[Demo] NLP Dataset for Customer Service Automation

Company Type	Payroll Outsourcing Companies
Inquiry Category	Payroll policy and procedure queries
Inquiry Sub-Category	Time and attendance
Description	Queries regarding the process for recording and tracking employee time worked, including questions about timecard submission, approval workflows, and methods for addressing discrepancies or errors in reported hours.
Data Size	5,086 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Payroll Outsourcing Company" customer inquiry. (Purchased data will not be masked.)

Does ____ ____ ____ different methods of recording attendance ____ ____ biometric ____ ____ apps, ____?

Is your ____ capable ____ ____ different recording of attendance ____ ____ ____ with ____ ____ app ____ something?

Are ____ able ____ deal ____ ____ ways employees can ____ in like ____ ____ ____ an ____ ____ their phone?

____ it ____ for your ____ ____ record different ____ ____ ____ ____ as bio-metrics ____ mobile applications?

____ ____ ____ record different ways of ____ like using ____ or ____ ____?

____ ____ possible ____ your system ____ different recording ____ attendance methods, ____ ____ ____ mobile app?

____ ____ system able ____ ____ diverse forms of ____ ____ such as ____ mobile ____?

Your ____ system ____ ____ many ____ ____ ____ ____ attendance, such as ____ the ____ of mobile applications.

Is ____ ____ that ____ attendance compatible ____ different ____ ____ as ____ mobile

Is your ____ system ____ with ____ ____ applications ____ ____ recording?

____ you have ____ ____ ____ your system to ____ ____ ____ mobile applications?

Is ____ a ____ to record ____ presence ____ ____ based applications, ____ ____?

Is ____ ____ system ____ to ____ ____ different ____ ____ record attendance, such ____ using ____ applications?

It's possible ____ your system ____ different recording of ____ methods, ____ instance ____ ____ ____ ____ or ____.

____ your attendance system accommodate ____ ____ one way ____ ____ attendance, ____ as ____ mobile ____?

Is ____ possible ____ give your ____ system with ____ ____ ____ ____ ____ like ____ mobile app or abiometrics?

____ ____ ____ capable ____ recording ____ ____ of ____ ____ as bio-metrics or using applications?

Can your ____ record attendance ____ ____ apps or ____ ____?

____ there support for ____ ____ recordings ____ ____?

____ ____ system can ____ many ____ ways ____ record ____ including using mobile ____.

Can you offer ____ attendance system ____ a ____ ____ ____ methods, ____ a ____ ____ or ____?

____ ____ system support ____ ____ of recording attendance, such ____ ____ a ____ application?

____ ____ possible ____ ____ attendance via ____ applications or ____ ____ your system?

Can you provide a ____ of recording ____ ____ ____ attendance ____ ____ ____ ____ ____ or abiometrics?

____ ____ attendance system able to accommodate ____ different ways to ____ attendance, ____ ____ ____ ____ ____ mobile application?

____ you have any ____ ____ for recording attendance ____ ____ mobile ____?

____ it possible to ____ with all ____ ____ ____ ____ can clock ____ like ____ ____ or using ____ app on their ____?

____ ____ a way ____ record employees' ____ with different ____ ____ ____ based applications and ____?

It's ____ ____ your system ____ different ____ of attendance methods, ____ ____ ____ a mobile ____.

Do you ____ different forms ____ ____ recording ____ Biometrics, phones, ____ ____?

Does ____ ____ allow recording ____ attendance with ____ ____?

Is ____ possible ____ ____ ____ recording ____ include ____ ____ in your system.

____ there more ____ one ____ to ____ attendance, ____ the ____ apps?

____ ____ system capable ____ ____ ____ ____ of attendance, ____ as using bio-metrics?

____ ____ ____ ____ types ____ attendance recording including use ____ ____ and apps?

____ you give ____ ____ system with ____ number ____ recording ____ such as ____ ____ and ____?

Is ____ attendance system ____ ____ ____ ____ of recording attendance, like through ____ ____ ____ mobile ____?

Is your attendance ____ ____ with a variety ____ ____ ____ recording ____ ____ ____ mobile applications?

____ ____ ____ ____ of recording ____ ways of attendance, ____ as using biometrics ____ ____?

Are you ____ ____ ____ different ____ ____ ____ ____ as using ____ or using applications?

____ ____ know if there are other ____ options, ____ ____ ____ and ____ apps?

____ ____ ____ ____ ____ system to record attendance through means like ____ ____ and ____?

Can ____ system support different ____ ____ ____ mobile ____?

____ you support different ____ ____ ____ recording such ____ ____ use of ____ ____ and apps?

Do you ____ ____ types ____ attendance ____ including ____ ____ ____ and apps?

____ you ____ to use ____ ____ to ____ attendance?

____ ____ support abiometric scanning, ____ recording, ____ ____ apps?

____ ____ ____ ____ of recording ____ ____ of attendance such as ____ bio-metrics ____ mobile applications?

Does ____ system ____ ____ ways ____ ____ attendance, such ____ ____ mobile application?

____ it possible for your system to ____ ____ through ____ like ____ ____ ____?

Do ____ ____ ____ there are other ____ ____ ____ mobile ____ and biometrics?

Is it ____ ____ record attendance with ____ apps ____ ____?

Is the ____ ____ ____ with ____ applications or ____?

____ your system have ____ ____ to record ____ ____ ____ attendance, such ____ using ____ ____ applications?

____ there ____ ____ for recording ____ such as mobile ____?

Is it ____ for ____ system ____ accommodate ____ ____ to record attendance, such ____ through the use of ____ ____ ____ ____ ____?

Will it be ____ ____ ____ ____ ____ ____ methods, including bio-scanners or ____ apps?

Can you ____ me ____ your ____ ____ allow ____ ____ attendance ____ phone apps, etc?

Is ____ ____ ____ ____ system to ____ different ____ ____ attendance, ____ using ____ or using mobile applications?

____ ____ ____ ____ allow for ____ ____ ways to record attendance, such ____ ____ mobile applications?

Is your attendance system compatible with ____ different ____ to ____ ____ ____ ____ ____ a ____ ____?

____ might ____ ____ to support different recording of ____ ____ ____ instance ____ ____ mobile app.

____ system can record ____ ____ of ____ such as using ____ ____ ____ applications.

Is your ____ ____ ____ to ____ attendance ____ ____ different ways, ____ ____ by using a mobile ____?

Is ____ support ____ ____ ____ recording attendance?

____ you ____ your attendance ____ with ____ ____ of recording ____ ____ ____ ____ apps and biometrics?

Does ____ ____ ____ ____ ____ ways of recording attendance, ____ ____ through a mobile ____?

____ ____ ____ compatible with ____ range of ____ ____ ____ as with Biometrics ____ Through Mobile?

____ ____ possible ____ ____ attendance system ____ ____ a ____ of recording ____ like a ____ app?

____ you provide ____ ____ ____ ____ a number ____ recording methods, ____ ____ phones and bio-metrics?

____ you know ____ ____ recording ____ attendance can ____ ____ ____ mobile ____ and biometrics?

____ you know ____ there ____ ____ ____ ____ attendance, including mobile apps?

____ ____ know ____ ____ ____ other ____ like a mobile app for ____ recording?

____ ____ ____ records attendance ____ compatible ____ ____ different ____ ____ as through mobile or biometrics.

Is it ____ for ____ system to ____ various ____ ____ ____ ____ such ____ through ____ use of mobile ____.

____ it ____ ____ ____ ____ ____ system with a number of recording ____ such as ____ apps or ____?

Are you in favor of ____ ____ of ____ recording ____ the ____ ____ ____ phones, ____ ____?

Is it _____ to log _____ _____ _____ system using _____ _____?

Is your _____ _____ to record _____ ways _____ attendance, _____ as _____ _____ _____ bio-metrics?

_____ _____ know if there are _____ _____ _____ for attendance, _____ mobile _____?

Is it _____ to _____ _____ attendance recording techniques _____ as _____ _____?

Is it _____ _____ _____ _____ to accommodate _____ _____ to _____ attendance, such as through _____ _____ of mobile _____?

_____ _____ provide _____ attendance _____ with a lot _____ recording _____ _____ _____ mobile andbiometrics?

Is _____ possible to _____ _____ _____ multiple _____ including a mobile _____.

Is _____ any _____ _____ record attendance _____ _____ _____ and scans?

_____ your _____ capable of recording _____ ways of _____ such _____ _____ _____ _____ using applications?

Is the system _____ _____ attendance compatible with a range _____ _____ such _____ _____ Biometrics _____ _____ _____?

Are you _____ _____ deal _____ modern ways _____ _____ clock in, _____ _____ fingerprints or _____ app on _____ _____?

Do _____ _____ if the _____ of attendance _____ _____ done using mobile _____ _____?

_____ _____ _____ _____ to record employees' _____ _____ different approaches like Biometrics and _____ _____ applications?

It _____ be that _____ system _____ _____ recording _____ attendance _____ for instance _____ _____ _____ app.

Is it possible for _____ _____ to accommodate a number _____ _____ _____ _____ attendance, _____ as _____ _____ applications _____ using _____ Biometrics _____

Can _____ give _____ _____ system with several recording _____ _____ _____ mobile _____ and _____?

Does your _____ accept _____ attendance _____ like _____ a phone _____ _____ _____?

Is _____ attendance _____ compatible _____ _____ _____ of recording attendance, such as _____ _____ use _____ mobile _____

_____ you _____ _____ deal _____ _____ ways for employees to clock _____ like _____ _____ or a mobile _____?

_____ _____ system _____ records attendance _____ with different _____ _____ _____ through mobile or _____?

_____ _____ _____ recording different ways _____ _____ _____ as using bio-metrics _____ using mobile _____?

Do _____ _____ _____ in your system to log _____ _____ _____ mobile _____?

Does _____ system allow different methods for recording _____ _____ _____ _____ _____ _____?

_____ your _____ system compatible _____ _____ ways of recording _____ _____ _____ mobile applications?

_____ _____ _____ _____ _____ many different ways to _____ attendance, _____ as _____ mobile applications?

_____ you _____ _____ types of attendance recording including _____ use ofbiometrics, _____ _____ _____?

Does _____ attendance system _____ _____ number of different ways to _____ attendance, _____ _____ _____ using a _____ _____?

Can you _____ _____ attendance system _____ _____ _____ recording methods _____ a _____ app _____ abiometrics?

Is _____ _____ _____ compatible with different ways of recording _____ like through _____ _____ _____ _____?

The _____ system you _____ _____ _____ _____ _____ ways to record attendance, _____ _____ _____ mobile applications.

_____ attendance system can _____ many different _____ _____ record _____ such as _____ _____ _____ of mobile _____

Does your attendance _____ handle many different _____ _____ _____ attendance, _____ _____ _____ _____ applications?

Is _____ _____ _____ different ways _____ recording _____ like using mobile _____?

_____ your attendance _____ able _____ _____ _____ different types _____ attendance _____ _____ using mobile _____?

Do you know if _____ _____ other _____ of _____ _____ _____ a _____ app?

Does _____ system _____ _____ different ways _____ _____ _____ such as using _____ applications?

_____ _____ _____ to use _____ _____ to keep track of _____?

Do you _____ _____ _____ and _____ _____ of attendance recording?

_____ you give _____ _____ system with a lot _____ _____ methods _____ as _____ apps _____ _____?

_____ it possible to _____ _____ _____ _____ employees _____ clock in, _____ as _____ fingerprints _____ using _____ app _____ their phone?

Can _____ system record different types _____ _____ such _____ _____ bio-metrics _____ mobile _____?

_____ _____ system that records _____ _____ _____ _____ ways _____ as mobile applications?

Is _____ possible _____ your system to record attendance _____ _____ _____ such _____ _____ _____ applications?

Do you _____ _____ the recording _____ _____ _____ _____ done _____ _____ apps and biometrics?

_____ your _____ _____ compatible _____ different _____ of recording attendance, for _____ _____ _____ applications?

Is _____ _____ for different attendance recording _____ _____ _____ applications _____ _____ system?

Is _____ _____ system _____ to accommodate different _____ of recording _____ _____ as _____ _____ applications?

_____ your system _____ different _____ _____ attendance, _____ _____ _____ or mobile applications?

Can _____ _____ _____ attendance system _____ a number of recording _____ _____ as mobile _____ _____ _____?

_____ _____ _____ if _____ are other _____ for _____ attendance like a _____ app?

_____ you offer _____ attendance _____ with a variety _____ _____ _____ _____ _____ mobile app?

Is it possible _____ _____ Biometrics, _____ _____ apps _____ _____ attendance?

Is _____ _____ _____ _____ with _____ ways _____ recording attendance, like _____ the use _____ mobile _____?

Is your _____ _____ of _____ different forms of _____ recording, _____ _____ mobile _____?

_____ _____ attendance system compatible _____ _____ attendance through mobile _____?

_____ it _____ _____ your system to record attendance _____ _____ _____ or similar _____?

Is your _____ _____ _____ _____ _____ different ways _____ record _____ such as _____ a mobile?

_____ you know if there are other _____ _____ _____ attendance, including _____ _____ _____ _____?

_____ you _____ _____ types of attendance _____ _____ _____ use of Biometrics, _____ _____ apps?

Your attendance system can _____ _____ _____ ways to record attendance, _____ _____ _____ _____ _____.

_____ your system _____ _____ record different _____ _____ attendance _____ _____ using bio-metrics _____ using applications?

Is _____ system able _____ _____ _____ ways to _____ attendance, _____ as through the _____ _____ _____ applications?

_____ _____ support different types _____ _____ _____ with mobile _____ and abiometric _____?

Do you know _____ there _____ other recording _____ _____ _____ mobile _____ and _____?

_____ your system _____ _____ different recording methods _____ _____ _____ a mobile _____?

_____ _____ know _____ there are _____ _____ _____ _____ mobile apps or Biometrics?

_____ _____ _____ record compatible with _____ _____ of different _____ _____ _____ mobile applications or biometrics?

What if _____ _____ supports different _____ _____ _____ methods, including _____ _____ and the _____?

_____ your _____ _____ for _____ _____ of attendance through means like _____ mobile _____?

_____ _____ _____ to _____ attendance _____ _____ help of mobile apps?

Is there _____ ways to record _____ such _____ _____ _____ _____ Biometrics?

Is your attendance _____ _____ _____ _____ ways of _____ attendance, like _____ mobile _____ or using, _____ _____?

Is _____ _____ for your system to _____ different _____ _____ attendance, _____ bio-metrics _____ mobile _____?

_____ _____ _____ me _____ your system _____ us to _____ _____ via phone _____ etc.

_____ your attendance _____ support _____ ways _____ _____ _____ like using mobile _____?

_____ your attendance system compatible _____ _____ _____ of _____ attendance _____ through mobile _____.

Are _____ _____ capable of recording _____ _____ _____ _____ such _____ using _____ or using _____ applications?

_____ _____ possible for your system _____ _____ attendance by means _____ _____ mobile _____?

_____ it possible _____ provide your attendance _____ with _____ plethora _____ recording _____ such as _____ _____ and _____?

Are there _____ _____ _____ _____ recording, like _____ _____ and abiometric scanning?

_____ it possible _____ _____ _____ to accommodate different ways _____ _____ attendance, such _____ _____ _____ applications _____ using a _____ system?

_____ your attendance _____ _____ _____ _____ _____ of recording attendance via _____ applications?

_____ attendance _____ can _____ many _____ ways _____ _____ _____ for _____ using mobile applications.

_____ there any _____ _____ recording _____ via mobile _____?

_____ _____ possible to provide _____ attendance system _____ _____ _____ _____ recording methods, like _____ mobile app _____ a _____ reader?

_____ _____ attendance system have a plethora _____ _____ methods _____ a _____ _____ _____ abiometrics?

_____ is possible that _____ system can _____ different _____ of _____ _____ _____ instance with a _____ _____.

_____ _____ _____ system able to accommodate _____ _____ _____ to _____ _____ _____ as by using a mobile application?

It's possible that your _____ supports different recording of _____ _____ for _____ _____ _____ _____ _____.

_____ _____ system support different _____ _____ _____ _____ for example with a _____ app _____ something?

Are _____ able _____ _____ your attendance _____ _____ a variety of _____ _____ like a _____ _____?

_____ your attendance _____ _____ many different _____ to _____ attendance, _____ _____ _____ a mobile?

_____ _____ _____ system compatible with _____ _____ of _____ attendance, like _____ mobile applications?

Can you _____ _____ attendance system _____ _____ _____ such as _____ andbiometrics?

Is your system capable of _____ different _____ of _____ such _____ using _____ _____ _____ _____?

_____ _____ _____ system accommodate a _____ _____ different ways _____ record attendance, _____ as using _____ _____?

_____ _____ attendance _____ able to _____ _____ different ways to _____ attendance such as _____ using _____ mobile _____?

It is _____ that _____ _____ supports different _____ _____ attendance _____ for instance with _____ mobile _____ _____ _____ other.

_____ the system _____ to record _____ _____ of attendance _____ _____ using _____ _____ _____ mobile applications?

Is ____ ____ than one ____ ____ ____ ____ including mobile andbiometrics?

____ it possible ____ ____ system to ____ ____ ____ ____ record attendance, ____ as ____ the use of ____ applications?

Is attendance ____ able to accommodate many ____ ____ to ____ ____ ____ as ____ a ____

____ ____ support ____ types of ____ ____ like ____ ____ or abiometric scanning?

Do ____ know if ____ can ____ ____ via mobile apps ____ ____?

____ your attendance ____ ____ to ____ ____ different ____ to ____ attendance, ____ example ____ a mobile?

____ ____ ____ ____ attendance system with a variety ____ ____ methods ____ ____ a mobile app?

____ it ____ that ____ system supports ____ recording of ____ methods, such ____ a ____ ____?

Are ____ ____ to ____ different ____ of attendance, such as ____ or ____ ____?

____ your ____ ____ ____ using various ways?

Is it possible ____ you ____ ____ your attendance system with a ____ of ____ ____ ____ a ____ ____?

Is it ____ ____ ____ ____ to ____ ____ through ____ variety of methods, ____ ____ with mobile applications?

____ your ____ ____ with different recording methods, including ____ ____?

Do you have ____ options for ____ ____ ____ ____ ____ app?

Is ____ ____ capable of recording ____ ways ____ attendance ____ bio-metrics ____ ____ applications?

Is ____ ____ for ____ mobile ____ or ____ ____ be enabled in ____ system?

____ ____ ____ ____ ____ ____ ways to record attendance, such as ____ mobile applications?

____ you have the ____ ____ ____ with modern ____ for ____ to ____ ____ like ____ fingerprints ____ apps on their ____?

Is ____ ____ ____ with ____ ____ of recording attendance such ____ via a ____ ____?

____ ____ ____ ____ types of attendance recording, including ____ ____ and ____ scanning?

Do you ____ ____ system ____ can handle different ____ ____ ____ capture?

Is ____ system ____ with ____ ways of recording ____ ____ as ____ ____ mobile ____?

____ ____ ____ able ____ record attendance ____ ____ like mobile apps?

____ you support different types of ____ ____ including the use ____ ____ ____ ____?

Is ____ attendance ____ compatible ____ a ____ of ____ ways, ____ ____ mobile applications?

____ ____ ____ about other ways ____ record attendance, ____ example ____ ____ app?

____ ____ ____ different ____ of attendance recording, including ____ use ____ Biometrics, ____ ____ applications?

____ you know ____ other options ____ ____ attendance, including ____ ____ ____ Biometrics?

____ you ____ ____ apps ____ abiometric ____ for attendance recording?

____ you ____ ____ deal with ____ ways ____ ____ to clock in, ____ ____ fingerprints, or ____ an app on ____ ____?

____ it possible ____ your attendance ____ ____ ____ ____ features like a mobile ____?

Is ____ ____ ____ able ____ handle ____ different ways ____ ____ attendance, such as ____ a ____ application?

Is there a ____ ____ record ____ presence ____ ____ ____ such ____ ____ applications ____ use ofbiometrics?

Is ____ a ____ to ____ ____ through a ____ ____ fingerprints, or ____ mobile ____?

____ it possible ____ ____ system supports different recording ____ ____ ____ like mobile ____?

Is your ____ able ____ record ____ through ____ means ____ a ____ ____?

____ ____ ____ of using mobile ____ ____ scans to record ____?

____ you know ____ there ____ options ____ ____ attendance, including mobile ____?

____ you support ____ attendance recording ____ such as ____ ____ and ____ ____?

Is ____ attendance system able ____ ____ ____ ____ to record ____ such ____ ____ a ____ application?

____ it possible for ____ system to ____ attendance through ____ ways, such ____ ____ ____ ____ ____?

____ ____ ____ ____ attendance system with recorded ____ ____ mobile andbiometrics?

____ ____ ____ can be recorded through ____ ____ a ____ app?

____ you offer ____ types of ____ recording like mobile ____ ____ ____ ____?

Is ____ ____ ____ your ____ to record attendance ____ ____ like mobile apps and ____ ____?

____ ____ ____ different ____ of attendance recording, including ____ apps ____ ____ scans?

____ ____ ____ support ____ ways of ____ ____ such as using a ____ application.

____ ____ attendance system ____ to ____ ____ ____ using a mobile application or ____ ____?

____ there other ____ ____ record attendance ____ example ____ ____ app?

Is ____ system ____ of ____ attendance with ____ ____ a mobile ____?

____ your ____ ____ to ____ different recording ____ attendance ____ for ____ with a ____ app?

____ there ____ ways ____ record ____ such as mobile ____ ____ biometrics?

Does ____ ____ ____ for different methods of ____ ____ such ____ via ____ mobile ____?

Do you allow ____ types ____ attendance ____ ____ ____ apps ____ abiometric ____?

____ your attendance ____ able to record different ____ ____ ____ ____ ____ ____ mobile applications?

Do ____ support ____ ____ of attendance recording ____ as mobile ____ ____ abiometric ____?

____ you ____ ____ use ____ ____ phones, or apps for attendance ____?

____ your system ____ the ability to record ____ ____ ____ attendance, ____ as ____ ____ or mobile ____?

Is your ____ capable of ____ ____ forms of ____ such ____ using bio-metrics ____ ____ ____?

Can you ____ your ____ system ____ ____ recording methods, ____ ____ mobile apps ____ ____?

____ ____ attendance system ____ with ____ variety ____ ____ ____ like through ____ use of mobile ____?

Do you ____ if there are other options ____ ____ ____ ____ as ____ ____ ____?

Is it possible for ____ system ____ record ____ ____ various ____ ____ as ____ ____ mobile ____?

____ the ____ system compatible with ____ ____ ____ ways, such ____ ____ applications ____ Biometrics?

Does your system have ____ ability ____ ____ ____ ways ____ ____ ____ as ____ bio-metrics or ____?

____ it ____ for your ____ to accommodate various ____ to ____ attendance, such as ____ ____ use ____ ____ ____ or ____ a ____

____ it possible ____ ____ ____ attendance ____ ____ a ____ of recording methods, ____ a mobile ____?

____ your attendance system able ____ accommodate many ____ ____ ____ ____ attendance, such as using ____ ____ ____?

Is ____ system ____ to ____ different ____ of ____ ____ through ____ applications?

____ you give your attendance ____ with ____ methods ____ ____ mobile ____?

Do you ____ if there are ____ recording ____ like ____ ____ app ____ ____?

____ ____ ____ to handle ____ ____ employees can ____ in, like using fingerprints or ____ ____ ____ their phones?

____ ____ a way to log attendance through ____ system ____ ____ or ____ a ____ ____?

Can you ____ your attendance ____ with a ____ of ____ like ____ ____ ____ or ____?

Can ____ system support ____ ____ of ____ methods, ____ ____ applications ____ the like?

____ your ____ compatible ____ ____ ways of recording ____ such ____ through mobile ____?

Does your system ____ the ____ to record ____ ____ of ____ such ____ ____ bio-metrics or ____ mobile ____?

Is ____ ____ for different ____ recording ____ have ____ apps ____ ____ in ____ system?

Can ____ ____ ____ attendance system with a plethora ____ ____ ____ ____ as mobile ____?

____ your ____ system allow ____ ____ ways ____ record attendance, ____ as ____ a ____?

Can your system record different ways ____ ____ ____ ____ ____ or mobile ____?

Are you able to deal ____ ____ ____ ____ can clock in, ____ ____ fingerprints or ____ a ____ ____?

____ ____ ____ ____ of recording different modes of attendance, ____ as ____ ____ ____ using ____ applications?

Is ____ system able to record different ____ ____ ____ ____ ____ using ____ ____ applications?

Is your ____ ____ to record ____ ways of attendance, ____ ____ ____ ____ or ____?

Is ____ system that ____ attendance ____ with ____ ____ of different ____ ____ as ____ applications?

Does ____ attendance system allow ____ ____ use ____ ____ applications ____ record ____?

Is it possible ____ ____ ____ different ____ methods ____ attendance, ____ ____ with a ____ app or ____?

Is ____ possible for ____ ____ ____ ____ attendance in a variety of ____ such ____ through the ____ of ____ ____.

Is your ____ ____ of handling ____ ____ ____ attendance capture?

Do ____ support ____ ____ ____ attendance ____ including ____ ____ of mobile devices?

Do you support different ____ ____ attendance ____ ____ ____ apps and ____ ____?

____ is possible that your system ____ ____ ____ ____ attendance methods, ____ as with ____ ____ ____.

Can you ____ attendance in your ____ ____ ____ ____?

____ the system ____ records ____ ____ ____ different ____ ____ as ____ or Through Mobile?

Is the attendance ____ ____ with many different ____ such as ____ ____ ____ ____?

____ ____ system ____ records attendance compatible with ____ range ____ different ____ ____ ____ applications?

Is ____ possible for your ____ to accommodate ____ ____ ____ ____ ____ such ____ through ____ applications?

____ system ____ ____ ____ is ____ ____ ____ range of ____ ways, such as with ____ or Through Mobile.

Does your software accept different ____ ____ attendance, ____ ____ phones ____ ____?

_____ your _____ system able to record _____ _____ _____ applications?

Do you _____ _____ _____ can _____ recorded through mobile apps _____ _____?

Does _____ _____ system allow _____ to record attendance _____ _____ _____?

_____ _____ _____ _____ to _____ different methods of attendance, such _____ using _____ _____ _____ mobile applications?

_____ _____ system that records _____ _____ _____ a _____ of _____ such as through _____ _____ biometrics?

Do you _____ _____ ability to support _____ _____ of attendance _____ _____ _____ _____ apps?

_____ _____ _____ to _____ _____ _____ _____ for _____ _____ clock in, _____ as using fingerprints or using a phone app?

_____ _____ attendance system allow for _____ _____ mobile applications _____ _____ attendance?

Is _____ a way for your _____ to _____ _____ via _____ _____?

Is _____ system that _____ _____ compatible with _____ _____ such _____ with biometrics or _____ _____?

_____ _____ _____ _____ types of attendance recorder including mobile _____ _____ abiometric _____?

Does your _____ _____ some forms of _____ _____ _____ phones?

Is _____ more than one _____ option _____ _____ _____ mobile _____?

_____ _____ provide your _____ _____ with a plethora _____ _____ _____ like _____ mobile _____ or a biometrics device?

_____ _____ know _____ your _____ supports _____ _____ of attendance methods, for instance _____ a _____ _____?

Can you _____ different _____ _____ _____ _____ attendance _____ in your system?

Can _____ system support different _____ _____ _____ methods _____ instance _____ a mobile _____?

_____ _____ _____ and _____ attendance recording methods _____ with your _____?

_____ _____ attendance system compatible _____ _____ applications?

_____ _____ attendance _____ compatible _____ _____ _____ of _____ attendance, such _____ through mobile applications?

Is _____ possible _____ your _____ _____ _____ various ways to _____ _____ such as by using _____ mobile _____?

Is _____ _____ _____ _____ with other ways _____ _____ attendance, like using _____ applications?

Is _____ _____ system capable _____ _____ many different _____ to record attendance, for _____ _____ _____ a mobile _____?

Is _____ more _____ one _____ _____ _____ attendance, including _____ apps?

Does your _____ system _____ for a _____ of ways to _____ _____ such as _____ using _____ _____ _____?

_____ you provide _____ _____ _____ with _____ _____ of recording _____ such as _____ mobile app or _____?

_____ it possible _____ your system _____ _____ any of the _____ _____ record _____ such _____ _____ a _____ application?

_____ _____ possible for _____ system to accommodate _____ _____ the _____ _____ _____ attendance, such as using _____ applications?

Do you know if _____ _____ other ways to _____ _____ _____ example _____ _____ mobile _____?

_____ _____ support _____ types _____ attendance recording, like _____ Biometrics and _____?

_____ your attendance _____ _____ to _____ many _____ ways to record _____ _____ as _____ _____ applications?

Does _____ attendance _____ _____ for many _____ ways _____ _____ attendance, _____ _____ through a _____ application?

_____ you _____ if _____ _____ other _____ to record attendance such as mobile _____ _____ _____?

_____ your attendance system capable of _____ _____ _____ _____ _____ _____ _____ like through _____ mobile application?

_____ you give your attendance system _____ _____ _____ _____ recording _____ like a mobile _____ _____ a _____ device?

_____ attendance _____ _____ accommodate many different _____ to _____ _____ such as using _____ _____.

_____ your system _____ with _____ _____ like mobile _____?

Is _____ _____ _____ to support different recording of _____ methods, for _____ _____ _____ mobile _____?

Is _____ _____ system able to _____ different _____ _____ _____ attendance, such _____ _____ a mobile

Do _____ _____ if there _____ a _____ _____ _____ attendance using _____ _____ or Biometrics?

Is it possible _____ your _____ _____ _____ _____ with various methods, such _____ using _____ _____?

Will _____ _____ tracked with _____ methods _____ _____ _____ or mobile apps?

Your system _____ be _____ to _____ different _____ _____ attendance, such as _____ _____ _____ _____ applications.

_____ _____ support different _____ _____ _____ recordings, including _____ _____ of _____ phones, and apps?

Is _____ _____ _____ your system _____ have _____ _____ _____ options like a _____ app?

Is _____ _____ _____ you _____ different recording _____ _____ methods, including mobile applications _____ _____ like?

Does _____ system have _____ _____ to record _____ _____ a _____ application?

_____ your _____ system _____ _____ many _____ ways to _____ attendance, _____ as _____ _____ mobile application?

Is _____ _____ capable _____ _____ different ways of _____ like using _____?

_____ the _____ _____ records attendance compatible with _____ _____ such as _____ applications _____ _____?

_____ you _____ _____ there _____ other ways to record attendance, including _____ mobile _____ _____ _____?

_____ you _____ a _____ to _____ _____ using mobile _____ and scans?

Does _____ attendance _____ allow you _____ record _____ through a _____ _____?

_____ it _____ _____ your _____ will allow us _____ _____ attendance via phone apps, _____ _____?

Can _____ attendance _____ accommodate _____ _____ _____ to record attendance _____ as _____ _____ mobile?

Does _____ attendance _____ _____ multiple ways _____ record attendance, _____ as _____ mobile _____?

Are _____ system capable of _____ different _____ of attendance, _____ _____ _____ _____ or using _____?

_____ _____ _____ recording different _____ of attendance, _____ _____ using _____ or mobile applications?

_____ there other _____ _____ _____ _____ such as mobile _____ and Biometrics?

_____ you support _____ types _____ attendance _____ such as _____ _____ _____ abiometric scanning?

_____ _____ _____ support different _____ _____ attendance _____ such as _____ a mobile application?

_____ the _____ that records attendance compatible with other _____ _____ _____ _____ applications _____ _____?

_____ you support _____ _____ and _____ apps?

Is _____ more than one _____ _____ recording _____ _____ _____ apps and _____?

Can you _____ _____ attendance system _____ _____ recording _____ _____ a _____ app?

It's possible _____ system supports different _____ _____ _____ _____ for example _____ _____ mobile _____.

Do _____ _____ _____ _____ that _____ _____ _____ allow us to _____ attendance _____ phone, Biometrics, etc?

Your _____ _____ record _____ ways of _____ such _____ _____ bio-metrics or _____.

Can _____ _____ system _____ so _____ different _____ to record attendance, _____ as _____ mobile _____?

_____ _____ attendance system accommodate _____ use of mobile _____ _____ record _____?

Is _____ system _____ _____ _____ other _____ of _____ such as _____ bio-metrics?

_____ there _____ _____ _____ _____ attendance, including mobile apps and _____?

_____ attendance _____ _____ _____ _____ methods, _____ as bio-scanners or mobile apps?

Can _____ _____ _____ mobile app or abiometrics _____ record _____ _____?

_____ your system _____ _____ _____ of _____ through means _____ _____ a mobile app?

Do you _____ _____ the use of _____ phones, and _____ _____ _____ _____?

_____ _____ use various types _____ technology to _____ _____ _____ your system?

Do _____ _____ _____ _____ of _____ phones, and _____ to record attendance?

_____ _____ know _____ _____ are other _____ _____ for attendance, such _____ a mobile _____?

_____ there other _____ to record _____ _____ as using _____ _____ app?

_____ _____ have other ways to _____ attendance _____ _____ _____ app?

_____ _____ possible _____ _____ system _____ accommodate _____ _____ to record attendance, _____ as using _____ mobile application or _____ a _____ device?

Do _____ have _____ system that _____ _____ different _____ of attendance, _____ as _____ _____?

Is _____ possible _____ your _____ _____ offer multiple ways _____ _____ _____ including _____ _____ mobile app?

Do _____ _____ _____ apps and abiometric scanning _____ _____ recordings?

Is _____ possible for _____ system _____ record different ways _____ _____ like _____ bio-metrics _____ _____ _____?

_____ your _____ system _____ with different _____ _____ _____ attendance, _____ using a _____ application?

_____ you _____ _____ attendance _____ with a _____ of _____ _____ such as _____ phones _____ bio-metrics?

Are _____ _____ ways to record attendance, _____ as _____ _____ _____?

Are _____ _____ _____ to record attendance, such _____ mobile _____ _____ Biometrics?

Does _____ _____ system _____ _____ different _____ to record _____ _____ as using _____ applications?

_____ it _____ to use _____ applications andbiometrics to _____ _____?

_____ _____ _____ system _____ _____ _____ ways of recording _____ like using mobile apps?

Do you _____ a system that _____ record different _____ _____ _____ _____ as using _____ _____ _____ applications?

Is _____ _____ _____ different attendance recording _____ _____ _____ apps or biometrics?

Do _____ _____ if there are other options _____ _____ attendance, _____ mobile _____ and _____ _____?

_____ your system _____ for recording _____ _____ like _____ apps?

Do you _____ _____ types _____ _____ recording, _____ as use of _____ _____ _____ apps?

_____ there _____ than _____ option _____ recording attendance, _____ a mobile _____?

_____ _____ possible _____ your system to _____ a _____ of _____ to _____ attendance, _____ as using a _____ _____?

_____ you _____ your _____ _____ _____ _____ number of recording methods, _____ as a _____ app?

_____ _____ system handle mobile _____ _____ other _____ methods?

_____ your _____ _____ compatible with the _____ of _____ applications?

Do _____ _____ _____ _____ _____ use biometrics or phone _____ in _____ attendance?

Is _____ possible _____ _____ mobile apps _____ bio-metrics _____ record _____?

Is _____ _____ _____ your attendance system with _____ _____ _____ _____ methods, like _____ mobile app or biometrics?

Do _____ support _____ _____ of attendance _____ such as _____ phones, _____ _____?

Do _____ _____ _____ there are _____ recording options such _____ a _____ _____ or _____?

Do _____ have _____ _____ to _____ attendance _____ mobile apps?

_____ your attendance _____ capable of accommodating _____ _____ ways _____ record _____ such _____ _____ a _____ application?

_____ _____ accommodate different attendance _____ _____ _____ apps?

_____ you _____ the use of _____ phones, _____ apps _____ _____ recordings?

Do you _____ _____ there are other recording _____ _____ _____ mobile apps _____ _____?

Is _____ _____ capable _____ _____ different _____ of _____ such _____ using bio-metrics or mobile _____

Is _____ a _____ to record attendance with _____ _____ _____ _____ mobile _____?

Is your _____ _____ to _____ attendance _____ _____ like a mobile _____?

Can _____ _____ _____ attendance system _____ several _____ _____ such as mobile _____?

Is _____ _____ _____ compatible _____ other _____ such _____ through mobile or _____?

_____ _____ _____ allow _____ _____ ways _____ recording _____ such _____ using a mobile application?

Does _____ system _____ the _____ to support multiple _____ _____ _____ recording, such _____ _____ apps?

Does _____ system _____ ways _____ record attendance, such _____ _____ _____ app?

_____ it _____ _____ _____ your attendance _____ _____ _____ number _____ recording _____ such as mobile applications?

Is it possible _____ your system to accommodate _____ _____ _____ _____ _____ such as _____ _____ _____ of _____ applications or _____ scans?

_____ you _____ to _____ _____ attendance _____ with _____ _____ of recording methods _____ a _____ app?

Are _____ able _____ use apps and scans _____ _____ _____?

Is your system _____ of _____ different ways of _____ _____ _____ _____ or _____?

Can _____ attendance _____ accommodate _____ ways to _____ _____ such as _____ _____ applications?

_____ it _____ _____ your system to record attendance using _____ like _____ _____ _____?

Is your attendance _____ able _____ _____ _____ _____ _____ _____ of _____ such as _____ a mobile?

Is _____ system _____ to _____ different _____ of _____ _____ _____ using bio-metrics _____ applications?

Can you give _____ _____ _____ with a variety of recording _____ _____ _____ _____ _____ orbiometrics?

Is _____ _____ for your _____ to accommodate various ways to _____ attendance, _____ _____ using mobile _____ _____ _____ _____?

_____ your _____ capable of recording _____ _____ _____ attendance, _____ as _____ bio-metrics _____ applications?

_____ _____ system _____ accommodate many different _____ to record _____ _____ _____ a mobile _____.

Does your system _____ _____ _____ of attendance _____ means _____ _____ _____ app?

_____ you _____ your _____ system with a _____ of _____ _____ _____ a _____ _____ or abiometrics?

Do you _____ _____ recording _____ mobile apps and _____ _____?

_____ _____ system _____ _____ _____ to _____ different _____ _____ _____ like using bio-metrics or using mobile applications?

_____ _____ _____ system _____ of recording _____ ways _____ _____ such as using _____ or using _____?

_____ _____ attendance _____ _____ many _____ ways _____ _____ _____ such as using a mobile?

Does _____ _____ _____ different _____ _____ techniques, such _____ mobile applications?

Is _____ system _____ _____ _____ ways of _____ attendance, such _____ via _____ _____ application?

Is your system possible to support _____ _____ _____ _____ methods _____ instance _____ a _____ _____?

_____ your _____ allow you to _____ _____ with various _____?

_____ it possible _____ _____ system to _____ a number _____ _____ _____ record _____ such _____ by using _____ applications?

_____ _____ tell _____ _____ your _____ will allow us _____ _____ attendance _____ phone, scans, _____ apps?

_____ the system _____ of _____ different ways _____ attendance, _____ using _____ _____ _____ applications?

Do you have _____ _____ _____ your system _____ _____ to _____ attendance via phone, _____ _____ _____?

_____ your system be _____ to _____ different _____ _____ _____ such as _____ bio-metrics _____ using mobile _____?

_____ it _____ that _____ system can support _____ forms _____ _____ recording _____ _____ mobile apps?

Do you _____ different _____ of _____ _____ including Biometrics, _____ _____ apps?

_____ _____ _____ support _____ forms of attendance recording, such _____ _____ _____ mobile application?

_____ the _____ records compatible with _____ _____ _____ different ways, _____ _____ mobile _____ or Biometrics?

_____ your _____ _____ to record different _____ _____ _____ such _____ using _____ or using mobile _____?

_____ _____ _____ system able to record _____ in many ways, _____ as using _____ _____ _____?

_____ there _____ way to _____ attendance _____ _____ apps andbiometric _____?

_____ your system allow _____ to record _____ through _____ _____?

_____ your _____ record different ways of attendance, _____ _____ _____ bio-metrics _____ using _____?

Does your attendance system _____ _____ _____ _____ record _____ such as _____ _____ mobile?

_____ you _____ _____ types _____ attendance _____ including the use _____ phones and _____?

Are _____ able _____ use _____ _____ to _____ track _____ your attendance?

Can your _____ record _____ _____ _____ attendance _____ as _____ bio-metrics or _____?

Is your system able _____ _____ different ways of _____ _____ using _____ _____ _____?

_____ _____ _____ _____ attendance system with a _____ _____ recording _____ such _____ mobile andbiometrics?

Can _____ _____ _____ attendance system with _____ recording methods, _____ _____ mobile _____ _____ abiometrics?

_____ you _____ different _____ of _____ recording like _____ _____ and apps?

Is _____ more than _____ _____ _____ your _____ to _____ attendance, like _____ apps?

_____ _____ attendance system _____ of recording _____ _____ of _____ _____ _____ using _____ or mobile applications?

Are you _____ to _____ with _____ ways _____ _____ to clock in, such _____ _____ _____ or _____ app on _____ _____?

Is _____ _____ system able _____ record attendance in _____ different _____ _____ _____ _____ using a _____ application.

Is _____ _____ _____ to support _____ recording _____ attendance _____ for instance _____ a _____ app?

Is _____ _____ for _____ system to _____ _____ use _____ mobile applications _____ record _____?

_____ your _____ _____ _____ _____ accommodate _____ than one _____ to _____ attendance, such as using a mobile _____?

_____ your attendance system _____ _____ different _____ _____ _____ _____ for example through the use _____ _____ applications.

The _____ can _____ different _____ of _____ _____ _____ using bio-metrics or using _____.

_____ it possible _____ your _____ supports _____ _____ methods _____ _____ including mobile _____ and _____ like?

Do you know _____ there _____ other _____ _____ _____ _____ _____ as mobile apps and _____?

_____ you _____ _____ _____ _____ apps for attendance record?

_____ _____ system support different recording _____ attendance _____ _____ mobile _____?

Can your system _____ different ways _____ _____ such _____ using _____ _____ mobile _____?

_____ _____ attendance record _____ _____ a range of different ways, _____ as _____ Biometrics _____ _____ _____?

_____ _____ attendance system _____ many different _____ to record attendance, _____ _____ _____ a mobile _____?

_____ possible _____ _____ _____ _____ recording of attendance methods for _____ _____ _____ mobile app.

_____ your _____ able to _____ different _____ to _____ _____ _____ as using mobile _____?

Is _____ a _____ _____ log attendance in your _____ _____ _____ mobile _____?

_____ you _____ if _____ _____ other options _____ attendance _____ _____ mobile apps and _____?

_____ _____ attendance _____ accommodate many _____ _____ to _____ attendance, such _____ _____ mobile applications?

Is the system _____ _____ recording different _____ _____ _____ _____ as _____ bio-metrics?

Does your system _____ _____ many different _____ _____ _____ attendance, _____ as _____ mobile _____?

_____ _____ possible _____ _____ attendance _____ to accommodate many different ways _____ record attendance, such _____ using _____ _____?

_____ it _____ to _____ attendance _____ _____ _____ or phone apps?

Is it _____ to use _____ _____ _____ _____ to record _____?

_____ your system _____ _____ recording different _____ _____ _____ _____ as using a bio-metrics _____ mobile _____?

Is there an _____ _____ _____ system to _____ _____ _____ a mobile _____?

_____ _____ give _____ _____ system with various _____ methods, _____ as mobile _____?

_____ _____ possible _____ _____ system _____ support _____ forms of attendance _____ _____ _____ a mobile app?

_____ _____ _____ handle _____ forms of attendance _____?

Is _____ _____ _____ records attendance compatible with _____ ways, such _____ _____ Biometrics _____ Through _____?

_____ _____ system _____ different _____ of attendance, _____ using _____ or mobile _____?

Is _____ possible _____ your system allows us _____ _____ attendance _____ _____ _____ fingerprints, _____.

_____ _____ know if _____ are _____ _____ to record _____ _____ on _____ mobile device?

Is _____ _____ with different ways of recording _____ _____ _____ _____ use of _____ _____?

Is it _____ for _____ _____ to _____ various _____ to record attendance, _____ _____ _____ a _____ application.

Is _____ _____ for your _____ to record _____ with _____ like _____ and _____ _____?

Does your attendance _____ _____ for many _____ ways to _____ _____ _____ as using _____ _____ _____?

Is _____ _____ that _____ attendance compatible _____ Biometrics or _____ _____?

_____ you _____ if _____ are _____ options _____ _____ attendance, including _____ apps?

_____ _____ _____ allow for recording _____ _____ various means?

Is it possible _____ _____ _____ _____ accommodate a number _____ _____ _____ record attendance, such _____ _____ the use of a _____ _____?

Do _____ know if _____ apps and _____ can _____ _____ to _____ _____?

Are _____ attendance records compatible _____ a range _____ _____ _____ _____ as mobile _____?

_____ you enable mobile _____ _____ _____ system _____ _____ have _____ attendance recording?

Is your system able to _____ _____ different _____ to _____ attendance, such _____ _____ _____ _____ _____?

_____ _____ attendance system _____ well with different _____ of _____ _____ _____ through mobile _____?

_____ _____ system have the _____ to record _____ _____ _____ attendance, _____ as bio-metrics or using _____ _____?

_____ the _____ capable _____ recording different _____ of attendance, _____ _____ _____ bio-metrics or using _____?

_____ _____ support different types _____ _____ _____ _____ as mobile _____ and abiometric scanning

Does your _____ _____ accommodate _____ _____ to _____ attendance, such as _____ _____ applications?

_____ _____ _____ have _____ capacity to _____ different forms of attendance recording, such _____ _____ _____?

Are you able _____ _____ mobile apps _____ _____ track _____?

Do you support _____ _____ of attendance recording _____ _____ _____ apps _____ _____ scanning?

Is it possible that _____ _____ supports different recording of attendance _____ _____ _____ with _____ _____ _____ or _____ _____?

_____ _____ _____ _____ able to record _____ ways of attendance, such _____ _____ _____ or using mobile _____.

Do _____ have _____ options _____ _____ attendance _____ your _____ like a mobile _____?

Do you know _____ _____ are _____ _____ _____ the recording of _____ _____ _____ apps?

Is _____ _____ _____ _____ system to support different _____ of _____ _____ _____ as a mobile _____?

Is there _____ way to _____ _____ _____ _____ mobile application or _____?

Can you _____ your _____ _____ _____ _____ number _____ recording methods, such _____ _____ applications?

_____ _____ attendance system _____ _____ accommodating _____ _____ of ways to _____ _____ such as using a _____?

Is there a _____ _____ record employees' presence with _____ _____ _____ as _____ based _____ _____ _____?

Is your _____ system _____ to _____ various ways _____ _____ _____ such _____ using _____ mobile _____?

Is the _____ record _____ with _____ _____ _____ Biometrics?

_____ your attendance _____ able _____ accommodate many different ways to _____ _____ _____ _____ _____ mobile _____?

Will attendance _____ _____ _____ _____ _____ including bio-scanners or _____ apps?

Can you _____ your attendance system _____ _____ _____ _____ _____ methods _____ _____ mobile app?

_____ you _____ a _____ that _____ system will allow _____ to _____ _____ through phone _____ _____?

_____ _____ _____ able _____ _____ different ways of attendance, such as _____?

Do _____ _____ _____ you _____ use mobile _____ to _____ attendance?

Is your _____ _____ to _____ _____ _____ of ways _____ record _____ such as _____ _____ applications?

Is _____ system capable _____ supporting _____ forms of _____ _____ _____ _____ mobile _____ and Biometrics?

_____ your system _____ the _____ to _____ different _____ _____ such as _____ or applications?

_____ you able _____ _____ attendance _____ mobile _____?

_____ the system that _____ _____ _____ with mobile applications _____ _____ methods?

Would _____ _____ record _____ ways of _____ _____ as _____ _____ or _____ mobile applications?

Is _____ _____ that _____ system _____ _____ _____ to record _____ _____ phone, Biometrics, etc?

Are you able _____ _____ _____ _____ _____ _____ _____ _____ _____ recording methods such as a mobile app?

Is _____ _____ _____ one option to _____ attendance in your _____ _____ _____ mobile _____?

_____ _____ support _____ types of attendance record, _____ _____ _____ _____ abiometric scanning?

_____ it possible _____ provide _____ _____ system with _____ _____ _____ _____ methods like a mobile _____?

Is it possible _____ _____ with _____ _____ _____ can _____ _____ like using fingerprints _____ using an app on _____ _____?

____ ____ possible to ____ ____ ____ system with ____ number ____ ____ methods, like mobile apps?

Are you ____ to ____ ____ ____ andbiometrics?

Do you ____ ____ use ____ Biometrics, phones, and ____ ____ attendance ____?

____ you ____ if ____ are other ____ ____ record ____ for ____ a ____ app?

____ ____ ____ your ____ supports different recording methods for example ____ ____ mobile ____?

Is ____ possible ____ deal ____ modern ways ____ ____ clock ____ ____ using fingerprints or using ____ ____ on ____ phones?

____ ____ ____ system ____ ____ multiple ____ to record ____ such as through a ____ application?

____ ____ ____ your attendance ____ with a ____ of ____ methods, ____ mobile apps?

Does the ____ support ____ ways ____ attendance recording, such ____ ____ ____ ____ application?

____ it ____ ____ your system ____ accommodate various ____ to ____ attendance, ____ as through the ____ ____ ____ applications

____ your attendance ____ ____ of accommodating many ____ ____ to ____ attendance, ____ as using ____ mobile ____

____ ____ ____ for ____ ____ accommodate a variety of ____ to record attendance, such ____ ____ ____ a mobile application?

____ ____ like ____ know ____ ____ system ____ us ____ record attendance ____ phone apps, etc.

____ it possible ____ ____ ____ ____ ____ with ____ ____ of recording methods like a ____ app?

____ ____ ____ system allow ____ different ____ to ____ attendance, such ____ using ____ mobile

____ ____ ____ that ____ attendance compatible with a number of ____ ____ such as ____ ____

____ ____ have ____ ability to deal with ____ ways for ____ ____ clock in, ____ ____ ____ ____ using ____ phone app?

____ ____ ____ ____ ____ record employees' presence with different approaches, such ____ phone ____ or ____ ____ Biometrics?

Do you ____ different ____ ____ ____ ____ like ____ of Biometrics, phones ____ apps?

____ you ____ different ____ ____ ____ recording, like biometrics, phones ____ apps?

Does ____ system ____ ____ ____ different ____ of attendance, such as ____ ____ or mobile ____?

____ ____ attendance ____ accommodate a ____ ____ different ways to record ____ such ____ ____ a ____ application?

Is ____ possible for your ____ to ____ ____ ____ ____ methods, ____ ____ using a ____ application?

Is ____ ____ ____ able ____ accommodate multiple ____ ____ record attendance, ____ ____ through a mobile ____?

Multiple attendance ____ ____ ____?

Is ____ possible ____ ____ attendance recording ____ ____ mobile apps ____?

Does ____ ____ ____ ____ many different ways to record ____ ____ as through ____ mobile ____?

Is ____ possible ____ record ____ ____ ____ apps and scans?

____ it possible for your ____ ____ record ____ ways of ____ ____ using ____ ____ applications?

Do you have ____ ____ ____ ____ ____ modern ways employees ____ clock ____ like ____ fingerprints ____ using ____ app on ____ phone?

Does ____ system ____ ____ ____ of attendance ____ ____ mobile applications?

____ you ____ ____ ____ ____ other methods for recording ____ ____ as mobile apps and ____?

Is it ____ to ____ ____ in your ____ ____ a ____ application?

____ there ____ than ____ option ____ recording ____ in your ____ like ____ apps?

Is ____ ____ ____ ____ system has ____ recording ____ attendance methods, ____ ____ ____ a mobile app?

Is it possible ____ use ____ ____ of ____ like phone apps, ____ ____ ____?

____ it possible ____ provide ____ ____ system ____ a variety ____ recording methods ____ ____ ____ mobile app?

____ ____ apps, or similar ____ can ____ used ____ ____ attendance.

____ ____ system able ____ record ____ ways of attendance, like ____ ____ or ____?

____ ____ ____ ____ accommodate different ways to record attendance, ____ ____ ____ a mobile?

Track attendance ____ biometrics, phone ____ and other ____ ____ ____.

your ____ system can accommodate ____ different ____ to record ____ such ____ ____ ____ ____

Is ____ ____ system ____ ____ ____ mobile applications?

Is ____ system capable ____ recording different ____ ____ attendance such ____ ____ bio-metrics ____ mobile ____?

____ ____ possible ____ your ____ ____ accommodate a ____ ____ ____ to record attendance, ____ as using a mobile ____?

Is your ____ ____ of ____ ____ ____ ____ such as bio-metrics or using ____?

Do ____ know ____ ____ ____ other ways ____ record ____ such as ____ mobile ____ or ____?

Does your system have ____ ____ to ____ ____ types of attendance ____ ____ ____ mobile ____?

____ you know ____ there are ____ ____ ____ like ____ ____ or biometrics?

Do you support ____ ____ of ____ ____ ____ the use ____ phones and ____?

Is ____ ____ ____ compatible ____ ____ ____ of ____ ____ like through the use of ____ applications?

____ your attendance system ____ ____ ____ than one ____ ____ record attendance, such ____ ____ a ____ application?

Can ____ ____ your attendance ____ with ____ ____ methods, like ____ mobile ____ ____ abiometrics?

Are ____ ____ ____ ____ recording different ways of ____ such ____ bio-metrics ____ ____ applications?

____ ____ ____ accept ____ methods, like ____ a phone or ____ device?

____ it ____ for ____ system to offer ____ ____ to register ____ including a ____ ____?

____ the system that ____ attendance ____ ____ Biometrics, or ____ ____?

Do you ____ ____ ____ ____ ____ recording ____ as ____ biometrics, phones, and apps?

Is ____ attendance system able ____ ____ ____ ____ ____ ____ ____ attendance such as using ____ mobile?

Does your ____ allow the recording ____ ____ through ____ ____ of ____?

Can ____ attendance system ____ multiple ways ____ record ____ such ____ ____ ____ mobile ____?

____ you ____ different ____ of attendance ____ like mobile ____ and ____ ____?

____ the ____ system compatible with ____ use ____ ____ applications?

____ there ____ way ____ ____ presence with different ____ ____ phone ____ Biometrics?

Is your system ____ to record ____ ____ means like ____ ____ ____?

____ your ____ ____ compatible ____ different ways of recording attendance, like ____ ____ ____ ____ applications?

____ you use ____ ____ to track attendance ____ ____ system?

Is ____ possible ____ your system supports ____ ____ of ____ ____ ____ example ____ a ____ app or something?

____ you ____ ____ ____ ways of recording ____ like ____ mobile applications?

____ ____ attendance ____ compatible with ____ ways of ____ attendance, ____ ____ ____ mobile application

Does ____ ____ have ____ ____ ____ record different ways of attendance, ____ ____ using ____?

Do ____ ____ ____ ____ mobile apps, and attendance ____?

Is it possible for ____ system ____ ____ ____ ways ____ record ____ ____ ____ using a ____ application or ____ a ____ device?

____ your ____ ____ ____ to accommodate different ways to ____ attendance, ____ as ____ ____ applications?

____ you know if ____ ____ other ____ to ____ ____ including ____ ____ and Biometrics?

____ apps, and ____ ____ methods?

Is ____ ____ for ____ system ____ record ____ ____ of ____ such as ____ bio-metrics or using ____?

____ you provide ____ ____ system ____ ____ ____ methods ____ as mobile andbiometrics?

____ the ____ that ____ ____ ____ with a range of ____ ____ ____ as Biometrics ____ Through Mobile?

____ your attendance system ____ ____ different ____ ____ ____ attendance, like with mobile ____?

____ you give your ____ system ____ ____ ____ methods, such as ____ ____?

____ your ____ capable of supporting ____ types of attendance ____ such ____ ____ ____?

Can ____ system ____ ____ ____ of attendance like using ____ or ____ ____?

Are ____ attendance ____ able to accommodate many ____ ways ____ ____ ____ ____ ____ through a ____ application?

____ you ____ ____ ____ apps and biometrics ____ available for ____ attendance?

____ ____ know if ____ are other options ____ ____ ____ ____ as ____ mobile app?

Can your attendance ____ ____ ____ variety ____ ____ to record ____ ____ ____ using mobile applications?

____ your system ____ of ____ ____ ____ of attendance, ____ as using bio-metrics ____ ____?

____ ____ give ____ attendance system ____ a ____ of ____ ____ like a mobile app ____?

Does your attendance system ____ ____ ____ recording ____ like ____ ____ applications?

Do ____ ____ more ____ one ____ to ____ ____ like a ____ app?

Is it possible ____ your system ____ ____ ____ ____ of ____ ____ including ____ applications?

Are you ____ ____ accommodate ____ different ____ ____ record ____ such as by ____ a ____ ____?

Do you support mobile ____ and ____ ____ ____ ____ attendance?

Are you able to deal ____ ____ ____ ____ employees ____ clock in, like ____ ____ ____ using ____ app on ____ ____?

Are ____ ____ ____ give ____ ____ ____ with a ____ of recording ____ such ____ a mobile app?

____ ____ ____ system compatible ____ ____ range of ____ ways, including ____ applications ____ Biometrics?

Will ____ be tracked with ____ than ____ method, including ____ ____ ____ ____?

____ your ____ support different recording methods ____ ____ ____ mobile ____ ____ the like?

Will it be ____ ____ ____ attendance ____ bio-scanners ____ ____ apps?

Is ____ ____ system able to ____ ____ ____ ____ different ways, including ____ mobile ____?

____ it ____ ____ ____ system allows different ____ ____ attendance ____ for ____ with a ____ app?

____ your attendance ____ accept ____ different ____ to ____ ____ ____ as using ____ applications?

Is there more ____ one ____ ____ record ____ like ____ mobile ____?

____ ____ possible that ____ system will ____ us ____ ____ ____ ____ phone, scans, etc.

Can you provide your ____ ____ ____ ____ ____ methods, ____ ____ mobile app ____ abiometrics?

Is your ____ system ____ ____ ____ ____ different ____ ____ ____ attendance such as using ____ mobile application?

____ ____ possible to ____ ____ ____ mobile apps andbiometrics?

Is ____ ____ for ____ system to ____ different ____ of ____ ____ as using ____ ____ using mobile applications?

Is it ____ for your ____ to ____ ____ ____ of ways ____ ____ attendance, ____ as through ____ ____ of a mobile ____?

Can you give ____ ____ ____ with multiple recording ____ such ____ ____ ____?

____ it ____ that ____ ____ different recording methods ____ ____ for instance ____ ____ mobile app ____ something?

____ ____ possible to log ____ through mobile applications ____ ____?

____ ____ ____ ____ have different attendance recording ____ like a ____ app?

Is your ____ system compatible ____ ____ ____ ways to ____ attendance, ____ as by ____ ____ mobile ____?

____ ____ attendance system accommodate ____ ____ to record attendance, ____ example ____ ____ applications?

Does the ____ ____ different ways to ____ ____ ____ as with ____ mobile ____?

____ it ____ ____ the ____ ____ ____ ____ of ____ ____ for example with a mobile app?

____ ____ possible to deal ____ ____ ways ____ can ____ in, like using ____ ____ using ____ app ____ their phones?

____ the attendance ____ ____ ____ ways to record ____ such ____ by using ____ ____ application?

____ it ____ ____ your ____ ____ ____ a number of ____ ways ____ record attendance, such as ____ ____ use ____ mobile applications?

____ ____ in ____ of different ____ of attendance recording, ____ mobile ____ ____ abiometric ____?

Do you ____ different types ____ attendance ____ ____ ____ apps ____ abiometric ____?

Can ____ ____ your ____ system ____ recorded ____ ____ as mobile andbiometrics?

Can ____ ____ ____ attendance ____ ____ recording ____ like ____ mobile app or abiometrics?

Do you ____ ____ ____ and ____ scanning ____ recording attendance?

Is ____ system ____ ____ ____ ____ ____ many different ____ such ____ with Biometrics ____ Through Mobile?

Do ____ ____ different types of ____ recording ____ ____ ____ and ____ scanning.

Is ____ ____ capable of ____ ____ ways of attendance, such ____ ____ ____ ____ ____ mobile applications?

____ you give your ____ ____ ____ ____ lot ____ recording ____ like mobile phones ____ bio-metrics?

____ you ____ ____ attendance system a variety ____ ____ methods, like ____ mobile ____?

____ you ____ ____ there ____ ____ options for ____ attendance, including ____ apps and ____?

____ ____ give your ____ ____ ____ a ____ of recording methods, ____ as mobile ____ or ____?

____ it possible to ____ ____ ____ mobile apps and ____?

Is it ____ that your ____ ____ different recording of ____ ____ such ____ ____ applications ____ ____ like?

Can ____ ____ of technology be ____ to ____ attendance ____ ____ system?

____ you ____ ____ ____ of attendance recordings including the use ____ Biometrics, ____ ____ ____?

____ the attendance ____ compatible ____ a range of ____ ways, ____ ____ mobile ____ and ____?

____ your ____ system able to ____ ____ ____ ways to ____ attendance, ____ as ____ ____ mobile.

Do ____ have ____ ability to use ____ phone ____ ____ something ____?

Is your attendance ____ ____ ____ ____ a lot of ____ ways ____ ____ attendance, ____ as ____ mobile applications?

Is the ____ ____ ____ ____ compatible with mobile applications ____ ____ methods?

____ it ____ to ____ ____ via mobile applications ____ scanning?

Are ____ ____ to record ____ ____ mobile ____?

Is ____ system ____ to record ____ ways ____ ____ including ____ bio-metrics?

Are ____ ____ ____ ____ recording ____ like a mobile app?

____ your attendance ____ compatible ____ ____ ways ____ recording attendance, like ____ mobile ____?

____ your ____ system able to ____ attendance ____ ____ ____ ____ ways, including using mobile ____?

Do you ____ ____ ways of recording ____ ____ ____ ____ app?

____ ____ able ____ ____ with modern ____ employees can use ____ ____ ____ like using fingerprints or ____ ____ on ____ phone?

Is your system ____ ____ ____ ____ ____ of ____ ____ as using bio-metrics ____ mobile?

Is your ____ ____ to ____ different ____ ____ attendance, such ____ ____ ____ and using mobile ____?

____ you ____ ____ ____ ____ a variety of ____ methods, like ____ mobile app ____ biometrics?

____ you support ____ types of ____ ____ ____ as the ____ of ____ ____ phones?

Is ____ ____ capable ____ ____ ____ ____ ____ attendance, like ____ bio-metrics or mobile applications?

____ ____ ____ different types ____ ____ recording including ____ apps or abiometric ____?

____ your attendance ____ accommodate ____ ____ of different ____ ____ record ____ ____ as using a ____ application?

Will ____ be ____ by multiple ____ ____ ____ or ____ apps?

____ ____ ____ for your ____ to accommodate ____ ways to ____ ____ ____ as using a mobile ____ or using a ____ ____?

Are your ____ capable ____ ____ ____ ways of ____ such as ____ or ____ ____?

Is your ____ capable ____ supporting ____ ____ ____ ____ recording methods such ____ mobile ____?

____ your attendance ____ compatible with mobile applications ____ ____ ____?

Can ____ give ____ attendance ____ with a ____ of ____ methods, like a ____ ____ ____ ____?

____ your ____ ____ ____ many different ____ to record attendance, such as ____ ____ ____ application?

____ ____ able to ____ with modern ____ ____ ____ clock in, ____ ____ ____ or some kind ____ app on ____ phone?

____ ____ attendance system compatible with ____ ways ____ recording ____ ____ with ____ applications?

____ your ____ capable of supporting ____ ____ of ____ methods, such as ____ ____?

____ ____ possible ____ use ____ apps ____ ____ system if you ____ different attendance ____?

Is ____ ____ ____ ____ way to ____ ____ including mobile ____ and biometrics?

____ there ____ way to ____ ____ ____ mobile ____ and biometrics?

Does ____ system have ____ ability ____ record ____ ____ of ____ ____ as bio-metrics ____ mobile ____?

Can various ____ of ____ be used ____ ____ ____ in your ____?

____ ____ ____ support different ways of ____ attendance, such as ____ a ____ ____?

Are you ____ to deal ____ modern ____ employees ____ clock in, like ____ ____ ____ ____ an ____ ____ their phones?

Are ____ able ____ ____ attendance with ____ ____ andbiometrics?

____ it ____ ____ enable mobile ____ in ____ system with ____ attendance ____?

Do you support different ____ ____ attendance ____ ____ ____ using ____ ____ phones?

____ it compatible with different ____ of ____ attendance, ____ ____ mobile ____?

Can you ____ ____ ____ ____ ____ a plethora ____ recording methods such as ____ mobile ____ or ____?

____ you know if there ____ ____ ____ ____ ____ attendance ____ the mobile app?

Is your system ____ ____ ____ different forms of ____ ____ ____ ____ mobile apps?

____ attendance system can accommodate ____ ____ ____ ____ ____ attendance, such as using ____ ____.

Is your system ____ ____ record different ____ ____ attendance, ____ as ____ bio-metrics ____ mobile ____?

Is ____ ____ that records attendance ____ with many ____ ways, ____ ____ ____ applications?

Is ____ attendance system ____ to ____ ____ ____ ways to record ____ including ____ ____ applications?

Is ____ possible to ____ ____ using mobile ____ or ____ ____?

Is ____ possible that ____ ____ supports ____ ____ ____ attendance methods, ____ instance with a ____ ____?

Are you able to ____ ____ ____ ____ to record ____ ____ ____ ____ mobile applications?

____ ____ have a chance ____ ____ system will ____ us ____ record ____ ____ phone ____ scans?

____ ____ attendance ____ ____ with different ____ of ____ attendance ____ through mobile applications?

____ you ____ ____ there ____ other options for ____ ____ ____ mobile apps ____ Biometrics?

The ____ ____ ____ ____ ____ different ____ ____ attendance, such as using bio-metrics or using ____.

____ you tell me if ____ system ____ us to record ____ via ____ ____ ____ ____ ____?

Can ____ ____ ____ ____ your system ____ allow us ____ ____ attendance via phone apps, ____.

____ your attendance system compatible with ____ ____ ____ recording attendance, ____ ____ through ____ use ____ mobile ____.

Does ____ ____ record ____ ____ various ways?

Is it ____ for ____ ____ to accommodate a number ____ ____ ____ ____ attendance, such as ____ mobile ____?

____ ____ system able to record ____ ways ____ attendance, ____ using ____ ____ using ____?

Do ____ ____ different types ____ attendance recording ____ include Biometrics, ____ ____ ____?

____ ____ know ____ there ____ other recording options ____ ____ mobile ____ or Biometrics?

____ ____ have options in your system to log ____ ____ ____ ____?

Is ____ ____ able ____ ____ different ways ____ attendance ____ as bio-metrics ____ applications?

____ you support ____ forms of ____ recording ____ mobile apps ____ ____ ____?

____ you ____ ____ there ____ other options ____ attendance recording, ____ ____ ____ mobile app?

____ ____ system capable of ____ different ____ ____ ____ such ____ using bio-metrics or mobile ____?

Is your system ____ ____ recording attendance through ____ ____ ____ ____?

Does ____ ____ ____ different attendance ____ like using ____ phone ____ a ____?

Does ____ attendance system ____ many different ____ to record ____ ____ ____ using ____ ____?

Does ____ ____ allow ____ ways ____ recording ____ ____ as mobile apps?

Is it possible ____ ____ with ____ ways employees ____ ____ in ____ ____ fingerprints or ____ ____ on their ____?

Is the ____ ____ compatible ____ ____ ways of ____ ____ ____ ____ through mobile applications?

____ ____ ____ system able ____ ____ many ____ ways ____ record attendance, like ____ a ____ application?

____ ____ provide ____ attendance ____ ____ ____ recording methods, ____ ____ mobile phones and bio-metrics?

____ there any option ____ ____ attendance ____ your ____ ____ a mobile ____?

Is your system ____ of ____ ____ through ____ ____ as ____ apps?

Do ____ ____ different ____ of attendance ____ such as the use ____ ____ ____ and ____?

Does your system ____ ____ recording attendance ____ means ____ ____ ____ app?

Do ____ support ____ types ____ attendance recording, ____ ____ using ____ phones ____ apps?

Is ____ ____ able ____ recording different ways of ____ ____ as ____ bio-metrics or ____ ____ ____?

____ you support ____ ____ of attendance ____ ____ use of ____ phones, ____ apps?

____ the ____ that ____ ____ compatible ____ ____ range ____ different ways, such as ____ Biometrics.

____ ____ give the ____ ____ ____ recording ____ ____ a mobile app or abiometrics?

____ ____ ____ system ____ with different ____ of recording ____ ____ through the use of ____ ____?

Can your attendance system ____ many different ____ ____ record ____ such ____ ____ the ____ of ____ ____?

____ ____ system ____ records ____ ____ ____ other ways, such as biometrics?

____ there ____ way ____ ____ employees' presence with ____ ____ like ____ applications or ____ ____ biometrics?

____ ____ offer your attendance system ____ ____ ____ ____ such as ____ ____ and bio-metrics?

Is ____ system ____ records ____ ____ with a range ____ ____ ____ ____ through mobile ____ biometrics?

Is ____ attendance ____ possible ____ ____ ____ different ____ to record attendance, ____ as ____ a ____ application?

Can ____ attendance system ____ ____ ways ____ record attendance, ____ example ____ ____ mobile?

Does your system ____ recorded ____ through means ____ ____ ____ ____ app?

Do ____ support ____ types ____ attendance recording, including ____ ____ ____?

Do ____ ____ ____ ____ to ____ attendance with mobile apps ____?

Is ____ attendance ____ compatible ____ many different ____ as ____ applications?

____ you ____ ____ there are ____ ____ to record attendance, ____ example ____ ____ app?

____ ____ attendance ____ ____ of recording different ways of attendance, such as ____ ____ ____ ____ ____ applications?

Do ____ ____ different types ____ ____ ____ like ____ ____ of Biometrics, phones, ____ apps?

Is your ____ system ____ ____ accommodate ____ ____ to record ____ such ____ by ____ a ____ application?

Can you provide your attendance ____ with ____ recording ____ like ____ ____ ____ ____ ____?

Does your ____ ____ ____ ability to support ____ ____ of attendance ____ ____ ____ mobile apps?

____ there ____ possibility that ____ system ____ different recording of attendance methods, ____ ____ with ____ ____ ____?

____ ____ able to ____ ____ ____ mobile apps?

____ your attendance system ____ multiple ways ____ ____ ____ ____ ____ using a mobile?

Does ____ system ____ ____ methods ____ recording ____ ____ as mobile apps?

____ ____ ____ capable ____ recording ____ through various means?

Is ____ ____ ____ ____ ____ ____ ____ different ways to record attendance, such ____ ____ a mobile application?

Is ____ ____ for ____ ____ give ____ ____ system with a variety ____ ____ ____ like a mobile app?

____ you tell ____ if ____ ____ will ____ ____ to ____ attendance via ____ apps, etc?

Can ____ system recording ____ ways ____ ____ ____ as ____ bio-metrics or ____ applications?

____ ____ ____ options for recording attendance, like ____ ____?

____ your system ____ different ____ of attendance methods ____ ____ ____?

____ your ____ system capable ____ recording ____ via ____ mobile ____?

____ the attendance ____ compatible ____ ____ range ____ ____ ways, ____ as ____ applications and Biometrics?

____ you ____ ____ ____ ____ ____ attendance in your system, like mobile apps?

Your system ____ ____ ____ recording different ____ ____ attendance, ____ using ____ or using ____.

____ ____ support attendance recording in ____ ways, ____ ____ apps ____ ____ scanning?

Do you support different ____ ____ ____ ____ like abiometric ____ and ____ ____?

Can ____ attendance ____ accommodate ____ ____ ways ____ ____ ____ ____ as by using ____ mobile application?

Do ____ allow ____ ____ of attendance ____ ____ the use of ____ phones, ____ ____?

The system may ____ ____ ____ ____ attendance methods, ____ mobile ____.

Is there ____ ____ one ____ ____ recording ____ including ____ and Biometrics?

____ ____ ____ ____ types of ____ ____ ____ mobile apps to abiometric scanning?

Do ____ have ____ ability ____ ____ mobile ____ ____ scans ____ record attendance?

____ there ____ ____ ____ recording ____ for ____ the mobile app?

Is ____ attendance ____ ____ ____ accommodate different ways to record ____ ____ ____ ____ a mobile ____?

____ ____ system capable of recording different ____ of attendance, ____ ____ ____ ____

____ it possible for ____ ____ deal ____ ____ ____ employees can ____ ____ like using ____ ____ an app on ____ phones?

____ ____ support ____ types ____ ____ ____ like mobile apps and ____ scanning?

Is ____ system able ____ support ____ ____ methods, including mobile ____ ____ the ____?

Is ____ attendance system able ____ ____ ____ ____ to record attendance ____ ____ ____ ____ mobile application?

____ it possible ____ give your ____ ____ ____ ____ number of ____ methods, ____ a ____ app or abiometrics?

____ it ____ for ____ system to record ____ with ____ ____ of methods, such ____ ____ ____ ____ or using fingerprints?

____ you ____ your attendance ____ ____ a variety of ____ ____ such as a mobile ____ ____ ____?

____ ____ system ____ ____ attendance compatible ____ a ____ ____ ____ ways, such as ____ applications or biometrics?

Can ____ ____ your ____ ____ ____ a variety ____ recording ____ like a mobile ____ or ____?

Is it ____ ____ record ____ with ____ apps ____ scans?

____ you ____ your attendance ____ with ____ recording ____ such ____ ____ phones ____ bio-metrics?

____ ____ system ____ ____ ways ____ attendance, ____ ____ using bio-metrics, ____ using mobile applications?

Is your system ____ ____ recording ____ ways ____ ____ such ____ ____ ____ mobile applications?

Do ____ have ____ ____ to use ____ apps ____ ____ to record ____?

____ ____ compatible with ____ ____ of ____ attendance like through ____ applications?

Do you ____ different ____ ____ ____ recording, like mobile ____ ____ ____ scanning?

Is there ____ than one ____ ____ record attendance ____ your system, ____ ____ ____ ____?

____ you ____ different ____ of attendance ____ ____ ____ apps ____ abiometric scanning?

Is the ____ that ____ attendance ____ ____ ____ ____ such as through ____

Is your ____ system ____ ____ ____ ____ ways ____ record ____ ____ as using a mobile?

Do you ____ if ____ are ____ ____ ____ available, such ____ ____ apps and ____?

____ ____ system have the ability ____ support ____ ____ of ____ recording, ____ ____ mobile apps?

Is ____ ____ ____ you have different ____ of ____ ____ ____ mobile applications?

____ ____ ____ capable of recording ____ ways of attendance, such ____ using bio-metrics ____ ____ ____?

____ system that records ____ compatible ____ ____ range ____ ____ ____ ____ as mobile ____ or Biometrics?

Does ____ system support different ways ____ ____ attendance, ____ ____ using ____ mobile ____?

____ ____ support ____ recording methods such ____ mobile apps and ____ ____?

Do you ____ if ____ ____ ____ ____ to record ____ ____ mobile applications and ____?

____ you know ____ ____ ____ other ____ to record ____ like a mobile app ____ ____?

____ ____ system ____ with different ____ ____ recording ____ ____ as via a ____ application.

____ ____ give ____ ____ system with a number ____ ____ methods, ____ a mobile ____?

Does ____ system ____ different ____ ____ attendance methods like ____ ____?

Does your ____ have the ____ ____ record ____ ways ____ ____ ____ example using bio-metrics ____ using mobile ____?

You ____ use ____ phone applications, and ____ ____ ____ ____ attendance.

____ ____ ____ system ____ with different ____ methods, like ____ mobile applications?

Is ____ ____ capable of recording different ____ of ____ ____ using ____ ____ using mobile ____?

____ ____ ____ ____ attendance system with ____ methods, such as ____ andbiometrics?

____ ____ ____ support different ____ ____ attendance methods, ____ instance ____ a mobile app?

Is it ____ to ____ attendance ____ multiple options, ____ a ____ ____?

____ it possible for your ____ ____ record ____ ways of ____ such ____ ____ ____ ____ applications?

____ it possible ____ ____ ____ ____ means like mobile ____ and Biometrics?

Is ____ possible for your system ____ have mobile ____ ____ ____ ____?

Does your system record ____ ways of ____ ____ ____ bio-metrics ____ ____ applications?
