[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Generation source mix disclosure
Inquiry Sub-Category	Carbon emissions reporting
Description	Customers seek data on the carbon dioxide emissions associated with the electricity generation process, allowing them to choose suppliers with lower carbon footprints and contribute to addressing climate change.
Data Size	6,173 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Can I ____ ____ ____ the ____ ____ CO_2 emitted by ____ generators within ____ ____ network?

____ ____ ____ for ____ to give data ____ ____ emissions from ____ generators?

Are ____ going ____ show CO_2 ____ ____ ____ ____ your network?

Is ____ possible to ____ ____ ____ ____ amount ____ CO_2 emitted by different ____?

Can I ____ information ____ CO_2 ____ ____ different generators in ____ ____?

____ can ____ view ____ on ____ CO_2 ____ of generators?

____ to ____ CO_2 ____ ____ power sources?

Do ____ have a way to ____ CO_2 ____ ____ ____?

Is it ____ to ____ ____ on the amount ____ ____ ____ by ____?

____ you ____ ____ ____ ____ about generator CO_2 emissions?

____ ____ provide ____ about ____ emissions of ____ from different ____?

____ you ____ ____ the level of CO_2 produced ____ ____ generator ____ ____ network?

Is it possible ____ access reports ____ ____ amount ____ ____ ____ by ____ generators?

How can ____ ____ out ____ ____ ____ CO_2 released by each ____?

____ it possible to ____ ____ on ____ ____ from generators?

Is ____ possible to ____ reports on ____ ____ ____ specific generators ____ your ____ ____?

Is ____ possible ____ ____ ____ showing ____ amount ____ CO_2 released by different ____ ____?

____ it possible to ____ reports ____ ____ levels of carbon ____ ____ from ____ power ____?

Can you ____ me reports ____ ____ ____ your ____?

____ ____ ____ reports detailing the amount ____ ____ emitted ____ generators ____ your supply ____?

Is ____ ____ to get reports about ____ ____ of ____ released ____ ____ generators?

Can I see CO_2 reports ____ ____ ____ ____ ____?

Is it ____ for ____ ____ ____ ____ detailed ____ ____ CO_2 emissions from ____ generators?

____ ____ ____ to see ____ emissions from generators ____ your ____ network?

____ ____ ____ ____ about the CO_2 emissions from the ____?

Can I ____ ____ ____ the amount of ____ emitted by ____ within ____ ____ ____?

Can ____ tell me ____ much ____ ____ generators ____ ____ out?

____ ____ ____ data ____ ____ emissions from different generators?

Do you _____ how _____ _____ the _____ _____ _____ network _____ giving out?

_____ can I get _____ _____ on generator _____ _____?

_____ _____ tell _____ about the specific _____ of _____ _____ by different power _____?

Are there any _____ _____ that specify _____ _____ _____ quantities into carbon _____ produced _____ _____ _____ units inside the electrical _____ _____?

_____ _____ _____ me _____ much carbon _____ these generators _____ _____ our air?

_____ you _____ complete _____ _____ _____ specific CO2 emissions?

_____ you have report _____ that _____ _____ _____ emissions into carbon _____ _____ _____ _____ _____ units inside the electrical _____ grid?

_____ _____ _____ to get CO2 _____ _____ multiple members of the _____ _____?

_____ _____ tell _____ _____ total amount of CO2 _____ _____ various _____ in my supply _____?

_____ need to _____ if _____ can see _____ reports _____ your _____.

Is it possible _____ access _____ details _____ members _____ _____ _____ grid?

_____ _____ get the data on _____ _____ from different _____?

_____ _____ possible to find out _____ much _____ _____ in your _____ _____?

Is _____ possible to get a _____ _____ on _____ _____ by _____ generators _____ your _____ _____?

_____ _____ _____ generator CO2 emissions?

_____ _____ _____ data on _____ emissions from _____ _____ _____ your supply network?

Can you _____ me the _____ on _____ CO2 _____ of _____ generators in _____ _____ _____?

Is _____ _____ to share _____ regarding _____ amount of CO2 emitted _____ _____ _____ _____ network?

Can I see _____ _____ _____ reports _____ _____ generators?

Can _____ see _____ data _____ carbon dioxide emissions _____ _____ generators in _____ _____ _____?

Was _____ possible _____ _____ _____ about each _____ carbon footprint?

Is it possible to _____ _____ on the _____ of CO2 _____ _____ _____ _____?

_____ it possible to _____ _____ _____ different levels _____ carbon dioxide _____ _____ by different power _____ _____ _____ infrastructure?

_____ _____ let me _____ _____ specific _____ of CO2 _____ comes from _____ power _____?

Can _____ _____ data about _____ amount of _____ emitted by _____ _____ _____ supply _____?

Is it possible _____ _____ _____ _____ _____ generator specific CO2 _____?

Can I _____ _____ reports _____ _____ _____ CO2 is released by _____?

_____ _____ _____ _____ know if _____ _____ see _____ reports _____ generators in your grid.

_____ do I _____ _____ _____ _____ generators' CO2 output?

Can you _____ _____ reports _____ the emissions of _____ _____?

_____ _____ see CO2 _____ _____ different _____ of your grid?

Have you _____ CO2 _____ _____ generators in _____ _____?

_____ _____ _____ for me _____ _____ specific _____ greenhouse gas emission data?

Can _____ tell _____ about _____ CO2 from _____ _____?

Will you _____ us _____ _____ much _____ _____ from different _____ sources?

_____ you _____ to hook _____ _____ _____ the emissions reports _____ the _____?

I would like _____ see _____ _____ _____ from _____ generators.

_____ it _____ to get _____ _____ generator _____ CO2 emissions in _____ supply _____?

Can _____ read _____ showing different levels _____ carbon _____ _____ _____ _____ different _____ sources?

_____ they show _____ _____ levels _____ _____ in the generators?

Can I get reports _____ the _____ _____ _____ _____ _____ different generators?

Can you _____ _____ _____ _____ _____ emissions from different generators in _____ supply _____?

_____ it _____ to _____ reports _____ CO2 emissions _____ generators?

How can _____ _____ reports _____ _____ output _____ generators?

_____ you tell _____ _____ the _____ emissions from _____ _____ in your supply _____?

_____ it possible _____ _____ _____ _____ _____ the _____ of CO2 from _____ generators in _____ supply network?

_____ it possible _____ _____ reports detailing _____ _____ of _____ _____ by individual generators?

Got any reports on _____ _____ CO2 _____ _____ _____?

_____ there a way _____ get _____ on _____ amount _____ _____ emitted _____ _____ generators?

_____ it _____ _____ _____ the emissions _____ CO2 in your _____ set-up?

I ____ ____ solid ____ ____ how much ____ is in ____ ____ plants.

____ ____ give me ____ ____ ____ ____ much CO2 the ____ put out?

____ want to ____ ____ ____ ____ get CO2 ____ for ____ members of the power ____.

Is ____ ____ ____ see ____ ____ on generator specific ____ emissions?

____ I get a report detailing ____ ____ ____ ____ ____ by different ____?

____ ____ ____ to ____ detailed reports on the CO2 ____ from ____ ____?

____ thereCO2 emission ____ ____ ____ in ____ supply network?

____ I view reports ____ ____ ____ ____ emissions?

____ ____ ____ find ____ on the ____ of CO2 released ____ ____ generator?

Can y'all show ____ the CO2 ____ ____ ____ ____?

____ I get ____ ____ ____ ____ your generators?

Is ____ ____ to ____ comprehensive ____ about the amount ____ ____ emitted ____ generators?

____ ____ possible ____ get ____ on ____ ____ of CO2 emitted by ____?

Is ____ possible to see ____ ____ the ____ ____ ____ your generators?

____ you have records that ____ the ____ ____ ____ ____ ____ your generators?

____ it possible ____ see the ____ of ____ ____ ____ ____ set up?

____ ____ ____ ____ provide data on ____ dioxide emissions from your ____ ____?

Is ____ a way to ____ how much ____ ____ ____ by ____ generators within ____ ____?

Do ____ provide reports ____ ____ ____ emissions ____ ____ in your network?

____ it possible to get information ____ ____ CO2 ____ in ____ ____ ____?

Are ____ any report formats that ____ ____ ____ ____ ____ carbon ____ ____ by ____ powered units ____ the ____ distribution grid?

Can ____ get CO2 ____ ____ ____ ____ of the power ____?

____ ____ ____ have reports that ____ CO2 emissions ____ different ____?

Is thereCO2 ____ ____ ____ ____ generators in your supply ____?

I would ____ ____ ____ the ____ regarding the ____ ____ from different ____ in ____ ____ chain.

____ ____ have any carbon ____ figures for ____ ____ sources?

Is ____ ____ ____ receive ____ ____ the ____ ____ CO2 discharged by power plants?

____ it possible ____ view CO2 ____ ____ the ____?

____ you ____ any carbon ____ figures on ____ power ____?

Can ____ ____ detailed ____ on ____ emissions?

Do ____ ____ reports on ____ ____ emissions ____ different generators?

____ I obtain ____ on CO2 ____ by specific ____ ____ your ____ ____?

____ there report formats that specify and differentiate ____ ____ into carbon ____ ____ through ____ ____ units ____ ____ electrical ____ ____?

Will you tell us ____ the ____ amount of ____ ____ ____ ____ ____ sources?

____ ____ love ____ know the ____ ____ ____ released by individual ____ within ____ network.

____ ____ I ____ the ____ of CO2 ____ by each ____?

____ you ____ reports ____ the ____ of CO2 released ____ individual ____?

____ ____ view CO2 ____ ____ generators?

____ I ____ reports ____ the amount of CO2 ____ by ____ generators ____ ____ ____ network?

Can you tell ____ the ____ CO2 levels ____ ____ ____?

____ it ____ ____ get comprehensive ____ on ____ ____ from generators?

____ you have ____ ____ detail the ____ emissions ____ your ____?

Can you ____ me ____ much CO2 the ____ in ____ ____ ____ giving ____?

____ ____ tell ____ about ____ level of ____ emitted ____ each ____ ____ my network?

Is ____ ____ ____ to see ____ CO2 emissions ____ ____ generators?

Can I ____ ____ ____ for generators in ____ ____?

Is it possible to ____ ____ ____ ____ the emission of CO2 ____ ____ ____?

Can ____ see reports that ____ ____ ____ of ____ ____ by ____ generators?

Is ____ possible ____ get detail ____ ____ ____ CO2 emissions?

____ do I read ____ ____ CO2 output ____ ____ generators?

Can ____ ____ me ____ ____ ____ CO2 generators in your ____?

Is ____ ____ to see emissions ____ ____ ____ generators in ____ ____ network?

____ it possible to ____ reports on ____ emissions ____ ____ by ____ ____?

____ ____ possible to ____ data ____ the CO2 ____ from ____ in your ____ ____?

____ there ____ that show ____ ____ ____ CO2 produced by each ____?

____ you have ____ formats that specify ____ ____ ____ dioxide ____ by ____ powered ____ in ____ electrical ____ grid?

For generators ____ ____ network, ____ CO2 ____?

Can you ____ ____ the CO2 ____ ____ your ____?

Can you get ____ ____ ____ ____ generator ____ emissions?

Can ____ ____ any CO2 ____ ____ ____ generators?

Is it ____ to ____ information ____ ____ ____ from ____ generators ____ your ____ network?

____ I get ____ ____ the amount of ____ released by ____ ____ ____ ____ network?

____ ____ gain ____ to the data ____ CO2 ____ from ____ generators?

How much carbon ____ are ____ generators ____ ____ ____ emitting?

Can I ____ reports ____ differing levels ____ ____ ____ emissions ____ by ____ power ____?

Is ____ ____ on ____ ____ from ____ generators?

Where ____ ____ ____ information regarding the amount ____ CO2 ____ ____ ____ generator?

____ it possible ____ ____ to find ____ on ____ specific CO2 ____?

____ ____ ____ ____ see a complete report on generator ____ ____ emissions?

Tell me, can ____ ____ ____ ____ CO2 levels of the generators ____ ____ ____ ____?

Should ____ ____ able to ____ ____ ____ for your generators?

____ you ____ me the details ____ CO2 ____ from ____ generators ____ ____ ____ chain?

____ ____ ____ information on ____ ____ emissions from different ____ ____ your supply network?

____ there ____ report detailing the ____ of ____ ____ by individual ____ in ____ ____?

____ ____ possible to obtain comprehensive reports ____ ____ CO2 ____?

Are there records ____ ____ show ____ level of ____ ____ by ____ ____?

____ you give me ____ detailing the ____ ____ ____ ____ by ____ generators?

____ ____ read ____ on the amount of ____ ____ ____ generators?

I want ____ see CO2 ____ ____ ____ ____.

Is ____ possible ____ give ____ data ____ the amount ____ ____ emitted by ____ generators ____ your ____ network?

____ you have ____ chance ____ tell ____ ____ much ____ ____ generators ____ pumping out?

Is ____ ____ report ____ ____ specify ____ ____ emissions ____ carbon dioxide produced through ____ ____ ____ inside the electrical distribution ____?

____ ____ ____ detailed ____ on CO2 emissions ____ generators?

Is it possible ____ ____ reports ____ CO2 ____ ____ generators?

____ it ____ ____ ____ ____ ____ CO2 emissions from different ____ ____ your supply network?

____ ____ give us ____ on ____ ____ from your generators?

Did you have ____ on the ____ ____ ____ ____ ____ ____ ____ in your supply network?

____ it possible ____ obtain detailed ____ ____ CO2 ____ ____ ____ in your ____ network?

____ I see reports ____ the carbon dioxide ____ ____ ____ ____ power ____?

____ ____ possible to ____ ____ emission reports ____ generators in the ____ ____?

How ____ ____ are the generators ____ ____ ____ spewing?

Data ____ ____ emissions ____ generators in your supply ____ ____ ____ great.

Show ____ ____ ____ generators in ____ network?

I would like ____ ____ more ____ ____ CO2 ____ ____ generators involved ____ ____ supply chain.

____ there records ____ the level ____ CO2 ____ ____ ____ generators?

Is ____ on CO2 ____ ____ generators in ____ ____ ____ possible?

Are ____ ____ ____ ____ on your power sources ____?

____ you have ____ that detail CO2 emissions ____ ____ ____?

Are there ____ ____ ____ ____ ____ and differentiate ____ dioxide produced ____ ____ powered units in ____ ____ distribution grid?

____ ____ look at ____ detailing ____ amount ____ ____ emitted by different ____?

____ you ____ ____ detailing ____ ____ from different generators in ____ network?

____ ____ see reports depicting different levels of ____ ____ ____ ____ ____ ____ power sources?

Do I ____ access to reports ____ the ____ ____ CO2 ____ ____ individual ____?

____ there any ____ formats ____ specify and differentiate ____ ____ carbon ____ ____ by diverse powered ____ ____ ____ electrical distribution ____?

____ I ____ ____ to reports ____ the amount ____ CO2 released ____ ____ generators?

Is it possible ____ ____ reports on ____ ____ ____ ____ specific generators?

Do ____ ____ report formats ____ specify and ____ ____ ____ into carbon dioxide produced ____ ____ powered ____?

Can ____ see ____ CO2 emissions ____ ____ generators in ____ ____?

I want ____ know if ____ is ____ to view comprehensive ____ ____ ____ specific ____ ____.

Can I see ____ emissions ____ ____ in ____ ____ network?

____ would like to know the ____ ____ ____ ____ ____ ____ different generators in ____ supply chain.

____ it possible for ____ to ____ ____ ____ generator specific ____ emissions?

Can it be ____ ____ ____ ____ reports ____ generator ____ emissions?

____ ____ ____ ____ for generators ____ your network?

Is ____ possible to locate ____ ____ ____ different ____ of ____ power ____?

____ ____ ____ ____ ____ details ____ the ____ emissions from different ____ involved in ____ supply chain.

Can ____ tell ____ ____ ____ ____ the CO2 emissions from ____ generators?

Is it possible ____ access ____ details for ____ members ____ ____ ____ ____.

____ ____ ____ how ____ CO2 ____ generators emit?

____ I ____ the CO2 ____ ____ ____ generators?

____ ____ ____ ____ ____ to learn about generator specific CO2 emissions ____ your ____ ____?

____ you tell ____ ____ ____ CO2 ____ generated within ____ supplier network.

____ ____ possible ____ get reports ____ generator CO2 ____?

____ ____ ____ reports on the ____ emissions ____ ____ generators in your supply ____?

Can ____ ____ the ____ ____ CO2 from the generators in ____ ____?

____ all ____ in ____ supply ____ offered ____ reports?

____ it ____ to get ____ ____ for different ____ of ____ ____ grid?

____ it possible ____ get ____ reports ____ ____ dioxide emissions by ____ ____ ____ your ____ network?

Is it ____ ____ ____ comprehensive ____ ____ generator specific ____ emissions?

Will I ____ able ____ see ____ ____ outputs ____ ____ power units?

Can ____ get detailed reports on ____ ____ of ____ ____ by ____?

Can ____ get detailed ____ ____ how ____ CO2 ____ produced by ____?

____ there access ____ reports ____ ____ ____ of CO2 released ____ individual ____?

____ want ____ ____ the amount of ____ ____ ____ different ____ in your ____ network.

Can ____ see ____ data for ____ ____ ____ the ____ grid?

____ you have ____ ____ the ____ ____ CO2 emitted ____ your generators?

____ ____ ____ to view the CO2 ____ from your ____?

____ ____ ____ detailed reports on emissions ____ specific ____ ____ ____ supply network?

I want to ____ ____ ____ ____ see ____ ____ ____ for generators in your ____ network.

____ ____ ____ reports ____ differing levels of ____ dioxide ____ caused ____ ____ power sources?

____ you ____ ____ access ____ details ____ different members of your ____ ____?

Can I see ____ ____ report ____ ____ ____?

Can ____ see how much ____ ____ ____ coming from ____ ____?

Is ____ ____ ____ see ____ of generator ____ CO2 emissions?

____ can ____ ____ ____ how much ____ has ____ released by ____ generator?

____ it ____ ____ share data regarding ____ ____ of CO2 ____ by ____ generators?

Will you tell ____ ____ ____ ____ is emitted ____ ____ different ____ sources ____ your system?

____ ____ ____ me ____ CO2 levels from ____ generators?

____ generators in ____ ____ network have CO2 ____ ____?

Can you get ____ ____ ____ generator ____ ____?

Are you able ____ ____ the amount ____ CO2 ____ by ____ ____ your ____ ____?

Can you tell me ____ ____ ____ ____ to ____ detailed ____ on ____ CO2 ____?

____ ____ ____ ____ the ____ levels of the generators in ____ grid?

____ ____ tell ____ ____ ____ ____ figures for your power sources?

____ you have ____ information ____ ____ CO2 ____ ____ ____ generators in ____ supply chain?

Is ____ possible ____ get ____ on ____ ____ of ____ ____ by individual generators?

Can you ____ for the ____ ____ CO2 ____ from ____ ____ your ____?

____ want ____ ____ if ____ report the CO2 levels ____ ____ ____ in your ____ grid.

____ you let us ____ how ____ CO2 ____ emitted from ____ ____ ____?

____ ____ ____ in the supply network ____ CO2 ____?

Can ____ see the ____ ____ ____ ____ your generators?

Does anyone know ____ carbon ____ ____ ____ ____ power sources?

Can I ____ ____ ____ the ____ ____ CO2 released by ____ generators within ____ ____?

____ your network have ____ that ____ ____ level ____ CO2 ____ by ____?

I ____ ____ ____ CO2 levels ____ ____ in your network.

Do ____ have report ____ that ____ and ____ emissions ____ ____ ____ ____ through ____ powered units?

Are ____ in ____ ____ ____ for CO2?

Is ____ ____ ____ give data ____ ____ emissions ____ generators in your supply ____?

____ ____ ____ to ____ reports ____ the amount of CO2 ____ ____ individual generators?

Are there any ____ that ____ the ____ of ____ ____ by ____ generator ____ ____ network?

Can there ____ comprehensive reports ____ ____ ____ CO2 ____?

____ you ____ us the amount of ____ emitted ____ ____ ____ source?

____ you ____ ____ detailing the ____ emissions from ____ generators in ____ ____?

____ ____ ____ about ____ CO2 from your ____ network's generators.

Can ____ see ____ data for ____ ____?

I ____ ____ know the ____ ____ the ____ ____ from ____ generators in your ____ chain.

____ you let me ____ ____ ____ carbon dioxide these ____ ____ ____ our air?

____ report formats that specify ____ ____ ____ ____ ____ ____ ____ produced ____ diverse powered units inside the electrical ____ grid?

Is it ____ to view ____ ____ ____ different ____?

Is ____ ____ to ____ ____ reports for ____ CO2 emissions?

____ ____ ____ to retrieve information about ____ ____ carbon footprint?

____ ____ have data ____ the ____ ____ ____ emitted by ____ in your supply ____?

____ it ____ to ____ data ____ the ____ emissions ____ generators?

____ ____ possible to ____ ____ ____ generator-specific ____ emissions ____ your supply chain?

Is ____ a ____ ____ ____ ____ details for different members ____ ____ power grid?

____ I be ____ ____ ____ ____ emission reports for different ____?

____ wonder ____ ____ ____ see CO2 reports for ____?

____ ____ ____ a ____ on the amount of CO2 ____ by ____ ____?

____ ____ ____ ____ carbon dioxide emissions of different ____?

____ you have reports ____ the CO2 emissions ____ ____ ____?

Is it possible ____ ____ can see ____ ____ for ____?

I ____ ____ to ____ more ____ ____ ____ of CO2 ____ generators ____ your network.

____ ____ ____ data ____ CO2 emissions from ____ generators in ____ supply ____?

____ ____ show me levels ____ ____ from your ____?

Can ____ ____ out ____ the ____ ____ ____ emissions in your supply ____?

____ ____ possible to access CO2 ____ for ____ ____ ____ ____ power grid?

Do you ____ records ____ ____ the level ____ ____ ____ by ____ generator?

Do you provide ____ detailing CO2 emissions ____ ____ ____ ____ ____ network?

____ you ____ ____ possible to view ____ ____ on generator ____ CO2 ____?

_____ I _____ _____ detailing the amount _____ CO2 _____ _____ different generators in your _____ _____?

_____ _____ _____ reports detailing _____ _____ _____ CO2 released by _____ generators in _____ network?

_____ there a record that _____ _____ _____ _____ CO2 _____ _____ each generator _____ your network?

_____ it _____ to provide _____ _____ _____ emissions from the _____ in your _____ _____?

_____ can I find _____ _____ of _____ _____ _____ each generator?

Can _____ _____ carbon _____ data _____ different _____?

_____ _____ want to _____ CO2 reports for _____ in _____ _____.

_____ _____ be _____ to see the amount _____ CO2 _____ by _____ power _____?

_____ _____ _____ any _____ formats for specifying _____ _____ _____ _____ produced through diverse powered units in _____ electrical _____ grid?

Will you _____ _____ _____ if _____ is a _____ _____ _____ CO2 emitted by different _____ _____?

Can _____ _____ me about the _____ emissions in _____ _____ set _____?

_____ I get _____ _____ CO2 emissions _____ different _____ in _____ _____ network?

_____ there _____ emission _____ on your _____ _____?

Is it _____ to _____ the CO2 _____ _____ _____ _____ your supply _____?

Is it _____ _____ provide data on _____ emissions _____ _____ _____ your supply _____?

Can _____ _____ CO2 levels in _____ _____ from _____ generators?

Is _____ _____ _____ _____ how much CO2 generators _____ _____ network are _____?

I _____ like _____ see the _____ emissions _____ different _____.

_____ _____ CO2 emissions from various generators _____ _____ supply _____ _____ possible.

_____ me _____ about all _____ CO2 from your _____ _____ _____.

_____ it possible to _____ detailed _____ on _____ _____ emissions?

Can I _____ _____ about the amount _____ _____ released by _____ _____?

Can _____ _____ _____ on CO2 emissions _____ _____ generators?

Can _____ _____ reports on _____ _____ emissions _____ _____ generators in _____ supply network?

_____ you _____ CO2 for _____ _____ your _____?

_____ it possible _____ _____ data _____ _____ emissions from generators?

_____ you _____ me data on _____ emissions _____ different _____?

Is _____ _____ _____ _____ generators in the _____?

Do you _____ records _____ show _____ _____ _____ _____ produced _____ each generator?

_____ you show me the _____ _____ of the _____ _____?

_____ it possible _____ _____ information _____ each generator's carbon _____?

Will you _____ _____ the _____ _____ of _____ _____ different power _____ emit?

_____ _____ see _____ _____ for generators _____ the grid?

_____ _____ see reports _____ _____ amount _____ CO2 released by _____ generators _____ my _____?

_____ you _____ records _____ _____ _____ of _____ emitted by each generator?

Can I _____ emissions _____ for generators _____ _____ _____ network?

_____ it possible to _____ _____ reports on CO2 _____ _____ _____ generators in _____ supply _____?

Is it possible for all generators _____ your _____ _____ _____ _____ _____?

Do you _____ report formats _____ specify and _____ _____ _____ into _____ _____ produced _____ diverse _____ units?

Is _____ possible _____ I will _____ _____ emission reports for different generators _____ _____ _____ _____?

_____ it _____ _____ get information about _____ _____ emissions?

_____ _____ possible _____ see reports detailing the amount of _____ _____ _____ _____ generators?

Is it _____ _____ me to _____ reports _____ the amount _____ CO2 _____ _____ different _____ _____?

Is it _____ _____ see reports _____ the _____ of _____ _____ _____ individual generators within _____ _____?

_____ you _____ me _____ showin' _____ levels of _____ generator?

Is _____ a way _____ _____ _____ _____ _____ CO2 _____ of your generators?

Can _____ _____ me how much _____ _____ _____ _____ various generators _____ _____ supply network?

_____ you had any reports _____ how _____ _____ _____ put _____?

Is _____ _____ way _____ get _____ _____ for _____ _____ of your power grid?

Are there _____ detailing the _____ _____ _____ emitted _____ different _____ _____ your _____ network?

_____ it possible to _____ the _____ levels _____ _____ generators?

Is there _____ _____ to _____ the _____ _____ generator _____ CO2 emissions?

Is _____ possible _____ share _____ _____ the amount of CO2 _____ by different generators _____ _____ _____ _____?

_____ it _____ _____ share comprehensive data _____ the amount of _____ _____ by various _____ in your _____ _____?

_____ _____ the amount _____ CO2 emitted _____ _____ _____ _____ your supply network?

Will _____ _____ me the _____ _____ of CO2 _____ by each _____ _____ _____ your system?

Can _____ _____ _____ CO2 _____ _____ power sources?

_____ y'all tell _____ if _____ _____ the _____ levels _____ the generators?

_____ _____ _____ report formats that specify and _____ carbon _____ produced _____ diverse _____ units in the _____ _____ _____?

Did you _____ _____ about the amount _____ _____ emitted by _____ _____?

I would like _____ _____ _____ amount _____ CO2 _____ by _____ generators within _____ _____ network.

_____ I _____ information on _____ _____ specific CO2 _____ in _____ _____ chain?

_____ _____ _____ see _____ reports for your _____.

Access to emissions _____ _____ _____ _____ _____ supply chain.

_____ _____ see _____ _____ _____ is _____ by _____ in my supply network?

_____ _____ network _____ _____ _____ show _____ level of CO2 _____ by each generator?

_____ it _____ to _____ _____ reports on _____ _____ of CO2 _____ by generators?

Is _____ _____ to _____ _____ reports on _____ emissions from _____ generators?

Can _____ tell me _____ _____ _____ from _____ supply _____ generators?

_____ you give _____ _____ _____ how _____ _____ is emitted by different power _____?

Data on _____ _____ _____ _____ generators _____ your supply _____ could be _____.

_____ it possible _____ _____ information _____ generator-specific _____ emissions in _____ supply _____?

Is it _____ _____ view _____ _____ generator _____ CO2 emissions?

_____ _____ _____ _____ level of CO2 emitted by _____ generator within _____ _____?

_____ I see _____ data _____ _____ emissions _____ _____ different generators in your _____ _____?

_____ you tell me _____ _____ _____ their generators _____ emitting _____ your _____?

I am _____ _____ _____ can _____ CO2 emission _____ for _____ generators _____ your supply _____.

_____ want _____ know _____ they show _____ _____ _____ of each generator _____ _____ power grid.

_____ _____ _____ to _____ detailed _____ on _____ amount of CO2 _____ by various _____?

Can y'all _____ _____ _____ levels _____ each _____ in _____ power grid?

Is _____ _____ way _____ _____ comprehensive reports _____ generator specific CO2 _____?

Is _____ possible to _____ _____ _____ for _____ members _____ the grid?

_____ I see _____ _____ _____ CO2 emitted _____ different generators within _____ supply _____?

Can you _____ me _____ _____ _____ CO2 emitted in _____ generator _____?

_____ you _____ any report _____ _____ _____ and differentiate carbon dioxide _____ by _____ _____ units _____ the electrical _____ grid?

Are you _____ _____ see _____ _____ _____ for different generators?

Can _____ _____ me _____ _____ CO2 emissions from _____ generators?

_____ _____ _____ me the CO2 _____ of each generator in _____ _____ _____?

Is _____ _____ to _____ _____ _____ details of _____ members _____ the power grid?

_____ it _____ _____ see reports detailing the _____ of CO2 _____ _____ individual _____?

Can _____ _____ _____ _____ _____ emissions from your generators?

Can _____ show me the _____ emissions _____ _____ _____ generators _____ _____ supply network?

_____ _____ let me know the amount of _____ _____ _____ _____ in _____ supply _____?

Will I _____ _____ _____ on emissions _____ specific generators _____ your _____ _____?

_____ you let _____ know the _____ _____ of _____ _____ by different _____ sources?

Do you _____ reports detailing _____ _____ _____ _____ _____ by your generators?

Can _____ _____ levels of CO2 _____ _____ _____ in _____ network?

_____ there _____ _____ for _____ _____ get information on generator _____ CO2 _____ _____ your supply _____?

_____ I _____ information _____ _____ _____ from different _____ in your supply _____?

_____ I _____ the data on _____ emissions from _____ _____?

Is _____ possible to _____ CO2 _____ for _____ _____ _____ power grid?

_____ reports for generators _____ _____ supply _____?

Where can I _____ _____ _____ amount _____ CO2 _____ _____ each generator?

_____ _____ _____ report formats that _____ and differentiate _____ _____ _____ _____ diverse powered units within the _____ _____ grid?

_____ it possible to _____ how _____ CO2 is _____ _____ generator _____?

_____ am _____ for detailed reports _____ the _____ emissions _____ generators in _____ _____ _____.

_____ _____ possible to access _____ _____ _____ amount of _____ emitted by _____?

_____ there _____ way to view _____ _____ the _____ _____ CO2 _____ by generators?

_____ _____ _____ _____ on the CO2 _____ of your generators?

_____ _____ _____ for them to show the CO2 levels _____ _____ generators in _____ _____ _____?

_____ you tell _____ the _____ of CO2 emitted _____ _____ _____ _____ in your _____?

_____ you _____ _____ _____ much carbon dioxide these generators _____ in _____ _____ air?

_____ _____ possible to _____ _____ details _____ _____ members of the power _____?

Can _____ _____ _____ detailing the amount _____ CO2 _____ _____ different generators?

Is _____ _____ _____ retrieve _____ about _____ generator's carbon footprint?

_____ _____ possible to access _____ _____ from different _____ in _____ _____ network?

Will _____ let us _____ how much CO2 _____ _____ _____ _____?

_____ me all _____ CO2 _____ _____ _____ network's generators?

Can _____ share _____ _____ the amount _____ _____ emitted by _____ generators?

Can _____ see reports _____ _____ _____ of CO2 _____ _____ generators?

Can I _____ data on _____ _____ _____ different _____?

Is _____ _____ carbon _____ figures _____ your _____ sources?

Is it possible to _____ _____ _____ _____ the _____ _____ _____ by specific generators?

_____ there _____ report formats that specify and _____ carbon dioxide _____ _____ different _____ _____ _____ _____ electrical _____ grid?

_____ _____ have _____ to the _____ sources' _____ information?

Show the CO2 _____ _____ generators _____ _____ _____?

_____ _____ be _____ to see _____ _____ for _____ in your grid?

Can _____ _____ me about _____ generators' _____?

Is there a _____ to _____ _____ _____ different _____ _____ _____ _____ emissions _____ different power sources?

In _____ network, _____ _____ reports for _____?

_____ there any _____ _____ show the level of _____ emitted _____ each _____ _____ _____ network?

I want _____ know _____ _____ CO2 _____ _____ _____ individual generators within your _____.

Where can I _____ _____ _____ _____ CO2 is released _____ _____ generator?

Is it _____ to show the _____ _____ _____ each _____ _____ your _____ grid?

Is _____ _____ that _____ can see CO2 _____ _____ for different _____?

_____ I see _____ CO2 _____ _____ _____ network _____ various generators?

Do _____ want to _____ _____ for generators _____ _____ network?

_____ it _____ to make report _____ that _____ and _____ carbon dioxide produced _____ _____ _____ _____ inside the _____ distribution _____?

Is it _____ for you _____ _____ _____ about _____ amount _____ CO2 emitted _____ various _____?

_____ I see _____ showing _____ quantity _____ _____ released _____ individual generators?

_____ _____ a way _____ _____ out the _____ _____ CO2 _____ by your generators?

_____ _____ able to obtain _____ _____ on CO2 _____ _____ specific generators?

_____ I see reports _____ different _____ _____ _____ _____ emissions from different power _____ in _____ _____?

_____ _____ see the CO2 emissions from _____ _____ _____ network?

_____ _____ _____ report formats _____ _____ and _____ _____ dioxide produced by diverse powered _____ _____ _____ electrical distribution grid?

_____ would like to know the _____ _____ CO2 emissions _____ generators _____ _____ _____ _____ chain.

_____ there _____ on _____ much _____ generators put _____?

Is it possible _____ _____ _____ _____ _____ _____ _____ in the supply network?

Is it _____ _____ see CO2 reports _____ _____ _____ _____ grid?

Can I ____ ____ that ____ the ____ ____ of carbon ____ emissions from ____ power ____?

____ there any report formats ____ specify ____ differentiate ____ ____ carbon dioxide produced ____ diverse ____ ____ ____ ____ ____ distribution grid?

____ I see emission ____ for generators ____ ____ supply ____?

Is ____ possible to view reports depicting ____ levels of ____ ____ ____ ____ ____ power ____?

____ it ____ to ____ ____ amount of ____ CO2 across ____ ____ chain?

Can ____ ____ ____ CO2 reports ____ my ____?

____ you show ____ ____ ____ from ____ generators?

____ it ____ to read ____ ____ on ____ specific CO2 ____?

Can I see ____ ____ the amount ____ CO2 released by ____ ____ ____ ____ ____?

____ you ____ me ____ the showin' ____ ____ of ____ generator?

____ it ____ to ____ CO2 levels ____ various ____ in your ____?

____ if you ____ CO2 reports ____ ____ in your ____?

____ ____ in your ____ showing CO2 ____?

Do you offer any report formats that specify ____ ____ ____ into ____ ____ produced ____ ____ powered units ____ the ____ ____ ____?

Can ____ get reports ____ show the ____ of ____ emitted ____ ____ ____?

Is it possible to ____ ____ suppliers' ____ ____ ____?

____ ____ possible that I ____ ____ ____ ____ detailing the ____ of CO2 ____ ____ individual generators?

Can ____ ____ ____ generator ____ emissions?

____ ____ tell ____ how ____ ____ generators in ____ network are releasing?

Are there ____ report formats that ____ and ____ emitted ____ ____ ____ ____ produced ____ ____ ____ units in the electrical distribution ____?

____ ____ possible for me to ____ ____ about generator ____ ____ emissions?

____ you ____ ____ ____ me ____ the CO2 ____ your supply ____ generators?

____ can ____ find information ____ ____ much CO2 was released ____ ____ ____?

____ it possible ____ access ____ ____ for ____ members of ____ power ____?

____ I ____ ____ levels from ____ generators?

____ ____ ____ CO2 ____ accessible through reports?

____ it ____ ____ view comprehensive ____ of generator ____ ____ emissions?

____ carbon ____ ____ from ____ sources?

Where can I find ____ ____ ____ ____ ____ generator released?

____ there any ____ formats that specify ____ ____ the ____ dioxide ____ by diverse ____ units ____ the electrical ____ ____?

Were ____ ____ ____ share the amount of ____ emitted ____ various ____ ____ your ____ network?

I would ____ ____ ____ the details ____ ____ emissions from ____ ____ in your ____ chain.

____ you tell ____ ____ ____ of ____ CO2 levels of the ____ in my ____ ____?

____ I use ____ ____ on ____ ____ from ____ ____ in your network?

____ I view reports ____ ____ carbon dioxide ____ ____ different ____ sources?

____ would ____ to know ____ ____ ____ emissions ____ ____ generators in ____ supply chain.

Can I ____ ____ on ____ CO2 emissions ____ different ____?

Do ____ make any report formats that specify ____ differentiate ____ ____ produced through ____ ____ units inside ____ ____ ____ ____?

Do the ____ in ____ ____ ____ ____ reports?

____ ____ show ____ ____ for your generators?

Are the ____ reports available for ____ ____ ____ ____ network?

Is it ____ ____ ____ ____ information ____ different ____ of the ____ grid?

____ ____ have a way for me ____ ____ ____ ____ ____ ____ CO2 emissions in ____ supply chain?

Can ____ tell ____ ____ specific amount of CO2 emitted ____ different power ____ ____ ____ ____?

I ____ if it's possible to ____ detailed reports ____ ____ ____ ____.

____ you show ____ ____ ____ ____ of ____ generators in your network?

Can you ____ me ____ reports on the ____ of ____ ____ ____ ____?

Can I _____ _____ amount _____ CO2 _____ _____ individual _____ _____ your network?

_____ _____ to _____ reports _____ CO2 output of _____ generators.

_____ _____ _____ to see details _____ the CO2 _____ _____ _____ set up?

Any figures _____ _____ emission _____ _____ power _____?

Can I obtain _____ _____ the _____ of _____ emitted _____ _____?

_____ _____ have _____ ability _____ access information on generator _____ _____ emissions?

Can _____ get _____ _____ for more _____ one member _____ _____ _____ grid?

_____ _____ let _____ know the specific _____ _____ CO2 _____ by _____ power sources?

_____ _____ to _____ how _____ _____ is _____ by _____ _____ in your supply network.

Can _____ _____ _____ _____ from generators?

_____ _____ obtain _____ _____ on generator CO2 _____?

Is _____ a way _____ _____ _____ showing _____ _____ _____ carbon dioxide _____ from _____ power sources?

Can _____ _____ tell _____ how _____ CO2 these _____ _____ pumping out?

_____ I _____ _____ on _____ CO2 _____ in _____ supply chain?

Where _____ _____ _____ the _____ _____ CO2 _____ _____ released by each generator?

Is it _____ to _____ _____ levels from your _____ _____?

Can _____ _____ the _____ _____ _____ your generators?

_____ you _____ to _____ the carbon _____ data _____ different _____?

_____ you _____ _____ about CO2 emissions _____ _____ generators?

Is _____ possible for _____ _____ get _____ on _____ _____ _____ your supply chain?

Do _____ have a _____ to _____ _____ CO2 _____ of your _____?

_____ it _____ to _____ reports _____ generator specific CO2 _____?

Any _____ on _____ _____ CO2 generators _____ _____?

_____ generators _____ your _____ network have _____ _____?

_____ _____ _____ _____ reports on _____ CO2 emissions?

Can _____ _____ _____ on _____ emissions from _____ generators in _____ network?

Is _____ _____ _____ look _____ CO2 _____ from your generators?

_____ _____ possible to _____ _____ on generator-specific CO2 _____?

_____ _____ _____ to give me detailed _____ on _____ CO2 emissions _____ _____ generators?

_____ I _____ _____ greenhouse _____ emission data?

Take some information about _____ _____ _____ _____ emitted _____ _____ generators?

Is it _____ to find out _____ _____ of _____ _____ your _____ _____?

Data _____ CO2 _____ from generators _____ your supply _____ _____ _____ useful.

Will _____ see _____ reports for _____ _____ my _____?

_____ you _____ me how much CO2 the _____ _____ _____ _____ _____ leaking?

Is it _____ _____ _____ _____ information for other members of _____ _____ _____?

_____ you know _____ much _____ the _____ in your _____ are _____?

Can you _____ the _____ _____ _____ generator specific _____ emissions?

Can _____ see _____ _____ the amount of _____ emitted by _____ _____ within _____ supply _____?

Is it _____ _____ _____ carbon _____ data from _____ generators.

_____ it _____ _____ find comprehensive reports _____ _____ specific _____ emissions?

Can _____ see _____ showing _____ different levels of _____ _____ emissions _____ by different _____ _____?

_____ you _____ _____ about _____ quantity _____ CO2 released by _____ generators?

I want _____ _____ the _____ _____ CO2 _____ from generators _____ in your _____ _____.

_____ it possible to see _____ _____ _____ from _____ generators?

Can _____ _____ information about _____ _____ emissions _____ _____ supply chain?

Is it _____ _____ access CO2 _____ for various _____ of _____ _____ _____?

Is it possible to _____ the CO2 _____ for _____ _____ _____ your _____ _____?

_____ _____ have any report formats _____ specify _____ _____ carbon dioxide _____ _____ diverse powered units _____ the _____ distribution _____?

How can I _____ the reports _____ _____ _____ of _____ _____?

____ there _____ on _____ emissions _____ _____ generators in your ____?

____ _____ show me the CO2 _____ of _____ ____ _____ your power ____?

____ it possible to ____ reports ____ ____ ____ _____ dioxide ____ caused by different ____ sources?

____ it possible ____ ____ ____ carbon ____ figures on ____ power sources?

Is ____ a ____ that ____ ____ _____ of CO2 emitted ____ each generator within ____ ____?

Could I ____ ____ ____ ____ generator's carbon ____?

____ _____ have ____ that ____ the ____ emissions from ____ generators?

Are ____ ____ that ____ the amount ____ _____ emitted by each ____ in ____ ____?

____ ____ a ____ to ____ _____ amount ____ CO2 emitted ____ different generators in ____ _____ network?

How ____ showing _____ _____ for generators ____ _____ network?

____ ____ ____ ____ _____ reports on carbon ____ emissions _____ specific generators _____ your supply network?

Would you ____ able ____ retrieve ____ ____ each generator's ____ ____?

Tell ____ ____ _____ show _____ the levels of ____ in each ____?

____ _____ be able to see CO2 ____ _____ your ____?

I need ____ reports ____ how ____ CO2 generators ____ ____.

____ ____ _____ information about your ____ emissions in ____ _____ chain?

Do ____ _____ any ____ on how ____ CO2 ____ ____ _____ your generators?

Can ____ ____ _____ the ____ levels of each generator in ____ ____?

Is _____ possible to ____ ____ _____ emissions ____ your generators?

Are ____ records ____ _____ dioxide ____ _____ different sources?

Is it possible to get information ____ ____ ____ ____ ____ ____ ____ _____ supply chain?

Can ____ _____ reports on ____ _____ CO2 is _____ by ____?

Can I _____ carbon ____ emissions ____ ____?

____ _____ if ____ ____ ____ _____ levels from ____ generators in your network.

Does _____ ____ if I ____ see ____ reports ____ your ____?

____ you ____ me ____ CO2 emissions of ____ in ____ ____?

____ ____ _____ to access information on generator-specific ____ ____?

____ _____ see the data on CO2 ____ from ____ ____?

____ it _____ to _____ comprehensive reports ____ generator specific ____ ____?

Is this ____ to get ____ reports ____ ____ _____ emissions?

____ you ____ _____ data on ____ emissions from ____ generators in ____ _____ network?

Does ____ know _____ carbon emission ____ _____ your ____ sources?

Can you ____ _____ how ____ carbon dioxide ____ ____ _____ throwing ____ the air?

I want ____ ____ _____ the CO2 ____ from different generators ____ ____ _____ chain.

Can ____ be reports detailing ____ ____ ____ ____ emitted ____ different generators?

____ it ____ ____ ____ _____ generator specific CO2 emissions?

Can they show ____ _____ CO2 levels ____ ____ ____?

Does ____ ____ _____ much CO2 ____ in your ____ are ____?

Is it _____ to view reports depicting ____ ____ _____ carbon ____ ____ _____ different power sources in ____ ____?

____ you ____ _____ tell _____ _____ much CO2 these ____ are pumping ____?

____ you ____ me details ____ _____ emissions ____ _____ in _____ supply network?

Can ____ give ____ ____ ____ ____ amount ____ _____ emitted by various generators?

____ ____ ____ _____ information on the amount ____ _____ emitted by your ____ generators?

Is ____ ____ _____ see ____ depicting ____ ____ _____ from different power sources?

Can you _____ me reports ____ ____ ____ ____?

____ _____ possible ____ _____ reports on _____ CO2 output of ____ generators?

____ there a _____ to ____ reports ____ CO2 emissions ____ _____ generators?

Are ____ reports ____ CO2 ____ ____ _____ generators in your supply ____?

How _____ I view ____ _____ CO2 output _____ your ____?

____ _____ possible ____ _____ to ____ _____ generator ____ CO2 emissions in _____ supply chain?

____ you let ____ ____ how much CO2 the generators ____ ____ ____?

____ I be ____ ____ ____ reports detailing ____ ____ of ____ ____ by individual generators?

____ it possible to access CO2 ____ ____ ____ members of ____ ____?

Do ____ ____ the specific ____ of CO2 ____ ____ ____ power ____ within ____ system?

____ y'all ____ me ____ ____ CO2 levels ____ your generators?

____ ____ ____ see ____ ____ on CO2 output of generators?

____ you tell ____ ____ amount of ____ emitted by the different ____ ____ ____ ____ system?

Can ____ ____ ____ the amount ____ CO2 emitted ____ ____ ____ in my supply ____?

Can ____ tell ____ the level ____ ____ emitted ____ ____ generator?

Will you let ____ ____ ____ ____ CO2 ____ emitted ____ ____ different power ____ in ____ system?

Can ____ ____ ____ ____ level ____ CO2 in each ____ in the power ____?

____ ____ see the ____ ____ for ____ generators?

Can ____ ____ ____ reports for your ____?

Can ____ ____ reports ____ the emissions ____ CO2 ____ specific ____?

Can ____ get ____ ____ the amount of CO2 ____ ____ ____ generators?

Do records ____ that show ____ ____ of ____ ____ by ____ generator ____ ____ network?

Are ____ able ____ get detailed ____ ____ CO2 ____ ____ specific generators?

____ am ____ if ____ can get ____ on CO2 ____ ____ ____ generators.

Can you ____ ____ ____ much CO2 is ____ in ____ ____?

Is it possible ____ get ____ ____ ____ dioxide ____ from different ____ ____ your ____ network?

____ I see ____ ____ of CO2 in your network ____ ____ ____?

Is it ____ for you ____ ____ data ____ ____ emissions ____ generators?

I ____ wondering if ____ could provide ____ with ____ reports ____ CO2 ____ ____ your ____.

Can I see ____ ____ output of ____ ____ ____?

Can ____ tell ____ the carbon emission ____ ____ ____ ____ sources?

Can ____ tell ____ ____ ____ of CO2 ____ by ____ generator?

____ ____ see the amount of CO2 emitted ____ different ____ in ____ ____ ____?

____ you ____ me how ____ CO2 is generated in ____ ____ ____?

Do ____ have any ____ formats that specify ____ ____ ____ dioxide produced ____ diverse ____ units ____ ____ ____ distribution grid?

____ ____ ____ ____ on CO2 ____ your generators?

____ i ____ the ____ of CO2 from ____ ____?

____ I ____ reports ____ ____ amount of ____ emissions ____ different generators?

I need to ____ ____ ____ specific CO2 ____ in ____ ____ chain.

____ ____ see ____ emission ____ ____ different generators?

Can you give ____ comprehensive ____ ____ ____ amount ____ ____ emitted ____ various generators?

Can I ____ ____ on ____ CO2 ____ ____ your ____ chain?

Is ____ ____ way to see ____ level of ____ emitted ____ ____ ____?

____ ____ ____ ____ see ____ CO2 outputs of ____ power units?

Is ____ ____ ____ ____ get ____ on generator-specific CO2 emissions?

Data ____ CO2 emissions from ____ in ____ ____ network ____ ____.

Can ____ ____ ____ reports on generator ____ ____ emissions?

____ I get ____ ____ ____ amount of ____ emitted by ____ generators?

Can I see the CO2 ____ for ____ generators ____ ____ ____ ____?

Does ____ grid have ____ ____ for ____?

Can ____ tell me ____ much carbon dioxide ____ ____ throw ____ ____ ____?

Is it possible to ____ ____ ____ dioxide ____ ____ ____ generators?

____ ____ show me the ____ emissions for the generators ____ ____ ____?

____ I see ____ CO2 ____ ____ generators?

Will ____ give me information about the ____ of ____ ____ by ____ ____ ____?

____ ____ generators ____ the supply ____ able ____ receive CO2 ____?

Are there ____ ____ show carbon ____ ____ from ____ sources?

____ want to know more ____ the ____ ____ ____ different generators involved ____ ____ ____ chain.

I ____ ____ know about ____ CO2 emissions ____ ____ ____ your supply ____.

____ I ____ ____ ____ ____ from different generators?

____ about ____ ____ ____ from ____ ____ in your supply chain?

____ I see ____ emissions from ____ generators in ____ ____?

Is there ____ record for the ____ ____ CO2 ____ ____ each ____ within ____ ____?

Are CO2 ____ ____ your ____ ____?

____ you ____ ____ levels from your ____?

____ ____ possible that I see ____ emission ____ ____ different ____?

Is ____ possible ____ ____ greenhouse gas ____ ____ ____ specific suppliers?

____ ____ interested in the quantity ____ CO2 released by ____ ____ ____ your ____.

I ____ to ____ the details ____ ____ ____ from ____ involved in ____ ____ chain.

____ you ____ me ____ the ____ CO2 ____ ____ the generators in ____ ____ grid?

____ you show ____ the ____ ____ for ____ generators in ____ network?

____ ____ ____ report formats that ____ and ____ emitted quantities ____ carbon dioxide produced by ____ ____ units in the ____ ____ ____?

Can ____ ____ ____ emissions ____ different generators ____ your supply ____?

Is ____ ____ ____ get data ____ ____ emissions ____ your generators?

Is it ____ ____ get ____ on ____ ____ ____ emissions in your supply ____.

Is there ____ way to get ____ ____ ____ ____ emissions?

____ I see emissions reports ____ ____ ____ your supply ____?

Do you ____ ____ that ____ CO2 emissions from ____ ____?

____ ____ get reports ____ the ____ emissions by ____ ____ in ____ supply network?

____ ____ ____ reports on the amount ____ ____ produced ____ generators?

____ it ____ to ____ ____ ____ from ____ in your network?

____ you ____ us know how much CO2 is ____ ____ different ____ ____ ____ ____ system?

____ ____ any records of ____ dioxide ____ from ____ sources?

Is ____ possible to ____ reports detailing the ____ ____ CO2 ____ by ____ ____?

Is ____ ____ ____ ____ data ____ CO2 ____ from generators in your ____ network?

____ it possible to ____ reports ____ different ____ ____ carbon dioxide ____ ____ distinct power ____?

Are the ____ ____ that show the ____ of ____ ____ by ____ ____?

I was ____ if you ____ ____ me reports on ____ ____ ____ ____ your ____?

____ ____ tell ____ about the amount of ____ ____ ____ the generators ____ ____ supply network?

I ____ ____ know the quantity ____ ____ released by individual ____ ____ ____ network.

____ ____ ____ the ____ emissions from your ____ in the ____?

I ____ ____ ____ know the ____ of ____ CO2 ____ ____ the ____ generators in ____ supply chain.

Is ____ ____ to ____ the ____ on generator specific ____ ____?

Can I see ____ of ____ ____ various ____ ____ your ____?

Is it ____ to ____ ____ the ____ ____ ____ emitted ____ various generators?

____ me, can you ____ me ____ levels of ____ in ____ ____?

____ generator ____ emissions ____ ____ by reports?

____ ____ ____ CO2 emission reports ____ ____ generators in your supply ____?

____ I ____ ____ showing different levels ____ carbon ____ ____ ____ power sources?

Is there ____ data ____ the CO2 emissions ____ ____ ____ your ____ ____?

Is ____ ____ ____ receive ____ showing the amount ____ ____ emitted ____ ____ power plants?

____ it ____ to review greenhouse ____ emission ____ ____ specific ____?

Will ____ be able to view reports showing ____ ____ ____ ____ dioxide emissions ____ ____ ____ ____?

I want ____ know ____ much ____ is generated ____ ____ ____ network.

____ ____ ____ detailed ____ on generator ____ emissions.

Can you ____ ____ how ____ carbon dioxide these ____ ____ ____ out?

_____ you _____ any _____ on _____ _____ CO2 your generators _____ releasing?

_____ _____ I find _____ about how much _____ _____ released _____ each _____?

Is it possible _____ see _____ details _____ _____ members of _____ _____ _____?

_____ it possible to get information on generator _____ _____ _____ _____ your _____ _____?

_____ of CO2 _____ by _____ suppliers' _____?

_____ it _____ to review _____ _____ gas _____?

_____ you have _____ emission _____ _____ different generators _____ your _____ network?

_____ _____ I _____ out the amount of CO2 _____ _____ _____ releases?

Does your supply _____ have any _____ _____ _____ _____?

_____ was wondering if you _____ _____ _____ _____ reports _____ the _____ of _____ generators?

_____ _____ see detailed reports on _____ _____ of CO2 discharged _____ _____?

Is _____ _____ _____ _____ comprehensive reports on _____ _____ CO2 emissions?

Should _____ be able _____ _____ _____ _____ generator specific _____ _____ _____ your supply chain?

Is _____ possible to _____ _____ _____ _____ _____ level of CO2 emitted by _____ _____?

_____ you _____ _____ much CO2 _____ _____ _____ network are spewing?

_____ _____ _____ _____ see reports _____ the _____ of CO2 _____ by individual generators _____ _____ network?

_____ you _____ CO2 reports for _____ _____ _____ your _____ network?

_____ you _____ me detailed _____ _____ _____ emissions _____ the generators in _____ network?

_____ _____ _____ to _____ specific suppliers' greenhouse gas emission _____

I would _____ to _____ _____ about the CO2 emissions _____ _____ _____ _____ your _____ chain.

_____ wonder if I _____ see _____ emission _____ _____ different _____.

Is _____ _____ records _____ show the _____ _____ _____ _____ by each generator _____ your network?

Do you _____ reports _____ _____ amount _____ _____ emitted _____ generators within _____ _____ network?

_____ _____ able to _____ CO2 _____ reports for _____ generators?

Is _____ _____ to _____ CO2 _____ _____ some generators?

_____ you _____ me how much CO2 _____ _____ _____ generators?

_____ it possible _____ provide _____ on _____ _____ from _____ _____ your network?

Do you make _____ _____ _____ that _____ and differentiate _____ _____ produced _____ diverse powered _____ inside _____ electrical distribution _____?

_____ you be _____ _____ _____ CO2 reports for your _____?

_____ I _____ info _____ _____ generator's carbon _____?

Can _____ _____ CO2 details for _____ _____ _____ member of the _____?

_____ you _____ _____ showing CO2 reports _____ generators _____ _____ network?

I want _____ _____ _____ _____ regarding CO2 emissions from _____ generators _____ in your _____ _____.

_____ _____ _____ out _____ amount of CO2 released by _____ _____?

_____ there _____ report formats _____ _____ and differentiate the _____ dioxide _____ _____ _____ powered _____ inside the electrical _____ grid?

_____ CO2 reports available for _____ _____ _____ your _____?

Is it possible _____ obtain _____ on generator _____ _____ _____ in _____ supply _____?

Can _____ _____ _____ for generators?

_____ _____ _____ CO2 levels from _____ _____ in your network?

Can _____ _____ me see _____ reports for _____ _____?

Is this possible _____ view _____ reports _____ _____ specific _____ _____?

Will you tell _____ the amount _____ _____ _____ from _____ power _____?

Do _____ have _____ to _____ on the amount _____ _____ released _____ individual _____?

Does it be _____ to _____ _____ reports on _____ _____ CO2 _____?

_____ y'all _____ _____ _____ levels _____ CO2 in each generator _____ my power _____?

_____ it _____ _____ get detailed CO2 emissions _____ from _____ _____ _____ your _____ network?

Will _____ _____ _____ _____ reports _____ _____ amount of _____ _____ by individual generators within your _____?

Will you tell _____ _____ the _____ _____ _____ CO2 _____ comes _____ _____ power sources?

_____ it _____ to _____ reports _____ CO2 emissions _____ specific _____ in _____ _____ network?

____ you ____ any ____ ____ that specify ____ differentiate ____ dioxide produced ____ ____ units inside ____ electrical distribution ____?

____ ____ ____ information on ____ ____ CO2 emissions ____ my supply chain?

Are there carbon emission ____ ____ ____ ____ ____?

Is ____ ____ ____ ____ reports depicting different levels of ____ dioxide emissions ____ ____ power sources ____ ____ infrastructure?

____ ____ see ____ reports ____ CO2 in your ____?

____ ____ wondering ____ I ____ get information about each generator's ____ ____.

____ ____ ____ ____ ____ ____ show the CO2 ____ of ____ generator in your power grid.

____ ____ possible ____ me to learn ____ about ____ specific ____ emissions ____ your supply ____?

Can I access ____ ____ generator specific ____ emissions ____ ____ ____ chain?

I ____ like to ____ about the ____ ____ your supply ____ ____.

____ ____ ____ ____ generators' CO2 reports?

____ wonder ____ it is ____ to ____ comprehensive reports on ____ specific ____ ____.

____ you ____ reports ____ ____ specific ____ emissions?

Will ____ tell ____ ____ much ____ is emitted ____ different ____ sources?

____ I ____ ____ ____ reports about ____ quantity ____ CO2 ____ by individual generators?

Can I ____ reports ____ CO2 ____ ____?

____ ____ ____ ____ ____ CO2 emissions ____ different ____ in your supply network?

Can I ____ reports ____ ____ quantity of ____ released ____ ____ generators?

May ____ get ____ on ____ ____ specific generators ____ your supply ____?

Can ____ see the ____ emissions ____ ____ ____ my ____ network?

____ there any ____ ____ CO2 for ____ in ____ grid?

Is ____ possible to ____ ____ ____ regarding ____ amount ____ ____ ____ ____ various generators in your supply network?

____ you tell ____ about ____ CO2 emissions from ____ ____?

Will you let us ____ the ____ ____ ____ emitted ____ different ____ sources in ____ ____?

Can I obtain ____ ____ CO2 emissions ____ ____ generators in ____ ____ ____?

Is ____ ____ to see the ____ ____ ____ released by individual ____ in ____ ____?

Tell me, ____ ____ ____ ____ the ____ ____ of the generators in ____ power ____?

I ____ ____ ____ ____ access ____ data ____ ____ emissions from different generators.

Can y'all ____ me ____ showin' ____ ____ ____ the ____ in ____ power grid?

Do you have ____ about CO2 ____ ____ ____ ____ in ____ network?

____ ____ to ____ ____ I ____ access CO2 ____ for different members ____ ____ power grid.

Where ____ ____ ____ out the ____ of ____ released from ____ generator?

____ there ____ reports ____ ____ ____ your grid?

____ there ____ information ____ ____ ____ CO2 ____ generated by your supplier ____?

____ you have CO2 ____ ____ ____?

Are ____ able to ____ ____ ____ details ____ power sources?

____ ____ possible ____ ____ data regarding the ____ ____ CO2 emitted by different ____ in your ____ ____?

____ ____ tell ____ ____ amount ____ ____ ____ by different ____ sources in your system?

____ ____ see ____ reports for you ____?

____ ____ possible ____ ____ comprehensive ____ about generator-specific CO2 emissions?

Can ____ ____ provide ____ specific ____ reports?

Is ____ possible ____ ____ information ____ generator specific CO2 ____ ____ your ____ chain?

Is it possible ____ get ____ ____ CO2 ____ ____ specific ____?

____ ____ have access ____ the ____ details of power ____?

____ ____ ____ the CO2 data ____ ____ generators?

____ you provide ____ about CO2 ____ from ____ ____?

____ I see ____ ____ emission ____ for ____ generators in your ____ ____?

What carbon ____ ____ are ____ your ____ ____?

____ you offer any report formats ____ ____ and ____ ____ dioxide produced ____ diverse ____ units ____ the ____ distribution ____?

Do you have any ____ ____ ____ ____ ____ their ____ put out?

Will it be _____ _____ _____ _____ reports _____ generator _____ CO2 emissions?

_____ I _____ able to _____ reports _____ _____ _____ _____ specific generators in your supply _____?

_____ _____ any _____ _____ _____ specify _____ differentiate emissions from _____ dioxide _____ by diverse _____ _____ _____ the electrical distribution grid?

_____ _____ _____ CO2 reports for generators _____ _____ network?

Can _____ _____ information about _____ _____ footprint of _____ generator?

_____ _____ _____ me _____ with the _____ about generator emissions?

_____ it possible _____ see CO2 _____ _____ generators in _____ _____?

Are you _____ to _____ me with _____ on _____ specific _____ emissions in _____ _____ _____?

I _____ to _____ _____ _____ _____ CO2 reports for your generators.

Can I _____ _____ _____ _____ for generators?

Can _____ _____ carbon _____ emissions caused _____ different _____ _____ _____ a report?

_____ _____ _____ within your supply network _____ _____ reports?

Are _____ able _____ provide me _____ detailed reports _____ _____ _____ of _____ generators?

Do _____ _____ records _____ _____ level _____ CO2 _____ by _____ _____ within your network?

_____ you able to get detailed _____ _____ _____ _____ _____ specific generators?

Do _____ have _____ _____ detailing _____ amount of _____ _____ _____ different generators?

_____ you _____ me the level _____ _____ emitted by _____ _____ within _____ network?

_____ wanted _____ know _____ _____ of the _____ _____ from different generators in _____ supply _____.

Is _____ reports available for the _____ _____ _____ supply _____?

_____ on CO2 emissions _____ be _____ from _____ _____ in _____ _____ network.

_____ _____ _____ levels _____ CO2 from _____ in your network?

_____ it _____ _____ to _____ for _____ lowdown _____ _____ dioxide emissions from generators in _____ _____?

_____ CO2 _____ be _____ for generators _____ _____ network?

Is _____ _____ to get _____ _____ _____ _____ emissions of CO2 _____ specific generators?

_____ you _____ _____ _____ _____ dioxide emissions from generators _____ your network?

_____ you _____ me _____ reports detailing _____ _____ of _____ _____ _____ individual _____ within your network?

Is it _____ to _____ detailed reports _____ CO2 emissions _____ _____ _____?

_____ about showing _____ CO2 _____ for _____ in _____ network?

Care _____ let us know how _____ _____ _____ these _____ throw _____ our _____?

Are _____ any report _____ _____ specify and _____ _____ into carbon dioxide produced _____ _____ powered units _____ the _____ _____ _____?

_____ it possible _____ _____ _____ detailing the _____ of CO2 _____ _____ generators within your _____ _____?

_____ amount _____ _____ _____ _____ generators within your supply _____ can be _____.

Do _____ _____ reports _____ _____ the CO2 _____ _____ different generators?

Do _____ have records _____ _____ the level _____ CO2 emitted _____ _____ _____ in your _____?

Is _____ _____ _____ _____ CO2 emissions from generators in _____ supply _____?

I _____ _____ to know the _____ _____ CO2 _____ _____ individual _____ _____ your network.

_____ there a way to view _____ _____ generator _____ _____ _____?

Is it _____ to provide _____ _____ _____ generator _____ emissions?

Is _____ possible to _____ _____ _____ _____ _____ from different generators?

Do _____ _____ _____ much _____ the _____ _____ your network are spewing?
