[Demo] NLP Dataset for Customer Service Automation

Company Type	E-commerce Marketplaces
Inquiry Category	Customer feedback and reviews submissions
Inquiry Sub-Category	Review manipulation investigations
Description	Investigating and addressing concerns related to potential cases of review manipulation, including fake or biased reviews, to ensure a fair and reliable shopping experience for all customers.
Data Size	5,048 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "E-commerce Marketplace" customer inquiry. (Purchased data will not be masked.)

Who determines ____ certain ____ ____ ____ ____ ____ automated systems or human ____?

Is ____ a ____ ____ or a human ____ ____ ____ ____ review ____ is justified?

____ ____ or ____ decide ____ or not actions ____ ____ manipulation?

Is it possible that ____ systems ____ ____ investigators determine ____ ____ ____ ____ review ____?

What counts as ____ manipulation ____ ____ ____ from ____ ____ or human ____.

____ ____ ____ human investigators ____ ____ systems are using ____ manipulation?

____ or ____ who ____ ____ certain actions count as ____ ____?

Who ____ ____ certain ____ are review ____?

On whether ____ ____ is ____ manipulation, ____ computer ____ human ____ making?

____ or ____ certain actions ____ ____ review ____ can be determined ____ ____ ____ or through ____ investigators.

____ you tell ____ ____ it's ____ means or ____ ____ who decide when ____ ____ as review ____?

Is ____ ____ ____ human ____ ____ whether an action is ____ review ____?

Is it the ____ ____ determining what ____ as ____ manipulation ____ automated ____ ____ ____ investigators?

____ the ____ ____ ____ review manipulation ____ automated ____ or human investigators?

Is ____ ____ ____ decisions ____ whether or ____ an ____ ____ review manipulation?

____ ____ ____ ____ systems do ____ review manipulation

____ ____ ____ determined by automated ____ or Human ____?

____ that automated system or ____ people ____ ____ whether ____ are ____ ____?

Does the determination ____ whether ____ action ____ ____ manipulation ____ ____ computers ____ humans?

____ question ____ whether automated ____ ____ ____ investigators determine ____ qualifies as review ____.

____ a ____ ____ a human ____ ____ ____ action is review manipulation?

How ____ you ____ if ____ are ____ manipulation ____ automated?

____ it ____ computerized ____ or ____ human evaluation that makes a ____ ____ ____ ____ ____ should happen?

Who ____ ____ for ____ ____ ____ not ____ activities ____ review manipulation ____ human investigators?

____ do you decide ____ ____ ____ ____ review manipulation or ____ ____ investigation?

____ ____ ____ ____ like reviewing tampering done ____ ____ mechanisms ____ individual inspectors?

____ ____ ____ ____ ____ that identify review manipulation?

Is ____ actions of ____ systems or ____ ____ ____ manipulation?

Review manipulation _____ _____ determined _____ _____ _____ or by human _____.

_____ _____ _____ _____ _____ _____ a human evaluation that _____ the decision about whether or _____ to use _____ _____?

_____ _____ a _____ method _____ a _____ _____ _____ decides when review manipulation is _____?

_____ wonder if _____ is _____ _____ _____ who identify _____ manipulation items.

_____ the responsibility of determining what _____ as _____ manipulation _____ _____ automated _____ _____ human _____?

_____ _____ if _____ systems _____ _____ _____ qualify for review manipulation?

_____ humans _____ _____ determine _____ an _____ is review manipulation?

Who is responsible _____ determining _____ certain _____ are _____ reviewed _____ automated _____ _____ human _____?

Is it _____ computerized way _____ _____ human way to _____ _____ _____ is _____ _____?

_____ _____ as review manipulation _____ be decided _____ _____ _____ people.

_____ manipulation _____ _____ decided by _____ systems or _____ a human _____.

_____ _____ _____ may _____ for _____ manipulation can be _____ by _____ _____ or human investigators.

Do computer or human _____ _____ _____ _____ action _____ _____ manipulation?

Who _____ _____ _____ actions _____ review manipulation _____ or automation?

_____ _____ software _____ people _____ identify review _____

_____ systems or _____ _____ _____ determine _____ _____ _____ certain _____ qualify for review manipulation.

Can _____ _____ people determine _____ _____ review _____?

Whether _____ _____ certain actions _____ for _____ manipulation _____ be determined _____ _____ _____ or human _____

Who decides _____ _____ _____ are _____ manipulation

Are the _____ _____ as review _____ _____ automated systems and _____ _____?

Which _____ _____ _____ _____ are review manipulation or _____ systems?

A _____ about _____ systems _____ people determining _____ _____.

_____ qualifies _____ _____ _____ is up to automated systems _____ _____ investigators.

_____ _____ or humans _____ _____ actions _____ are review manipulation?

Will it be _____ _____ _____ human _____ that _____ when _____ _____ review manipulation?

_____ _____ _____ _____ _____ is software or people _____ identify review manipulation _____.

Can _____ tell _____ if _____ manipulation detection _____ on _____ investigators _____ _____ systems?

_____ question about _____ computer _____ human _____ _____ _____ an action is _____ manipulation.

Do _____ _____ _____ _____ decisions about whether _____ are _____ manipulated?

Do _____ _____ or human _____ _____ whether a particular _____ is _____ _____?

_____ decides _____ actions are review _____ _____ _____?

_____ if _____ systems _____ _____ _____ determine review manipulation?

Who _____ _____ _____ _____ activities are review _____?

_____ software _____ _____ determine _____ an action _____ review manipulation?

Do _____ _____ and _____ _____ determine what _____ review manipulation?

_____ determines _____ actions are review _____ _____ _____?

Who decides if _____ manipulation _____ done _____ _____ or _____?

Is the decision if _____ _____ _____ _____ manipulation _____ by a computer _____ _____?

_____ _____ tell _____ _____ _____ _____ _____ or human _____ that decide _____ review manipulation is appropriate?

Someone decides _____ _____ _____ are review _____ _____ machines.

Is it _____ systems _____ decide _____ _____ _____ review manipulation _____ real _____ that _____?

Someone _____ _____ know if review _____ _____ relies _____ automated _____ or _____.

_____ decides if some actions _____ _____ _____?

Does the _____ _____ determining what qualifies as review manipulation _____ _____ automated _____ _____ _____ _____?

Do computers _____ Humans _____ _____ actions _____ _____ _____ _____ review manipulation on _____ individual basis?

_____ _____ as review manipulation _____ _____ automated _____ or _____ investigators?

_____ it possible that _____ _____ or _____ _____ _____ what qualifies as review _____?

Is it _____ systems _____ real people who determine _____ _____ actions _____ _____ _____?

_____ or _____ _____ actions qualify for review manipulation _____ be decided _____ _____ _____ or by _____ _____.

automated systems _____ human _____ determine _____ _____ _____ constitute _____ manipulation.

____ ____ responsibility ____ determining review ____ lie with ____ ____ ____ human investigators?

Does ____ ____ of if ____ action is ____ ____ ____ ____ computers or humans?

____ the determination of ____ ____ ____ is review manipulation lie ____ ____ or ____?

It ____ ____ decided by automated ____ or human ____ ____ ____ ____ ____ for review manipulation.

Who ____ if certain ____ are ____ ____ ____ human investigators?

____ systems and ____ ____ can ____ ____ a certain action ____ ____ review manipulation.

____ it automated systems ____ ____ ____ actions ____ ____ ____ or real people?

Is it computerized ____ or ____ evaluators that ____ when something ____ ____ ____ ____?

____ is a ____ who decides ____ a ____ ____ ____ ____ ____ ____ robot or human investigators.

The ____ decides if ____ ____ ____ being manipulated by ____ robot ____ ____ investigators.

A ____ about whether automated systems or ____ ____ ____ ____.

____ ____ tell me ____ it's computerized means or ____ evaluators ____ ____ ____ decision ____ review ____?

____ you ____ ____ if it's ____ means or human ____ ____ decide if ____ ____ manipulation?

____ it ____ computerized ____ ____ a human evaluation ____ ____ a decision about ____ something ____ ____ review manipulation?

Computer or ____ ____ ____ whether an action ____ ____ manipulation?

There ____ automated ____ and ____ ____ ____ ____ determine review manipulation.

____ machines ____ people determine ____ ____ ____ review manipulation?

____ the determination of ____ action's ____ manipulation ____ ____ ____ or humans?

Which ____ whether ____ review is tampered ____ automation ____ ____?

____ ____ a question ____ whether automated systems ____ people ____ review ____.

____ ____ ____ me if it's ____ ____ or ____ ____ that ____ when review manipulation ____ occur?

Will ____ systems or human ____ decide ____ qualifies ____ ____ ____?

____ counts ____ ____ manipulation ____ ____ by ____ automated methods ____ human investigators.

Are automated ____ ____ human investigators the ones that ____ ____ ____ ____ review ____?

____ ____ tell ____ if it's computerized means ____ ____ ____ who decide when ____ ____ ____ appropriate?

Can ____ ____ me ____ it ____ computerized ____ or human evaluators who ____ when ____ ____ ____ appropriate?

Automated ____ ____ human ____ determine review ____.

There are ____ and ____ who decide ____ actions ____ ____ ____.

____ ____ ____ ____ human make ____ decision ____ whether an ____ is ____ review manipulation?

____ ____ if ____ review is ____ ____ a robot or ____.

Who ____ whether the activities are ____ ____ ____ ____ investigating?

Do ____ or ____ determine ____ ____ ____ review manipulation?

automated systems ____ ____ people who ____ ____ actions are ____ ____?

Do ____ ____ fall under ____ category of manipulation ____ ____ ____ ____ investigator?

____ computer ____ ____ ____ ____ ____ actions are considered review manipulation?

____ you tell ____ if ____ ____ means or ____ evaluators ____ ____ ____ something is review ____?

____ ____ algorithms responsible ____ determining ____ ____ ____ ____ or is it up ____ human examiners?

____ ____ ____ computerized means or a ____ ____ that determines ____ or not to ____ a review ____ ____?

____ ____ ____ might ____ on automated systems or ____.

Is ____ ____ automated ____ ____ a real person who decides ____ ____ are ____ ____?

____ ____ is determined ____ ____ ____ or human investigators.

____ ____ determination that an action is ____ ____ lie ____ ____ or ____?

____ counts ____ ____ manipulation is ____ by ____ or human ____.

____ ____ to ____ ____ review manipulation detection depends ____ ____ systems ____ humans.

____ ____ or ____ ____ ____ ____ if they are review manipulation?

Is review ____ ____ ____ automated ____ or ____?

____ decides when ____ ____ ____ manipulation or automated ____?

Is ____ a computer ____ ____ ____ ____ decides if ____ is review ____?

Is ____ ____ ____ means or a ____ evaluation ____ decides when to ____ ____ ____?

Can someone ____ if the ____ ____ ____ manipulation relies on ____ ____ ____ humans?

Who is ____ for ____ ____ the activities ____ ____ manipulation ____ ____ investigating?

____ ____ not certain actions qualify for ____ ____ is ____ ____ ____ ____ or through human ____.

Is it ____ ____ or human ____ ____ ____ whether or ____ to use ____ ____?

Does ____ ____ people ____ ____ ____ review manipulation?

____ automated ____ or human ____ determine ____ particular actions ____ review ____?

Can ____ ____ ____ review manipulation detection is ____ by ____ ____ ____ humans?

It is ____ ____ who decides ____ ____ ____ ____ being ____ by ____ ____ or human investigators.

Who ____ ____ ____ the activities ____ review manipulation ____ ____ investigators?

Is ____ ____ computerized system or ____ ____ evaluation ____ makes a ____ ____ whether or ____ it ____ review ____?

____ manipulation may ____ ____ by automated systems ____ ____.

____ the ____ ____ investigators decide if actions ____ ____?

____ qualifies as ____ ____ ____ be determined ____ automated ____ or ____ investigators?

Who makes the ____ ____ ____ systems are ____ ____?

____ ____ ____ a certain action is review ____ or ____ ____?

Which ____ ____ reviews are ____ ____ ____ automation or humans.

Is ____ ____ ____ ____ ____ systems or humans?

Does the determination ____ whether ____ ____ ____ ____ ____ lies in software or ____?

automated ____ ____ ____ ____ can decide whether or ____ ____ ____ qualify ____ review manipulation.

____ manipulation ____ ____ decided by ____ systems, ____ by ____ investigators.

____ certain ____ ____ review manipulation can ____ determined by automated systems ____ ____ ____.

Is it a computerized ____ or ____ ____ ____ ____ makes a ____ ____ when ____ ____ is justified?

____ automated systems ____ ____ responsible ____ determining review ____?

____ ____ ____ decisions about ____ an action is review ____

Does the ____ ____ ____ review ____ ____ with automated systems ____ ____ investigators?

Whether or not certain ____ qualify ____ review ____ can ____ ____ by ____ ____ ____ by ____.

____ ____ determines if ____ are review ____ ____ automated?

____ rules ____ ____ manipulation ____ be decided ____ automated ____ and ____ investigators.

____ ____ systems ____ human investigators determine whether ____ ____ constitute ____ manipulation?

____ ____ whether ____ not ____ review is being ____ by ____ ____ ____ human investigators.

____ it ____ ____ means ____ a ____ ____ that ____ when a ____ can be altered?

Does anyone know ____ ____ manipulation ____ relies ____ automated systems ____ ____?

Who ____ responsible ____ determining ____ the activities ____ ____ review manipulation ____ ____ investigators?

____ certain actions ____ for review ____ it ____ ____ ____ by automated systems ____ ____ investigators.

Which ____ whether ____ will be tampered ____ automation ____ ____?

____ ____ actions assessed by ____ ____ ____ analysts?

____ a ____ ____ qualifies for review ____ can ____ ____ ____ automated systems or ____.

____ is a question as to whether ____ ____ or ____ ____ ____ ____ manipulation.

____ ____ ____ to machines or ____ ____ ____ if review manipulation happened?

____ ____ actions review ____ by automated systems ____ ____ investigators?

Who ____ ____ ____ about whether ____ actions are ____ ____ or automated ____?

____ ____ ____ certain actions are review ____ or automated ____?

____ someone ____ if ____ ____ manipulation detection relies ____ human investigators ____ ____ systems?

Is ____ or human ____ ____ ____ ____ are review manipulation?

____ qualifies ____ review manipulation may ____ ____ ____ machines or ____.

Can someone ____ ____ if review manipulation ____ ____ reliant ____ human investigators ____ ____ ____?

____ the ____ ____ ____ action review manipulation ____ ____ software or humans?

____ ____ ____ systems that determine ____ actions ____ considered ____ ____ ____ real people who do?

Review manipulation ____ be decided by ____ ____ ____ ____ investigators.

Who makes ____ ____ if automated systems ____ human ____ ____ manipulating ____?

____ is ____ ____ whether automated ____ or ____ investigators do ____ review ____?

____ automated systems ____ human investigators ____ ____ ____ of ____ ____ constitutes review manipulation?

____ it ____ computer ____ ____ ____ that makes the ____ ____ a review manipulation?

I ____ if automated systems ____ ____ ____ ____ manipulations.

Does ____ ____ ____ decision ____ whether an action ____ review ____?

Are the ____ seen ____ review manipulation by ____ ____ ____ ____?

____ ____ possible ____ automated systems ____ ____ ____ to ____ whether ____ actions ____ for review manipulation.

Does ____ machines ____ ____ choose if actions ____ ____?

____ ____ responsible ____ determining if ____ ____ are ____ by automated ____ or humans?

Should ____ ____ ____ ____ ____ a decision about whether an action is ____ ____?

____ ____ a ____ means ____ ____ human evaluation ____ decides whether ____ use ____ manipulation?

Who is ____ ____ determining ____ automated ____ or human ____ do ____ ____ manipulation?

Who decides if a certain ____ is review ____ ____ ____ ____ ____?

____ ____ confirm if review ____ detection is ____ on ____ ____ automated ____?

Do humans or computers ____ ____ ____ ____ ____ action is review ____?

____ ____ ____ ____ means or ____ human ____ that makes a ____ ____ ____ review can be manipulated?

Who makes the decision ____ automated ____ ____ ____ ____ do ____ review ____?

____ is ____ for determining ____ actions ____ review ____ ____ automated?

____ systems ____ ____ investigators can ____ whether ____ ____ qualify for review ____.

Are ____ software or ____ that ____ review ____ ____?

Do human ____ determine ____ ____ actions are ____ ____?

____ is a question as ____ ____ ____ possible reviews ____ ____ or ____.

Who ____ ____ ____ ____ whether the activities are review ____ or ____ ____?

Does ____ ____ of determining ____ qualifies as ____ ____ lie ____ automated ____ or human ____?

____ automated systems ____ human investigators ____ if ____ actions ____ ____ manipulation?

____ it ____ ____ or ____ ____ that ____ ____ decision about when review ____ should occur?

Can you ____ ____ ____ action is ____ ____ or a ____ investigation?

Which ____ possible ____ ____ automation ____ humans?

____ it ____ to ____ or ____ ____ decide if review ____ happened?

Can you tell ____ ____ it is ____ means ____ human evaluators ____ ____ ____ ____ review is ____ manipulation?

Is a ____ or ____ decision ____ ____ an ____ is review ____?

____ person decides if ____ ____ ____ ____ or machines?

____ wonder if computers or ____ determine ____ ____ are ____ ____.

____ counts ____ ____ manipulation ____ ____ ____ by ____ automated methods or human investigators.

____ ____ ____ of review manipulation ____ with ____ or humans?

Who will decide if ____ ____ ____ review manipulation ____ ____ ____?

Who ____ ____ decision on whether ____ ____ are ____ manipulation ____ ____ investigators?

____ you tell me ____ ____ is computerized ____ ____ ____ ____ that ____ if something is ____ manipulation?

____ the actions that constitute ____ manipulation determined ____ automated ____ ____ ____?

____ not ____ if ____ ____ ____ or ____ evaluators that decide ____ ____ qualifies as review ____.

Who ____ whether actions ____ ____ ____ humans ____ automation?

There are ____ automated ____ ____ human ____ ____ can ____ ____ certain ____ qualify for review ____.

____ qualifies as ____ ____ is determined ____ ____ ____ and human investigators

____ ____ ____ or people that ____ review manipulation ____?

____ ____ ____ computerized means ____ ____ human ____ that ____ a decision ____ a review manipulation?

____ is ____ ____ determining whether the ____ are review ____ ____ ____ investigators?

Do ____ systems or ____ ____ ____ ____ ____ particular action constitutes ____ manipulation?

Is it ____ review ____ by automated systems ____ ____ ____?

____ the task of ____ instances ____ ____ ____ ____ ____ ____ robot or ____ the human examiners?

____ ____ as review manipulation ____ decided ____ machines or ____.

____ decides if an ____ ____ ____ ____ manipulation?

Who decides _____ _____ _____ _____ are review _____ or automated?

_____ _____ possible _____ know if review _____ _____ relies on automated systems _____ _____?

_____ the duty _____ determining what _____ _____ _____ manipulation lie _____ automated systems _____ _____?

Who _____ _____ review _____ machines or _____?

There is _____ _____ _____ _____ _____ detection relies on human _____ or _____ systems.

_____ person decides _____ _____ review is being _____ by _____ _____ or human _____.

_____ responsibility of _____ what is _____ _____ lies _____ automated _____ _____ humans.

Does a _____ or _____ _____ if an action _____ _____ review _____?

Is _____ _____ _____ that decides if _____ _____ as _____ manipulation _____ _____ human that makes the _____?

_____ is a _____ _____ _____ whether automated systems _____ _____ _____ _____ the review manipulation.

Does _____ _____ if review manipulation _____ _____ reliant on human _____ _____ _____ systems?

_____ _____ or human _____ _____ made on whether _____ _____ is _____ review manipulation?

_____ is _____ _____ _____ if _____ are reviewed _____ automated _____ or humans?

Does _____ _____ _____ or _____ human _____ make a _____ regarding _____ _____ manipulation is justified?

_____ specific actions _____ _____ manipulation can _____ determined by _____ systems _____ human _____.

_____ _____ _____ _____ _____ qualify for _____ _____ can be determined by human investigators _____ _____ systems.

There are _____ _____ systems or _____ that determine _____ _____.

_____ _____ systems or _____ _____ _____ to _____ _____ a particular action constitutes review _____?

Who decides _____ _____ are _____ manipulation or _____ _____?

_____ _____ _____ actions _____ review manipulated - _____ or automation?

_____ _____ responsible _____ determining _____ _____ systems or _____ investigators _____ involved in certain _____?

Is _____ the _____ _____ _____ _____ decide if review _____ happened?

_____ automated _____ _____ human investigators the ones _____ _____ _____ as review _____?

Is it automated systems _____ decide _____ actions _____ _____ _____ _____ _____ people _____ do?

Do _____ _____ people determine _____ qualifies _____ review _____?

Is _____ _____ computerized _____ or _____ human evaluation _____ _____ when _____ manipulate _____ review?

_____ decides _____ certain activities are _____ _____ systems _____ _____ investigators?

Is _____ systems _____ real people _____ charge _____ review _____?

_____ _____ _____ the reviews are being manipulated _____ robot _____ _____ investigators?

_____ chooses _____ _____ _____ are review manipulation or automated _____?

_____ _____ _____ _____ or real _____ who determine if actions are _____ _____?

Do computers _____ humans _____ if an _____ is _____ _____?

People _____ _____ determine _____ the actions are _____ _____.

The person _____ _____ one who decides if _____ _____ _____ being _____ _____ _____ robot or Human _____.

_____ it the investigators or machines that _____ _____ _____ _____ _____?

Is _____ considered _____ _____ determined _____ _____ systems or human _____?

_____ decides _____ actions are _____ _____ _____ automated system?

_____ decides if review _____ is _____ _____ _____ systems.

_____ counts _____ review _____ _____ on _____ or human investigators.

_____ _____ _____ of _____ _____ _____ with the software or humans?

_____ review _____ have to be determined _____ _____ systems _____ _____ investigators?

_____ person who decides if _____ _____ _____ _____ is human _____ automated.

What qualifies as review _____ is determined _____ _____ _____ _____ automated _____.

_____ _____ or _____ make a decision _____ _____ manipulation happened?

Who decides if _____ actions are _____ _____ automated systems _____ _____ _____?

_____ _____ _____ _____ determining _____ the activities are review manipulation or _____ _____?

Do _____ _____ if it's _____ _____ _____ _____ evaluators _____ _____ if something _____ as review manipulation?

_____ systems and human _____ _____ _____ whether _____ _____ _____ for review manipulation

_____ it computers _____ _____ who _____ decisions _____ whether an action _____ _____ manipulation?

_____ actions _____ deemed review manipulation by automated _____ _____ _____ _____.

____ constitutes ____ manipulation is ____ ____ automated ____ ____ human investigators.

Who decides if ____ ____ ____ ____ ____ review manipulation?

____ ____ systems or ____ ____ decide if a ____ ____ ____ review manipulation?

Whether ____ actions ____ review ____ is ____ ____ ____ ____ and human investigators.

Does automated systems ____ ____ investigators ____ what ____ ____ manipulation?

Does automated ____ ____ ____ ____ determine ____ constitutes review manipulation?

____ want ____ know ____ ____ computerized means ____ ____ ____ ____ decide when something is ____ manipulation.

____ automated systems ____ human investigators ____ ____ certain actions ____ review ____?

____ ____ manipulation detection rely on ____ ____ or automated ____?

Is it machines ____ ____ ____ determine what ____ as ____ ____?

There are computer and ____ ____ on ____ ____ ____ ____ a review ____.

Who ____ in ____ of determining ____ ____ ____ review manipulation ____ ____ investigators?

Do machines ____ ____ determine ____ ____ review ____?

____ decides if ____ ____ or ____ investigators ____ messing with ____?

Does automated methods or ____ ____ ____ what is ____ ____?

An automated ____ ____ human investigator can decide ____ certain ____ qualify ____ ____ ____.

Are ____ ____ ____ are ____ review ____ ____ ____ systems or human investigators?

Do ____ ____ ____ decide if ____ review was ____?

____ it ____ computer ____ a human ____ that ____ ____ decision ____ whether or not it is ____ ____?

Can someone ____ ____ if ____ ____ detection relies on automated ____ ____ ____?

Is it a computerized ____ or a ____ evaluation that ____ ____ ____ ____ should ____ ____?

____ decides ____ ____ actions ____ review manipulated ____ automated?

____ are ____ ____ and human ____ that ____ ____ if certain actions ____ for review ____.

Who ____ if ____ ____ are ____ manipulation?

____ ____ a decision about ____ ____ human ____ manipulation?

____ that ____ computerized means ____ a ____ evaluation that ____ ____ decision ____ using review ____?

____ decides ____ ____ or ____ actions ____ review manipulation?

____ ____ ____ or ____ investigators able to decide ____ ____ actions constitute ____ manipulation?

Is the ____ seen ____ ____ manipulation ____ ____ automated systems ____ human ____?

____ computers ____ humans ____ ____ actions ____ reviewed manipulation?

____ the ____ for determining ____ qualifies as ____ manipulation lie with ____ systems ____ ____ ____.

____ the determination of ____ ____ action ____ ____ manipulation made ____ computers ____ humans?

Is it ____ ____ ____ systems or human investigators determine ____ ____ ____ ____ ____ manipulation?

____ person ____ decides if automated ____ ____ human investigators ____ ____ manipulation.

____ ____ ____ ____ ____ an action is ____ manipulated lie with software ____ humans?

Is ____ or ____ decision ____ ____ an ____ ____ review manipulation

Does the ____ ____ ____ an action ____ review ____ ____ ____ Software or Humans?

____ ____ may be ____ by automated systems ____ ____ investigators

Is ____ ____ or human decisions ____ ____ actions ____ review ____?

Whether certain ____ ____ for review manipulation ____ be determined ____ automated ____ ____ ____ human ____.

Should ____ ____ and human investigators ____ responsible ____ determining ____ qualifies as ____ ____?

Review manipulation ____ might depend ____ ____ investigators ____ automated ____.

____ it automated ____ that determine if ____ are ____ ____ ____ ____ people?

Is ____ ____ of review ____ ____ ____ human investigators or ____ systems?

____ ____ if ____ systems ____ ____ determine review manipulation.

____ computer ____ ____ decisions ____ used to decide ____ ____ action is review ____?

Do ____ or ____ ____ decisions ____ review ____?

____ or not certain ____ ____ for ____ ____ can be decided by ____ systems, ____ ____ or ____.

____ you ____ me ____ ____ computerized means or human evaluators ____ ____ ____ something qualifies ____ review ____?

Human ____ or automated ____ ____ determine whether ____ actions ____ for ____ ____.

Who _____ if a robot _____ _____ _____ _____ to manipulate a _____?

_____ the determination of whether or not _____ action is _____ _____ _____ with _____ _____ _____?

Who _____ _____ certain _____ _____ review manipulation

_____ _____ if automated _____ are doing _____ _____?

Is _____ _____ _____ _____ decide if actions _____ review _____ or _____ people who _____?

_____ _____ determination of _____ _____ _____ is review manipulation _____ with software or _____?

There _____ a _____ _____ _____ computers _____ _____ decide _____ actions are review manipulation.

Is _____ actions review manipulation determined _____ _____ _____ _____ human _____?

Whom _____ _____ charge of _____ if the _____ _____ review _____ or _____ investigators?

_____ _____ determines reviews _____ humans _____ automation.

_____ is in charge of _____ if _____ _____ are _____ manipulation _____ _____ investigators?

_____ a certain _____ _____ for _____ _____ can be _____ by _____ systems _____ by humans.

Who _____ _____ _____ actions are review _____ _____ automated systems.

What qualifies _____ _____ manipulation can be _____ _____ automated _____ _____ investigators.

_____ _____ _____ certain actions qualify for review _____ is _____ _____ automated systems _____ _____.

Human or _____ decisions on whether _____ are _____ _____ _____?

_____ _____ decision about whether _____ _____ _____ _____ made by _____ or humans?

_____ _____ possible _____ review _____ is determined _____ automated systems _____ _____ investigators?

Who _____ in charge _____ _____ if the activities _____ _____ _____ _____ human investigators?

_____ human evaluators _____ decide when _____ _____ as review manipulation _____ _____ _____?

Who _____ whether the _____ _____ review _____ _____ investigators?

_____ automated _____ _____ people _____ review manipulation?

Who _____ responsible _____ _____ if a certain _____ is _____ by automated _____ _____ _____ investigators?

_____ automation _____ humans _____ _____ tampering?

Review _____ can _____ determined by _____ _____ or _____.

_____ computer _____ human _____ _____ _____ _____ action is a review manipulation?

_____ the _____ of determining what _____ as review _____ _____ _____ an _____ system or _____ _____?

_____ _____ _____ me if it's _____ or human evaluators _____ _____ when _____ _____ review manipulation?

_____ or _____ _____ certain _____ qualifies _____ _____ manipulation can be decided _____ _____ systems _____ by humans.

There is _____ _____ _____ _____ _____ humans decide _____ actions _____ review manipulation.

_____ _____ _____ human _____ on whether _____ _____ is a review manipulation

Who _____ if actions are _____ manipulation by _____ _____ _____?

_____ _____ who decides if the _____ are _____ _____ _____ _____ or people.

When it's possible _____ conduct a review manipulated, is _____ a _____ _____ _____ _____ _____ _____ makes the _____?

_____ makes the _____ _____ _____ the actions are review _____ _____ automation?

Who _____ if review _____ is done _____ _____ systems _____ human _____

_____ computers or _____ make decisions _____ whether _____ _____ _____ review manipulation?

Whether or not _____ _____ _____ _____ review manipulation is _____ to _____ automated systems _____ _____ _____.

Whether _____ not _____ _____ qualify _____ review _____ _____ _____ decided by automated _____ or investigators.

Is it automated systems _____ _____ _____ _____ are review manipulation _____ real _____ _____ _____?

Does the _____ _____ a _____ _____ lie _____ software _____ humans?

Is _____ _____ _____ or _____ people _____ figure out _____ actions _____ reviewed manipulation?

The person who _____ if certain _____ count as _____ _____ is _____ _____ _____.

_____ _____ _____ of _____ what qualifies as _____ _____ _____ with automated systems _____ humans?

_____ _____ determination of an _____ review _____ by software _____ _____?

Who _____ if human _____ _____ manipulating _____ _____?

_____ _____ responsible for deciding _____ _____ are _____ manipulation _____ human investigators?

Is it _____ that automated _____ or human _____ determine _____ _____ particular action _____ _____ _____?

_____ _____ as _____ _____ _____ be _____ by automated methods _____ human investigators.

Who decides _____ _____ _____ humans _____ manipulating _____?

Does a computer ____ a ____ ____ a ____ ____ a ____ manipulation?

____ decides ____ people or ____ ____ ____ things?

____ certain actions ____ for review manipulation ____ ____ decided ____ automated systems, or ____ ____ ____.

What ____ for review ____ ____ determined ____ ____ systems or human ____.

Is that software or people ____ ____ ____ ____ ____?

____ the ____ ____ ____ ____ by the ____ or human investigators?

____ the ____ ____ ____ decide if an action ____ manipulation?

Who ____ ____ decision ____ certain actions are review manipulation ____ ____ ____?

Who makes ____ ____ ____ review ____ or automated ____?

____ ____ for determining instances ____ ____ reviews, or ____ human ____ ____ ____ to do this?

It ____ ____ ____ ____ systems and human investigators ____ ____ ____ certain actions ____ for ____ manipulation.

Can ____ ____ me whether it's ____ means or human ____ ____ decide ____ ____ ____ ____ manipulation?

____ decides ____ ____ systems are manipulating ____?

____ someone tell me ____ the review ____ ____ relies ____ human ____ ____ automated ____?

The person decides ____ ____ ____ and human investigators ____ ____ ____.

____ affects ____ ____ of ____ tampering: automation ____ humans?

____ ____ ____ me if ____ ____ ____ decide when something qualifies ____ review manipulation ____ ____ it's computerized?

Does the responsibility ____ determining ____ qualifies as ____ ____ ____ with automated ____ or ____ ____?

Are actions ____ review manipulation ____ ____ investigators ____ automated ____?

____ automated ____ ____ ____ investigators determine ____ counts as ____ manipulation?

Is ____ a ____ means or a ____ ____ ____ ____ ____ ____ ____ a review is manipulated?

Who ____ ____ a ____ ____ ____ review manipulated ____ human investigators?

____ or not certain ____ qualify for ____ ____ can be ____ ____ ____ systems or ____ ____ investigators.

Who decides if certain activities are ____ ____ ____ ____ ____ ____ investigators?

____ decides ____ certain actions ____ review ____ or ____ automated ____?

____ ____ systems and human investigators ____ whether ____ ____ constitute review ____?

robot ____ human, who ____ ____ ____ actions count ____ ____ manipulation?

Someone ____ ____ ____ review ____ ____ manipulated ____ a ____ or Human investigator.

Does the responsibility ____ determining ____ is review ____ ____ with automated ____ ____ ____?

Is ____ automated ____ ____ ____ people who ____ if ____ ____ reviewed manipulation?

Does the responsibility ____ ____ ____ qualifies ____ review manipulation ____ ____ automated systems, ____ ____ human ____?

____ ____ the decisions ____ ____ ____ systems or ____ investigators ____ the review manipulation?

Is ____ ____ ____ means, ____ ____ human ____ that decides if something ____ as ____ manipulation?

____ ____ seen ____ review manipulation by ____ systems ____ investigators?

____ it automated systems or ____ ____ ____ ____ the actions are ____ ____?

Who ____ if ____ ____ ____ ____ or human?

____ is ____ for ____ if certain activities ____ reviewed ____ ____ systems?

Did ____ ____ human ____ on ____ an action ____ a ____ manipulation?

Is actions viewed ____ review ____ ____ ____ ____ or human ____?

____ ____ not ____ ____ qualify for ____ manipulation can ____ decided by human ____ or ____ ____.

____ ____ ____ charge of determining whether the activities ____ ____ manipulation or ____ ____?

____ decides ____ something is review ____ ____ ____ people?

On ____ ____ ____ ____ ____ ____ is it a computerized ____ ____ a human evaluation?

____ someone confirm ____ ____ ____ detection ____ on human investigators ____ automated ____?

Who decides ____ specific ____ ____ ____ manipulated?

____ decides ____ ____ specific ____ are ____ manipulation?

____ systems ____ ____ investigators can determine if ____ ____ are ____ ____ review manipulation.

____ ____ systems ____ human ____ ____ if ____ particular ____ constitutes review manipulation?

____ it ____ or ____ ____ identify review ____ items?

____ ____ ____ automated systems ____ human investigators do ____ review ____

____ someone ____ if ____ manipulation ____ is dependent ____ automated ____ ____ humans.

Who ____ if ____ ____ ____ review manipulation, machines ____ people?

Does it ____ ____ computerized ____ ____ ____ ____ ____ when something qualifies as ____ manipulation?

____ one ____ which ____ ____ review ____ or automated systems?

Who ____ ____ determination if the ____ ____ review manipulation ____ ____ investigators?

There are machines ____ ____ who decide ____ ____ as ____ ____.

____ ____ decides whether ____ actions are ____ ____?

____ determines if ____ activities ____ ____ manipulation?

____ ____ or human decides ____ ____ actions count ____ ____ manipulation.

____ ____ ____ something ____ review manipulation or automated ____?

____ ____ ____ or human investigators determine if ____ certain action ____ ____ ____?

____ you ____ me ____ ____ ____ computerized means and human evaluators that ____ when ____ ____ ____ review manipulation.

Can ____ tell us ____ ____ ____ means ____ human ____ ____ decide when something qualifies ____ review ____?

____ the ____ ____ whether ____ ____ is review manipulation ____ ____ or people?

Humans or ____ decide ____ the actions ____ ____ ____.

____ ____ ____ humans make decisions about whether ____ ____ ____ review manipulation?

Do ____ ____ people determine ____ ____ as ____ manipulation?

____ or ____ ____ if certain ____ ____ as review manipulation.

Is it ____ computer ____ ____ ____ decision if ____ ____ ____ review manipulation?

____ decides ____ the ____ is review ____ or ____ systems?

____ question about ____ automated systems or ____ ____ determine ____ ____ actions constitute ____ ____.

____ is ____ for ____ ____ certain activities ____ review ____ or human ____?

Whether ____ not certain actions qualify ____ review ____ can ____ ____ ____ ____ ____ ____ ____ systems or human investigators.

Can someone confirm ____ ____ manipulation ____ ____ ____ by ____ or ____ systems?

____ determines if the ____ is ____ ____ ____ ____ ____ or Human investigators.

Is ____ or human decision ____ ____ ____ are review ____?

Who ____ ____ for ____ ____ certain activities are ____ ____ ____ systems ____ human investigators?

____ computers ____ humans ____ if ____ are review ____?

Do ____ systems ____ ____ people identify review ____ ____?

Automated systems and human investigators ____ decide if ____ ____ ____ eligible ____ ____ ____.

Is it ____ or robotic ____ decides ____ of ____ ____?

____ ____ responsible ____ determining whether ____ ____ are review ____ or automated ____?

____ ____ ____ and human investigators determine what ____ ____ manipulation?

____ is possible to ____ ____ ____ actions qualify for review ____ ____ ____ ____ or human ____.

____ machines ____ ____ determine ____ constitutes review ____?

____ counts ____ ____ ____ ____ be ____ by automated ____ or human investigators

____ it automated ____ ____ real ____ who ____ if actions are ____ ____?

What ____ ____ ____ manipulation are determined ____ ____ systems or ____ investigators.

____ humans or ____ ____ if review ____ ____?

____ ____ ____ human decision-making determine if ____ ____ ____ review manipulation?

____ the actions that ____ ____ manipulation ____ by automated systems ____ ____?

Who is responsible for determining ____ ____ ____ ____ manipulation ____ ____ investigators?

Who is in ____ of determining ____ ____ ____ are review ____ or ____ ____?

The ____ ____ decides if actions are ____ manipulation ____ ____ or ____.

____ the responsibility of ____ ____ ____ ____ review ____ lie with humans or ____ ____?

Is ____ ____ computerized ____ or a ____ ____ that makes ____ ____ ____ ____ to use a review manipulation?

Are ____ ____ or ____ investigators ____ for ____ review manipulation?

____ are automated ____ and ____ investigators that determine ____ ____ actions ____ review ____.

Does the determination ofwhether ____ ____ ____ review ____ lie ____ ____ ____ humans?

____ whether an action is a review ____ ____ computer ____ ____ ____?

_____ machines or investigators _____ _____ if actions _____ _____.

_____ that automated _____ or _____ people who _____ _____ _____ are review _____?

Who _____ if automated _____ _____ human investigators _____ _____ things?

Arerobots responsible for _____ instances of _____ _____ _____ are human _____ in _____ of _____ _____?

Is it computer _____ human decisions _____ actions _____ _____ _____ _____?

Do _____ _____ decide _____ a particular action _____ review _____?

_____ _____ _____ tampering: automation _____ humans?

_____ _____ _____ computers _____ _____ about whether to _____ actions as _____ manipulation?

Is review _____ determined _____ _____ _____ or _____?

_____ it automated _____ _____ people who _____ _____ manipulations?

Humans or automation, _____ decides _____ actions _____ _____ _____?

Is _____ possible _____ _____ or _____ _____ whether actions done _____ review _____?

_____ someone decide _____ certain _____ _____ _____ manipulation?

_____ _____ if automated _____ _____ doing _____ manipulation

_____ _____ _____ _____ _____ people responsible for _____ review manipulation activities?

Who _____ _____ a robot or human _____ _____ to _____ _____?

Is _____ _____ or _____ _____ identify _____ manipulation?

Is review manipulation _____ _____ upon _____ _____ or automated _____?

It is possible for automated _____ _____ human _____ _____ decide _____ _____ _____ _____ _____ review manipulation.

Is it _____ _____ humans _____ determine possible _____ _____?

_____ it automated _____ _____ decide _____ or _____ actions _____ review manipulation?

Whether specific _____ constitute review _____ _____ _____ _____ automated systems and _____ _____.

_____ do machines and _____ _____ what is _____ _____?

_____ it _____ or _____ _____ evaluation that _____ if _____ is _____ manipulation?

_____ computers or humans _____ _____ something is _____ _____?

_____ _____ or computers make decisions about whether _____ _____ be _____ _____ _____ manipulation?

Who _____ if _____ investigators _____ review manipulation _____ automated _____?

_____ _____ _____ review _____ can be _____ by human _____ or _____ methods.

_____ decides if _____ review _____ being _____ by human investigators _____ _____ _____.

Who _____ if _____ systems _____ _____ manipulation?

Is _____ an automated _____ or a _____ person _____ _____ whether _____ are _____ _____?

_____ automated _____ or human _____ _____ whether a _____ _____ _____ review manipulation?

_____ _____ responsible for deciding if _____ activities _____ _____ manipulated–automated systems _____ human _____?

_____ _____ a computerized _____ _____ a _____ _____ that determines _____ _____ not _____ use review manipulation?

_____ computer or human _____ _____ whether _____ actions are _____ _____?

Who _____ _____ _____ determine whether the _____ are _____ manipulation or _____ _____?

_____ is _____ _____ possible _____ tampering: automation _____ humans?

Is review manipulation _____ _____ _____ _____ people

_____ _____ computerized or a _____ evaluation _____ _____ when review _____ is _____?

_____ it a _____ means _____ _____ human evaluation _____ _____ a decision _____ _____ a review manipulation _____?

_____ review _____ determined by _____ _____ or human _____?

Did _____ or humans _____ _____ review _____ _____?

Do humans orrobots _____ _____ _____ _____ count as review _____?

_____ _____ computerized _____ _____ human _____ _____ decide if something qualifies as review _____?

Should _____ _____ _____ human investigators _____ if the actions are _____ _____?

Is _____ manipulation decided _____ machines _____ _____?

_____ do _____ decide _____ an action is _____ manipulation _____ a _____ _____?

_____ _____ a software _____ _____ _____ identify review manipulation items?

_____ systems and _____ _____ _____ _____ whether certain _____ qualify for _____ manipulation

Is it a computer _____ a _____ who makes _____ _____ _____ using a _____ _____ _____?

Whether _____ _____ constitute review _____ _____ determined _____ _____ systems _____ human investigators.

Does someone _____ _____ _____ as review _____?

_____ _____ if certain actions are _____ manipulation or _____ _____.

_____ someone _____ whether certain actions _____ _____ _____?

_____ _____ if _____ systems _____ human investigators _____ reviews?

Is _____ manipulation detection _____ _____ automated _____ or _____?

_____ decides whether _____ action is _____ _____ or _____?

_____ it _____ _____ _____ human _____ if actions _____ review manipulation?

What constitutes review _____ _____ be _____ _____ _____ _____ or human investigators.

Who _____ if _____ _____ _____ _____ is manipulating reviews?

Do _____ or _____ _____ whether actions should _____ _____ _____ review manipulation?

_____ _____ and _____ determine _____ actions are review _____?

_____ _____ software _____ _____ people who identify _____ manipulation?

The person decides _____ _____ _____ is being _____ _____ a robot or _____ _____.

_____ _____ software, or _____ _____ _____ review manipulation?

Who decides if automated _____ _____ human _____ _____ review _____.

_____ can _____ _____ _____ an action _____ review manipulation or a _____ _____?

Is _____ a _____ _____ _____ _____ human evaluation that decides _____ _____ _____ to use a review _____?

Who _____ _____ certain _____ are reviewed using automated _____ _____ human _____?

Can you _____ _____ _____ difference _____ computerized _____ and _____ _____ that _____ if _____ is review manipulation?

_____ decides _____ _____ actions _____ review manipulating?

Do _____ investigators _____ _____ particular _____ are review _____?

What _____ as _____ _____ _____ be determined _____ machines _____ people.

Are _____ _____ _____ real people the _____ who identify _____ _____ activities?

_____ _____ when _____ actions are _____ manipulation _____ automated?

_____ qualifies as review manipulation _____ _____ _____ _____ machines _____ people.

Do humans or software _____ _____ _____ _____ _____ review manipulation?

_____ _____ if _____ _____ are review manipulation or _____?

Do _____ _____ _____ decide _____ _____ should _____ classified as review manipulation?

Should the _____ of _____ _____ _____ is review _____ _____ made by software _____ _____?

_____ _____ _____ qualify for review _____ is _____ by automated _____ and human _____.

Who _____ which actions _____ review _____ _____ automated _____?

Who is responsible for _____ _____ certain _____ are _____ _____ _____ _____ investigators?

_____ _____ _____ if _____ is software _____ people that _____ _____ manipulation items.

_____ _____ if human _____ _____ _____ _____ do the review manipulation?

Someone _____ _____ a _____ _____ being _____ _____ someone with a _____ _____ Human investigators.

_____ _____ computer or human decisions on _____ _____ _____ is review _____?

_____ it _____ systems _____ _____ people who _____ if the _____ _____ review manipulation?

Computer and _____ _____ on whether an action _____ _____ _____ _____

Whether or not certain _____ _____ _____ manipulation can _____ decided _____ _____ systems _____ human _____.

Who will _____ responsible _____ determining _____ _____ activities _____ _____ manipulation or _____ investigators?

_____ don't know _____ it's _____ means or human _____ that decide _____ _____ _____ as _____ _____.

_____ manipulation can be _____ by _____ _____ or _____ investigators.

When _____ possible to _____ a _____ manipulated, _____ _____ _____ computerized _____ or a _____ _____ that decides?

_____ computers or _____ _____ decisions about _____ _____ action _____ review manipulation?

Whether _____ not _____ actions qualify _____ review manipulation _____ be determined _____ automated _____ or _____ _____ _____.

_____ qualifies _____ _____ manipulation can _____ _____ _____ automated system _____ human investigators.

_____ _____ _____ or _____ _____ _____ whether certain actions are review manipulation?

_____ decides whether or not the _____ _____ _____ _____?

_____ _____ determination _____ _____ an action _____ review _____ lie _____ or humans?

____ ____ possible that ____ or humans determine ____ ____ are ____ manipulation?

Do ____ ____ ____ ____ if actions are review ____?

Review manipulations are ____ ____ automated ____ ____ ____.

If review manipulation took ____ ____ ____ or ____ ____?

Who ____ ____ review manipulation ____ done ____ automated ____ or ____ investigators?

Is it a computerized means ____ a human ____ ____ makes a ____ ____ ____ ____ ____ ____?

____ ____ ____ ____ ____ if review manipulation happened.

Is the ____ of review ____ based on ____ ____ ____ ____ systems?

There is ____ ____ ____ ____ if the review is being manipulated ____ ____ robot ____ ____.

Do ____ investigators ____ whether ____ particular ____ is ____ manipulation?

____ decides ____ the review ____ ____ manipulated ____ a robot or ____.

____ ____ and human ____ ____ ____ if ____ actions ____ for review manipulation.

Is ____ actions review manipulation ____ ____ systems ____ ____ investigators?

Who decides ____ the ____ are ____ manipulation ____ ____ investigation?

____ makes ____ decision if the ____ are review manipulation ____ ____ ____?

Which ____ determines possible ____ tampering: ____ ____ ____?

The actions ____ can qualify for ____ ____ ____ be ____ by automated ____ ____ human ____.

____ ____ determine whether the activities ____ ____ ____ or ____ investigators?

Are ____ actions viewed ____ ____ ____ by ____ systems or ____?

____ decides if ____ ____ is being manipulated by ____ robot ____ ____.

____ ____ ____ ____ make ____ determination of review manipulation?

____ the review ____ decided ____ automated ____ ____ human investigators?

Which one determines ____ the ____ ____ ____ manipulation or ____?

____ the ____ ____ ____ manipulation lie with automated systems or ____ ____?

____ ____ ____ ____ ____ review ____ detection relies on ____ investigators or automated systems?

If review manipulation ____ ____ ____ or machines ____ ____?

____ person ____ ____ one ____ ____ ____ the review is ____ manipulated by ____ robot ____ human investigators.

Is it ____ computerized means ____ a ____ ____ ____ ____ the decision about when ____ ____ should ____?

____ or not ____ ____ qualify for review ____ can be decided ____ ____ ____ ____ ____ human investigators

____ ____ whether action are ____ ____?

____ is up ____ ____ systems and human investigators ____ decide whether certain ____ ____ ____ ____ ____.

Can ____ ____ if ____ manipulation ____ relies on ____ ____ automated systems?

____ determines if ____ ____ are ____ manipulated–automated systems ____ humans?

Human investigators ____ ____ ____ ____ decide whether ____ certain ____ qualifies ____ review manipulation.

____ ____ ____ to ____ ____ of influencing reviews, ____ it a ____ task or ____ ____ one?

It's a ____ ____ who is responsible ____ ____ ____ of influencing reviews, ____ ____ ____.

____ decides if human investigators ____ automated ____ ____ ____ manipulation?

An automated system ____ ____ investigator ____ ____ whether or ____ certain ____ qualify ____ ____ manipulation.

Who ____ ____ ____ actions are review manipulation or ____ ____?

There ____ a ____ ____ to whether ____ systems or ____ ____ review ____.

____ ____ ____ machines decide ____ ____ manipulation occurred?

____ ____ or humans ____ ____ actions are ____ manipulation?

____ ____ computerized means ____ a ____ evaluation ____ ____ a ____ ____ when ____ manipulation is justified?

____ ____ whether a ____ ____ ____ ____ by a robot or human ____.

____ the decision whether ____ are considered review manipulation ____ ____ ____ ____?

____ decides ____ ____ or ____ are manipulating ____?

____ ____ ____ humans decide ____ review manipulation ____?

____ computers ____ ____ decide ____ action is review ____?

Whether or ____ ____ ____ ____ ____ review ____ is determined by automated ____ ____ human investigators.

____ certain actions ____ ____ manipulation ____ automated ____ who decides?

What qualifies _____ review manipulation _____ _____ _____ _____ _____ systems and _____ investigators.

_____ computers or humans decide _____ _____ action _____ _____ manipulation?

_____ it _____ automated system _____ _____ real person _____ determines if _____ _____ _____ manipulation?

_____ or not _____ _____ _____ for _____ can be decided _____ _____ _____ systems or humans.

Are automated _____ _____ human investigators _____ _____ _____ whether the actions _____ review _____?

Can _____ _____ if review _____ _____ is _____ _____ automated systems _____ humans?

_____ actions _____ _____ for review manipulation _____ determined _____ automated _____ _____ human investigators.

_____ it _____ systems that decide whether _____ are _____ _____ or _____ _____?

Is _____ automated _____ _____ determine _____ _____ _____ actions are review manipulation?

_____ anyone know _____ _____ _____ detection _____ dependent on _____ investigators _____ automated systems?

Can someone confirm that _____ _____ detection depends _____ _____ systems _____ _____?

Is _____ _____ a _____ means _____ _____ human _____ that makes a _____ about using _____ review _____ method?

Did _____ _____ humans decide whether _____ _____ _____ review manipulation?

_____ makes a decision about _____ _____ actions _____ _____ manipulation _____ automated _____?

_____ _____ a _____ _____ or a _____ _____ _____ makes a decision _____ whether or not _____ is _____ manipulation?

_____ of _____ _____ _____ _____ review manipulation _____ be _____ by automated systems or human _____.

_____ systems _____ human investigators determine if _____ _____ _____ review _____.

Is _____ a computerized means _____ _____ _____ evaluation _____ makes _____ decision about _____ _____ manipulation is _____?

Someone _____ the _____ _____ decide if _____ review _____ being manipulated by _____ _____ or _____ _____.

_____ _____ that _____ _____ are review manipulation?

Can _____ or machines _____ if _____ _____ _____ manipulated?

_____ it _____ _____ _____ determine whether actions are _____ manipulation _____ _____ _____ that do?

Is review manipulation _____ by _____ _____ or _____ _____?

_____ _____ whether reviews are tampered _____ _____ automation or _____?

Are _____ actions deemed _____ _____ by _____ investigators _____ automated _____?

_____ _____ _____ human _____ determine _____ certain actions are review _____.

_____ actions _____ review _____ by automated _____ _____ human investigators?

Who is _____ _____ _____ if activity is review manipulation _____ _____ _____?

_____ _____ a computer _____ a human that _____ a _____ _____ using _____ review _____ method?

_____ computer _____ _____ _____ _____ _____ or not _____ action is review manipulation?

Is _____ _____ _____ actions _____ by software or _____ analysts?

_____ you _____ _____ if _____ _____ means or _____ _____ who decide _____ something qualifies for review _____?

Did _____ _____ humans decide _____ actions done _____ review _____?

_____ _____ _____ human decisions on _____ actions _____ considered review _____?

_____ review manipulation _____ _____ _____ methods _____ Human investigators?

Is it a computerized _____ _____ _____ _____ evaluation that _____ _____ it's review _____?

_____ _____ _____ decision about _____ _____ or automated systems?

_____ it _____ or manual _____ _____ _____ if _____ actions count as manipulating _____?

_____ someone confirm _____ _____ _____ human investigators _____ automated systems _____ _____ manipulation detection?

Do automated systems and human _____ decide _____ _____ _____ _____ _____?

Who determines _____ human _____ or automated _____ _____ _____ _____ manipulation?

_____ _____ tell me if it _____ _____ means or human _____ that decide _____ _____ manipulation _____ _____?

_____ _____ or humans _____ _____ actions _____ review manipulation?

Does anyone _____ whether review _____ detection _____ _____ human investigators _____ _____ _____?

Do _____ or machines _____ what _____ _____ _____?

Whether _____ _____ action qualifies _____ _____ manipulation can _____ _____ by automated _____ _____ humans.

_____ the machines _____ investigators _____ if _____ action is _____?

_____ is _____ _____ _____ automated systems or human _____ _____ the review _____.

Automated systems _____ _____ investigators _____ able _____ _____ _____ certain actions _____ for _____ manipulation.

Who decides _____ an _____ _____ _____ manipulation _____ automated system?

____ ____ determination ____ ____ an ____ is review manipulation ____ by ____ or software?

Do computers or ____ ____ ____ ____ action is ____ manipulation?

Is it the ____ or ____ ____ ____ ____ ____ are manipulation?

Is ____ automated systems ____ real ____ ____ ____ whether ____ action ____ review manipulation?

____ ____ if a ____ is being manipulated by ____ robot ____ ____?

Does a ____ or human ____ ____ decision ____ a ____ ____?

____ automated ____ or human investigators ____ to decide if ____ particular ____ ____ ____ ____?

____ ____ may be ____ ____ ____ systems or people.

Do computers ____ humans decide ____ ____ action ____ ____ review ____?

____ person ____ whether a ____ ____ being manipulated ____ a robot or ____ ____.

Whether certain ____ qualify ____ ____ manipulation ____ be decided by automated ____ ____ ____ ____.

____ ____ if ____ manipulation ____ ____ using automated systems or ____ investigators?

Whether ____ ____ certain actions qualify ____ review manipulation can ____ ____ through ____ ____ or ____ human ____.

____ computer ____ human decision ____ on whether ____ ____ is ____ manipulation?

Automatic systems and human ____ can ____ ____ certain ____ ____ ____ ____ manipulation.

____ ____ responsibility for determining ____ qualifies as review ____ ____ automated ____ ____ human ____?

____ ____ ____ ____ certain action is review manipulation or ____?

Who decides when ____ ____ ____ ____ manipulation ____ automated systems?

Which person ____ whether certain ____ are ____ ____ ____ automated ____?

Who ____ ____ actions ____ review ____?

Do the ____ ____ ____ ____ action is review manipulation ____ ____ software ____ humans?

Is ____ ____ systems ____ ____ ____ actions are reviewed manipulation ____ real ____ ____ decide?

____ ____ is possible ____ conduct review ____ is it a ____ means ____ ____ ____ evaluation ____ makes ____ decision?

____ decides whether ____ ____ or human investigators ____ the ____?

____ human investigators ____ what counts ____ ____ ____?

Which ____ ____ if ____ actions are review ____ or ____ ____?

Is it ____ computerized ____ or ____ human ____ that decides ____ ____ manipulation ____ ____?

Who ____ if actions ____ review manipulation - ____ ____ ____?

Someone ____ ____ ____ know ____ ____ ____ detection relies on automated systems ____ humans.

Do machines or ____ ____ what's ____ ____?

____ ____ as ____ ____ should be determined by ____ ____ people?

____ is the main factor ____ determining ____ tampering: ____ ____ ____?

____ ____ investigators ____ ____ systems determine what qualifies ____ ____ manipulation?

Can you ____ me ____ it's ____ means or human ____ ____ decide ____ ____ is ____ ____?

Do ____ ____ ____ ____ if ____ should be ____ ____ review manipulation or not?

Which ____ decides ____ ____ ____ are review manipulation ____ automation?

Who determines whether ____ ____ or ____ ____ do review ____?

Does ____ systems ____ human investigators ____ ____ ____ ____ are review manipulation?

Is the ____ ____ ____ by automated ____ ____ humans?

Review ____ can ____ determined ____ ____ methods ____ human investigators.

____ you ____ ____ ____ it's computerized ____ or human ____ that ____ when a review ____ ____?

Is it a computerized ____ ____ ____ human ____ ____ makes ____ ____ when ____ ____ to ____ a review manipulated?

Should automated ____ ____ human ____ ____ whether certain actions ____ ____ manipulation?

____ ____ ____ or human investigators have ____ ____ determining what ____ review ____?

____ it ____ or ____ that decide if review ____ ____?

____ robotic algorithms responsible ____ determining instances of ____ ____ ____ are ____ examiners ____?

Do ____ methods or ____ investigators decide ____ ____ review ____?

There ____ ____ systems and people that ____ ____ ____.

Whether ____ not ____ actions qualify ____ ____ manipulation ____ ____ decided ____ ____ systems ____ through human investigators.

Who determines ____ the ____ ____ review ____ or ____?

_____ it _____ _____ _____ _____ who _____ if actions are review manipulation?

Which _____ determines the possibility _____ _____ tampering: automation _____ _____?

_____ people or machines _____ what qualifies _____ _____ _____?

_____ _____ or automated _____ _____ decide if _____ _____ _____ eligible for review manipulation.

_____ is _____ _____ determining _____ _____ activities are review manipulation or _____ _____?

Is it _____ systems _____ _____ which actions _____ review _____ _____ real people _____ _____?

_____ qualifies as _____ _____ is determined _____ automated systems _____ _____.

Is _____ possible that machines _____ _____ determine what qualifies _____ _____ _____?

Do automated _____ and _____ _____ determine _____ a _____ _____ is _____ manipulation?

What _____ _____ manipulation are determined by _____ _____ or _____ _____.

Is _____ automated systems, or _____ people _____ determine _____ _____ are _____ _____?

_____ _____ possible for _____ to determine if review manipulation _____ _____ _____ _____ systems or _____?

_____ wondering _____ it's _____ means or human _____ _____ decide _____ something qualifies as _____ _____.

_____ it _____ _____ _____ real people who determine _____ _____ _____ review manipulated?

There is a question _____ review _____ detection _____ _____ _____ _____ or _____.

_____ it a computerized _____ _____ _____ human _____ of making a _____ _____ when review _____ is _____?

_____ _____ _____ detection reliant on _____ _____ or humans?

There _____ a _____ of who _____ _____ _____ systems or _____ investigators _____ _____ manipulation.

Is it _____ _____ that _____ _____ _____ are _____ _____ or real folks?

_____ _____ _____ to _____ _____ _____ activities are review manipulation or human _____?

Whether _____ not _____ _____ _____ for review _____ can be _____ by automated systems _____ _____ _____

_____ in _____ of _____ _____ the _____ are review _____ or human _____?

Does a computer _____ human _____ _____ decision _____ _____ manipulation?

_____ determines if reviews _____ _____ with _____ automation _____ humans.

_____ _____ manipulation determined _____ _____ methods _____ investigators?

Did computers _____ _____ make _____ on whether an action _____ _____ _____?

_____ _____ _____ computer _____ a human _____ makes _____ decision _____ _____ _____ of a review manipulation method?

_____ automated _____ _____ human investigators able to _____ _____ _____ particular action _____ review _____?

Are _____ _____ by automated systems _____ _____ _____?

_____ _____ _____ _____ make decisions about _____ manipulation?

_____ _____ _____ _____ decide _____ review manipulation happened?

_____ _____ _____ _____ actions qualify _____ review _____ can be decided by _____ automated system _____ _____ human.

_____ _____ computer or _____ _____ a decision about whether _____ _____ is _____ manipulation?

Whether _____ _____ _____ _____ _____ _____ _____ manipulation can be made by _____ systems _____ human investigators.

_____ _____ in _____ _____ deciding _____ certain activities _____ reviewed by automated _____ _____ human investigators?

_____ _____ _____ _____ assessed by software _____ human analysts?

_____ _____ _____ of determining what is review _____ lie with automated _____ _____ _____?

Is the _____ if _____ _____ _____ _____ manipulation by _____ or humans?

Which _____ is responsible _____ determining _____ the _____ _____ review manipulation or _____ _____?

_____ qualifies as _____ _____ can be _____ _____ machines _____ people

_____ _____ _____ _____ for _____ manipulation, they can be decided _____ automated _____ _____ by _____ investigators.

Who _____ the _____ as to whether certain _____ are _____ _____ or _____ _____?

Can _____ tell me if _____ _____ _____ human _____ _____ decide if _____ is review _____?

_____ decides what _____ _____ manipulation _____ _____ systems?

_____ _____ whether actions are review _____ _____ _____?

_____ _____ can _____ decided by automated systems _____ human _____.

_____ _____ _____ _____ or human review manipulation?

_____ _____ a _____ means _____ a _____ _____ _____ decides whether or _____ it is _____ manipulation?

_____ actions that qualify _____ review _____ _____ _____ _____ by automated systems or _____ _____ investigators.

Do automated _____ _____ human investigators determine _____ _____ _____ constitute _____ manipulation?

_____ _____ _____ determined _____ _____ systems or by people?

If _____ systems _____ _____ _____ do the _____ _____ who decides?

Who makes _____ decision _____ _____ automated systems _____ human _____ _____ the review _____?

Should _____ _____ _____ human investigators _____ if _____ actions constitute review _____?

I _____ if computers or _____ _____ if _____ are _____ _____.

_____ determines if the _____ _____ review _____?

The _____ who decides if certain _____ _____ as _____ manipulation _____ _____ robot _____ _____.

Is _____ a _____ _____ _____ _____ a decision about using _____ _____ or a human _____?

Who _____ _____ _____ _____ is review manipulation or automated _____?

_____ _____ automated systems that _____ whether actions are _____ _____ or real _____ _____ _____?

_____ decides if _____ review is being _____ _____ robot or _____ _____.

_____ want _____ know if _____ computerized _____ or human _____ _____ decide _____ _____ qualifies as review _____.

Who is _____ _____ determining if _____ activities are _____ _____ or _____?

Can you tell _____ if _____ is _____ _____ _____ _____ evaluators that _____ when it _____ _____ manipulation?

_____ computer _____ _____ decisions _____ _____ an action is _____ manipulation?

_____ _____ if _____ review _____ being _____ by _____ robot _____ human investigator.

_____ a review _____ be _____ is it a _____ means _____ a _____ _____ that _____?

As to who is _____ _____ _____ _____ _____ _____ _____ is it _____ _____ or a robot?

_____ qualifies _____ _____ manipulation _____ be _____ by _____ systems or human _____.

_____ someone _____ if review _____ detection _____ _____ on automated _____ or _____?

Who is _____ charge _____ _____ _____ if _____ activities _____ review _____ _____ human investigators?

_____ _____ _____ _____ and human _____ determine what constitutes review _____?

_____ _____ if _____ _____ _____ manipulated by humans or machines?

_____ person who _____ if _____ actions _____ as review manipulation _____ a robot _____ _____ _____.

_____ question _____ _____ decides _____ automated systems or human _____ do _____ review _____.

_____ it a _____ or _____ _____ on _____ an _____ is a review _____?

_____ decides _____ certain actions are _____ manipulation _____ _____ systems?

Is _____ determination _____ _____ action _____ _____ done by humans or _____?

_____ decides when _____ are _____ _____ or automated _____?

_____ the _____ _____ determining what _____ as _____ manipulation _____ _____ systems or humans?

_____ automated methods _____ _____ investigators _____ _____ who determine _____ counts as _____ manipulation?

Who decides if _____ _____ _____ automated _____ do _____ _____ manipulation

Is _____ _____ _____ _____ an _____ _____ review manipulation _____ by computers or humans?

_____ _____ systems or _____ investigators have _____ _____ _____ determining review manipulation?

_____ _____ as review _____ _____ be determined _____ automated methods or _____ _____.

Is it _____ _____ _____ _____ _____ human _____ _____ decides if it _____ review manipulation?

_____ computers or Humans decide on an individual basis _____ _____ _____ _____ _____ _____ _____ manipulation?

Who _____ whether automated _____ are _____ _____?

Who _____ in _____ of determining _____ the _____ are review _____ or _____ _____?

The _____ _____ _____ human investigators can _____ _____ certain _____ qualify for review _____.

Who _____ responsible _____ determining if _____ _____ _____ review manipulation _____ human _____?

_____ computer _____ human _____ about whether _____ _____ is a _____ manipulation?

Does _____ _____ _____ decision making _____ whether an action is _____ _____ _____?

Human or _____ decisions on whether _____ _____ _____ _____?

_____ _____ if reviews will _____ tampered _____ _____ or humans?

Is _____ automated systems _____ _____ people _____ _____ _____ _____ is review manipulation?

Who decides _____ _____ orrobots _____ manipulating _____?

_____ the computer or _____ _____ _____ _____ about whether an _____ is _____ review _____?

Who _____ _____ the activities _____ _____ _____ or investigators?

Does the determination _____ whether _____ _____ is _____ _____ _____ with _____ software _____ human?

Who _____ if _____ _____ or human investigators perform _____ _____ _____?

_____ _____ _____ decision _____ _____ done are review manipulation

_____ qualifies as _____ manipulation _____ _____ _____ _____ automated systems _____ human investigators.

_____ _____ _____ review _____ automation or humans.

Who _____ _____ certain activities are _____ _____ _____ human investigators?

I _____ _____ _____ if review manipulation detection _____ _____ _____ investigators or _____ systems.

Do computers and _____ decide if actions _____ be _____ _____ _____ _____ _____ not?

_____ _____ or machines decide if _____ _____ _____ manipulation?

_____ the _____ _____ whether _____ action _____ review _____ _____ done by humans or _____?

_____ _____ who _____ if the actions are _____ manipulation _____ humans _____ _____.

_____ _____ _____ of whether _____ action _____ _____ manipulation based on _____ or people?

_____ _____ actions viewed _____ _____ by automated _____ or _____ investigators?

_____ decides whether actions _____ _____ manipulation, _____ or _____?

_____ _____ _____ whether _____ _____ is review manipulation can _____ made by _____ or _____.

Is it machines or people _____ _____ _____ qualifies _____ _____ _____?

Who _____ whether _____ _____ are _____ manipulation?

Human _____ _____ automated _____ _____ what _____ review manipulation.

_____ _____ computerized means or _____ _____ _____ _____ a _____ about _____ or not a _____ is review manipulation?

If _____ _____ _____ for review manipulation, they _____ be decided _____ automated _____ _____ _____ investigators.

_____ _____ _____ reviews are tampered _____ _____ or humans?

_____ decides if _____ _____ or automated _____ do _____ manipulation?

_____ humans _____ computers _____ decisions _____ _____ _____ _____ is a review manipulation?

_____ _____ _____ _____ _____ qualify for review manipulation?

Is _____ reviewed manipulation _____ by _____ _____ or _____ investigators?

_____ manipulation can be decided _____ _____ _____ _____ or a _____ investigator.

Is _____ determination _____ a review _____ _____ _____ software or _____?

_____ _____ _____ investigators might decide _____ the actions _____ manipulation.

_____ don't _____ if it's _____ _____ or _____ evaluators _____ _____ when _____ qualifies as _____ manipulation.

_____ automated systems or human _____ _____ _____ determine _____ the actions _____ _____ manipulation?

_____ there _____ computerized _____ or a human _____ that _____ a _____ _____ using a _____ _____ method?

Should automated systems or _____ _____ _____ if _____ _____ constitute review _____?

What _____ as _____ manipulation are determined _____ _____ or _____.

_____ _____ _____ determining _____ _____ as _____ manipulation lie with automated systems or _____ _____.

_____ or not certain _____ _____ for review manipulation _____ be _____ by _____ _____ _____ _____ human investigators.

Review manipulation _____ determined _____ _____ _____ or _____ investigators.

Who _____ _____ a _____ _____ is reviewed manipulated–automated _____ _____ human investigators?

automated _____ _____ _____ _____ _____ the _____ _____ decide _____ certain activities are review manipulation.

_____ decides _____ robots _____ human investigators _____ manipulating _____?

Who _____ in _____ of determining if _____ activities _____ _____ reviewed _____ _____ systems _____ _____ investigators?

_____ computers or _____ make _____ _____ whether _____ _____ actions as review _____ _____ not?

Should _____ _____ or human make _____ _____ on whether an action _____ _____ _____?

With automated systems or human investigators, _____ _____ responsibility of determining _____ _____ _____ _____ _____ _____?

_____ _____ _____ systems or people _____ determine _____ manipulation.

Does automated _____ or _____ _____ decide if a _____ action _____ _____ _____?

_____ people _____ machines _____ if actions are _____ _____?

I want _____ _____ _____ _____ manipulation detection relies _____ automated _____ _____ humans.

_____ _____ responsible _____ _____ _____ the _____ are review manipulation _____ human investigators?

Is it _____ systems who _____ whether _____ actions _____ _____ _____?

Do _____ _____ _____ _____ if actions _____ review manipulation?

_____ counts _____ _____ manipulation _____ on _____ methods or human _____

____ ____ ____ ____ determine if the activities are ____ manipulation ____ ____ investigators?

Is ____ computerized ____ ____ a ____ ____ ____ makes a decision ____ when review ____ is ____?

____ ____ ____ for ____ if the ____ are review manipulation ____ ____ investigations?

____ ____ ____ computerized ____ or ____ ____ evaluation ____ determines ____ or not it is ____ manipulation?

____ human ____ or automated ____ determine ____ ____ review manipulation?

____ the determination of the ____ review ____ ____ ____ ____ or humans?

If ____ ____ happen, ____ ____ or machines ____?

____ constitutes review manipulation is ____ ____ ____ methods ____ ____ investigators.

____ ____ ____ ____ determine if ____ are review manipulation?

Is ____ a ____ ____ or ____ human evaluation that ____ ____ decision about ____ or ____ ____ ____ review manipulation?

____ ____ possible that the determination of whether ____ ____ ____ review ____ ____ with ____ ____ humans?

Who decides ____ ____ ____ are ____ manipulation ____ automated system?

Can ____ ____ ____ review manipulation ____ ____ on automated systems or ____?

Does ____ ____ ____ ____ investigators determine ____ ____ actions are review manipulation?

Does ____ ____ ____ human investigators ____ ____ ____ particular ____ constitutes review manipulation?

Is ____ action viewed ____ review ____ by automated ____ ____ ____ investigators?

Is review manipulation ____ by ____ methods ____ ____ ____?

____ or ____ ____ ____ constitute review manipulation is determined by ____ systems ____ ____ ____.

Is ____ possible ____ confirm ____ review ____ detection ____ on automated ____ or ____?

There ____ a question as ____ ____ ____ ____ detection relies ____ human investigators ____ automated ____.

____ ____ ____ review ____ can ____ determined ____ human investigators or ____ systems.

____ ____ or human decisions ____ ____ an action is a ____ ____?

____ someone tell you ____ review ____ detection is ____ ____ ____ ____ ____ automated systems?

____ ____ ____ humans responsible ____ ____ if ____ are review manipulation?

____ it computerized or a ____ ____ that ____ a decision about ____ ____ ____ ____ ____ review manipulation?

____ ____ responsible for ____ ____ ____ activities are ____ ____ automated systems ____ human investigators?

Whom decides if ____ ____ ____ manipulation ____ ____?

Who ____ in charge of ____ if ____ ____ ____ review manipulated ____ ____ investigators?

____ it ____ ____ ____ ____ ____ determine if actions are considered review ____?

Do ____ ____ or ____ ____ determine ____ actions ____ review manipulation?

____ ____ or automated ____ can decide ____ ____ actions ____ for ____ manipulation.

I wonder if it's software ____ ____ ____ ____ ____ manipulation ____.

Does computers or Humans ____ decisions ____ ____ actions ____ ____ ____ as review ____?

____ ____ a computer or ____ ____ ____ decides ____ it ____ review manipulation?

____ ____ ____ systems ____ ____ people who ____ if ____ are review manipulation?

____ ____ if ____ actions are ____ ____ or automated?

Who decides if ____ ____ ____ review ____?

There are automated ____ ____ ____ investigators ____ determine ____ certain ____ constitute review ____.

____ decides if ____ ____ ____ review ____ or automated?

Who decides ____ the ____ are review ____ ____ humans ____ ____?

____ ____ whether robot or human ____ ____ as review ____?

Do ____ ____ ____ know if ____ done ____ review manipulation?

____ ____ the ____ that constitute ____ manipulation might ____ ____ by automated ____ or ____ investigators.

Automated ____ or human ____ ____ ____ ____ manipulation.

____ the ____ or investigators ____ if actions ____ ____?

____ ____ or ____ decide if review ____ ____?

Who is ____ ____ ____ ____ ____ certain activity is ____ manipulated–automated ____ or human ____?

____ makes the ____ ____ whether ____ actions are ____ ____ ____ automated systems?

____ certain ____ ____ for review manipulation ____ ____ determined by ____ ____ or human ____.

____ ____ on whether certain ____ ____ review ____ ____ automated systems?

Is _____ _____ detection reliant _____ automated systems or _____ _____?

The _____ _____ qualify _____ _____ _____ can be decided by _____ systems _____ by _____.

_____ you tell _____ _____ it's computerized _____ or human _____ _____ decide when _____ manipulation _____?

Who decides _____ review _____ is _____ with _____ systems _____ _____ investigators?

Is _____ _____ computerized means _____ a human evaluation _____ _____ _____ _____ is _____ manipulated?

Can _____ tell me _____ it's _____ means _____ _____ evaluators _____ decide _____ _____ review is _____?

_____ human examiners responsible _____ _____ instances _____ _____ _____ or _____ robotic algorithms responsible?

_____ _____ tell me if _____ computerized means or human evaluators who _____ _____ it _____ _____ _____ _____?

Who _____ if review manipulation is done _____ _____ _____ or _____ _____?

_____ you tell _____ _____ it's computerized means _____ human _____ _____ _____ _____ something qualifies as review _____?

_____ _____ decides _____ actions _____ _____ manipulation or automated?

Whether or _____ certain _____ qualify _____ _____ _____ _____ be _____ by _____ systems or Human _____.

Does automated _____ or _____ _____ decide _____ certain actions constitute _____ _____?

Will _____ systems _____ _____ investigators _____ _____ is review manipulation?

Should machines _____ people determine _____ qualifies _____ _____ _____?

Is _____ _____ that machines _____ people determine _____ _____ _____ manipulation?

_____ want _____ _____ if _____ computerized _____ _____ human evaluators _____ decide _____ review manipulation is _____.

_____ it _____ _____ _____ or a human evaluation that makes _____ _____ _____ _____ method of _____ manipulation?

Do humans or _____ _____ if actions _____ _____ _____?

Whether _____ not certain _____ _____ _____ review _____ can be _____ by _____ _____ automated systems or _____ _____ investigators.

Does the responsibility _____ determine what _____ _____ manipulation _____ _____ _____ _____ or human _____?

_____ systems and _____ investigators can _____ _____ certain _____ _____ for review _____.

_____ it's _____ _____ human _____ that decide _____ something _____ as _____ manipulation, _____ you clarify?

ROBOTS _____ _____ who _____ _____ certain _____ count as review _____?

Who needs _____ determine _____ the _____ are _____ _____ or _____ investigators?

I _____ like to _____ if _____ manipulation detection _____ _____ _____ _____ or humans.

_____ it automated systems that _____ _____ _____ _____ review _____ or _____ people?

_____ computers _____ _____ make _____ about _____ actions _____ be classified as review _____?

_____ decides _____ automated systems _____ human _____ _____ the _____ manipulation?

_____ someone tell me whether review _____ detection _____ on _____ _____ _____ _____ systems?

_____ the _____ _____ _____ review _____ _____ determined by automated systems or _____ investigators.

automated _____ or _____ investigators determine _____ _____ _____ manipulation

There _____ _____ automated _____ or humans who determine _____ _____.

_____ some _____ _____ review manipulation by automated _____ _____ human _____?

Will the _____ _____ whether _____ _____ _____ review manipulation lie with _____ _____ humans?

Does _____ responsibility _____ determining review _____ lie _____ _____ systems or _____ _____?

Does computer or _____ decisions determine _____ _____ action _____ a _____ _____?

Is that a computerized _____ or a human evaluation _____ makes _____ _____ _____ _____ _____ _____ is _____?

Who is _____ _____ determining _____ certain _____ are _____ by _____ systems or _____ _____?

_____ _____ systems or _____ _____ determine _____ _____ actions constituted review manipulation?

_____ _____ _____ manipulation determined by automated systems _____ _____ investigators?

Someone decides whether _____ review is _____ _____ _____ _____ robot _____ _____ investigators.

_____ _____ manipulation determined by the _____ _____ automated systems _____ human _____?

Who decides if certain _____ _____ review manipulation _____ _____ _____?

How _____ machines _____ people _____ if _____ _____ is _____ manipulation?

_____ determines if automated systems _____ _____ investigators are _____ _____ _____?

_____ decides _____ _____ automated _____ is manipulating a _____?

_____ _____ computer or _____ make a _____ on whether _____ action is _____ _____?

_____ _____ _____ qualify _____ review _____ _____ be decided by automated systems _____ human _____.

Are automated _____ or _____ investigators _____ for determining _____ _____ _____ review _____?

_____ or _____ _____ determine _____ a certain behavior _____ review _____.

Is _____ manipulation detection _____ _____ _____ _____ or humans.

There _____ _____ _____ as _____ _____ automated _____ or _____ determine review manipulation.

What _____ _____ review manipulation are determined _____ automated _____ _____ human _____?
