[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Integration with third-party applications
Description	Customers ask if the telecommunications equipment can integrate with other software or applications they currently use, such as CRM systems or call center software.
Data Size	5,061 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ documentation is _____ for _____ access and _____ _____ it help _____ _____ _____ platforms within my _____ infrastructure _____?

How _____ _____ _____ APIs documentation _____ _____ easier to integrate _____ the _____?

_____ like _____ _____ how _____ blend with _____ infrastructure _____ there's a _____ _____ access.

Please give us _____ about how _____ documentation _____ be _____ _____ integrate _____ within _____ _____.

In order _____ enable seamless _____ _____ diversified platforms internally, please _____ _____ range of _____ _____ _____ to _____ _____.

_____ _____ for theAPI _____ _____ integrate our _____?

_____ give information _____ _____ API _____ _____ _____ it _____ _____ _____ integration into various platforms within our organization

Please _____ information about _____ _____ and how _____ can _____ integration _____ other platforms _____ _____ _____

How _____ theAPI _____ help _____ _____ _____ an organization?

Do _____ have any _____ on how to _____ theAPI _____ _____ _____ across _____ company _____?

Can documentation _____ _____ _____ help _____ seamless _____ between our _____?

How _____ we _____ _____ our _____ _____ _____ have _____ docs _____ access to the API?

How _____ _____ make seamless _____ in our _____ with _____ access _____?

_____ can we blend with _____ _____ _____ _____ _____ of the docs _____ API _____?

Can _____ give _____ any _____ on how to blend with our _____ _____ _____ _____ _____ docs _____ access?

_____ had a _____ _____ how we _____ blend _____ ourinfrastructure, _____ we _____ any _____ onAPI _____.

_____ _____ _____ do to integrate our infrastructure _____ the _____ _____ _____ docs?

_____ _____ _____ get platform integration _____ our infrastructure with the _____ _____ theAPI _____?

Is there a place _____ _____ _____ _____ _____ _____ _____ documentation about streamlinedAPI integrations?

How _____ the _____ _____ _____ _____ used to _____ _____ the organizational infrastructure?

How could we _____ seamless _____ _____ our _____ with _____ _____ documentation?

_____ about the API _____ and _____ _____ can facilitate _____ integration _____ _____ platforms within _____ organization is _____.

Do _____ know how API _____ can be _____ _____ _____ _____ across _____ various company _____?

Can the _____ _____ the access assist _____ seamless integration _____ _____ platforms _____ _____ _____?

To _____ _____ _____ _____ various platforms _____ _____ organization, please provide information _____ theAPI _____.

Can _____ please provide _____ _____ _____ for _____ API _____ that adoption of _____ _____ will _____ smooth?

_____ there _____ _____ _____ _____ might work in our infrastructure tooling _____ _____ _____ of _____ _____ into multiple platforms?

_____ access _____ _____ _____ used to ensure smooth platform _____ _____ our _____.

Can _____ documentation _____ theAPI _____ _____ integrate our _____?

How can we _____ _____ integration across ourinfrastructure _____ _____ usage _____ _____ _____?

_____ makes _____ possible _____ _____ _____ be integrated into _____ organization _____ the accessible APIs _____?

Documentation for _____ to _____ _____ _____ _____ _____ but how will _____ _____ _____ integrate into our infrastructure?

_____ looking _____ _____ _____ can _____ seamless infrastructures work _____ the APIs.

I'm _____ _____ documents which can help _____ infrastructures _____ _____ _____.

Can _____ _____ _____ any information _____ _____ to _____ _____ our infrastructure if there is _____ _____ onAPI access?

_____ do _____ _____ _____ for platform integration _____ this infrastructure?

_____ _____ _____ increase platforms _____ _____ the organization?

_____ you please _____ the document _____ for the APIs _____ that organizational _____ _____ _____ _____ _____?

Please _____ information about _____ API documentation and how _____ _____ facilitate _____ _____ _____ _____ _____ the organization

CanAPI access _____ be used _____ _____ platformintegration _____ _____ organization

_____ _____ _____ about theAPI documentation and how _____ _____ _____ integration _____ _____ _____ in my organization

Can the _____ for _____ access help _____ seamless _____ with _____ platforms _____ _____ _____?

How can _____ documentation _____ platform integration _____ _____ _____?

_____ had _____ _____ about _____ we _____ _____ with ourinfrastructure, if we _____ any documents _____ the _____.

Is _____ _____ role _____ in _____ seamless _____ of the _____ platforms _____ our _____?

How can we _____ _____ _____ _____ our infrastructure with the _____ _____ _____ _____ docs?

_____ _____ _____ know if _____ are useful _____ that can _____ _____ for _____ Infrastructure Integration with _____.

_____ _____ _____ get _____ integration across infrastructure _____ _____ usage of _____ docs?

Does documentation _____ theAPI access help with _____ _____ _____ _____ infrastructure?

Do you _____ if _____ _____ _____ _____ _____ _____ _____ our infrastructure with the documentation _____ forAPI?

_____ _____ information about _____ API documentation and how _____ can _____ integration _____ other platforms _____ _____ _____.

_____ _____ information about _____ _____ _____ _____ _____ _____ can facilitate integration with _____ platforms in my _____.

Is _____ _____ _____ integration multiple platforms _____ our _____ _____ _____ the documentation _____ forAPI?

_____ it possible _____ find _____ for the _____ _____ integrations in _____ _____?

_____ you tell _____ more _____ the role _____ the APIs _____ in _____ it _____ for _____ _____ of _____ organization?

_____ _____ _____ place in our infrastructure where _____ _____ get documentation _____ _____ streamlinedAPI _____?

Can anyone give me information _____ how _____ blend _____ _____ _____ if there _____ _____ _____ _____ access?

_____ can we get _____ _____ _____ _____ infrastructure using a api _____?

How _____ _____ accessible API _____ make it _____ _____ _____ into an _____ infrastructure?

_____ provide _____ about _____ _____ _____ and _____ it _____ facilitate seamless integration _____ various platforms in _____ organization

CanAPI access _____ _____ used to make _____ integration smooth _____ _____ _____?

_____ does the _____ _____ _____ _____ platform integration in the _____ infrastructure?

How can _____ _____ _____ theAPI documentation _____ _____ _____ feasible to use _____ throughout _____ infrastructure?

I had _____ question, how _____ _____ blend _____ ourinfrastructure, if _____ have _____ _____ _____ APIs _____?

_____ provide _____ _____ _____ _____ documentation and how it can _____ _____ integration into _____ _____ within the organization

I had a _____ _____ _____ _____ _____ _____ _____ ourinfrastructure if we had any docs on _____ _____.

_____ looking for _____ _____ _____ _____ seamless infrastructures integrate _____ the APIs

_____ information about _____ _____ documentation _____ _____ it can _____ integration _____ other platforms within _____ _____

_____ _____ information _____ the _____ documentation and _____ it can _____ seamless _____ _____ various platforms within the _____

Is _____ a _____ to ensure _____ _____ integration within our _____ are there _____ _____ docs _____ _____ _____ that?

To _____ _____ _____ into _____ platforms within your _____ _____ _____ information about the _____ documentation

How can we get _____ _____ across _____ _____ with _____ usage of _____ _____?

I _____ like to _____ _____ _____ documentation for _____ _____ aids _____ smoothly _____ _____ other platforms within our.

Please give information _____ theAPI documentation and _____ _____ _____ facilitate integration _____ _____ _____ _____ my _____.

_____ give information about the API documentation _____ _____ _____ _____ facilitate integration _____ _____ platforms _____ our _____.

_____ _____ us information _____ _____ _____ API documentation _____ be used _____ integrate _____ within _____ organization.

How can _____ _____ _____ doc _____ _____ _____ integration across our infrastructure.

How _____ _____ access _____ _____ _____ help _____ make platform integrations _____ efficient?

We _____ _____ to know how _____ availableAPI documentation will allow _____ _____ with _____ _____ inside _____ _____

_____ _____ access _____ _____ _____ _____ a _____ but does _____ help integrate into our infrastructure?

____ you ____ ____ document ____ ____ theAPI so that ____ infrastructure adoption ____ smooth?

____ ____ ____ anAPI ____ that ____ help platform ____ throughout the infrastructure?

"How could we ____ seamless ____ across ____ in ____ infrastructure, ____ on ____ is ____ aboutAPIaccess ____ ____

We ____ to ____ ____ the availableAPI documentation can ____ seamless integration ____ ____ ____ ____ our ____.

What ____ we do ____ get ____ ____ ____ ____ infrastructure using a APIs ____?

Can ____ for ____ ____ help ____ seamlessintegration ____ ____ platforms ____ the infrastructure?

____ you ____ any information regarding ____ ability ____ easily integrate ____ ____ company ____ the use ____ the ____?

____ ____ ____ find ____ that ____ allow ____ ____ into ____ platforms in our setup?

____ ____ theAPI documentation increase platform ____ ____ the ____?

How can ____ ____ ____ across ____ infrastructure ____ ____ ____ of theAPI docs?

Is ____ ____ doc which ____ ____ with platform integration ____ our ____?

I am curious ____ know ____ ____ ____ for ____ the ____ aids in integrating ____ ____ ____

I had a question ____ how ____ ____ ____ ourinfrastructure, ____ ____ got ____ documents with ____ to ____ API.

Would ____ give us ____ ____ about the role ____ ____ ____ in making ____ easy ____ platforms ____ ____ organization?

How can platform integration ____ helped ____ ____ to ____ ____?

Is ____ a way ____ ensure ____ platform integration in ____ organization, ____ ____ any access docs ____ ____ ____?

____ ____ ____ doc that ____ can ____ to integrate our ____?

Can ____ for the ____ help us ____ ____ integration of ____ ____?

Please ____ ____ ____ the ____ documentation and ____ ____ can ____ seamless integration into various ____ within the ____.

____ ____ theAPI ____ ____ platforms integration ____ the organization?

Is ____ ____ place for ____ ____ access documentation regarding streamlinedAPI integrations ____ ____ ____?

Can documentation ____ ____ ____ ____ ____ seamless integration within ____ infrastructure?

How does the documentation ____ ____ ____ increase ____ ____ ____ the organization?

____ there a way ____ ensure smooth platform ____ ____ our ____ ____ ____ any ____ docs we can ____?

Can you offer _____ documentation _____ _____ _____ integrate _____ other _____?

Can _____ _____ _____ _____ details _____ the _____ so _____ the adoption of organizational infrastructure _____ _____?

How _____ we make seamless _____ across platforms _____ our infrastructure based on _____ _____ _____ _____ _____ _____ documentation

How _____ _____ accessible API documentation _____ it easier _____ integrate _____ _____ _____?

_____ _____ we use thisAPI _____ _____ to make _____ _____ across _____ infrastructure?

_____ information _____ _____ documentation and _____ _____ can _____ integration with _____ platforms within our _____.

_____ _____ be _____ doc _____ _____ help _____ integration in the infrastructure?

I'm _____ _____ _____ _____ the _____ provided _____ _____ the API helps in smoothly integrating into _____ _____

_____ there a way _____ _____ smooth platform _____ in our organization, are there _____ _____ _____ we _____ _____ _____?

_____ documentation for _____ _____ _____ in _____ integration?

____ ____ like ____ know ____ about ____ role ____ the APIs ____ ____ making it ____ for ____ integration in our ____

____ ____ ____ ____ know ____ the availableAPI documentation will ____ ____ integration with other ____ inside ____ our company.

How ____ ____ documentation be used ____ ____ ____ different ____ within ____ ____ infrastructure smoothly?

____ can the ____ of ____ APIs documentation ____ for integration into ____ ____ ____?

____ ____ theAPI documents that ____ ____ platform ____ in our ____?

Documentation for ____ ____ the ____ is ____ but will ____ ____ ____ ____ into our infrastructure?

It would ____ ____ to know how ____ availableAPI documentation will ____ seamless integration with ____ ____ ____ ____ ____.

____ documentation for ____ access assist with seamless ____ ____ ____ ____ our ____?

Do you know ____ ____ ____ ability ____ easily ____ the ____ platforms ____ the use ____ ____?

In ____ ____ get platform integration across ____ infrastructure, ____ can ____ use ____ ____?

____ facilitate ____ ____ ____ platforms within the ____ please ____ information ____ the API ____.

How ____ we ____ platform ____ ____ our ____ ____ the use ____ ____ APIs docs?

Can you ____ me ____ about the ____ that ____ ____ has in ____ ____ ____ for platform ____ ____ the organization?

How can ____ use theAPI ____ ____ platform ____ in ____ ____?

Is ____ any entry materials that ____ work ____ ____ ____ ____ for ____ integration ____ the ____ into ____ platforms?

____ am ____ as ____ ____ much ____ is included ____ ____ ____ which can ____ in seamless integration

To help facilitate ____ ____ ____ ____ ____ within our organization, ____ provide ____ ____ the ____ documentation.

____ ____ facilitate ____ integration ____ various platforms within the ____ ____ ____ information ____ theAPI documentation.

Is ____ possible for ____ ____ be integrated ____ the organization ____ ____ ____ ____ documentation?

____ want ____ ____ what kind of documentation is provided ____ API access, which ____ help ____ smoothly integrating ____ ____ ____ ____ ____ infrastructure.

Please provide ____ ____ theAPI documentation ____ ____ ____ can be used ____ integrate ____ platforms ____ the ____

Do you ____ ____ information ____ the ____ ____ ____ APIs has ____ ____ ____ easy for platforms ____ the organization?

____ you know if ____ ____ a way ____ streamline ____ ____ integration ____ ____ of the available api-access ____?

Can ____ ____ ____ ____ ____ seamless integration with various platforms ____ ____ infrastructure?

____ ____ ____ documents which help ____ infrastructures ____ with the ____.

I am ____ to ____ ____ ____ ____ for ____ ____ API aids in ____ integrating ____ other platforms across ____ platform.

How ____ ____ accessible API documentation ____ ____ ____ ____ platforms ____ be ____ into the infrastructure?

In order to ____ seamless ____ ____ diversified ____ internally, please ____ the ____ ____ available documents ____ toAPI ____.

____ ____ theAPI ____ help with seamless ____ ____ platforms ____ your organization?

I ____ a ____ about how we ____ ____ ____ ourinfrastructure ____ ____ ____ ____ docs on APIs access.

____ ____ ____ ____ ____ seamless ____ across ____ ____ our infrastructure, based on what we ____ ____ API access documentation?

____ ____ possible ____ provide ____ ____ ____ ____ APIs to ____ smooth organizational infrastructure adoption?

Please ____ ____ about ____ ____ documentation can facilitate integration with ____ platforms ____ ____ ____.

____ you have ____ information about ____ role that the ____ ____ in making ____ ____ ____ ____ integration in our ____?

____ had a ____ ____ ____ ____ blend with ourinfrastructure, ____ we got ____ ____ ____ API access.

I ____ ____ question, ____ can we ____ with ourinfrastructure if ____ ____ any ____ on ____ ____ "

How could we ____ seamless integration across ____ ____ ____ infrastructure, based ____ ____ is ____ ____ APIs access ____?

____ ____ for ____ access ____ ____ seamless integration ____ multiple ____ in the infrastructure?

I'm curious to ____ how the ____ for ____ the ____ ____ ____ smoothly ____ into ____ ____

____ provide ____ about ____ ____ ____ ____ ____ be used to easily integrate platforms ____ our ____.

Can the ____ for ____ ____ ____ seamless ____?

____ ____ for theAPIaccess help ____ ____ ____ between platforms?

____ there more ____ about the ____ ____ ____ APIs has in ____ ____ ____ for platform integration ____ your ____?

____ can ____ get platform ____ ____ ____ ____ using a API doc?

Can theAPI ____ ____ ____ used ____ smooth ____ integration in our ____?

We ____ like ____ know ____ the ____ ____ will facilitate seamless ____ ____ our ____.

____ would ____ to ____ how ____ availableAPI ____ ____ ____ seamless integration in ____ company.
