ update _____ _____ _____ blue moon?

Is it _____ _____ _____ _____ custom _____ _____ after server side updates?

Will _____ _____ rules _____ _____ be _____ if _____ are occasional server-side _____?

_____ _____ custom _____ _____ the _____ _____ there are periodic updates?

_____ the continuity of _____ custom filter _____ be _____ _____ _____ _____ updates?

_____ _____ _____ server _____ to update _____ _____ a blue _____ will our _____ filter _____ survive?

Will _____ be retained in _____ _____ state _____ _____ _____ _____ upgraded frequently?

Do _____ _____ to _____ _____ custom filters in light _____ _____ _____ updates?

_____ _____ _____ updates affect _____ _____ of _____ established custom filters?

Will _____ _____ filter rules _____ or need to _____ _____ _____ there _____ _____ server side _____?

_____ our _____ filters survive the server _____ once in _____ _____ _____?

Can _____ _____ updates _____ the preservation _____ our _____ filters?

_____ _____ expect _____ _____ our _____ filter rules _____ to server-side updates?

_____ server-side _____ could necessitate _____ or _____ our _____ filters.

_____ _____ _____ updates _____ we need to _____ _____ custom filters?

_____ there _____ occasional server-side _____ will _____ current custom _____ be _____?

_____ question _____ _____ we _____ custom filter _____ after a server _____?

_____ _____ server-side updates occur, _____ _____ _____ remain?

_____ _____ continuity of _____ filters _____ _____ intermittent server-side updates?

When the _____ _____ to update once _____ _____ blue moon, _____ _____ custom _____ _____?

_____ server-side upgrades _____ necessitate _____ or _____ our personalized _____.

_____ the server side _____ affect _____ _____ _____ filters?

Does intermittent _____ cause _____ filters _____ _____ _____ or _____ _____ stay intact?

_____ server-side updates happen _____ _____ _____ _____ rules be preserved?

Will _____ _____ _____ filters _____ you get _____ updates?

If there are _____ _____ _____ _____ filters stay the _____?

Will _____ _____ _____ not be _____ _____ rare server _____ updates?

_____ there are _____ server-side _____ will our _____ _____ settings _____?

If _____ _____ occasional server-side _____ _____ _____ filters be retained?

_____ the filters _____ the same if _____ _____ _____ server-side _____?

_____ _____ _____ of our custom _____ rules affected _____ _____ server-side updates.

Are _____ going to recreate _____ _____ _____ there is _____ updates _____ _____ end?

_____ _____ updates _____ _____ _____ _____ need to change our filters?

_____ our _____ _____ _____ _____ if there is occasional _____ updates?

_____ sporadic server-side _____ _____ do we need _____ change _____ _____?

Is it _____ to recreate _____ _____ filters _____ _____ face _____ _____ server-side updates?

_____ _____ _____ updates _____ an impact on our _____ filters?

Does server _____ _____ affect our _____ _____ _____?

_____ _____ _____ _____ recreation when there are _____ updates?

Should _____ _____ _____ changes in our filter _____ _____ _____ is _____ periodic server _____?

If _____ _____ server-side _____ will our _____ filters _____ _____ same?

Should _____ filters remain the same if _____ _____ _____ _____?

_____ _____ are _____ server-side updates, will _____ custom _____ _____ preserved?

Should _____ _____ _____ _____ _____ our filter configuration in _____ _____ server updates?

During _____ server-side updates _____ we _____ our _____ _____ rules?

In case there _____ _____ _____ _____ will our current custom _____ _____ _____?

_____ the occurrence of _____ updates _____ _____ affect _____ _____ filters?

_____ it possible that tailored _____ _____ _____ after _____ updates?

_____ _____ custom _____ _____ the same even though there _____ occasional _____ _____?

Do custom _____ _____ recreation when _____ are sporadic/server _____ _____?

_____ you recreate custom _____ _____ _____ _____ updates on _____ end?

_____ our custom filters _____ _____ be _____ _____ server updates?

_____ our filters _____ the same, even _____ _____ _____ occasional _____?

Can _____ custom _____ _____ _____ _____ sporadic updates?

Will _____ custom _____ _____ _____ there are _____ server _____ updates?

_____ _____ server side updates _____ our _____ custom _____ settings?

Will custom _____ rules not be affected _____ _____ _____ _____?

In light _____ _____ server _____ _____ do _____ _____ _____ recreate our custom filters?

Can _____ _____ of _____ _____ filter _____ be affected by _____ _____ updates?

_____ there is _____ server-side updates, _____ _____ custom filters remain _____ _____?

Does the _____ _____ server side _____ _____ our _____ filters?

_____ filters remain _____ by _____ _____?

_____ intermittent _____ _____ _____ what happens to _____ current filtering _____?

Do _____ _____ _____ to be recreated or _____ _____ _____ intact?

_____ filters _____ unaffected by rare _____ _____?

_____ _____ _____ occasionally _____ _____ will our custom filters stay the _____?

Do _____ filter rules need to _____ _____ _____ to periodic _____ _____?

_____ updates _____ _____ server side affect _____ _____ filters?

Is _____ _____ _____ _____ server-side upgrades necessitate reconfiguring or _____ our _____ _____?

_____ it _____ _____ existing filters will be _____ in _____ _____ _____ during a server _____?

_____ _____ server-side updates _____ _____ integrity _____ _____ custom filter rules?

_____ it _____ to recreate our _____ _____ any server-side _____?

Will _____ integrity of _____ custom _____ be affected _____ _____ _____ updates _____?

_____ _____ _____ _____ custom filter rules after _____ server upgrade?

If server-side _____ occur occasionally, will _____ _____ _____ _____ preserved?

Will _____ _____ filters _____ _____ _____ _____ state _____ the server is upgraded?

Will _____ _____ filters be retained _____ _____ _____ a _____ upgrade?

_____ our _____ _____ rules _____ to be recreated _____ there _____ _____ server-side updates?

Are custom filters _____ _____ _____ _____ updates?

_____ our _____ _____ rules affected by periodic _____ _____?

_____ you _____ _____ _____ _____ filters if _____ are periodic updates?

Will our filters _____ the _____ _____ occasional _____ _____?

Should _____ recreate _____ custom filters _____ _____ _____ upgrade?

Is it _____ _____ _____ filters _____ _____ intact _____ an update?

_____ we _____ any changes _____ our filter _____ _____ _____ _____ of server updates?

Will _____ updates _____ _____ _____ of _____ custom filters?

Will _____ upgrades affect _____ existing _____ _____?

Is it _____ _____ recreate _____ custom filter _____ _____ light of _____ _____?

Should _____ expect _____ changes _____ _____ _____ _____ in the _____ of periodic _____ updates?

In light of _____ _____ _____ we _____ _____ recreate our custom _____?

_____ the _____ filter rules _____ _____ if _____ _____ gets updated?

Do _____ need _____ _____ our personalized _____ _____ there _____ occasional _____ side updates?

_____ _____ _____ _____ our custom filters be affected if _____ _____ _____ occasionally?

_____ _____ of our _____ filter _____ may be _____ _____ intermittent server side _____.

Is it _____ _____ recreation _____ _____ due _____ server-side updates?

Do _____ need to change our _____ _____ _____ server-side updates _____ _____?

Do we need _____ recreate our _____ if _____ _____ occasional _____ _____?

Will _____ _____ server-side updates affect _____ current _____ _____?

_____ _____ _____ of _____ _____ filter _____ affected _____ occasional server side updates?

Is _____ continuity _____ the custom _____ _____ _____ intermittent _____ updates?

Occasionally _____ updates, _____ _____ _____ any changes to our _____ _____ rules?

_____ _____ need to modify our _____ _____ there _____ occasional server-side _____?

If occasionally there are _____ _____ _____ custom _____ be _____?

_____ customized filters be retained _____ _____ _____?

Can we _____ _____ custom _____ during the _____ _____?

Should there _____ _____ server-side _____ will the _____ _____ filters _____ affected?

Will _____ _____ _____ filtering _____ be affected _____ _____ are server-side upgrades?

_____ we need to _____ _____ custom _____ if server-side _____ occur _____?

_____ _____ _____ need _____ be recreated _____ there are sporadic/server side _____?

Can _____ expect _____ to our custom _____ _____ _____ occasional _____ side _____?

_____ there are _____ updates, _____ _____ filter rules be _____?

_____ we _____ _____ change our filters _____ _____ _____ things get _____ update every _____ _____ again?

_____ _____ custom _____ _____ to be _____ _____ do _____ remain the same?

If there are _____ server-side _____ _____ _____ _____ filter rules not _____?

When _____ updates _____ _____ we need to update _____ _____ _____ filters?

If the server _____ updated, _____ _____ filters _____ the _____?

What happens to _____ custom _____ _____ there _____ _____ server _____?

Will the custom _____ _____ the _____ _____ there _____ _____ server-side updates?

_____ server-side updates are _____ _____ custom _____ rules _____ retained?

_____ _____ to our _____ filters when _____ _____ a server-side _____?

_____ _____ necessary to recreate _____ custom filters after _____ _____ side _____?

Can _____ be _____ to the custom filters due _____ _____ _____ _____?

_____ server-side updates _____ custom _____?

_____ intermittent server-side updates impact _____ continuity _____ _____ _____ filters?

_____ sporadic _____ _____ we keep _____ _____ filters?

Will _____ _____ _____ our custom _____ _____ _____ affected by occasional _____ updates?

Can we _____ changes to _____ custom filter rules _____ _____ _____ _____?

Will our _____ _____ _____ need to _____ recreated if _____ is occasional _____ _____?

_____ server-side updates _____ the preservation _____ our _____ filter _____.

Will _____ _____ stay _____ _____ even _____ there _____ occasional server-side updates?

If the server is updated, _____ our _____ _____ rules _____ _____ _____?

Is _____ possible _____ _____ filters to _____ _____ after infrequent _____?

_____ _____ filters _____ _____ _____ played with _____ there are sporadic _____ on the _____?

If server-side _____ happen _____ _____ _____ filters _____ preserved?

_____ the server _____ to update _____ in a _____ moon, _____ _____ customfilter _____ _____?

Is _____ necessary to recreation custom _____ _____ _____ _____ on the _____?

Due _____ periodic _____ updates, _____ _____ necessary _____ _____ custom filters?

Do we need _____ _____ our _____ filters after _____ _____?

_____ _____ side _____ _____ _____ preservation of our custom filter _____.

_____ _____ to the _____ filter rules after _____ _____ updates?

_____ custom filter _____ may need _____ be _____ _____ _____ are occasional _____ updates.

Will server-side _____ _____ the integrity of _____ _____ _____?

Are the server-side _____ going to _____ _____ _____ _____?

Should _____ _____ _____ to _____ custom filters _____ case of _____ server _____?

When _____ _____ _____ occasionally, what _____ happen to _____ custom _____?

_____ the _____ decides _____ update once _____ a _____ moon, will our custom _____ _____ _____?

Can _____ tell _____ if the _____ back-end _____ will _____ _____ _____ our personalized filtering _____?

If _____ _____ server-side updates occasionally, will _____ _____ _____ _____ preserved?

_____ _____ periodic server-side updates, are _____ _____ necessary for _____?

_____ _____ custom filters _____ unaffected _____ rare server-side _____?

_____ periodic _____ updates affect _____ _____ custom _____ settings?

There _____ intermittent _____ upgrades _____ what happens _____ _____ filtering _____?

Due _____ server-side updates, is _____ _____ to _____ _____ _____ rules?

_____ _____ activity of server-side _____ affect our _____ _____?

Will you _____ _____ _____ _____ if there are periodic _____?

Do we _____ to re-create _____ _____ _____ in _____ of _____?

_____ _____ server decides to _____ once in _____ blue moon, _____ _____ _____ filter _____ survive?

_____ the _____ _____ remain if _____ are _____ server _____ updates?

_____ _____ server updates, what _____ happen _____ the _____ filters?

_____ we maintain _____ custom _____ _____ server-side _____?

_____ _____ _____ _____ updates affect our custom _____?

Do the custom ____ ____ ____ to ____ ____ if ____ updates ____ occasionally?

Do we ____ to ____ ____ filters ____ ____ result of server ____?

Do you ____ ____ ____ custom filters if there are ____ updates ____ ____ ____?

____ ____ filters be retained ____ ____ original state ____ ____ a server ____?

Will ____ server side updates ____ ____ ____ on our ____ ____?

____ ____ ____ periodic server updates, should ____ expect ____ changes to ____ ____?

____ there ____ ____ ____ will ____ custom filter rules be the ____?

Does ____ server-side ____ ____ the ____ filters?

____ ____ ____ to ____ the custom ____ after occasional server ____?

____ ____ continuity ____ our custom filters be ____ by intermittent ____ ____?

____ irregular ____ ____ ____ we recreate the custom filtering ____?

____ ____ continuity of our ____ ____ affected by ____ server-side ____?

____ our custom ____ need to ____ recreated if there ____ ____ ____ ____ ____ server?

____ there are occasional server-side ____ ____ our ____ ____ rules ____ the ____?

Do ____ ____ ____ affect our ____ filters?

____ ____ integrity of ____ custom filters be affected ____ ____ server-side ____?

____ there are server-side updates, ____ ____ ____ to ____ ____ filters?

Will ____ ____ ____ ____ an impact on ____ custom filters?

Will ____ ____ any changes to our ____ due ____ occasional ____ ____?

____ ____ updates on ____ ____ affect ____ custom filters?

____ our custom ____ ____ ____ ____ if the server ____ updated?

What ____ to ____ ____ when ____ ____ server-side updates?

____ ____ filters ____ ____ ____ recreated if there are occasional server-side ____?

____ it necessary to recreate ____ ____ ____ in light ____ periodic ____ ____?

____ there ____ ____ upgrades, will existing filters ____ ____ ____ their ____ state?

____ server-side updates can we keep ____ ____ ____ ____?

____ ____ ____ ____ see changes ____ our custom filter ____ ____ to occasional ____ updates?

____ our custom ____ survive when the server ____ once ____ ____ ____ ____?

____ server-side ____ change our ____?

____ the filters be retained in ____ original ____ if ____ ____ ____ ____?

If server ____ ____ occur ____ ____ custom ____ be preserved?

If ____ ____ ____ server-side updates, ____ our custom filters ____ ____ same?

____ there are periodic ____ ____ ____ we ____ changes to ____ filters?

Will ____ upgrades ____ ____ existing custom ____?

____ custom ____ ____ unaffected ____ rare ____ updates?

Is it necessary to update ____ ____ ____ personalized ____ ____ ____ there are sporadic ____ ____?

____ we need to recreate ____ ____ filters ____ the ____ ____ updates ____?

Will ____ server ____ ____ affect our ____ ____ settings?

Should ____ be ____ server-side updates, ____ our ____ ____ settings be ____?

____ we need ____ ____ ____ custom filters ____ light of ____ updates?

If ____ ____ ____ ____ updates, will the custom filters stay ____ ____?

____ there are ____ ____ on ____ server, ____ custom ____ be preserved?

____ periodic ____ ____ affect the ____ ____ our filters?

____ our custom ____ remain the same ____ there ____ occasional ____ ____?

Do ____ ____ filters ____ to ____ ____ if ____ are ____ updates on the server ____?

If ____ is ____ server upgrade, ____ ____ filters ____ ____ their ____ state?

____ ____ updates change ____ custom ____?

How ____ ____ ____ filters ____ ____ by server updates?

____ it possible ____ retain my ____ filters ____ ____ updates?

Do we ____ to ____ ____ ____ ____ personalized ____ settings when there ____ ____ server-side updates?

Do ____ ____ ____ need ____ ____ ____ ____ the light of periodic updates?

____ custom filter ____ ____ ____ rare ____ updates?

____ ____ expect changes to the ____ filters ____ to ____ ____ updates?

____ ____ custom rules ____ the ____ ____ the server ____ updated?

Will ____ continuity of ____ ____ rules ____ ____ by intermittent ____ updates?

Will our ____ ____ stay the ____ ____ ____ are ____ server updates?

When we get server updates, what ____ ____ ____ ____ ____ ?

____ the server-side updates ____ ____ custom ____ ?

Will our ____ filters stay ____ ____ ____ ____ there are occasional ____ on ____ ____ ?

____ ____ ____ be ____ ____ ____ original state when ____ server is upgraded frequently?

____ ____ necessary ____ recreate our custom ____ in the ____ of periodic ____ ____ ?

____ ____ custom filter rules need ____ ____ recreated ____ there ____ occasional ____ updates?

Do server ____ ____ ____ ____ ____ of custom filters?

Do we ____ ____ ____ our ____ if ____ are server-side updates ____ ?

Can ____ ____ to see ____ ____ ____ custom filter rules due to ____ ____ ?

____ ____ ____ be preserved ____ occasional updates ____ ?

____ customized ____ need ____ ____ recreations when there ____ ____ updates?

____ ____ custom filters ____ ____ be ____ ____ ____ are occasionally server-side updates?

Will our ____ ____ rules survive ____ ____ server ____ ?

____ ____ ____ occasional ____ updates ____ affect our current custom ____ ?

If ____ ____ occasional server side ____ will ____ custom filter rules ____ ____ ____ ?

Will ____ ____ ____ changes to our ____ ____ ____ to server-side updates?

Will the ____ of our established custom filter ____ ____ ____ ____ ____ side ____ ?

____ we ____ ____ change ____ custom ____ rules after a ____ update?

____ the ____ of the ____ ____ rules ____ ____ by intermittent ____ side updates?

In case ____ ____ server-side updates, will our ____ ____ ____ settings ____ ____ ?
