[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Electronics and Technology Retailers
Inquiry Category	Product specifications and compatibility questions
Inquiry Sub-Category	Wireless connectivity options
Description	Customers inquire about the wireless connectivity options available for a product, such as Wi-Fi, Bluetooth, NFC, or compatibility with cellular networks, to understand how they can connect and use the device wirelessly.
Data Size	5,062 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)

_____ type of _____ protocols _____ the router support _____ order _____ my _____ _____?

Does the _____ _____ _____ _____ _____ keep _____ wireless net safe?

I'm _____ _____ _____ routers _____ security protocols _____ keep _____ network safe.

_____ the _____ _____ security protocols _____ _____ network?

_____ _____ router support security _____ to protect my _____ _____?

Is this _____ _____ _____ _____ security standards to _____ one's _____ wi-fi?

_____ _____ _____ adhere to _____ proper security procedures _____ _____ wireless network?

I am _____ if the routers _____ _____ protocols _____ _____ _____ network.

I need to know _____ _____ _____ _____ _____ protected by security protocols _____ _____ _____.

I _____ wondering if _____ routers _____ security _____ so _____ wireless network is _____ _____ _____ _____.

Is this _____ following _____ _____ _____ to _____ one's personal _____?

What _____ the security protocols the _____ give _____ _____ _____ _____?

_____ _____ if the _____ _____ security protocols _____ keep _____ wireless _____ free _____ threats.

What _____ _____ security measures are there for the wireless _____ _____ _____ _____ _____ _____?

Is my _____ _____ _____ from the kind of _____ _____ _____ _____ my routers?

I'm _____ _____ _____ router supports _____ _____ to keep _____ device protected.

The security _____ _____ _____ router sticks _____ for _____ one's _____ _____ device?

Is _____ _____ _____ _____ in _____ routers that _____ good for _____ safety _____ my connecting to a _____ _____?

_____ this _____ have security _____ to _____ my _____ network?

_____ _____ to _____ if my wireless network is protected by _____ _____ _____ _____ _____ supports.

_____ don't know _____ security _____ that _____ routers offers for _____ _____ _____.

_____ security protocols that _____ router gives _____ my wireless _____ _____ _____ _____.

_____ need to know _____ _____ security protocols in my _____ safeguarded _____ _____ _____.

Does this _____ _____ _____ security practices _____ protect my _____ _____?

_____ _____ _____ to know _____ types of _____ _____ offered by _____ router?

_____ the thing _____ proper _____ measures _____ _____ my wireless _____?

_____ _____ of security _____ _____ _____ for _____ _____ network if _____ purchase this Router?

_____ the router have _____ _____ wireless _____?

_____ need _____ know if the _____ _____ in my _____ _____ mynetwork.

Do the _____ _____ _____ place by thisrouter _____ _____ secure wireless _____.

_____ _____ protocols _____ router _____ for my _____ _____ is _____ known at this _____.

_____ _____ protocols _____ offered _____ _____ router for my network?

_____ types of security measures are _____ _____ _____ _____ network _____ _____ buy a _____?

Is _____ _____ _____ protected by the _____ _____ supported by _____ routers?

_____ _____ _____ _____ _____ features this _____ has to make it harder to steal my _____ _____ _____.

I would _____ to know _____ the routers supports _____ protocols to _____ _____ _____ _____ _____ being _____ with.

Does _____ Router support security _____ _____ _____ _____ my _____ Network safe?

_____ _____ _____ if the _____ offers security _____ _____ keep my _____ safe.

_____ curious _____ _____ what specific _____ _____ _____ has _____ help secure my internet _____.

I'm curious _____ _____ what _____ the _____ has to make it _____ to _____ _____ wi _____ _____.

I _____ _____ _____ _____ routers supports _____ security protocols that keep _____ _____ _____ safe.

_____ want _____ know _____ the security protocols _____ _____ offers for my _____ _____.

Is _____ _____ network protected by the sorts _____ security _____ _____ by _____ _____?

I need _____ _____ if _____ _____ _____ in my _____ safeguarded the _____.

_____ the wireless network be _____ by using _____ protocols _____ _____ _____?

Which security _____ that _____ routers _____ for _____ _____ network are _____ _____ in?

What _____ protocols _____ _____ _____ offer for _____ wireless network?

What kind of _____ measures _____ _____ _____ _____ _____ my _____ network _____ I _____ this Router?

_____ the security standards put _____ _____ _____ this router _____ a _____ _____ network?

_____ _____ _____ _____ the security protocols the routers offers _____ _____ wireless _____.

_____ am wondering _____ the routers supports _____ _____ to _____ _____ _____ _____ being attacked

Can _____ _____ network be _____ by _____ kind _____ security protocols _____ _____ _____ routers?

Do security _____ for thisrouter _____ _____ secure personal _____ _____?

_____ _____ thing have any security _____ to _____ protect _____ wireless _____?

I _____ _____ if the routers _____ security _____ _____ _____ _____ _____ out of danger.

I'm curious _____ _____ this routers _____ to make _____ harder _____ _____ my _____ fi _____.

_____ _____ _____ _____ protected against _____ kinds of security protocols _____ _____ supports?

_____ this _____ have _____ to protect my _____ _____?

_____ it _____ proper _____ methods to _____ _____ wireless network?

_____ _____ _____ _____ protected by _____ type _____ security _____ the Router supports?

I want _____ _____ if _____ _____ protocols in _____ _____ safeguarded my _____.

Do the _____ standards that are _____ _____ _____ thisrouter protect a _____ _____ _____?

I _____ if _____ _____ supports _____ protocols to keep my _____ _____ _____.

_____ my _____ _____ protected by _____ security protocols _____ _____ the routers?

Is my _____ _____ _____ by the kinds of _____ _____ _____ _____ routers?

_____ _____ like to know if there are _____ _____ _____ _____ by _____ _____ _____ protecting my network.

_____ _____ to _____ if the _____ protocols in _____ routers protect _____ _____

Does this thing _____ _____ right _____ practices _____ my _____ _____?

Can the _____ _____ be protected _____ security _____ _____ the _____?

_____ wondering _____ the routers _____ security protocols _____ keep my network _____ _____ _____.

Is _____ wireless network protected _____ security _____ the _____ _____?

_____ am curious _____ the _____ _____ security _____ _____ _____ _____ wireless _____ free of security threats.

_____ wondering _____ _____ _____ has _____ protocols to _____ my wireless _____ free _____ interference.

Is the security _____ _____ _____ router sticks to for _____ _____ _____ wireless _____?

_____ the _____ standards _____ _____ _____ thisrouter guarantee a _____ _____ wireless network?

_____ security protocols are _____ _____ _____ _____ for my wireless _____?

_____ _____ _____ _____ _____ features _____ the router are _____ _____ protect my internet environment.

_____ am wondering if _____ routers _____ _____ _____ _____ keep my network _____.

_____ it _____ the proper security practices _____ _____ my _____ _____ safe?

What protocols _____ supported by _____ _____ for _____ _____?

_____ _____ _____ specific-security _____ to _____ one's personal wi-fi?

_____ am wondering _____ _____ routers supports _____ protocols _____ _____ my wireless _____ free _____ security _____.

_____ _____ to _____ if the _____ protocols in _____ router _____ _____ network.

_____ my _____ _____ protected _____ the _____ of _____ protocols the _____ supports?

_____ _____ _____ _____ the _____ supports security protocols to _____ my Wireless _____ protected.

I need to know _____ _____ _____ protocol _____ _____ _____ _____ my network.

_____ my wireless _____ protected _____ the kind _____ _____ protocols supported by _____ _____.

_____ _____ if the _____ _____ security protocols to _____ my wireless _____ free _____ _____.

_____ _____ thing _____ _____ security methods _____ protect the wireless _____?

Is _____ _____ protected by the security _____ _____ _____ _____ supports?

_____ _____ security standards that this _____ sticks _____ _____ protecting one's _____ _____?

_____ _____ wireless network protected by _____ _____ of _____ _____ _____ by my routers

Is _____ _____ _____ protected by the _____ of _____ _____ that my _____ supports?

_____ _____ Router support _____ protocols _____ will protect _____ _____ network?

In _____ _____ protect my _____ network, what type _____ _____ _____ does _____ Router _____?

_____ _____ _____ _____ protocols that my router _____ for my wireless _____?

_____ am _____ if the security protocols _____ the routers _____ _____ _____ wireless _____ from _____ _____.

_____ am curious as to what _____ this _____ provides _____ _____ it _____ to steal _____ wi _____ _____.

I want _____ _____ if _____ routers _____ security protocols to _____ my _____ _____ _____.

The _____ _____ _____ the _____ offers _____ my _____ network, or something _____ is not _____ at _____ moment.

Is my _____ network _____ by _____ _____ of _____ supported by _____ _____?

_____ _____ _____ the router offers _____ my wireless _____ is _____ _____ want?

What _____ _____ do the _____ offer for _____ _____?

_____ this thing _____ _____ _____ to _____ my wireless network?

_____ _____ _____ standards in place by this router _____ a _____ _____ wireless _____?

Do my wireless _____ _____ any _____ protocols _____ the router _____ _____ _____?

I _____ to _____ _____ _____ _____ are in _____ _____ protect my wireless network _____ I buy this _____.

_____ _____ thing _____ _____ _____ for the wireless network?

_____ _____ _____ _____ _____ supports security protocols to _____ my _____ _____ free from security threats.

_____ _____ wireless networks _____ _____ protocols that the _____ can _____ _____ with?

Does the router allow _____ _____ protocols _____ _____ wireless _____?

What protocols _____ the _____ _____ _____?

_____ am wondering _____ _____ _____ has security _____ for _____ network.

I need _____ know _____ _____ security protocols _____ _____ _____ protect _____ wireless network.

_____ _____ Router _____ security protocols that can keep my _____ _____ _____?

_____ _____ _____ _____ protocol _____ the _____ that will _____ the wireless connection?

Do _____ wireless networks have _____ protocols that _____ routers _____ help _____ _____ _____?

What _____ of _____ measures _____ included _____ _____ wireless network _____ I _____ _____ Router?

Is _____ a security protocol in _____ router that is _____ for _____ _____ _____ _____ _____ _____ _____ wireless network?

Is _____ _____ _____ protected by _____ kinds of _____ protocols supported by _____ _____?

Does _____ _____ support security protocols _____ _____ _____ _____ Wireless Network safe?

_____ _____ if _____ router _____ _____ protocols to keep _____ network safe.

I _____ wondering _____ the _____ _____ security _____ to keep _____ _____ safe.

_____ _____ the security measures _____ are _____ _____ for _____ _____ _____ if I buy a _____?

_____ am _____ if _____ routers _____ _____ protocols _____ keep _____ wireless network out _____ danger.

Do _____ security _____ _____ _____ _____ by thisrouter guarantee _____ _____ personal wireless network?

_____ am _____ _____ _____ _____ supports _____ _____ to keep the network _____ being hacked.

I need to know _____ _____ _____ protocols _____ _____ router _____ _____ wireless network.

Is _____ network _____ _____ _____ security protocols supported by _____ _____?

_____ protocols _____ security _____ on the _____?

What should I _____ _____ the _____ _____ _____ _____ _____ offers for my wireless _____?

Is _____ _____ security protocol _____ is good _____ the safety _____ _____ to a wireless _____ in _____ _____?

I'm wondering if the routers _____ _____ protocols _____ _____ _____ _____ secure.

_____ my wireless network protected _____ _____ _____ _____ security _____ that _____ router supports?

Can the _____ network be protected _____ _____ _____ _____ _____ router?

_____ _____ if _____ routers supports security protocols to _____ _____ _____ from _____ hacked.

_____ my _____ _____ _____ by _____ type of security _____ supported by _____ routers?

_____ am wondering if _____ _____ _____ security _____ to keep my wireless _____ _____.

Does _____ ROUTER _____ any _____ _____ for my _____?

Does _____ _____ to specific _____ _____ that _____ one's personal _____ security?

Do _____ _____ standards _____ _____ _____ _____ by thisrouter guarantee a _____ wireless network?

Does the _____ support _____ proper _____ practices _____ keep _____ _____ _____ safe?

I _____ _____ _____ _____ _____ _____ on the routers keep my _____ network safe.

I _____ to know _____ _____ this router _____ _____ _____ help _____ secure my _____ environment.

_____ _____ router offer _____ security _____ _____ protect my _____ network?

_____ _____ _____ _____ the Router gives _____ my wireless network _____ _____ known at _____ time.

_____ are the _____ _____ _____ the _____ provides for my _____ network?

_____ _____ _____ the router offers _____ my wireless _____ _____ not known at _____ _____.

I am _____ what security _____ on the routers _____ help _____ _____ _____ _____.

_____ security protocols the _____ offers _____ my _____ network _____ something _____ _____ interested _____?

_____ _____ what features thisRouter provides _____ _____ _____ _____ to _____ _____ wi fi password.

Does this thing support _____ _____ _____ protect _____ _____ network?

Is my wireless network protected _____ the _____ _____ security _____ _____ the _____ _____?

_____ _____ thing back _____ security _____ to _____ my _____ network?

I am wondering if the _____ _____ _____ protocols to _____ my _____ _____ _____ _____ attacked.

_____ it _____ security protocols _____ protect my _____ _____?

_____ you _____ this _____ _____ _____ _____ measures for my wireless network?

_____ _____ _____ _____ protocols _____ Router provides for _____ wireless network?

_____ security _____ _____ router offers for _____ wireless network is _____ _____ the _____.

_____ _____ _____ _____ _____ routers will _____ _____ protocols to keep _____ network from being hacked.

_____ security measures _____ _____ _____ the wireless _____ if I _____ a _____?

Does the Router _____ _____ protocols _____ will _____ _____ _____ safe?

_____ am _____ _____ _____ _____ security protocols that _____ routers offers for _____ _____ network.

The _____ _____ _____ _____ Router offers _____ my Wireless Network are _____.

_____ my wireless network protected _____ _____ kinds _____ _____ protocols _____ the routers _____?

I _____ _____ what _____ security features on this router _____ _____ _____ protect _____ internet _____.

_____ _____ thing back _____ right security _____ _____ _____ my wireless network?

I'm _____ _____ features this router _____ to make _____ _____ to _____ my wi _____ _____

I don't _____ _____ _____ routers supports security _____ to keep _____ _____ _____ free _____ interference.

Is my _____ network protected by _____ security _____ _____ by _____ _____.

_____ _____ Router support security _____ which _____ _____ my network _____?

Does _____ _____ support _____ _____ _____ for the network?

What _____ _____ security _____ theRouter _____ for _____ network?

_____ _____ wondering if _____ _____ supported _____ _____ to keep my device _____.

Does _____ router _____ security _____ _____ my _____?

_____ there _____ _____ for wireless _____ in the _____?

_____ _____ if _____ _____ supports security _____ _____ prevent my network from _____ attacked.

I am _____ if the _____ _____ _____ _____ to _____ my network _____ _____ security threats.

What ____ ____ security ____ are in ____ for the ____ network ____ I ____ ____ router?

I wonder ____ ____ routers support security ____ ____ ____ ____ ____ network safe.

____ ____ ____ ____ ____ device ____ security ____ to keep my wireless network ____ of danger.

Is my ____ ____ protected ____ the kind of security ____ ____ ____ ____?

____ ____ ____ if ____ ____ ____ security protocols to keep my ____ out of ____.

The ____ protocols the router ____ ____ ____ wireless network, what ____ be ____ to ____ ____?

Which ____ ____ ____ wi-fi ____ are on ____ router?

I ____ to ____ out ____ the security ____ in ____ ____ ____ my ____ network.

The security ____ ____ ____ router ____ for ____ network ____ unknown.

Does thisrouter ____ ____ certain security ____ ____ protect one's personal ____ ____?

Is ____ security ____ that this ____ sticks to ____ ____ ____ ____ wireless device?

Does ____ ____ ____ security ____ for my ____ network?

Does this ____ have ____ ____ to protect ____ ____ net?

____ it ____ security measures ____ ____ my ____ network?

____ it possible ____ ____ ____ wireless ____ using ____ protocols on ____ router?

Does ____ thing back ____ security ____ ____ ____ my wireless ____?

____ my ____ network protected by ____ ____ ____ security protocols ____ by ____ Router?

Does ____ ____ ____ the ____ security methods to ____ ____ wireless network?

I ____ to know ____ the ____ ____ security protocols ____ keep ____ ____ ____ being hacked.

I ____ to know ____ ____ ____ ____ ____ my ____ safeguard the Wireless network.

What ____ protocols ____ router ____ ____ my wireless ____ ____ we ____ in?

____ ____ about ____ features that the ____ provides ____ ____ ____ harder to ____ ____ wi fi password.

Does ____ ____ ____ ____ ____ to protect my wireless net?

____ ____ security standards in ____ ____ ____ allow for ____ secure ____ network?

I was ____ ____ the routers supports ____ protocols ____ ____ ____ network from ____ ____.

____ ____ of ____ measures ____ available for ____ ____ network ____ I purchase ____ router?

Is ____ ____ security ____ in the ____ ____ ____ good for my ____ connection?

Is there a security ____ ____ ____ router ____ will work ____ ____ ____ connection?

I ____ curious what ____ this router has to ____ ____ harder ____ ____ ____ ____ fi ____

I am ____ ____ ____ ____ features ____ ____ router can keep ____ out of ____ with ____ wireless network.

____ my wireless ____ protected ____ the ____ ____ ____ routers support?

I ____ wondering if the ____ supports ____ ____ ____ my ____.

Does the ____ ____ ____ security protocols for my ____ ____?

Does ____ ____ have ____ ____ to ____ my wireless net ____?

Does ____ adhere to specific ____ standards ____ ____ one's ____ wi-fi ____?

What ____ the security ____ ____ ____ Router ____ for ____ network?

____ security ____ that the ____ ____ for my wireless ____ ____ ____ at this ____.

Does ____ ____ standards that are ____ ____ by ____ router ____ a ____ personal ____ network?

Does the thing back the proper ____ ____ ____ ____ ____ ____?

____ ____ wondering if my ____ supports security ____ ____ my wireless ____.

I want to know ____ ____ measures are ____ place ____ ____ ____ ____ network ____ I purchase ____ routers.

Is there a ____ ____ that ____ ____ for ____ ____ connection ____ this router?

Does the router ____ ____ security ____ ____ the ____?

Do ____ security ____ in place ____ thisrouter ____ a ____ ____ network?

Is ____ ____ ____ ____ from the kind of ____ protocols the ____ ____?

Does ____ ____ allow ____ protocols for ____ ____?

Is ____ bound by ____ ____ standards ____ ____ ____ personal wi-fi?

____ wondering ____ ____ ____ supports ____ protocols ____ ____ my network from being hacked.

____ ____ wondering what the security ____ on ____ ____ are that ____ ____ ____ environment.

I ____ ____ know ____ the ____ protocols ____ my ____ ____ protect ____ wireless network.

____ ____ ____ ____ ____ the router's safety measures.

Is ____ router ____ specific-security ____ ____ ____ one's ____ wi-fi security?

Does ____ thing ____ ____ ____ security practices ____ my ____ network?

Does ____ Router support security protocols ____ ____ ____ ____ Network?

Is ____ ____ network ____ ____ any ____ the ____ ____ the routers supports?

What ____ ____ ____ Router offers for my ____ ____?

____ ____ thing have any ____ methods to ____ ____ ____ network?

Does the routers ____ ____ ____ ____ ____ protect my wireless ____?

____ the ____ ____ ____ this Router ____ ____ for protecting ____ wireless device?

____ ____ protocols that the ____ ____ for ____ wireless network ____ ____ ____ this time.

I am wondering if ____ ____ ____ security ____ to keep my wireless ____ ____ ____ ____ ____.

What are the types ____ security measures ____ ____ wireless network ____ ____ if ____ ____ ____ ____?

____ protocols ____ ____ ____ theRouter for ____ protection?

____ my ____ networks ____ any security ____ that ____ ____ can ____ me use?

____ ____ wondering ____ the routers has security ____ to ____ my ____ network ____ ____ danger.

____ security ____ that ____ ____ offers for ____ wireless network is ____ ____ I ____ ____ of.

____ ____ wondering ____ the routers supports ____ protocols ____ prevent my ____ from ____ interfered ____

____ thisrouter following ____ security standards ____ fortify ____ ____ wi-fi ____?

I'm curious to ____ ____ features ____ ____ has ____ will ____ ____ harder to steal ____ ____ fi password.

Is ____ a ____ protocol ____ ____ routers ____ ____ for ____ wireless connection?

Is my wireless ____ protected by ____ ____ ____ ____ ____ supported by my ____.

Are my wireless ____ ____ by ____ security ____ supported by ____ ____?

____ it ____ to secure ____ ____ network with ____ router's security ____?

What kinds ____ ____ ____ are ____ ____ ____ the wireless network ____ ____ buy this Router?

____ wonder if ____ ____ ____ security ____ to keep my network ____.

____ want to know if there ____ any ____ ____ ____ ____ ____ routers ____ protecting ____ network.

The ____ ____ ____ the ____ gives for my ____ network ____ ____ known ____ this time.

____ my wireless network ____ from ____ ____ of ____ ____ supported by my ____?

____ ____ to ____ my ____ ____ what types ____ security ____ do ____ routers support?

Does ____ router ____ ____ protocols ____ my wireless ____?

What ____ ____ ____ they ____ for my ____ network?

I ____ to ____ if ____ are any security ____ in place ____ ____ ____ wireless ____ if ____ purchase this ____.

Do the ____ protocols ____ ____ ____ ____ my wireless network ____?

____ the ____ back any ____ ____ to ____ my ____ network?

____ ____ sure ____ the ____ supports security protocols to keep ____ ____ ____ of ____.

____ ____ ____ to specific-security standards to fortify one's ____ ____?

Does ____ ____ network ____ ____ ____ of ____ protocols ____ by my router?

I ____ ____ know if there ____ ____ protocols that are ____ ____ my ____ ____.

Which ____ ____ ____ ____ ____ by the Router?

I ____ like to know ____ the ____ ____ security protocols to ____ my ____ ____ ____ ____ hacked.

____ am curious as to what the security ____ ____ this ____ ____ that would ____ protect ____ ____ ____.

Is ____ wireless network ____ by the security protocols ____ ____ ____ ____.

____ need to know ____ ____ protocols are used for ____ ____ ____

____ ____ ____ ____ what the security ____ ____ Router provides ____ me to use ____ ____ my?

____ are the security ____ ____ will ____ in place ____ ____ wireless network if ____ ____ this ____?

I ____ ____ ____ know if ____ routers supports ____ protocols to ____ ____ ____ from being ____.

I am ____ if ____ routers ____ ____ ____ to ____ ____ network ____ being disrupted.

____ ____ if ____ routers ____ security protocols ____ keep the ____ safe.

____ are the security ____ ____ the ____ offers ____ my ____?

____ ____ ____ find out if ____ security ____ in my ____ protected ____ network.

____ ____ ____ features ____ ____ ____ to _____ it harder to steal my wi ____ password.

What ____ does the ____ ____ ____ network ____?

Can ____ ____ me ____ the ____ measures that the Router ____ ____ ____ to ____?

What are ____ provisions ____ wireless ____ ____ ____ router?

____ is the ____ protocols ____ the router ____ ____ ____ wireless network?

Does ____ ____ back ____ security ____ ____ to keep ____ wireless ____ safe?

Does ____ ____ ____ ____ protocols that would ____ my ____ ____ to be protected?

Which wireless ____ ____ do the ____ ____?

Does the ____ ____ security protocols ____ ____ ____ wireless network?

If ____ security ____ in ____ routers safeguard ____ ____ network, ____ need to ____.

The ____ protocols the ____ ____ ____ my wireless network ____ ____ at ____ time.

____ wondering ____ the router ____ security protocols to keep ____ ____ ____ being ____.

____ the router ____ security ____ on ____ ____?

What are ____ safety ____ ____ router offers for ____ ____?

____ am wondering ____ the routers ____ ____ protocols to ____ ____ wireless device ____.

____ ____ if the routers supports ____ ____ ____ keep my network ____

Does my ____ ____ ____ protocols ____ keep my network ____?

I am ____ if ____ routers ____ ____ protocols to ____ ____ network.

____ ____ standards that are ____ place ____ ____ do they guarantee ____ ____ ____ network?

I ____ like ____ know if ____ ____ any ____ measures provided by ____ ____ ____ protecting ____ network.

____ ____ ____ ____ any security methods ____ ____ my wireless network?

I wonder ____ ____ routers has ____ ____ to ____ ____ network safe.

Is ____ wireless network protected ____ the type ____ security protocols ____ ____ ____ ____?

I am ____ if ____ ____ support ____ ____ to keep my ____ ____ being ____ with.

I am wondering ____ ____ ____ ____ ____ protocols to ____ my wireless device ____.

____ ____ security ____ ____ the router ____ ____ for protecting personal wireless ____?

I ____ wondering if ____ router ____ ____ ____ ____ ____ my wireless network ____ ____ security threats.

Is ____ wireless network protected ____ ____ kind ____ security ____ ____ ____ supports.

____ ____ security ____ that ____ ____ ____ ____ thisrouter guarantee a secure wireless network?

I ____ wondering ____ ____ features ____ ____ routers help ____ ____ out ____ ____ with my wireless network.

____ ____ ____ the routers ____ ____ my wireless network ____ unknown.

____ ____ if the ____ supports security ____ ____ ____ my network.

____ ____ tell you ____ my wireless network ____ ____ by the ____ protocols ____ router ____?

____ ____ wondering if ____ ____ supports ____ protocols so I can ____ ____ ____ network ____ of security threats.

____ security ____ ____ ____ offers for my ____ ____ is what we are ____ ____.

Does ____ ____ standards in ____ by ____ ____ a secured ____ wireless ____?

____ don't ____ the types ____ secure protocol ____ ____ ____ router.

____ this ____ have security protocols ____ protect ____ ____?

____ this thing ____ ____ security ____ protect ____ wireless network?

Is ____ security ____ that this router sticks ____ to ____ ____ ____ ____?

____ ____ back ____ proper security practices to ____ my ____ ____ safe?

Which security protocols the ____ ____ ____ ____ wireless network is something ____ ____ ____?

The security ____ the router gives for my ____ network ____ ____ something ____ ____ ____ ____.

Is ____ ____ ____ that ____ Router sticks ____ for ____ Private wi-fi?

What protocols ____ security ____ ____ the ____?

Is ____ ____ ____ protected by the kind ____ ____ protocols ____ by my ____?

I am wondering ____ the ____ ____ ____ protocols ____ ____ ____ network free ____ attacks.

Does ____ router allow ____ ____ ____ my ____?

____ security ____ ____ ____ offers ____ ____ wireless network are not known.

____ am ____ ____ ____ ____ ____ security protocols to ____ my wireless ____ from being hacked

Does _____ router allow any _____ protocols _____ _____ _____ network?

_____ the security standards that _____ _____ place by _____ _____ a secure _____ _____?

I _____ _____ if the _____ _____ _____ protocols _____ _____ my wireless _____ free of interference.

_____ _____ security standards in _____ _____ _____ ensure a secure _____ network?

Does the _____ back _____ right _____ _____ to _____ _____ wireless network _____?

Does _____ security standards _____ _____ _____ _____ guarantee _____ secure _____ wireless network?

I _____ wondering if _____ security protocols _____ _____ routers _____ _____ my _____ _____ from being _____ with.

Are _____ _____ standards that _____ router sticks _____ for _____ _____ private _____?

_____ security protocols the _____ _____ for my _____ network _____ _____ something I _____ sure _____.

_____ thisrouter _____ by _____ standards to _____ _____ personal wi-fi?

_____ am not _____ what _____ _____ protocols _____ the routers offers for _____ wireless _____ _____.

What _____ the security protocols that _____ _____ _____ _____ _____ network?

_____ am _____ if _____ security _____ on this routers help me _____ _____ _____ trouble _____ _____ wireless network

Does _____ _____ _____ security protocols that will _____ _____ network _____?

I am wondering if _____ _____ supports _____ _____ _____ my _____ network _____ _____ in danger.

I _____ _____ if the _____ has _____ protocols _____ keep my _____ device _____.

I'm curious if the routers _____ _____ protocols _____ _____ _____ _____ _____ from being _____.

_____ _____ a _____ _____ _____ the wireless network _____ _____ security protocols on _____ routers?

The security _____ that _____ _____ _____ for _____ _____ _____ is not known at _____ moment.

_____ _____ _____ security measures _____ found on _____ wireless _____ _____ I purchase _____ Router?

What _____ of _____ measures _____ _____ place _____ _____ wireless _____ _____ I purchase this Router?

_____ _____ _____ know if the _____ _____ in my routers protect _____ Wireless _____.

Does the _____ _____ _____ _____ to protect _____ net?

I _____ _____ _____ _____ _____ are security protocols _____ for my _____ network.

I'm _____ sure if the _____ _____ _____ _____ to _____ my wireless _____ free _____ security _____.

_____ my _____ network protected _____ any _____ the security _____ that _____ _____ supports?

_____ _____ thing back any _____ _____ _____ guard my _____ network?

_____ _____ _____ the features _____ _____ router has _____ help _____ my internet environment.

The security _____ that _____ router _____ to _____ _____ _____ wi-fi?

_____ am wondering if _____ routers _____ security _____ to _____ _____ _____ network _____ of danger.

_____ the _____ allow any security _____ _____ _____ network?

_____ don't _____ _____ _____ routers supports _____ protocols to _____ _____ wireless network out _____ danger.

I _____ _____ _____ _____ routers supports security protocols _____ _____ my wireless _____ free of _____.

_____ the _____ support security _____ that _____ help _____ my Wireless _____ _____?

Which _____ protocols do _____ routers _____ to _____ _____ network?

Is the security standards that _____ Router sticks _____ _____ _____ _____ _____ wireless _____?

I _____ _____ know if _____ protocols _____ used for _____ _____ network.

_____ am _____ _____ the security _____ _____ this _____ are that help protect _____ internet _____.

Do _____ security protocols supported by _____ _____ _____ _____ _____ Network protected?

_____ _____ curious if _____ _____ _____ security protocols to keep my wireless _____ _____ of _____.

I _____ _____ know _____ _____ are _____ _____ measures _____ by _____ router for protecting my _____.

_____ curious if _____ routers supports security _____ _____ keep _____ network _____ being _____ _____.

I _____ to _____ _____ the _____ supports security protocols _____ keep _____ _____ out of _____.

What _____ _____ security measures _____ _____ place for _____ _____ network _____ I purchase _____ router?

Which _____ _____ is offered by the _____ _____ _____ network?

What _____ the _____ _____ _____ _____ routers _____ for my wireless network?

I am _____ if _____ routers _____ security _____ to _____ the _____ _____ _____ danger.

_____ the _____ standards _____ this routers _____ _____ _____ that _____ private wi-fi _____ protected?

The wireless _____ might be protected _____ _____ _____ protocols on _____ _____.

Does the _____ allow _____ protocols _____ _____ my _____ protected?

Does this thing ____ ____ ____ security ____ for ____ wireless ____?

I ____ ____ ____ ____ routers supports security protocols ____ ____ my network ____ from ____ hacked.

____ am ____ ____ ____ ____ routers has to make it harder to steal ____ ____ ____ ____.

What ____ ____ ____ measures are ____ for the wireless ____ ____ ____ purchase ____ Router?

____ ____ ____ if ____ ____ supports security protocols to ____ ____ wireless network safe.

I'm curious ____ ____ ____ ____ ____ protocols ____ ____ my network ____ of security threats.

____ ____ router ____ security protocols ____ keep ____ network protected?

____ ____ ____ ____ protection does the router ____?

I ____ wondering if the ____ protocols on ____ ____ ____ ____ my ____ network ____.

____ ____ wondering ____ ____ routers supports ____ protocols ____ ____ my wireless network safe.

What ____ the security ____ the routers provides ____ ____ ____?

What security protocols do the ____ ____ ____ ____ wireless ____?

____ ____ protocols ____ ____ the router?

____ ____ wireless ____ protected by the ____ ____ security protocols ____ ____ router supports?

____ ____ wondering if the Router supports ____ ____ to ____ ____ network free ____ ____.

____ ____ thing ____ ____ ____ security methods to protect my ____ network?

____ am wondering whether the routers ____ security ____ ____ ____ ____ ____ protected.

I ____ ____ know if the security ____ in my ____ ____ ____ ____.

____ need ____ know if the ____ ____ in ____ routers ____ the ____.

____ my ____ protected by the ____ ____ ____ ____ supported ____ my router?

____ wondering ____ ____ ____ supports security protocols ____ prevent ____ wireless network ____ ____ hacked.

____ do not know ____ ____ ____ protocols in ____ routers safeguard ____ wireless ____.

I ____ ____ ____ ____ router ____ ____ protocols to keep my network ____.

I'm curious ____ to ____ the ____ features ____ this routers ____ that would ____ ____ my ____ ____.

I ____ ____ what the security features on ____ routers help me ____ ____ of ____ ____ ____ ____ network.

____ security protocols ____ ____ ____ ____ wireless network?

Is my wireless network ____ by ____ different security ____ ____ ____ ____ ____?

____ my ____ ____ protected by ____ ____ ____ supported by my router?

____ ____ ____ support ____ protocols ____ keep the wireless ____ protected?

I ____ curious if the router supports security ____ ____ ____ ____ ____ network ____ of ____ ____.

____ wondering if ____ ____ supports ____ ____ ____ ____ my network out of danger.

Does this router ____ to ____ ____ ____ to ____ one's ____ ____ security?

Does ____ ____ any proper ____ methods for my ____ ____?

Is my network protected ____ ____ ____ protocols ____ ____ supports?

____ security ____ are there ____ the ____ network ____ I buy ____ ____?

I'm wondering if ____ router supports ____ ____ ____ keep ____ ____ ____ ____ of danger.

The ____ ____ ____ the router ____ ____ ____ ____ network are not known.

I need ____ ____ ____ ____ ____ ____ of my routers protect ____ network.

"Do ____ ____ support proper ____ measures ____ guard ____ ____ network? "

Which ____ ____ is compatible ____ ____ router?

____ ____ of ____ measures are there ____ ____ wireless ____ if I purchase ____ ____?

I am wondering ____ ____ ____ ____ security ____ to keep ____ network ____ of ____ threats.

____ my ____ network protected ____ ____ kind of security ____ ____ by my ____?

Which ____ ____ ____ ____ the router?

Does the ____ ____ ____ ____ to keep ____ ____ Network protected?

____ ____ adhering ____ ____ security standards to fortify ____ personal wi-fi ____?

I ____ wondering ____ ____ ____ supports the ____ protocols ____ ____ my network safe.

____ wondering if the Router ____ ____ ____ ____ ____ my ____ network safe.

I'm wondering if ____ ____ supports ____ ____ to ____ ____ device protected

____ ____ wondering if ____ routers supports security protocols ____ ____ ____ my ____ network ____.

____ ____ protocols offered by ____ ____ ____ my wireless ____ is not something ____ ____ ____ sure about.

____ wondering what security ____ on ____ ____ ____ me ____ ____ ____ trouble with ____ wireless network.

Do the ____ ____ ____ place ____ thisrouter guarantees a secure ____ ____?

Does ____ router ____ security protocols ____ ____ ____?

____ ____ wondering if ____ ____ has ____ protocols that ____ my ____ safe.

____ am not ____ ____ the security protocols ____ ____ ____ ____ for my wireless network ____.

____ ____ ____ network ____ by ____ kinds of security protocols ____ routers ____?

I ____ wondering ____ the ____ has ____ ____ in place ____ keep ____ ____ from ____ interfered with.

____ ____ security standards ____ ____ in place by ____ ____ ____ a ____ wireless network?

Is ____ ____ standards in ____ ____ ____ guarantees ____ secure personal wireless ____?

____ ____ wondering if ____ routers ____ security protocols to ____ my ____ device ____.

____ am wondering ____ ____ ____ supports the ____ protocols ____ ____ my wireless network ____ ____ interference.

____ security ____ is ____ ____ the routers for ____ network?

Does ____ routers ____ security protocols that ____ keep ____ ____ ____ safe?

____ curious about the ____ ____ the router has to make ____ ____ ____ steal my ____ ____ ____.

I ____ to know if my wireless ____ was protected ____ ____ security ____ ____ ____ ____.

Which wireless ____ ____ ____ ____ by the ____?

Does ____ back proper ____ ____ for my ____ ____?

I want ____ know ____ the ____ ____ ____ my router ____ ____ wireless network.

I was ____ if ____ ____ ____ security protocols to keep ____ ____ ____.

____ this thing ____ ____ security measures to ____ my ____ ____?

____ ____ bound by certain ____ ____ to keep ____ personal wi-fi ____?

What ____ the security protocols that ____ ____ ____ for ____ ____?

____ don't ____ the ____ ____ the routers ____ ____ my network.

Does ____ routers ____ security ____ ____ ____ network?

Can ____ tell me about ____ ____ ____ ____ are ____ on your ____?

I'm curious what ____ ____ router provides ____ make ____ harder ____ steal my ____ ____ ____.

____ ____ ____ the ____ supports ____ protocols to keep my ____ network ____.

I ____ wondering if ____ ____ ____ ____ security protocols ____ keep my ____ safe.

____ the ____ back ____ ____ proper ____ procedures for my ____ network?

____ am wondering ____ the ____ has security ____ ____ ____ ____ wireless ____ out of danger.

____ am ____ if the routers ____ security ____ to ____ ____ network out ____ ____.

____ ____ security standards ____ the ____ ____ to ____ protecting personal wireless ____?

I am ____ ____ ____ ____ supports ____ ____ to ____ my wireless network ____ getting interfered ____.

I am ____ ____ ____ routers ____ security ____ to keep my wireless ____ ____.

The ____ protocols the ____ ____ ____ my wireless ____ is ____ known ____ this ____.

I'm wondering if the routers ____ ____ ____ ____ ____ ____ network ____ being interfered ____.

____ it possible ____ ____ ____ type of ____ protocol offered by ____ ____?

____ am ____ ____ the security features ____ ____ routers are ____ ____ me ____ of trouble with ____ wireless ____.

I ____ to know if my ____ network ____ protected ____ the ____ ____ the ____ ____.

Is my ____ ____ ____ by the kind of ____ ____ ____ routers ____?

I'm wondering ____ the routers supports ____ ____ ____ ____ my wireless network free ____ ____ ____.

The ____ protocols ____ ____ ____ ____ for ____ ____ network ____ unknown at the moment.

Does ____ thing ____ ____ proper security measures ____ protect ____ ____ network?

____ there a ____ ____ in ____ routers that ____ make the ____ connection ____?

Do ____ ____ ____ have the ____ of ____ ____ supported ____ my routers?

Does ____ routers enable any security ____ ____ ____ ____?

____ am ____ ____ ____ routers ____ ____ ____ to keep my wireless network ____ of interference.

I ____ ____ what ____ security ____ on this Router ____ ____ ____ ____ my internet environment.

Does ____ support security ____ which ____ ____ ____ Wireless Network ____?

____ wondering what ____ security ____ ____ ____ router would do ____ protect my ____ ____.

____ my ____ ____ by the kinds ____ ____ protocols ____ ____ routers support?

____ ____like ____ know if ____ ____ ____ ____ protected ____ the security protocols ____ router supports.

I am wondering if ____ routers has ____ protocols ____ will ____ my ____ ____ ____ ____.

____ ____ ____ if the routers supports ____ protocols so my ____ ____ is ____.

____ are ____ wireless ____ protocols that ____ ____ has?

____ am ____ ____ ____ ____ has security ____ ____ would ____ ____ wireless network from being hacked.

____ the Router ____ ____ ____ that ____ keep the ____ Network protected?

Does ____ ____ ____ ____ proper security ____ to guard my ____ network?

____ ____ a security ____ in this router ____ is ____ for the ____ of ____ ____ a wireless ____?

Is ____ wireless network protected ____ the ____ ____ ____ ____ routers supports.

I am curious ____ ____ know ____ types ____ secure ____ ____ by ____ router.

I ____ curious ____ ____ router supports security protocols to ____ ____ ____ network ____ of ____.

Which ____ ____ ____ methods are provided ____ ____ router?

____ this thing ____ proper security ____ for ____ ____ network?

____ the routers support security ____ which ____ ____ ____ network ____?

____ am wondering ____ the routers ____ security protocols to ____ ____ ____ ____ ____ danger.

Are ____ wireless ____ ____ by the kinds ____ security protocols ____ by ____ ____?

I was wondering ____ ____ routers ____ ____ protocols ____ keep my ____ device ____.

I ____ ____ ____ know if ____ wireless network ____ ____ ____ the security ____ the routers ____.

I ____ to ____ if the security ____ ____ ____ routers ____ my ____.

____ ____ ____ security protocols the ____ supports ____ protect my ____?

____ order ____ ____ my ____ network, what type ____ security ____ ____ the ____ support?

____ am ____ sure about ____ types of ____ ____ offered by ____ ____.

____ my wireless network ____ by ____ security protocols ____ ____ my ____?

____ this thing support security ____ ____ my ____ ____?

____ the ____ standards ____ in place ____ thisrouter ____ a ____ ____ wireless network?

I ____ not sure if ____ ____ supports ____ ____ to keep ____ ____ safe.

I'm wondering ____ ____ ____ ____ security protocols ____ protect my wireless ____.

I am ____ ____ ____ routers supports ____ protocols to ____ ____ ____ ____ being messed with.

Can ____ wireless ____ be protected ____ ____ ____ of security ____ ____ the router?

____ my wireless ____ ____ any security protocols ____ the ____ ____ ____ ____ keep safe from?

I want ____ ____ ____ the security ____ on ____ routers are that would ____ protect ____ ____ ____.

____ ____ thing back proper security ____ ____ ____ my wireless network ____?

Are the ____ standards that the ____ sticks ____ ____ ____ one's personal ____ ____?

The security protocols ____ the ____ offers ____ ____ ____ ____ ____ what we want to ____.

____ ____ ____ security measures are there for ____ wireless network ____ ____ ____ this ____

Does the ____ ____ me use security ____ ____ ____ ____ network?

____ is the ____ ____ ____ the routers ____ ____ my network?

____ ____ Router ____ security ____ to protect my ____ net?

____ ____ of security ____ ____ in place for ____ wireless network ____ ____ buy this ____?

____ the routers ____ security ____ for ____ ____?

I'm ____ ____ the ____ ____ security protocols ____ keep ____ network ____ being attacked.

____ wondering what the security ____ on ____ ____ ____ that will ____ ____ ____ internet environment.

____ thisrouter following ____ standards ____ fortify ____ personal wi-fi ____?

____ the security standards that ____ ____ ____ ____ ____ assure a secure ____ network?

I ____ wondering if ____ routers ____ security ____ ____ ____ ____ my wireless network from ____ interfered ____.

Is ____ ____ specific-security standard that thisrouter follows ____ ____ ____ ____ wi-fi ____?

____ this thing ____ proper security measures ____ ____ ____ wireless ____?

Does this ____ support ____ ____ measures to protect ____ ____ ____?

____ wondering ____ the ____ ____ security ____ to ____ my wireless device ____.

Is ____ security ____ that this router sticks ____ ____ ____ ____?

What protocols do ____ routers support in ____ ____ ____ my ____ ____?

The ____ ____ that ____ ____ offers ____ my wireless ____ are not ____ ____ ____ certain of.

Which security protocols ____ ____ provides ____ ____ ____ network is ____ ____ want?

The ____ ____ that the ____ ____ for ____ wireless network ____ ____ unknown.

Should the security ____ ____ ____ in place ____ thisrouter guarantee ____ ____ ____ wireless ____?

____ am ____ sure what the ____ ____ ____ the ____ offers ____ ____ wireless network is.

Does ____ ____ ____ specific-security ____ to ____ one's ____ wi-fi security?

The ____ protocols ____ router provides ____ ____ wireless ____ are not ____.

____ ____ Router support ____ protocols which would ____ ____ Wireless ____ protected?

I ____ ____ if the security features on the routers ____ me ____ ____ ____ ____ my wireless ____

Do the ____ ____ put ____ place by ____ guarantee ____ ____ wireless ____?

Does ____ ____ ____ ____ place by thisrouter guarantee a ____ ____ network?

____ the ____ ____ security ____ which ____ make my ____ safe?

____ ____ have security ____ to ____ my wireless ____?

Is it possible ____ ____ ____ wireless network ____ using security protocols ____ ____ ____?

In ____ ____ ____ my ____ network, what security protocols ____ ____ router ____?

I ____ wondering whether ____ routers ____ ____ protocols to ____ ____ ____ safe.

I ____ ____ ____ ____ routers ____ security protocols ____ keep my ____ safe.

____ ____ ____ the routers ____ ____ protocols ____ my wireless device.

Does this ____ allow for ____ ____ ____ ____ ____ wireless network?

Does thisrouter ____ to ____ ____ standards to ____ ____ personal ____ ____ security?

I'm ____ if ____ routers ____ ____ security protocols ____ ____ my wireless ____ free of ____ ____.

____ there a security protocol ____ this ____ ____ ____ good ____ ____ safety ____ connecting to a ____ signal?

____ ____ possible for ____ ____ adhere to specific ____ standards ____ personal wi-fi ____?

____ ____ support security ____ at ____ Router?

____ ____ a security protocol ____ is ____ ____ ____ wireless connection in this ____?

____ ____ to know if the security ____ in ____ ____ ____ my ____.

What ____ of security measures ____ available ____ the ____ ____ ____ ____ purchase a ____?

The security protocols ____ the ____ offers ____ my ____ network are ____ ____ ____.

____ theRouter support security ____ which ____ ____ ____ Wireless ____ protected?

Is ____ wireless network protected ____ using ____ protocols ____ ____ ____

Are the security ____ ____ ____ router sticks ____ for protecting ____ ____ ____?

Which ____ do ____ routers ____ when ____ the ____?

____ ____ ____ ____ the security features on ____ router ____ that could ____ ____ my ____ environment.

____ security ____ ____ ____ ____ ____ my wireless network, what are they?

Are ____ security ____ ____ ____ router ____ to for ____ a ____ device?

____ wonder ____ the routers ____ security protocols ____ keep ____ ____ safe.

____ ____ have ____ protocols for ____ ____ net?

____ ____ thing back proper security ____ ____ my ____ network?

Is ____ ____ network protected ____ ____ ____ of ____ protocols supported ____ my Router?

____ my wireless net ____ by ____ security ____ on ____ ____?

I ____ not sure if ____ routers ____ security protocols to ____ ____ ____ ____ ____.

I am wondering ____ the routers ____ ____ security ____ to ____ ____ ____ safe.

Does ____ ____ ____ security protocols ____ protect ____ wireless net?

____ ____ ____ network protected ____ the ____ ____ the router supports?

____ am ____ if ____ routers ____ ____ ____ to make my ____ safe.

What ____ the security ____ that ____ ____ offers for ____ ____?

I need ____ know if ____ ____ ____ ____ used for ____ ____ network.

_____ the _____ standards in place _____ _____ _____ a securewireless _____?

_____ _____ _____ know if the _____ protocols _____ _____ routers can protect my _____ _____.

_____ _____ to know _____ the _____ protocols _____ _____ routers _____ my network.

Which safety _____ _____ _____ routers provide for _____ _____?

_____ wonder _____ the _____ _____ security protocols _____ keep _____ wireless network from _____ _____.

_____ am not _____ what _____ _____ _____ the router _____ for my _____ network _____.

_____ not _____ _____ routers supports _____ _____ keep my network _____ being hacked.

_____ _____ _____ if theRouter _____ security _____ _____ keep _____ network free _____ security threats.

Does the Router _____ security _____ _____ would protect _____ _____ _____?

_____ my _____ protected _____ the _____ of _____ protocols _____ _____ the router?

_____ _____ thing _____ _____ proper security methods _____ protect my wireless _____?

_____ the Router _____ any _____ _____ to _____ my wireless _____?

I _____ _____ if the router supports security _____ to _____ _____ _____ _____ being _____.

_____ _____ have specific _____ standards in place to _____ one's _____ _____ _____?

I _____ wondering what the _____ _____ _____ _____ _____ are that _____ _____ protect my internet _____.

_____ was wondering _____ _____ _____ supports security protocols _____ _____ my _____ safe.

I _____ curious _____ _____ routers _____ _____ _____ to _____ my network free _____ danger.

_____ am wondering _____ the routers has _____ protocols _____ keep _____ _____ _____ being _____.

I _____ to _____ _____ the security _____ in _____ router protect _____ _____.

Does _____ thing support the proper _____ practices _____ make _____ _____ _____ _____?

_____ want _____ know _____ type of security protocols the _____ supports _____ _____ _____ _____ network.

Do the security standards _____ are _____ place _____ _____ protect _____ _____ _____ network?

_____ are the safety measures _____ _____ _____ offer for _____ _____?

I am wondering if _____ routers supports security _____ in order _____ _____ _____ _____ _____ from _____ interfered _____.

_____ _____ _____ _____ _____ the _____ _____ in my routers kept my _____ network safe.

_____ _____ _____ know _____ _____ security _____ in my _____ keep my _____ network safe.

_____ this thing back _____ _____ _____ _____ _____ my wireless network?

_____ _____ _____ what the security _____ on the router _____ do _____ protect _____ _____ environment.

I am _____ _____ if _____ _____ supports _____ protocols _____ keep my _____ _____ free _____ interference.

_____ am not _____ _____ _____ security _____ that the Router _____ _____ _____ wireless network are.

_____ am _____ if the _____ _____ the security protocols to _____ _____ _____ network _____.

Does the _____ _____ security _____ _____ would keep _____ _____ network protected?

_____ _____ _____ _____ the routers _____ security _____ to keep my _____ network _____ of security _____.

What are _____ security measures that _____ _____ in _____ _____ _____ my _____ network if I buy _____ _____?

Does the _____ _____ _____ security protocols for _____ _____?

The _____ _____ _____ the router offers _____ my _____ _____ _____ not known yet.

I _____ _____ _____ _____ security features on this _____ are _____ would _____ _____ _____ internet environment.

_____ _____ thing support _____ _____ to _____ the wireless network?

_____ wondering if _____ _____ security protocols to keep _____ _____ _____ free of _____ _____.

I am _____ _____ _____ routers supports security protocols to _____ _____ _____ _____ protected.

_____ _____ _____ network _____ protected using security _____ _____ the router?

Do _____ _____ _____ proper security measures _____ _____ wireless network?

I am wondering _____ _____ _____ supports _____ protocols _____ _____ to keep _____ _____ safe.

I _____ _____ the _____ protocols _____ the router _____ _____ _____ wireless network.

What _____ _____ do the _____ _____ _____ my network?

_____ _____ _____ _____ protocols the _____ provides for my wireless _____?

I am asking _____ _____ routers _____ _____ protocols _____ _____ my network _____.

Does this thing _____ security procedures _____ _____ _____ _____?

I am wondering if _____ _____ _____ _____ protocols _____ order _____ keep my network _____ _____ _____.

_____ this _____ _____ _____ measures _____ my wireless network?

I ____ know ____ ____ ____ network is protected ____ ____ ____ protocols the ____ supports.

Do the security standards ____ ____ in place by ____ ____ a ____ ____ ____?

____ wonder if the ____ ____ security ____ ____ keep ____ ____ network out of ____ way.

The ____ ____ that ____ router ____ ____ my ____ network isn't ____ at ____ time.

I'm wondering ____ ____ ____ supports security ____ ____ keep my ____ network out ____ ____

____ ____ ____ to what ____ this ____ provides ____ make ____ harder ____ steal my wi fi ____.

____ the router ____ security ____ which ____ keep ____ ____ network protected?

Does the Router ____ security protocols ____ would ____ ____ ____?

Can ____ Wireless network ____ protected by using ____ ____ ____ the ____?

I ____ ____ ____ ____ routers supports ____ ____ ____ order ____ ____ my wireless network out of danger.

____ this thing ____ ____ ____ measures ____ safeguard my ____ network?

____ ____ ____ the features ____ this ____ ____ ____ make it harder to ____ my ____ fi password.

____ ____ ____ know what security measures ____ in place to protect ____ ____ ____ ____ ____ buy this router.

____ are ____ ____ protocols the ____ gives for ____ wireless ____?

____ kind of security measures ____ included ____ the wireless network ____ ____ ____ ____ ____?

____ am ____ if the routers supports ____ ____ to keep ____ ____ ____ being interfered ____.

____ ____ ____ network be protected ____ ____ of security protocols ____ the ____?

____ ____ enable ____ protocols for my ____?

____ ____ are ____ for ____ protection by ____ routers?

____ ____ ____ ____ if the security protocols ____ my routers ____ my ____.

____ the ____ let me use ____ ____ on my ____ ____?

The security ____ that the ____ ____ for ____ ____ ____ unknown

I ____ to ____ if my network was ____ ____ ____ ____ ____ my routers.

Does ____ ____ support ____ protocols ____ keep ____ Wireless ____ safe?

What are the security protocols ____ ____ ____ routers ____ ____ ____ network?

____ security protocols ____ routers ____ for ____ ____ ____ is what we're interested ____?

____ the security standards ____ place ____ thisrouter ____ ____ ____ personal wireless ____?

I am not ____ what ____ protocols the ____ offers ____ ____ wireless ____ ____.

____ this ____ have ____ proper security ____ ____ the wireless ____?

Is ____ following ____ ____ standards ____ protect one's ____ wi-fisecurity?

____ ____ wondering ____ the routers supports security protocols ____ ____ ____ wireless ____ free ____ attack.

____ ____ follow specific ____ ____ to fortify one's personal ____?

____ ____ routers ____ security protocols to keep ____ network ____ ____ danger?

Does this ____ back any ____ ____ methods to ____ ____ wireless ____?

____ ____ ____ ____ any good security methods ____ protect my ____ network?

____ ____ wondering ____ ____ routers ____ security protocols to ____ my network ____ ____ interfered with.

I'm ____ if ____ routers supports ____ ____ to ____ ____ ____ device protected.

Can ____ wireless ____ ____ protected with security ____ ____ ____ routers?

____ security protocols ____ router ____ for ____ wireless ____ what ____ ____ offer?

Does ____ ____ ____ ____ ____ to ____ one's personal wi-fi security?

____ security protocols that the ____ ____ ____ my ____ network, what ____ ____?

What ____ ____ ____ protocols are ____ in ____ router?

Is my Wireless ____ ____ ____ ____ ____ of security protocols ____ by ____ routers?

____ security ____ in ____ by thisrouter ____ a secure ____ ____ network?

The security protocols the ____ ____ ____ ____ ____ network are ____.

____ am ____ ____ ____ routers ____ security ____ that ____ ____ ____ wireless network free of security threats.

____ ____ protocols ____ ____ ____ offers for ____ ____ network are ____ known at this time.

____ have to know if the ____ ____ ____ ____ routers ____ my wireless ____.

____ order ____ protect ____ wireless ____ what ____ of security ____ does ____ routers ____?

I am wondering if the ____ supports ____ ____ ____ prevent ____ ____ ____ being ____.

I'm ____ ____ ____ routers ____ security protocols to ____ my Wireless network ____ ____ ____.

____ my ____ ____ protected ____ ____ security ____ that my Router supports?

____ network ____ ____ do the ____ support?

Does ____ thing ____ ____ security practices ____ protect my ____ ____?

____ ____ protocols are ____ by the router for ____ ____?

____ ____ the security ____ that the ____ ____ ____ my ____ ____ are we interested in?

I ____ wondering ____ the ____ ____ ____ protocols ____ prevent ____ wireless ____ from ____ interfered with

I'm ____ if ____ routers supports security protocols ____ keep my ____ ____ ____ ____ ____.

____ this thing back proper ____ ____ ____ my ____ network?

____ this thing have proper ____ ____ to protect ____ ____ ____?

Does ____ thing back any ____ ____ ____ my ____ network?

____ the Router ____ ____ protocols ____ ____ the Wireless ____ safe?

____ are ____ security ____ offered for my ____ ____ ____ the router?

____ security ____ the router ____ for ____ wireless ____?

____ the ____ allow ____ security ____ for ____ wireless network?

____ am ____ if the routers ____ ____ protocols ____ keep my ____ ____.

____ should ____ ____ about ____ security protocols the ____ ____ for my wireless ____?

I'm ____ ____ ____ routers supports security protocols to ____ my ____ ____ free ____ ____ threats.

Is there a ____ ____ ____ this routers that is good ____ ____ ____ ____ ____ connection ____ ____ wireless signal?

What ____ ____ security ____ the router gives ____ my ____ ____?

____ wondering if ____ routers has ____ ____ ____ ____ my ____ network safe.

____ ____ thing back ____ security methods that would ____ my ____ ____?

____ need ____ know ____ ____ security ____ in my ____ safeguard ____ network.

What kind ____ ____ ____ ____ in place ____ the wireless ____ ____ I purchase ____ Router?

I am ____ ____ ____ routers ____ ____ ____ to keep my wireless network ____ of ____ ____.

Are the ____ standards ____ ____ ____ ____ to ____ protecting one's ____ wi-fi?

Is ____ a security protocol ____ ____ routers ____ ____ good for the safety ____ ____ ____ ____?

____ my network ____ by the types of ____ ____ ____ router ____?

Is ____ ____ network ____ ____ the security ____ the Router ____.

____ ____ ____ ____ ____ supports ____ protocols to keep my ____ from being disrupted.

____ wondering if ____ ____ ____ ____ protocols to keep my ____ from ____ interfered ____.

____ am ____ if the ____ protocols ____ ____ routers ____ my ____ network safe.

I ____ to know ____ ____ security protocols ____ my routers helped ____ ____ ____.

The ____ protocols ____ ____ router ____ for my Wireless ____ ____ ____ ____ I ____ sure about.

What is ____ ____ protocols ____ the routers ____ for ____ ____ network?

Which ____ protocols the ____ ____ ____ ____ ____ network ____ what we ____ to know?

I ____ wondering ____ ____ routers has security ____ in ____ to ____ ____ network out ____ ____.

Are my ____ ____ ____ by the security ____ that ____ ____ support?

Are ____ security standards ____ ____ Router sticks ____ for ____ ____ ____ device?

Does ____ ____ standards ____ ____ in place by ____ ____ a ____ wireless network?

____ security protocols do ____ ____ ____ for ____ wireless network?

Does ____ ____ ____ ____ proper security ____ to keep my wireless ____ ____?

I ____ ____ about ____ ____ of secure protocol ____ ____ this router.

____ ____ ____ ____ measures are included ____ the wireless ____ if ____ ____ this Router?

____ this thing support any ____ ____ ____ protect ____ ____ network?

____ are the ____ protocols ____ ____ ____ ____ my wireless network?

Can ____ wireless ____ be ____ by ____ ____ ____ protocols on ____ Router?

Is my network ____ by ____ ____ of ____ protocols ____ ____ supports?

Is ____ wireless network protected by ____ ____ ____ ____ supported by ____ ____?

Does thisrouter ____ to ____ ____ standards ____ ____ one's ____ wi-fi?

____ ____ device support security protocols ____ keep my ____ ____ ____?

Does ____ ____ support ____ ____ which protect my Wireless ____?

I'd like to ____ ____ the ____ ____ security ____ ____ keep ____ device protected.

Does ____ ____ support proper security practices to ____ ____ ____ ____ safe?

Which security ____ ____ ____ provides for my wireless ____ ____ ____ ____ in?

____ ____ in what features ____ router has ____ ____ it ____ to ____ my wi ____ ____.

____ this ____ back the security ____ necessary to ____ ____ wireless ____ ____?

____ kind of security measures ____ ____ ____ ____ ____ network if I ____ ____ Router?

____ ____ ____ ____ any security ____ to safeguard ____ wireless network?

Is the network ____ ____ ____ ____ supported by ____ routers?

Does this thing ____ proper ____ procedures ____ ____ ____ wireless ____?

____ curious about ____ ____ ____ ____ Router ____ ____ make it harder ____ steal my ____ fi password.

____ ____ ____ know if ____ security ____ in myRouter ____ the wireless ____.

____ am ____ if the ____ supports ____ protocols to keep ____ ____.

Does ____ thing ____ ____ proper security procedures of ____ ____ ____?

Does the ____ ____ security ____ ____ that my ____ ____ is protected?

I need to know which security protocols ____ ____ ____ ____ ____ ____.

____ want ____ know ____ the ____ protocols in my ____ safeguarded ____ ____.

____ ____ support ____ ____ by the router?

Does this ____ ____ ____ ____ of ____ my wireless net?

____ ____ follow ____ standards ____ ____ one's personal wi-fi security?

____ ____ a security protocol ____ ____ Router that is ____ ____ the ____ ____ my ____ to a wireless ____?

Is ____ wireless network ____ by ____ ____ ____ security ____ ____ my routers support?

____ this ____ ____ the proper ____ measures to guard ____ wireless ____?

____ there a ____ ____ that ____ good for ____ ____ connection in ____ routers?

I want ____ know if ____ ____ is protected ____ ____ security ____ ____ routers ____.

Do specific security ____ ____ for thisrouter ____ ____ ____ personal wi-fi ____?

____ ____ thing comply with ____ proper ____ practices ____ protect ____ ____ network?

Does ____ thing support ____ security methods to ____ ____ ____ ____?

____ the ____ support security protocols that ____ ____ ____ ____ protected?

____ ____ ____ ____ supports security ____ to keep my device ____.

What types of ____ ____ ____ in ____ ____ ____ ____ network if ____ purchase this routers?

____ ____ ____ if the routers supports ____ ____ to ____ my network ____ ____ attacked.

Is ____ security standards ____ ____ routers sticks to ____ ____ wireless ____?

I ____ wondering ____ the Router ____ ____ protocols to ____ ____ Wireless network ____.

____ wireless ____ protocols does the ____ ____?

Does ____ ____ proper ____ ____ to protect my wireless ____?

Does the Router ____ ____ protocols that ____ help ____ ____ Wireless ____?

____ ____ protocols that ____ ____ provides for my ____ network is ____ something ____ ____ ____ sure about.

____ ____ ____ ____ ____ protected by ____ security protocols on the Router?

____ ____ security standards ____ ____ ____ sticks to ____ protecting a ____ wi-fi network?

____ curious ____ to what ____ ____ ____ ____ ____ ____ it ____ to steal my wi fi password.

Is my wireless ____ protected ____ ____ security ____ that ____ ____ supports?

I'm ____ if theRouter supports ____ ____ ____ keep my ____ ____.

I am ____ if the routers ____ ____ ____ protocols ____ ____ my network free ____ ____ ____.

____ wondering ____ ____ routers has ____ protocols ____ keep ____ network ____ of security ____.

Are ____ security ____ ____ ____ ____ to for protecting private ____?

What security ____ ____ offered by ____ ____ ____ my wireless ____?

____ the ____ ____ security ____ which keep my ____ ____ protected?

____ security protocols ____ ____ routers offers for my wireless ____ what ____ ____ ____?

____ are ____ recommended safeguards ____ wi-fi ____ ____ Router?

Is ____ possible for ____ ____ network ____ be protected with ____ ____ ____ the ____?

Is this ____ ____ ____ wireless ____ ____ could ____ tell me about the ____ ____ of ____?

____ ____ wireless network protected ____ the security protocols offered ____ ____ ____?

I need to know whether ____ ____ ____ ____ ____ ____ ____ my network.

____ need to know ____ ____ security protocols ____ ____ routers safeguard ____ ____.

____ wondering if ____ ____ ____ security ____ to prevent ____ ____ network ____ being attacked.

____ ____ ____ ____ ____ know ____ the ____ protocols in ____ routers safeguard the wireless network.

What ____ ____ security ____ ____ router ____ for ____ wireless network?

____ do the security ____ that ____ router ____ ____ ____ ____ network offer?

____ ____ protocols offered by the router for my ____ ____ ____ ____ ____?

____ my ____ network protected by security ____ ____ ____ the ____?

____ my wireless ____ ____ ____ ____ ____ of security ____ my routers support?

I ____ to ____ if ____ ____ protocols ____ my routers make ____ ____ safe.

I am ____ if ____ routers ____ security ____ to ____ the wireless ____ ____ ____ security ____.

____ you tell me ____ ____ ____ ____ ____ are included with your ____?

Is there a ____ ____ in ____ router that's ____ ____ ____ ____ connection?

____ ____ Router allow ____ ____ protocols on my ____?

Does ____ router stick ____ ____ security standards for ____ ____ ____?

I'm wondering ____ ____ ____ supports security ____ to keep ____ wireless ____ ____.

____ ____ ____ support appropriate ____ measures for my ____ network?

I want to ____ ____ ____ recommended ____ safeguards ____ on ____ router.

____ the wireless network be ____ ____ the ____ of security ____ ____ ____ routers?

____ this thing ____ ____ security ____ ____ ____ to keep my ____ network safe?

We ____ ____ in the security protocols ____ ____ offers for ____ ____.

I ____ wondering what the ____ features ____ the ____ ____ ____ would protect ____ internet ____.

____ security ____ that ____ ____ offers ____ ____ wireless ____ is not known at this ____

____ my wireless networks have ____ security protocols ____ the ____ can ____ ____ ____ safe ____?

The ____ ____ the router ____ ____ my ____ ____ what are they?

____ ____ ____ protected ____ ____ security protocols that ____ router supports?

I'm ____ ____ ____ ____ supports ____ ____ to ____ ____ network free of security threats.

What ____ measures are available ____ ____ wireless ____ if ____ ____ this ____?

____ am ____ if ____ routers supports ____ protocols ____ ____ ____ ____ ____ out of harms way.

Is ____ ____ ____ with ____ protocols ____ routers will allow?

____ order to protect ____ ____ network, what ____ ____ security protocols ____ ____ routers ____?

Do ____ ____ ____ exist for thisrouter to ____ ____ ____ wi-fisecurity?

____ security protocols that ____ ____ ____ for ____ network ____ what ____ are interested ____.

I'm ____ ____ the ____ features on this ____ ____ that would ____ protect ____ ____ environment.

Does ____ ____ ____ a ____ ____ protect my wireless net?

____ ____ protocols the router offers ____ ____ wireless network is ____ ____ are ____ ____.

Is ____ network ____ by ____ protocols that the ____ ____ ____?

Which security protocols ____ ____ ____ ____ ____ order to ____ my network?

What are the ____ ____ in place ____ ____ ____ network if ____ buy ____ ____?

____ my ____ networks ____ any ____ protocols that ____ router ____ help me ____ ____?

____ the routers ____ ____ ____ for ____ network?

____ don't know ____ ____ ____ the routers ____ for my ____ network.

____ this thing allow proper ____ measures ____ ____ ____ network?

____ security ____ that the ____ provides ____ my wireless ____ ____ ____ ____ ____ am sure about.

____ the ____ network need ____ ____ protected using ____ ____ on ____ router?

____ am curious ____ the routers supports ____ ____ ____ keep my wireless network ____ ____ ____.

_____ the wireless _____ protected _____ security protocols _____ _____ router?

Does the _____ support security protocols _____ _____ _____ _____ _____ Network?

I want _____ _____ _____ _____ this router _____ that will _____ _____ secure my _____ environment.

Can _____ _____ _____ be _____ with _____ _____ on the router?

_____ _____ _____ that the Router _____ _____ _____ wireless network _____ _____ we are interested in.

Can _____ _____ _____ protected _____ _____ security protocols on the _____?

_____ order _____ protect _____ wireless network, what security _____ do _____ _____ _____?

Does the _____ _____ security protocols that keep _____ _____ _____ _____?

I _____ wondering _____ _____ routers supports _____ protocols _____ _____ _____ wireless network _____ of harms _____.

I _____ to know _____ my wireless _____ _____ _____ by the _____ protocols _____ my _____.

Does the _____ _____ proper security measures _____ my _____ _____?

Does _____ _____ by specific _____ standards _____ protect _____ _____ wi-fi?

_____ security protocols the _____ offers _____ _____ wireless _____?

_____ _____ to know _____ the _____ protocols in _____ routers _____ my _____ network.

_____ _____ following specific _____ _____ _____ protect one's personal wi-fi?

Does _____ routers _____ _____ security protocols for my _____ _____?

I _____ to know _____ _____ security _____ _____ my routers guard _____ wireless _____.

_____ _____ _____ are there for the _____ _____ if _____ buy _____ Router?

_____ _____ network _____ by the _____ _____ _____ protocols supported _____ my routers?

The _____ protocols _____ the _____ provides for _____ _____ network _____ _____ _____ the moment.

_____ the _____ support security protocols _____ _____ protect my _____?

_____ _____ thing back security methods _____ _____ my wireless _____?

_____ this _____ _____ protocols to _____ _____ net?

_____ thisrouter adhering to _____ _____ standards _____ protect one's _____ wi-fi _____?

_____ _____ wondering _____ the security _____ _____ the Router _____ me _____ _____ _____ trouble with my wireless network.

Is _____ security _____ that this _____ sticks _____ for protecting _____ _____ _____?

_____ theRouter _____ any _____ _____ _____ my network?

_____ need to know if _____ _____ _____ _____ that are _____ on my _____ _____.

_____ am _____ _____ _____ security features on this router would do _____ _____ my _____ _____.

_____ the _____ protected _____ _____ _____ that will be _____ by the _____?

The _____ network may _____ _____ by using _____ _____ on the _____.

Is _____ _____ _____ _____ the _____ protocols that are supported _____ my _____?

_____ _____ _____ network _____ by the security protocols that _____ supported _____ _____ routers?

I _____ know _____ _____ _____ protocols in _____ _____ safeguard the wireless _____.

Is _____ wireless network _____ by _____ _____ _____ the routers _____?

_____ I _____ if my _____ _____ _____ _____ by _____ kinds _____ _____ protocols the router supports?

The _____ _____ that _____ routers offers _____ _____ wireless network _____ _____ _____ am _____ sure about.

Do this thing support _____ _____ to _____ my _____ _____?

Is _____ _____ network _____ by security _____ supported _____ _____ routers?

I am wondering _____ the security _____ on _____ _____ are _____ help _____ _____ out of trouble _____ _____ _____ network.

_____ am wondering _____ I _____ the types _____ secure _____ _____ by the _____.

_____ _____ if _____ routers supports security _____ _____ keep my _____ protected.

What _____ _____ _____ _____ _____ _____ in place _____ the _____ network if I purchase the _____?

_____ _____ wondering if the _____ _____ security protocols to _____ my _____ _____ clean.

Is my _____ _____ by _____ _____ _____ _____ protocols the router supports?

_____ this router _____ _____ wireless networks _____ could you _____ me _____ _____ _____ security features?

_____ _____ do _____ _____ support _____ network protection?

_____ wondering if _____ routers _____ _____ _____ so that _____ wireless _____ is not _____ with.

_____ security _____ are supported _____ the _____ in order _____ protect _____ _____ network?

_____ this _____ support security _____ _____ my _____ network?

Is my wireless ____ ____ ____ the security ____ my ____ ____.

____ ____ router allow ____ security protocols ____ my ____?

____ ____ a ____ protocol in ____ routers ____ is good for ____ safety of ____ ____ to a ____ ____.

I am ____ if the ____ ____ security protocols ____ keep ____ ____ ____

____ ____ if ____ routers ____ ____ protocols to ____ my ____ network free ____ security threats.

I'm ____ what features ____ Router ____ to ____ ____ harder ____ steal my ____ ____ password.

____ ____ support ____ measures ____ the Router?

Is ____ network ____ with ____ kinds ____ ____ protocols supported ____ ____ routers?

Is ____ wireless network ____ by ____ security protocols ____ ____ ____?

____ security ____ do the ____ ____ to ____ my ____ network?

____ am ____ ____ ____ routers ____ security protocols that would keep my ____ ____.

Is ____ wireless network protected ____ the kind ____ security ____ supported ____ ____ ____?

The ____ protocols the router offers ____ ____ network is ____ we ____ ____ ____.

I ____ wondering if the routers ____ ____ ____ ____ place ____ keep ____ wireless network ____ of ____.

Do security standards put in ____ by ____ ____ ____ ____ ____ wireless ____?

____ ____ to protect my wireless ____ what type ____ ____ ____ should ____ routers ____?

Is my wireless network protected ____ ____ kind ____ ____ ____ support ____ my ____?

Does ____ ____ ____ ____ to ____ one's personal wi- fi ____?

I ____ to ____ if the security ____ ____ my routers ____ ____ ____.

____ ____ are used ____ support ____ security ____ ____ the Router?

____ wondering ____ ____ routers supports ____ security ____ ____ ____ my network safe.

What ____ protocols ____ ____ ____ offer for my ____ network?

____ ____ wondering if the ____ support security ____ ____ keep my ____ ____ free ____ interference.

Which ____ ____ the ____ ____ ____ my wireless network ____ ____ interested in?

Which security protocols the router ____ ____ ____ ____ network ____ that we ____ ____ ____?

Is it possible to ____ ____ ____ ____ ____ ____ ____ by the router?

____ ____ the ____ ____ ____ for my wireless network by the ____?

____ need to ____ if ____ ____ network ____ ____ ____ ____ security protocols in my routers.

I am ____ ____ ____ ____ ____ the ____ protocols to ____ my network out ____ danger.

Do the ____ ____ ____ thisrouter ____ ____ place fortify one's personal ____ ____?

I'd like to ____ ____ ____ routers supports security ____ ____ ____ ____ wireless ____ safe.

Is thisrouter adhering ____ specific security ____ ____ ____ ____ ____ wi-fisecurity?

____ ____ curious ____ the ____ supports ____ protocols ____ keep ____ network ____ of interference.

Does ____ enable any security protocols ____ ____ ____ ____?

____ ____ thing ____ proper security procedures ____ ____ my wireless network ____?

____ security standards in ____ by thisrouter guarantee a ____ ____ ____ ____?

____ there ____ security ____ in the ____ that ____ ____ the connection ____?

I wonder if the ____ ____ ____ ____ ____ ____ my ____ free of ____ threats.

What are ____ security ____ ____ the router gives for ____ ____ ____?

Do this thing ____ ____ ____ measures ____ ____ my ____ network?

I'm wondering if ____ Router ____ ____ protocols ____ ____ my ____ ____ ____ security threats.

____ the ____ work ____ ____ ____ for the network?

What types of ____ measures ____ available ____ ____ ____ ____ if ____ ____ this Router?

____ the ____ ____ any ____ protocols for the ____?

____ is the security ____ ____ ____ ____ provides for ____ network?

I'm wondering if the router ____ security ____ to ____ ____ ____ ____ from ____ ____.

Is ____ following specific-security standards to ____ one's ____ ____ ____?

Is my ____ ____ by ____ ____ of ____ protocols ____ by ____ router?
