[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Privacy and security concerns
Inquiry Sub-Category	App permissions
Description	Inquiries about the permissions required by apps installed on the smartphone and how to manage or revoke those permissions to enhance privacy and security.
Data Size	5,140 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Which _____ of _____ information _____ apps typically request access _____ _____ _____ _____ requirements?

_____ _____ _____ sensitive _____ will the app ask _____ _____ their permission _____?

_____ types of information _____ usually _____ through _____ _____ _____ requirement?

Do you _____ _____ the _____ sensitive data _____ _____ for apps _____ _____ _____ user consent?

_____ _____ of info _____ _____ want _____ _____ read is what _____ am _____ in learning.

What _____ _____ _____ applications request when using _____ _____ settings?

_____ am _____ in the _____ of information _____ _____ _____ permission to _____.

Do _____ _____ need permission _____ _____ access to sensitive _____?

Which app _____ for _____ to _____ data _____ _____ permission that they _____ _____?

_____ _____ _____ _____ does applications _____ when _____ their permission settings?

_____ you _____ the types of _____ _____ _____ _____ developer _____ to get permission _____?

_____ information _____ _____ _____ with their _____ settings?

Do _____ know _____ the types _____ confidential _____ that _____ developers _____ seek _____ _____?

When _____ their _____ permission settings _____ _____ of personal _____ do _____ _____ request?

_____ information _____ _____ _____ request consent to _____?

_____ _____ of sensitive information _____ _____ sought _____ the app's _____ requirements?

When applications _____ _____ permission settings, _____ _____ of _____ data _____ they usually _____?

Which app _____ _____ _____ to request _____ to _____ data _____ permission?

Which _____ _____ known to _____ _____ sensitive data through _____ _____?

Do you _____ the _____ _____ _____ personal _____ demanded _____ mobile applications _____ their prescribed _____?

What kind _____ information _____ applications requesting _____ they _____ _____?

Are you aware _____ the _____ of confidential _____ _____ _____ _____ _____ to _____ permission for?

_____ kind _____ _____ information _____ usually requested _____ the app's permission _____?

Do _____ usually require _____ _____ _____ _____ to sensitive information?

What _____ of _____ _____ does _____ _____ need your _____ for?

What _____ require _____ _____?

Is it possible _____ explain the _____ _____ _____ _____ sought _____ apps _____ they _____ permission _____?

_____ you _____ the _____ _____ confidential info that _____ _____ need to get _____ _____?

Which types of ____ ____ ____ ____ permission ____?

____ ____ ____ personal ____ ____ usually request when using their ____?

Private ____ ____ ____ want ____ granted permission?

____ kind ____ sensitive information is required ____ ____ ____ requirements for ____?

____ type ____ ____ ____ most apps want ____ to read is ____ ____ ____ wondering.

____ ____ of personal information is ____ ____ ____ application permission?

____ ____ any ____ of ____ ____ that most ____ want ____ to access?

____ ____ ____ ask for access ____ sensitive ____ with their permission ____?

____ you know the types ____ ____ info ____ ____ developers ____ ____ ____ ____ through permission requirements?

The ____ of ____ ____ apps want ____ to ____ is ____ I'm ____

____ ____ types of data are usually ____ ____ ____ when given ____ ____ to ____ so?

What kinds of sensitive ____ can ____ requested ____ ____ ____ ____ requirement?

____ you ____ ____ the types of sensitive ____ ____ ____ seek when ____ ____ permission?

Is ____ ____ categories of confidential ____ sought through ____ ____?

____ ____ sure ____ the types of info most ____ ____ permission ____ ____.

____ types of data ____ usually ____ when ____ have ____?

What ____ of ____ data are ____ by ____ ____ ____ granted?

____ ____ approval requirements, what ____ of ____ ____ will ____ ____ ask for?

What kind ____ ____ ____ request when ____ their ____ settings?

Which ____ details ____ an app ____ ____ ____?

____ ____ ____ to sensitive data ____ ____ permissions?

____ ____ know of the types of ____ ____ ____ ____ developers need ____ for?

____ it possible ____ specify ____ most sensitive data ____ ____ ____ ____ user consent ____?

Private ____ ____ ____ applications want ____ granted ____?

Can you ____ ____ ____ categories of ____ data that apps ____ ____ ____?

Do ____ know ____ type of confidential information ____ ____ ____ ____ for?

____ information are applications ____ when using ____ ____ ____?

____ ____ application request with their ____ ____?

____ ____ of information ____ ____ when ____ their permission settings?

____ apps usually ____ ____ permission to ____ access ____ sensitive ____?

____ information ____ ____ request ____ their ____ settings?

____ type of ____ ____ ____ when using their permission ____?

What kinds ____ information ____ ____ ____ for ____ granted permission?

____ knows ____ kinds of confidential details are ____ through ____ ____ ____?

Which ____ information does ____ ____ ____ ____ consent for?

____ ____ ____ sensitive information are typically requested ____ ____ app's permission ____?

____ it ____ to ____ the ____ sensitive ____ categories that the ____ want user ____ ____?

____ ____ the ____ confidential details ____ ____ ____ seeks user consent for?

What type ____ ____ ____ ____ when using their ____ setting?

____ ____ of ____ ____ is sought by ____ permission?

____ you ____ ____ types ____ ____ info that app ____ need ____ for?

____ precise confidential details do ____ app ____ ____ ____ for?

____ ____ ____ information does an app ____ user ____ for?
