[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Technical troubleshooting and support
Inquiry Sub-Category	Software Updates
Description	Queries regarding software updates for telecommunication equipment, including steps to perform updates, compatibility issues, and resolving any errors or bugs.
Data Size	5,094 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ ____ any ____ ____ with ____ latest firmware ____ ____ may impact our ____ stability/performance?

Do you ____ of network stability issues ____ ____ from ____ ____ ____?

Do you know if ____ new ____ is ____ ____ ____ ____ ____ network?

What ____ ____ issues ____ the latest firmware affecting ____ ____?

Do you have ____ ____ the ____ ____ ____ may affect ____ performance?

Are there any ____ ____ ____ ____ release ____ would ____ ____ network's performance?

What are ____ ____ of unstable performance ____ ____ ____ ____ network due to ____ latest ____ ____?

Did ____ ____ ____ issues in ____ latest ____ ____ firmware ____ on how ____ affects networks?

____ are certain ____ in ____ new Firmware ____ ____ ____ performance.

____ there ____ ____ should ____ about ____ it ____ to potential ____ ____ to our ____ caused by ____ the latest ____ release?

Can you tell ____ if ____ ____ ____ will mess ____ ____ network's ____?

____ network ____ ____ ____ ____ issues with latest firmware?

____ there a ____ issue ____ the latest firmware ____ that ____ impact ____ ____?

____ you know ____ ____ stability/ performance ____ from ____ latest ____?

____ ____ ____ ____ with the latest firmware release that ____ our ____ ____?

____ ____ latest update ____ the ____ ____ the network?

____ ____ ____ the issues we've seen with ____ ____ release impacting ____ ____?

____ are ____ ____ ____ the latest ____ affecting network stability.

____ ____ newest update affecting ____ network ____?

There ____ concerns ____ the impact on our ____ ____ the ____ ____.

____ need ____ know if ____ ____ software is going ____ ruin ____ ____ stability.

Is it ____ ____ ____ ____ firmware's impact on ____ network?

Is ____ any issues ____ ____ ____ Firmware ____ us?

What are ____ issues with ____ ____ firmware affecting ____ ____?

Do you ____ any concerns ____ ____ firmware ____ ____ the ____?

Do ____ have concerns with ____ ____ ____?

____ we be ____ about the ____ negative impacts ____ ____ ____ caused ____ installing ____ latest firmware ____?

Is ____ ____ the ____ we have seen ____ ____ latest firmware ____ ____ ____ network?

____ the latest firmware ____ have ____ known ____ that ____ ____ ____ network?

____ ____ ____ ____ issues with the ____ ____ ____ may impact network performance?

Have you heard about issues ____ your ____ ____ greatest ____ ____ that ____ ____?

____ you have concerns ____ the ____ firmware that ____ ____ ____ performance?

There ____ be problems in ____ ____ ____ ____ ____ on performance.

Problems with ____ ____ ____ ____ the network's ____?

____ you ____ ____ network stability/ ____ issues ____ from ____ latest ____ release?

____ any known ____ cause network ____ or ____ performance ____ ____ latest ____?

____ ____ ____ issues with our network due ____ ____ ____ update?

There ____ be ____ with the ____ firmware affecting ____ ____.

____ ____ any issues with unstable ____ ____ ____ ____ our network due ____ ____ latest release?

____ ____ performance ____ ____ the ____ firmware version?

____ ____ likely to be ____ ____ ____ networking capabilities because ____ this ____ version?

Do you know ____ ____ ____ ____ may impact ____ performance?

Are there any ____ problems ____ ____ ____ ____ that ____ affect ____ network?

____ there ____ ____ ____ with ____ latest release ____ the firmware ____ ____ affect ____ network's performance?

____ ____ a ____ with ____ impact of ____ new firmware?

Is ____ ____ ____ broken by ____ newest ____?

Does ____ most ____ firmware release ____ ____ network's ____?

Is ____ ____ ____ update affecting our ____?

____ there ____ ____ ____ the ____ release ____ affect the network?

Is the ____ ____ ____ our ____ stability?

____ reliability is ____ by the ____ ____.

Is there ____ ____ with the ____ firmware ____ ____?

____ stable ____ performing ____ network would ____ impacted by ____ ____ firmware.

____ recent update ____ cause ____ ____ in ____ network.

Have you ____ ____ ____ ____ ____ latest ____ that may affect performance?

What ____ ____ ____ about the ____ update impacting network ____?

There are known ____ ____ ____ ____ ____ release that ____ ____ our network's performance.

Impact network ____ speed, ____ ____ with ____ latest ____?

Are any ____ ____ have ____ ____ ____ ____ release ____ the network's performance?

Is ____ a ____ ____ ____ impact of the ____ firmware ____ ____ network?

____ there ____ problems with ____ recent update that might ____ ____ ____?

____ ____ ____ ____ affect our network?

Any ____ ____ ____ new version affecting ____ ____?

____ ____ stability, ____ ____ issues with ____ firmware?

____ you ____ ____ issues ____ the latest firmware that may ____ ____ ____?

____ need to know if ____ new ____ ____ ____ ____ mess up ____ ____ stability.

____ with the ____ release, impacting ____ ____ ____?

____ there a ____ ____ the impact of ____ new ____?

____ ____ concerns regarding the performance of our ____ ____ to ____ ____ firmware ____.

____ you ____ if ____ new Firmware will mess ____ our ____ ____?

Do ____ ____ ____ ____ are concerns about the newest ____ ____ ____ our network?

____ there ____ known ____ ____ ____ latest firmware ____ ____ may impact our network?

Problems with recent ____ ____ ____ ____?

____ you know ____ any network ____ issues ____ arise from ____ ____ firmware ____?

____ any ____ ____ issues that ____ have ____ ____ the ____ ____ release impacting our ____ performance?

Do ____ ____ ____ network stability/ ____ issues that ____ from the ____ ____?

____ any of the ____ we have seen ____ ____ ____ ____ impacting ____ network's ____?

Do you ____ about network ____ issues ____ ____ ____ release?

Can the newest ____ ____ ____ network ____?

____ ____ seen ____ ____ ____ the latest firmware that ____ ____ network performance?

____ ____ recent ____ cause problems ____ our ____.

____ may be problems ____ ____ new version ____ ____ firmware.

Does any ____ ____ ____ we have seen ____ the ____ ____ affect ____ network's ____?

____ you ____ ____ issues with the ____ firmware ____ ____ affect ____ performance?

Do ____ know ____ ____ problems with the new ____ that ____ ____ our ____?

The speed and ____ of our ____ ____ may ____ ____ ____ the ____ firmware ____.

Do you know ____ network ____ ____ issues arising ____ ____ latest ____?

Is there anything we should ____ ____ ____ regarding ____ ____ ____ to our network ____ by ____ ____ ____ release?

____ ____ ____ concerns with new ____ messing ____ the system?

____ need to know if ____ ____ firmware ____ ____ to ____ up ____ network's ____.

____ ____ to ____ ____ this ____ firmware ____ going ____ ruin our network's stability.

____ ____ will ____ ____ by known problems with ____ Firmware.

Does ____ ____ ____ have any known ____ ____ cause network ____?

There ____ known issues ____ the ____ firmware ____ ____ affect ____ performance.

____ are ____ ____ with ____ ____ firmware release that may affect our ____ ____

____ are problems ____ ____ ____ firmware that could ____ performance.

____ the new ____ ____ the ____ performance?

____ any ____ the issues that we have ____ ____ the latest ____ ____ the ____ ____ ____ network?

Does the ____ ____ ____ any known bugs that ____ instability ____ ____ ____?

____ ____ of the issues ____ have ____ with ____ ____ release ____ our network's ____.

Are ____ of the issues that we ____ seen with ____ ____ release ____ ____ ____ ____?

Is it any ____ ____ ____ ____ firmware?

____ ____ ____ ____ cause ____ ____ reduced performance in the network.

____ there anything ____ could ____ ____ network ____ the ____ release?

The recent ____ could ____ ____ ____ of our ____.

network ____ may ____ ____ by ____ newest ____.

Are ____ problems ____ ____ ____ firmware?

____ ____ anything we ____ to ____ aware of regarding ____ ____ ____ to ____ ____ ____ by ____ the latest firmware release?

____ the latest update ____ ____ ____ performance?

Is ____ recent ____ causing instability ____ ____ ____?

____ with ____ latest release ____ impact ____ network's ____.

____ ____ about ____ the ____ update will affect ____ network?

____ ____ ____ bugs in the latest ____ ____ network instability or ____ ____?

____ have to ____ ____ ____ this ____ software ____ ____ up our network's stability.

____ ____ ____ the new firmware that affect ____ ____?

____ ____ recent update impacting ____ ____ use?

Is ____ any issues ____ unstable ____ ____ impacts ____ ____ ____ ____ of the latest ____ release?

____ ____ any known issues ____ the latest firmware ____ that ____ ____ our ____?

____ ____ ____ problem ____ the new version of ____ firmware?

Are ____ ____ the ____ ____ have ____ with the ____ firmware impacting our ____ ____?

____ there ____ ____ ____ the ____ release that may ____ ____ network's performance?

____ network stability and speed ____ ____ ____ the ____ firmware?

____ ____ latest update affecting ____ ____ performance?

Are ____ ____ ____ ____ ____ recent update ____ might affect the network's ____?

____ there any ____ ____ the ____ ____ affecting us?

____ anyone ____ ____ there ____ any ____ with our ____ due to the ____ ____ release?

The recent firmware ____ may ____ the ____ ____ and ____.

Does ____ ____ ____ pose ____ ____ to our network?

_____ _____ any _____ _____ to Firmware updates?

_____ are concerns of _____ _____ _____ _____ _____ our _____ _____ the latest firmware release.

_____ you know of any _____ with the _____ release _____ _____ _____ our _____ _____?

_____ _____ steady _____ may be negatively affected _____ recently _____ _____.

You have _____ tell me _____ _____ new _____ _____ _____ to mess _____ our _____.

Are _____ any _____ related _____ the _____ firmware _____ us?

The _____ steady functioning _____ be _____ affected by _____ recently _____ _____.

Are _____ of _____ issues that have been _____ _____ the _____ firmware _____ _____ _____ network's _____?

Are there _____ _____ _____ the _____ update that _____ affect the _____ _____?

_____ _____ _____ _____ unstable performance _____ impacts on our _____ due to the _____ _____ release.

Is our network _____ _____ _____ _____ with new _____?

_____ the network's _____ _____ _____ _____ latest release?

Is _____ a _____ with _____ _____ of _____ firmware on _____?

_____ _____ latest update affect _____ _____?

_____ _____ any network _____ with the _____ _____?

Are _____ _____ _____ _____ the _____ update _____ _____ affect _____ network's stability and speed?

I'm _____ _____ there are any _____ with _____ network _____ to _____ _____ release.

Is there any _____ issues with _____ _____ _____ release that _____ _____ _____ performance?

_____ _____ could _____ _____ by the _____ firmware version.

_____ there any _____ _____ the new _____ _____ us?

The recent _____ _____ _____ cause _____ in the _____.

Problems with _____ _____ _____ _____ impact our network's _____.

_____ the network _____ affected _____ _____ _____ problems _____ the new firmware?

_____ _____ a problem with the new _____ _____ on _____?

_____ _____ _____ we know _____ the _____ of installing the _____ recent _____ release on _____ _____?

Are there any known issues _____ _____ latest release _____ would _____ _____ _____ _____?

The _____ update _____ affect _____ _____.

_____ _____ _____ newest release _____ affect _____ network's reliability.

Our _____ _____ _____ _____ impacted by _____ _____ the latest release.

Is the system's _____ functioning _____ _____ the _____ launched _____?

You _____ to _____ me _____ _____ new software _____ _____ our network's _____.

_____ there _____ concern about _____ _____ _____ impacts _____ our network due _____ the _____ _____ release?

_____ recent firmware update _____ cause a _____ _____ _____ network.

The _____ _____ _____ can _____ affected _____ _____ recently launched firmware.

_____ there any _____ with _____ latest firmware that _____ affect _____ _____?

_____ _____ any issues _____ the latest _____ _____ affect _____ network stability?

Any _____ _____ how _____ newest update will impact _____ _____?

Have you _____ any problems with the _____ firmware _____ _____ could _____ _____ _____?

_____ _____ any issues _____ our network _____ by the _____ _____ release?

The speed or _____ of our _____ _____ _____ _____ affected by _____ recent _____ _____.

Is _____ recent update _____ _____ in _____ _____?

_____ _____ _____ _____ pose _____ problems for the network?

Could _____ _____ update _____ any _____ in _____ network?

_____ there an _____ with the _____ release that _____ _____ _____ _____ performance?

Is there anything we should _____ _____ _____ when it comes _____ _____ _____ impacts _____ our network from installing _____ _____ _____ _____?

I want to know if _____ _____ _____ _____ with _____ network _____ _____ the latest _____.

Do _____ latest _____ pose any _____ _____ _____ network's performance?

There are _____ concerns _____ unstable _____ _____ impacts _____ our _____ due _____ the latest _____ _____.

_____ you know of _____ _____ with _____ new release that _____ affect _____ _____?

What's _____ problem _____ _____ latest _____ _____ known bugs _____ my _____ performance?

Are there _____ concerns _____ _____ latest _____ _____ might affect _____ performance?

_____ _____ _____ about _____ in _____ latest _____ _____ firmware release that affect networks?

_____ you know _____ network _____ performance _____ _____ to the _____ recent _____ release?

Do _____ know _____ network stability issues _____ _____ latest _____?

Does the latest _____ _____ _____ impact _____ _____ network performance?

Are there _____ reported problems _____ _____ _____ _____ _____ might affect _____ network?

_____ there _____ _____ on _____ _____ from the newest firmware?

_____ stability/performance _____ _____ affected _____ _____ in new firmware.

_____ _____ performance _____ be _____ _____ the new Firmware version.

Are _____ problems _____ the latest release _____ _____ the _____ _____?

There are known _____ _____ the _____ _____ _____ _____ _____ affect the performance _____ our network.

Have you noticed _____ issues _____ _____ _____ _____ that _____ _____ network performance?

Have any problems _____ _____ _____ _____ _____ us?

_____ _____ know _____ any _____ stability issues from _____ _____ release?

Impact _____ the update _____ _____ network's _____?

_____ there any _____ with _____ latest _____ _____ may impact network _____?

Is _____ recent _____ of _____ affecting _____ _____ steady functioning?

Does the _____ firmware _____ _____ any _____ on our _____ _____?

_____ _____ recent update cause problems _____ _____ _____?

Is _____ any _____ issues with _____ _____ _____ on stability?

Did _____ _____ _____ _____ with the new release _____ could _____ _____ stability of our _____?

Is _____ recent _____ _____ cause of _____ or reduced _____?

_____ there any _____ with _____ _____ update _____ might affect our _____?

Are _____ _____ issues _____ _____ new _____ that could _____ our _____ stability?

_____ may _____ _____ _____ the new firmware _____.

_____ is _____ regarding the impact _____ _____ _____ _____ on our network.

Problems with the _____ release _____ _____ _____ _____?

Is it _____ that _____ _____ firmware _____ _____ network performance?

Are _____ _____ known _____ _____ _____ latest firmware _____ that _____ affect the _____ of our _____?

Did _____ _____ _____ problems with the _____ release _____ could _____ our _____?

_____ there any _____ _____ affect the _____ in _____ _____ release?

Are there _____ _____ _____ _____ impact _____ _____ newest firmware _____ our network?

Are there any _____ issues _____ the _____ _____ release _____ _____ affect _____ _____ performance?

Network _____ might be _____ _____ _____ _____ software.

_____ are certain issues _____ _____ _____ firmware that could _____ _____.

Are _____ _____ concerns about _____ _____ firmware that may _____ _____ performance?

_____ the _____ update causing instability or _____ reduction _____ _____?

Is _____ latest firmware _____ affecting _____ _____ _____?

_____ _____ _____ may cause instability _____ reduce _____.

Is _____ recent update _____ _____ _____ reduced _____?

_____ speed of our networking _____ may _____ _____ _____ the recent _____ _____ _____ firmware.

_____ any of _____ _____ _____ _____ _____ _____ with the _____ release impacting our network?

_____ performance may _____ _____ by problems _____ the _____ firmware _____.

_____ _____ found any issues _____ _____ _____ release _____ might affect our _____?

Does _____ _____ update _____ _____ performance?

_____ _____ _____ the _____ _____ have seen impacting _____ network's performance _____ by the _____ _____ release?

_____ you looked at the _____ firmware that _____ _____ _____ _____?

Is _____ a _____ in _____ _____ _____ impact?

Is _____ _____ _____ issues _____ have seen _____ _____ network's _____ from the _____ firmware release?

Netwok's _____ may _____ _____ _____ instability may be caused by _____ _____ _____.

_____ _____ _____ _____ affected by the latest _____.

The _____ _____ functioning could _____ adversely _____ by the _____ _____ firmware.

_____ you know _____ _____ _____ Firmware is _____ _____ ruin our _____ stability?

_____ _____ know if _____ _____ _____ _____ to installing the most _____ firmware release?

_____ _____ any _____ concerns about the impact of _____ _____ Firmware _____ our _____?

_____ reliability can be _____ _____ _____ _____ firmware.

_____ _____ _____ known issues _____ the _____ update that _____ _____ our network's performance?

_____ _____ _____ be impacted by _____ _____ update.

_____ latest _____ _____ network performance?

Do _____ know _____ network _____ _____ from _____ latest release?

_____ _____ have any concerns _____ _____ _____ firmware _____ _____ affect network performance?

Are there any issues _____ _____ newest _____ that _____ affect _____ _____?

_____ the performance _____ by _____ newest _____ _____ the firmware?

_____ _____ new firmware have any _____ bugs that _____ _____ _____?

Network _____ _____ performance are _____ _____ any bugs _____ _____ firmware.

_____ about _____ _____ new _____ _____ affect the network?

Are there any concerns _____ _____ _____ _____ _____ network _____ to the latest _____ _____?

_____ _____ _____ firmware breaking network _____?

_____ are _____ issues with the latest firmware _____ that _____ _____ _____ network's _____.

_____ _____ _____ update affect the _____ performance?

There might _____ _____ _____ new _____ impact on _____.

Is _____ _____ the _____ _____ have _____ _____ our network's _____ due _____ the latest firmware _____?

_____ any of _____ _____ we have seen with the _____ _____ impacting _____ _____ _____?

Are there _____ issues with _____ _____ release that _____ _____ our _____ _____?

_____ the _____ release have any issues _____ _____ _____ performance?

Does _____ latest _____ have _____ that _____ _____ instability?

Have you _____ _____ problems with _____ _____ _____ that could affect _____ _____?

Is _____ any _____ _____ the latest _____ impacting _____?

_____ _____ firmware _____ could affect _____ performance of _____ network.

Is there any _____ _____ _____ latest firmware _____ _____ affect _____ stable our network _____ _____?

_____ _____ _____ that _____ could experience network _____ because _____ recent _____ updates?

_____ there _____ known issues _____ the _____ _____ release that could affect _____ _____ _____?

_____ you _____ any issues with _____ new release _____ _____ _____ our _____?

_____ on _____ _____ _____ the current update?

_____ speed _____ _____ of _____ networking gear _____ _____ adversely affected by _____ _____ issues.

_____ there _____ reported _____ from the _____ update that _____ our _____ stability _____ _____?

_____ _____ any _____ _____ the latest _____ _____ may affect network performance?

_____ you _____ any _____ with the new _____ that could _____ _____ _____ of _____ network?

_____ the _____ firmware have any _____ _____ _____ _____ instability or _____ performance?

_____ you _____ any _____ _____ the new release that _____ affect _____ _____ performance?

Are _____ any _____ _____ unstable _____ _____ impacts _____ our network due _____ _____ _____ firmware release?

_____ _____ certain issues _____ _____ new firmware _____ may affect _____.

_____ _____ the _____ firmware release _____ _____ to our _____ operational _____ is needed.

Does _____ _____ Firmware _____ have _____ reported performance _____ _____ problems?

The _____ steady _____ _____ _____ adversely impacted by _____ launched _____.

_____ _____ _____ we _____ be _____ _____ when installing the latest firmware _____?

Have there _____ any issues after updating _____ the _____ _____ _____ _____ _____?

_____ _____ _____ our _____ gear _____ be affected by _____ firmware glitch.

Is _____ launched _____ _____ _____ system's functioning?

_____ we _____ to be concerned about the _____ _____ impacts _____ our _____ caused _____ _____ the latest _____ _____?

_____ speed or _____ _____ _____ _____ gear may be affected _____ recent _____ glitches.

_____ the _____ code causing _____ _____ _____ poor performance?

_____ _____ _____ tell _____ if _____ _____ Firmware _____ _____ to mess up our network.

Is _____ _____ _____ _____ of _____ network instability _____ poor performance?

_____ there _____ issues _____ the latest _____ that _____ _____ the network _____?

Do you _____ _____ stability/ _____ _____ _____ to _____ latest release?

Concerns of _____ _____ or impacts on the network _____ _____ due _____ _____ latest _____ _____.

_____ stability/ _____ _____ be _____ by the latest _____.

Do _____ have _____ with the _____ firmware that _____ affect _____ _____?

Impact _____ stability, speed, _____ _____ with _____ latest _____?

Is _____ any problem _____ the _____ firmware _____ _____?

How _____ newest update will _____ _____ _____ is a _____.

_____ _____ any _____ _____ _____ the latest firmware that _____ _____ _____ or poor performance?

_____ _____ have _____ _____ about new firmware _____ up the _____?

_____ any of _____ _____ with the latest _____ impacting _____ network's _____?

The _____ update _____ _____ some _____ _____ the network.

Concerns _____ how the _____ update _____ _____ network _____?

_____ _____ _____ issues with the _____ release that _____ the _____?

Are there any _____ issues from _____ _____ update that could _____ _____ network's _____ _____ _____?

The speed or stability of our _____ gear _____ _____ _____ _____ recent _____ _____.

Problems _____ _____ _____ _____ impact our network?

_____ anyone _____ _____ _____ with the latest _____?

_____ _____ network _____ _____ newest firmware errors?

Have _____ _____ _____ issues with _____ _____ firmware _____ might _____ network performance?

_____ there _____ _____ _____ _____ new firmware version?

_____ _____ anything we know _____ _____ _____ of _____ _____ most recent firmware release?

_____ _____ latest firmware _____ how stable _____ _____ is?

Are there _____ problems _____ the _____ update that affect _____ _____ _____ _____ speed?

Is there _____ _____ stability/ performance _____ _____ from the _____ _____ release?

_____ _____ _____ issues _____ _____ the newest firmware version?

_____ there _____ concern _____ _____ _____ _____ to the latest firmware release?

How will _____ new update _____ _____ _____ _____?

_____ recent firmware update _____ _____ _____.

Will the _____ _____ affect our _____ _____?

Does the latest _____ _____ bugs that _____ _____ _____ or _____ performance?

_____ with the _____ _____ _____ _____ network stability.

Is the _____ _____ affecting _____ stability _____ the _____?

_____ you _____ _____ _____ with the _____ release _____ could affect _____ network?

_____ _____ impact _____ current update _____ network's _____?

Do _____ know _____ _____ _____ _____ in the new firmware?

_____ _____ reports _____ _____ recent update may _____ our _____ stability.

Does _____ _____ _____ have any issues with _____ network's _____?

Are _____ _____ the issues _____ seen with _____ latest _____ affecting _____ _____ performance?

_____ _____ latest Firmware _____ _____ that cause _____ or _____ performance?

_____ there _____ issues with _____ latest firmware _____ _____ _____ network performance?

_____ _____ with the _____ version _____ _____ network?

_____ _____ _____ firmware _____ _____ known _____ that cause network instability _____ poor performance?

_____ you know of network _____ _____ arising from _____ _____ firmware _____?

Have there _____ any _____ _____ upgrading _____ _____ _____ version _____ the firmware?

Are _____ _____ _____ performance concerns _____ to the _____ firmware?

____ there ____ ____ with the ____ ____ that could ____ our network?

____ ____ ____ issues with ____ performance ____ ____ ____ due to the latest firmware ____?

There ____ ____ ____ the latest firmware release ____ ____ affect ____ network's ____.

There ____ ____ issues ____ ____ ____ release that could affect our network ____.

____ there ____ concerns regarding the latest ____ ____ may ____ ____ performance?

Is ____ anything we ____ ____ ____ about when installing ____ ____ ____ release?

____ stability and ____ issues can be ____ ____ the ____ firmware ____.

____ ____ any ____ problems from the recent ____ that ____ affect ____ ____ ____ and speed?

____ ____ any issues with ____ performance ____ ____ network due ____ ____ ____ firmware release?

____ ____ the update ____ our network ____ ____ speed?

New ____ has ____ ____ ____ network stability.

____ there ____ issues ____ ____ performance of the network ____ to ____ ____ release?

Are ____ any ____ issues with ____ latest ____ that ____ have ____ ____ ____ our network's ____?

Does ____ ____ the ____ ____ have seen ____ ____ latest ____ impacting ____ network performance?

Is any ____ ____ ____ we ____ ____ ____ the latest ____ impacting our ____ performance?

____ recent firmware update may ____ instability ____ ____ ____ in ____ network.

Does the ____ ____ affect ____ ____?

Does the ____ ____ ____ ____ known issues that cause ____ ____ or poor ____?

____ there ____ known issues with ____ latest ____ release ____ ____ ____ ____ network's performance?

____ there ____ ____ ____ the ____ update will affect ____ performance?

Is there any problems ____ ____ new ____ ____ ____ affect ____ network?

____ ____ be worried about potential ____ impacts ____ our network caused ____ ____ ____ latest ____ ____?

You have ____ tell ____ if the new ____ ____ ____ ____ the ____.

____ ____ ____ ____ ____ with the ____ ____ that might affect our network's stability ____ speed?

Is there ____ ____ ____ the ____ firmware?

Do ____ know ____ the ____ firmware ____ ____ network performance?

Does ____ latest ____ ____ any ____ bugs that cause ____ ____ ____ poor performance?

Are ____ of ____ ____ we have ____ with ____ ____ ____ impacting our network's ____?

Will our ____ ____ ____ ____ new firmware?

____ ____ ____ issues ____ the latest release that affect the ____ ____ the ____?

____ ____ ____ of any issues ____ the ____ ____ ____ could affect the stability ____ the ____?

____ speed of our ____ ____ may ____ ____ ____ ____ recent flaws in ____ Firmware.

Are there any known issues ____ ____ ____ release ____ ____ ____ the performance ____ the ____?

There are ____ network stability issues ____ ____ ____ ____?

Is ____ anything wrong with ____ latest ____ ____ could ____ ____ ____ performance?

Do ____ ____ any ____ ____ how ____ ____ update ____ impact network stability?

Does ____ ____ firmware ____ our network's ____?

____ ____ ____ ____ network stability ____ that ____ from the latest firmware ____?

Is ____ newest ____ ____ ____ reliability problems?

____ network ____ ____ ____ issues ____ latest firmware?

____ with latest ____ impacting our ____ ____?

There ____ ____ about ____ performance or impacts on the ____ ____ ____ ____ latest ____.

Speed and ____ of our ____ ____ ____ be affected ____ the ____ firmware ____.

____ ____ to ____ ____ ____ are ____ issues with ____ ____ ____ to the latest firmware release.

Does ____ ____ firmware cause network ____ or ____ ____?

Is ____ recent ____ affecting ____ ____?

Network ____ ____ ____ compromised ____ ____ newest software.

Is ____ ____ issues with unstable ____ or ____ ____ ____ network ____ to ____ latest release?

____ ____ ____ problems ____ the ____ Firmware affecting us?

____ there any ____ stability ____ ____ ____ the latest release?

_____ _____ _____ you see with _____ latest _____?

Have there been _____ _____ that _____ _____ _____ upgrade _____ the newest _____ version?

_____ there _____ _____ _____ with _____ _____ update that might _____ the network?

_____ _____ be _____ _____ stability _____ with _____ latest firmware upgrade.

Are _____ issues we have _____ _____ the _____ _____ impacting _____ network's _____?

Does _____ latest firmware _____ _____ any _____ issues that _____ affect _____ network's _____?

_____ there a _____ _____ _____ new firmware's _____?

_____ there a known _____ _____ _____ latest _____ _____ _____ have _____ impact _____ our network's performance?

Are there any reported _____ _____ _____ _____ update that _____ _____ our _____ _____ and stability?

_____ there any _____ with the _____ release _____ affect _____ _____ _____ network?

Are there any known _____ _____ _____ _____ on _____ _____ from _____ newest firmware?

Is _____ any _____ _____ the _____ _____ _____ the latest firmware release?

Will the _____ _____ _____ _____ firmware _____ the network?

How _____ _____ _____ _____ affect network stability?

_____ _____ _____ issues with the network _____ _____ the _____ update?

Is there any information regarding _____ _____ on _____ _____ _____ _____ _____ firmware release?

_____ performance and stability _____ be _____ by the _____ _____.

Is there any _____ issues _____ _____ _____ firmware that _____ affect our _____ _____?

_____ _____ be problems _____ _____ latest release that affect _____ _____ _____ the network.

_____ _____ _____ be affected by _____ newest _____.

_____ _____ the newest update _____ to _____ network _____?

_____ you know _____ _____ _____ issues caused by _____ latest _____ release?

There _____ any issues with the _____ _____ _____ network _____.

_____ the network going to be _____ _____ _____ problems _____ _____ firmware?

Problems with _____ _____ _____ _____ our _____ reliability?

_____ the _____ update _____ the network's _____?

_____ _____ any issues in _____ _____ release _____ _____ the stability _____ the network?

_____ _____ _____ stability _____ _____ networking _____ might _____ affected by _____ flaws in the software.

_____ _____ new firmware _____ have _____ problems?

The recent firmware update might affect _____ _____ _____ _____ _____.

_____ _____ noticed any issues with _____ _____ _____ that _____ impact _____ performance?

Are there _____ to _____ instances of _____ networking capabilities as a _____ _____ _____ _____ _____?

_____ _____ a problem _____ _____ new firmware's _____ on performance?

_____ reliability may be _____ _____ the _____ _____.

The _____ could _____ affected _____ the recent _____ _____.

_____ there any _____ _____ the _____ _____ _____ might affect our network?

_____ _____ steady functioning may _____ _____ affecting by recently _____ _____.

Network _____ performance _____ be _____ _____ _____ problems _____ the new firmware _____.

_____ will _____ _____ update affect _____ dependability?

Is the _____ firmware _____ _____ instability or reduced _____ _____ _____ network?

Is _____ _____ _____ regarding _____ impact _____ our network from the _____ _____?

_____ _____ _____ of _____ _____ with the new release that _____ _____ _____ network's stability?

_____ _____ _____ the problems _____ _____ _____ with the latest release _____ our network's _____?

_____ _____ newest _____ impact our network _____?

Have _____ _____ _____ problems _____ _____ _____ releases that could affect _____ network?

_____ _____ known _____ _____ the _____ release that _____ _____ our network's performance?

_____ there _____ chance of network disruptions _____ to _____ _____ _____?

_____ the recent _____ affect _____ network's _____?

Is there _____ _____ with _____ _____ firmware?

Does the newest _____ have _____ _____ _____ that cause network _____ or _____ _____?

Are ____ ____ ____ with latest Firmware ____ ____?

Network ____ and ____ ____ ____ ____ by any problems with the ____ ____ version.

Any problems ____ ____ ____ ____ affecting us?

____ performance ____ arising ____ ____ ____ firmware release?

Do ____ ____ bugs ____ network ____ or poor performance in ____ ____ ____?

____ ____ any information ____ ____ ____ the ____ of installing the ____ recent ____ release?

____ there ____ issues with ____ latest release that ____ ____ ____ ____ performance?

Reduced performance ____ our ____ could be caused ____ the ____ ____ ____.

____ ____ recent ____ on ____ reliability?

There are some ____ issues with ____ ____ firmware ____ that ____ ____ network's ____.

____ ____ know ____ any ____ with the ____ firmware that ____ affect network ____?

Is there ____ information ____ ____ the ____ firmware ____ will affect ____ ____?

____ ____ ____ ____ the new firmware?

____ ____ any ____ affecting ____ with ____ latest firmware?

Is ____ any known ____ ____ the ____ ____ release that ____ ____ network's performance?

____ ____ a problem with the ____ firmware that would ____ ____ ____ ____ network ____?

Are ____ of the issues we ____ seen ____ the ____ ____ ____ ____ performance?

____ there anything ____ ____ the latest firmware ____ ____ affect our ____?

____ ____ new ____ affect ____ network?

We ____ to ____ if ____ latest ____ ____ ____ risk to our network's ____.

____ ____ ____ reports ____ problems ____ the recent ____ that ____ affect our network?

____ ____ ____ regarding unstable performance or impacts ____ ____ ____ due ____ the latest firmware ____.

____ ____ any network ____ problems with ____ ____ firmware?

New ____ ____ ____ ____ or degradation ____ netwok's performance

____ there ____ trouble ____ latest ____?

Are ____ ____ ____ with ____ ____ update that might affect ____ network's ____?

____ ____ may be affected by ____ recent ____ ____.

The ____ ____ may affect ____ ____ performance.

There are ____ problems with ____ new ____ ____ the ____?

____ the ____ ____ ____ any ____ that ____ network instability or poor ____?

____ there any reported problems ____ ____ ____ update ____ ____ ____ our network's performance?

Is ____ ____ ____ issue ____ the latest release that ____ affect our ____ ____?

____ it ____ problem ____ ____ Firmware ____ up the system?

There are some ____ issues ____ ____ latest firmware release ____ may have ____ ____ ____ ____ ____ performance.

____ you have ____ ____ about the ____ firmware ____ ____ network?

____ ____ ____ ____ any issues with unstable ____ ____ ____ the latest release?

____ ____ ____ ____ ____ ____ the ____ release that might affect our network?

Do ____ know ____ issues with the latest ____ that ____ ____ ____ ____?

Does the ____ ____ ____ affect ____ ____ performance?

Do we have ____ issues ____ ____ ____ ____ to ____ latest update?

____ stability and ____ could be ____ ____ ____ new ____ version.

The system's ____ ____ might be ____ ____ ____ launched Firmware.

____ there any ____ with our network due ____ ____ ____ firmware ____?

____ any of the issues ____ seen ____ the ____ release ____ ____ network's ____?

____ there ____ ____ ____ the ____ release that could affect the ____ ____ ____ network?

____ ____ ____ firmware have any ____ ____ ____ cause network instability?

Are ____ any ____ with ____ latest release ____ affect the stability ____ ____ ____?

____ there been ____ issues with ____ ____ firmware that ____ ____ ____ performance?

Are ____ ____ issues ____ the latest ____ that ____ the performance ____ ____ network?

____ there ____ ____ about the ____ ____ impact on ____ network?

____ ____ ____ firmware ____ a problem ____ our network?

Network ____ ____ be ____ ____ the newest ____.

Is ____ a ____ ____ ____ ____ latest firmware release ____ could ____ our network's ____?

____ the newest ____ ____ ____ stability?

Network ____ and ____ are affected by ____ ____ ____ firmware.

Is there ____ ____ ____ impact ____ ____ newest firmware on our ____?

Network stability, speed, and ____ ____ ____ ____ ?

____ ____ any information on the ____ on ____ network from ____ ____ firmware ____?

Is there ____ ____ with ____ latest ____ ____ ____ the ____ of the network?

Do ____ need to be concerned ____ ____ potential negative impacts to ____ ____ ____ by installing ____ ____ ____?

____ need to ____ if this ____ ____ will ____ up ____ network.

____ you found ____ issues with the latest ____ ____ could ____ ____ ____?

Is ____ a problem with ____ impact of ____ ____ ____?

Is there anything we ____ be worried about ____ ____ ____ potential ____ impacts ____ our ____ ____ by installing ____ ____ ____ release?

Problems with ____ latest ____ impacting ____ network's ____ ____?

____ ____ ____ firmware ____ network dependability?

____ ____ ____ could ____ a problem in ____ network.

____ there ____ issues ____ the ____ ____ that could affect ____ network's ____?

Could ____ recent ____ affect our ____ ____?

____ ____ any problems ____ the newest ____?

____ ____ recent ____ affect our ____ ____ and speed?

____ are ____ about unstable ____ and impacts on our ____ due ____ ____ latest ____ ____.

The ____ ____ functioning may ____ affected by ____ ____ firmware.

____ ____ ____ ____ with the ____ firmware ____ ____ affect how stable our network ____?

Will our ____ be affected ____ the ____ ____ with ____ ____?

____ ____ firmware ____ network reliability?

Does the ____ firmware ____ ____ bugs ____ network ____?

Is ____ any problems with the ____ ____ ____ ____ Firmware?

____ network ____ ____ ____ by the recent ____.

There may ____ ____ ____ ____ our ____ ____ the recent release ____ the firmware.

____ you ____ ____ issues with ____ new ____ ____ could ____ our network?

Is there ____ problem with the latest ____ that ____ ____ ____ ____?

____ ____ certain ____ in the ____ firmware that ____ ____ performance/stability.

Are there any performance ____ ____ problems ____ with the ____ ____ ____ for ____ ____?

Is ____ any ____ with ____ ____ ____ that may ____ network performance?

Is the ____ ____ impacted ____ ____ of the ____ we ____ seen ____ the ____ update?

There ____ problems ____ ____ ____ firmware that ____ network stability.

____ you know ____ the network stability/ performance issues ____ ____ ____ ____?

The ____ ____ might ____ the ____ performance.

Are ____ ____ issues with ____ network ____ ____ the ____ release of ____ firmware?

I ____ ____ ____ if ____ new ____ ____ going to mess ____ the network.

____ ____ latest ____ release have any known issues ____ ____ affect ____ ____ stability?

____ ____ any problems with ____ new release ____ ____ ____ ____ network's stability?

____ ____ ____ release have ____ issues for ____ network?

____ we need to be concerned ____ ____ ____ ____ to ____ network ____ by ____ the ____ release?

Concerns about ____ the ____ update ____ affect ____ ____?

____ ____ have ____ concerns ____ ____ latest firmware affecting network ____?

Have you ____ ____ issues with ____ ____ firmware that ____ ____ ____ performance?

Does the ____ ____ ____ network ____?

____ ____ steady ____ might be affected by ____ launched ____.

_____ _____ stability, _____ are _____ _____ with the latest Firmware?

Is _____ _____ _____ _____ by _____ latest release?

_____ _____ any issues with the _____ update that _____ affect _____ _____ _____ and _____?

Are there _____ problems _____ the _____ _____ _____ could affect our _____ _____ _____ stability?

_____ there any _____ with _____ new _____ that could affect _____ _____?

_____ _____ _____ firmware have any known bugs that _____ _____ _____ instability?

Have _____ _____ _____ after _____ upgrade to the newest _____ of _____ _____?

_____ there _____ _____ problems _____ the latest _____?

_____ _____ _____ firmware release _____ the network's _____?

_____ the _____ _____ broken _____ the newest _____?

Do you _____ _____ _____ the new firmware messing _____ _____ _____?

The _____ of our _____ _____ _____ _____ affected _____ recent flaws _____ the Firmware.

Are _____ any _____ _____ _____ the new _____ that affect _____ _____ performance?

_____ stability and _____ _____ _____ affected _____ any problems with the _____ _____.

Are _____ _____ problems _____ the _____ _____ release that could _____ _____ network?

Did you _____ any _____ _____ the new firmware _____ that could _____ _____ _____?

_____ _____ _____ _____ have _____ known bugs that cause _____ _____ or poor performance?

_____ there _____ issues _____ _____ latest firmware affecting network _____?

_____ _____ _____ _____ issues that could affect _____.

_____ there _____ issues _____ _____ latest Firmware that might _____ network _____?

Do we know about the _____ drawbacks _____ _____ the _____ _____ firmware _____ _____ _____ network?

Is there concern about _____ _____ _____ _____ network _____ the newest _____?

Are any _____ _____ issues we _____ _____ _____ the new software impacting _____ _____ _____?

Are there _____ issues with _____ recent update _____ _____ affect _____ _____?

_____ any of _____ _____ that _____ have seen with the _____ _____ _____ our network's _____?

_____ our network _____ affected _____ the _____ _____?

Impact network _____ speed, and _____ _____ _____ current _____?

Does _____ recent _____ update _____ our network's speed _____ _____?

Is _____ _____ release affecting _____ _____ of _____ network?

_____ network _____ speed are there _____ _____ the latest _____?

Is there a _____ issue _____ _____ _____ firmware release _____ would affect _____ _____?

There may _____ problems _____ the latest _____ _____ _____ _____ _____ the network.

_____ there been _____ _____ with the _____ _____?

_____ there _____ _____ about _____ _____ of our network due to _____ latest _____?

_____ there _____ problems _____ the newest _____ _____ us?

Is _____ of the _____ that _____ seen _____ the _____ _____ impacting our _____ _____?

_____ there _____ known bugs _____ network instability or _____ _____ _____ the _____ firmware?

The _____ _____ _____ might _____ adversely affected _____ recent _____ launch.

_____ stability, _____ _____ issues with _____ _____ firmware?

Is there any _____ regarding _____ _____ _____ the _____ firmware on _____ _____?

_____ _____ know about network _____ performance _____ from _____ _____ release?

Impact _____ stability, _____ is there any _____ _____ the _____ _____?

The _____ _____ be _____ _____ _____ problems _____ the new firmware.

_____ _____ _____ we should _____ _____ about if _____ _____ the latest firmware release on _____ _____?

Is there _____ _____ issues with _____ newest _____ _____ may _____ our _____ performance?

The new _____ may cause instability _____ _____ _____ _____.

_____ _____ performance could be affected _____ _____ problems _____ the _____ _____ version.

_____ _____ your _____ about how _____ newest update will _____ _____ stability?

_____ the _____ release _____ a _____ with _____ network's performance?

_____ will the newest _____ _____ _____ stability _____ performance?

____ ____ firmware ____ may ____ performance in our ____.

Problems ____ ____ release impacting ____ network's ____?

Have ____ concerns ____ ____ the newest ____ will affect ____ ____?

____ ____ any ____ with ____ network due to ____ latest ____ of ____?

Our ____ ____ be ____ by known ____ ____ new firmware.

Have ____ heard about ____ ____ ____ issues from ____ ____ release?

Is there ____ ____ ____ ____ new ____ release?

____ there be any ____ ____ ____ ____ firmware?

____ ____ any issues with the latest firmware ____ ____ ____?

____ ____ steady functioning might ____ ____ ____ by recently launched ____.

____ the ____ release cause any ____ for ____ ____?

____ with ____ ____ firmware ____ affect our ____.

____ ____ firmware ____ known issues ____ could impact ____.

Network stability/ performance could ____ affected by ____ problems ____ ____ ____ ____ ____.

Speed ____ stability ____ our ____ ____ may ____ affected ____ the recent firmware ____.

The recent ____ ____ ____ cause ____ issues in ____ network.

____ ____ ____ ____ ____ our network due to ____ latest firmware release?

Is ____ ____ ____ associated with the latest firmware upgrade ____ ____ ____?

____ ____ could be ____ by ____ ____ update.

Does the ____ ____ ____ have any known ____ ____ ____ impact ____ network?

Does ____ ____ ____ release ____ any known ____ that could impact ____ ____?

____ ____ ____ may affect network ____.

Does ____ ____ ____ release affect ____ ____ performance?

Do you ____ ____ any ____ with ____ new ____ that ____ ____ our network ____?

Is there any ____ in ____ ____ ____ affect ____ performance?

____ ____ recent ____ affecting ____ ____ stability/ performance?

Network ____ ____ ____ ____ by problems with the latest ____.

Is there ____ information ____ ____ ____ of ____ recent update ____ our ____?

Does any ____ ____ issues we ____ ____ with ____ ____ firmware ____ our ____ performance?

Network ____ ____ ____ ____ by any issues ____ ____ new firmware version.

____ reliability ____ ____ ____ by the newest ____.

There are ____ ____ the ____ ____ might affect our network's ____ ____ ____.

____ there ____ concern regarding ____ impact ____ the ____ ____ on our ____?

____ there any ____ ____ ____ ____ ____ firmware updates?

____ there an ____ ____ ____ ____ firmware release that ____ ____ our network?

Is ____ ____ ____ about ____ ____ newest update will ____ network stability ____ performance?

Network stability ____ performance may be ____ ____ the ____ ____.

There are potential negative impacts ____ ____ network ____ by ____ the ____ ____ ____.

Are ____ any ____ with the recent update ____ might ____ our ____ ____ ____ ____?

Have you identified ____ issues ____ ____ ____ ____ that might ____ ____ performance?

Is there any concern ____ the ____ ____ ____ ____ the ____?

Network ____ ____ be affected by any ____ ____ the new ____ ____.

____ latest ____ may affect how ____ ____ network would ____.

Have ____ issues arisen ____ ____ ____ to the newest ____ ____?

____ ____ ____ ____ ____ cause problems for our network?

____ there ____ ____ regarding the impact of ____ ____ ____ on ____ network?

Are there ____ ____ ____ the latest ____ affecting network ____?

Is ____ any reported ____ or ____ problems associated with ____ ____ ____ ____?

____ ____ ____ ____ if the ____ Firmware is ____ to mess up our ____.

____ there ____ concern ____ ____ impact ____ ____ newest firmware on ____ network?

Network _____ performance _____ affected by any _____ with the _____ _____ _____.

_____ were potential _____ on _____ _____ _____ the recent _____ of _____ software.

_____ recent _____ update _____ _____ problems _____ our network.

_____ network stability, _____ are _____ any _____ with the _____ _____?

_____ _____ any known issues with the _____ _____ release that _____ _____ _____ impact on our _____ _____?

Are there any _____ _____ the _____ _____ the _____ _____ _____ the latest release?

Do _____ _____ _____ stability/ performance issues _____ _____ the latest _____ release?

_____ there _____ concerns _____ _____ the _____ update will affect _____ stability?

_____ speed or stability _____ _____ networking _____ _____ be affected _____ _____ _____ firmware glitches.

_____ _____ stability, _____ any _____ _____ the latest Firmware?

_____ latest _____ may pose risks _____ _____ network's _____ reliability.

_____ _____ issues with _____ latest release _____ affect _____ _____ of _____ network?

Are _____ any _____ _____ _____ the latest firmware _____ may _____ our network's _____?

The _____ performance may be _____ _____ _____ latest _____.

_____ there _____ _____ with _____ latest firmware?

There _____ be _____ _____ the new version _____ the _____.
