[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Compliance with industry standards
Description	Customers inquire about the equipment's adherence to industry standards and certifications, ensuring compatibility and interoperability with other telecommunications systems.
Data Size	5,141 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can ____ ____ documented ____ that ____ ____ ____ been ____ and ____ for ____ with telecom standards?

____ tested and ____ ____ ____ stuff, got some ____ ____ prove it?

Can you ____ me how ____ product ____ ____ ____ regulations?
