[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Product features and specifications inquiries
Inquiry Sub-Category	Security and biometric features
Description	Customers inquire about the security features present on their smartphone, including fingerprint sensors, facial recognition systems, iris scanners, or additional privacy options like secure folders or app lock.
Data Size	5,104 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Do ____ provide regular ____ ____ that ____ ____ ____ features over time?

____ there a chance ____ can ____ the software often to ____ ____ better ____ ____ ____ of ____ identity?

____ your enhanced ____ ____ ____ revisions to ____ the integrity of ____ bbiometrics ____?

Will ____ updates give ____ ____ ____?

____ you ____ updates ____ order ____ beef ____ biometry security on ____ ____ basis?

Will the ____ ____ ____ through ____ software ____?

Will ____ ____ ____ software ____ to boost ____?

____ your updates give ____ ____ with ____ ____?

Is ____ ____ that you provide ____ versions to ____ ____ ____ protection?

Will you consistently ____ ____ biosecurity ____ ____ software ____?

____ you update the software on a ____ ____ ____ ____ ____?

Will ____ always ____ the ____ ____ through software ____?

____ you ____ ____ ____ improve the biosecurity aspect in ____ ____?

____ you ____ ____ that make the ____ ____ ____ secured over time?

____ you ____ to continually ____ the ____ ____ by keeping software ____?

Are you ____ ____ ____ improve the ____ aspect ____ ____ updating the ____?

____ ____ like to know ____ ____ are frequent ____ upgrades aimed ____ ____ fingerprints.

Do ____ provided enhancements include ____ ____ to ____ ____ system?

____ you confirm if there ____ ____ updates ____ ____ biometrics ____?

____ ____ ____ there ____ regular software ____ to increase the ____ ____ Biometrics?

____ ____ your plan ____ constantly ____ ____ ____ to ____ the biosecurity aspect?

Do ____ ____ ____ you with better ____?

____ you ____ ____ share updates ____ software that ____ help ____ ____ ____ more ____ to crime?

Are you ____ to ____ improve the ____ ____ ____ software ____?

____ ____ plan to ____ adding software to make ____ ____ ____?

Do your ____ ____ recurring ____ which ____ advance ____ ____ system?

____ you want ____ continually ____ ____ ____ aspect ____ keeping ____ software updated?

____ ____ make ____ that ____ ____ ____ Biometrics even more secure?

Do you _____ to _____ improve the _____ aspect _____ regularly _____ _____?

Does _____ _____ _____ recurring _____ _____ will advance the bbiometrics _____?

_____ _____ _____ to _____ _____ improvements _____ the Biometrics through new software.

_____ your updates _____ you _____ biometrics _____ _____?

I want _____ know _____ _____ _____ _____ continued _____ for Biometric Security.

Regular _____ _____ improving bio _____?

_____ you plan _____ constantly _____ the _____ _____ in _____ software?

Is _____ possible _____ _____ improve the biosecurity _____ through _____ software _____?

_____ you _____ provide _____ _____ protection with _____ versions?

_____ _____ _____ way to deliver _____ improvements _____ _____ biometrics through _____ software?

_____ your _____ include _____ revisions _____ help _____ the bbiometrics _____?

_____ _____ always _____ the biosecurity by _____ software _____?

_____ would like _____ _____ if _____ will get _____ _____ for improved _____.

_____ your enhanced service _____ _____ revisions _____ _____ _____ integrity of our _____ system?

_____ there are regular _____ _____ the _____ _____ could you _____ us?

Is the _____ _____ our bbiometrics _____ _____ _____ the recurring _____ you _____?

Is there a _____ _____ you can _____ the software frequently to make _____ _____ _____ _____ security _____ _____ _____?

_____ _____ plan on _____ adding to _____ _____ so that _____ _____ _____ security quicker?

Are _____ providing _____ versions to _____ _____ biometry _____?

Will regular software revisions _____ _____ _____ _____?

Regular _____ updates helping _____ _____?

_____ you want _____ _____ aspect _____ _____ improved by periodically _____ software?

_____ you _____ _____ constantly improve the biosecurity _____ with _____ _____?

Do _____ enhancements _____ recurring _____ _____ _____ advance bbiometrics?

_____ you plan on _____ _____ the _____ in order _____ _____ _____ biosecurity aspect?

_____ it possible _____ give recurring _____ _____ the _____ _____ new software?

_____ _____ _____ _____ software updates to improve _____ biosecurity?

Do you intend to _____ more _____ _____ make my _____ _____ _____?

Will recurring _____ improve _____ biometrics _____ _____?

_____ _____ be regular software updates _____ _____ our _____ functions?

_____ there a plan _____ _____ enhance the biosecurity aspect _____ _____ _____ _____ software?

_____ there any chance _____ _____ _____ _____ _____ _____ and _____ it _____ to protect one's identity?

Do you plan on _____ _____ _____ security _____ _____ _____ adding _____ software?

_____ _____ to _____ if _____ _____ regular _____ enhancements _____ to biometric security.

_____ you _____ to _____ more _____ _____ that mybiometrics _____ is better?

_____ _____ plan _____ _____ adding _____ your _____ so it makes _____ mybiographical security _____?

_____ _____ want _____ keep adding your software to _____ _____ security _____?

Do you _____ that _____ _____ updates _____ intended to _____ _____ _____ of Biometrics?

Do you _____ to _____ _____ software _____ that _____ security will _____ _____?

_____ there recurring revisions with the provided _____ _____ _____ _____ _____?

Do your _____ _____ recurring _____ to advance _____ _____ system?

Do _____ want _____ _____ your _____ _____ to improve the _____ aspect?

Do you desire to _____ improve _____ biosecurity _____ with _____ _____ _____?

_____ there software _____ aimed at _____ _____ _____ of Biometrics?

_____ you regularly update the software _____ order _____ _____ _____ _____ aspect?

Do _____ _____ _____ recurring revisions which will _____ _____ _____ system?

_____ you think _____ are frequent _____ _____ _____ increase _____ strength of _____?

Do _____ _____ _____ continually upgrade _____ biosecurity _____ of your _____?

_____ _____ improvements to _____ _____ be _____ through new software?

_____ you constantly _____ _____ _____ aspect through software _____?

____ ____ want to ____ ____ ____ software in ____ to improve the ____ aspect?

____ there a way ____ deliver ____ ____ ____ biometrics through ____?

Are you ____ ____ continually improve ____ ____ aspect ____ periodically ____ software?

Are you ____ ____ ____ security?

Do you ____ ____ ____ ____ biosecurity aspect ____ regularly Updating ____?

____ you going ____ share updates ____ software that ____ ____ your ____ and your ____ ____?

____ there ____ regular software updates that ____ improve ____ ____?

____ ____ updates ____ to better ____ with ____?

____ ____ upgrade ____ ____ frequently to ____ ____ with your fingerprints?

____ ____ want ____ biosecurity aspect to be ____ by maintaining ____ ____?

Is ____ provided enhancements ____ ____ ____ ____ ____ of recurring revisions?

Is ____ ____ ____ you can upgrade ____ ____ frequently ____ improve the security ____ your ____?

____ ____ ____ changes ____ make Biometrics even more ____?

____ you plan to constantly ____ ____ biosecurity ____ ____ software ____?

Do ____ ____ to ____ improve the ____ ____ with periodically updating ____?

Do ____ make ____ that ____ make Biometrics ____ ____ secure?

____ your ____ contain ____ revisions ____ advance the bbiometrics ____?

____ could be ____ to deliver recurring improvements ____ ____ ____ using ____ ____.

____ you going to ____ more ____ ____ ____ ____ security even better?

____ ____ planning ____ constantly updating the ____ ____ ____ the biosecurity aspect?

Will ____ give updates for ____ software ____ order ____ ____ biometry ____?

____ it ____ for ____ ____ receive updates ____ ____ software ____ ____ continual basis to improve the security ____ ____?

____ ____ updates ____ you ____ biometrics?

____ ____ make changes to ____ ____ ____ time to ____ ____ more secure?

Is ____ a way ____ ____ recurring improvements ____ the ____ through ____ ____?

____ ____ continually improve ____ biosecurity ____ ____ regular software updates?

____ you ____ to continually ____ ____ biosecurity aspect ____ ____ updating ____ software?

Will you update ____ ____ regularly in order ____ improve ____ ____ ____?

Will you constantly ____ your ____ to ____ ____ biosecurity ____?

Is ____ ____ ____ offer to increasebiographical ____ ____ time?

____ you ____ updates ____ the ____ ____ ____ to improve biometry security?

____ ____ plan ____ continuously enhancing ____ biosecurity aspect ____ ____ updates.

Can you confirm ____ there ____ regular ____ ____ ____ ____ system?

Do ____ ____ ____ ____ ____ software updates ____ increase the strength of ____?

Are ____ going to share ____ for software ____ will help ____ ____ fingerprints ____ ____ ____?

Are you going to give ____ ____ ____ ____ ____ ____ up ____ security?

____ you give updates for ____ ____ ____ ____ ____ increase biometry security?

____ ____ a chance ____ ____ upgrade the ____ frequently ____ make it ____ for ____ security?

____ there be ____ software updates to ____ ____ biosecurity ____?

____ it possible for me to ____ ____ to ____ software ____ ____ continual basis that ____ the ____ ____ ____?

____ ____ software possible to ____ ____ ____ to the biometrics?

____ regular ____ updates ____ ____ bio security?!

Can ____ ____ ____ ____ bio security capabilities?

____ you interested in ____ improving ____ ____ ____ ____ periodically updating ____ software?

____ ____ ____ chance that ____ ____ upgrade the software frequently ____ ____ ____ with your fingerprints?

____ you ____ ____ software updates are designed ____ ____ ____ strength of ____?

Do ____ make ____ to make ____ ____ even more ____ over ____?

Do ____ consistently offer ____ ____ that support ____ ____ protection?

Do you ____ to keep ____ ____ ____ to ____ mybiometrics ____ better?

____ recurring revisions included ____ ____ enhancements which ____ ____ the bbiometrics ____?

Is there _____ regular _____ _____ that improves _____ _____?

_____ _____ intend to _____ improve the _____ aspect _____ software _____?

_____ you _____ to continually improve _____ _____ aspect with _____ _____?

_____ you believe _____ is _____ software updates meant _____ increase _____ _____ _____ Biometrics?

Will _____ update your _____ _____ to _____ the biosecurity _____?

Is it possible to _____ recurring _____ _____ _____ _____ _____ software?

Is _____ _____ ongoing _____ in biometric security _____ _____ updates?

Do you _____ there are _____ _____ _____ that _____ _____ strength of _____?

Do you add _____ _____ to _____ the _____ _____ _____ bbiometrics system?

_____ you want _____ _____ improve _____ biosecurity aspect _____ constantly updated _____?

_____ _____ offer _____ to _____ _____ that make it better at detecting _____ protecting against _____ _____ facial _____?

_____ you update _____ software _____ _____ regular _____ to _____ up _____ security?

Regular software updates _____ _____ _____ _____?

Do _____ _____ _____ continually improve _____ biosecurity _____ through updates _____ the _____?

_____ _____ going _____ _____ improve the biosecurity aspect _____ the _____?

Does your enhanced service include recurring _____ _____ _____ _____ integrity _____ _____ bbiometrics _____?

Do _____ _____ changes that _____ make _____ _____ _____ over time?

_____ the _____ _____ the bbiometrics system _____ by the _____ _____ that you _____?

_____ _____ _____ to _____ improve _____ _____ aspect by _____ updating the software?

Do you _____ to _____ _____ biosecurity aspect by _____ _____ your _____?

_____ recurring _____ included with _____ _____ _____ the bbiometrics system?

_____ _____ updates _____ you better _____?

_____ _____ any chance you _____ _____ _____ software _____ _____ improve security with _____ fingerprints?

_____ it _____ you can _____ updates _____ increasebiographical security _____ _____?

_____ there any recurring _____ to advance _____ _____ _____ _____ bbiometrics system?

_____ your _____ increase your _____ with _____?

Is it a _____ _____ the enhancements _____ recurring revisions _____ make the _____ _____ _____ _____?

_____ _____ updates give _____ _____ _____ with more time?

Update the _____ _____ _____ _____ beef up _____ security _____ a _____ basis?

Do you _____ on _____ _____ _____ biosecurity aspect through _____?

_____ you provide updates _____ the _____ in _____ to keep _____ _____ _____ _____ date?

_____ you make _____ _____ increase _____ _____ of the Biometric?

Are _____ interested _____ _____ improving the biosecurity _____ _____ periodically _____ _____ software?

_____ updates _____ _____ bio security?

_____ you want _____ _____ software frequently _____ improve _____ biosecurity _____?

_____ _____ possible _____ you _____ _____ that increasebiographicalsecurity?

_____ _____ possible _____ get regular software _____ to bolster _____ _____ capabilities?

Do we _____ regular software updates _____ advance _____ _____ _____?

Do you _____ changes _____ _____ make _____ Biometrics _____ _____ over time?

Do _____ _____ _____ _____ versions with better _____ protection?

_____ it _____ to make _____ _____ to _____ _____ using newer software?

_____ you plan _____ add more _____ so _____ _____ security _____ _____ better?

Do you believe _____ software _____ are _____ increase _____ strength _____ _____?

_____ you plan _____ keep _____ _____ your _____ to _____ mybiographical security _____ better _____?

Do you _____ _____ _____ improve the aspect of _____ _____ _____ _____ software?

_____ you _____ _____ keep _____ to your _____ _____ that it improves _____ security?

Do _____ plan to add more software _____ that _____ _____ _____ _____?

_____ you _____ _____ recurring revisions _____ _____ the _____ of _____ bbiometrics system?

_____ _____ _____ a chance to _____ _____ _____ frequently _____ _____ the security with your fingerprints?

Does _____ service have _____ revisions _____ _____ the _____ of _____ bbiometrics _____?

Is ____ ____ for you ____ continually ____ the biosecurity ____ ____ software ____?

____ I able ____ get ____ to ____ software ____ improved ____?

Do ____ enhancements ____ ____ revisions ____ ____ the bbiometrics system?

Do ____ ____ your software ____ ____ ____ the security features ____ time?

____ there a chance ____ ____ enhancements ____ recurring ____ to make ____ bbiometrics system ____ ____?

____ it possible ____ ____ ____ ____ ____ to the software on a ____ basis ____ ____ ____ improve ____ security of fingerprints?

Do you ____ to ____ improve the ____ ____ ____ ____ software updates?

____ ____ ____ ____ constantly increase the ____ aspect through software ____?

____ you ____ to ____ improve ____ ____ aspect of the ____?

____ ____ enhancements include ____ revisions ____ advance the ____ system?

____ ____ ____ could help ____ bio security ____.

____ you make updates ____ ____ software to increase ____ ____?

Do ____ ____ bring you better ____ ____ ____ time?

____ ____ make ____ ____ increase the strength ____ the ____ security?

Is it possible ____ ____ ____ over ____?

____ I ____ ____ ____ be updated ____ ____ order ____ improve the accuracy ____ ____ biosecurity features?

Do you ____ ____ constantly enhance ____ ____ ____ ____ software updates?

Do you want ____ ____ improve ____ biosecurity ____ ____ periodically updating ____?

Is ____ ____ ____ provide ____ improvements ____ the biometrics ____ updated software?

Do you want ____ ____ ____ ____ aspect with ____ software ____?

Is ____ a ____ ____ could upgrade the software frequently ____ ____ the security ____ ____ ____?

Do ____ think ____ ____ ____ updates aimed at increasing the ____ ____ ____?

____ you ____ upgrade ____ your ____ ____ make it ____ at ____ and protecting against fingerprints ____ facial ____?

Is there ____ ____ revision included with the ____ ____ ____ bbiometrics ____?

____ you ____ to continually improve ____ biosecurity ____ with the ____ ____ the ____?

____ ____ ____ ____ support better biometry protection?

Do you ____ on constantly ____ the ____ ____ ____ ____ software?

Do ____ want ____ ____ ____ the biosecurity aspect ____ ____ updates?

Do you want ____ keep ____ to ____ software so ____ ____ makes ____ ____ ____?

Is ____ a ____ that you can ____ the ____ ____ ____ order to improve ____ security with ____ ____?

____ ____ ____ to ____ Biometrics be delivered ____ updated software?

Are ____ going ____ continually improve the ____ ____ ____ regularly ____ software?

Will ____ ____ to improve the ____ aspect ____ regular ____ ____.

Do ____ ____ to ____ to ____ software so ____ ____ makes the ____ security ____?

____ ____ ____ security system ____ better ____ recurring updates?

Is ____ ____ to ____ ____ improvements ____ Biometrics through new ____?

____ ____ offer ____ to your ____ ____ make it ____ at detecting ____ protecting ____ fingerprints and facial ____?

____ enhanced ____ include recurring revisions ____ ____ ____ ____ of ____ bbiometrics system?

____ ____ possible to ____ recurring improvements ____ Biometrics ____ newer ____?

Is ____ possible ____ ____ ____ offer ____ ____ increasebiographical security over time?

Are ____ going to ____ ____ ____ ____ make mybiographical ____ better?

Can you possibly upgrade the ____ ____ ____ ____ the security ____ ____ ____?

____ you make ____ that ____ ____ security ____?

Is it true ____ ____ will ____ ____ biosecurity through ____ ____ updates?

____ ____ ____ updates ____ the Biometrics ____ system?

Is it ____ ____ offer ____ that ____ ____ over time?

Is regular ____ updates ____ ____ increasing ____ strength of ____?

____ you ____ up the biosecurity with ____ ____ ____?

____ ____ ____ ____ ____ adding to your software ____ ____ mybiographical security faster?

Is it possible that ____ ____ ____ ____ revisions which ____ our ____ ____?

Are ____ ____ ____ continually ____ ____ ____ aspect by updating your software?

____ ____ continuously improve the biosecurity aspect ____ ____ ____?

____ ____ ____ of our ____ system improved by ____ ____ in ____ provided enhancements?

____ you want ____ continue ____ ____ the ____ aspect ____ ____ software updates?

Will the ____ include ____ revisions to make ____ ____ ____ more ____?

____ you going to ____ ____ ____ ____ that can help make ____ fingerprints ____?

____ you ____ to ____ your software to continually ____ the ____ ____?

____ ____ ____ ____ constantly enhance ____ biosecurity aspect ____ software updates?

Do you ____ to ____ adding to your ____ ____ ____ ____ security is ____?

Is ____ ____ ____ our bbiometrics system ____ by ____ ____ ____ provided with your ____?

Do you ____ ____ continually improve ____ biosecurity aspect ____ ____ updating ____ ____?

Does ____ enhanced service ____ ____ ____ ____ improve ____ ____ of the bbiometrics system?

Do you ____ ____ continually improve ____ biosecurity ____ by ____ ____ software?

Is it possible ____ enhancements ____ ____ ____ that make the ____ system ____ ____?

____ ____ plan to ____ ____ ____ software to make the ____ ____ better?

____ ____ ____ to add ____ ____ to the Biometrics ____ updated software?

____ you update your ____ ____ to improve the ____ ____?

____ ____ ____ ____ give updates that increasebiographicalsecurity over ____?

____ it possible ____ ____ recurring improvements ____ ____ ____ using updated software? ____

Do you ____ ____ keep ____ the biosecurity ____ ____ periodically updating ____?

____ ____ make changes over ____ ____ make the Biometrics even ____ ____?

____ you ____ to ____ ____ the ____ aspect ____ maintaining software?

____ ____ ____ to continually improve ____ ____ aspect by periodically updating ____?

Do you plan to ____ ____ ____ software ____ order ____ ____ ____ security better?

Is there ____ ____ feature upgrade ____ ____ biometric ____?

Is ____ Biometrics security ____ ____ recurring ____?

Will ____ consistently upgrade your ____ to ____ ____ ____?

Do ____ ____ to continuously ____ the biosecurity ____ ____ regularly updating ____ ____?

____ you plan ____ update your software ____ ____ enhance the ____ ____?

____ you ____ ____ add ____ software ____ make ____ mybiometrics security improve?

Do you make ____ ____ strengthen ____ security ____ ____?

____ wonder if your ____ include recurring ____ ____ ____ advance the ____ ____?

Do ____ ____ on continually updating ____ ____ ____ order to ____ the ____ aspect?

Will the ____ ____ ____ ____ ____ to improve biometry security?

Do ____ ____ upgrades to ____ ____ to make it ____ ____ ____ and ____ features?

____ you ____ to ____ improve ____ ____ ____ through updates to the ____?

Do ____ ____ to constantly ____ ____ ____ ____ of the software?

____ ____ ____ ____ versions to support biometry ____?

Do you want ____ ____ ____ ____ aspect of ____ with your ____?

____ it ____ that I get ____ ____ the ____ ____ improved Biometrics?

____ you ____ ____ for the software ____ ensure biometry security on ____ ____ ____?

Is it possible ____ ____ ____ ____ upgraded ____ supporting better biometry ____?

Is there regular ____ updates ____ ____ ____ increase ____ ____ of Biometrics?

Do ____ plan ____ ____ ____ software to ____ up with the ____ ____?

____ ____ ____ ____ know ____ I ____ get ____ updates for improved Biometrics.

____ you plan ____ ____ ____ ____ every now ____ ____ to improve ____ biosecurity aspect?

____ you think there are software ____ that ____ ____ ____ the ____ of ____?

Do ____ ____ to ____ ____ mybiographical security to ____ software?

____ ____ ____ on constantly increasing ____ ____ ____ through software updates?

____ there ____ software ____ ____ bio security?

_____ it possible that _____ _____ include recurring revisions _____ _____ the _____ _____ more _____?

Do you _____ _____ constantly enhance _____ biosecurity _____ in _____ _____?

_____ you plan to _____ to _____ _____ _____ make my _____ _____ better?

Do _____ include _____ revisions _____ _____ enhancements which _____ advance the _____ _____?

_____ you _____ recurring _____ in your enhancements to _____ _____ bbiometrics _____?

_____ there any _____ _____ _____ upgrade the _____ frequently _____ _____ _____ security with your fingerprints?

_____ you _____ _____ _____ more features to your software to _____ _____ security _____?

Through _____ software updates, will _____ _____ improve _____ biosecurity _____?

Can _____ get updates to the software _____ a _____ basis _____ enhance _____ _____ _____ _____?

Are you _____ _____ _____ _____ _____ software that will _____ make _____ fingerprints _____ life safe?

Do _____ _____ to constantly _____ your _____ _____ aspect?

_____ you _____ _____ adding to _____ _____ in _____ to make the _____ security _____?

Do _____ make _____ that _____ the Biometrics _____ over _____?

Is _____ _____ _____ _____ improve _____ _____ aspect through software updates?

_____ _____ make _____ that _____ _____ stronger over time?

_____ you plan _____ _____ enhancing _____ _____ _____ through _____ updates to the software?

_____ _____ _____ updates improved _____ security capabilities?

_____ _____ possible to _____ recurring improvements to _____ _____ using updated _____?

Is _____ your _____ _____ constantly update the software to _____ _____ _____ _____?

Are you _____ to _____ the software _____ to make it _____ for _____ _____ _____ _____?

_____ you want _____ _____ the _____ aspect by continuously _____ _____?

_____ _____ want _____ continually improve the _____ aspect by _____ _____ software

_____ it _____ _____ you _____ on constantly enhancing _____ biosecurity _____ _____ software updates?

_____ _____ _____ changes that make _____ Biometrics security stronger _____ _____?

Is _____ possible to deliver _____ _____ tobiometrics _____ new _____?

_____ _____ _____ include recurring revisions to _____ the bbiometrics _____?

_____ you _____ _____ are _____ software _____ _____ to increase the strength _____ Biometrics?

_____ you _____ to _____ improve the _____ aspect by constantly _____ _____ _____?

_____ _____ recurring updates _____ _____ the biometrics _____ system?

_____ _____ _____ _____ updates that increasebiographical _____ over time.

Is _____ _____ that _____ _____ upgrade _____ software frequently _____ make _____ better _____ _____ security of one's identity?

Do you believe _____ _____ regular _____ updates _____ are _____ to _____ _____ _____ of Biometrics?

Can regular software updates _____ _____ _____ _____ _____?

Are you interested _____ _____ _____ _____ aspect by periodically _____ _____?

Is _____ possible _____ deliver _____ enhancements _____ the _____ _____ new software?

Are you consistent _____ _____ _____ _____ that _____ better biometry _____?

Do _____ updates _____ _____ better _____ with _____ time.

Do your enhancements _____ _____ revisions which _____ advance _____ _____ _____?

Do _____ plan _____ adding _____ to _____ _____ security better?

Is _____ _____ system _____ _____ recurring updates?

_____ there _____ _____ _____ which _____ advance the bbiometrics system?

_____ _____ enhancements include recurring revisions to _____ the _____ system _____ _____?

Updating _____ _____ _____ bio security?

Do you _____ _____ upgrades _____ _____ it better _____ _____ and protecting _____ fingerprints _____ _____ features?

Is _____ recurring _____ which will _____ _____ _____ system?

Are you _____ to constantly _____ _____ biosecurity _____ through _____ _____ the _____.

_____ there regular _____ updates _____ _____ _____ at increasing the _____ of _____?

_____ _____ regular _____ _____ improving bio security?

Do you _____ offer _____ versions _____ support _____ _____?

You could _____ _____ updates _____ increasebiographicalsecurity _____ _____.

Do you _____ _____ _____ to your software _____ _____ _____ security?

_____ _____ updates help improve bio _____ _____?

_____ you _____ software updates that _____ it better _____ _____ _____ protecting _____ fingerprints _____ _____ features?

_____ you want _____ _____ improve the aspect _____ _____ _____ using _____ updated software?

_____ you _____ changes that strengthen _____ _____ _____?

Will you release _____ for _____ software _____ order _____ _____ _____ security?

Do you _____ to constantly _____ _____ biosecurity _____ through _____ _____?

_____ _____ possible _____ give _____ _____ increasebiographical security?

_____ _____ software _____ improving bio _____?

_____ it possible to _____ _____ _____ the _____ with updated _____?

Regular software updates _____ _____ _____?

_____ you _____ _____ confirmations if there _____ _____ _____ for the biometrics _____?

_____ _____ possible to deliver _____ improvements _____ the _____ using updated _____?

_____ you _____ to _____ the software frequently _____ improve its _____ with _____ _____?

Is _____ _____ to _____ _____ bbiometrics system more integrity-preserving _____ _____ _____ revisions?

_____ _____ any _____ _____ _____ improve the biometric security system?

Can _____ _____ be _____ to _____ _____ using updated software?

_____ _____ possible to get recurring _____ _____ _____ _____ using updated software?

Are _____ going to _____ software _____ that _____ _____ make your _____ _____?

Is _____ _____ _____ available _____ biometric safety?

Will you _____ increase _____ _____ aspect through _____ _____ updates?

Will _____ continue _____ _____ the _____ through software _____?

_____ _____ plan to _____ _____ the biosecurity aspect through _____?

Do _____ make changes _____ make _____ _____ _____ over time?

Do _____ want to _____ _____ _____ biosecurity aspect by _____ updating _____ _____?

_____ you interested _____ _____ improving _____ biosecurity aspect by _____ _____ updates?

Can your _____ _____ _____ recurring _____ _____ improve _____ integrity of our _____ system?

Is it possible that you will _____ _____ biosecurity _____ _____ _____ _____?

Are _____ _____ _____ updates _____ _____ increasing _____ strength of Biometrics?

Do _____ include _____ revisions _____ _____ _____ bbiometrics system?

Will _____ _____ _____ improvebio _____ capabilities?

Do you plan _____ _____ _____ _____ so that _____ _____ will improve?

Are _____ _____ _____ update _____ software _____ _____ the biosecurity aspect?

_____ _____ _____ to _____ improve the biosecurity aspect by _____ _____ software _____?

Is it _____ that you can _____ the software frequently _____ improve _____ _____ _____ _____ _____?

Are _____ _____ to _____ software _____ _____ can _____ your fingerprints safer?

_____ _____ _____ _____ constantly enhancing _____ biosecurity _____ _____ updates to the software?

_____ you give updates _____ the _____ _____ order to _____ _____ security?

Do _____ want to _____ improve _____ biosecurity _____ _____ _____ updated software?

_____ _____ _____ updates for the software _____ _____ _____ _____ up biometry security regularly?

_____ it _____ _____ deliver _____ _____ _____ the biometrics through new software.

_____ you _____ to _____ _____ improve the biosecurity _____ _____ updating your _____?

_____ you intend _____ add _____ your _____ to make mybiometrics _____ _____?

Is _____ possible _____ _____ offer _____ to increasebiographical _____?

Should your enhancements include _____ revisions _____ _____ the _____ _____?

_____ it _____ for me _____ _____ updates _____ the software on _____ _____ _____ that _____ the _____ of fingerprints?

Could I _____ updates to the _____ _____ _____ _____?

_____ there _____ regular software _____ _____ enhance _____ biosecurity aspect?

_____ _____ _____ help you _____ _____ with time?

Do you _____ to _____ _____ to your _____ _____ it makes _____ security _____?

Will _____ software _____ _____ the _____?

_____ you going _____ _____ updating the _____ _____ improve the _____ aspect?

Is it _____ to deliver recurring _____ _____ theBiometrics _____ _____ _____?

Do you _____ the _____ _____ _____ _____ up security?

_____ _____ recurring revisions _____ _____ the integrity _____ the _____ system?

Is _____ _____ chance _____ delivering recurring _____ _____ the _____ using _____ software?

Do _____ intend _____ constantly _____ the biosecurity _____ _____ software _____?

Is there any _____ you can _____ _____ _____ _____ to improve the _____ _____ _____ fingerprints?

_____ _____ _____ to continuously _____ the biosecurity aspect _____ your _____?

_____ your updates make _____ _____ _____ _____ time?

Can I _____ _____ to _____ _____ _____ _____ _____ basis that increases the security of _____?

Do _____ want to keep _____ the _____ _____ with _____ updated _____?

_____ _____ updates make your _____ _____?

_____ _____ plan on _____ _____ to _____ the mybiometrics _____ better?

Would _____ be _____ that _____ enhancements _____ recurring revisions to _____ _____ _____ _____ more integrity-preserving?

_____ you _____ _____ revisions in _____ _____ to advance _____ bbiometrics system?

_____ _____ _____ giving you better _____?

Do _____ want _____ continually _____ _____ biosecurity _____ by regularly _____ software?

_____ you use _____ revisions to _____ _____ bbiometrics _____?

_____ _____ recurring revisions _____ will _____ _____ bbiometrics system?

_____ _____ _____ improving _____ biometrics system?

_____ recurring improvements to the _____ _____ _____ with _____ software?

will regular _____ updates _____ _____ _____ _____ capabilities?

_____ _____ give _____ for the _____ _____ beef _____ biometry security on a _____ _____?

_____ regular software _____ _____ _____ bio _____ capabilities

_____ you give _____ for the _____ _____ _____ _____ maintain biometry security?

_____ _____ software _____ help _____ bio security?

Do you plan _____ _____ _____ _____ your software _____ _____ _____ mybiometrics security better?

_____ _____ consistently _____ upgraded versions _____ support _____ protection?

_____ you going _____ share updates for _____ _____ will _____ _____ _____ and your _____ safe?

_____ _____ _____ _____ _____ revisions to _____ the bbiometrics system more integritypreserving?

Do you want to _____ improve _____ _____ _____ _____ changing _____ software?

Are recurring _____ _____ _____ _____ provided _____ to the _____ system?

Do _____ _____ there are _____ software updates _____ to increase _____ _____ of _____?

_____ there _____ _____ that advance _____ integrity _____ the bbiometrics _____?

Will _____ _____ _____ _____ biosecurity through regular _____ updates?

Do _____ make _____ that make the _____ even _____ _____ _____ time?

Do you _____ to continually improve _____ _____ _____ by _____ _____ _____ software.

Is _____ possible _____ deliver recurring _____ to the _____ _____ _____ latest _____?

Do _____ believe that regular software updates _____ _____ _____ _____ _____ _____ of Biometrics?

_____ you plan to _____ more _____ so that _____ _____ make mybiometrics _____ _____?

_____ want _____ know if _____ _____ _____ _____ software _____ related to Biometrics.

_____ _____ plan _____ add more software _____ _____ _____ security improves?

_____ I _____ _____ to the software to _____ my _____?

_____ _____ want to _____ adding to _____ _____ in order _____ _____ _____ security better?

Do you give _____ _____ _____ with _____ _____?

_____ _____ any _____ updates for _____ Biometrics?

Do _____ _____ _____ keep _____ _____ your software so that mybiometrics _____ _____ improved?

Is _____ enhancements _____ _____ revisions _____ _____ advance our bbiometrics _____?

Do _____ _____ _____ _____ software _____ improve the biosecurity?

_____ you plan _____ _____ more software in _____ _____ make _____ security _____?

recurring _____ improving _____ _____ system

Do you _____ _____ is _____ software updates _____ _____ _____ the strength of _____?

Does _____ _____ _____ improve bio security _____?

Does _____ _____ service include monthly _____ _____ improve the _____ _____ _____ bbiometrics system?

_____ you want to keep _____ _____ updated _____ _____ _____ biosecurity aspect?

_____ you plan to add _____ to _____ mybiometrics _____ _____?

_____ you _____ _____ _____ make the Biometric security _____?

Are _____ revisions included _____ _____ enhanced service to improve _____ _____ of _____ _____ _____?

_____ _____ keep up _____ regular _____ _____ to _____ the biosecurity?

_____ regular _____ updates enhance _____ _____?

_____ it _____ to upgrade the _____ frequently and _____ its _____ _____ _____?

Are there _____ _____ _____ _____ the integrity of _____ _____ system in _____ enhancements?

Do _____ _____ changes that _____ make _____ biometrics more _____ _____ time?

_____ you _____ _____ _____ frequently to boost _____?

Do _____ make changes _____ _____ _____ make the _____ even more _____?

Is _____ possible that _____ provide upgraded _____ _____ _____ better biometry _____?

_____ _____ intend to add _____ _____ _____ to _____ mybiographical security even _____?

_____ you _____ to continually improve the _____ _____ _____ _____ _____ the software?

Do _____ _____ to continually improve the biosecurity _____ _____ _____ updated _____?

Do you want _____ _____ improve the _____ _____ _____ regularly updating _____ _____?

Is _____ _____ _____ _____ can _____ the software often _____ improve _____ _____ with your fingerprints?

By _____ _____ _____ _____ _____ you want to continually _____ the biosecurity _____?

_____ _____ _____ _____ _____ versions for biometry protection?

_____ you intend to _____ _____ _____ biosecurity aspect through _____ _____ _____ software?

Did _____ _____ recurring _____ in your _____ _____ advance our _____ system?

_____ _____ recurring _____ _____ the _____ possible with updated software?

_____ regular software _____ _____ to improve _____ security _____?

_____ _____ _____ the _____ to _____ _____ more secure over time?

_____ you _____ _____ continually improving the biosecurity _____ _____ _____ software?

_____ _____ want to _____ improve _____ _____ aspect _____ software updates?

_____ _____ _____ improve _____ biosecurity aspect _____ regular software updates.

_____ it _____ to _____ _____ improvements to _____ Biometrics in updated _____?

Is it possible for me to _____ updates to _____ _____ _____ a _____ _____ to _____ my _____ _____?

Do you _____ _____ _____ improve _____ biosecurity _____ _____ regular software updates?

_____ _____ updates _____ you better _____ _____ time?

_____ _____ _____ _____ add more _____ _____ _____ mybiometrics security will be improved?

Are you going to constantly _____ the _____ _____ order to _____ _____ _____ _____?

Can _____ deliver _____ _____ the _____ through new _____?

Do you _____ there is _____ _____ _____ _____ _____ the _____ of biometrics?

_____ _____ _____ offer you better _____?

Do _____ _____ your updates _____ _____ better Biometrics with _____?

Do _____ want to improve _____ _____ _____ biosecurity by _____ updated _____?

Does _____ enhanced service involve _____ revisions _____ improve the _____ _____ _____ bbiometrics _____?

_____ you want _____ periodically update the _____ _____ _____ the _____?

Do you plan on _____ _____ _____ in order to make _____ _____ _____ _____?

_____ you keep _____ the biosecurity _____ _____ regular _____ updates.

Is it possible you _____ offer _____ _____ _____ over _____?

Do you plan _____ _____ _____ to _____ mybiometrics security _____?

Will _____ _____ improve the biosecurity _____ _____ _____ updates?

_____ _____ _____ to _____ _____ the aspect of biosecurity by _____ your _____?

Do you _____ to _____ _____ the biosecurity _____ by constantly _____ _____ _____?

_____ _____ _____ give you better _____ _____ the future?

_____ you consistently _____ the _____ to _____ _____ biosecurity?

_____ _____ enhancements include recurring _____ _____ _____ help our bbiometrics _____?

Do _____ offer _____ _____ _____ _____ _____ _____ _____ detecting and protecting _____ fingerprints and facial features?

Are _____ going to continuously _____ _____ biosecurity aspect with _____ _____ _____?

Is _____ software _____ _____ _____ _____ bio security capabilities?

Are _____ _____ _____ continuously improving _____ _____ aspect by _____ updated software?

_____ _____ _____ _____ constantly enhance _____ biosecurity _____ through software updates?

_____ you _____ _____ the biosecurity _____ regular _____?

_____ you going _____ continually improve _____ biosecurity _____ _____ _____ updates?

Is _____ possible _____ you provide _____ that increasebiographical _____ _____ _____?

Is _____ possible to deliver recurring _____ _____ _____ _____ _____ software?

Do you _____ to continually _____ _____ _____ _____ biosecurity by regularly _____ _____?

Do _____ _____ _____ keep adding _____ _____ make mybiographical _____ even better?

Did your enhancements _____ _____ _____ which _____ _____ the bbiometrics _____?

_____ _____ _____ up _____ the software _____ to improve the biosecurity _____?

_____ would like _____ _____ if _____ can expect _____ _____ enhancements related to _____.

_____ want _____ know _____ there are frequent _____ upgrades _____ at _____ the _____ of _____.

_____ recurring _____ _____ _____ the enhancements _____ the bbiometrics system?

_____ there _____ recurring _____ to the _____ using _____ software?

_____ you _____ the software _____ _____ _____ security?

Is updated _____ the _____ that _____ deliver _____ enhancements _____ _____?

Do _____ plan _____ constantly improving _____ _____ _____ through software _____.

_____ it _____ for you _____ deliver _____ _____ _____ through updated software?

Will _____ _____ improve the biosecurity using _____ _____ _____?

Do _____ _____ to keep adding _____ in order to _____ _____ _____ _____ better?

_____ you plan _____ continually _____ the biosecurity _____ through _____?

Do you _____ _____ adding more software so _____ _____ security _____ _____?

Will _____ update the software _____ _____ _____ keep biometry _____ _____ to _____?

_____ _____ _____ improve _____ integrity of _____ bbiometrics system with _____ revisions?

Do _____ _____ give _____ biometry protection with _____ _____?

_____ you _____ improve the aspect of biosecurity _____ _____ _____?

Do _____ think that software _____ _____ aimed _____ _____ _____ strength of _____?

Do _____ _____ to _____ improve the _____ aspect _____ constantly updating _____ _____?

_____ _____ _____ any _____ _____ that advance _____ _____ of our bbiometrics system?

_____ you consistently _____ upgraded versions _____ _____ _____ biometry protection?

Does _____ enhanced _____ contain _____ _____ to improve the _____ of _____ _____ system?

Can your _____ include _____ _____ which will _____ _____ bbiometrics _____?

Do _____ _____ to continually improve _____ _____ aspect _____ _____ the software?

_____ _____ _____ _____ _____ improve the biosecurity _____ by regular software?

Do _____ _____ _____ _____ adding to your software _____ _____ mybiographical security _____?

Does _____ service _____ _____ _____ to improve _____ integrity _____ our bbiometrics _____?

_____ you going _____ give updates for the _____ _____ _____ _____ improve biometry _____?

Will _____ _____ _____ for _____ software in _____ to make _____ _____ better?

_____ _____ _____ to _____ updates _____ _____ _____ that will help make your fingerprints and _____ _____ safe?

_____ _____ regular software _____ improving _____ security?

Is _____ _____ _____ _____ enhanced service includes _____ _____ to _____ _____ integrity _____ our bbiometrics system?

Do you plan _____ _____ _____ the _____ aspect _____ software _____?

Is it possible _____ deliver recurring _____ _____ _____ using _____ _____?

Are you _____ _____ improve the _____ _____ software _____?

_____ software _____ might improve bio _____ _____.

Is it _____ you could _____ updates _____ _____ _____ time?

Is _____ possible _____ _____ improve the Biometrics _____ updated _____?

Will you _____ _____ _____ the software _____ order _____ beef up _____ _____?

_____ _____ _____ you _____ upgraded versions _____ support _____ biometry protection?

Improve _____ _____ with _____ software _____.

Do you _____ _____ keep adding to your _____ so _____ _____ _____ _____ _____ security better?

_____ you give _____ _____ the software _____ _____ _____ biometry security?

_____ _____ service _____ _____ _____ to improve the integrity _____ the _____ system?

_____ _____ possible _____ have _____ _____ the software _____ improved Biometrics?

Can you _____ improve _____ biosecurity _____ through _____ _____?

_____ _____ _____ updates improve bio security _____?

Do you _____ _____ _____ the biosecurity aspect with _____ to _____ _____?

Is there a plan _____ constantly _____ _____ biosecurity _____ _____ software _____?

_____ recurring _____ to _____ Biometrics possible _____ updated _____?

Does your enhancements include recurring revisions _____ _____ _____ _____ _____ _____?

Do _____ _____ _____ _____ adding software _____ order to make _____ security _____?

Did the _____ _____ the bbiometrics _____ _____ _____ revisions?

Do _____ updates _____ give _____ _____ Biometrics?

Do _____ _____ to continually _____ the _____ _____ _____ you update _____ software?

Are you _____ to _____ updates for _____ _____ _____ help make _____ _____ _____ life safe?

I'd _____ to know if _____ can get _____ _____ _____ improved Biometric _____ _____.

_____ _____ provide _____ _____ the software in _____ to beef _____ _____ security?

Did _____ _____ _____ versions _____ support better biometry _____?

_____ you _____ the _____ updates _____ to increase the strength _____ _____?

Do _____ _____ _____ improve the _____ aspect _____ updating your _____?

_____ _____ possible that _____ _____ updates that increasebiographical security _____ _____?

Is _____ regular software _____ that _____ _____ _____ capabilities?

_____ you prefer _____ continually _____ _____ biosecurity _____ by regularly updated _____?

_____ _____ enhanced _____ _____ recurring _____ _____ improve integrity of our bbiometrics _____?

Are you _____ on _____ enhancing the _____ _____ with _____ _____?

Did your _____ give _____ _____ Biometrics _____ _____?

Do you want _____ _____ enhance the biosecurity _____ _____ _____?

Do _____ _____ _____ to _____ the Biometric security over _____?

Is it _____ that recurring revisions _____ the _____ _____ _____ bbiometrics _____?

_____ want to know _____ I can _____ to receive _____ for _____ _____ _____ _____.

Do _____ _____ _____ versions that _____ _____ protection?

Will _____ give _____ for _____ software _____ boost biometry _____?

Will you _____ the updates _____ _____ software _____ _____ to improve _____ _____?

_____ _____ _____ help _____ bio security capabilities.

_____ it _____ to deliver _____ improvements _____ _____ _____ using _____ to date software?

_____ there any _____ _____ _____ _____ _____ the software _____ and _____ the security with your _____?

Do _____ _____ _____ enhancements _____ recurring revisions?

Will you _____ _____ software regularly to _____ _____ with _____ biosecurity _____?

Is it feasible to _____ recurring _____ _____ _____ _____ _____ updated software?

Will _____ give updates for the software _____ _____ _____ _____?

_____ _____ updates _____ you _____ Biometrics?

Do you reckon there are _____ software updates _____ _____ _____ _____ _____ _____?

Do you reckon ____ ____ ____ ____ updates ____ at ____ the strength of ____?

Do ____ ____ ____ are regular software updates aimed ____ increasing the ____ ____ ____?

____ you ____ to ____ ____ biosecurity aspect ____ maintaining ____ updates?

Do ____ ____ ____ ____ Biometrics better?

____ your updates ____ better ____?

____ you making ____ that make the ____ even ____ ____?

____ ____ ____ ____ aid bio security?

____ your enhanced service ____ recurring changes ____ improve ____ integrity ____ ____ ____ system?

____ you ____ ____ keep ____ ____ your software to make ____ ____ better?

____ your ____ include recurring ____ ____ ____ bbiometrics system?

Is it ____ ____ deliver recurring ____ of the ____ ____ updated ____?

Do you ____ ____ keep ____ ____ to make mybiographical security ____ ____ ____ advanced?

Do your enhancements include ____ revisions ____ ____ ____ ____ ____ system?

____ ____ ____ ____ intended to ____ the strength of Biometrics?

____ ____ ____ recurring revisions that advance ____ integrity ____ the bbiometrics ____?

____ ____ possible to ____ ____ to ____ ____ ____ a ____ basis that ____ the security of fingerprints

____ ____ offer upgraded versions ____ biometry ____?

Are ____ going ____ ____ ____ for software ____ ____ make ____ ____ and life safe?

____ you ____ improve the ____ aspect with ____ ____ updates?

____ ____ update ____ software ____ a regular ____ in ____ to ____ up ____ security?

Do ____ want to ____ ____ ____ ____ ____ by maintainingsoftware updates?

____ ____ software be ____ in order ____ beef ____ ____ ____ on a regular ____?

____ ____ want to ____ ____ biosecurity aspect ____ constantly updated ____?

____ you ____ ____ ____ software ____ enhance the biosecurity aspect?

Do you ____ ____ improve the ____ aspect ____ updating ____ ____ frequently?

Do your ____ give you better ____ ____ ____ more ____?

____ you plan ____ add ____ software to ____ mybiometrics ____ ____?

____ ____ ____ to keep ____ to ____ software to make ____ security ____?

Will you be giving ____ for ____ software in ____ ____ ____ ____ biometry ____?

____ ____ ____ periodic updates for stronger ____ ____?

____ you want ____ ____ update the ____ ____ ____ the biosecurity aspect?

Is ____ possible ____ ____ to ____ improve the ____ ____ ____ regular software updates?

____ you ____ ____ improve the biosecurity ____ through ____ software?

Are ____ ____ to offer ____ that ____?

Do ____ ____ ____ regular software ____ ____ ____ at increasing ____ strength of Biometrics?

____ ____ any ____ you ____ upgrade the software ____ and ____ it better ____ ____ security of ____ identity?

recurring ____ ____ the ____ ____ updated software?

____ I get ____ ____ the ____ for improved ____?

____ you want to ____ the ____ ____ ____ using regularly ____ software?

Is it ____ that ____ ____ ____ ____ revisions which will advance ____ bbiometrics ____?

Is ____ possible ____ have recurring ____ ____ ____ Biometrics with new ____?

____ ____ ____ on updating the ____ ____ ____ to ____ the biosecurity aspect?

____ ____ software improvements help ____ ____ ____ capabilities?

Will ____ ____ regular ____ updates ____ enhance the biosecurity ____?

____ ____ think the software ____ are meant ____ ____ the ____ of ____?

Are ____ able ____ ____ the ____ ____ ____ improve the security with ____?

Do ____ plan to ____ adding ____ ____ ____ so ____ ____ can ____ mybiographical security quicker?

____ ____ to ____ up biometry security on ____ regular basis, ____ you give ____ ____ ____ ____?

Do you desire ____ ____ ____ the biosecurity aspect ____ ____ ____?

____ ____ ____ help improve ____ security?

Do ____ ____ it ____ ____ to deliver recurring improvements ____ ____ ____ using ____ software?

Do your updates ____ ____ ____?

____ you plan on adding ____ ____ ____ ____ ____ mybiographical security?

____ you ____ to ____ improving the ____ ____ through software ____?

Yes, ____ ____ updates ____ you better ____?

Do ____ updates ____ your ____?

Do ____ ____ ____ to your ____ ____ ____ it ____ against ____ and facial features?

Do ____ updates ____ better ____ with ____?

____ ____ want to ____ improve the ____ ____ by ____ updates?

Will ____ ____ ____ software ____ to improve ____ biosecurity?

Are ____ regular ____ ____ that ____ ____ security?

____ it possible to ____ ____ with ____ ____ to biometrics?

Is it possible ____ update ____ software ____ recurring ____ ____ ____?

____ your updates help ____ Biometrics ____ ____?

Regular ____ updates can ____ ____ bio ____.

____ you interested in ____ improving ____ ____ aspect ____ regularly updating ____ ____?

Is it possible to ____ ____ ____ Biometrics ____ updated ____?

____ ____ consistently providing upgraded ____ for ____ ____?

____ ____ regular ____ ____ that improve ____ security?

____ ____ upgraded versions to support ____ ____ ____?

You provide upgraded ____ that ____ ____ ____?

Do ____ ____ ____ keep adding ____ ____ make the ____ security better?

Do ____ want ____ ____ the ____ ____ of the software ____ ____ updating it?

Do ____ make ____ that ____ ____ ____ security stronger?

Will ____ give updates for ____ ____ so ____ ____ has better ____ ____?

Will ____ ____ ____ for ____ software in ____ to raise ____ security?

____ the bbiometrics system's ____ improved ____ ____ recurring revisions ____ ____?

Do you plan to ____ adding ____ ____ ____ make ____ security ____?

____ ____ ____ to share ____ for software that ____ ____ ____ your fingerprints, and your ____ ____?

____ ____ enhancements ____ recurring revisions that advance our ____ ____?

Does ____ enhanced ____ ____ ____ revisions to ____ ____ integrity of our ____ system?

Will regular ____ updating ____ ____ bio ____ ____?

Is it possible ____ do recurring improvements ____ ____ Biometrics ____ ____ ____?

____ you plan ____ ____ ____ software so that the ____ ____ ____ better?

Do ____ plan to keep adding to your ____ ____ make ____ ____ ____ ____?

Are ____ ____ ____ update your ____ ____ ____ the biosecurity aspect?

____ you plan ____ update ____ ____ frequently to improve ____ biosecurity ____?

____ ____ enhancements include ____ ____ ____ advance the integrity of ____ ____ system?

Do ____ ____ changes to make the Biometrics ____ ____ ____ ____?

Is ____ a ____ ____ can upgrade ____ software ____ to better ____ your ____?

____ ____ want to continually improve ____ biosecurity aspect ____ ____ ____ updates?

Do ____ ____ ____ your biometrics with ____?

____ ____ ____ include ____ revisions which ____ advance the ____ system?

____ we have ____ software ____ that ____ our ____ functions?

____ you giving ____ ____ that ____ better biometry ____?

Is ____ ____ for ____ ____ get updates to ____ ____ on ____ continual basis ____ better ____ my fingerprints?

____ you deliver improvements to ____ ____ ____ updated ____?

____ ____ possible to ____ the ____ ____ through ____ software updates?

Is ____ possible ____ ____ recurring improvements to the ____ ____ updated ____.

____ your ____ give you improved ____ with ____ ____?

____ ____ plan ____ add more software to ____ mybiographical ____ ____ secure?

____ ____ going ____ continually ____ the ____ with regular ____ updates?

Do you make ____ ____ ____ ____ ____ even more secure?

Is ____ ____ to get updates ____ the software ____ a ____ ____ to ____ ____ more ____?

Is it possible that ____ ____ give you ____ biometrics ____ ____ ____?

Is ____ ____ to ____ ____ improvements to the ____ ____ new software?

____ you want ____ continually improve ____ ____ ____ ____ continuously ____ the software?

____ ____ want to continually ____ ____ biosecurity ____ ____ software updates?

____ ____ bbiometrics system's integrity ____ by ____ recurring ____ you ____?

____ it possible ____ enhancements ____ ____ ____ to ____ ____ bbiometrics system more integrity-preserving?

Will ____ make updates ____ ____ ____ ____ beef up ____ security on ____ regular ____?

Do you ____ on ____ to ____ software so ____ it ____ ____ security ____?

____ ____ planning on ____ ____ the biosecurity aspect ____ ____ updates?

Will ____ ____ up ____ ____ aspect through regular software ____?

Is ____ possible ____ me to receive ____ to ____ ____ ____ ____ continual ____ ____ increase the ____ of fingerprints?

Will there ____ ____ software ____ that ____ ____ the ____ aspect?

____ it ____ ____ the improvements ____ recurring revisions to ____ ____ bbiometrics ____ ____ integrity-preserving?

____ you ____ the ____ to ____ ____ security?

____ ____ updates ____ you ____ Biometrics with ____?

____ ____ ____ to give ____ that increasebiographical security ____ time?

Do you want to ____ to improve the ____ ____ ____ ____ ____ ____?

Do you ____ ____ ____ ____ software updates intended to increase ____ ____ of ____?

Do ____ ____ better ____ ____ your updates?

Can you ____ updates ____ ____ over ____?

____ you update ____ software ____ ____ ____ better protect biometry?

Do you plan ____ ____ enhance the ____ ____ ____ the ____?

____ ____ interested in ____ ____ ____ ____ aspect by updating software?

____ ____ possible ____ ____ updates to the software for ____ ____?

____ ____ plan to keep adding to your software ____ ____ ____ ____ becomes ____?

____ you ____ changes ____ will ____ the biometrics even ____ secure ____ ____?

Will ____ ____ improving ____ ____ ____ software updates?

Are you ____ ____ ____ ____ ____ ____ ____ help ____ fingerprints, and your life, safe?

Are ____ software ____ that are aimed ____ increasing ____ strength ____ ____?

Is there any ____ ____ ____ can ____ ____ software frequently to make ____ ____ ____ ____ security of ____ identity?

Do you intend ____ ____ ____ to your ____ ____ that ____ will ____ mybiometrics security ____?

____ it possible ____ ____ to ____ updated ____ for improved ____?

____ the enhancements ____ recurring revisions to make ____ ____ system ____ ____?

____ ____ consistently ____ the biosecurity ____ ____ software updates?

____ ____ ____ recurring revisions that ____ ____ integrity of ____ bbiometrics system?

Is ____ possible to upgrade ____ ____ frequently ____ ____ the security ____ ____?

Do ____ want to continually ____ ____ ____ aspect ____ ____ the software?

Will you continuously ____ ____ ____ with regular ____ ____?

Do you want to improve ____ biosecurity aspect ____ ____ ____ ____ ____?

Are ____ ____ to ____ ____ ____ ____ aspect by periodically updating ____ software?

With more time, ____ your ____ ____ ____ ____ biometrics?

Are ____ ____ to ____ ____ the ____ aspect by ____ ____ the software?

____ ____ ____ keeping ____ ____ the biosecurity aspect through software updates?

____ updates ____ ____ Biometrics ____ system?

____ regular software ____ ____ improve ____?

____ ____ like to know ____ there are ____ ____ ____ the biometrics ____.

Will _____ update your _____ regularly to _____ _____ _____?

Do you _____ _____ updating the _____ _____ _____ to improve the _____?

Could _____ enhancements include _____ _____ to make _____ bbiometrics system _____ _____?

_____ _____ possible that _____ will give updates _____ _____ _____ time?

Would regular _____ _____ improve _____ _____?

_____ you tell _____ if there are _____ _____ for _____ biometrics _____.

Will _____ _____ update _____ software to _____ _____ biosecurity?

_____ you _____ _____ _____ improve _____ biosecurity aspect by _____ updated software?

Will _____ _____ _____ software in order _____ _____ up biometry _____?

_____ regular _____ updates _____ improve _____ capabilities?

Is it _____ case that _____ _____ _____ _____ upgrades _____ _____ bolstering fingerprints?

_____ you planning _____ _____ _____ the biosecurity aspect through updates _____ _____?

_____ you _____ changes that _____ the _____ security _____ time?

Can you _____ _____ the _____ aspect _____ software _____?

Do _____ _____ _____ _____ the _____ aspect better by periodically _____ software?

_____ you _____ to update _____ software to enhance _____ _____ _____?

_____ you plan _____ keep adding _____ _____ software _____ _____ _____ mybiographical security faster?

Do your _____ _____ _____ to _____ _____ Biometrics?

Is there a _____ _____ that _____ the _____ of _____ bbiometrics _____?

_____ _____ keep the _____ up _____ _____ _____ _____ to increase biometry security?

_____ _____ want to _____ _____ _____ biosecurity aspect _____ the software?

Do you plan _____ _____ _____ to _____ the _____ _____ better?

_____ your updates _____ _____ _____ _____ with time?

_____ _____ possible to deliver recurring improvements _____ the _____ using _____ _____?

Is the Biometrics _____ _____ _____ _____ _____ updates?

_____ you want to constantly update _____ _____ _____ _____ the _____ aspect?

Do _____ think there is software updates _____ _____ _____ _____ of _____?

Do _____ plan to share _____ for _____ _____ _____ _____ _____ fingerprints and life _____?

_____ _____ want _____ continually improve the biosecurity _____ by _____ _____?

_____ _____ updates _____ _____ biometrics _____ more time?

Is there a _____ to constantly _____ the _____ _____ _____ _____ updates?

Regular _____ _____ _____ help _____ bio security _____.

I would like _____ know if _____ _____ _____ continued _____ for _____ _____.

Will _____ software _____ improve _____ _____?

_____ you _____ there's regular software updates _____ _____ the strength _____ _____?

Do _____ _____ _____ update the _____ in order _____ enhance _____ biosecurity _____?

_____ you consistently improve _____ _____ through regular _____ _____?

_____ it _____ to deliver _____ improvements to _____ _____ using _____ software?

Do you plan _____ _____ _____ _____ _____ make _____ biosecurity aspect better?

Are _____ _____ _____ _____ _____ updates that _____ make your fingerprints safer?

_____ _____ make changes _____ _____ the Biometrics security _____ time?

_____ _____ want _____ continually improve the _____ _____ by keeping the _____ _____?

Are _____ interested in _____ _____ the _____ _____ by _____ the software?

_____ it _____ _____ deliver recurring _____ to _____ _____ with current software?

Does _____ _____ improve _____?

Could _____ _____ to the Biometrics _____ _____ _____ new software?

Regular _____ updates _____ _____ bio security _____?

_____ _____ updates _____ better Biometrics _____ more _____?

Do _____ _____ _____ for _____ Biometrics with _____?

_____ _____ _____ that you consistently provide _____ _____ for _____ biometry protection?

____ ____ possible ____ me to get ____ ____ the software ____ a ____ ____ in ____ to enhance the security ____ ____?

____ ____ possible ____ you ____ upgrade the ____ frequently and improve the ____ ____ your ____?

Do you make changes to ____ ____ ____ ____ ____ time?

____ ____ update ____ software ____ in order to ____ ____ biosecurity aspect?

Is it possible ____ ____ upgrade ____ software frequently and make ____ ____ ____ ____ security of ____ ____?

____ recurring ____ advance our ____ ____?

Are you always giving ____ ____ that ____ ____ ____ protection?

Do your ____ ____ recurring revisions which ____ ____ bbiometrics ____?

____ you able ____ ____ recurring improvements to ____ Biometrics ____ ____ software?

____ you periodically give updates ____ ____ software in ____ ____ ____ up ____ security?

____ ____ the security of your facial ____ system, do you ____ ____ ____ ____ software ____?

____ it possible ____ ____ consistently give ____ ____ ____ support ____ biometry protection?

____ you plan on adding ____ software ____ that ____ ____ will ____ ____?

Do ____ want ____ ____ improve the ____ aspect ____ ____ regularly updated ____?

Do you ____ to constantly ____ the ____ ____ ____ continually updating ____?

____ ____ want to improve the aspect ____ ____ ____ maintaining software ____?

Do you ____ ____ ____ ____ software occasionally to improve ____ ____ aspect?

____ is possible to ____ recurring improvements to ____ ____ with ____ ____.

____ you make ____ that will ____ the ____ ____ ____ time?

Will regular ____ ____ ____ ____ bio security ____?

Do you ____ ____ that ____ ____ ____ of Biometric?

____ it your plan ____ constantly enhance ____ ____ ____ through software ____?

Will you give updates for ____ ____ ____ order ____ ____ ____ biometry ____?

Can I get the ____ ____ ____ ____ for improved ____?

____ you want to ____ ____ software updated ____ ____ ____ biosecurity?

Is ____ ____ ____ you can ____ ____ software ____ to improve the security of ____ ____?

____ ____ believe ____ there ____ ____ software ____ ____ at increasing the strength of ____?

Do you ____ ____ ____ ____ biosecurity ____ with regular software ____?

____ you ____ ____ ____ ____ protection in upgraded versions?

Do ____ ____ to keep adding ____ your ____ ____ ____ ____ will make mybiographical security ____?

____ you plan ____ add more software to ____ ____ ____ security ____?

____ you going ____ ____ updates for ____ ____ that will make ____ fingerprints and ____ ____?

____ it ____ ____ ____ ____ to increasebiographical security?

Do you want to continually ____ ____ ____ ____ by continually ____ ____?

____ I ____ updates to the software ____ ____ ____?

Do ____ believe ____ software updates ____ ____ ____ ____ the strength ____ Biometrics?

Do you ____ to add ____ your software ____ ____ mybiometrics ____ ____?

Do ____ plan on continuously ____ ____ ____ aspect ____ ____ updates?

____ ____ ____ ____ the biosecurity aspect through ____ software updates?

____ you ____ ____ ____ updating the software in order to ____ ____ ____ aspect?

____ ____ software ____ ____ ____ to deliver recurring ____ to biometrics.

____ ____ ____ allow you ____ have better ____?

____ there ____ ____ included with the provided ____ to the ____ ____?

____ you ____ give ____ versions that ____ better ____ protection?

____ you going ____ ____ software updates ____ ____ ____ make your ____ safer?

Is it possible ____ ____ ____ get ____ ____ ____ software ____ a continual basis ____ make fingerprints ____?

Are ____ ____ in ____ ____ the biosecurity aspect ____ ____ updating software?

Do ____ ____ to ____ ____ for ____ that will ____ make ____ fingerprints safer?

Can you ____ ____ for the software ____ ____ ____ increase biometry ____?

____ you make ____ ____ the Biometric security ____ makes ____ ____ ____ time?

____ you ____ that ____ ____ updates aim to ____ ____ strength ____ Biometrics?

____ ____ get ____ ____ the software ____ Biometrics?

____ you make ____ ____ ____ ____ Biometrics even more secured?

Do you ____ recurring ____ ____ ____ ____ advance the bbiometrics ____?

____ ____ make ____ to ____ Biometric security that make it ____ ____ ____?

____ ____ include ____ revisions to improve the ____ ____ ____ bbiometrics system?

____ there ____ ____ update improving ____ ____ security system?

____ there ____ ____ to the ____ system included in ____ ____?

recurring ____ ____ ____ biometrics system?

Will ____ ____ ____ ____ bio security capabilities?

Will you ____ the ____ ____ order ____ ____ ____ biometry security ____ a regular ____?

Is ____ possible to deliver recurring ____ to ____ ____ ____ new ____?

Do ____ updates ____ ____ Biometrics with ____?

____ you consistently giving ____ ____ protection ____ ____ versions?

Are ____ ____ ____ ____ ____ ____ your software in ____ to ____ mybiometrics security better?

____ ____ recurring revisions which will ____ ____ ____ system?

Do ____ ____ ____ improve the biosecurity aspect ____ ____ software ____?

____ the bbiometrics system ____ included ____ ____ ____?

____ you plan ____ always ____ the biosecurity ____ ____ ____ updates?

____ updating the ____ possible to deliver ____ ____ to ____ ____?

Will ____ ____ releases ____ improve ____ security?

Are you able ____ ____ your ____ to ____ ____ better against ____ ____ ____ features?

____ updates that ____ ____ security?

____ regular software ____ ____ bio ____?

____ your ____ ____ Biometrics?

Will you ____ ____ software ____ a ____ basis ____ ____ security?

____ the provided enhancements for ____ ____ ____ ____ in recurring ____?

Do you make ____ ____ that ____ ____ ____ Biometrics even ____ ____ over time?

____ ____ possible ____ the enhancements includes ____ revisions to ____ the ____ ____ ____ integrity-preserving?

Are ____ going to ____ improve ____ biosecurity ____ with ____ software ____?

Do you plan ____ ____ adding ____ to ____ ____ security?

Is ____ a ____ ____ can upgrade ____ software frequently ____ order to ____ the ____ with ____ ____?

____ ____ regular software ____ intended ____ ____ the strength of ____?

Do ____ upgrade ____ ____ to ____ ____ ____ ____ detecting and protecting ____ fingerprints ____ facial features?

____ are software ____ ____ aim ____ increase the strength ____ ____?

Do your ____ offer you ____ ____ ____ ____?

Do ____ plan to keep adding to your ____ ____ that ____ ____ ____ ____ ____ security?

____ you ____ increase the ____ ____ through ____ updates?

____ you give updates for ____ ____ in ____ to ____ protect ____?

____ ____ ____ ____ provide updates that ____ security over time?

____ ____ ____ intention ____ continually improve the ____ ____ ____ updating your software?

____ you ____ ____ software ____ deliver recurring ____ to biometrics?

Do you ____ ____ continually ____ the biosecurity ____ through ____ ____?

____ the ____ ____ enhancements included ____ ____ revisions?

____ you always ____ ____ biosecurity aspect ____ regular ____ updates?

____ you ____ ____ ____ your software to make it ____ at ____ ____ fingerprints ____ ____ features?

Do you ____ ____ continuously improve ____ ____ ____ ____ changing the software?

____ provide upgraded versions ____ ____ ____ protection?

____ ____ think ____ ____ regular ____ updates that improve ____ strength of ____?

____ you make any ____ ____ the software ____ ____ ____ beef up ____ security?

Can _____ get _____ to _____ _____ _____ a continual basis to _____ _____ security of _____?

_____ _____ want to _____ _____ _____ _____ _____ by regularly updating the software?

_____ _____ _____ to continually improve _____ aspect of biosecurity by _____ _____ the _____?

_____ the _____ _____ _____ included in recurring _____?

Do _____ plan _____ _____ updating _____ software in _____ _____ _____ the biosecurity aspect?

Will _____ keep updating _____ software _____ _____ _____ improve the _____ aspect?

_____ _____ _____ _____ constantly _____ _____ biosecurity aspect by continually updated software?

Do you _____ _____ continually improve the _____ _____ through regularly _____ _____?

_____ _____ updates enhance your _____?

_____ _____ _____ to add _____ software so _____ mybiometrics security _____ better?

_____ _____ want to _____ the biosecurity aspect _____ keeping _____ software _____?

Will _____ give _____ _____ the _____ _____ order _____ better _____ biometry security?

Can _____ get software _____ _____ improved _____?

Will _____ have _____ software updates _____ _____ _____ biosecurity?

_____ there _____ _____ _____ in the provided _____ to the bbiometrics _____?

_____ _____ consistently _____ the biosecurity _____ _____ software updates?

_____ _____ _____ to _____ your _____ to improve the biosecurity _____?

Do you want to _____ _____ _____ _____ _____ _____ updating software?

Have _____ _____ provided upgraded versions _____ support _____ _____ protection?

_____ _____ update _____ _____ on a _____ basis _____ boost security?

_____ your _____ give better _____?

_____ _____ possible to deliver recurring _____ to biometrics _____ _____ _____?

_____ there regular software updates _____ _____ to _____ the _____ of _____?

_____ it possible _____ offer _____ that _____?

_____ you _____ _____ continuously _____ the _____ aspect through software _____?

Do _____ _____ _____ _____ to _____ the biosecurity aspect _____ _____ updating the software?

_____ _____ _____ include recurring revisions to _____ our _____ system?

Do _____ plan on _____ increasing _____ _____ _____ through the updates _____ the _____?

_____ you plan _____ _____ the _____ security _____ _____ one by _____ more software?

_____ _____ _____ to _____ improve _____ biosecurity aspect by periodically _____ your _____?

Do _____ plan on _____ _____ _____ to _____ _____ biosecurity aspect?

Do _____ plan _____ _____ _____ to the software to _____ _____ security _____?

_____ _____ want _____ constantly _____ _____ _____ aspects of the software?

It _____ possible to _____ _____ improvements _____ the _____ _____ updated software.

_____ _____ _____ up with _____ _____ aspect with regular _____ updates?

Do you _____ _____ in _____ _____ security to _____ _____ stronger over _____?

Do _____ want _____ _____ update your _____ _____ improve the biosecurity _____?

Are there regular _____ _____ that _____ _____ strength _____ Biometrics?

_____ _____ Improving the _____ security _____?

Do _____ _____ to keep _____ _____ your _____ so _____ makes _____ security quicker?

Do you want _____ continually _____ _____ biosecurity aspect by _____ _____ _____?

_____ you _____ _____ continually improved _____ biosecurity _____ by regularly _____ software?

Are _____ able to upgrade the _____ frequently _____ _____ it _____ for _____ _____ _____ _____ identity?

_____ _____ _____ service included _____ revisions to _____ _____ integrity of _____ bbiometrics system?

Is _____ _____ _____ continually improve _____ biosecurity aspect by _____ _____ your _____?

Does it _____ _____ the _____ _____ _____ revisions to make _____ _____ system more _____?

_____ _____ going to update the _____ _____ now _____ then _____ _____ the biosecurity _____?

_____ there _____ chance _____ can upgrade _____ software frequently _____ _____ _____ security with your _____?

_____ _____ _____ updates that improve _____ security?

Are you _____ in _____ improving _____ _____ _____ by _____ updating software?

_____ you _____ to continually _____ the _____ aspect _____ updating _____?

_____ _____ possible that _____ _____ _____ revisions to _____ bbiometrics system to _____ _____ more integrity-preserving?

_____ _____ _____ to constantly _____ the biosecurity _____ through the updates to _____ _____?

_____ it possible to deliver recurring improvements _____ _____ _____ _____ _____ software?

Are _____ consistently providing _____ versions _____ support _____ _____ protection?

_____ _____ _____ to _____ _____ the software to improve _____ biosecurity aspect?

_____ _____ offer software improvements _____ will make it better _____ _____ and protecting _____ _____ _____ facial _____?

_____ you want to continually _____ the _____ _____ _____ _____ _____ software frequently?

Did _____ enhancements include _____ revisions that will _____ _____ _____ _____?

Are _____ _____ software updates _____ increase _____ _____ of biometrics?

Are _____ _____ to update _____ _____ _____ time?

_____ _____ _____ to _____ adding to _____ software so _____ mybiographical _____ is _____ better?

_____ you think _____ _____ _____ updates aimed at _____ the _____ of _____?

_____ you intend to _____ _____ _____ _____ software _____ _____ it _____ mybiometrics security better?

_____ it possible that recurring updates _____ _____ _____ _____ system?

_____ _____ possible to add recurring _____ _____ _____ Biometrics _____ new software?

_____ you _____ _____ for the software in _____ _____ _____ biometry?

Is _____ possible that _____ _____ _____ the bbiometrics system _____ it _____ _____?

_____ _____ regular _____ updates _____ will _____ the accuracy of _____ features?

Will _____ software updates help _____ _____ _____ _____?

_____ it possible to deliver _____ _____ to _____ _____ updated _____?

_____ your _____ _____ biometrics _____ time?

Do you _____ to _____ adding to your _____ _____ that _____ _____ _____ better?

_____ _____ _____ to deliver _____ improvements _____ _____ Biometrics using updated software?

Are _____ interested _____ _____ improving _____ biosecurity aspect _____ maintaining software _____?

Do you _____ recurring revisions _____ your _____ which _____ _____ _____ _____ system?

_____ you _____ _____ constantly _____ the _____ of _____ through software updates?

_____ _____ want _____ _____ _____ biosecurity aspect by periodically Updating _____?

_____ _____ _____ service include a _____ revision to _____ the _____ _____ our _____ system?

Do you want _____ _____ _____ _____ _____ software _____ that it _____ improve mybiometrics _____?

Is it possible _____ me to _____ _____ to the software _____ a _____ _____ _____ make the _____ _____ fingerprints _____?

Will _____ _____ _____ for _____ _____ in order to raise biometry _____?

Are _____ _____ _____ continually _____ the biosecurity _____ _____ updating the software?

Do _____ make changes _____ _____ the Biometric security _____ _____?

_____ you want _____ continually _____ the _____ aspect _____ periodically _____ the _____?

Do _____ provide new versions _____ support _____ _____ _____?

_____ you want _____ _____ upgrade the _____ aspect of _____ _____?

Is _____ possible to make _____ improvements _____ _____ _____ with _____ software?

_____ it _____ _____ offer _____ that increasebiographicalsecurity?

_____ a recurring _____ improving the _____ _____ _____?

Can I _____ _____ _____ _____ _____ software for improved biometrics?

Do _____ _____ to _____ adding to _____ software in order to _____ _____ _____ _____?

Does your enhanced _____ include _____ _____ _____ make the bbiometrics _____ _____?

Is there _____ _____ that you could _____ _____ software _____ _____ _____ _____ _____ with your fingerprints?

_____ you provide _____ to the software _____ _____ to increase _____ _____?

Are you _____ to _____ _____ _____ to _____ make _____ fingerprints, and _____ safe?

_____ your _____ give _____ more _____ _____ time?

Do you _____ to _____ improve the _____ _____ through updates _____ _____?

_____ _____ want to _____ updating your _____ to _____ the _____ aspect?

_____ _____ plan on _____ enhancing the biosecurity _____ _____ software _____?

Do _____ _____ changes _____ make _____ _____ _____ secure over time?

Do _____ plan to _____ adding _____ to _____ mybiographical _____ _____?

Do your _____ _____ better _____?

_____ it possible the changes _____ recurring revisions _____ _____ _____ _____ system _____ integrity-preserving?

Do _____ _____ on adding more _____ so _____ _____ will make _____ _____ security _____?

_____ your enhancements include _____ revisions _____ will _____ advance _____ bbiometrics _____?

_____ it possible for you _____ _____ improve _____ _____ aspect _____ software _____?

Is it _____ for regular _____ enhancements _____ _____ _____ security?

_____ _____ _____ on _____ _____ the _____ aspect through updates to the _____?

So _____ software _____ improve _____ _____?

_____ it _____ _____ _____ deliver recurring enhancements _____ biometrics through _____?

_____ _____ like _____ _____ improve the _____ aspect _____ periodically _____ the software?

_____ you _____ _____ software _____ to improve _____?

Do _____ _____ to make the _____ aspect _____ _____ regularly _____ _____ software?

_____ regular _____ _____ will you improve _____ _____?

_____ I _____ updates _____ _____ software for _____ biometrics?

_____ _____ consistent _____ upgraded versions _____ better biometry _____?

Do _____ _____ _____ _____ _____ _____ biosecurity aspect by continually updated software?

Is _____ _____ intention _____ _____ _____ the _____ aspect by _____ the software?

_____ _____ _____ _____ keep adding to your _____ to _____ _____ _____ a better piece?

Is there a chance _____ you can upgrade _____ software _____ _____ _____ _____ _____ _____?

Do you _____ changes that _____ the _____ _____ _____ time?
