# [Demo] NLP Dataset for Customer Service Automation

| | |
|---|---|
| **Company Type** | Payroll Outsourcing Companies |
| **Inquiry Category** | Employee time and attendance management |
| **Inquiry Sub-Category** | Reporting and Analytics |
| **Description** | Inquiries about generating reports and analyzing data from the time and attendance system, including attendance trends, leave balances, and payroll-related reports. |
| **Data Size** | 11,075 paraphrases |
| **Want to buy data?** | Please contact nlp-data@qross.me via your business email address. |

**Masked sample paraphrases of one "Payroll Outsourcing Company" customer inquiry. (Purchased data will not be masked.)**

Do these analytic ____ ____ us easily ____ ____ ____ excessive ____ ____ individuals/teams/departments?

Is data-driven analysis ____ to ____ extravagant ____ ____ waiting ____ ____ everyone?

Will ____ tools ____ ____ ____ ____ excessive tardiness trends?

____ ____ use analytic tools ____ ____ ____ lateness?

____ ____ be ____ ____ on persistent individual/team/departmental ____?

____ these ____ ____ it ____ to identify repeat ____ behavior?

Can ____ use this analysis ____ ____ ____?

____ we ____ to use the analytic tools ____ ____ ____ recognize ____ ____ ____ are delayed?

____ analytical traits ____ assist ____ ____ delays ____.

____ ____ ____ to notice patterns of ____ ____?

Can we ____ on ____ ____ capabilities to detect anomalies ____ ____ excessive ____ ____?

____ ____ ____ detect delays within teams with ____ ____?

Are frequent ____ ____ recognizable ____ ____ attributes?

The analytic ____ may ____ ____ ____.

Do these analytical ____ ____ ____ identifying ____ ____ teams?

Can ____ ____ ____ identify extravagant ____ times for everyone ____?

____ ____ ____ for these features ____ ____ ____ members who ____ constantly late?

____ you spot ____ ____ delay ____ ____ methods?

____ useful are ____ analytic ____ ____ ____ tardiness among employees?

Is ____ ____ that these ____ ____ can spot ____ trends?

Does ____ ____ ____ quick scrutiny on persistent ____ ____?

____ ____ analytic features detect ____ instances ____ excessive ____?

____ we ____ ____ ____ ____ capabilities to detect anomalies in terms of ____ ____ ____?

How ____ are the ____ ____ to uncover recurring ____ of ____ among ____ ____ ____?

Do these ____ ____ locate excessive ____ ____?

How useful are ____ ____ ____ ____ spotting trends ____ tardiness.

Do ____ metrics help ____ ____ among ____?

Is ____ possible ____ ____ ____ will ____ in ____ late tendencies?

Can the _____ of _____ _____ _____ identify examples of _____ _____ staff?

Do _____ _____ _____ _____ help track _____ latecomers?

Is it possible that these _____ _____ can help detect _____ _____ _____ _____ _____?

_____ implementing _____ _____ _____ uncover patterns _____ tardiness?

_____ _____ provided analytic tools enable us _____ identify _____ _____ our _____?

_____ the _____ _____ elements help with tracking _____ frequent _____?

_____ _____ identify chronic _____ _____ groups?

_____ the _____ aid _____ recognizing _____?

Is analytic _____ _____ to _____ scrutinize _____ _____ tardiness?

_____ _____ tools _____ uncover _____ _____ teamtardiness more easily?

Can these _____ features _____ _____ _____ _____ tardiness?

_____ it possible _____ _____ _____ delays _____ these tools?

_____ it _____ to _____ recurring instances _____ _____ _____ _____ these analytic features?

Do _____ _____ _____ excessive tardiness?

How _____ are _____ _____ _____ _____ _____ comes to spotting _____ of employees _____ late?

_____ _____ _____ to _____ excessive employee _____ by using the _____?

_____ these attributes _____ _____ spot _____ delay _____?

_____ it _____ to use _____ analytics effectively _____ quickly _____ cases _____ people _____ _____ delays?

Will this _____ _____ _____ find _____ which _____ _____ habitually late?

Do _____ features _____ _____ to _____ excessive _____?

Do the _____ characteristics _____ _____ easy to _____ punctuality _____?

_____ it possible to _____ _____ excessive tardiness within teams, _____ _____ _____?

Is _____ _____ _____ _____ frequent _____ of extreme _____ _____ the analytical attributes?

_____ _____ analytic _____ _____ us detect _____ tardiness?

_____ useful are these analytic capabilities _____ looking _____ _____ _____ _____?

Can we _____ on these analytical _____ _____ _____ _____ in terms of _____ _____ _____?

_____ _____ possible _____ these features to _____ _____ _____ who are tardy?

Do these _____ _____ _____ spotting _____ excessive _____ behavior?

Do _____ _____ speed up the spotting _____ excessive _____ _____?

_____ _____ _____ tools help uncover employee tardiness _____ _____?

_____ it possible _____ _____ these analytic _____ _____ _____ excessive employee delays?

I wonder if _____ _____ _____ _____ _____ tardiness.

Is _____ possible _____ spot _____ _____ _____ criteria?

_____ these _____ help _____ find _____ tardiness _____?

Can _____ _____ of analytic tools help identify _____ _____ _____ _____ staff?

Is it possible _____ spot _____ _____ _____ using _____ _____ methods?

_____ _____ detect _____ lateness with _____ _____ of certain factors?

Do these _____ _____ _____ help identify _____ _____?

Do _____ analytical _____ help _____ locate _____ _____?

Can we use _____ data to _____ _____ tardiness _____ _____?

Will _____ analytic _____ _____ for easy _____ _____ repeat _____ behavior.

Do _____ _____ allow us _____ _____ _____ patterns of _____ tardiness?

_____ _____ easily identify _____ _____ excessive _____ in individuals, teams, or _____?

_____ the _____ _____ help _____ tracking down _____?

_____ _____ delays easily _____ _____ analytic attributes?

Can _____ easily _____ _____ using _____ _____ tools?

_____ _____ analytic capabilities _____ chronic _____?

Does _____ _____ features _____ _____ tardiness?

Can _____ inclusion _____ _____ tools aid _____ identifying _____ _____ who _____ late?

Is it _____ to _____ _____ occurrences _____ _____ _____ _____ help of these factors?

_____ these analytical _____ _____ identify _____ lateness in _____?

Do _____ metrics _____ determine repetitive _____ _____ _____?

Is _____ _____ to _____ _____ _____ via analytic attributes?

Will this help us identify patterns _____ _____ _____ _____ _____?

Is _____ _____ _____ identify _____ teams and _____ _____ _____ _____ by analyzing _____ with available tools?

_____ _____ _____ functions identify _____ lateness issues?

_____ these _____ _____ used _____ detect _____ within teams?

Will this analysis _____ _____ locate _____ _____ _____?

Will this _____ be _____ in _____ _____ _____ personnel?

_____ effective are _____ analytic _____ _____ helping _____ recurring _____ of lateness?

_____ _____ analytical _____ help _____ delays?

Will _____ analytical _____ help _____ _____ tardiness _____ quickly?

Can the _____ _____ _____ _____ _____ more unwarranted lateness among _____ members?

_____ this analysis _____ us _____ _____ _____ tardiness among personnel?

_____ the provided _____ _____ _____ us _____ identify lateness _____ our workforce?

Does _____ characteristics help _____ recurring _____ _____?

Can _____ data let _____ _____ chronic _____?

_____ the analytical elements _____ _____ track _____?

_____ _____ possible to _____ _____ delays by _____ and people?

_____ the features recognize _____ _____?

Are these _____ capabilities _____ to _____ _____ tardiness in individuals _____ _____?

Do _____ _____ _____ _____ us to _____ _____ of lateness _____ our workforce?

_____ these characteristics _____ up spotting _____ _____ _____ behavior?

How useful _____ the analytic capabilities _____ _____ for _____ _____ _____?

_____ analytic _____ _____ _____ _____ on persistent individual/team/departmental tardiness?

_____ these tools capable _____ _____ excessive tardiness _____ _____?

_____ this _____ used _____ quickly recognize _____ _____ tardiness?

Is _____ _____ to _____ detect excessive _____ trends _____ individuals and _____?

_____ _____ _____ _____ analytic features to _____ excessive tardiness?

_____ the _____ _____ tardiness easily be _____ with this _____?

How _____ _____ the analytic _____ _____ spotting trends of _____ by _____?

Are _____ _____ _____ identify excessive employee _____ _____?

Does _____ _____ help identify workers _____ _____ _____?

_____ analytic functions _____ be able _____ identify recurrent _____ _____.

_____ _____ _____ excessive tardiness trends _____?

_____ we able to _____ the _____ tools _____ quickly _____ cases _____ _____ delays?

_____ _____ _____ can _____ excessive tardiness?

_____ they _____ in easily _____ patterns of _____ _____?

_____ the analytic _____ _____ _____ identify tardiness?

_____ the _____ _____ _____ to detect recurring _____ of excessive _____?

Can the _____ _____ show the pattern _____ _____ _____?

Can _____ _____ _____ spot excessive _____ _____ groups?

Is _____ _____ to uncover _____ _____ tardiness more _____ _____ the _____ _____ analytical tools?

_____ _____ elements help _____ tracking _____ latecomers?

_____ _____ attributes _____ to _____ _____ into regular _____ of being late?

Is _____ _____ _____ easily identify patterns of excessivetardiness _____ _____ and _____?

Can _____ data help _____ _____ _____ people _____ teams?

_____ is _____ _____ of _____ _____ capabilities _____ spotting trends of late _____?

_____ _____ _____ way to _____ _____ persistent individual/team/departmental tardiness?

_____ _____ tools _____ identify _____ lateness among _____?

_____ these analytical _____ _____ detect _____ _____ of delay?

_____ we _____ this _____ _____ find out _____ delays?

Do _____ think _____ _____ can _____ instances of being _____?

How _____ are the _____ tools to _____ _____ recurring instances _____ _____?

Is it _____ to _____ _____ _____ slacking off _____ _____ with these _____ analytics?

Is _____ _____ to _____ patterns _____ _____ with this aid?

_____ it _____ that _____ analytic functions _____ identify _____ issues?

Can _____ _____ chronic _____ by _____?

These analytic _____ _____ spot _____ _____ trends.

_____ _____ possible to _____ excessive tardiness by _____ _____ _____ features?

_____ _____ analysis _____ _____ the _____ of lateness?

_____ _____ _____ _____ scrutiny of _____ individual/team/departmental tardiness?

How _____ we _____ _____ _____ with the _____ of _____ factors?

Can the _____ _____ _____ _____ excessive lateness?

There _____ analytical _____ _____ _____ identify persistent _____ behavior.

_____ it possible to _____ _____ _____ to _____ excessive _____ delays?

Do the provided _____ _____ _____ _____ _____ lateness in our _____?

_____ these analysis tools _____ _____ _____?

_____ _____ _____ to use these analytics to _____ _____ cases where _____ _____ chronic _____?

_____ _____ analytic features _____ of identifying _____ _____?

Is _____ possible _____ detect extreme _____ _____ the _____ _____ analytical attributes?

Can we use these analytical _____ _____ _____ _____ _____ _____ employees?

_____ _____ tools allow _____ scrutiny of persistent _____ _____?

_____ features will help _____ _____ _____ tardiness.

Do these _____ make _____ simple to spot _____ _____ _____ _____?

_____ _____ use the _____ _____ to identify tardiness in _____?

_____ it possible _____ identify excessive _____ _____ with _____ _____ tools?

How _____ are _____ _____ _____ _____ uncover lateness among _____ groups, _____ departments?

_____ it possible _____ detect cases of extreme delay _____ _____ _____ _____ analytical _____?

_____ _____ analytic _____ _____ chronic tardiness _____ individuals?

Can _____ analytic _____ _____ _____ detecting excessive _____?

Are _____ patterns _____ tardiness _____ _____ by this _____?

Will _____ analytic _____ help us to _____ _____ _____ our _____?

Can we spot _____ _____ who show up _____ _____ using _____ _____ _____?

_____ this data allow _____ _____ see _____ _____?

Do analytical characteristics _____ _____ _____ to detect recurring _____ _____?

_____ there _____ way _____ quickly recognize cases _____ _____ _____ chronic delays?

Is _____ _____ that these fancy new _____ thingies _____ _____ _____ people _____ _____ late?

_____ _____ easily _____ extended delays _____ the _____?

How _____ are _____ analytic capabilities _____ _____ _____ among employees?

Can _____ _____ _____ _____ to locate persistent _____?

Is _____ _____ to easily _____ patterns _____ _____ tardiness within a _____?

_____ we _____ lazy _____ _____ show up _____ if we _____ _____ fancy analytic _____?

_____ _____ metrics _____ to _____ _____ repetitive lateness among staff?

_____ these _____ features good _____ spotting _____ _____?

Is _____ possible _____ easily identify _____ _____ _____ _____ teams, or departments.

_____ _____ _____ easily recognizable _____ analytic attributes?

Do _____ have the _____ _____ find _____ _____ delays?

_____ _____ traits could help in _____ _____.

_____ _____ possible _____ see _____ _____ tardiness easily with this _____?

Do _____ _____ help _____ _____ identify _____ tardiness?

_____ this _____ aid _____ quickly recognizing _____?

_____ _____ are the analytic capabilities _____ spotting trends _____ _____ _____ late?

Do _____ _____ tools _____ _____ _____ lateness behavior among people?

Can you tell me _____ these fancy _____ _____ will _____ _____ to _____ _____ _____ who _____ up late?

These analytical traits _____ _____ _____ _____ delays.

Is it possible _____ they _____ _____ for _____ identification _____ _____ _____ behavior?

_____ these features _____ _____ easy to _____ lateness in _____?

Can analytic _____ help _____ the recurring _____ of _____ _____?

Will _____ _____ _____ identify lateness _____ _____ workforce?

Is _____ possible to _____ these _____ to find _____ _____?

Do _____ tools enable quick scrutiny _____ _____ _____ and _____?

_____ _____ a way _____ _____ _____ individual/ team/departmental tardiness?

_____ analytical tools help _____ _____ lateness behavior _____ _____?

_____ _____ analytics help us _____ patterns _____ _____ in _____ workforce?

_____ _____ _____ allow quick _____ _____ persistently late _____ and teams?

_____ _____ rely on _____ analytical capabilities _____ detect _____ _____ arrivals?

_____ _____ features spot tardiness _____?

Can we rely _____ analytical _____ to detect _____ _____ _____ comes to _____ _____?

_____ the _____ _____ elements _____ track _____ latecomers?

Is _____ possible _____ detect _____ delays _____ the _____ _____ _____ analytical attributes.

The _____ features _____ help _____ _____ tardiness.

_____ you believe _____ _____ gather _____ _____ instances _____ being late efficiently?

_____ the inclusion _____ analytics help to _____ _____ examples of _____ _____ _____ members?

_____ the _____ _____ tools able to identify _____ occurrences of lateness _____ _____ _____?

pattern _____ _____ _____ _____ with this aid?

Can we _____ _____ of _____ _____ features to identify _____ _____?

_____ these _____ tools be _____ to uncover patterns _____ _____ more _____?

_____ it _____ to identify excessive _____ delays _____ _____ Analytics?

Can _____ _____ _____ find _____ _____ chronic tardiness?

Do _____ have the _____ _____ identify frequent tardiness _____ _____ _____?

Do _____ _____ help identify _____ among _____?

Does this tool _____ _____ the _____ _____ _____?

Is _____ _____ to find patterns of _____ _____ _____ tools?

_____ these analytic _____ _____ _____ make it clear _____ _____ teams _____ late?

Will _____ _____ help _____ figure out excessive _____ _____?

Can _____ _____ the analytic features to _____ _____ excessive tardiness _____ _____ _____?

_____ it possible to _____ people's lack of punctuality _____ _____ _____ _____ available _____?

_____ _____ lateness be detected with the help _____ _____ _____?

Will the _____ _____ expose _____ _____ lateness?

_____ we use these _____ _____ to identify _____ _____?

Is it possible _____ _____ identify _____ of excessive _____ in individuals, _____ _____ _____.

_____ _____ features _____ _____ out who is _____?

Do the _____ _____ _____ us _____ _____ lateness within _____ workforce?

Do _____ _____ of _____ _____ be noticed _____ this _____ aid?

_____ _____ _____ help _____ identify patterns _____ excessive tardiness.

Can _____ data enable _____ to _____ chronic _____ _____ departments?

_____ _____ _____ _____ detect recurring instances of excessive _____ _____ teams and _____?

How _____ are _____ _____ tools in _____ _____ patterns?

Do the _____ characteristics let _____ _____ recurring _____ _____?

_____ these _____ capable of spotting excessive _____ _____ _____?

_____ features _____ locate _____ tardiness?

_____ these analytical _____ _____ for recognizing _____?

Will _____ _____ allow for _____ identification _____ late _____?

Do these features _____ _____ ability _____ _____ _____ trends quickly?

_____ these analytic tools help us in _____ _____ _____ _____?

Is _____ _____ that we _____ identify _____ occurrences of lateness _____ _____ _____?

Is _____ tool _____ in _____ _____?

Is it possible to easily _____ _____ _____ within _____ _____?

_____ these _____ qualities _____ _____ delays effectively?

_____ _____ _____ these analytic features _____ identify _____ tardiness.

_____ the features _____ excessive _____?

_____ _____ _____ be used _____ easily detect extended delays _____ _____?

_____ we detect _____ lateness with _____ aid _____ _____ factors?

Do these features _____ _____ simple _____ spot repetitive _____ in _____ _____?

_____ _____ possible to _____ the _____ to _____ persistent delays?

_____ _____ easy to spot patterns _____ _____ _____ this aid?

Will these analytic _____ _____ _____ _____ _____ excessive tardiness _____ in teams?

Will the _____ _____ help _____ _____ in the _____?

Is it _____ to detect _____ cases _____ extreme _____ by _____ _____ _____ attributes?

_____ is the effectiveness _____ _____ analytic tools in helping _____ _____ _____ _____ lateness?

_____ these features able _____ _____ tardiness _____?

_____ _____ _____ to quickly recognize _____ where _____ have _____ delays?

_____ you think analytical _____ _____ insights _____ being _____?

Will _____ be _____ to reveal _____ _____ _____ late _____ this tool?

Is _____ possible _____ fancy analytic tools _____ let us _____ _____ people _____ show _____ _____?

Does this tool _____ _____ easier to spot _____ _____ _____?

_____ the tools _____ patterns _____ _____ _____ late?

_____ the _____ _____ help _____ monitoring _____ latecomers?

_____ it _____ to find _____ of delay _____ _____ _____ _____ analytical attributes?

_____ _____ _____ help identify extravagant _____ recurrent _____ _____ for all?

_____ _____ inclusion of _____ help identify other staff _____ _____ are _____?

_____ _____ _____ facet allow for easy identification _____ late _____?

Can features recognize _____ _____ _____ _____ _____ late?

_____ _____ _____ _____ tardiness trends fast?

Patterns _____ _____ _____ _____ be exposed _____ the analysis tools.

Can _____ analytic features _____ _____ _____ instances of excessive _____?

Will _____ _____ _____ us _____ _____ _____ bottom _____ why people are late?

_____ _____ _____ aid easily _____ patterns of _____?

_____ we able to quickly _____ cases _____ individuals _____ teams _____ _____ _____?

Is analytical _____ _____ _____ recognizing _____?

_____ these _____ _____ _____ who are late?

_____ _____ possible _____ _____ chronic delay _____ people/teams?

_____ the _____ of _____ _____ identify _____ examples of unwarranted lateness among _____ _____?

Is it _____ _____ spot _____ _____ delay _____ using analysis _____?

Is it possible to spot recurring _____ _____ _____ _____ _____ analysis _____?

Will these _____ _____ help _____ find _____ tardiness _____ _____ teams?

Will _____ analytic _____ allow us to _____ _____ excessive _____ _____ _____ teams?

Is it _____ _____ easily find _____ of _____ tardiness _____ _____ _____ or departments?

_____ included analytical _____ help _____ down _____ _____?

____ ____ possible that these ____ ____ ____ help uncover tardiness?

____ it ____ to easily ____ ____ ____ teams/departments using ____ attributes?

Do ____ analytic features ____ ____ identify ____ ____ excessive tardiness?

____ we able ____ quickly see ____ where people ____ ____ ____?

____ these ____ help ____ ____ excessive ____ trends?

Do features ____ ____ ____ to ____ ____ lateness?

Are ____ analytic ____ ____ ____ help detect recurring ____ of excessive ____?

____ ____ tools ____ quick ____ ____ persistent individual/team tardiness?

Does ____ ____ capabilities ____ chronic ____ ____ individuals?

____ it possible ____ ____ ____ analytic ____ ____ identify excessive tardiness in ____?

Are the analytic ____ able ____ ____ chronic tardiness ____ ____?

Can we use ____ capabilities ____ ____ excessive ____ ____?

____ the ____ ____ analytic ____ ____ to identify unwarranted ____ among ____ members ____ various sections?

____ the ____ help ____ ____ out how many people ____ ____?

____ ____ identify chronic ____ with the ____ of ____ factors?

____ ____ inclusion of analytic tools help ____ continued ____ ____ ____?

Do the provided analytic ____ help ____ to ____ persistent ____ ____ lateness ____ ____ ____?

Can ____ ____ help detect ____ instances ____ ____ tardiness in a ____?

____ we ____ detect ____ using these ____ ____?

____ it possible ____ ____ these analytics ____ ____ employee delays?

Are the ____ features ____ to ____ ____ ____ ____ those teams ____ late?

Is ____ possible ____ ____ ____ instances of delay based ____ ____ methods?

____ these tools ____ identify lateness among ____ ____ or ____?

____ ____ ____ capabilities identify chronic tardiness ____ individuals ____ groups?

Do ____ ____ elements help ____ ____ down ____?

Do these ____ ____ ____ tardiness trends ____?

____ the analytical characteristics good ____ ____ recurring ____ ____?

Can this ____ ____ instances ____ being ____?

____ ____ help of ____ ____ is it possible ____ detect ____ ____ of delay?

Do the provided ____ ____ us to ____ excessive ____ in ____ ____?

____ analytic features see ____ ____?

Does ____ tool ____ ____ patterns ____ ____ quickly?

____ these analytical tools ____ to ____ uncover employee/team/departmental ____ ____ ____?

Will these ____ ____ ____ ____ identification of ____ late behavior?

Do ____ tools allow ____ scrutiny ____ ____ ____ the team?

____ ____ inclusion of analytic data ____ identify ____ ____ ____ staff ____ from ____ sections?

____ ____ possible to ____ repeats of ____ using the ____?

Is ____ ____ ____ ____ persistent delays ____ this analysis?

Does the ____ ____ ____ excessivetardiness?

____ functions can identify ____ ____?

____ there a ____ ____ ____ if there are frequent lateness ____ ____ ____?

____ we ____ ____ data to ____ ____ frequent tardiness?

Are ____ ____ ____ elements helpful ____ ____ down latecomers?

____ ____ possible ____ ____ ____ late tendencies ____ using these features?

____ it possible ____ ____ excessive employee delays with ____ ____ ____?

Can the inclusion ____ analytics ____ ____ identify ____ ____ among staff ____ ____ various ____?

____ it possible to ____ recurring cases ____ using ____ ____?

Are analytic ____ able ____ ____ ____ tardiness ____ groups?

Is ____ ____ ____ to ____ identify patterns ____ excessive tardiness within a ____ ____ ____?

Using the included ____ methods, ____ it possible ____ ____ ____ ____ delay?

____ we _____ these factors to _____ occurrences ____ ____?

Is _____ _____ to _____ _____ patterns of ____ tardiness within _____ group?

Will the ____ ____ ____ ____ easy to detect recurring ____ ____?

____ ____ features help us _____ _____ tardiness in _____ group?

Can ____ _____ analytics ____ ____ ____ of tardiness?

____ these characteristics speed up ____ ____ ____ ____ delay behavior?

Do the provided _____ tools allow _____ to _____ ____ ____ ____?

Will this ____ _____ us find ____ who ____ ____ _____ among personnel/divisions/units?

Is it ____ ____ ____ recurring punctuality _____ by ____ ____ characteristics?

____ ____ possible these ____ ____ ____ in recognizing delays?

____ the analytic ____ be used to ____ ____ ____ ____ groups?

____ ____ ____ ____ help detect recurring instances ____ excessive tardiness?

Is ____ ____ to _____ _____ individual/team/departmental tardiness?

_____ you think it ____ _____ to ____ ____ ____ delay using analysis ____?

Do these analytic ____ ____ ____ identify ____ ____ in groups?

Is ____ pattern _____ tardiness ____ ____ ____ this analytic aid?

____ the analytic ____ ____ tardiness?

_____ it _____ to identify ____ tardiness ____ ____?

Can the analytic ____ ____ excessive ____ ____ ____ and individuals?

____ tardiness ____ ____ ____ noticed with _____ analytic aid.

Does these features spot ____ ____ ____ ____ ____?

____ the analysis ____ ____ ____ exposing ____ lateness?

Are ____ _____ capable ____ ____ ____ members who are _____ late?

Is ____ ____ ____ the ____ ____ to spot excessive tardiness?

____ analytical elements ____ _____ tracking down ____ ____?

____ ____ ____ ____ recurring lateness issues?

____ ____ ____ to ____ ____ analytics ____ quickly recognize cases of chronic ____?

____ useful are ____ analytic ____ ____ ____ comes ____ spotting trends of late ____?

Do analytical characteristics ____ ____ ____ to ____ recurring ____ issues?

Is it ____ ____ these ____ features ____ spot excessive ____ ____?

____ we easily identify ____ ____ ____ help of the ____ ____?

____ these _____ capabilities detect chronic ____ ____ ____?

Is _____ feasible to spot recurring instances ____ ____ ____ ____ ____ methods?

Is it ____ for ____ ____ ____ ____ ____ via analytic attributes?

Will ____ use of ____ _____ help _____ patterns of _____ more ____?

____ these _____ easy ____ ____ to spot repetitive ____?

____ ____ features _____ spot excessive ____.

____ these ____ ____ ____ spotting late tendencies?

Can ____ ____ ____ analytic _____ help identify ____ _____ among staff members?

How ____ ____ these ____ ____ ____ ____ recurring instances of ____ lateness ____ individuals, ____ or departments?

Are ____ analytic capabilities able ____ determine chronic ____ ____ ____?

Will the ____ ____ ____ possible to ____ ____ tardiness?

Do _____ features look ____ ____ ____?

Should ____ ____ able ____ identify ____ ____ of lateness ____ our workforce?

Do the provided ____ tools allow us _____ identify ____ ____ ____ ____?

____ it ____ ____ ____ identify chronic tardiness?

____ ____ ____ the analytic features to identify ____ ____ in ____?

Will _____ features help ____ _____ tardiness ____?

Can ____ ____ analytics ____ used to find _____ who ____ ____ off?

Is _____ possible _____ use these ____ ____ to _____ ____ employee delays?

Do analytical ____ ____ insights into ____ ____ being ____?

Is it ____ to detect recurring ____ issues ____ ____ ____ ____?

____ ____ possible to ____ frequent ____ of delay by ____ these ____?

Are ____ able ____ ____ these ____ features ____ identify ____ tardiness?

Does ____ metrics ____ ____ ____ lateness ____ staff?

Can ____ tools ____ when workers ____ ____?

____ the analytical ____ helpful ____ ____ frequent ____?

____ useful are the analytic ____ ____ ____ comes ____ spotting ____ ____ employees?

____ it possible to detect ____ of ____ delay by ____ ____ ____?

Is ____ ____ ____ detect ____ ____ of delays with the help ____ ____ attributes?

Can the analytic features help ____ ____ of ____ ____ ____ ____ and ____?

____ these features ____ ____ identify people who ____ ____?

Is ____ possible ____ ____ ____ cases when individuals/teams/departments show ____ ____?

____ it possible to easily ____ ____ tardiness ____ teams, ____ ____ departments?

____ ____ features spot ____ trends in ____ ____ individuals?

____ ____ features help identify ____ instances of ____ ____?

____ analytic tools ____ ____ ____ persistenttardiness?

____ the analytical ____ ____ ____ ____ uncover the ____ ____ tardiness more easily?

____ ____ ____ to find patterns ____ lateness with ____ help ____ analytics?

____ these analytics ____ ____ patterns ____ excessive tardiness ____ teams and ____?

____ ____ possible to ____ identify patterns of excessive ____ ____ ____ and ____?

____ ____ characteristics able to ____ ____ punctuality ____?

____ the analytic features ____ ____ ____ trends?

____ it ____ to ____ excessive employee ____ ____ using these ____ tools?

Can these analysis ____ show ____ pattern ____ ____ ____?

____ ____ ____ that ____ tendencies speed spotting of ____ delay ____?

____ ____ characteristics ____ spotting excessive ____ behavior?

Does ____ tool ____ to ____ patterns ____ tardiness ____?

How useful are ____ ____ ____ ____ see trends in ____?

____ ____ ____ ____ detect excessive tardiness?

Can ____ ____ chronic lateness ____ the aid ____ certain ____?

____ we use analytic ____ ____ ____ catch ____?

The ____ ____ ____ spot ____ ____ among teams.

____ analytical attributes able ____ gather ____ into regular ____ ____ ____ late?

____ the ____ of analytic ____ ____ in identifying ____ ____ among ____ members?

Would we ____ ____ to ____ ____ of tardiness ____ ____ help of ____?

____ ____ do ____ features spot ____ tardiness ____?

Can these ____ new data ____ ____ if ____ ____ chronically ____?

____ ____ possible that ____ analytical ____ will help in ____ ____?

____ ____ analysis aid in ____ ____ of extravagant waiting ____?

Do ____ features ____ ____ spot lateness ____ ____?

Are we able ____ ____ ____ ____ ____ individuals/teams/departments ____ chronic delays?

Do ____ ____ ____ elements help track ____ ____?

Do you think analytical ____ ____ ____ ____ ____ of ____ late?

Can ____ ____ ____ ____ to recognize team members ____ are habitually ____?

Is it possible to ____ ____ ____ delays ____ ____ using these ____?

____ useful ____ the analytic ____ in ____ ____ of tardiness among ____?

____ features help ____ spotting ____ ____?

____ we ____ this ____ ____ see ____ delays?

____ included ____ elements ____ track ____ frequent ____.

How _____ _____ the _____ capabilities when it _____ _____ _____ frequent _____ of late _____?

Can we spot lazy people _____ _____ _____ late by _____ _____ _____ analytic _____?

Do _____ tools _____ _____ identify _____ among teams _____ individuals?

Will these _____ tools _____ identify _____ of _____ in _____ _____?

Could _____ _____ _____ _____ find patterns of _____?

Do these analytic _____ _____ identify _____ _____ in _____ group?

Is it _____ to find _____ of _____ using _____ _____?

Do _____ _____ help to _____ _____ lateness?

How effective are _____ analytic _____ _____ _____ uncover _____ instances _____ significant _____?

_____ _____ analytic features _____ excessive _____.

_____ _____ are _____ analytic capabilities when spotting _____ _____ _____ delays?

_____ they _____ patterns _____ lateness?

Is it _____ to _____ _____ of extreme _____ _____ the help of _____ _____?

_____ this analysis _____ _____ in figuring _____ tardiness in _____?

_____ _____ possible to _____ _____ cases where _____ departments have _____ delays?

_____ the _____ detect _____ _____ tardiness?

Do analytic tools allow _____ _____ _____ _____ _____?

Can the _____ _____ help _____ excessive _____?

Can the inclusion of analytic _____ _____ identify _____ lateness _____ staff _____ _____ _____ _____?

Can _____ _____ _____ _____ to track chronic delay?

Will _____ analytic tools _____ _____ identify _____ _____ in our _____?

Does _____ _____ help _____ _____ tardiness _____ quickly?

_____ it _____ to detect _____ delays using _____ _____?

Is it _____ _____ use the _____ _____ quickly _____ cases where _____ are displaying _____ _____?

_____ analytical characteristics _____ _____ easy detection of recurring _____ _____.

_____ these analytic _____ capable _____ spotting _____ _____?

Do _____ _____ _____ spot excessive _____ behavior?

_____ it _____ _____ _____ _____ tardiness within individuals/teams/ departments?

_____ _____ _____ _____ _____ members who are consistently late?

_____ the analytic features _____ _____?

_____ _____ _____ tools _____ to find out who's slacking _____ so _____?

_____ the features make _____ _____ to _____ _____ in a _____?

Is _____ _____ _____ _____ detect latecomers _____ these analytics?

Will _____ _____ spot _____ tendencies?

Will these analytic _____ _____ _____ _____ excessive _____ trends among _____ members?

Can the _____ _____ uncover recurring _____ _____ lateness among _____ _____ or _____?

_____ _____ _____ _____ attributes can help detect _____ of _____ late efficiently?

_____ it possible _____ identify repeat _____ _____ from _____ analytic _____?

_____ we have the ability _____ _____ recognize cases where _____ departments _____ _____ _____?

Is it easy _____ _____ _____ delays via _____ _____?

Can _____ _____ _____ _____ to identify _____ _____ recurrent waiting times?

Is it _____ to track _____ _____ _____ _____?

_____ _____ analysis help locate _____ _____?

Is _____ delays _____ identifiable _____ _____ attributes?

Is _____ possible to quickly _____ cases _____ _____ _____ chronic _____?

_____ _____ will _____ spot _____ tendencies.

Is _____ tardiness _____ by _____ _____ capabilities?

_____ _____ possible _____ _____ tools can spot workers _____ are _____?

Do these _____ _____ _____ to _____ delays?

_____ tardiness identified _____ the use _____ _____ analytic _____?

Do analytic tools allow ____ ____ on ____ individuals ____ ____?

____ ____ ____ elements assist ____ tracking ____ frequent latecomers.

Can ____ easily detect latecomers ____ ____ ____?

____ ____ able ____ use these analytics ____ ____ ____ recognize cases of ____ delays?

Is the ____ ____ elements helpful ____ finding ____ ____?

____ ____ analytics help us track ____ ____?

Will it be ____ ____ ____ chronic ____ ____ departments?

____ useful are the ____ capabilities ____ spotting trends ____ tardiness ____ ____.

____ ____ ____ analytic ____ to identify excessive ____ within ____ group?

There are ____ ____ that can be used ____ ____ ____ ____.

____ ____ use ____ software to ____ ____ tardiness?

Is ____ ____ to easily ____ excessive ____ within groups ____ ____?

Do ____ ____ assist ____ track down ____ ____?

Does ____ tool ____ in ____ ____ ____ work?

____ it possible ____ these ____ traits could ____ ____ recognizing ____?

____ ____ ____ enable us to identify chronic tardiness ____ ____?

____ it possible ____ ____ ____ excessive tardiness ____ among ____ teams and ____?

____ we able ____ ____ these ____ capabilities to detect ____ ____ amongst ____?

Will these ____ tools help ____ figure out ____ ____ ____ ____ team ____?

Will the use of ____ ____ ____ ____ uncover employee/team/departmental ____ more ____?

Is the analytic aid ____ ____ ____ ____ ____ tardiness?

Do ____ analytic ____ ____ ____ tardiness in ____?

____ it ____ ____ detect recurring ____ with the ____ of ____ factors?

Is ____ ____ able to ____ insights into instances ____ ____ ____?

____ ____ will help ____ ____ tardiness.

____ we ____ ____ ____ with the help of ____ tools?

Can these analytic ____ help ____ ____ ____ excessive ____?

____ ____ features ____ ____ excessive tardiness?

Are these ____ able ____ ____ ____ ____ among staff?

Is there a ____ ____ find patterns ____ tardiness ____ the ____ ____ ____?

Can ____ ____ ____ if these ____ analytics ____ help ____ find lazy ____ ____ ____ up late?

____ analytic features help to ____ ____ ____ ____ tardiness?

____ it ____ ____ detect recurring ____ of chronic ____ with the ____ of ____ ____?

____ analytical elements ____ help ____ ____ latecomers.

____ ____ tools help ____ ____ instances of significant ____ among individuals, ____ ____ departments.

____ ____ possible ____ identify ____ tardiness ____ various aspects?

____ ____ features help ____ ____ ____ in teams?

Is ____ possible ____ use the analytics ____ ____ ____ ____ delays?

Is it ____ ____ ____ cases of ____ delay ____ ____ help ____ these attributes?

____ these ____ tools help identify ____ ____ ____ workforce?

____ it ____ to identify team ____ who ____ ____ late?

The ____ ____ methods ____ ____ able ____ ____ recurring instances delay.

The ____ ____ ____ expose excessive ____.

____ this ____ enable us ____ identify chronic ____ in ____?

Can ____ features help ____ excessive ____ in ____ ____?

____ it possible to identify ____ of excessive ____ ____ individuals, ____ ____ ____?

Can we ____ these analytic features ____ ____ ____ ____ in ____?

Will ____ help us ____ ____ in ____ ____?

How useful are ____ ____ ____ ____ ____ frequent trends of tardiness ____ ____.

____ it ____ ____ spot ____ lateness ____ these features?

_____ useful _____ the analytic _____ _____ spotting trends _____ late _____?

Can _____ _____ features _____ excessive tardiness _____?

_____ _____ analytic _____ _____ _____ instances of excessive tardiness?

_____ _____ _____ help us _____ out why personnel/divisions _____ late?

Will features _____ _____ determine _____ _____ effectively?

Can _____ depend on _____ _____ capabilities to _____ _____ _____ terms of _____ _____ arrivals?

Can they _____ _____ of _____ _____ late?

_____ _____ _____ _____ expose patterns of excessive _____?

_____ _____ _____ see patterns of excessive _____?

_____ we _____ _____ to find _____ _____ delays?

_____ we track _____ _____ _____ people and _____?

Will _____ analytic _____ _____ _____ figure out excessive _____ trends in _____ and _____?

_____ _____ features spot tardiness trends _____ _____?

_____ _____ _____ features able _____ identify excessive _____?

_____ it _____ to detect recurring punctuality _____ using _____ _____?

_____ these analytic aspects _____ _____ to identify repeat _____ _____?

Can _____ _____ features _____ tardiness _____ among _____?

Can _____ help _____ _____ _____ be _____ to _____ frequent cases of extreme _____?

The _____ _____ _____ assist in tracking down _____ _____.

The _____ will _____ _____ _____ tardiness.

_____ we able to _____ the analytical capabilities _____ _____ anomalies _____ terms of _____ _____ _____?

_____ _____ able to _____ _____ tardiness across different _____?

Can _____ _____ identify _____ lateness _____?

_____ analytical _____ help in _____ persistent _____?

Can you tell me _____ these _____ _____ tools _____ _____ to spot _____ _____ who always _____ _____ late?

_____ useful are _____ _____ capabilities in _____ frequent _____ of _____?

Will using these _____ help _____ _____ _____?

Is _____ _____ _____ spot recurring instances _____ _____ with the _____ _____ methods?

_____ we have the ability _____ quickly _____ _____ _____ _____ departments _____ chronic delays?

Can _____ _____ features _____ _____ tardiness?

Is it _____ _____ these analytical _____ _____ in _____ delays _____?

How effective _____ these analytic tools _____ _____ _____ instances of _____ among _____ groups, _____ _____?

_____ _____ analytic features _____ tardiness?

There are _____ characteristics that _____ easy _____ _____ recurring _____ _____.

_____ _____ _____ allow for _____ scrutiny _____ teamtardiness?

_____ are analytical _____ that can _____ _____ _____ cases of _____.

_____ analytic features _____ be _____ to spot _____ tardiness _____.

_____ _____ _____ _____ analysis to _____ out when delays are _____?
