[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Assistance with parental controls and content filtering
Inquiry Sub-Category	Parental Controls for Specific Apps
Description	Supporting customers in setting up parental controls for specific applications or platforms that require additional configurations beyond standard device-level controls, such as social media platforms or messaging apps.
Data Size	5,039 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

What _____ differ for _____ with _____ _____ beyond _____ _____ level _____ setting up _____ accounts?

_____ _____ you _____ applications _____ require _____ settings beyond _____ in _____ system _____ setting up _____ controls?

_____ are _____ for _____ _____ parent controlled _____ _____ applications _____ _____ than the device level.

_____ _____ procedures vary for _____ parental controls for _____ _____ demand _____ customizations along with _____ _____ level _____?

_____ how customization processes differ _____ apps _____ _____ _____ beyond fundamental device _____ _____ _____ _____ _____ parent-managed account.

If there _____ _____ configurations _____ _____ _____ _____ _____ _____ do the setup processes change for parent-controlled _____?

_____ want _____ learn how _____ set up _____ _____ for applications that are _____ _____ _____ _____ level.

_____ _____ to learn _____ about _____ _____ for setting up parent-controlled _____ for _____ _____ are outside _____ their _____.

_____ _____ are used to set up _____ _____ _____ applications with _____ _____ beyond device _____

Is _____ possible _____ _____ requiring supplementary setup _____ _____ _____ _____ separate guidelines for creating _____ _____?

_____ _____ you _____ a _____ control account that is _____ _____ just _____?

_____ there _____ _____ configurations involved _____ a _____ _____ _____ the setup _____ for _____ accounts change?

_____ _____ _____ learn _____ _____ _____ for setting up _____ accounts for _____ outside of _____ device

_____ procedures are _____ _____ _____ _____ parent-controlled accounts for _____ _____ than their _____ level?

When _____ _____ more complex configuration _____ than _____ _____ setup, _____ _____ occur to _____ controls?

_____ are _____ procedures for applications _____ device _____ different _____ _____ setup _____ parent _____ accounts?

_____ want to _____ more about _____ procedures for _____ _____ parent-controlled _____ _____ applications that are _____ than _____ device _____.

What _____ are used for setting _____ parent-controlled _____ in _____ _____ _____ device _____?

_____ there a way _____ _____ parent-managed profiles that _____ additions _____ device _____ _____ initial _____?

_____ _____ _____ _____ applications other _____ device level different _____ the _____ of parent-controlled _____?

_____ _____ _____ _____ way _____ _____ _____ profiles for _____ requiring supplementary setup beyond standard devices?

_____ accounts _____ _____ procedures for _____ _____ extra _____ beyond the _____ level.

How _____ we _____ with _____ up parent-controlled accounts _____ _____ over _____ _____?

How _____ the procedures _____ _____ _____ _____ accounts _____ cases _____ supplementary settings?

_____ procedures are _____ to _____ _____ parent- controlled accounts in applications _____ _____ _____?

_____ _____ _____ used _____ _____ up parent-controlled accounts _____ _____ with _____ configuration beyond _____ device level.

I _____ to _____ more about the _____ for _____ _____ _____ _____ for _____ that are _____ _____ their device.

I _____ _____ _____ _____ to set up parental _____ _____ accounts with more _____ a _____ _____.

_____ _____ are used _____ setting up _____ _____ _____ in _____ that have more configuration _____ the _____ level?

How can we _____ up _____ _____ that exceed _____ _____?

In _____ _____ parent-controlled _____ _____ are _____ _____ applications _____ extra configurations different?

_____ are _____ _____ steps involved _____ establishing parent controlled _____ _____ applications _____ _____ configurations?

If _____ _____ _____ configurations _____ _____ a per- application _____ do the _____ _____ for _____ accounts differ?

How _____ you _____ applications that need _____ _____ _____ _____ up parental _____?

I need _____ help _____ setting up _____ _____ for _____ that involve _____ _____ _____ device

_____ _____ are _____ for _____ up _____ accounts for applications not _____ the _____ _____

Is _____ _____ _____ parent-controlled accounts _____ for _____ _____ extra configurations?

I _____ _____ _____ learn more about settings _____ parent-controlled _____ _____ applications that _____ _____ of _____ device

_____ setup _____ different for parent-controlled _____ _____ there are _____ _____ involved?

What _____ steps are _____ _____ _____ accounts to manage _____ that _____ settings beyond the _____ _____ _____?

_____ there a set of guidelines for creating _____ _____ for _____ _____ _____ setup _____ _____ _____?

_____ further configurations _____ involved _____ a _____ _____ _____ the setup processes _____ for parent-controlled _____?

I _____ _____ _____ _____ to set _____ _____ accounts _____ applications that aren't just _____.

What _____ should _____ _____ to set _____ _____ controlled accounts _____ _____ _____ device management?

What steps _____ _____ _____ for _____ accounts _____ manage _____ that _____ beyond the _____ _____ level?

_____ _____ advise _____ _____ how to _____ up parental controls _____ _____ that involve more than _____ _____?

_____ _____ _____ further configurations involved _____ a per-application basis, _____ _____ _____ processes _____ parent _____ change?

_____ do _____ _____ change _____ _____ parent-controlled accounts with _____ settings?

I _____ to learn how to _____ _____ _____ controlled _____ for _____ _____ are more than the _____ _____.

The setup _____ parent-controlled accounts _____ different _____ _____ _____ _____ extra _____ beyond device _____.

_____ there _____ further configurations _____ _____ _____ _____ _____ do the setup processes differ for _____ _____?

What _____ are needed to _____ _____ _____ for _____ _____ extra configurations?

I want _____ _____ more about _____ procedures _____ setting up _____ _____ _____ applications _____ the device _____.

I want to _____ about procedures _____ setting _____ _____ _____ for applications _____ more _____ _____ device _____.

_____ can _____ find out _____ _____ _____ _____ _____ controls for _____ that are _____ than one device?

Is _____ a _____ procedure _____ _____ up parent _____ accounts when _____ _____ more _____?

There _____ procedures _____ _____ up _____ _____ for _____ that are _____ of _____ device.

_____ _____ _____ what about configurations beyond _____ _____?

_____ do you create _____ parental _____ account that _____ settings _____ _____?

I would like to _____ more about _____ _____ _____ _____ _____ applications that _____ more than _____ _____.

_____ _____ the _____ _____ used to _____ parent-controlled accounts in _____ _____ extra configurations?

What _____ are used to _____ _____ parent controlled _____ _____ _____ _____ are _____ _____ device level?

I _____ to _____ _____ about procedures for _____ up parent-controlled _____ _____ _____ with more than the _____ _____.

How do _____ differ for applications _____ _____ beyond _____ _____ level in _____ _____ _____?

_____ up parent-controlled accounts in applications _____ _____ outside _____ the device _____ _____ _____.

When _____ restricted parent-accounts _____ _____ beyond basic set-up _____ _____ steps are _____ _____ manage supplementary _____ _____?

_____ would like _____ learn more _____ _____ for _____ up _____ _____ for _____ that are _____ _____ their device

I _____ _____ know more _____ procedures for _____ _____ parent-controlled accounts _____ applications _____ _____ outside of _____ device.

When there are _____ _____ _____ the application _____ _____ _____ different procedures to follow to set _____ _____ _____?

Where _____ are _____ settings, how _____ _____ _____ change for _____ accounts?

I want _____ learn more _____ _____ procedures _____ _____ up parent-controlled accounts for applications _____ _____ _____ _____ device.

_____ _____ up parent-controlled accounts for _____ other _____ _____ device level, what _____ _____?

_____ procedures are _____ for _____ _____ _____ controlled _____ for _____ other than _____ _____ device level?

How _____ you handle _____ that _____ additional settings when _____ _____ _____?

I want to know _____ _____ _____ _____ for _____ up parent controlled _____ for _____ _____ of their _____.

_____ _____ tell _____ if _____ _____ follow _____ distinct _____ _____ configuring parental _____ options across various devices?

____ ____ ____ used ____ ____ up parent ____ accounts in applications that ____ ____ configuration beyond device ____?

I want to learn ____ about procedures for settings ____ ____ accounts ____ ____ ____ ____ ____ ____.

When ____ ____ parent-accounts ____ ____ beyond basic system set-up protocols, ____ steps must ____ taken ____ ____ ____ ____ settings?

How ____ I get through the steps ____ ____ set ____ parental ____ ____ ____ that ____ ____ ____ a single device?

____ there ____ ____ settings, ____ do the procedures change ____ establishing ____ ____?

When ____ ____ parent-accounts ____ go ____ basic ____ ____ protocols, what are ____ ____ needed to manage supplementary ____ ____?

How do ____ deal with applications ____ require ____ settings when ____ ____ ____ ____?

____ ____ ____ required to ____ parent controlled profiles that involve ____ settings outside ____ ____ ____ ____?

____ want to know ____ procedures ____ ____ ____ parent-controlled accounts ____ more ____ ____ device level.

How ____ the ____ change ____ ____ parent controlled ____ when there are ____ ____?

____ is required for ____ ____ to ____ applications ____ ____ settings ____ the standard ____ level?

____ ____ ____ know more ____ settings ____ ____ accounts for ____ ____ more than ____ device level.

____ ____ ____ ____ ____ for setting ____ ____ accounts for applications ____ are outside of their ____.

What procedures are different ____ setup ____ ____ ____ ____ ____ ____ extra configurations?

____ you show me the ____ needed ____ ____ parental controls ____ ____ ____ involve more than ____ device?

I ____ to learn ____ ____ for ____ up parent-controlled ____ ____ applications with ____ than the ____ ____.

____ ____ ____ ____ about procedures ____ settings up parent-controlled accounts ____ ____ that aren't just ____.

When ____ up ____ ____ ____ ____ ____ than device level, what procedures are ____?

____ do procedures ____ ____ beyond the device level differ ____ ____ ____ of ____ ____?

Can ____ tell me how ____ set parental controls ____ application-specific ____ ____ ____ ____ from ____ device ____ custodial ____?

____ ____ set up parent ____ ____ exceeding ____ configurations is ____ question.

____ is ____ ____ setting ____ parent-controlled accounts for ____ beyond ____ device ____?

I want to ____ how to settings ____ ____ ____ ____ ____ the ____ level.

There ____ ____ ____ ____ set up parent-controlled accounts ____ ____ outside of the ____ ____.

____ ____ the setup ____ ____ for parent-controlled ____ ____ there are ____ configurations involved?

How are the procedures ____ ____ beyond ____ device level different ____ ____ ____ ____?

How do ____ ____ a parental control ____ with ____ beyond ____ ____?

____ tell ____ how to set up parental ____ ____ ____ that ____ ____ than one ____.

What procedures ____ ____ when setting up parent-controlled accounts in ____ ____ ____ ____ ____?

What are ____ ____ ____ for managing ____ ____ ____ that ____ beyond ____ device level?

What ____ are ____ ____ setting up ____ controlled ____ for applications ____ than the ____ ____?

____ configuring parental controls, ____ are the ____ ____ for ____ ____ ____ ____ more settings?

____ you ____ me ____ steps ____ ____ setting up parental controls ____ accounts that involve more ____ ____ ____?

When ____ up ____ controls, ____ ____ ____ ____ applications that ____ additional settings?

How are procedures ____ ____ with extra ____ different in ____ ____ ____ ____ controlled ____

What should ____ ____ ____ setting ____ ____ ____ that are over ____ configurations?

How ____ are different when configuring parental ____ for ____ that ____ extra ____ ____ with ____ device ____ ____?

How ____ differ when ____ ____ controls for ____ that demand ____ ____ ____ with ____ ____ device-level restrictions?

____ configuring ____ controls for ____ that ____ ____ ____ along with standard ____ ____ how procedures ____?

____ ____ ____ proceed with setting up parent-controlled ____ that ____ device ____?

how ____ vary when configuring ____ controls ____ apps that ____ ____ ____ ____ with ____ ____ restrictions?

What are the ____ for ____ up ____ ____ in applications ____ ____ ____ beyond ____ ____ level?

____ there a way to ____ ____ ____ ____ on accounts that involve more ____ ____ ____ ____?

I ____ to ____ more about ____ ____ ____ ____ ____ parent controlled ____ for applications that ____ not just ____.

I want to ____ ____ about ____ procedures for ____ ____ ____ ____ ____ applications outside the device ____.

____ ____ ____ when setting up ____ controlled ____ for applications ____ of ____ ____ level?

____ setup processes for ____ ____ vary if there ____ further ____ ____?

____ ____ ____ any distinct ____ ____ configuring parental control ____ for multiple devices, and can ____ ____ me ____?

I ____ help ____ ____ ____ ____ setting ____ parental controls ____ accounts ____ involve ____ than one device.

How are procedures ____ ____ beyond ____ device ____ ____ ____ setup ____ parent accounts?

What ____ ____ ____ to ____ up parent-controlled accounts ____ applications with configurations ____ than ____ ____?

____ ____ ____ ____ configurations at ____ application level are ____ ____ procedures to follow for ____ ____ parent-controlled accounts?

____ ____ ____ vary when ____ ____ ____ for apps that ____ extra customizations along with ____ device-level ____?

When ____ ____ ____ ____ accounts ____ ____ with configurations ____ of the device level ____ procedures ____ used?

I'm trying ____ figure out how to ____ ____ parental ____ on ____ ____ ____ more than ____ ____ device.

When ____ ____ ____ more complex configuration needs, ____ changes occur ____ ____ parental ____?

I would like to ____ more ____ ____ ____ ____ up ____ accounts ____ applications ____ of ____ device.

____ creating restricted ____ ____ go ____ ____ ____ ____ ____ protocols, ____ are the steps necessary to manage supplementary ____ settings?

____ procedures are used ____ setting up parent ____ ____ applications with ____ ____ ____ device ____?

____ ____ ____ ____ ____ for ____ applications that require ____ settings when configuring parental ____?

If ____ are added configurations ____ the device level on ____ what ____ ____ ____ ____ ____ parent-controlled ____?

When apps ____ ____ ____ configuration ____ ____ ____ account ____ what changes ____ ____ to parental controls?

What steps ____ ____ ____ ____ parent controlled ____ ____ applications with ____ configurations?

How do you ____ applications ____ ____ additional settings ____ ____ of the system when ____ ____ ____ ____?

Should ____ ____ ____ procedures ____ ____ parental control ____ across ____ devices, and can you give ____ ____?

____ ____ ____ ____ parent-managed profiles are ____ ____ apps ____ supplementary setup beyond ____ devices.

I ____ ____ ____ ____ about ____ ____ set up parent-controlled ____ for applications ____ different configurations.

____ ____ differences in guidelines ____ creating parent-managed ____ ____ apps ____ ____ setup beyond ____ devices.

What changes ____ made ____ ____ ____ controls when ____ apps have ____ ____ needs?

What ____ ____ used ____ ____ up parent-controlled ____ in ____ ____ more ____ outside of the device ____?

What ____ are used ____ managing parent-controlled user profiles ____ ____ ____ ____ level ____ application ____?

I ____ ____ learn ____ about procedures for ____ up parent-controlled accounts ____ ____ ____ ____ ____ of a device.

How do ____ ____ establishing parent controlled ____ ____ ____ ____ are ____ settings?

____ procedures ____ ____ configuring parental controls ____ apps ____ ____ extra customizations along with ____ device ____ ____?

____ procedure are ____ to ____ ____ parent-controlled accounts ____ applications ____ ____ configuration ____ ____ device level?

____ ____ ____ used for setting ____ ____ ____ ____ in applications with configurations ____ of the device ____?

How do ____ for ____ beyond ____ device level ____ parent-controlled ____ ____?

____ configuring parental ____ what are the ____ ____ managing applications ____ require ____ ____?

What procedures are ____ for ____ up ____ controlled accounts ____ ____ ____ than ____ ____ level?

If ____ ____ further ____ involved on a ____ basis, ____ the ____ processes ____ ____ parent- controlled ____?

What ____ ____ ____ needed to establish parent ____ accounts ____ applications with ____ ____?

____ the ____ customization ____ ____ apps featuring ____ ____ ____ setting up ____ parent-managed account

____ is ____ about the procedures ____ ____ up parent-controlled ____ ____ ____ beyond the ____ level?

What modifications ____ ____ ____ making ____ profiles that involve advanced settings ____ ____ ____ ____ levels?

I ____ to ____ ____ about procedures ____ setting up parent-controlled accounts ____ applications that ____ ____ ____ ____ device ____.

____ do the ____ of parent-controlled accounts differ ____ ____ ____ applications ____ ____ configurations?

When there ____ ____ ____ ____ ____ ____ level, ____ do you ____ up parent-controlled accounts?

What ____ ____ used to ____ ____ parent-controlled accounts for applications ____ the ____ ____?

What is ____ ____ setting up ____ accounts with applications ____ ____ ____ ____?

When it ____ to applications ____ ____ ____ ____ ____ are taken ____ ____ parent-controlled accounts?

____ ____ restricted ____ that go beyond basic ____ ____ protocols, ____ steps need to ____ taken ____ ____ supplementary ____ settings

How ____ procedures for applications ____ ____ configurations ____ in the ____ ____ a ____ ____?

____ want to learn ____ ____ ____ ____ for setting up ____ controlled accounts for more than ____ ____ ____.

What procedures ____ ____ to configuring ____ ____ for apps that ____ extra ____ along ____ standard ____ ____ restrictions?

____ ____ are used when configuring parental ____ for apps that ____ extra ____ ____ ____ ____ device-level ____?

How ____ you ____ parent-managed ____ that require ____ beyond device control ____ ____ ____?

I'd ____ ____ learn ____ about ____ ____ parent-controlled ____ ____ applications that ____ just device.

I ____ ____ ____ ____ about ____ for ____ up ____ accounts for applications that ____ ____ device

____ ____ like to ____ more ____ settings ____ parent-controlled ____ for applications ____ more ____ the device ____.

____ ____ ____ ____ up parent-controlled accounts for ____ with more ____ the ____ level?

____ ____ a ____ for ____ up parent-controlled accounts ____ ____ not ____ the ____ level?

____ there are ____ ____ ____ the ____ what should be ____ differently when ____ parent-controlled ____?

How do procedures for ____ beyond ____ ____ differ from ____ ____ ____ ____ accounts?

____ procedures are ____ ____ set up ____ accounts ____ ____ the ____ level?

What ____ ____ differences between setup ____ ____ accounts ____ procedures for ____ ____ ____ level?

____ ____ ____ ____ ____ set up that exceed device configurations?

If ____ are ____ configurations involved on ____ ____ basis, ____ setup ____ ____ ____ ____ may vary.

What steps ____ needed for parent ____ ____ to manage ____ ____ ____ settings beyond ____ ____ ____ level?

I'd like ____ ____ ____ to ____ parent-managed profiles ____ require additions beyond ____ ____.

How ____ ____ set ____ parent-controlled accounts ____ device ____?

____ ____ are ____ ____ set ____ parent-controlled accounts ____ ____ ____ in the device level?

____ ____ procedures ____ applications ____ device ____ ____ in setup of ____ accounts.

____ ____ ____ how ____ set up parent ____ accounts that exceed ____ ____.

I'd like to know how to ____ ____ parental ____ ____ accounts ____ ____ ____ ____ ____ single device.

What steps are ____ for ____ controlled ____ ____ ____ ____ are beyond the standard ____ ____?

What steps ____ ____ to create ____ ____ ____ ____ ____ has settings beyond devices?

____ ____ differ when ____ ____ controls for apps ____ demand extra ____ ____ with ____ ____ restrictions?

____ do ____ handle ____ ____ ____ more ____ beyond those ____ the overall system when setting ____ ____ controls?

How ____ ____ the procedure ____ setting ____ parent-controlled ____ ____ applications ____ the ____ level?

____ ____ ____ to learn more about settings up parent-controlled ____ for applications ____ ____ more ____ ____ ____.

I want to know ____ to ____ up parent-controlled ____ ____ applications ____ ____ ____ ____.

____ ____ parental ____ what are ____ ____ procedures for managing applications ____ demand ____ ____?

Is there a different ____ ____ ____ up ____ accounts when ____ are ____ ____?

____ procedures ____ used ____ ____ up parent-controlled accounts ____ applications ____ at ____ device ____.

____ ____ to set up parent-controlled accounts ____ applications ____ additional ____ ____.

When configuring parental controls ____ ____ ____ ____ ____ along with ____ device-level restrictions, ____ do ____ differ?

____ want to ____ more ____ the ____ ____ setting up ____ accounts for applications ____ ____ device ____.

Can you ____ me ____ to set ____ parental controls ____ ____ ____ ____ ____ devices?
