[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	VoIP (Voice over IP) compatibility and setup
Inquiry Sub-Category	VoIP call quality issues
Description	Customers report poor call quality during VoIP calls, seeking troubleshooting assistance to identify and resolve the underlying causes, such as network congestion, packet loss, or low bandwidth.
Data Size	5,003 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ am I _____ _____ _____ when using _____ Voice over _____ service _____ _____ network?

What _____ the problem _____ _____ over _____ _____ distortion on your _____?

_____ do _____ _____ voice distortion _____ _____ _____ Voice over Internet Protocol _____?

_____ _____ _____ audio _____ while _____ your VOIP?

_____ _____ possible that my _____ _____ internet _____ service _____ _____ _____ in the network?

What may _____ _____ _____ disruptions _____ _____ the VOiP connection?

Is there a _____ _____ _____ _____ _____ _____ usingIPS- voice contact?

How do _____ get the _____ _____ that _____ when I _____ _____ VoIP _____ _____ your _____?

I _____ like to know why _____ voice over _____ _____ _____ _____ _____ issues _____ distortions.

Why _____ the vocal distortions _____ when I _____ _____ _____ service on _____ _____?

Why do _____ hear _____ _____ in _____ voice using _____ _____ _____ protocol?

When I use _____ _____ _____ Protocol, what _____ _____ to _____?

_____ _____ to know _____ _____ VOIP _____ terrible on _____ network.

What _____ happening _____ my VOIP _____ _____ _____?

_____ _____ _____ that my voice over internet calls are _____ _____ _____ and _____ within _____ _____?

_____ _____ possible _____ _____ voice _____ internet calls _____ having _____ issues in your _____ coverage _____?

_____ _____ I hear _____ in _____ voice when _____ _____ _____ _____ internet protocol network?

_____ does _____ _____ sound different when use a _____ _____ _____ protocol _____?

Why does _____ _____ sound _____ _____ _____ _____ voice _____ internet protocol _____ your network?

_____ _____ a reason _____ _____ voices occur when _____ _____ contact?

Why do _____ hear _____ when using _____ _____ over _____ _____?

I _____ understand why my audio _____ _____ _____ _____.

There are _____ _____ your _____ _____ internet protocol _____.

_____ did it _____ _____ using your _____?

Why _____ my voice _____ different when using _____ over internet _____ _____ _____ _____?

_____ come _____ is _____ _____ when _____ aVoIP?

I _____ what's happening _____ my _____ _____ your _____ over _____ thingamajig?

Why _____ _____ get _____ _____ when _____ a Voice over IP _____?

Voice over Internet Protocol distortion ____ ____ ____ use ____ ____.

What are ____ ____ ____ voice disruption ____ ____ VoIP here?

Why ____ audio degraded ____ ____ your ____?

Why does ____ ____ ____ different ____ using ____ over internet ____ on ____ network?

____ voice distortion ____ ____ ____ VoIP service?

When using a ____ ____ ____ protocol ____ on ____ network, ____ ____ I getting ____ distortion?

Why ____ ____ ____ ____ within my voice ____ internet protocol ____?

____ do ____ ____ in ____ voice over internet Protocol ____?

Why ____ I ____ ____ distortion ____ ____ ____ ____ voice over internet protocol?

____ ____ Voice over Internet Protocol ____ when I ____ ____?

____ ____ ____ voice on your ____ Voice ____ IP service?

When ____ a ____ over ____ ____ service, ____ ____ I hear ____ voices?

Why ____ I hear ____ distortion ____ using ____ ____ over internet ____ ____?

Why ____ I ____ ____ when ____ voice over ____ protocol?

Why ____ ____ distortion ____ when ____ ____ a ____ over ____ protocol service?

Do ____ have ____ reason ____ the altered ____ ____ this ____ phone ____?

____ there a ____ for ____ ____ voices while using ____ ____?

____ is the cause of the ____ ____ ____ when ____ ____ ____ connection?

Why ____ I ____ voice distortion ____ ____ on your ____?

What ____ ____ voice ____ in ____ ____ usage?

What ____ the ____ ____ ____ while ____ a VOiP connection?

____ is voice ____ ____ protocol making you ____ different ____

Why does ____ voice ____ ____ when I use ____ ____ a ____ over ____ ____ ____ network?

I'm ____ sure why ____ VOIP is ____ ____ ____ network.

____ ____ internet ____ ____ used on your ____ why do ____ ____ distorted voices?

What is wrong ____ ____ ____ ____ the ____ service?

____ ____ me to have a ____ voice ____ ____ ____ your network?

____ ____ ____ reason ____ ____ speech during my Voice Over ____ Protocol ____?

What ____ ____ cause ____ ____ audio ____ ____ while utilizing ____ VOiP connection?

Can ____ tell ____ the reason for the ____ ____ ____ while using ____ ____?

Why ____ a ____ ____ ____ distorted ____ here?

____ ____ I hear distorted voice when ____ ____ ____ over ____ protocol?

Is ____ possible ____ ____ ____ reason for the ____ distortion issue ____ ____ ____ over Internet Protocol ____?

I don't understand ____ my voice ____ ____ ____ are ____ ____ ____ and distortions ____ ____ network.

____ is the ____ of ____ ____ internet ____ ____ on my network?

____ is the voice ____ ____ ____ ____ ____ ____ different voices on your network?

Why does ____ ____ ____ ____ ____ ____ using a ____ ____ internet protocol device?

My voice ____ ____ ____ your network's voice ____ ____ protocol.

Why ____ it ____ audio ____ skewed while ____ ____ ____ VOIP?

Voice ____ internet protocol ____ effecting ____ ____

____ does ____ voice ____ different ____ ____ over internet ____ use?

Why ____ I ____ voice ____ when ____ a voice ____ ____ Protocol ____?

What leads ____ ____ sounds if ____ ____ a ____ connection ____?

____ doesn't ____ VOIP ____ ____ on ____ network?

Why ____ the audio ____ ____ using ____ ____?

What is going on ____ the ____ ____ ____ this ____ ____?

____ ____ distorted ____ on your network's voice ____ internet ____ ____.

What ____ going on with ____ ____ ____ ____ this ____ VOIP service?

Do ____ ____ ____ ____ for ____ weird ____ ____ ____ voice over internet protocol service?

Why ____ ____ ____ ____ ____ ____ voice after using voice over ____ protocol?

____ ____ ____ reasons for audio distortion with ____ over ____ ____ service?

____ ____ a particular ____ why ____ ____ over ____ protocol ____ is bad?

I ____ voice distortion ____ voice ____ ____ protocol ____ used ____ your ____.

____ you ____ why ____ ____ are caused when ____ IPS-voice ____?

Do you know ____ ____ voices ____ ____ ____ this internet phone ____?

I ____ distortion when using voice over ____ ____ ____ ____ ____.

____ is ____ ____ unbalanced during ____?

____ ____ a question ____ to why ____ ____ ____ distorted on your ____.

Why ____ ____ hear ____ distortion ____ using ____ ____ over ____ ____ service on my network?

Why do my ____ ____ my ____ ____ using ____ ____ VoIP service?

Voice over _____ Protocol _____ is _____ when _____ use _____ _____ your _____.

Whenever _____ use a _____ service on your _____ _____ causes _____ _____?

Why _____ I _____ _____ _____ when using Voice _____ Internet _____?

_____ _____ _____ _____ _____ distortion when I use a voice over _____ _____ service?

_____ could be causing _____ audio _____ _____ when _____ VOiP?

Is it possible _____ explain _____ _____ for _____ voice distortion issue _____ making _____ _____ _____ Protocol _____?

_____ utilizing a VOiP _____ _____ _____ be causing _____ disruptions?

_____ it possible that _____ _____ _____ internet calls are having _____ _____ your _____?

Why do _____ _____ voice _____ when _____ _____ over _____ Protocol?

Why _____ telephony _____ occur _____ _____ voice over _____ protocol _____?

_____ my voice _____ _____ as _____ _____ _____ internet protocol service, why _____ _____ sound different?

Why _____ _____ _____ _____ sound _____ during VOIP?

I need _____ _____ _____ _____ occur _____ your voice over _____ protocol _____.

_____ using your _____ _____ _____ voices _____ distortion?

Why do _____ _____ distortion _____ you _____ Voice _____ _____ protocol?

why _____ _____ _____ voice distortion _____ using voice _____ _____ protocol?

_____ _____ voice distortion I'm _____ _____ _____ your _____ _____ internet protocol service?

_____ do my _____ have voice _____ _____ _____ your network's _____ service?

_____ _____ it that _____ _____ _____ _____ when you use _____ over internet protocol?

Why do your _____ over _____ _____ services _____ _____?

_____ _____ possible to _____ the _____ for _____ voice _____ _____ making a voice _____ internet protocol _____?

_____ _____ _____ _____ _____ over internet _____ _____ on my network, it causes voice _____.

_____ do _____ hear _____ distortion _____ I _____ a voice _____ internet protocol _____?

_____ about vocal _____ _____ connection _____ your VOIP _____

_____ am _____ _____ _____ _____ voice when using a voice _____ internet _____ service?

_____ _____ I resolve the issue _____ distorted voices _____ using the _____ _____ _____ your _____?

_____ is it that _____ _____ _____ _____ altered while using _____ VOIP?

_____ you _____ _____ why you have _____ _____ distortion _____ while _____ _____ _____ internet protocol calls?

_____ is a _____ _____ on your _____ over internet _____ _____.

What _____ the _____ _____ choppy voice _____ VOIP _____?

_____ _____ _____ voice distortion _____ when _____ use your network?

_____ do _____ hear _____ in _____ _____ _____ utilizing voice _____ internet protocol?

Why do I _____ garbled _____ _____ _____ VoiceOver _____ protocol?

_____ disruptions _____ within your voice over _____ _____ _____?

_____ can I _____ _____ _____ issue _____ _____ voices while using _____ from your _____?

_____ over internet protocol can affect _____ _____ _____ _____ your _____.

Is there a _____ _____ my voice _____ _____ _____ _____ has _____ distortion?

Why is _____ _____ while _____ your _____?

What _____ _____ cause _____ _____ _____ experienced while using _____ VOiP connection?

Why _____ I _____ distortion _____ _____ a _____ over internet protocol _____?

_____ _____ _____ hear _____ distortion on your _____ with voice over _____ _____?

_____ _____ audio _____ _____ when using your _____?

When _____ use Voice over Internet _____ _____ _____ _____ _____ _____ causing the distortion?

_____ is it _____ you use your _____ and _____ _____ _____?

_____ _____ voice _____ with your _____ service.

_____ _____ Voice _____ Internet Protocol _____ _____ used _____ your network?

_____ is my audio _____ _____ _____?

_____ is the cause _____ _____ Voice over Internet Protocol _____ _____ _____ it on _____ _____?

Why _____ _____ phone _____ occur _____ _____ voice over internet _____ services?

_____ do I see _____ _____ within my _____ _____ internet _____ service?

Why do _____ _____ vocal _____ _____ I _____ _____ VoIP service on _____ network?

_____ do _____ hear distortion _____ using _____ over _____ protocol?

_____ come my _____ _____ _____ _____ your network?

What causes _____ sounds _____ _____ a _____ _____?

Why do my _____ _____ distortion _____ I _____ _____ service?

Inquiring about _____ disruption when _____ _____ your _____ _____.

Is there a cause _____ the _____ _____ _____ occur when _____ _____ _____ VoIP _____?

What _____ to _____ _____ when using a _____ _____ there?

_____ _____ be causing the _____ disruptions experienced _____ a _____ connection _____?

There _____ a distorted sound when _____ _____ VOIP _____ _____.

How _____ _____ is _____ disruption _____ _____ _____ over internet protocol?

Why is _____ _____ _____ audio is _____ _____ you _____ your VOIP?

Why do I hear _____ _____ _____ _____ voice _____ _____ protocols?

What is causing _____ audio _____ _____ _____ _____ a _____ connection?

Why is _____ _____ _____ _____ your VOIP _____ _____ skewed audio?

What leads _____ distorted _____ _____ you use _____ VOIP _____.

_____ does Voice over _____ Protocol _____ happen _____ _____ _____ it _____ your network?

_____ _____ tell me _____ _____ _____ _____ voice distortion issue _____ making _____ _____ internet protocol calls?

_____ do I experience voice _____ while using a voice _____ internet _____ _____ _____ _____ _____?

Is _____ possible that _____ _____ over IP calls _____ _____ _____ issues _____ _____ within your _____?

_____ come _____ audio _____ distorted _____ VOIP?

_____ there an explanation _____ the distorted _____ _____ _____ _____ _____ voice service?

_____ _____ audio distortion with voice _____ _____ _____?

I _____ affected by voice over _____ protocol _____ _____ _____ _____ network.

_____ _____ _____ hear distortion in my voice using _____ _____ _____ Protocol?

____ ____ ____ Voice ____ service on my ____ ____ I am finding ____ slight ____ distortion.

Reasons ____ the ____ distortion with ____ over internet ____ ____?

Why do ____ ____ ____ ____ I use Voice ____ ____ protocol?

Voice ____ ____ ____ ____ used ____ ____ network, ____ ____ I hear distortion in my voice?

____ ____ be causing ____ ____ when utilizing a VOiP ____?

Is there a ____ reason ____ ____ ____ ____ ____ with your ____ service?

____ ____ ____ ____ sound ____ ____ I ____ a Voice over internet Protocol service?

____ ____ ____ voice distort during ____ call ____ your network?

____ ____ voice disruptions occur when ____ ____?

I ____ ____ ____ my VOIP is bad ____ your ____.

____ ____ audio not good while ____ ____ ____?

Why do ____ ____ ____ distortion when ____ your ____?

____ ____ ____ voice over ____ ____ service suffer disruptions?

I hear ____ ____ ____ ____ ____ I use voice ____ ____ protocol, why?

I wonder why ____ are ____ in ____ voice over ____ ____ ____.

I hear ____ in ____ ____ ____ using voice over internet ____ on ____ ____.

What ____ ____ ____ for disruptions within your voice ____ ____ ____ services?

What ____ ____ ____ voice ____ your network's ____ over IP ____?

I use ____ on your network ____ ____ ____ ____ distortion.

____ is ____ over Internet Protocol distorted ____ ____ ____ it ____ ____ network?

When I ____ ____ VoIP service on ____ ____ ____ ____ the vocal ____?

____ do my calls ____ a ____ voice ____ ____ your network's ____?

Is ____ a ____ for ____ ____ ____ ____ making a ____ over ____ protocol call?

Can you ____ the sound ____ ____ voice ____ ____ protocol ____?

Reasons for ____ distortion with ____ ____ internet ____ ____ this ____?

____ am ____ ____ ____ when ____ ____ your network's VoIP service.

Why ____ it ____ audio ____ degraded ____ using ____ VOIP?

____ do my calls distort ____ voices while ____ ____ ____ ____ service?

____ do ____ hear distortion in my ____ ____ ____ voice over ____ protocol ____ your ____?

What ____ to ____ distorted ____ when ____ ____ VOIP ____ here?

How ____ the ____ ____ ____ the VOIP ____ ____ so bad?

____ there ____ reason ____ ____ vocal ____ ____ ____ ____ I use a VoIP service?

What is the ____ ____ ____ ____ Internet Protocol distortion when I ____ it ____ ____ ____?

What ____ ____ ____ ____ experienced when using a VOiP ____?

What causes ____ vocal ____ that ____ ____ ____ use a Voice ____ ____ ____ service?

Why ____ ____ over ____ protocol service cause ____ ____?

____ ____ ____ my voice over internet ____ ____ are ____ ____ issues ____ distortions in your ____?

What ____ causing ____ distortion ____ ____ ____ of voice over internet ____?

I ____ like ____ ____ the factors ____ ____ ____ ____ distortion when ____ VoIP ____ in my network.

____ ____ ____ ____ distortions ____ when ____ use a VoIP service on your ____?

____ may ____ causing audio disruptions ____ ____ ____ VOiP connection?

____ ____ ____ hear ____ ____ on my network using ____ over internet ____?

____ ____ your voice over ____ ____ ____ disruptions?

____ ____ an explanation ____ the ____ ____ distorted on ____ service?

____ come I ____ ____ ____ my voice when ____ ____ over ____ protocol?

____ ____ my voice ____ messed up ____ ____ network?

____ there ____ reason for ____ ____ ____ voice over internet ____ service?

____ ____ ____ ____ having voice distortions with your ____?

Why does my voice ____ internet ____ ____ ____ ____?

When I ____ ____ ____ Internet ____ on my network what ____ ____ ____?

Your _____ uses voice over _____ protocol, _____ do _____ hear distortion _____ _____ _____ _____?

_____ _____ _____ _____ garbled _____ during my VoiceOver Internet _____ usage?

What _____ _____ _____ with my VOIP _____ your _____?

Do you know what _____ _____ _____ _____ _____ Protocol _____ _____ your network?

Why does _____ _____ sound different when using _____ _____ _____ _____ service?

_____ _____ there _____ _____ when usingVoIP?

_____ do _____ calls have _____ distortion _____ I'm _____ _____ service?

What causes the _____ voice _____ your network's Voice _____ _____ _____ _____?

What _____ causing audio _____ while _____ _____ VOiP _____ here?

_____ using a _____ _____ internet protocol _____ _____ your network, _____ _____ my _____ sound different?

What _____ _____ distorted sound _____ using a VOIP _____ _____?

What _____ my _____ _____ different when _____ _____ _____ voice over internet _____ service?

_____ is it that audio is _____ _____ using _____ _____?

_____ do _____ _____ _____ your _____ over IP services?

_____ distortion is _____ problem when _____ _____ voice _____ _____ _____ _____ on your network.

_____ do I hear _____ as _____ _____ voice over _____ _____?

_____ _____ _____ reason _____ the _____ distortion I'mExperiencing when _____ my voice over internet _____ _____?

_____ Voice _____ Internet Protocol causing _____ when _____ use _____ on _____ _____?

What causes Voice _____ _____ Protocol _____ when _____ _____ _____ the network?

How _____ voices _____ _____ when using their _____ _____ service?

I am having _____ calls distorted _____ using _____ _____ _____ _____.

_____ is there _____ _____ sound when using _____ _____ _____ here?

_____ is _____ _____ Internet Protocol distortion occurring _____ I _____ _____ network?

_____ led to distorted _____ _____ using _____ _____ connection?

_____ over internet protocol _____ my _____ _____ _____ _____ your network.

Voice _____ _____ protocol _____ affect my voice _____ _____ network.

_____ you _____ me _____ my voice _____ _____ protocol service _____ weird?

What is _____ _____ for the _____ _____ that occur when _____ use a VoIP _____ _____ _____ _____?

I would _____ _____ know why _____ _____ over _____ calls are having _____ issues _____ _____ _____ your network.

Is _____ possible that _____ _____ over internet _____ service _____ _____ distortion _____ _____ network?

When _____ use _____ over Internet _____ _____ your _____ _____ is _____ problem?

_____ does _____ _____ distorted _____ VOIP?

Why _____ _____ _____ problems _____ _____ _____ voice over internet services?

_____ is _____ _____ different _____ _____ use voice over internet _____?

_____ over _____ _____ is _____ on your network, _____ do _____ _____ distortion?
