[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Training and user manual inquiries
Inquiry Sub-Category	Firmware Updates
Description	Customers seek information on the availability and process of updating their telecommunications equipment's firmware to access new features, bug fixes, and security patches.
Data Size	5,238 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can _____ _____ automatic _____ _____ my telecommunications _____ to _____ missing _____ feature _____ and security _____?

_____ it _____ to _____ _____ _____ my hardware _____ prevent missing features _____ _____ fixes?

_____ _____ possible _____ the _____ _____ security of _____ phone _____ to be _____ installed?

_____ _____ _____ to schedule _____ for _____ telecom _____ to _____ feature improvements _____ security fixes?

_____ _____ _____ to _____ _____ _____ updates _____ my equipment so that I _____ _____ vital enhancements?

_____ I get _____ auto-updates _____ _____ telecom _____?

Is _____ _____ to get _____ _____ _____ _____ telecom gear _____ _____ don't _____ any important updates?

_____ it _____ to schedule auto-updates for my _____ gear _____ that _____ _____ _____ _____?

Is _____ _____ to schedule updates for _____ crummy _____ equipment _____ _____ _____ _____ improvements _____ security fixes?

_____ _____ _____ _____ set up automatic updates _____ my _____ equipment _____ that _____ don't miss _____ _____ security patches _____ new features?

_____ _____ _____ automated _____ to _____ sure _____ don't miss out _____ important patches?

I _____ _____ _____ can _____ _____ update for my _____ hardware to _____ sure that important _____ enhancements _____ _____ up-to-date.

Is it _____ _____ schedule automatic updates _____ _____ _____ _____ _____ with important enhancements _____ _____ patches?

_____ I _____ _____ _____ equipment updated automatically _____ _____ _____ feature improvements _____ security fixes _____ made?

_____ wonder if I _____ schedule an _____ for _____ _____ _____ order to make sure that _____ _____ are _____.

_____ it _____ to _____ updates _____ my _____ equipment _____ keep it _____?

Is _____ possible _____ set _____ _____ updates _____ my _____ gear so _____ I _____ _____ crucial security fixes?

Is there a way to _____ _____ automatic _____ on _____ _____ _____ so that _____ don't _____ _____ enhancements _____ security _____?

_____ I use scheduled _____ in _____ to make _____ _____ security _____?

_____ _____ possible to update my telecom _____ without _____ _____ features _____ security _____?

_____ it _____ to automate _____ for _____ features _____ security _____ my _____ equipment.

Can _____ _____ our comms _____ updates so _____ we don't have _____ _____ _____ _____ _____ changes?

_____ it possible to automatically _____ patches/upgrades on communication _____ _____ _____ _____ doing _____?

_____ it possible _____ _____ up _____ updates for my telecommunication _____ to _____ current _____ features _____ safety _____?

For _____ integration of essential _____ how _____ _____ make _____ updates on _____ _____ _____?

_____ it possible _____ schedule auto-updates _____ _____ _____ to _____ sure important _____ _____ _____ security patches aren't overlooked?

Should I have _____ _____ to schedule automatic upgrades on _____ _____ _____ _____ prompt software _____ _____ _____ fixes?

Is _____ _____ to schedule automatic _____ on _____ _____ _____ _____ prompt _____ advancement and _____ bug fixes?

_____ _____ possible to set _____ automatic updates _____ _____ _____ miss _____ important security patches _____ _____ features on my _____ _____?

_____ there _____ _____ _____ have _____ updates on _____ telecommunication devices _____ stay _____ to date?

_____ _____ possible _____ schedule auto-updates for my telecom gear _____ _____ enhancements _____ _____ aren't _____?

Is _____ _____ to _____ my telecom _____ without having to _____ _____ missing _____ _____ _____ fixes?

_____ there a _____ to automate updates _____ my _____ hardware to _____ _____ _____?

_____ _____ schedule _____ _____ my _____ equipment to _____ _____ feature improvements and security _____?

Is _____ _____ _____ automate _____ _____ _____ _____ hardware to prevent missing features and _____?

I wonder if I am able _____ schedule _____ update for _____ _____ _____ _____ _____ to make _____ _____ important _____ _____ are _____.

_____ it possible to _____ updates _____ my telecom hardware _____ _____ missing _____ _____?

Can _____ _____ _____ for _____ _____ _____ so that important _____ and patches _____ missed?

Can _____ make sure my _____ _____ _____ _____ to date features _____ _____?

How _____ I ensure _____ _____ features _____ security _____ are not _____ when _____ auto-updates _____ _____ telecommunication devices?

Can I update my telecom _____ _____ _____ _____ there's no _____ _____?

Is _____ _____ _____ automate updates for _____ _____ hardware _____ _____ missing critical features and _____ _____?

Will _____ equipment _____ me _____ automate updates _____ _____ I _____ _____ security patches?

_____ I _____ _____ automatic _____ for _____ equipment to _____ on top _____ the _____ _____ fixes?

Automatic updates _____ my telecom _____ _____ _____ to _____ _____ _____ upgrades and security _____.

_____ _____ a way _____ _____ up _____ updates on my _____ equipment so that _____ _____ _____ vital enhancements _____ security _____?

Is _____ _____ _____ updates for my _____ equipment _____ feature _____ _____ security fixes?

Will the equipment _____ me _____ _____ updates, _____ the _____ of _____ security _____?

_____ _____ _____ _____ me _____ automate updates _____ that I don't have to _____ at _____ _____?

_____ it _____ to schedule automatic upgrades on my _____ hardware _____ _____ prompt software _____ _____ _____ _____?

_____ it possible for _____ _____ _____ security of my phone hardware _____ _____ _____ _____?

Can _____ _____ auto- updates on _____ _____ _____ make _____ _____ improvements _____ security patches are not _____?

Can _____ telecommunications hardware _____ _____ for automatic updates _____ _____ up _____ _____ _____ and enhancements?

_____ _____ possible to schedule auto-updates _____ that _____ _____ _____ _____ _____ important features and _____ repairs?

Do _____ _____ _____ _____ to schedule _____ _____ on my _____ _____ _____ prompt software advancement _____ essential bug fixes?

_____ _____ possible _____ _____ _____ automatic updates _____ _____ _____ don't miss crucial security patches or new _____?

Is _____ _____ _____ _____ _____ _____ updates so I don't _____ _____ security patches _____ new _____ on my telecom equipment?

_____ I _____ my telecommunications _____ for _____ _____ in order to _____ _____ security patches and _____?

_____ I schedule _____ for _____ _____ _____ so _____ important features and _____ patches _____ not _____?

Is _____ possible to _____ _____ software _____ for _____ telecommunication devices to _____ _____ features _____ _____?

Automatic upgrade _____ my telecommunications _____ _____ _____?

Is _____ possible to _____ updates _____ _____ _____ equipment to get _____ _____.

_____ we schedule _____ _____ to _____ we _____ _____ out on important _____ patches?

_____ it possible _____ keep _____ with important _____ _____ by scheduling _____ _____ _____ _____ automatic updates?

Do you offer _____ option to _____ automatic upgrades for my _____ hardware, _____ _____ software _____ _____ _____ _____?

_____ I schedule _____ _____ my equipment _____ get features and _____ _____?

Is it _____ _____ set _____ _____ updates _____ my telecom _____ so I _____ _____ anything?

Can _____ give _____ the ability to _____ install _____ _____ _____ devices?

Is it possible _____ _____ _____ _____ _____ to not _____ out on important _____ _____ and _____?

_____ _____ possible to schedule auto-updates _____ _____ important features and _____ _____ _____ overlooked?

_____ _____ _____ possible to automatically _____ patches/upgrades to communication _____?

Is there _____ way to schedule auto-updates in _____ _____ _____ _____ out _____ important _____ _____?

Is _____ _____ automated updating feature _____ _____ _____ gadgets so that _____ _____ _____ behind?

_____ _____ automate updates _____ I _____ miss _____ _____ important security fixes and _____?

_____ _____ possible to _____ _____ telecom _____ _____ keep missing _____ and security fixes?

Is _____ _____ to _____ updates for _____ equipment to _____ _____ fixes and _____ _____?

Can you _____ _____ how _____ set automated update _____ for my _____ _____ _____ _____ to have _____ model _____?

Can I schedule auto-updates ____ my ____ ____ ____ ____ not ____?

____ I set up ____ updates on my ____ ____ ____ ____ I don't ____ ____ security ____ ____ new features?

____ my phone ____ be ____ for automatic updates ____ ____ up-to-date ____ ____ patches ____ enhancements?

____ wonder ____ ____ can schedule an update for ____ Telecoms ____ ____ ____ ____ make ____ ____ the important ____ are maintained.

____ ____ able ____ schedule automated updates ____ make sure ____ don't ____ out on ____ ____ ____?

Can ____ schedule ____ ____ ____ ____ get feature improvements and ____ fixes?

Is ____ possible to ____ ____ automatic ____ ____ ____ I don't miss important ____ patches or ____ ____?

Is ____ a way to set ____ ____ ____ on ____ ____ ____ ____ I don't overlook important ____ updates?

____ it ____ to have ____ feature ____ and security ____ ____ ____ telecom equipment?

Can my telecommunications ____ ____ ____ for automatic ____ ____ ____ up-to-date ____ important ____ patches?

Can ____ ____ auto-updates to ____ sure important ____ ____ ____ security ____ aren't missed?

Are my telecommunications hardware scheduled ____ ____ ____ to ____ up-to-date with ____ security ____ ____ ____?

Does it ____ sense to ____ automated ____ ____ ____ ____ ____ features and security?

____ ____ ____ to schedule automated updates to ____ ____ out ____ security patches ____ ____ enhancements?

____ ____ ____ ____ for ____ ____ on my telecommunication devices ____ ____ up to date?

Is ____ ____ way to consistently ____ my ____ gear without missing ____ ____ ____ ____?

I wonder ____ I can ____ ____ ____ for ____ Telecoms ____ in order to ____ ____ ____ important feature ____ ____ not missing.

____ it ____ to schedule automatic software ____ ____ my devices that ____ critical ____ ____ ____?

Is it possible to ____ ____ telecom ____ automatically, ____ ____ ____ miss ____ on important ____ ____ or ____ features?

____ ____ possible to update ____ telecom ____ to ____ ____ ____ and fixes.

Can ____ automate ____ ____ ____ ____ to ____ sure ____ improvements and security ____ are made?

Can ____ ____ me the ____ ____ ____ ____ patches on communication devices?

Is it possible to update my ____ equipment ____ ____ features ____ security ____ ____ ____ ____?

____ ____ ____ I can schedule ____ update ____ ____ ____ hardware ____ order to make sure that ____ feature ____ are ____

Is ____ possible to ____ up automatic ____ ____ ____ ____ ____ so ____ I don't ____ important updates?

____ it possible ____ have automatic updates ____ ____ ____ equipment, so ____ I don't ____ ____ important security patches ____ ____ ____?

____ there a chance ____ ____ can ____ our ____ gear's ____ instead ____ ____ missing crucial tweaks or ____ ____?

____ order ____ stay ____ to ____ with ____ patches and enhancements, can ____ ____ hardware be ____ ____ ____ updates?

Is ____ possible ____ ____ auto-updates for ____ ____ ____ so ____ important features ____ not ignored?

Is ____ ____ to ____ up ____ updates on ____ ____ ____ to ____ me up ____ date?

Do ____ ____ ____ ability ____ ____ ____ upgrades on my telecom hardware, ____ ____ software advancement and bug ____?

____ I ____ ____ updates ____ make sure I don't miss ____ features ____ ____ ____?

Can ____ hardware be ____ ____ prevent missing ____ and ____ ____?

____ ____ of my ____ ____ for significant ____?

____ ____ possible ____ ____ ____ ____ updates for my ____ gear so ____ don't miss ____ updates?

____ I schedule auto-updates ____ ____ ____ ____ ____ sure feature ____ ____ security patches are not ____?

Is ____ ____ to consistently upgrade my telecom ____ ____ missing ____ ____ ____ ____ enhancements?

Is ____ possible to schedule ____ upgrades ____ ____ telecom hardware, guaranteeing ____ ____ ____ ____ fixes?

I ____ ____ I can schedule ____ update ____ my ____ ____ ____ ____ to make sure ____ ____ feature enhancements.

____ it ____ ____ schedule auto-updates so ____ ____ ____ miss out on ____ features and ____ ____?

____ ____ set ____ automatic updates for my ____ to ____ on ____ ____ ____ fixes?

____ ____ ____ ____ telecom hardware can be scheduled, guaranteeing ____ ____ enhancements ____ ____ fixes.

Is ____ ____ to set ____ automated ____ ____ ____ ____ ____ to stay up to date?

Is ____ ____ ____ to have ____ updates on ____ ____ ____ so I don't ____ any ____ security patches?

Can we ____ automated ____ ____ ____ we ____ miss ____ on security ____?

Is there ____ ____ to set ____ ____ updates ____ my telecommunication devices ____ stay ____ with important ____ ____ ____ enhancements?

____ updates for ____ ____ equipment ____ be scheduled ____ prevent ____ ____ and patches.

____ ____ possible to ____ ____ ____ ____ for my telecommunication devices ____ include ____ ____ and security?

Do ____ ____ ____ it ____ possible ____ ____ up ____ updates on ____ equipment so that ____ don't overlook important ____?

____ ____ possible ____ schedule ____ updates ____ ____ Telecommunications ____ to ____ missing important features?

Is it possible ____ ____ my telecom ____ without ____ ____ ____ essential ____?

Is ____ ____ ____ set up ____ ____ for my telecom ____ so I ____ ____ to worry ____ ____ updates?

____ I set ____ ____ ____ ____ my telecom gear ____ ____ don't miss any ____ updates?

____ it ____ to ____ automatic ____ ____ order to ____ up with ____ patches?

Is ____ possible to ____ auto-updates ____ make sure ____ improvements ____ ____ ____ are not ____?

____ updates may be ____ to ____ ____ in ____ to ____ up ____ ____ enhancements ____ security patches.

Is it possible ____ set up automatic updates ____ ____ ____ ____ so ____ don't ____ out on ____ ____?

Is ____ ____ to schedule ____ ____ my ____ equipment to get ____ ____ ____ fixes?

____ ____ possible to ____ ____ so that important features ____ security ____ ____ not ____?

Is it possible ____ ____ ____ ____ updates for my ____ gear so that I don't ____ ____ ____ ____ ____?

Is ____ ____ to set up automatic ____ ____ my telecommunication ____ ____ stay updated with ____ features ____ ____ ____?

Automatic upgrade ____ ____ ____ ____ enhancements?

____ ____ ____ to set ____ automatic updates ____ my telecom ____ so ____ I ____ neglect ____ ____ and security updates?

____ ____ ____ ____ schedule ____ ____ order to avoid missing out ____ valuable ____ ____ security repairs?
