[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Data usage and bandwidth queries
Inquiry Sub-Category	Bandwidth constraints
Description	Customers may have concerns about their bandwidth, such as slow internet speeds, inconsistent connection, or reaching data limits. They seek assistance in troubleshooting and optimizing their bandwidth for better performance.
Data Size	9,779 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

How _____ I _____ _____ _____ _____ or _____ are consuming excessive amounts _____ bandwidth _____?

Do you _____ _____ _____ _____ _____ high-bandwidth usage by specific _____ _____ gadgets?

_____ _____ apps and _____ consume _____ lot _____ bandwidth?

Is there _____ _____ to check _____ applications _____ _____ excess.

What _____ the best _____ _____ _____ _____ some gadgets _____ apps are hogging _____ capacity _____?

_____ _____ _____ _____ if certain _____ or apps are _____ _____ too much bandwidth?

_____ _____ question _____ how to detect _____ _____ consumption caused _____ _____ apps.

_____ _____ possible _____ _____ apps _____ gadgets are sucking _____ too _____ bandwidth?

Is my bandwidth _____ _____ _____ certain _____?

Can _____ _____ me _____ any particular _____ or _____ are _____ up _____ lot of _____?

_____ need to _____ if certain _____ or _____ _____ _____ bandwidth.

_____ can _____ find _____ if certain _____ _____ _____ are _____ too much bandwidth?

Do _____ gadgets and apps _____ _____ _____ _____ bandwidth?

Can you help me verify _____ _____ _____ _____ _____ excessive amount _____ _____?

Do you have _____ way _____ _____ _____ _____ applications and _____ use too _____ _____?

Is _____ a _____ _____ _____ _____ bandwidth usage _____ specific apps?

_____ _____ possible _____ some _____ or devices hog _____ much _____ work?

_____ _____ _____ _____ determine if some _____ _____ up _____ much bandwidth unnecessarily?

Can _____ give me a guide _____ _____ to _____ _____ _____ usage?

_____ there any _____ tools _____ _____ catch _____ applications _____ too much _____?

What _____ the best way to _____ if _____ apps _____ gadgets _____ _____ _____ _____?

_____ _____ know if _____ _____ waste some _____?

Should we _____ _____ to _____ _____ if _____ applications are _____ too _____ bandwidth?

_____ _____ _____ _____ a way to detect _____ bandwidth drain?

_____ I check _____ _____ _____ _____ in specific apps?

Do _____ _____ _____ apps _____ a lot of _____?

If _____ applications consume _____ _____ _____ _____ can _____ _____ _____ ways of monitoring them?

_____ certain _____ _____ excessive bandwidth?

Do ____ ____ ____ ____ up ____ lot of bandwidth?

I would like ____ ____ how to ____ high-bandwidth ____ ____ ____ applications.

How ____ I tell if ____ ____ ____ app is ____ ____ much ____?

____ you have any ____ ____ ____ if certain ____ ____ using ____ bandwidth unnecessarily?

If selected ____ ____ too ____ network ____ can ____ suggest efficient ways ____ ____?

____ ____ ____ how much data is ____ used for ____ ____ ____ devices?

There ____ a ____ ____ check if certain applications ____ too ____ ____.

____ ____ ____ know whether certain ____ or devices are ____ excessive ____.

Is there ____ ____ to ____ ____ usage from certain ____?

____ need ____ ____ how ____ can verify ____ there ____ unnecessary ____ consumption.

Could you ____ ____ identify unnecessary ____ ____ ____ specific applications?

Is ____ possible ____ ____ if ____ device or app ____ consuming ____ much ____?

Do ____ ____ ____ my ____ ____ ____ waste too much data?

____ you tell ____ ____ specific apps or ____ ____ sucking up a ____ ____ ____?

____ ____ I ____ ____ ____ sure that ____ ____ apps are not consuming too ____ ____ capacity?

____ ____ devices hogging too ____ ____?

____ ____ ____ identify ____ high-bandwidth usage ____ certain applications.

Is ____ possible to ____ unnecessary ____ consumption ____ ____ apps?

I want ____ learn how ____ ____ ____ high-bandwidth usage ____ particular ____.

Is ____ possible ____ identify unnecessary bandwidth consumption ____ certain ____ ____ ____?

Can you ____ ____ figure out if some apps ____ devices are ____ ____ ____ ____ ____?

How can ____ ____ out ____ ____ certain application or ____ ____ ____ excessive bandwidth?

____ there ____ ____ ____ know ____ certain applications use ____ bandwidth.

Is ____ ____ ____ ____ unneeded bandwidth by certain ____?

____ wonder ____ ____ applications and devices ____ ____ too ____ bandwidth.

____ ____ know ____ much bandwidth ____ ____ used for ____ devices?

____ ____ can ____ use to find ____ which ____ ____ ____ more internet capacity?

____ there a way ____ ____ ____ that consume too much ____ ____?

____ ____ a way for me to ____ if ____ ____ ____ ____ too ____ bandwidth?

____ can I ____ out ____ the equipment used ____ ____?

How do I ____ if a ____ ____ ____ ____ using ____ ____ bandwidth?

____ ____ to ____ ____ some devices ____ ____ eat up too ____ bandwidth.

____ ____ ____ hogging too much ____ for ____?

____ ____ any ____ ____ my internet?

____ would like to ____ ____ to ____ unnecessary high-bandwidth ____ ____ applications ____ gadgets.

Is there ____ chance ____ some ____ ____ ____ ____ much bandwidth?

____ ____ ____ ____ methods to determine ____ certain applications and devices are ____ ____ bandwidth ____?

____ tell me ____ ____ applications are ____ ____ much bandwidth.

____ I figure ____ ____ ____ ____ are hogging too much web ____?

It is ____ that ____ applications or ____ ____ up ____ amounts ____ ____.

____ you know ____ my ____ use ____ ____?

Is ____ a ____ ____ determine ____ ____ devices consume too ____ bandwidth.

Is it ____ to ____ to ____ if ____ ____ use ____ bandwidth?

____ do I ____ ____ ____ uses too ____ broadband?

____ you ____ me determine if ____ apps ____ ____ much ____?

____ ____ suggest efficient ____ ____ observing ____ that consume ____ much ____ throughput?

Is it ____ ____ check ____ ____ for specific ____ and ____?

Is there a ____ ____ identify excess ____ ____ caused ____ ____ apps?

Is it ____ some ____ ____ devices ____ ____ too ____ bandwidth?

____ these gizmos ____ ____ ____ your bandwidth?

_____ you help verify _____ _____ applications or _____ _____ hogging _____ _____ bandwidth?

Do you _____ _____ _____ determine _____ _____ applications and devices _____ using excessive _____?

Is _____ _____ to _____ excessive bandwidth _____ by _____ apps?

How can _____ tell if _____ _____ use too _____ _____ _____?

_____ _____ _____ figure out if _____ _____ are using excessive _____.

Can _____ _____ me _____ if any applications _____ _____ are _____ _____ bandwidth?

Can I see _____ much bandwidth _____ used for _____ _____ _____ _____?

_____ want to _____ _____ specific _____ or hardware _____ _____ amounts _____ data.

_____ do I have to _____ to detect _____ _____ usage _____ _____ _____?

_____ _____ I identify _____ utilization _____ network _____?

_____ there a _____ _____ _____ and restrict high-bandwidth usage _____ _____ apps?

_____ _____ to _____ if certain software _____ excessive broadband _____.

_____ _____ a way to see if specific _____ use _____ _____ _____?

_____ _____ to _____ _____ if _____ applications or devices are _____ too _____ bandwidth.

How can _____ _____ if _____ _____ _____ are consuming _____ much bandwidth?

What should I do _____ find _____ _____ _____ network _____ caused _____ _____ apps?

Can _____ tell if _____ device is _____ _____ _____?

_____ devices _____ _____ _____ bandwidth in _____ ways?

Do apps _____ _____ _____ my _____?

_____ devices or _____ are consuming _____ _____ _____ necessary?

Is _____ _____ wasting my _____?

_____ it _____ to identify unnecessary bandwidth _____ _____ certain _____ _____ applications?

_____ you tell if _____ _____ are _____ _____ lot of _____?

Is it _____ to _____ unnecessary _____ usage for _____ _____?

Do _____ gadgets and apps _____ _____ _____ _____ of bandwidth?

Which methods _____ _____ use _____ discover which _____ _____ devices use _____ _____ internet _____?

Is there _____ _____ _____ _____ excessive _____ usage?

Is there _____ efficient _____ of _____ if _____ applications consume _____ much _____ _____?

I need _____ _____ out if _____ programs _____ hardware consumes _____ _____ _____ data.

_____ _____ _____ _____ _____ determine _____ certain applications are using _____ much bandwidth.

_____ _____ _____ way to _____ out if an _____ uses excessive _____?

_____ _____ to _____ sure specific _____ eat _____ more _____ than is _____.

Can I keep _____ eye _____ the data usage _____ _____ _____ _____ _____?

How _____ I _____ out _____ some _____ _____ _____ the bandwidth?

Can you _____ _____ find _____ _____ applications and devices are _____ _____ _____ bandwidth?

_____ _____ I _____ if _____ device or _____ has too _____ bandwidth?

_____ _____ the best _____ to detect any _____ data _____ _____ _____ software and _____?

_____ my applications _____ _____ bandwidth?

Can _____ help _____ _____ _____ if any applications _____ _____ are _____ _____ much bandwidth?

_____ I find _____ _____ _____ devices overload the _____?

_____ _____ discover _____ _____ apps _____ hogging too much _____ space?

_____ methods be used to determine _____ _____ applications or _____ _____ using _____ _____.

_____ should _____ identify _____ utilization _____ _____ resources _____ certain applications?

_____ _____ help me determine _____ some devices _____ apps consume _____ _____ _____?

You _____ _____ apps or _____ _____ too much _____?

I am _____ _____ _____ a _____ _____ _____ _____ identify unnecessary high-bandwidth usage.

There may _____ apps or devices _____ use _____ _____ _____.

Do you _____ _____ methods to _____ if _____ applications or _____ _____ using _____ _____?

Is _____ possible to _____ _____ overuse caused _____ specific _____ or _____.

_____ my _____ _____ devices _____ _____ lot of bandwidth?

How can _____ know if _____ applications _____ _____ _____ bandwidth?

_____ _____ _____ _____ to detect excess utilization of network resources _____ by _____ _____?

_____ _____ _____ to _____ _____ utilization of network resources, _____ should _____ do?

_____ applications _____ devices _____ consuming _____ _____ than necessary?

Is _____ possible _____ _____ bandwidth _____ _____ _____ _____ specific applications or devices?

_____ you know how _____ _____ _____ high-bandwidth _____ by particular _____?

_____ _____ possible _____ _____ _____ high-bandwidth usage by particular applications?

How _____ _____ _____ out if certain _____ and _____ use _____ bandwidth?

_____ _____ to find _____ _____ _____ software uses excessive broadband _____.

Can _____ be a way _____ _____ _____ _____ usage?

Can _____ _____ if _____ _____ waste _____ _____ of wi-fi juice?

I need to _____ if certain _____ or _____ _____ _____ _____ bandwidth.

_____ _____ I _____ if _____ _____ that certain applications are consuming too _____ _____?

Is it _____ _____ watch _____ usage _____ specific _____?

How _____ _____ _____ any _____ data usage _____ certain software?

_____ I need _____ _____ if certain applications _____ consuming _____ _____ bandwidth?

Is _____ a way _____ _____ if _____ is _____ _____ much network _____.

How _____ _____ find out if particular software _____ _____ _____?

_____ _____ _____ data _____ problem for _____ apps and devices?

Is _____ any way _____ identify if _____ applications/devices _____ _____ my _____?

I _____ to know how _____ find _____ _____ _____ _____ certain devices.

_____ there an efficient _____ _____ monitoring if _____ _____ consume a _____ of _____ _____?

What is _____ best way to _____ _____ _____ or gadgets are _____ _____ _____?

_____ it _____ to _____ unnecessary bandwidth _____ by some _____?

_____ _____ able to catch those _____ _____ consume excessive _____?

_____ _____ _____ to determine whether certain _____ _____ _____ consume _____ much bandwidth?

_____ can I _____ if _____ _____ are _____ bandwidth?

I _____ tell _____ _____ stuff _____ _____ _____ of the internet.

How do I _____ if _____ _____ _____ _____ much broadband?

_____ there _____ _____ _____ check which applications are _____ _____ _____ internet time?

Can _____ _____ _____ _____ devices consume _____ much bandwidth?

_____ it _____ _____ monitor bandwidth _____ _____ certain apps?

There _____ _____ _____ check for _____ internet _____.

_____ _____ to _____ how _____ _____ unnecessary high-bandwidth usage _____ gadgets _____ applications.

_____ it possible _____ tell if some applications _____ _____ _____?

Can I _____ _____ amount _____ bandwidth used _____ _____ apps?

_____ can I _____ _____ applications _____ devices are _____ bandwidth?

Are _____ applications _____ _____ internet?

_____ _____ I _____ _____ _____ _____ and devices are consuming too much _____?

_____ _____ tell me _____ _____ _____ or gadgets _____ _____ up too much bandwidth?

_____ me know if these applications _____ _____ up _____ _____.

_____ _____ to know _____ _____ identify high-bandwidth usage _____ certain _____.

_____ _____ I _____ _____ certain _____ and _____ are not consuming _____ much bandwidth?

Is _____ _____ _____ _____ _____ for _____ bandwidth usage in specific apps?

I _____ _____ figuring out _____ applications _____ unnecessary _____.

Is _____ a way to check _____ _____ _____ the most _____ _____?

What _____ I do to _____ sure _____ my _____ _____ _____ consuming _____ much _____?

I _____ to know _____ _____ _____ _____ hardware consume _____ _____ of data

_____ _____ too _____ data being _____ by some _____ and _____?

What _____ _____ _____ to determine _____ certain _____ consume _____ much bandwidth?

_____ _____ like _____ _____ if specific _____ or hardware devour unneeded _____.

_____ there _____ _____ to make sure that certain _____ don't _____ _____ much _____?

_____ wants to know _____ _____ is a way _____ _____ _____ _____ consumption.

_____ you tell me if _____ _____ _____ _____ _____ consuming _____ lot of bandwidth?

_____ it _____ to _____ _____ _____ usage for specific apps?

_____ it possible _____ check _____ _____ _____ apps _____ consuming too _____ network capacity?

Do you _____ _____ to _____ apps _____ _____?

_____ _____ possible to _____ bandwidth _____ usage _____ by certain _____ _____ devices?

Can _____ find out _____ some _____ _____ _____ overload the _____?

Is _____ _____ to _____ bandwidth consumption _____ _____ apps?

Can _____ _____ _____ _____ of _____ if applications consume too much _____ _____?

Is there _____ way _____ identify _____ _____ _____ _____ certain devices?

_____ do I _____ _____ _____ software uses _____ broadband?

_____ _____ _____ _____ _____ a certain app _____ device consumes too much _____?

Is there a _____ _____ check _____ _____ _____ use?

Tell me, _____ these _____ draining _____ my _____ _____?

Can anyone tell _____ if _____ _____ _____ consume _____ amounts _____ data?

_____ it _____ to _____ _____ _____ are consuming too much _____ time?

I would like _____ know _____ certain applications _____ _____ use _____ _____.

_____ my _____ and _____ hog _____ _____ bandwidth?

_____ _____ best way to determine _____ some _____ are _____ _____ _____ unnecessarily?

_____ I _____ out if _____ equipment uses _____ _____?

_____ do _____ make sure that _____ _____ _____ devices are _____ _____ too _____ bandwidth?

Do _____ _____ _____ ways _____ _____ which applications _____ internet excess?

I _____ _____ know if some apps _____ _____ are eating _____ too _____ _____.

_____ there a way to _____ _____ _____ usage _____ certain software/ _____?

_____ need _____ know _____ to _____ if certain applications _____ _____ are _____ too _____ bandwidth.

Is _____ _____ to detect _____ bandwidth consumption _____ _____ _____ apps?

_____ there a _____ _____ know _____ _____ application uses excessive _____?

Is there a way _____ _____ the _____ _____ _____ _____ data?

How can _____ _____ if _____ _____ are _____ too much _____?

Do these apps _____ gadgets _____ _____ _____ than _____?

Should we use _____ to _____ if _____ _____ and _____ are using _____ _____ _____?

Is _____ _____ to _____ excessive network _____ by apps _____ _____?

Do _____ know _____ _____ _____ and programs _____ extra data?

Do _____ applications _____ _____ _____ too much _____?

I want _____ identify excess usage _____ network _____ _____ _____ _____ apps.

_____ methods _____ I _____ _____ _____ out _____ _____ use up my internet?

_____ _____ devices hogging _____ bandwidth?

Can _____ tell _____ if the _____ _____ are sucking _____ a _____ of _____?

Is _____ _____ _____ to _____ if the applications _____ _____ bandwidth?

Can _____ find out if _____ _____ _____ _____ much _____ stuff?

_____ _____ are hogging _____ bandwidth more _____ _____?

_____ it _____ to _____ unnecessary bandwidth _____ for specific _____?

How can I _____ out _____ certain _____ _____ consuming _____ much _____?

Is it _____ _____ some _____ or _____ are hogging _____ _____ bandwidth?

_____ _____ know how to _____ if _____ applications hogging _____.

Some _____ or _____ _____ _____ capacity unnecessarily, _____ is _____ _____ way to tell?

How can I _____ out _____ software _____ equipment _____ _____ much _____?

_____ there too much data usage _____ _____ apps _____ _____?

Can _____ tell _____ certain _____ _____ sucking _____ a lot of _____.

_____ _____ _____ efficient _____ of monitoring _____ _____ applications consume a _____ _____ network throughput?

_____ there specific _____ or _____ that _____ bandwidth _____ use?

What _____ I do to make sure that _____ _____ _____ _____ too _____ _____ _____?

Is it possible _____ _____ apps _____ _____ are _____ _____ lot of _____?

How can _____ _____ if _____ _____ is _____ bandwidth.

_____ _____ a _____ to determine if certain _____ _____ _____ too much _____?

_____ _____ possible _____ _____ applications _____ devices _____ using too much bandwidth?

Can you help _____ _____ _____ any _____ _____ devices are _____ _____ lot _____ bandwidth.

What steps _____ _____ take to _____ _____ data _____ from certain _____?

Do these apps and gadgets _____ _____ _____ than _____ _____?

I _____ like to know _____ _____ is _____ bandwidth usage _____ _____ _____.

Please _____ _____ _____ determine if certain applications _____ _____ _____ bandwidth.

_____ _____ I _____ to find _____ _____ _____ software uses too _____ broadband?

Make _____ _____ _____ uses extra _____?

I was _____ if there _____ _____ way to identify _____ _____ _____.

Are _____ _____ to check _____ _____ are _____ the internet?

There are tips _____ _____ _____ _____ applications use my bandwidth _____ _____.

Is it _____ _____ _____ the _____ of bandwidth for _____ _____?

_____ you _____ me if certain gadgets are _____ a _____ _____ _____.

I _____ _____ _____ if I can verify _____ _____ _____ unnecessary bandwidth _____.

Do you _____ _____ my gadgets _____ _____ _____ up too _____ data?

Tell me, are _____ _____ _____ my _____?

_____ there a better way _____ _____ whether some _____ _____ gadgets hog _____ _____?

_____ there _____ way to identify _____ utilization _____ network resources caused _____ _____ _____?

What is the _____ _____ _____ _____ _____ apps and gadgets _____ network _____ unnecessarily?

Can _____ help me _____ out if _____ devices _____ consuming _____ _____ _____?

Which apps _____ _____ _____ _____ more _____ necessary?

There is _____ _____ _____ check _____ _____ applications use _____ lot of _____.

How can _____ _____ _____ which apps use _____ _____ _____ the most?

_____ steps should be taken to detect increased _____ _____ _____ certain _____ _____ _____?

I can't tell _____ certain _____ _____ _____ lot _____ _____ juice.

_____ devices _____ apps use _____ _____ data

I need to _____ how _____ verify _____ there _____ _____ _____ use.

Is there a _____ _____ check _____ specific apps _____ _____ _____ of _____ allotted _____?

_____ it _____ _____ _____ excess _____ of _____ resources by certain apps?

Is _____ possible to _____ _____ network resources _____ _____ applications and _____?

_____ want to know _____ _____ devices _____ apps _____ _____ _____ much bandwidth.

_____ my _____ _____ _____ too much bandwidth?

_____ there _____ way _____ me _____ _____ _____ my devices _____ too much bandwidth?

_____ _____ _____ _____ to check _____ applications are consuming more internet _____?

_____ can I know _____ _____ are _____ _____ hogging bandwidth?

_____ there a _____ to identify excessive network _____ _____ _____ _____ and _____?

Are there _____ ways _____ _____ if _____ applications consume _____ _____ _____ throughput?

How _____ _____ tell _____ something has _____ much _____ juice?

_____ advise _____ _____ _____ determine if _____ applications _____ using too _____ bandwidth.

_____ want _____ know _____ _____ identify _____ usage _____ particular applications.

_____ it possible _____ you _____ identify _____ _____ _____ by _____ applications or devices?

_____ you know if _____ programs _____ _____ end up wasting _____ _____?

Can _____ _____ _____ _____ some of the _____ are hogging _____ web?

____ ____ the best ____ to ____ if ____ ____ hogging network ____ unnecessarily?

____ you know ____ my programs ____ ____ ____ ____ data ____ they should?

Are ____ ____ hogging ____ internet?

____ ____ ____ I ____ to see if certain equipment ____ consuming ____ ____ network ____?

____ apps ____ ____ hog network ____ ____ what's the best ____ ____ know?

Is ____ ____ way ____ identify bandwidth ____ utilization caused by ____ applications ____ ____?

How ____ ____ ____ excess use ____ network resources caused by ____ ____?

____ can I ____ if ____ devices ____ ____?

____ you know if my ____ ____ ____ ____ ____ they should?

____ ____ ____ me ____ ____ some apps ____ ____ too much bandwidth unnecessarily?

How ____ ____ ____ if certain ____ ____ consuming too ____ bandwidth?

____ ____ possible to ____ ____ the ____ hog the bandwidth?

____ ____ possible ____ identify ____ ____ applications or devices use my ____ too ____?

Can you suggest ways ____ keeping ____ eye ____ applications that ____ ____ ____ ____ ____?

Is it possible that some devices ____ ____ ____ ____ ____ much ____?

Do ____ ____ and gadgets really ____ ____ ton ____ bandwidth?

How ____ ____ ____ ____ if ____ applications and ____ ____ using excessive bandwidth?

What ____ ____ best ____ ____ ____ if some ____ hogging network capacity ____?

____ it ____ to see if ____ ____ ____ ____ too much bandwidth?

____ about making sure ____ applications ____ up more ____ ____ ____ need?

How ____ I ____ out ____ certain apps ____ too ____ ____?

Is ____ a way to ____ ____ certain ____ ____ hogging ____ bandwidth.

Is it possible ____ check ____ ____ applications ____ ____ excessive ____ of ____?

____ would like to ____ ____ high-bandwidth usage ____ particular ____ ____ gadgets.

____ ____ ____ ____ check bandwidth consumption ____ applications?

____ applications consume too much ____ throughput, ____ ____ ____ efficient ways ____ ____?

There are ____ to ____ which applications ____ ____ the ____ ____.

____ it ____ to monitor ____ ____ for ____ apps ____ devices

Is ____ any ____ to find out which ____ ____ ____ ____ ____ capacity ____ most?

____ apps are ____ more ____ ____ they ____?

____ can ____ determine ____ some apps ____ too much ____?

Is ____ ____ way to ____ ____ and ____ for ____ bandwidth?

I don't ____ ____ to ____ if ____ stuff ____ too ____ ____ juice.

Is there ____ ____ to check ____ certain ____ and devices ____ ____ ____ bandwidth?

____ you ____ if certain applications ____ ____ ____ ____ excessive bandwidth?

____ you tell ____ ____ ____ can spot apps hogging too ____ ____?

____ I ____ out ____ some ____ hog ____ web?

How ____ ____ discover ____ ____ uses ____ broadband?

____ you tell ____ ____ applications ____ too much ____?

I ____ ____ ____ ____ apps ____ my internet.

____ ____ tell if certain things ____ too ____ ____.

____ ____ I do ____ make ____ ____ equipment ____ not ____ too much ____ capacity?

____ some ____ or gadgets hog ____ capacity ____ ____ ____ the ____ ____ to determine?

What is the ____ ____ ____ determine if ____ apps ____ gadgets ____ the ____?

____ ____ to identify ____ utilization ____ ____ ____ ____ by certain apps, ____ measures ____ I use?

____ there a ____ ____ check if a ____ uses ____ ____ ____ bandwidth?

____ there an ____ way to monitor applications ____ they ____ too ____ ____ ____?

____ can ____ determine if ____ ____ and ____ ____ using ____ much bandwidth?

How can ____ know which ____ use ____ my ____ ____?

Is there ____ way ____ ____ ____ hogs?

____ ____ can ____ take ____ find out if equipment ____ ____ too ____ capacity?

____ ____ I ____ if some apps ____ gadgets hog ____ capacity ____?

____ ____ ____ ____ if a certain ____ ____ app is consuming unnecessary ____?

____ ____ help ____ figure ____ ____ specific programs or ____ consume useless ____?

Can you ____ ____ ____ ____ ____ any applications ____ ____ are consuming an excessive amount ____ ____?

____ don't ____ if I ____ ____ if ____ stuff uses ____ ____ wi-fi juice.

____ there any ____ ____ ____ wasting ____ bandwidth?

I need ____ ____ ____ ____ certain applications are using ____ much ____.

____ should ____ ____ to ____ excess usage of network resources ____ ____ ____?

____ it possible ____ ____ usage for ____ ____?

____ ____ I make ____ ____ my equipment ____ ____ consuming too ____ network capacity?

How can ____ ____ if some ____ are ____ the ____?

Can ____ ____ ____ suggestions ____ ____ ____ monitor applications that consume too ____ ____ throughput?

Is ____ ____ ____ ____ to determine ____ an app ____ device hogs network ____ ____?

____ ____ I ____ if certain apps are ____ too much ____ ____?

____ it possible ____ ____ apps ____ devices hog ____ much ____ data?

____ you help me ____ ____ if ____ apps ____ ____ consume ____ much bandwidth?

What methods ____ I ____ ____ find ____ which ____ ____ up too ____ internet?

____ ____ I ____ ____ which apps ____ ____ are using up ____ internet capacity?

____ ____ ____ ____ identify if particular applications or ____ use my ____?

You ____ help ____ identify ____ high-bandwidth ____ ____ particular applications ____ gadgets.

I'm wondering ____ ____ ____ ____ hardware consume ____ amounts ____ data.

____ you ____ me determine ____ some devices and apps are ____ ____ ____ ____?

Is it ____ to identify if ____ ____ ____ ____ ____ my bandwidth?

How ____ I know if a ____ ____ ____ ____ ____ too much ____?

____ ____ help me ____ ____ some ____ or devices ____ ____ much bandwidth?

____ it possible ____ detect ____ bandwidth ____ by ____ devices?

____ it possible to check if ____ ____ consuming an ____ ____ ____ ____?

____ ____ I ____ if something is ____ too ____ bandwidth?

____ there ____ way ____ ____ ____ bandwidth ____ caused by specific devices?

____ ____ a ____ to spot ____ ____ ____ by specific gadgets?

Is there ____ ____ to identify and ____ ____ usage ____ ____ apps?

Any suggestions ____ ____ ____ identify ____ that use ____ bandwidth?

____ it possible ____ ____ if ____ device ____ ____ too much bandwidth?

Can ____ ____ how ____ ____ is used ____ specific apps and ____?

____ you think you ____ spot apps ____ ____ much ____?

Can you tell ____ ____ ____ applications or ____ ____ ____ over utilization?

____ need to ____ if some ____ ____ apps ____ up ____ ____ bandwidth.

____ it ____ ____ identify excessive ____ usage ____ certain apps?

Can ____ tell ____ ____ specific ____ ____ ____ ____ useless amounts of data.

Is ____ ____ way to restrict ____ usage from ____ ____?

Is ____ ____ ____ ____ apps or ____ hog ____ much web space?

____ need ____ ____ ____ some apps or ____ consume too much ____.

____ there any ____ ____ know ____ certain applications ____ devices ____ ____ bandwidth?

I'm not ____ ____ to ____ ____ bandwidth ____.

What ____ I do in ____ to detect ____ increased ____ ____ ____ ____ devices?

____ there a ____ way ____ determine ____ some ____ are ____ ____ capacity unnecessarily?

Is it possible to ____ ____ that ____ too ____ ____ ____ unnecessarily?

Is ____ a ____ ____ determine if some ____ ____ ____ eat ____ too ____ bandwidth?

____ can ____ track ____ amount ____ network ____ consumed by selected ____?

How _____ _____ know _____ some devices _____ hogging the _____?

_____ do _____ check to _____ if certain _____ _____ _____ too _____ bandwidth?

_____ there _____ _____ _____ _____ _____ _____ apps eat up too much bandwidth?

Is _____ possible to check if _____ _____ _____ _____ much bandwidth?

There _____ a way to detect _____ network _____ _____ _____ _____.

Do you have a _____ _____ _____ _____ _____ applications _____ using _____ bandwidth?

Do _____ have any _____ to determine _____ _____ applications or _____ are _____ excessive _____ _____?

I want to _____ how to _____ _____ _____ _____.

I _____ _____ _____ there _____ a _____ _____ check if _____ _____ use too much bandwidth.

How _____ I restrict _____ _____ from _____ _____?

Is _____ possible _____ _____ _____ network usage _____ particular apps?

Does _____ _____ _____ specific programs _____ hardware consume a _____ of _____?

I need _____ _____ if there _____ _____ _____ of _____ _____ _____ applications or devices.

Is _____ _____ _____ track unnecessary _____ of _____ resources _____ certain applications?

Is it _____ to tell _____ some _____ _____ _____?

_____ you know if _____ _____ _____ _____ data?

_____ _____ _____ to check _____ certain equipment is _____ too _____ _____ capacity?

Is there _____ _____ _____ _____ if _____ apps _____ devices _____ too much bandwidth?

Can you _____ _____ about the bandwidth _____ _____ caused _____ _____ applications?

I would like _____ _____ if _____ _____ any _____ consumption of _____ _____ _____ applications.

How _____ I _____ if the _____ are using _____ _____?

_____ _____ _____ how _____ find out if particular software _____ _____ _____ broadband.

_____ you tell me _____ _____ apps are _____ _____ _____ of bandwidth?

Can _____ help me verify if applications _____ _____ _____ _____ _____ _____ _____ of bandwidth?

_____ do I _____ _____ the equipment I _____ uses _____ much _____?

_____ _____ suggest _____ _____ _____ applications _____ consume too much network throughput?

Can you tell _____ _____ certain _____ _____ _____ a lot of _____?

_____ _____ monitor usage of _____ for _____ _____?

_____ it _____ to _____ _____ specific _____ or devices _____ too _____ bandwidth?

Do _____ _____ _____ I _____ determine if _____ _____ eat _____ too much bandwidth?

_____ _____ _____ know if a _____ or _____ _____ _____ too much bandwidth?

_____ don't know _____ to _____ _____ whether certain _____ _____ using _____ bandwidth.

I am _____ to _____ if any applications or _____ are _____ _____ _____ amount _____ _____.

_____ methods should _____ _____ to identify _____ use of _____ _____?

How _____ we make _____ there _____ _____ wasted _____?

_____ _____ a more _____ _____ of _____ applications _____ consume too _____ network throughput?

Can _____ help me determine _____ any applications _____ devices are _____ _____ _____ _____.

Is _____ _____ to check _____ _____ equipment is _____ too _____ network _____?

Is _____ a way _____ _____ out _____ _____ _____ uses excessive _____ unnecessarily?

Any way to _____ _____ _____ _____ is being _____?

_____ there _____ way _____ detect excessive _____ use _____ specific _____?

What _____ _____ I _____ _____ _____ if my equipment is consuming _____ _____ capacity?

What _____ the _____ _____ _____ figure out if _____ _____ gadgets hog _____ capacity?

_____ _____ _____ me _____ out if _____ apps eat up _____ lot of _____?

I _____ to _____ if _____ applications use _____ _____.

_____ _____ _____ that you _____ _____ apps or gadgets hogging too _____ _____?

_____ you help identify _____ restrict high-bandwidth usage _____ _____ _____?

Is there a way _____ _____ high-bandwidth _____ _____ some _____.

_____ it _____ to identify bandwidth over _____ caused _____ _____ _____?

Which methods _____ I _____ _____ _____ out which apps _____ _____ _____ my internet _____?

_____ it _____ _____ you to _____ _____ over _____ caused _____ specific applications?

_____ wonder _____ _____ _____ and devices are _____ too _____ data.

Any _____ _____ _____ to identify applications that _____ _____ bandwidth _____ most?

_____ there a way _____ _____ _____ certain _____ _____ a _____ of bandwidth?

Do _____ apps _____ _____ _____ _____ _____ lot of your precious bandwidth?

How can _____ _____ _____ _____ application is hogging _____?

_____ _____ _____ devices _____ hogging my _____ unnecessarily?

_____ _____ I _____ _____ _____ _____ waste too much wi-fi juice?

Which _____ _____ devices _____ consuming _____ much _____?

I _____ _____ know how _____ can verify _____ _____ _____ unnecessary consumption of _____.

Is there a _____ _____ check _____ applications _____ up _____ _____?

_____ _____ _____ devices may _____ using too much _____.

I _____ to know _____ some _____ or devices consume _____ _____ _____.

Know _____ _____ make sure _____ applications eat _____ _____ _____ broadband _____ needed.

_____ need your assistance in _____ _____ _____ or _____ _____ consuming too much _____.

_____ _____ _____ best _____ _____ identify excess network utilization _____ by _____ apps?

_____ _____ device _____ too _____ bandwidth?

_____ _____ and _____ _____ consuming my _____ unnecessarily?

Can you _____ _____ determine _____ some _____ _____ consuming _____ much bandwidth.

_____ _____ possible that _____ _____ or apps _____ too _____ web stuff?

_____ these _____ and apps _____ _____ _____ much of your _____?

_____ _____ how _____ _____ if certain _____ _____ devices use my bandwidth.

Are you _____ _____ _____ apps hogging _____ _____ bandwidth?

Is _____ any way _____ identify _____ _____ consumption _____ _____ devices?

_____ _____ _____ _____ to _____ if _____ applications are consuming _____ much bandwidth?

There _____ ways to _____ for _____ _____ _____.

_____ you _____ me figure _____ which _____ _____ _____ much bandwith?

What _____ I do _____ check if _____ _____ apps _____ consuming _____ much _____ _____?

Is _____ _____ hogging _____ many _____?

What _____ the _____ _____ to _____ unnecessary bandwidth _____ _____ certain devices?

Is it possible _____ some _____ or _____ _____ hogging too _____ _____ _____?

Can _____ _____ the amount _____ bandwidth _____ _____ specific applications?

How _____ I tell if an app _____ _____ _____ too _____ _____?

I _____ to _____ _____ certain _____ _____ excessive broadband unnecessarily.

_____ can I _____ _____ _____ _____ specific applications?

Can _____ _____ me verify if _____ _____ devices _____ _____ a _____ of bandwidth?

Some apps _____ network _____ _____ _____ the best way _____ _____?

_____ there _____ _____ to see _____ _____ apps _____ too much _____ my bandwidth?

Is _____ a _____ _____ monitor bandwidth _____ for _____ apps?

Is _____ anything I _____ do _____ identify applications _____ _____ _____ bandwidth _____ most?

Can you help me _____ _____ _____ some _____ and _____ _____ _____ much bandwidth?

How _____ _____ _____ no _____ bandwidth?

_____ _____ _____ way to _____ excessive bandwidth _____ caused by specific _____?

_____ there a way _____ see _____ certain applications _____ _____ much _____.

_____ may be a way _____ _____ excessive network _____ _____ specific _____.

Is it _____ _____ some _____ and devices _____ _____ _____ lot of _____?

I _____ if _____ _____ spot _____ hogging _____ much bandwidth.

_____ certain _____ _____ _____ using excessive bandwidth _____?

Can you _____ _____ _____ _____ identify _____ _____ usage by specific applications?

_____ _____ _____ detect _____ data usage from certain _____ _____ devices?

_____ _____ a _____ _____ check _____ _____ _____ are consuming too much network capacity?

_____ there a _____ _____ _____ _____ particular applications or _____ use _____ much bandwidth?

_____ you have any ways _____ check _____ applications are _____ _____ _____ internet _____?

Are some _____ _____ devices _____ my _____?

Is _____ any _____ _____ identify _____ particular _____ are hogging my _____?

_____ _____ _____ _____ to detect increased data usage _____ _____ _____ and devices?

_____ _____ _____ way to _____ _____ some gadgets hog network capacity _____?

_____ _____ know if _____ _____ _____ _____ hog too much web space.

_____ there a _____ _____ me _____ check if the _____ I _____ consume _____ much _____?

_____ can _____ know _____ some applications _____ using _____ _____ bandwidth?

_____ _____ sure how _____ _____ _____ if there is _____ _____ of bandwidth.

Can _____ _____ _____ _____ gadgets or apps are _____ a lot _____ _____?

_____ you _____ if certain apps _____ _____ _____ hogging bandwidth?

Should methods _____ _____ _____ _____ if certain applications are _____ too _____ _____?

Can anyone _____ _____ _____ hardware or _____ consume _____ data?

_____ _____ _____ _____ monitor data _____ for particular apps?

Can you _____ me _____ out if some _____ _____ too _____ _____?

_____ it _____ to detect _____ bandwidth _____ for certain _____?

_____ _____ possible that _____ apps or devices are eating _____ _____ _____ _____?

_____ apps _____ gadgets hog _____ _____ unnecessarily _____ _____ is the best _____ _____ tell?

Should we _____ _____ _____ determine if _____ applications are using _____ _____?

Is it _____ _____ identify _____ overconsumption caused _____ _____ applications?

_____ _____ tell if _____ _____ hogging bandwidth?

_____ can I figure _____ _____ _____ _____ is being _____ _____ certain devices?

If _____ _____ or devices are consuming _____ _____ _____ what _____ _____ do?

I'm wondering _____ _____ _____ _____ devices _____ using excessive _____ without _____ reason.

Do _____ _____ the _____ to _____ gadgets _____ _____ hogging too _____ bandwidth?

How _____ I know if certain _____ _____ _____ _____?

Is _____ a way to _____ _____ _____ in certain _____?

Can you _____ verify if _____ _____ are _____ _____ _____ bandwidth?

_____ _____ _____ make sure _____ _____ _____ eating up more _____ than necessary.

_____ _____ _____ assistance in determining _____ _____ or _____ are _____ an excessive amount of _____.

Is it _____ that some _____ _____ devices _____ _____ much _____ material?

Is some apps _____ _____ _____?

Tell _____ _____ _____ _____ _____ draining my precious internet?

_____ _____ _____ _____ a way to detect _____ bandwidth drain.

_____ _____ are eating _____ my bandwidth in _____ _____ way?

Can _____ _____ me check _____ any _____ or devices _____ consuming _____ _____ amount _____ bandwidth?

_____ _____ help me find out if _____ _____ or _____ consume too _____ _____?

_____ _____ I _____ _____ detect data usage that is _____?

_____ some _____ _____ devices _____ too much _____?

Which apps are _____ _____ _____ _____ _____ necessary?

How _____ I determine _____ _____ and devices use _____ _____ internet _____?

Understand _____ _____ make sure _____ _____ eat up more _____ than _____.

_____ want _____ know if _____ _____ verify if _____ is _____ _____ of bandwidth.

Is there _____ _____ to detect _____ certain _____ use _____ _____ bandwidth?

Should I _____ measures to identify excess _____ of _____ _____ _____ _____ _____?

_____ _____ _____ _____ _____ if there is _____ _____ to detect _____ bandwidth consumption caused _____ specific apps.

_____ _____ apps _____ a lot of _____?

_____ _____ _____ methods to _____ _____ certain applications and devices are _____ too _____ _____.

____ ____ have ____ methods ____ determine ____ certain applications or devices ____ ____ much ____?

____ ____ possible that ____ apps ____ ____ are ____ ____ lot of bandwidth?

____ my devices ____ up too ____ ____?

____ ____ ____ ____ how I can determine ____ ____ ____ unnecessary usage of bandwidth.

____ ____ ____ to ____ wasted network ____ by selected applications?

____ you ____ ____ methods ____ determine ____ certain ____ and devices ____ ____ excessive bandwidth?

Which methods ____ ____ use to find ____ ____ ____ use ____ ____ internet capacity?

What should I do to ____ ____ unwarranted ____ ____ ____ ____ software?

Are ____ devices hogging too ____ ____ ____ ____?

Do ____ have methods ____ determine ____ certain ____ are using ____ ____?

____ measures ____ ____ use ____ identify ____ network usage caused ____ ____ apps?

Can you help me ____ ____ ____ ____ ____ are ____ too muchbandwidth?

What steps ____ ____ ____ in ____ to ____ excessive data usage ____ ____ software?

____ ____ ____ for ____ to ____ efficient ____ of monitoring ____ ____ applications consume too much ____ throughput?

Is ____ ____ ____ some apps ____ up too ____ bandwidth ____?

____ there ____ ____ to know if ____ ____ ____ ____ much of my bandwidth?

Is ____ ____ way ____ find excessive ____ ____?

Can I find ____ if ____ ____ and apps are ____ ____ ____?

____ ____ ____ detect ____ data ____ from certain software?

____ ____ tell me if certain apps ____ gadgets ____ ____ a ____ of ____?

Can ____ ____ ____ verify if ____ ____ or devices use too ____ ____?

____ there a way ____ ____ the amount of bandwidth ____ ____ ____ ____?

____ it possible ____ identify ____ ____ by ____ devices.

____ ____ I find out if ____ ____ hog ____ bandwidth?

____ ____ ____ ____ or devices ____ up ____ much bandwidth here?

____ it ____ to check if certain ____ ____ ____ ____ too much of ____ ____?

Is there ____ way to identify ____ ____ applications/devices ____ ____ ____ bandwidth?

Is there ____ way ____ check ____ specific ____ and devices ____ ____ too ____ ____?

Which methods can ____ ____ ____ discover ____ apps ____ up the ____ internet ____?

____ ____ a way to ____ ____ ____ drain?

____ ____ I ____ out ____ devices ____ apps ____ up my internet capacity ____ ____?

Is it possible that ____ apps ____ ____ eat up ____ ____ ____?

____ ____ possible that ____ ____ or apps hog too ____ ____?

____ any applications ____ devices ____ ____ too ____ bandwidth, can ____ ____ me?

____ do ____ make sure ____ applications are ____ consuming too ____ ____?

Which devices are ____ up ____ ____ ____ ____?

Which ones ____ ____ much ____?

____ ____ ____ I ____ to see ____ equipment ____ consuming too much network ____?

Figure ____ how much bandwidth ____ taken up ____ ____ ____.

What ____ ____ do about ____ ____ consumption by ____ devices?

____ you ____ me ____ ____ ____ or apps are draining ____ lot ____ bandwidth?

Is there ____ chance ____ ____ applications ____ ____ use too much ____ ____?

I ____ ____ if you ____ spot ____ hogging ____ ____ bandwidth.

____ ____ ____ to know ____ certain ____ ____ devices are using excessive ____.

____ can I ____ ____ high-bandwidth ____ ____ particular applications or ____?

____ do ____ ____ if ____ ____ or ____ uses too much broadband?

What can I do ____ ____ ____ ____ certain ____ ____ devices are ____ ____ bandwidth?

____ ____ help me identify ____ ____ ____ by certain applications.

I ____ ____ ____ ____ ____ specific programs or ____ consume useless amounts of ____.

Can ____ ____ ____ ____ are hogging the ____?

I _____ to _____ _____ consumption _____ particular _____.

Can you help _____ check _____ any applications are _____ _____ excessive _____ _____ _____?

Is _____ possible _____ _____ _____ _____ devices use _____ too much bandwidth _____?

_____ certain applications using _____ _____ _____?

_____ about _____ _____ _____ wasted bandwidth?

Can _____ _____ _____ ways of _____ if _____ applications _____ _____ much network throughput?

Is _____ a better way _____ _____ if _____ or apps _____ _____ _____ unnecessarily?

Is it possible _____ _____ _____ and apps _____ too _____ _____?

How can _____ _____ the _____ bandwidth _____?

I _____ like to _____ if certain applications _____ _____ _____ my _____ too _____.

I _____ your assistance _____ identifying unnecessary _____ _____ by _____ applications _____ _____.

_____ _____ to know if certain applications _____ _____ _____ using _____ much _____.

Is it possible _____ monitor the _____ _____ _____ used for _____ _____?

_____ _____ _____ _____ out if _____ or _____ uses too much broadband?

_____ it possible to identify unnecessary bandwidth _____ _____ _____ _____?

Can you _____ _____ _____ of monitoring applications _____ _____ more _____ throughput than _____?

Is there a _____ _____ identify _____ _____ use caused _____ specific _____ _____ devices?

Some _____ hog _____ capacity unnecessarily, what is the _____ _____ _____ _____?

_____ it possible _____ determine _____ certain _____ are consuming too _____ _____?

Are _____ applications hogging _____ _____?

_____ want _____ _____ _____ some apps _____ devices are consuming too _____ bandwidth _____.

Is _____ _____ to _____ those applications _____ _____ excessive data.

_____ order _____ _____ _____ excess _____ of _____ _____ what should I do?

_____ would like to _____ if there _____ _____ way _____ _____ _____ specific apps _____ too _____ bandwidth.

_____ _____ _____ _____ way to _____ if _____ apps and gadgets hog network _____?

Some apps _____ gadgets _____ _____ capacity _____ _____ _____ is _____ _____ way to determine?

_____ some _____ _____ my internet?

_____ it _____ to _____ the _____ that gobbling _____ data?

_____ _____ an _____ _____ _____ _____ applications that consume too much network _____.

_____ _____ help _____ _____ unnecessary high-bandwidth usage by certain applications _____ _____?

How can I _____ _____ _____ _____ _____ using _____ much bandwidth?

_____ _____ like _____ _____ _____ which apps and _____ use _____ my internet capacity _____ most.

_____ _____ _____ chance to detect _____ bandwidth consumption _____ _____ specific apps.

What _____ I do to _____ _____ _____ devices _____ _____ _____ internet _____ the most?

_____ _____ _____ _____ guide on how to _____ _____ high-bandwidth usage.

_____ like to _____ how _____ _____ _____ high-bandwidth usage _____ applications.

I'm wondering _____ you can _____ gadgets _____ too _____ _____.

I need to _____ _____ there _____ _____ use _____ bandwidth _____ certain _____.

_____ my programs _____ gadgets waste _____ data, _____ you _____ _____?

Do you know _____ _____ _____ spot _____ _____ _____ _____ too much bandwidth?

_____ I determine _____ _____ apps _____ _____ are hogging _____ _____ web space?

_____ I _____ _____ _____ _____ _____ unnecessary bandwidth usage?

Is _____ _____ _____ to _____ excessive network _____ by apps _____ gadgets?

I _____ _____ identify _____ _____ consumption by certain _____.

How _____ _____ find _____ if _____ software _____ too _____ broadband?

How _____ I know _____ apps _____ devices are consuming _____ _____ _____?

_____ you able to _____ _____ which _____ eat _____ bandwith?

_____ _____ _____ me if _____ _____ are sucking a lot of _____?

Is there anything _____ _____ _____ to detect _____ _____ _____ _____ certain software?

_____ there a _____ to _____ _____ certain _____ use a _____ of _____?

I ____ ____ ____ ____ things waste ____ much wi-fi juice.

____ it ____ to identify ____ ____ utilization ____ by ____ ____ and devices?

Tell ____ ____ those applications draining ____ ____?

Do ____ apps and gadgets ____ ____ a ____ ____ bandwidth?

____ it possible to identify ____ ____ ____ ____ ____ specific ____ or devices

I ____ tell ____ ____ stuff uses ____ ____ internet juice.

Any ____ ____ check ____ ____ bandwidth drain?

____ like to know ____ ____ apps ____ ____ eat up too ____ ____.

____ ____ find ____ if there's ____ much web stuff in ____ ____ and ____?

____ ____ know how ____ ____ if an application ____ hogging ____ bandwidth.

Is ____ ____ wasting my ____?

____ ____ help ____ figure ____ if ____ apps consume too ____ bandwidth?

Which apps ____ ____ more ____ ____ ____ need?

____ need to ____ if ____ is ____ ____ ____ bandwidth from certain ____.

____ it ____ to ____ ____ the applications are consuming ____ much ____?

____ can't tell ____ certain things ____ ____ much ____.

Do ____ ____ ____ way to identify ____ network usage ____ ____ apps?

Should ____ suggest ways ____ ____ if ____ applications ____ ____ much network ____?

____ ____ ____ if certain applications ____ excessive ____?

____ ____ ____ how to ____ if ____ apps ____ too much bandwidth.

Is ____ a ____ to check if ____ ____ is ____ too much ____ ____?

____ you ____ me ____ out ____ some apps ____ ____ ____ bandwidth than necessary?

____ ____ have methods ____ determine ____ ____ applications ____ devices ____ using excessive bandwidth?

Are ____ ____ and devices ____ ____ ____ bandwidth?

____ ____ of detecting unneeded ____ ____?

____ should I detect heightened ____ ____ ____ ____ software?

____ need a ____ on ____ ____ identify unnecessary ____ usage.

Is it possible to ____ ____ bandwidth ____ ____ by ____ ____?

How ____ ____ ____ ____ the devices ____ hogging bandwidth?

____ ____ ____ problem ____ certain ____ and devices are using ____ much ____?

____ ____ I find out if ____ equipment ____ ____ ____ broadband?

Will ____ ____ able to monitor ____ ____ usage for ____ ____?

____ ____ possible ____ monitoring tools ____ catch those applications ____ excessive ____?

____ you know ____ ____ of ____ gadgets ____ ____ waste any data?

Can ____ ____ ____ to restrict or identify high-bandwidth usage ____ ____ ____?

There are ____ ____ ____ ____ certain applications ____ devices ____ using excessive ____.

____ my internet ____ ____ ____ or apps?

____ do I ____ ____ ____ ____ applications are consuming too much ____?

I'm ____ ____ ____ ____ ____ wasting my bandwidth.

____ ____ possible to ____ bandwidth over ____ caused ____ ____ applications.

Method to ____ ____ ____ applications or devices ____ using ____ much ____.

____ there a way ____ measure ____ ____ ____?

How ____ ____ ____ if ____ ____ is consuming too much ____ capacity?

____ steps can I take to ____ sure ____ ____ ____ ____ ____ consuming ____ much network ____?

Can you ____ ____ ____ ____ ____ applications are hogging too much ____?

____ tell me if ____ ____ are ____ ____ bandwidth.

Is ____ possible ____ identify ____ over ____ ____ specific ____ or devices.

____ can I tell ____ anything is ____ ____ ____?

____ ____ applications ____ devices using ____ amounts of ____ here?

How ____ ____ ____ out if ____ ____ ____ device is consuming ____ much bandwidth?

____ you ____ ____ ____ some apps are hogging a ____ of ____?

Is ____ ____ ____ ____ find out if ____ apps ____ devices hog the ____?

____ ____ ____ verify if applications or devices ____ ____ ____ ____ amount of bandwidth?

____ how ____ make sure specific applications ____ ____ up ____ ____.

Can you tell ____ a ____ ____ ____ ____ drain?

____ ____ check ____ consumption ____ ____ and gadgets?

Is it ____ to ____ ____ bandwidth consumption ____ certain ____.

I'm not sure ____ I ____ verify ____ there is ____ ____ ____ ____.

____ you tell ____ certain apps are ____ ____ ____ of ____.

Is ____ possible ____ identify ____ unnecessary bandwidth ____ ____ certain ____.

How do I ____ ____ if ____ ____ ____ broadband unnecessarily?

Is ____ ____ ____ to ____ ____ bandwidth drain

Can ____ ____ me ____ out ____ ____ applications or devices ____ hogging ____ much ____?

Is ____ possible that some ____ ____ apps hog ____ ____ ____ stuff?

____ ____ ____ ____ ____ should take to detect excessive data ____ from certain ____?

____ ____ ____ ____ way ____ determine ____ ____ or apps hog network capacity?

____ do I find ____ ____ ____ is ____ too ____ broadband?

How can I know ____ ____ applications or ____ ____ ____ excessive ____?

Want to ____ if you can spot ____ ____ ____ ____ ____.

How ____ ____ ____ if some ____ are hogging ____?

____ ____ ____ ____ to ____ any heightened data usage from certain ____?

Is it ____ to ____ unneeded ____ ____ ____ applications ____ equipment?

Can I ____ ____ the ____ of ____ for specific ____?

Is there a way ____ ____ to ____ if ____ ____ ____ ____ ____ much bandwidth?

What ____ ____ ____ to detect ____ data ____ from certain ____ ____ devices?

____ ____ and gadgets consume ____ ____ of ____?

Are ____ ____ ____ monitor ____ that ____ ____ much network throughput?

What ____ certain ____ ____ ____ are using too much ____?

____ ____ ____ me if some apps ____ up too ____ ____?

____ there ____ way to detect excessive ____ ____ by ____ ____?

____ can I ____ out ____ ____ ____ ____ or device is using ____ ____ bandwidth?

Is there ____ way to find ____ ____ ____ ____?

____ ____ help me ____ ____ if applications or ____ are ____ too much ____?

I ____ if ____ ____ ____ way to ____ ____ bandwidth consumption.

____ ____ possible that certain gadgets ____ apps ____ ____ ____ ____ lot of bandwidth?

____ ____ to check ____ ____ applications are consuming ____ ____ bandwidth.

____ ____ ____ ____ tell ____ some ____ are hogging the bandwidth?

____ there ____ ____ ____ identify ____ ____ usage caused by specific apps?

____ am looking for ____ on ____ to identify ____ ____ ____.

Is it ____ ____ ____ ____ ____ resources by applications?

____ ____ a ____ ____ check if certain applications ____ excessive ____.

____ ____ ____ ____ out if ____ devices or apps are ____ too ____ bandwidth?

____ actions should I ____ ____ order ____ ____ increased ____ ____ from certain software?

____ ____ I tell if an ____ is hogging ____ ____

Is ____ ____ way ____ check which ____ are ____ internet ____?

____ ____ ____ ____ ____ applications/devices that use my bandwidth?

____ ____ find ____ ____ certain apps ____ devices consume too ____ bandwidth?

____ there ____ way to ____ if specific apps ____ ____ use ____ ____ bandwidth?

Is ____ possible ____ ____ ____ applications and devices are ____ too ____ ____?

____ you ____ ____ figure out if some apps ____ ____ ____ bandwidth?

____ do I find out ____ ____ particular ____ uses too ____ ____?

____ ____ ____ ____ a way to detect unnecessary bandwidth ____.

____ ____ devices hogging ____ internet?

____ ____ check ____ any ____ are consuming too much ____?

____ apps hogging ____ ____?

____ can we ____ ____ ____ applications ____ ____ too much bandwidth?

Can you ____ me ____ ____ limit ____ ____ from certain ____?

Is ____ a ____ ____ check if ____ applications or devices are ____ ____ ____ ____?

Are you ____ to ____ ____ hogging too ____ ____?

____ ____ ____ ____ find apps hogging too much ____?

____ there a way to check ____ specific ____ and ____ ____ ____ ____ bandwidth?

How ____ I ____ ____ ____ ____ is ____ excessive bandwidth without ____ reason?

I want to know how ____ ____ ____ high-bandwidth ____ by ____ ____ ____.

How ____ I ____ out ____ certain applications ____ using ____ ____?

Is it ____ to ____ out which ____ or ____ use ____ my ____ ____.

There are methods to ____ ____ certain ____ or ____ ____ using ____ bandwidth ____.

Do ____ know ____ ____ can spot ____ hogging ____ much ____?

How do I ____ out ____ ____ equipment is ____ ____ ____ unnecessarily?

Can ____ tell ____ if ____ apps or gadgets ____ hogging ____ ____ of ____.

____ you ____ if my ____ ____ gadgets ____ too much ____?

How ____ ____ tell ____ some ____ use ____ much wi-fi ____?

____ ____ ____ or ____ are consuming too ____ network capacity, ____ ____ I do?

What ____ ____ ____ to ____ if equipment is ____ too much ____ ____?

I would like to know if ____ ____ unnecessary ____ of ____ ____ ____ applications ____ ____.

____ ____ use ____ ____ determine ____ certain applications are using excessive ____ ____.

____ can I find out which ____ use ____ ____ ____ internet ____?

____ there a ____ ____ ____ if certain applications ____ ____ are consuming ____ ____ bandwidth?

____ there a ____ ____ ____ whether apps or ____ hog ____ capacity ____?

____ ____ ____ best way to determine ____ ____ app ____ device ____ ____ network capacity?

____ there a way to know ____ much bandwidth ____ being ____ ____ ____ ____?

____ me if these ____ ____ hogging ____ ____?

I wonder ____ ____ applications ____ the ____.

Is ____ applications ____ ____ ____ bandwidth?

How ____ I know if the applications ____ ____ ____ ____?

Do some apps ____ ____ ____ ____?

Is there ____ ____ ____ me to ____ ____ certain apps or ____ ____ too much ____?

_____ _____ _____ tell _____ a device is _____ the bandwidth?

Can _____ help _____ _____ out _____ any applications _____ _____ are consuming _____ much _____?

Tell _____ _____ these applications _____ eating _____ my _____.

Can _____ _____ _____ if some _____ are _____ up _____ much bandwidth?

Is _____ _____ to _____ _____ certain _____ are _____ a _____ of bandwidth?

Is _____ possible to check to _____ if certain _____ _____ _____ _____ too _____ _____?

I can't tell _____ certain _____ _____ too _____ internet _____.

_____ _____ determine if _____ apps _____ _____ too much bandwidth?

_____ can I _____ if _____ certain _____ _____ consuming _____ much bandwidth?

Can you please help me check _____ any _____ _____ _____ _____ _____ _____ _____ bandwidth?

_____ _____ _____ _____ know if _____ applications _____ _____ are using too much bandwidth.

_____ _____ net being used _____ by gadgets _____ _____ needed?

What is the _____ way _____ determine _____ some _____ _____ _____ are _____ network _____?

Is _____ possible that _____ gadgets _____ apps _____ _____ a _____ _____ bandwidth?

_____ I find out if _____ devices _____ _____ _____?

Is _____ _____ _____ identify _____ network _____ by specific _____ and apps?

Can _____ confirm _____ there is _____ bandwidth usage _____ _____ _____?

Can you help _____ confirm _____ _____ _____ devices _____ _____ too _____ bandwidth?

_____ you _____ _____ _____ spot apps _____ too much bandwidth?

_____ there a way _____ know if _____ _____ excessive _____ _____?

Can you _____ _____ _____ if _____ applications _____ consuming _____ much bandwidth?

_____ anyone know _____ _____ _____ _____ hardware _____ too much data?

_____ would _____ to know _____ _____ _____ unnecessary high-bandwidth _____ _____ certain applications.

I _____ _____ _____ _____ I can verify if there is _____ bandwidth _____ from _____ _____.

_____ it possible _____ some _____ _____ _____ use up too much _____?

_____ make sure _____ applications _____ _____ more _____ _____ is needed.

How _____ I find out if _____ _____ _____ _____ uses _____ broadband?

_____ _____ _____ _____ determine if _____ apps or _____ hog network _____ unnecessarily?

Is there a way _____ check if _____ _____ _____ _____ _____ much _____?

_____ there _____ monitoring _____ _____ _____ catch those _____ that consume too much _____?

I'd _____ _____ verify _____ any applications or _____ _____ consuming _____ _____ bandwidth.

Is _____ _____ way _____ identify _____ usage by certain _____?

How do _____ know _____ _____ _____ or devices are _____ _____ much _____?

_____ _____ _____ how to _____ if certain _____ are _____ too _____ bandwidth.

Is it possible _____ track _____ amount of network _____ _____ _____ _____ _____?

_____ do _____ _____ _____ _____ application is consuming _____ much bandwidth?

Can _____ tell me if some apps _____ gadgets _____ hogging _____ _____ _____ _____?

Is _____ _____ way _____ _____ unneeded _____ consumption?

How _____ _____ _____ _____ a device or app uses _____ much _____?

_____ you help me _____ if _____ and _____ _____ consuming _____ _____ bandwidth?

_____ _____ _____ to monitor _____ use _____ specific apps?

_____ methods _____ _____ use to find _____ if my devices _____ _____ _____ my _____ capacity?

_____ you able _____ spot apps _____ _____ lot _____ bandwidth?

Can _____ _____ me identify unnecessary _____ _____ in _____ applications?

_____ _____ _____ determine _____ _____ applications or _____ are consuming _____ much bandwidth?

_____ you _____ how to spot the _____ _____ _____ much _____?

Are _____ apps draining _____ _____?

Do you know _____ _____ applications are _____ an excessive _____ _____ _____?

_____ _____ _____ how _____ check _____ applications _____ all internet excess?

Do certain _____ _____ devices use _____ _____ _____?

Do apps ____ ____ ____ ____ a ton ____ bandwidth?

Is ____ ____ way to distinguish ____ network ____ by ____ ____?

Let ____ ____ ____ ____ applications ____ devices are consuming too ____ bandwidth.

Is ____ ____ ____ check ____ certain equipment is consuming too ____ ____ ____.

____ do ____ know ____ ____ applications hog ____ bandwidth?

Are you able ____ ____ ____ hogging ____ ____?

Can you tell ____ ____ ____ consume ____ ____?

Is ____ ____ ____ identify applications ____ ____ use my bandwidth?

How do ____ find out ____ certain applications ____ ____ too ____ ____?

How ____ I ____ if ____ software uses ____ ____?

Is certain ____ ____ my ____?

Is there a ____ ____ determine ____ certain ____ ____ consuming too ____ ____?

How can ____ know ____ apps ____ ____ my internet ____ ____ most?

How about checking ____ ____ ____ particular ____?

Please ____ ____ ____ ____ ____ if certain applications ____ using ____ much bandwidth.

How do I ____ ____ ____ ____ software uses ____ broadband?

____ I ____ how ____ ____ ____ used in certain apps ____ devices?

Is it possible ____ ____ unnecessary ____ usage for ____ ____?

Is it ____ to ____ wasted ____ ____ ____ applications?

How about checking ____ ____ ____ ____?

Is ____ ____ ____ determine if ____ apps consume too ____ ____?

____ way ____ ____ excessive bandwidth ____?

____ I need to check ____ equipment is consuming ____ ____ ____ ____?

____ ____ a way to determine if some ____ ____ ____ ____ network ____ unnecessarily?
