[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Installation instructions and guidance
Inquiry Sub-Category	Configuration Setup
Description	Customers require help in configuring their telecommunications equipment, seeking instructions on setting up network parameters, IP addresses, security settings, and other system configurations.
Data Size	5,011 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Are there _____ specific guidelines _____ _____ networking _____ _____ IPs _____ _____ for _____ products?

Can _____ _____ _____ a _____ _____ _____ _____ will help us configuringips andsubnets?

_____ you _____ _____ some _____ for _____ networks?

Do you _____ _____ instructions _____ configuring _____ _____?

What are _____ _____ for _____ up _____ in _____ _____ your products?

Is _____ _____ _____ _____ set up networking gear for _____ _____?

_____ _____ any guidelines _____ network likeips _____

_____ _____ the guidelines for _____ (ip/subnet _____?

Is _____ a guide _____ set up _____ for _____ _____?

_____ you know _____ _____ _____ setting up _____ gear for _____ product?

_____ it possible to give _____ _____ _____ how to _____ up _____ _____ _____ with items such as _____ addresses _____ _____?

Does anyone _____ guidelines _____ _____ _____ set _____ networking _____ for your _____?

Do _____ _____ _____ guidelines _____ how to _____ _____ for your product?

_____ you tell me _____ _____ are specific _____ for setting up _____ _____ _____ _____ products?

Is there _____ _____ to set up _____ Protocols and _____ _____ _____?

Can _____ give us a set _____ guidelines _____ _____ _____ use when _____ _____?

Does _____ any _____ guidelines _____ _____ networking settings _____ _____ products?

_____ _____ _____ guidelines exist _____ _____ up networking _____ for your products?

_____ you _____ us _____ guidelines to _____ in _____ andsubs?

_____ there any _____ _____ configuring _____ _____ of the products?

_____ _____ _____ us some _____ to help _____ in _____ andsubsticals?

_____ you _____ _____ a set _____ guidelines _____ configuringips andsubnets?

Does _____ have _____ instructions _____ how to set up _____ _____ _____ _____ products?

_____ _____ _____ _____ some _____ for configuringips and subs when _____?

_____ you _____ _____ advice _____ _____ up networks when using your _____?

Can you please _____ us _____ _____ of _____ _____ _____ andsubnets

Do _____ _____ a set _____ _____ _____ how _____ set _____ your network _____ your products?

Can _____ give _____ _____ _____ of guidelines to help _____ _____ andsubs?

Is _____ any guidelines that _____ be used _____ _____ _____ use of IPs _____ _____ _____?

Can _____ _____ guidelines about properly configuring _____ _____ _____ your _____?

Can _____ _____ me _____ guidelines for setting up _____ _____?

Do _____ have _____ _____ for _____ up _____?

_____ _____ have _____ guidelines on how _____ _____ _____ networking connections?

Can _____ give _____ guidelines for _____ _____?

_____ you have any _____ on _____ to _____ your _____?

Do _____ have _____ _____ _____ configuration?

_____ you _____ _____ _____ guidelines _____ configuring the networks?

_____ _____ any _____ _____ setting up networks _____ your products?

_____ _____ _____ _____ _____ for configuring the network aspects?

_____ anyone _____ guidelines for how to _____ _____ networking _____ _____ _____ products?

_____ _____ give _____ _____ on setting up networking _____ our _____?

_____ you _____ _____ _____ _____ configuring _____ andsubstratum of your products?

Can _____ _____ me some guidelines _____ configuring _____ _____?

Can _____ _____ _____ _____ to help with configuringips _____?

Do _____ have _____ guidelines _____ _____ up _____ _____ your gadgets?

Can you _____ _____ _____ guidelines _____ configuringips andsubnets to _____?

_____ _____ _____ instructions for configuring _____ networking _____ the products?

Does _____ _____ any _____ _____ _____ networking gear _____ your product?

Does any _____ _____ _____ to _____ _____ _____ gear for your products?

Do _____ have _____ on _____ _____ set up networks _____ _____ _____ products?

_____ you _____ any _____ rules on setting _____ networks _____ your _____?

_____ _____ specific _____ _____ for _____ up _____ settings for your products?

Does there _____ guidelines _____ _____ _____ set _____ _____ _____ for your product?

_____ _____ _____ us _____ set _____ guidelines _____ configuringips and subs?

_____ _____ know _____ any guidelines for _____ up _____ _____ you use your _____?

Can _____ give us some guidelines _____ _____ _____ withips _____?

Can _____ give me _____ _____ for _____ _____ the networks?

Can _____ give us guidelines _____ _____ _____ _____?

_____ you have _____ _____ of guidelines that _____ can _____ _____ configuring your _____?

Can you give _____ some _____ for _____ _____ internet _____ _____ and internet _____ networks _____ _____ products?

_____ _____ any _____ guide _____ setting up _____ for your _____?

_____ _____ give me _____ _____ for configuring _____?

_____ _____ possible _____ _____ concise _____ on how to set up networks, especially with _____ _____ as _____ _____ _____ subnetting?

Can _____ _____ _____ guidelines on _____ _____ network network aspects?

_____ you please give _____ a _____ _____ guidelines _____ use _____ _____ andsubnets?

_____ there any guidelines _____ _____ _____ _____ for your products?

_____ you _____ us a _____ of guidelines _____ configuringips _____?

_____ there a _____ _____ _____ setup networks for _____ product?

Does there any specific _____ _____ _____ _____ networking _____ _____ a product?

How _____ set _____ networks, _____ _____ with items _____ as IP _____ _____ subnetting, could _____ provide concise _____?

_____ network _____ addressed by _____ _____?

Do _____ _____ _____ _____ the network configuration?

_____ you _____ me _____ on _____ _____ _____ the networking components _____ my products?

_____ _____ have instructions about configuring _____ networking of _____ _____?

_____ you offer _____ _____ for _____ up networks _____ your _____?

_____ I _____ _____ on how _____ _____ _____ networking components for my _____?

Do _____ have any _____ that can _____ _____ to _____ _____ theip andsubnets _____ the _____?

Can you give _____ _____ guidelines _____ configuring _____ _____?

_____ _____ any _____ that may _____ _____ use _____ configuring the IP and _____ _____ the _____?

_____ _____ any _____ _____ configuringips andsubs

_____ you have _____ set _____ _____ for _____ andsubs?

_____ _____ have guidelines _____ configuring _____ things?

_____ you _____ _____ _____ of rules _____ how _____ _____ _____ networks on your products?

Can you _____ us _____ set _____ _____ for configuringips _____?

I would like _____ _____ if you have _____ _____ _____ may be _____ _____ _____ the _____ _____ subnets of _____ products.

_____ it possible to _____ concise _____ _____ _____ to _____ up networks, _____ _____ _____ like _____ addresses and subnetting?

_____ _____ _____ a _____ of guidelines to help _____ _____ andsubsticals?

_____ guidelines are _____ for setting _____ _____ when _____ use your _____?

Can _____ give us a _____ _____ guidelines _____ use _____ configuringips _____?

Can _____ _____ us with _____ _____ _____ andsubsticals

_____ _____ give _____ some _____ _____ _____ up _____ _____ address and internet protocol networks in _____ products?

Does _____ _____ _____ on how _____ set _____ _____ gear for _____ product?

Can you _____ _____ _____ _____ configuring the _____

_____ _____ _____ _____ guidelines that _____ _____ used to _____ the use _____ IPs and Netols?

_____ _____ give us _____ _____ configuring _____ network?

_____ _____ _____ set of _____ you can _____ us _____ configuringips andsubsticals?

Is _____ _____ way _____ set _____ Protocols _____ Substantives for _____ equipment?

Can _____ _____ me any _____ for _____ _____?

Do you _____ any _____ _____ _____ _____ networks when using your _____.

Have _____ guidelines _____ setting up _____ _____ _____ products?

_____ _____ _____ _____ guidelines for _____ the network parts?

_____ _____ give us a _____ _____ _____ _____ _____ us set upips andsubsticals?

_____ _____ _____ any guidelines to help with configuring the use _____ _____ _____ _____ _____?

Can you _____ me _____ there _____ _____ for _____ _____ networking _____ _____ my product?

Can _____ _____ us guidelines _____ _____ _____ when using _____ internet service?

Can you provide us _____ _____ to _____ us _____ _____?

Can you _____ me _____ _____ _____ the _____?

Do you have _____ _____ about configuring _____ _____ _____?

_____ _____ _____ _____ _____ how to _____ up networking settings for _____ products?

Does any _____ _____ _____ setting _____ networking for _____ products?

_____ you _____ _____ guidelines _____ _____ to set up the use of _____ _____ _____?

Does _____ _____ come with any _____ for _____ setup _____ _____?

_____ there _____ guidelines regarding _____ _____?

_____ _____ _____ us a set of _____ on _____ andsubs?

_____ you able _____ _____ _____ _____ set _____ guidelines _____ assist in configuringips andsubs?

What _____ do _____ _____ for _____ up your _____ _____ for _____ products?

Is there any guidelines _____ setting _____ _____ in _____ _____?

_____ _____ _____ _____ set of rules for _____ IP addresses and _____?

_____ you give _____ _____ configuring _____ networks?

What rules _____ _____ _____ _____ setting up theips _____ _____ subnets?

_____ it possible to _____ me some _____ _____ or _____ _____ _____ _____ my equipment's IPs _____ subnets?

Can you _____ us a _____ _____ _____ _____ would help _____ _____ andsubsticals?

_____ _____ give _____ some _____ _____ configuringips andsubnets

Is _____ _____ _____ _____ _____ up Internet _____ and Substantives _____ your equipment?

Do you have _____ _____ that _____ _____ _____ _____ configuring _____ IP and subnets _____ your _____.

_____ you offer _____ guidelines _____ _____ configuration?

_____ there particular _____ _____ _____ configuration?

Can you give _____ guidelines _____ _____ _____ configuringips _____?

Can _____ give _____ guidelines _____ configuringips _____ when _____ you

Is there any _____ of guidelines _____ _____ _____ _____ _____ products?

Can you _____ us a _____ _____ _____ to help _____ configuringips _____?

_____ you _____ _____ _____ instructions _____ how to set up networking _____?

_____ you have any _____ for setting _____ networks _____ _____ _____?

Is there _____ _____ on setting up _____ _____ _____ _____ equipment?

Do you _____ _____ guidelines _____ _____ used _____ _____ the _____ of IPs _____ your products?

Any guidelines _____ _____ _____ _____ for your _____?

_____ you _____ clear guidelines _____ _____ configuring networking _____ in your _____?

Does _____ _____ of specific _____ for setting _____ networking _____?

_____ _____ guidelines _____ setting up networking _____ your _____?

Are there any guidelines _____ _____ _____ setup _____ networking connections _____ _____ _____?

Can you give _____ instructions _____ _____ up my internet addresses _____ _____ _____ _____?

Can _____ _____ _____ _____ set of guidelines _____ to _____ andsubnets?

Is there _____ _____ on _____ to _____ Networking _____?

Is _____ _____ _____ _____ rules _____ setting up _____ in your products?

_____ you give us _____ _____ for configuringips _____ when _____ _____

Is _____ any _____ _____ _____ up networking _____ in _____ products?

_____ you _____ us guidelines for _____ _____ _____ protocol addresses _____ _____ protocol networks in _____ _____?

Is there _____ instructions for _____ the _____ _____ your _____?

Are there any guidelines _____ have _____ setting up _____ _____ _____ _____ _____?

Do any guidelines _____ _____ _____?

_____ _____ have any guidelines _____ can be used for _____ the IP _____ _____ _____ _____ _____?

Does _____ any _____ _____ how _____ _____ up _____ _____ for your products?

_____ you give us a _____ of _____ _____ _____ assist us in _____ _____ _____?

I want to _____ _____ _____ _____ _____ instructions _____ configuring the _____ _____ your products.

_____ _____ _____ any _____ _____ how to set _____ _____ gear for your products?

Do you _____ _____ _____ instructions for _____ _____?

_____ _____ have any rules _____ setting _____ _____ with _____ products?

_____ you _____ any _____ _____ _____ be used to _____ _____ _____ of your product?

_____ you _____ us guidelines for _____ _____ with _____?

What _____ you tell _____ about _____ IPs _____ _____?

_____ _____ _____ us a set _____ guidelines that will _____ in _____ _____ subs?

_____ _____ _____ any _____ _____ _____ up networks with your product?

_____ any specific _____ exist _____ setting _____ _____ equipment for _____ products?

_____ you give us _____ guidelines _____ _____ us setips _____?

Can _____ _____ me _____ directions on how _____ _____ networking components _____ _____ products?

Is _____ _____ _____ _____ _____ subnets and IPs?

_____ any _____ _____ for _____ to _____ networking gear _____ your product?

_____ there _____ _____ for _____ networking of your _____?

For _____ _____ need advice _____ _____ _____ and subnets.

_____ you have _____ _____ for _____ up networks _____ _____ products?

Can you give us _____ _____ on _____ to _____ our _____ _____ Protocol _____ Internet _____ _____?

_____ there _____ _____ guidelines on how to set up _____ _____ _____ _____ products?

_____ _____ _____ any guidelines _____ setting up _____ product's networking?

_____ there _____ guidelines addressing _____ _____ wise)?

_____ want _____ _____ if there _____ any recommendations _____ _____ subnets.

_____ there a _____ of _____ for _____ _____ networking for your _____?

Can _____ tell me any _____ _____ _____ _____ networks?

Do _____ have any _____ _____ setting _____ _____ with _____ products?

Does your _____ _____ any _____ _____ setting up _____?

Can _____ give _____ guidelines _____ help us with _____ _____?

_____ about _____ _____ _____ of the products, _____ as ones _____ IP _____?

_____ guidelines _____ _____ (ip/sub net wise, _____ _____?

Setting _____ and _____ for your _____ is something you _____ _____ _____.

Do you _____ any _____ that can be _____ _____ configuring _____ _____ _____ your _____?

I _____ _____ _____ _____ _____ are any rules _____ how to _____ _____ _____ on your products.

Are _____ any guidelines you _____ for setting up _____ _____ _____ for _____ _____?

Does any instructions _____ for _____ _____ networking _____ _____ _____ products?

Are there any guidelines _____ setting _____ networks _____ _____ _____?

_____ you tell _____ _____ any _____ _____ _____ up networking for _____ products?

_____ _____ _____ us guidelines _____ _____ to set up _____ networks?

Do any _____ _____ _____ setting _____ networking _____ _____ your products?

_____ _____ have any guidelines for _____ _____ and _____.

_____ you _____ instructions on how to set _____ networks _____ _____ _____?

_____ you give _____ _____ _____ on _____ to _____ up _____ _____ internet protocol addresses and _____?

_____ _____ _____ exist for _____ up the networking settings _____ your _____?

Do _____ have _____ instructions _____ _____ the _____ _____ your products?

_____ _____ give us _____ about _____ andsubs?

_____ _____ _____ to _____ _____ concise _____ _____ how to _____ up networks, especially dealing with items like IP _____ _____ _____?

Do you have _____ _____ _____ setting _____ a _____ with your _____?

_____ there any _____ _____ how to set up networks, _____ dealing _____ _____ such _____ _____ addresses _____ subnetting?

Can _____ tell us _____ _____ _____ on setting up _____ _____ _____ subnets?

Do _____ _____ any _____ for configuring the use _____ in _____ _____?

_____ a question about a _____ to setup _____ _____ _____ _____.

Can _____ _____ us _____ set of _____ that _____ _____ _____ setips andsubnets?

_____ you tell _____ _____ _____ for configuring the _____ _____ aspects?

_____ there _____ _____ on how _____ _____ networking connections _____ your products?

Are the _____ configurations _____ by _____ _____?

_____ _____ _____ _____ for configuring _____ network networks?

_____ you _____ any guidelines for configuring _____ _____ _____ _____ _____ the products?

_____ you give _____ _____ _____ about how we set up our _____ _____ _____?

Do _____ have any _____ _____ _____ _____ setup networks with your _____?

_____ _____ _____ guidelines for configuring the _____?

_____ you _____ any guidelines _____ _____ up _____ _____ _____ use your products?

_____ you _____ _____ guidelines for _____ _____ andsubs?

Is _____ _____ _____ give me _____ specific rules or _____ on _____ up my _____ IPs _____ _____?

What _____ _____ _____ have for setting _____ networking settings for _____ _____?

_____ you have _____ _____ for setting up _____ networks _____ _____ products?

Do you _____ _____ _____ on _____ _____ in your products?

Do _____ have guidelines for _____ configuring _____ _____ _____ your _____?

How about _____ _____ _____ _____ _____ for your products?

_____ there _____ instruction for _____ _____ network of your _____?

_____ there a specific _____ _____ _____ for configuring _____ network?

Do _____ _____ _____ guidelines _____ might _____ of use to configuring the _____ of _____ _____ your _____?

Does _____ _____ offer any guidelines _____ _____ up _____?

_____ instructions _____ network _____ _____ _____ Internet Protocol _____ _____ subnetted partition exist?

_____ you have guidelines _____ _____ the _____ _____ IPs and _____?

_____ you give us _____ _____ configuringips andsubnets _____ using _____?

Can you give us _____ guidelines for _____ up _____ _____ _____ _____ internet _____ _____ in _____ products?

_____ there a set _____ _____ _____ we _____ use _____ configuringips andsubsticals?

Do you _____ any rules on how _____ _____ up _____ _____ _____ _____ products?

Do you _____ _____ _____ about setting _____ _____ _____ your products?

Are there _____ _____ you have _____ _____ _____ networks in _____ products?

_____ anyone _____ _____ guidelines for _____ to set up _____ _____ _____ your products?

_____ you _____ us _____ guidelines _____ configuringips _____?

Do you _____ _____ on setting _____ networking for _____ _____?

Is _____ any _____ on how _____ _____ up _____ networks?

Does there exist any guidelines _____ how to _____ _____ _____ _____ _____ _____?

Can you give _____ _____ _____ _____ _____ networks?

_____ you _____ us _____ for _____ _____ when using them?

_____ there _____ any guidelines to _____ up _____ _____ _____ your products?

Can _____ _____ _____ some guidelines to use _____ _____ andsubnets?

_____ _____ _____ _____ network configurations involving _____ internet Protocol _____ _____ subnetted partition?

_____ you give _____ _____ guidelines to assist with _____ _____?

_____ there _____ _____ _____ guidelines _____ you _____ use _____ configuring IPs and subnets?

_____ you have any guidelines that _____ _____ _____ to _____ the _____ _____ subnets _____ _____ products?

Can _____ _____ us about _____ rules _____ _____ up _____ and subnets?

Do _____ _____ any _____ _____ set _____ your _____ for your product _____?

I want _____ _____ _____ you _____ any _____ _____ _____ directions _____ setting up _____ equipment's internet addresses.

Do _____ have any _____ on _____ to set _____ _____ networks _____ _____ products?

_____ you have _____ _____ _____ up networks with _____ products?

_____ you have any _____ _____ _____ the _____ _____ your products?

Does there _____ _____ for _____ _____ set _____ _____ gear for your _____?

_____ there _____ guidelines for _____ _____ _____ and subnets.

_____ _____ wondering _____ you had any _____ instructions _____ _____ up internet _____ _____ and subnetting

_____ you _____ _____ guidelines _____ how to set _____ networks _____ _____ use _____ products?

Is _____ any _____ about _____ _____ set IPs and _____?

Is there _____ _____ that _____ _____ of _____ _____ configuring _____ _____ and subnets of your _____?

_____ _____ give _____ some guidelines that _____ _____ use when _____ andsubnets?

_____ _____ _____ any guidelines for network _____ _____?

Can _____ give us _____ set _____ _____ _____ assist us _____ configuringips _____?

_____ you give _____ directions _____ _____ _____ change _____ components with my _____?

Should you _____ any _____ _____ _____ _____ networking for your _____?

Can _____ _____ us _____ _____ we _____ _____ when configuringips andsubsticals?

What _____ do _____ _____ about setting _____ _____ and the _____?

_____ you _____ _____ _____ in _____ _____ setting _____ networks with your product?

Is _____ _____ _____ _____ an indication on _____ to _____ _____ networks, including dealing _____ _____ such as _____ addresses?

_____ _____ have _____ _____ _____ the setting up of _____ _____ your products?

_____ you give us some guidelines _____ _____ us _____ _____ _____?

Is _____ any _____ about how _____ _____ _____ are set?

Can _____ give us _____ guidelines _____ how _____ set up _____ _____ Internet _____ _____ _____ Protocol subnets?

Do _____ have any _____ rules _____ how to setup _____ _____ _____ your _____?

Can you give _____ _____ _____ _____ to setup _____ _____ connections _____ my products?

_____ you _____ us guidelines _____ how we set _____ _____ _____ Internet Protocol and _____ _____ _____?

_____ have any guidelines _____ how _____ _____ your networking _____?

_____ it possible to _____ an _____ on _____ to set up networks, _____ _____ _____ items _____ as _____ _____.

Does any specific guidelines exist _____ set _____ _____ gear _____ _____ _____?

Can you give ____ ____ set ____ guidelines for ____ ____?

There are any ____ on how ____ set up ____ ____ ____ ____?

____ want ____ know if ____ ____ give me ____ ____ ____ and IPs.

____ you have specific guidelines ____ ____ ____?

Do ____ have ____ ____ ____ ____ to setup networks in ____ products?

Can ____ get ____ directions ____ how to ____ up ____ ____ ____ products?

Are you looking ____ ____ ____ settingips ____ subnets ____ ____ products?

Can you ____ us ____ set ____ guidelines to ____ ____ ____ configuringips ____?

Can I ____ instructions ____ ____ to setup networking ____ ____ my ____?

What ____ ____ guidelines ____ setting ____ ____ network in relation ____ ____ products?

Do ____ ____ any guidelines ____ can ____ used to set ____ ____ ____ ____ in your ____?

Should ____ ____ ____ instructions ____ configuring ____ networking ____ your products?

____ ____ give us guidelines ____ help us ____ ____?

Should you ____ any ____ for setting ____ networks ____ ____ ____?

Are ____ ____ to ____ ____ on ____ ____ setup networking connections for ____ products?

Is ____ particular ____ about ____ ____ network?

____ there ____ ____ ____ to set up ____ ____ for your product?

____ I ____ instructions on how ____ ____ ____ ____ elements like networks?

____ you provide me ____ some guidelines ____ ____ ____ networks?

Do ____ ____ ____ guidelines ____ may ____ ____ in configuring ____ use of ____ and IPs?

Does ____ ____ guidelines ____ setting ____ networking gear for ____ ____?

Do you ____ ____ regarding the setting ____ ____ ____ ____ your products?

____ ____ ____ ____ guidelines on ____ ____ setup your networks on your ____?

Is ____ a ____ ____ ____ networks for ____ products?

Can ____ provide ____ ____ about properly ____ ____ ____ in your products?

Will ____ ____ ____ guidelines ____ ____ up network components?

____ ____ guidelines ____ for setting ____ networks ____ your products?

____ you tell me ____ there are ____ ____ ____ ____ configuring networks ____ my ____?

Are ____ able to ____ ____ ____ ____ about how we set up our products' Internet ____ ____ ____ ____ ____?

____ I get directions on how to ____ ____ ____ ____ ____ with ____ products?

Do any ____ exist ____ ____ up networking ____ for ____ ____?

Is ____ ____ ____ can tell me about ____ to set ____ ____ ____ dealing ____ items ____ as IP ____ ____ subnetting?

Is there ____ for ____ ____ ____ ____ subnets?

____ ____ have ____ guidelines for ____ ____ Internet Protocol Address ____ Internet ____ Networks on ____ ____?

Is there a ____ ____ ____ ____ for your ____?

____ ____ give us guidelines ____ configuringips ____ when we use ____ ____?

____ ____ have ____ ____ that ____ ____ ____ use to configuring the use ____ IPs?

I ____ like to ____ if you offer ____ ____ ____ ____ ____ used to configuring ____ ____ ____ subnets of your ____.

____ you tell ____ if set guidelines are ____ ____ configuring ____ ____?

I ____ ____ but ____ if you can ____ ____ ____ ____ ____ ____ IP and subnet settings.

Can ____ ____ ____ ____ ____ set of guidelines for configuringips ____

Is there any ____ about ____ IPs ____ ____ ____ put in ____?

Do ____ ____ ____ rules ____ ____ up networks ____ your product?

Do ____ have ____ instructions ____ configuring ____ ____ of your ____?

____ there instructions ____ ____ the ____ ____ your products?

____ there ____ any ____ for ____ networking on ____ products?

____ I get clear directions on ____ networking ____ ____ ____ ____?

Do you have any ____ on ____ ____ set ____ ____ when ____ ____?

____ guidelines do you ____ on setting ____ ____ for ____ ____?

Is there ____ set ____ ____ ____ setting up ____ gear for ____ ____?

_____ _____ _____ _____ of guidelines _____ assist _____ configuringips and subs?

Do _____ have _____ _____ _____ _____ networks _____ using your products?

Does _____ exist _____ _____ _____ how _____ set _____ _____ gear for your products?

Do you have any guidelines _____ how _____ _____ _____ networks _____ _____ _____?

_____ _____ _____ way _____ give concise _____ on how _____ set up _____ _____ _____ items _____ as IP addresses?

Do _____ guidelines address _____ _____?

Do you _____ _____ instructions _____ how _____ configuration networking _____?

_____ _____ _____ _____ your particular rules _____ setting _____ theips and the _____?

_____ _____ _____ us _____ guidelines _____ how to setup your _____ connections?

_____ you _____ specific _____ for network _____?

Can _____ provide some _____ _____ _____ _____ networks?

Can you _____ _____ guidelines to _____ _____ _____ andsubnets?

_____ you _____ _____ guidelines _____ _____ _____ up networks when _____ your product?

_____ you _____ _____ guidelines for _____ like _____ andips?

_____ _____ a _____ of guidelines _____ configuring networking _____ _____ products?

Can _____ _____ us some instructions on how _____ _____ _____ our _____ Internet Protocol and _____ _____ _____?

Do you have any _____ _____ can be _____ _____ set _____ _____ of _____ _____?

_____ _____ give _____ _____ _____ guidelines for configuringips andsubsticals?

I _____ _____ if _____ _____ _____ good guide _____ setup networks for _____ products.

Do _____ _____ any instructions _____ _____ up your _____ based _____ _____ product needs?

_____ you give _____ the _____ _____ configuringips _____?

What _____ your _____ _____ how to set _____ theips _____ _____ subnets?

_____ there _____ _____ for configuring network _____?

_____ _____ _____ _____ on how to setup _____ networking connections _____ _____ products?

Can you _____ us _____ guidelines to _____ with _____ _____?

_____ you give _____ _____ set of _____ which we _____ use when _____ _____?

_____ any guidelinesaddress networkingconfigs (ip/sub _____ _____ _____ _____?

Do _____ exist any _____ _____ configuring _____ networking _____ _____ products?

Can you provide _____ guidelines _____ configuring _____ _____ _____ products?

_____ you give us a set of guidelines _____ _____ _____ us _____ _____ _____?

_____ I _____ directions for configuring _____ _____ with my _____?

_____ _____ any guidelines for setting up _____ for _____ _____?

Can _____ _____ _____ if there _____ any _____ guidelines for setting _____ _____ gear?

Can _____ provide guidelines regarding _____ _____ _____ network _____?

_____ you _____ any rules about _____ _____ _____ your networks _____ _____ products?

Is _____ a set _____ _____ on _____ _____ arrange _____ for _____ product?

_____ anyone _____ any specific guidelines for _____ _____ networking gear _____ _____ _____?

_____ anyone _____ _____ guidelines for setting _____ _____ _____ you use _____ products?

Is _____ any indication _____ _____ _____ set _____ networks, especially _____ items such _____ IP _____ _____ subnetting?

Do _____ _____ any rules on _____ up _____ _____ in _____ products?

_____ _____ have any instructions that can _____ _____ to _____ _____ networks _____ _____ product?

Do you have any _____ regarding _____ _____ _____ of _____ _____ your _____?

Do _____ _____ instructions on _____ to set _____ _____ _____ for _____ products?

_____ _____ _____ me _____ there _____ instructions _____ _____ the networking of my products?

_____ you tell _____ the guidelines _____ setting _____ _____ for my _____?

_____ _____ _____ _____ _____ for setting up networking gear for your _____?

I _____ like _____ know _____ _____ are _____ _____ that can be _____ to _____ _____ IP and subnets _____ _____ products.

Do _____ _____ any _____ that could be _____ _____ _____ _____ use _____ Netols and IPs?

_____ it _____ to give concise indications on how _____ _____ up networks _____ items _____ _____ _____ _____ _____ subnetting?

_____ _____ a _____ to setup _____ networks for your _____?

I was ____ ____ ____ ____ any specific directions ____ ____ ____ internet ____ addresses and subnetting.

Do you ____ any ____ that ____ ____ ____ to set theip ____ of ____ ____?

Are ____ guidelines ____ ____ likeips ____.

Can you ____ ____ a ____ ____ guidelines that ____ assist in ____ ____?

____ there ____ guidelines ____ ____ networks?

____ you have ____ ____ ____ use when ____ ____ ____ with your product?

Can you ____ me instructions ____ ____ ____ ____ your products?
