[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Customization and product configuration requests
Inquiry Sub-Category	Configuration support
Description	Customers requiring assistance in configuring their telecommunications equipment for specific applications or network settings.
Data Size	5,002 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

How can ____ ____ modify ____ settings using ____ telecom ____ ____ firewall rules ____ access ____ ____?

____ can we use ____ ____ ____ to adjust ____ conditions?

Are ____ ____ ____ ____ ____ the ____ control ____ more ____ using your telecom products?

____ ____ update ____ settings on telecom ____?

Do telecom ____ allow us ____ ____ make ____ ____ settings ____ for ____?

____ it ____ to ____ ____ ____ via access control lists ____ firewall ____?

____ we ____ able ____ simplify ____ ____ access ____ lists with ____ offerings?

____ ____ be able to change your ____ ____ by ____ your ____ ____?

____ there a ____ ____ ____ ____ security settings more efficient using ____ ____?

Can you tell ____ ____ ____ ____ ____ security settings in telecom ____?

____ ____ ____ ____ changes to the ____ settings in our ____ products?

____ ____ ____ ____ use telecom related ____ things ____ ____ purpose of altering the firewalls ____ ____ controls?

Can ____ ____ you ____ to change security settings in ____ ____ ____?

Can ____ save time ____ ____ ____ ____ gadgets, access ____ lists, and ____ rules?

____ there a ____ ____ ____ ____ security parameters of ____ telecom product?

Is it ____ ____ ____ ____ things that ____ ____ ____ related for the ____ of ____ the firewalls and ____ of ____?

____ ____ ____ best way to change ____ access control ____ ____ your ____ gear?

____ ____ possible to modify telecom security ____ ____ ____ access ____ and ____?

____ we use ____ things that ____ ____ ____ telecom for ____ ____ ____ access controls ____ firewalls?

____ we shorten the time spent ____ ____ ____ ____ ____ telecom ____ and ____ control lists?

Are there ways to ____ ____ ____ ____ your telecom ____?

Can ____ adjust the ____ ____ on your ____ ____?

____ ____ show how ____ change security settings ____ ____ ____ offer?

Can we modify access ____ ____ ____ ____ ____?

____ we ____ the ____ settings ____ our telecom products ____ the ____ ____ lists?

Can ____ security be improved ____ ____ ____ ____ and ____ control ____ in ____ more ____ way?

Can you show ____ ____ ____ ____ ____ of ____ ____ ____ like access control lists?

____ we ____ ____ security ____ with your comms ____?

____ ____ security ____ ____ ____ the use of telecom gadgets, ____ control list ____ ____ items?

____ we ____ security ____ ____ ____ ____ products' access control lists?

____ ____ a ____ to change ____ ____ ____ using your Telecom gadgets?

Is ____ ____ ____ ____ ____ things that are more telecom related ____ altering the ____ ____ ____ of access?

____ ____ use ____ ____ ____ are ____ ____ related for the purpose of altering the ____ ____ control of ____?

____ ____ ____ me how to ____ ____ changes ____ in your ____ solutions?

Can we ____ time with the ____ of ____ Telecom ____ access ____ ____ and ____ ____?

____ we ____ with ____ ____ ____ by using your Telecom ____?

Can ____ save time with ____ Telecom gadgets, ____ ____ ____ ____ those firewall ____?

____ ____ tinker ____ your security settings by ____ telecom ____?

Can you explain ____ ____ ____ security ____ ____ ____ telecom solutions?

Can ____ change the ____ ____ via ____ ____ control lists?

____ ____ ____ ____ to modify ____ access ____ lists with ____ telecom products?

____ we ____ our security settings while ____ our ____ ____?

Can we ____ ____ telecom ____ access ____ lists ____ ____ your ____ settings?

____ you explain to ____ ____ to modify ____ ____ for access control in ____ ____ ____?

Can we ____ ____ ____ ____ with the telecom ____?

____ do ____ ____ security ____ through ____ telecom tools?

____ there ____ ____ to ____ ____ ____ through your telecom solution?

____ we change ____ ____ ____ on ____ telecom products easily?

Can ____ update the ____ ____ ____ ____ telecom products?

____ we modify ____ settings ____ ____ and access ____ lists ____ your ____?

Can you ____ ____ ____ that are ____ telecom related ____ order ____ ____ the firewalls and ____ ____?

____ ____ use your telecom ____ and access control ____ to ____ ____?

I ____ ____ know ____ ____ modify the ____ control ____ in my ____ solutions.

Is it ____ to ____ with ____ security settings ____ ____ telecom ____?

____ we ____ ____ security ____ with your comms ____?

____ to ____ change the ____ ____ your ____ devices for security ____.

How ____ you ____ firewall rules ____ ____ ____?

____ can we modify ____ security ____ more ____ ____ ____ telecom product?

____ you ____ me ____ to streamline security changes ____ your ____ ____?

Can ____ ____ the time ____ ____ configuring security ____ ____ telecommunications gadgets ____ access control ____?

Can we tinker ____ our ____ ____ ____ using ____ Telecom ____?

____ can we do ____ make ____ ____ ____ a ____ ____ more efficient?

Can ____ ____ ____ ____ ____ to change the settings ____ security?

____ you explain to us ____ ____ change ____ ____ settings?

For the purpose ____ altering the ____ ____ control ____ ____ ____ you ____ security ____ ____ are telecom related?

____ we change ____ security ____ with ____ ____?

Telecom ____ ____ access Control ____ can ____ ____ to ____ ____ efficient changes to ____ security ____.

Can you provide ____ method for adjusting ____ ____ ____ ____ ____?

____ ____ tell ____ how I ____ ____ access control ____ ____ my telecom solutions?

Is it possible to update ____ ____ easily ____ ____ ____ ____?

How ____ security ____ in ____ ____ product be changed ____ ____?

____ ____ ____ be improved ____ ____ telecom gadgets, access ____ ____ ____ other items in ____ more convenient method?

____ can ____ make ____ efficient ____ ____ our ____ settings when using ____ lists?

____ you ____ ____ ____ proficient means ____ ____ security ____ like ____ control ____ to your telecom offerings?

Can the ____ be ____ by the ____ of ____ ____ gadgets, access control ____ ____ ____ ____?

____ ____ ____ ____ how to ____ ____ changes in my Telecom solution?

Can ____ ____ the ____ spent ____ ____ by using ____ gadgets, access ____ and Firewall ____?

Can ____ ____ the ____ ____ ____ security ____ ____ telecom gadgets, access control lists ____ firewall ____?

How ____ we ____ ____ ____ ____ ____ ____ by using your access control lists?

Can ____ tell ____ ____ ____ modify security ____ on ____ telecom equipment?

Can _____ security _____ improved _____ _____ telecom gadgets, _____ control list, and other _____ _____ _____ more _____ method?

Can _____ show me _____ _____ modify _____ rules about access _____ _____ telecom _____?

_____ the _____ _____ improved by our _____ _____ _____ rules and _____ control lists.

Can you use _____ things that _____ related _____ telecom _____ _____ purpose _____ _____ _____ and _____?

Is it _____ to _____ with the _____ settings _____ _____ Telecom _____?

Can _____ _____ _____ stuff _____ _____ telecom things?

Can we _____ _____ security _____ _____ _____ telecom products?

_____ _____ we easily make _____ _____ _____ _____ in telecom products?

Can _____ modify _____ security equipment _____ _____ _____ things?

_____ you _____ _____ _____ _____ _____ access _____ lists more efficient with your telecom _____?

_____ can I change the access _____ list _____ _____ _____ _____?

_____ we _____ telecom gadgets, _____ rules, _____ _____ control lists _____ make _____ more _____?

Is _____ _____ to use _____ things _____ _____ more telecom _____ for the _____ of _____ _____ firewalls and _____ of _____?

_____ _____ _____ time with those _____ gadgets, access _____ lists, and _____ firewalls _____?

_____ we _____ _____ our _____ settings _____ your telecom gadgets?

Can _____ save _____ by _____ _____ _____ access control lists _____ firewall _____?

Can _____ _____ _____ using _____ Telecom _____ _____ control lists, _____ firewall rules?

We can _____ more _____ _____ _____ _____ _____ _____ by using Telecom _____ _____ the access control lists.

_____ _____ security _____ improved _____ using _____ telecom gadgets, _____ and _____ control lists?

_____ you _____ _____ _____ ways to streamline _____ adjustments in _____ _____ solutions?

_____ _____ change the settings _____ security _____ _____ control?

How can _____ _____ more efficient _____ _____ security _____ _____ products?

How are _____ _____ to _____ change _____ _____ _____ telecom products?

_____ it possible _____ _____ _____ _____ _____ your _____ gadgets, _____ control lists and firewall rules?

_____ it possible _____ _____ _____ things _____ are _____ related with the _____ and _____ controls?

Can _____ _____ _____ how you can make _____ _____ _____ your telecom _____?

Can your _____ be used _____ _____ modify _____ _____?

Do you _____ effective methods to _____ security _____ through _____ _____ _____?

_____ we use _____ _____ _____ all _____ firewall rules and access _____ lists _____ make _____ _____?

How _____ you _____ _____ the access control _____ _____ _____ products?

How do _____ _____ telecom product's _____ _____?

_____ you tell me _____ _____ make _____ adjustments _____ _____ telecom solutions?

Can _____ _____ adjustments _____ access _____ lists more quickly with _____ _____?

Does _____ _____ _____ to modify _____ rules or access _____ lists _____ your _____ _____?

Can we _____ security with _____ _____ gadgets, access _____ list and _____ _____ _____ a _____ convenient _____?

_____ _____ _____ _____ to _____ security settings such _____ access control lists _____ _____ rules?

How can we _____ more _____ adjustments to our _____ settings _____ _____ _____ _____?

_____ we change the settings _____ _____ security _____ _____ telecom _____?

Can we use _____ _____ _____ to _____ _____ security settings?

Can you _____ us _____ _____ _____ _____ security _____ on the _____ equipment?

_____ _____ use security things _____ are related to _____ _____ _____ purpose of _____ the _____ and _____ _____ access?

Can _____ modify the _____ for security _____ access _____ _____?

Are _____ _____ to change the security _____ _____ _____ telecom _____?

_____ you _____ me _____ to make _____ _____ _____ Telecom solutions?

Is there _____ way to _____ firewall _____ _____ _____ control _____ _____ _____ telecom products?

_____ _____ use your telecom gadgets, _____ _____ _____ and firewall rules to _____ your _____ _____ _____?

_____ _____ _____ you change the _____ _____ security or access _____ lists?

How to _____ _____ _____ protection _____ _____ access _____ _____ and firewall rules?

_____ _____ change security settings through _____ products' access _____ _____?

Can _____ _____ be improved _____ our telecom _____ _____ control list _____ similar _____?

____ ____ ____ security things that ____ ____ ____ ____ ____ purposes of altering the firewalls and control ____ access?

Can ____ security be improved ____ ____ ____ ____ gadgets, ____ control ____ and other items ____ ____ convenient method?

____ you tell ____ how ____ modify security ____ ____ ____ ____ such as ____ control lists?

____ can ____ make more efficient ____ to ____ security ____ ____ the ____ product?

How ____ alter ____ access control ____ ____ ____ products?

Can we ____ ____ telecom gadgets ____ ____ control ____ to improve ____?

____ ____ you ____ ____ access ____ lists ____ efficient using your ____ products?

____ ____ you streamline ____ ____ ____ your telecom solutions?

____ ____ show us the ____ means of tailoring ____ settings ____ ____ ____ ____ ____ firewall rules?

____ ____ ____ us the most ____ way ____ tailoring ____ ____ like access ____ lists?

____ ____ ____ ____ access control lists ____ your product?

____ ____ ____ ____ ____ your security setting ____ using your Telecom gadgets?

____ can ____ modify my ____ settings via ____ telecom ____?

Can the security ____ ____ ____ ____ ____ ____ access control list, and other items ____ ____ more convenient ____?

Can you ____ ____ ____ ____ ____ your items?

____ ____ ____ ____ ____ to ____ security adjustments through your telecom solutions.

Can ____ modify ____ security stuff ____ your ____ ____?

____ ____ ____ improved ____ telecom gadgets, access ____ ____ and other ____ in ____ ____ convenient method?

Can ____ ____ ____ the ____ ____ on our telecom products?

____ ____ ____ our ____ gadgets ____ change our security settings?

Can we ____ ____ time ____ spend configuring security ____ using telecom ____ ____ controls ____ ____ ____?

Is ____ possible ____ reprogram ____ ____ settings ____ your ____ gadgets?

Can you tell me how to ____ ____ ____ ____ to ____ ____ ____?

Can ____ use telecom gadgets, firewall ____ ____ access ____ ____ ____ make security ____?

Can ____ ____ ____ ____ by using your telecom gadgets, ____ control lists ____ ____ ____?

____ you ____ us the most effective ____ ____ ____ ____ settings ____ access ____ lists?

Can we ____ ____ the security ____ using ____ ____ gadgets?

How ____ ____ ____ more effective changes to ____ security settings in ____ ____ ____?

Is there ____ ____ ____ ____ ____ your security settings in your ____ ____?

We ____ ____ ____ ____ ____ to our security ____ by using telecom products ____ access ____ ____.

____ ____ ____ me how to modify ____ ____ using ____ telecom equipment?

Can you ____ ____ ____ to make security ____ ____ ____ solutions?

Can we use our telecom ____ access ____ lists, ____ ____ ____ ____ ____ security more ____?

____ ____ we ____ more ____ ____ ____ our security ____ in telecom equipment?

Do you know ____ to ____ security settings ____ your ____ equipment, ____ ____ access ____ ____?

Can security be improved ____ our ____ gadgets, access control list and ____ ____ ____ ____ ____ ____ ____?

____ can we ____ telecom products to ____ ____ ____?

Can you tinker ____ ____ ____ ____ with your ____ stuff?

Can ____ ____ things that are ____ ____ related ____ ____ purpose ____ ____ ____ firewalls and access controls?

____ ____ help us ____ the security ____ within ____ ____ products?

How ____ we ____ ____ to our security settings ____ telecom ____ ____ ____?

____ can we ____ more ____ changes ____ ____ security ____ ____ ____ products or access ____ lists?

Can ____ tell ____ ____ to modify ____ books or ____ ____ in your ____ ____?

How can we ____ ____ security ____ like ____ ____ ____ using ____ telecom gear?

How can we make ____ ____ ____ to ____ ____ settings ____ using ____ Control ____?

Can ____ save time ____ ____ ____ gadgets, ____ control ____ and ____ firewall rules?

____ you ____ security things that ____ telecom ____ ____ the ____ ____ access controls?

How can ____ ____ the access ____ ____ through ____ products?

Is ____ ____ method ____ changing ____ security settings ____ ____ products?

We ____ shorten ____ time ____ ____ ____ ____ by using ____ ____ access control lists and Firewall ____

Can _____ security be improved with our telecom _____ _____ control _____ _____ _____ _____ _____ a _____ way?

Is there a _____ to change _____ _____ _____ on _____ _____ equipment?

_____ you give us information on _____ to _____ _____ _____ settings for _____ _____?

_____ _____ make security _____ by using your _____ _____ _____ control lists, _____ _____ rules?
