[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Network connectivity and signal issues
Inquiry Sub-Category	Roaming problems
Description	Customers facing difficulties while using their devices on other networks outside their home country, including issues with network selection, compatibility, or unexpected charges.
Data Size	13,984 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ ____ ____ ____ take ____ than usual ____ establish a connection ____ an ____ foreign network?

____ ____ ____ ____ reason for ____ longer connection ____ on an ____ network abroad?

____ ____ no explanation as ____ ____ ____ ____ ____ longer ____ usual to connect to a foreign ____.

When ____ ____ unknown ____ network, ____ process of ____ can ____ longer.

There ____ ____ ____ ____ associated ____ the ____ of connections in ____ networks.

____ ____ a ____ ____ time for connections on ____ international ____.

____ do we ____ ____ ____ establishing connections on ____ ____ networks?

Delays in establishing ____ ____ ____?

Sometimes it takes ____ for ____ ____ ____ ____ on foreign ____.

____ come ____ ____ an ____ international ____ takes so long?

____ are there sometimes ____ ____ connecting to an ____ ____?

____ ____ network setup ____ longer?

____ ____ long ____ process ____ on ____ networks abroad.

Sometimes ____ ____ process with unknown ____ providers ____ ____.

____ don't know what ____ problem ____ ____ connections ____ ____ to ____ overseas.

What ____ ____ ____ ____ an unfamiliar international ____.

Is there any ____ ____ ____ ____ when connecting ____ unfamiliar ____ networks?

It takes more time ____ connect ____ an ____ ____ ____.

____ ____ is taken ____ connections on ____ ____ networks.

Is ____ ____ that foreign ____ cause ____ in ____ establishment?

____ ____ net: how ____?

____ there ____ ____ when connecting to ____ ____ network.

Why does it ____ ____ ____ to connect on ____ ____ ____?

Isn't establishing ____ ____ ____ at ____?

Network slow ____ ____ sets, ____?

It ____ ____ in ____ networks.

____ you know why ____ ____ take longer ____ ____?

____ is ____ ____ ____ on unfamiliar ____ networks.

Is it ____ ____ ____ ____ network setup to ____ longer?

There ____ ____ in ____ ____ an ____ network.

Do ____ foreign ____ lead ____ a ____ ____ set-up?

Sometimes, there ____ ____ ____ connecting to ____ ____ network.

____ the ____ of connections ____ be different in ____ ____?

It seems like ____ ____ ____ ____ network drags ____ forever.

____ are ____ ____ more time ____ ____ networks?

What ____ ____ connections ____ new ____ abroad?

____ does ____ take so long ____ ____ a link ____ ____ networks?

What ____ ____ delay ____ establishing a ____ ____ ____ foreign network?

____ it ____ connections on ____ ____ networks take extra ____?

____ setup can extend beyond average ____ ____ ____ ____ ____ network is ____.

____ there ____ ____ why ____ could ____ late on an unfamiliar ____?

____ ____ ____ that it ____ longer to ____ ____ link in ____ foreign network?

____ network taking more time to ____ ____ ____ ____ network.

Is ____ possible ____ connections ____ unknown ____ can be ____?

____ does ____ take ____ ____ to ____ to ____ a foreign network?

____ up a ____ on ____ foreign ____ can ____ more ____.

____ ____ connection process is long with ____ ____ ____.

In ____ ____ ____ connecting ____ ____ ____ networks lead to a ____ lengthy process?

____ ____ to a ____ network ____ ____ time?

It takes a ____ ____ to ____ on ____ unknown ____ ____.

There ____ ____ ____ connecting to a ____ ____ network.

When connecting ____ a foreign ____ what ____ to ____ ____?

A network ____ ____ ____ ____ you ____ forever to ____ up.

How come ____ takes ____ long ____ establish ____ ____ ____ an ____ foreign network?

Why ____ you think ____ ____ ____ longer ____ foreign networks?

How about longer ____ times ____ ____ ____.

____ it takes ____ time ____ connections ____ ____ international networks, ____?

Are you ____ longer ____ times ____ unfamiliar ____ ____?

____ ____ experience ____ connection ____ on unfamiliar ____?

____ is it ____ ____ ____ network ____ ____ connection setup to ____ longer?

____ ____ ____ be longer in new ____.

Sometimes ____ ____ unfamiliar ____ ____ will ____ in a ____ processed period.

Why do foreign networks ____ ____ ____ ____ ____?

Delays in ____ ____ connection on ____ ____.

Sometimes ____ ____ ____ little ____ time for ____ on unfamiliar international ____.

____ can ____ ____ problem ____ ____ a ____ in foreign networks.

What ____ connections to ____ ____ on unexplored ____ ____.

____ ____ you ____ delays when connecting to an ____ ____?

Is there ____ explanation ____ ____ it can ____ longer ____ usual to connect ____ ____ ____ ____?

Why does an unfamiliar ____ ____ ____ time ____ ____?

____ ____ ____ take longer to establish ____ connection ____ ____ overseas networks?

Is it ____ ____ a ____ network setup ____ ____ longer ____?

It ____ ____ longer ____ ____ establish a ____ ____ ____ unfamiliar foreign network.

____ does the process ____ ____ providers take ____ ____?

When using ____ ____ ____ network ____ the ____ time, why ____ the linking ____ ____ longer than ____?

____ ____ typically ____ ____ ____ to connect ____ using foreign networks?

The ____ connection setup process ____ dealing ____ unknown ____ ____ is ____ to ____.

The unfamiliar ____ ____ is ____ forever ____ link ____.

I ____ ____ why ____ take ____ time ____ foreign networks.

What causes delays ____ ____ ____ ____ network?

____ do ____ ____ ____ ____ tend to ____ longer than usual?

How ____ we experience lengthy ____ ____ ____ ____ links in ____ networks?

It takes ____ ____ ____ link ____ an ____ network.

How can ____ ____ long ____ ____ ____ networks.

____ ____ on some alien network ____ ____ ____?

Can ____ explain why ____ ____ ____ ____ in unfamiliar networks ____ different?

Why does ____ process ____ linking take ____ ____ when ____ a foreign ____ for ____ ____ ____?

____ can ____ ____ more time ____ ____ ____ a link on an ____ ____ system intermittently?

____ ____ ____ extended connection ____ on ____ networks?

____ want to know why ____ ____ ____ ____ foreign networks are ____.

Why does ____ take ____ to ____ on ____ ____ networks?

Why do ____ foreign networks take ____ ____ to ____ ____?

Foreign ____ ____ ____ to a ____ connection ____.

What is the ____ ____ ____ ____ network that takes ____ ____ link ____?

It ____ takes ____ ____ ____ link with an ____ foreign ____.

____ do ____ ____ take ____ time ____ foreign networks?

____ ____ it ____ so long ____ setup connections ____ foreign ____?

When ____ ____ foreign network ____ ____ first time, why ____ the ____ ____ ____ long?

____ seems like ____ drags on ____ when ____ to an ____ ____ ____.

____ it ____ ____ connecting ____ unfamiliar foreign ____ will ____ ____ a ____ processed period?

There's ____ long connection ____ ____ ____ ____ abroad.

If connections ____ ____ ____ ____ longer, is that ____?

Have ____ experienced extended connection ____ ____ ____ ____?

____ connecting to unfamiliar ____ networks ____ ____ in a longer ____ ____.

____ do ____ delays ____ ____ using unfamiliar overseas ____?

Do ____ ____ experience ____ connection ____ ____ unfamiliar overseas networks?

Why ____ ____ have ____ ____ longer to ____ ____ foreign networks?

____ there ____ ____ for connection times ____ ____ ____ on alien ____ abroad?

____ ____ connecting to ____ ____ network ____ more time ____ usual?

____ ____ it take ____ ____ connect with an ____ network?

____ it ____ ____ an ____ ____ ____ prolong the setup ____ a connection?

____ comprehend how we ____ ____ wait ____ long ____ a ____ on ____ networks.

____ ____ ____ delays ____ to foreign networks?

Sometimes ____ takes more ____ ____ ____ a connection ____ an unknown ____ ____.

Sometimes connections on unfamiliar ____ ____ more time to ____ ____ ____ ____.

In ____ cases ____ connecting ____ ____ ____ networks ____ ____ longer processed period?

How come ____ ____ ____ time ____ unfamiliar ____?

Is ____ ____ reason why ____ may ____ a while to ____ ____ ____ unfamiliar foreign ____?

____ there something ____ contributes to ____ connection ____ ____ alien ____?

Sometimes ____ long ____ process is ____ ____ ____ networks.

____ wonder why ____ takes ____ ____ for connections ____ unfamiliar ____.

Why in tarnations ____ ____ take ____ ____ for ____ foreign ____ to ____ ____ connection?

____ might ____ more ____ to connect using ____ ____.

____ ____ setup ____ longer internationally?

Why ____ you ____ intermittent delays ____ ____ to ____ networks?

Why does connecting ____ foreign ____ ____ ____?

____ it ____ ____ ____ to ____ a connection ____ a foreign ____ than usual.

Why does ____ ____ so ____ ____ connect ____ a new ____ overseas?

_____ _____ it _____ _____ connecting _____ an unknown international _____ drags _____ forever?

How occur _____ long waits _____ _____ _____?

_____ _____ _____ to _____ _____ network take longer?

There _____ _____ when _____ _____ _____ new abroad network.

_____ is _____ about foreign networks _____ _____ unpredictable _____ times?

What _____ _____ _____ alien _____ _____ than usual?

It _____ take _____ time _____ _____ _____ _____ _____ _____ an unfamiliar international system intermittently.

Why _____ it that _____ _____ _____ _____ an unfamiliar network?

_____ seems like connections take _____ _____ _____ _____ on unfamiliar _____.

The question _____ _____ _____ _____ delays _____ establishing connections _____ strange foreign _____.

When using a foreign _____ _____ _____ first _____ links _____ longer _____ _____.

How _____ foreign _____ _____ longer?

_____ there an explanation _____ why _____ might _____ a _____ _____ connect with a _____ _____?

_____ _____ we _____ _____ wait _____ when we establish links to _____ _____?

_____ you _____ delays when _____ to _____ _____?

_____ net _____ gets _____ at _____.

_____ takes so long to _____ to _____ _____ _____

_____ a _____ _____ an unknown foreign network _____ _____ _____ time.

_____ are _____ wait periods for _____ _____ of connections in _____ _____.

Why does _____ take _____ _____ to _____ _____ _____ between foreign networks?

While _____ unfamiliar _____ networks _____ you _____ _____ connection times?

How _____ it _____ _____ long _____ in _____ networks?

_____ using _____ _____ _____ for the first time, why _____ _____ _____ process _____ longer than _____?

_____ causes _____ _____ _____ on _____ new network?

_____ it because of the annoying _____ _____ getting _____ _____ a _____ _____?

Are _____ _____ extended _____ times _____ _____ unfamiliar overseas networks?

How _____ _____ times _____ _____ in _____ networks?

_____ may _____ more _____ to _____ with a foreign _____.

Is _____ _____ that the setup _____ connections _____ _____ overseas _____ is _____ than _____?

_____ question is _____ _____ experience _____ when establishing _____ _____ strange foreign _____.

Why does it take so _____ _____ _____ _____ a _____ _____?

_____ _____ and then there _____ a delay _____ connecting with _____ _____ network _____.

Why is _____ _____ hard to _____ a _____ _____ _____ networks?

_____ _____ occasional delays when connecting with _____ new _____ _____.

It seems _____ _____ to an _____ _____ network _____ longer.

_____ does it seem _____ connecting _____ an unknown _____ network _____ _____?

It takes a _____ extra _____ for _____ _____ _____ networks.

_____ does it _____ _____ _____ connect _____ an _____ international network?

_____ it common _____ _____ _____ _____ connect on foreign networks?

Why _____ there _____ delays _____ connecting to _____ _____?

Are you _____ _____ _____ _____ _____ overseas networks?

For connections on _____ networks to take _____ _____ _____ _____?

_____ _____ can take more time _____ establish _____ connection _____ _____ foreign _____.

_____ is _____ that it takes _____ _____ link _____ with an _____ _____ network?

_____ comprehend why we _____ to wait _____ _____ for a _____ on _____ _____.

What is _____ cause of _____ _____ _____ on _____ unfamiliar _____?

What makes connecting _____ _____ _____ _____?

Why did _____ _____ so long for _____ _____ to be _____ _____ _____ network?

_____ _____ take longer to be established _____ _____ _____.

_____ using an _____ _____ what _____ delays?

There have been ____ ____ periods ____ ____ the setup ____ ____ in ____ networks.

What ____ the ____ ____ ____ extended setup time ____ foreign ____?

____ ____ so much longer ____ connect to ____ foreign ____.

I wonder ____ ____ on ____ alien ____ is ____ ____ usual?

____ you ____ me ____ ____ delayed ____ ____ connection on foreign networks?

How come it takes more ____ to ____ ____ an ____ ____ ____?

____ ____ the connections ____ ____ foreign ____ so turtle-paced?

____ ____ we have to wait so long ____ ____ connection on ____ ____ ____?

Is ____ ____ connection set-up duration ____ ____ unknown ____ networks?

Why does ____ process of ____ ____ ____ than ____ ____ ____ an unknown ____ network?

Does ____ usually takes more ____ to ____ ____ ____ foreign ____?

____ ____ reasons ____ intermittent delays when ____ ____ foreign networks?

____ ____ an ____ as to why ____ to ____ foreign network may ____ longer ____ ____?

Is ____ ____ ____ ____ the extended set-up ____ ____ foreign networks?

Are ____ delays when connecting ____ ____ ____?

____ ____ it take forever to set up ____ ____ ____ ____ networks?

____ setting ____ ____ in ____ ____ what contributes to ____ wait periods?

When dealing with unknown global networks, ____ ____ can ____ ____ ____ ____ ____ ____ process?

____ ____ ____ that can cause delays ____ establishing ____ ____ abroad.

Are you ____ to ____ ____ connection ____ ____ delayed on ____ networks?

____ does it take ____ unknown ____ so ____ to ____?

____ connecting ____ ____ network ____ than usual?

The setup ____ connections in ____ ____ ____ ____ to lengthy ____ periods.

____ ____ ____ why establishing ____ abroad is ____?

How does ____ ____ ____ ____ the connection ____?

How ____ ____ ____ ____ new ____ be longer?

What ____ the ____ ____ on some ____ network ____ slower than ____?

____ it ____ longer ____ connect ____ an unfamiliar ____.

Do ____ ____ ____ ____ times on new networks ____ are ____?

____ it possible that ____ on ____ ____ networks take ____ ____?

____ ____ connections ____ ____ ____ take longer than normal?

____ there a ____ for ____ when connecting ____ ____ foreign ____?

____ are ____ ____ ____ affect the connection time on ____ ____.

____ is the ____ of connecting on ____ ____ network slower ____ ____?

Why ____ it take ____ to ____ ____ an ____ ____ network?

____ ____ ____ networks ____ setup ____ connections ____ exceed usual lengths.

____ ____ ____ networks take more ____ to ____?

Is ____ normal ____ ____ connections on foreign ____ ____ longer?

____ ____ ____ unfamiliar foreign ____ will result ____ a processed ____.

____ ____ up a link ____ an ____ international ____ ____ is ____ ____ time consuming than ____?

____ ____ ____ foreign ____ we are unfamiliar with ____ ____ longer ____ usual.

____ are ____ ____ ____ up with foreign ____?

How ____ the ____ time in ____ ____ ____ longer?

____ you explain when ____ ____ on unfamiliar ____ ____ delayed?

There ____ ____ ____ ____ unfamiliar foreign network.

____ it ____ for connections ____ foreign networks ____ take ____?

Why ____ ____ that ____ ____ forever ____ ____ to an international network?

____ ____ wait ____ ____ ____ a connection ____ strange foreign networks.

____ ____ it ____ ____ time to ____ ____ ____ in a foreign network?

Sometimes ____ ____ process ____ unknown ____ drags ____.

We ____ ____ with ____ foreign networks ____ ____ ____ than usual.

It ____ take ____ ____ for connections on unfamiliar ____ ____.

____ ____ ____ longer setup time ____ ____ networks.

____ ____ delays ____ ____ international network.

Can ____ ____ me ____ leads ____ ____ connection times ____ new networks?

The process ____ connecting is slower than ____ ____ using ____ networks ____ ____ ____.

____ ____ ____ ____ connections ____ unexplored international networks?

____ connecting to a ____ ____ ____ ____ a ____ for it ____ ____ so long?

____ makes ____ ____ an ____ network ____ than usual.

____ do ____ networks prolong connection setup ____ ____ ____ wait ____?

When setting a ____ on ____ unfamiliar international ____ ____ ____ ____ can it take ____ ____ than ____?

____ causes ____ ____ up ____ ____ networks to ____ so long?

____ ____ it take so ____ ____ ____ ____ an unknown international network?

____ long ____ ____ a connection take on ____ abroad ____?

____ ____ ____ when ____ an overseas network?

____ ____ ____ an explanation ____ the intermittent delays when ____ ____ unfamiliar ____ networks?

____ do ____ see delays ____ establishing ____ on strange ____ ____?

____ seems like connecting to ____ ____ ____ network drags ____.

I wonder ____ it ____ ____ ____ to connect to ____ weird ____ ____.

Connection taking longer ____ ____ to ____ established ____ unfamiliar ____ ____

____ does ____ appear like ____ to ____ unknown network ____ on ____?

Are you ____ ____ ____ ____ ____ foreign networks?

Can you ____ ____ ____ connection setup ____ ____ ____ is delayed?

____ ____ be ____ to connect ____ a new ____ overseas.

Is there a ____ for ____ slow ____ with ____ ____ network ____?

____ takes a lot ____ time ____ connections ____ ____ international ____.

____ ____ it ____ ____ long to setup ____ ____ strange and ____ networks?

Why do ____ think connection ____ on ____ ____ get ____?

Why ____ ____ have delays when connecting ____ strange ____ ____?

What leads ____ ____ ____ delays ____ ____ ____ an unknown network?

____ isn't ____ ____ establish ____ link in ____ networks.

Why is ____ ____ ____ unfamiliar network ____ forever to ____ ____?

____ is ____ unfamiliar ____ ____ taking forever to ____ up.

____ ____ the ____ of delays ____ ____ ____ a foreign network?

____ overseas networks for initial ____ can ____ ____ ____ expected.

What ____ ____ ____ of ____ delays ____ ____ ____ to a foreign network?

____ ____ ____ ____ an ____ international network ____ on so long?

There are ____ international networks ____ ____ ____ ____ at times.

Why ____ the unfamiliar ____ ____ ____ to ____?

The ____ ____ process ____ ____ ____ dealing with ____ global networks

Sometimes ____ ____ ____ networks takes ____ than ____.

Setting ____ a link on a ____ international ____ ____ more ____ consuming ____ ____.

____ ____ ____ ____ delayed connection setup on unfamiliar ____ networks?

It takes extra ____ ____ ____ ____ be on ____ ____ networks.

How ____ there ____ delays ____ establishing a connection ____ ____ ____?

____ takes ____ ____ for connections ____ unfamiliar ____ networks.

____ ____ experienced ____ ____ to ____ foreign network?

Can ____ give ____ ____ for ____ longer connections on ____ ____?

I ____ know why ____ ____ to wait ____ ____ ____ ____ ____ on ____ weird foreign networks.

____ you ____ ____ ____ ____ setup on ____ networks takes so long?

____ ____ ____ connections ____ foreign ____ ____ when we are not familiar with ____?

Are you aware ____ ____ ____ ____ be ____ on unknown ____?

____ ____ ____ delays ____ ____ connected to a foreign network so ____?

There ____ delays ____ establishing ____ connection ____ an unfamiliar ____.

Can you tell me ____ connection ____ ____ ____ ____ ____ longer?

It takes ____ ____ ____ a ____ ____ foreign networks.

____ ____ uncommon long waits ____ unknown ____.

____ ____ happen ____ ____ ____ foreign networks take longer?

Can anyone ____ ____ ____ net abroad ____ ____?

Is the long connection ____ ____ ____ of ____ foreign ____?

Sometimes ____ to ____ foreign ____ takes ____.

____ using a ____ ____ ____ the ____ time, why does linking ____ ____?

There ____ ____ ____ ____ connecting to ____ unknown network.

The setup ____ ____ ____ networks ____ longer.

____ ____ a ____ connections are ____ ____ unknown networks?

____ ____ ____ some delays in connecting ____ ____ ____ network overseas.

____ when ____ on a ____ ____ network ____?

Why does ____ take ____ long ____ establish ____ connection ____ unfamiliar ____?

____ ____ so ____ ____ connect to ____ strange foreign network.

____ ____ ____ ____ unfamiliar foreign networks ____ results ____ a more lengthy processed ____?

Sometimes ____ are ____ on ____ ____ networks.

When connecting to ____ new ____ ____ are there reasons ____ ____ ____?

____ connecting to ____ unknown international ____ ____ causes the ____?

____ come ____ on ____ ____ network is ____ than usual?

What ____ ____ ____ ____ the ____ set up ____ on foreign networks?

____ ____ ____ networks affect ____ duration of ____ set up?

____ ____ ____ ____ ____ cause connection setup to go past ____ wait ____?

Are there ____ reasons ____ ____ ____ when connecting ____ ____ overseas networks?

Why ____ you experience intermittent delays when ____ ____ ____ ____?

____ it ____ that unknown foreign ____ prolong ____ ____ set-up?

____ you ____ an ____ for ____ ____ connection times on ____ networks ____?

____ ____ with ____ new network ____?

How ____ ____ does an unfamiliar ____ take ____ ____?

Why ____ an ____ network ____ ____ time.

It's hard ____ comprehend ____ we ____ ____ ____ ____ long ____ ____ connection on strange ____ networks.

When setting ____ a link ____ ____ ____ ____ ____ ____ reasons can it take so ____?

Connection ____ ____ international networks ____ ____.

____ is ____ ____ for connections being slower ____ international ____?

____ ____ ____ unfamiliar networks ____ take longer than ____.

____ can ____ waits ____ ____ unknown networks?

____ ____ ____ a delayed occurrence ____ ____ setup on unfamiliar ____ networks?

____ are ____ ____ establishing a connection ____ ____ networks.

Do ____ know what causes ____ connection ____ ____ ____ ____ overseas?

____ might be ____ ____ ____ ____ delayed occurrence of connection setup ____ ____ networks.

Is there ____ reason ____ delays ____ ____ to a ____ ____?

____ ____ establishing a ____ ____ have ____ speculated on.

____ ____ delays when ____ ____ a ____ network?

____ ____ ____ more ____ ____ establish a connection ____ an unfamiliar foreign ____.

____ is ____ setup ____ ____ different in ____ overseas networks?

Is there any ____ for the ____ ____ ____ connection setup ____ unfamiliar ____ ____?

____ ____ connections ____ foreign ____ are longer ____ usual.

Is ____ a reason for ____ to be delayed ____ ____ ____ ____?

What about ____ ____ networks that have ____ ____ ____?

____ makes ____ on ____ ____ slower than ____?

It ____ be hard to ____ ____ an unknown ____ ____.

____ is ____ cause ____ the ____ set-up ____ ____ foreign networks.

____ do ____ ____ the ____ for intermittent ____ when ____ with unfamiliar ____ networks?

What causes ____ ____ time ____ ____ foreign ____?

Is there a ____ ____ ____ might take longer to ____ ____ ____ unfamiliar ____ ____?

There ____ a ____ connection ____ ____ ____ networks.

____ ____ establishing ____ connection ____ an ____ foreign network taking ____ long?

What ____ connecting ____ ____ ____ networks ____ resulted in ____ more ____ period?

____ can ____ ____ when connecting to ____ international ____?

____ does ____ ____ ____ connecting to an ____ network takes ____?

How ____ ____ ____ so long to connect to ____ ____ ____?

____ ____ ____ network ____ ____ can be hard.

____ ____ setting ____ net abroad get ____?

____ does ____ unfamiliar ____ ____ longer to ____?

____ ____ a ____ ____ ____ time it takes ____ ____ on an alien network ____?

In ____ ____ would ____ to unfamiliar foreign ____ ____ ____ a longer ____ period?

____ ____ up ____ ____ ____ an unfamiliar international system, what reason ____ it ____ more time ____ ____?

____ are ____ wait periods encountered upon ____ ____ ____ in ____ networks.

____ ____ ____ ____ as to why ____ ____ unfamiliar foreign ____ ____ take longer than usual?

Connection ____ ____ unfamiliar ____ ____ can take longer ____ usual.

How ____ having a ____ setup time ____ ____ ____?

Is it possible that ____ setup on ____ ____ ____ ____?

When ____ ____ ____ network ____ the first time, ____ can ____ take ____ ____ expected?

Is ____ ____ reason ____ ____ ____ be delayed on an unfamiliar ____?

____ does ____ ____ ____ on ____ networks get longer?

Why is ____ ____ ____ ____ unfamiliar foreign ____?

Establishing ____ ____ ____ an unknown ____ network ____ take longer than ____.

There are ____ ____ ____ connecting ____ a new ____ network.

We have to ____ ____ long ____ a ____ on ____ weird ____ ____.

Why ____ ____ ____ connecting ____ an unknown ____ takes forever?

Can ____ tell ____ why ____ setup of connections ____ ____ ____ ____ is different?

____ ____ longer setup time ____ ____ networks.

____ ____ ____ reason behind ____ slow ____ with a new network ____?

What ____ delays ____ ____ to ____ new ____ network?

____ ____ ____ connections slow on unknown ____?

Why does it take so long ____ ____ a ____ ____ ____ ____.

Sometimes ____ to a ____ network ____ ____ longer ____.

How come ____ ____ be ____ on unknown ____ ____?

How is the ____ ____ ____ ____ than normal ____ using unfamiliar ____?

Is ____ an ____ ____ to ____ it ____ take ____ ____ usual to ____ with a foreign ____?

There ____ an unfamiliar overseas network ____ forever ____ ____ ____

____ causes the setup ____ ____ ____ networks to be ____?

Why ____ it ____ ____ to ____ ____ a link on an ____ ____ system ____?

____ you have ____ ____ for the delayed setup ____ connection ____ ____ ____?

Are ____ experiencing connection ____ ____ ____ ____ networks?

____ are extended ____ time ____ foreign ____.

There are ____ when ____ to ____ ____ ____.
Why does ____ ____ much longer ____ ____ ____ a foreign ____?
Is there ____ explanation as ____ why ____ can ____ ____ ____ ____ ____ an ____ foreign network?
____ do ____ experience ____ ____ setting up connections on ____ ____ networks?
____ in establishing ____ ____ ____ a new ____?
____ is ____ ____ ____ ____ connect to a weird network?
What ____ ____ lengthy set-up time ____ ____ ____?
____ using unfamiliar ____ from other countries ____ ____ ____ ____ slower.
Is it ____ that extended ____ times ____ ____ ____ ____ abroad?

____ ____ think it's normal ____ connections ____ ____ longer ____ foreign networks?
____ the process ____ connecting ____ unknown ____ is ____.
When connecting ____ ____ ____ overseas network, ____ causes ____?
Does ____ take ____ bit more ____ to ____ ____ ____ networks?
Why ____ ____ get delayed when ____ ____ on strange ____ ____?
What's ____ ____ connecting slower ____?
____ there ____ explanation as to ____ ____ ____ take ____ than usual to connect ____ a ____ ____?
____ may take longer than usual to ____ a ____ ____ ____ ____ ____.
It takes so long to ____ ____ ____ ____ ____
____ ____ in new networks can ____ ____ long ____.
____ ____ ____ when you experience extended connection ____ on unfamiliar ____ ____?
____ ____ ____ in establishing a connection on ____ ____ network
What ____ ____ ____ connecting to new ____?
____ ____ tell ____ ____ reason for the setup of ____ in ____ ____?
____ you ____ a reason for ____ ____ connection times ____ foreign ____?
____ ____ connection ____ ____ foreign ____ can ____ a bit more time.
____ doesn't ____ ____ ____ ____ ____ ____ time when using a foreign network?
Our ____ to ____ ____ can ____ longer than ____.
There ____ ____ ____ delays in ____ ____ a new ____ overseas.
____ ____ we ____ experience delays when connecting ____ ____ ____ networks?
____ you ____ ____ why there ____ longer ____ ____ on new networks ____?
____ connecting ____ ____ ____ ____ requires more time.
____ makes it ____ ____ long to ____ ____ in ____ networks?
Is it possible that ____ experience extended ____ ____ ____ ____ ____?
____ ____ ____ on unexplored international ____ slow?
____ you ____ when a ____ ____ ____ on foreign networks?
Is it ____ ____ ____ ____ a alien network is ____ than ____?
____ ____ connection on ____ foreign network ____ take more time ____ ____.
What ____ ____ take so long to setup connections ____ ____ ____ ____ networks?
____ ____ a link ____ established ____ ____ foreign networks?
When setting ____ ____ link ____ ____ ____ ____ ____ what reasons can it be ____ ____ consuming?
____ do we ____ lengthy wait ____ while ____ links ____ foreign ____?
When ____ with an unfamiliar ____ network, ____ ____ ____?
____ do ____ delays ____ when you ____ ____ unfamiliar ____ networks?
Why do ____ take ____ ____ ____ ____ networks?
____ setting ____ a link on an ____ ____ system more ____ ____ ____ usual?
Why ____ it ____ ____ ____ long to establish ____ in foreign ____?
There ____ a ____ ____ process ____ unfamiliar ____ outside.
____ connect ____ ____ is ____ on?
In ____ ____ would connecting ____ unfamiliar foreign ____ ____ to a ____ ____ period?

____ does it ____ longer ____ ____ ____ unfamiliar networks?

____ ____ take a long time to ____ a ____ ____ ____ unfamiliar ____.

____ ____ ____ time to ____ with ____ unfamiliar foreign network.

____ ____ a ____ ____ for ____ ____ time, ____ can the ____ take longer than expected?

____ is ____ ____ harder ____ establish a link ____ foreign ____?

I ____ not ____ why we ____ to wait ____ ____ ____ ____ connection ____ strange ____ networks.

____ do you see connections take ____ time ____ ____ ____?

Why do we experience ____ ____ when ____ ____ ____ in ____ networks?

____ you experience extended ____ times when ____ ____ overseas ____?

____ a ____ connection ____ is needed on ____ networks ____.

Is there ____ ____ why ____ could be delayed ____ ____ ____ network?

There can be a lengthy connection ____ ____ ____ ____ ____.

Why ____ connecting ____ ____ normal ____ using unfamiliar ____ from other ____?

____ ____ like ____ ____ on forever ____ connecting to a ____ network.

Is there ____ reason ____ ____ ____ of ____ may ____ ____ in unfamiliar ____ networks?

____ you explain when ____ ____ on ____ foreign networks ____ ____?

____ connecting to ____ foreign ____ what leads ____ occasional ____?

Is ____ ____ ____ ____ ____ ____ network takes forever to link up?

Why ____ ____ ____ so long to ____ up ____ connection on a ____ ____?

What ____ the set-up time ____ ____ ____?

____ is there a longer ____ ____ on ____ ____?

Why ____ ____ ____ ____ long ____ the ____ ____ to establish a connection?

____ leads to lengthy wait periods after ____ ____ ____ ____ ____ foreign ____?

Why do ____ experience delays in establishing ____ ____ ____ ____ ____?

How ____ ____ on ____ ____ network ____ longer?

There ____ a chance ____ delay ____ ____ ____ a ____ network.

____ ____ tell us why it takes ____ ____ connect ____ unfamiliar ____ ____?

Sometimes ____ ____ ____ with unknown foreign ____ is ____.

Why ____ it ____ setting up ____ ____ ____ a foreign network ____ ____ time?

____ ____ it ____ ____ long to ____ ____ link in ____ foreign network?

There ____ specific ____ that ____ to ____ connection times ____ ____ ____ network abroad.

Isn't ____ ____ ____ ____ take ages to connect ____?

____ ____ sometimes a ____ ____ connecting ____ a new ____ overseas.

____ there ____ ____ why it may take longer ____ usual ____ ____ with an ____ ____ ____?

____ do you experience ____ delays ____ to ____ overseas ____?

____ it possible ____ foreign networks cause ____ ____ set-up ____?

There ____ ____ ____ delay in ____ to ____ new network.

Is it possible ____ connections on ____ ____ ____ ____ ____ times?

Is ____ a reason the ____ ____ ____ ____?

____ set up ____ on ____ ____ is ____.

____ using ____ ____ network ____ the first ____ ____ linking process takes ____ ____ expected.

Why does it ____ more time ____ ____ to ____ ____ ____?

Establishing a ____ ____ ____ ____ can ____ more time.

____ ____ give ____ a reason ____ the ____ of ____ in unfamiliar ____ networks?

Sometimes ____ ____ a long ____ ____ establish ____ on unfamiliar ____ abroad.

Is there ____ ____ contributes ____ the lengthy ____ setup ____ ____ dealing with ____ global ____?

There are ____ when connecting ____ ____ new ____ ____.

____ does ____ take an ____ international ____ so ____ ____ connect?

What ____ the lengthy ____ ____ on ____ ____?

Is ____ possible ____ connecting on an ____ network ____ ____ than ____?

____ stumped ____ to why we have ____ ____ ____ long for ____ ____ ____ weird ____ networks.

____ takes ____ to ____ up a connection on ____ ____ ____.

____ were ____ long ____ ____ unknown networks.

What makes connecting ____ ____ ____ network ____?

When ____ a ____ ____ for ____ first time, ____ can ____ ____ so long?

____ gets slow when ____ a ____ ____.

____ do you experience delays ____ connecting ____ ____ ____ network?

Is ____ any ____ behind intermittent delays ____ connecting ____ ____ ____ networks?

____ ____ ____ ____ in connecting ____ ____ foreign network so bad?

____ connecting to an unknown ____ network, ____ causes ____ ____?

Do foreign ____ cause ____ ____ set ____?

____ ____ ____ ____ times longer on unfamiliar foreign ____?

Why does the ____ ____ connections ____ unfamiliar overseas ____ ____?

There ____ ____ ____ ____ ____ ____ abroad gets slow at times.

Why do ____ have intermittent delays ____ ____ ____ foreign ____?

There are ____ wait ____ ____ ____ setup ____ ____ in strange networks.

Have ____ experienced ____ connecting ____ foreign ____?

Have you experienced ____ ____ ____ ____ ____ networks?

It ____ ____ ____ in new ____.

____ ____ to the ____ ____ on international ____?

____ trying ____ ____ to an unknown ____ ____ leads ____ delays?

____ ____ ____ unknown ____ what ____ contribute to the ____ connection ____ process?

Why ____ ____ ____ experience delays when establishing ____ on ____ ____?

Why ____ it take ____ time ____ ____ with ____ foreign ____.

____ up a ____ ____ ____ new ____ system can ____ more ____ than usual.

At ____ it ____ take ____ ____ usual ____ connect to ____ unfamiliar ____ network.

Can ____ give a reason ____ ____ ____ on ____ ____ are longer?

When setting up ____ link ____ ____ unfamiliar ____ system ____ ____ more time-Consuming ____ ____?

What ____ the ____ for ____ connection times ____ ____ foreign ____?

Sometimes it ____ more time ____ ____ ____ foreign ____ that we ____ ____ with.

It ____ take ____ ____ connect ____ an unknown ____.

____ does ____ ____ ____ longer time to link ____ a ____ network?

____ process ____ connecting is ____ than ____ ____ using ____ countries.

Did ____ foreign ____ cause ____ longer ____ ____?

There ____ ____ delays in connecting ____ ____ network ____.

It ____ ____ longer to ____ ____ ____ unfamiliar foreign network.

____ ____ normal for connections on ____ ____ ____ ____ a while?

Sometimes ____ to ____ foreign ____ ____ ____ a more ____ process.

Is ____ ____ ____ ____ connections to ____ slower on ____ networks?

What ____ connecting ____ unfamiliar ____ networks ____ ____ ____ a lengthy ____ period?

In ____ ____ ____ connecting ____ unfamiliar foreign networks ____ ____ ____ longer ____ of processing?

Is it ____ ____ ____ a delay when connecting ____ a ____ ____ ____?

Why in ____ does ____ ____ so long ____ ____ networks ____ establish a ____?

What ____ a connection on ____ ____ ____ ____?

____ is ____ up a link on ____ ____ ____ ____ more time consuming ____ ____?

Sometimes, ____ ____ ____ ____ with ____ international providers.

Sometimes ____ is a ____ connection ____ with ____ ____ providers.

The ____ ____ be ____ ____ an ____ network.

____ you ____ what ____ connections to ____ slow on unknown ____ ____?

____ ____ ____ ____ new overseas ____ is there ____ reason for delays?

Why _____ _____ _____ to _____ a link _____ foreign networks?

How _____ there be delays _____ establishing a _____ _____ _____ _____?

It takes _____ _____ be established _____ _____ _____ abroad.

Is _____ _____ link _____ unknown foreign _____ _____ longer connection _____?

Why does _____ to _____ _____ foreign _____ _____ so long?

_____ is _____ _____ it _____ _____ to establish _____ link in foreign _____?

New _____ can _____ _____ setup _____.

_____ _____ _____ _____ intermittent delays when connecting with unfamiliar _____ _____?

_____ can take _____ _____ to establish a connection _____ a _____ _____.

Is there _____ reason _____ _____ _____ longer _____ alien networks?

How do _____ _____ long waits _____ _____ _____?

_____ want to know why _____ _____ _____ _____ slow.
