[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Data plan and usage queries
Inquiry Sub-Category	Data usage monitoring
Description	Support for customers needing assistance with monitoring their data usage, such as checking their remaining data balance, setting up usage alerts, or troubleshooting inaccurate data usage calculations.
Data Size	8,555 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ there a way _____ _____ up _____ for _____ I _____ certain data _____ _____?

_____ me once I _____ _____ data _____ _____.

Is it _____ to _____ _____ _____ _____ data limits?

_____ it _____ to _____ up _____ when I reach certain _____ _____ _____?

_____ there an alert _____ my _____ _____ reaches certain _____?

Is it possible _____ set up warnings _____ _____ _____ _____ _____?

_____ _____ _____ particular _____ of data _____ can _____ let me know?

_____ _____ possible _____ get _____ _____ _____ _____ data usage limits are reached?

_____ it possible to get _____ when _____ data _____ _____ _____?

_____ there _____ way for your service _____ notify you when _____ _____ _____ data _____ _____?

_____ _____ possible for _____ _____ to reach data usage _____?

_____ it possible to _____ _____ notifications when _____ reach _____ data _____?

_____ are _____ methods to _____ _____ when the _____ _____ are exceeded?

_____ I _____ _____ _____ on my data _____ limits?

How can I be notified _____ _____ data _____ _____ _____?

_____ there _____ _____ to _____ notifications when there is _____ preset _____ _____?

Get notified _____ _____ _____?

Can I _____ notified based on _____ _____ _____ _____ limits?

Is it _____ to _____ an _____ _____ my data _____ reaches _____ _____ limit?

When reaching _____ data consumption _____ _____ there _____ _____ _____ be notified?

_____ be _____ on _____ usage _____?

Is _____ _____ _____ _____ notified _____ I surpass certain _____ _____ data usage?

_____ _____ _____ notified when _____ _____ goes above a certain _____?

Can you give _____ an option to _____ _____ when _____ _____ _____ data _____?

_____ _____ possible for _____ _____ alert me if _____ reach _____ data _____ limits?

Is _____ _____ option for _____ _____ receive notifications when I reach _____ _____ _____ _____?

Can _____ _____ _____ if _____ amounts _____ _____ have been used?

_____ notifications _____ for reaching _____ _____?

Can I _____ _____ to _____ _____?

_____ I _____ _____ notifications _____ specific _____ usage limits?

Is _____ possible to _____ notifications _____ _____ _____ limits are _____?

Is _____ possible _____ _____ _____ _____ _____ amounts of data have been _____?

_____ possible to get an _____ for _____ _____ _____ usage _____.

Is _____ _____ _____ _____ notifications _____ _____ hit certain usage thresholds?

Do _____ exist options _____ _____ me based on _____ _____ _____ limits?

I _____ _____ know _____ _____ set notifications for specific data _____ _____.

_____ _____ any _____ _____ be _____ when _____ set _____ caps are surpassed?

_____ there _____ _____ to be _____ when you hit certain _____ _____?

_____ _____ an _____ _____ get _____ after reaching preset _____ caps.

Get notified if you _____ _____ _____ _____?

Can _____ _____ configured _____ restrict data _____?

_____ you let _____ know when I _____ certain levels _____ _____ _____?

It _____ _____ _____ to set up notifications _____ _____ _____ limits.

Is it possible to _____ _____ _____ certain _____ _____ levels?

Is _____ possible _____ _____ notifications to _____ data _____ limits?

_____ am _____ if there _____ _____ _____ alert me based on _____ _____ _____ limits.

_____ it _____ to get _____ for _____ _____?

_____ _____ _____ know _____ _____ is _____ to get an alert for _____ usage _____.

_____ my _____ usage reaches certain _____ _____ I be _____?

_____ is a _____ _____ _____ up notifications for reaching _____ _____.

Is _____ _____ _____ _____ _____ when I exceed certain _____ limits?

Do _____ _____ it's possible for you _____ _____ me heads up _____ _____ data _____ _____?

Is there _____ _____ _____ be notified _____ a _____ threshold _____ reached?

Alerting _____ certain data levels _____ _____ _____?

_____ _____ _____ _____ for my data usage _____?

Is there _____ feature _____ _____ me _____ I _____ _____ caps?

_____ _____ configured _____ _____ specific data _____ limits?

Is _____ a way _____ receive notifications when _____ _____ _____ _____ consumption _____?

_____ it possible _____ _____ _____ to be _____ _____ a specific data _____?

Is it possible _____ _____ _____ when I reach certain _____ _____ _____ _____?

How _____ _____ made _____ of data _____?

There is _____ _____ to receive _____ when _____ data caps _____ _____.

Would it _____ possible for me _____ _____ _____ every time _____ data _____ _____ preset _____?

_____ it _____ _____ _____ _____ _____ alert based _____ my data usage limits?

_____ _____ set _____ warnings _____ specific _____ of bandwidth use?

_____ _____ a _____ _____ _____ up warnings for certain _____ consumption levels?

I am wondering if _____ _____ _____ to _____ up notifications for _____ _____ _____.

_____ _____ an _____ to _____ my _____ consumption levels?

Is _____ a way _____ _____ alert _____ hitting _____ thresholds?

_____ there a way _____ _____ _____ know when _____ reach certain data _____ _____?

Do _____ know _____ _____ _____ _____ about data thresholds?

Is it _____ for me _____ _____ _____ when certain _____ _____ _____ have _____ used?

Is it possible to _____ _____ an alert when _____ _____ _____ data _____ _____?

When surpassing set _____ _____ _____ method _____ be _____?

There _____ options _____ receive _____ _____ on _____ certain data _____.

Notifications _____ data _____ _____ _____ set.

_____ _____ _____ _____ alert for specific _____ use?

Can _____ give me the _____ _____ _____ an _____ when _____ data usage _____ _____ _____ limits?

____ ____ possible ____ let me ____ when I reach ____ levels ____ ____ consumption?

____ wonder if ____ can get ____ when ____ ____ ____ goes over ____ limits.

I'm looking for ____ alert ____ ____ will ____ me ____ I ____ ____ caps ____ my data ____.

Can you ____ me the option ____ receive ____ ____ ____ hit ____ ____ ____ limit?

____ it ____ to ____ ____ alert ____ a specific ____ of data?

I ____ ____ alert ____ that ____ ____ ____ upon crossing certain caps ____ my ____ use.

____ ____ have a chance to ____ ____ ____ the ____ ____ are running out?

____ ____ a way ____ ____ ____ if you cross ____ data consumption ____?

I ____ to ____ ____ ____ are ____ ____ for alerting ____ based on ____ data usage ____.

Is there ____ ____ to get notifications ____ ____ cross ____ ____ limits?

____ ____ a ____ to ____ up warnings for ____ bandwidth consumption ____?

____ methods can ____ ____ to get alert ____ ____ usage ____?

Are ____ any ____ ____ ____ me based ____ my data ____ limits?

____ ____ ____ I cross ____ ____ usage boundaries, please.

____ ____ an ____ to monitor ____ data use ____?

____ ____ possible for me to ____ ____ ____ time ____ data use exceeds ____ ____?

____ ____ I ____ ____ alert ____ data usage thresholds.

Is it possible to ____ warnings ____ ____ levels ____ ____ ____?

I am wondering if I can ____ ____ ____ ____ ____ ____ usage ____ ____ far.

____ you give me the option ____ get ____ ____ ____ ____ ____ data usage ____?

____ you ____ ____ be ____ when ____ reach the ____ cap?

____ can ____ be informed ____ reaching ____ ____ consumption points?

Notifications ____ ____ usage ____ are ____?

It is ____ ____ ____ me ____ ____ usage limits ____ hit.

____ it possible ____ set ____ for ____ data ____ limits?

Is ____ possible ____ ____ ____ ____ ____ ____ data usage is reached?

____ ____ possible to create warnings ____ different bandwidth ____ ____?

Do ____ have any chance ____ warning me ____ ____ data ____ ____ too ____?

____ ____ get notifications for ____ ____ limitations?

____ ____ ____ exist to monitor my data ____ ____?

____ there ____ ____ ____ specific bandwidth ____ levels?

____ ____ possible ____ ____ ____ be notifications on ____ usage caps?

Is it possible ____ be ____ ____ certain amounts ____ data ____ ____?

____ I ____ ____ when ____ usage surpasses a set ____?

____ ____ ____ notified about reaching ____ thresholds?

"Here's ____ ____ ____ ____ alert system notifying ____ upon ____ specific caps ____ my ____ ____ "

What are ____ methods ____ get ____ regarding ____ usage ____?

____ it ____ ____ make ____ ____ certain bandwidth consumption levels?

____ ____ ____ me ____ ____ to receive notifications ____ I hit ____ data usage ____?

____ am wondering ____ I ____ set ____ ____ data limits.

____ ____ ____ ____ know if I ____ get ____ when my data usage ____ ____ limits.

____ there a feature that ____ ____ ____ as ____ ____ data caps?

____ ____ ____ set up ____ reaching data ____.

Does your feature ____ ____ ____ I approach designated ____ ____?

Is there ____ way to ____ ____ when ____ ____ points are ____?

Is there ____ ____ ____ sends warnings ____ ____ approach designated ____ caps?

____ there a ____ ____ know when I ____ thresholds ____ ____ consumption?

Can ____ ____ ____ know when I ____ ____ ____ usage limit?

____ ____ ____ alert when ____ ____ of ____ has been used?

____ ____ possible to receive notifications ____ reaching preset ____ ____?

When ____ ____ data ____ get ____?

____ can I ____ sure that ____ ____ ____ limit is ____?

____ ____ be ____ about data ____?

Is ____ ____ for ____ ____ to be sent ____ data ____?

____ ____ possible ____ ____ to keep me apprised of my ____ ____ ____?

I am ____ ____ I ____ ____ data ____ notifications.

Will notifications be ____ for ____ ____ ____ ____?

Do ____ have a chance of ____ ____ ____ ____ specific usage ____?

Can you ____ me ____ ____ I ____ a particular ____ of ____ ____?

Is it possible ____ warn ____ ____ ____ of bandwidth ____?

____ I ____ ____ when I exceed certain ____ of ____ ____?

Are ____ able ____ give me heads-up ____ my ____ ____ ____?

____ don't know if there is a ____ ____ get ____ ____ ____ reach ____ ____ ____ thresholds.

Is it ____ to set ____ an ____ if I ____ ____ ____ ____ thresholds?

____ there a ____ to get ____ ____ ____ usage limit ____?

Is ____ a way ____ ____ me when I ____ ____ ____ usage ____?

I'm ____ ____ an alert ____ that ____ me ____ I'm over ____ ____ use ____.

____ when reaching ____ ____?

____ is any way ____ ____ notified ____ the data caps ____ ____?

Is ____ a way to ____ ____ ____ for ____ ____ limits.

____ to ____ notifications when data ____ ____ ____.

Is it possible ____ alert ____ to ____ ____ ____?

Is there a ____ to ____ me ____ ____ my ____ usage ____?

Is ____ possible ____ set up notifications for ____ ____ ____?

____ ____ ____ to ____ warned once a ____ amount of ____ has ____ used?

Can ____ ____ notified if my ____ usage ____ ____ certain ____?

____ is an ____ to receive ____ if ____ ____ caps are ____.

____ wonder if I can get ____ ____ ____ ____ use ____ ____ data.

____ ____ ____ that ____ can ____ an alert when my data usage ____ ____ ____?

____ ____ ____ it is ____ ____ get ____ alert for data usage ____?

Is ____ possible to get ____ on ____ ____ ____?

____ it possible to ____ ____ if ____ ____ usage ____ are reached?

Is ____ ____ ____ send warnings as ____ ____ designated ____ caps?

____ ____ get notifications when ____ defined ____ ____?

Can you ____ me ____ ____ about my ____ ____ targets?

Can I ____ ____ ____ ____ data usage ____?

Is ____ a way ____ ____ warned ____ ____ data thresholds?

Is ____ possible to be notified once I ____ ____ ____ ____ ____ ____?

Is there a ____ ____ be ____ ____ ____ ____ data thresholds?

____ wonder if ____ ____ give me heads ____ on ____ ____ consumption ____?

Is ____ ____ ____ data usage ____ ____ reached?

Is ____ possible to be ____ when I ____ ____ limits ____ ____ ____?

____ it ____ ____ ____ ____ alert on crossing data thresholds?

____ it possible ____ me to ____ ____ when my ____ ____ ____ certain limits?

Is it possible ____ ____ notifications ____ ____ preset ____ caps?

notifying when ____ ____ data ____ ____?

____ you let me ____ ____ I ____ ____ levels ____ data use?

____ wonder if ____ ____ an alert for ____ data ____.

____ you have a provision ____ ____ services ____ receive notifications ____ crossing ____ ____ ____?

____ it possible to ____ notifications ____ the ____ ____ ____ reached?

Is _____ _____ way _____ be informed _____ _____ _____ threshold is hit?

Is _____ possible to _____ informed _____ _____ exceed certain _____ _____ data _____?

_____ _____ cross the _____ _____ limits, _____ there a provision in _____ services _____ _____ notifications?

When _____ data _____ is _____ setup _____

_____ there _____ way _____ _____ to be _____ _____ on my data usage _____?

You _____ let _____ _____ if I _____ particular _____ of _____ consumption.

_____ it _____ for _____ _____ _____ alert _____ data usage limits are _____?

Will I _____ notified _____ _____ usage _____ _____ preset amounts?

_____ _____ possible to _____ _____ for _____ limits?

_____ _____ _____ _____ _____ is reached, any method to be _____?

_____ there a _____ _____ know when the data _____ _____ been _____?

_____ specific _____ usage _____ are _____ can I receive _____?

Is _____ _____ feature _____ will _____ warnings when _____ approach _____ data _____?

_____ _____ any way _____ _____ alert _____ crossing _____ data thresholds?

_____ _____ wish _____ be updated _____ time my data use _____ _____ _____?

_____ it permissible _____ notifications to _____ _____ data _____ limits?

_____ _____ data _____ and _____ notified?

_____ I _____ _____ data _____ do you _____ warnings?

If _____ _____ of _____ have been used, can _____ _____ _____?

Is it possible _____ set _____ notifications _____ specific _____ _____ _____.

_____ it _____ to get _____ _____ _____ data usage limits _____ reached?

_____ I reach particular _____ _____ data consumption, can _____ _____ _____?

There is an option _____ _____ _____ when _____ caps _____ _____.

What _____ _____ _____ _____ to get alert regarding data _____ _____?

_____ _____ _____ _____ _____ notifications to reach _____ data usage limits?

_____ you inform me _____ _____ reach _____ levels of _____ _____?

I _____ if I _____ _____ alert when _____ amounts of _____ _____ been _____.

How _____ _____ get notifications _____ I _____ _____ thresholds?

_____ I reach _____ data consumption _____ _____ there a _____ for me _____ _____?

I _____ _____ _____ know if there are _____ for _____ _____ _____ on my data _____ _____.

_____ there a feature _____ _____ send _____ _____ I approach designated _____ _____?

Can _____ be set _____ to _____ data _____ _____?

_____ it possible _____ receive _____ _____ _____ reach _____ data usage thresholds?

_____ reaching a _____ _____ _____ you _____ notified?

_____ it possible _____ set _____ _____ _____ particular data _____ limits?

_____ _____ an alert possible _____ a specific _____ _____?

There are _____ that _____ _____ _____ on certain data _____.

_____ it possible _____ _____ notified once a _____ amount _____ data _____ been _____?

Is _____ _____ _____ that _____ _____ warnings if I approach data _____?

Can _____ know _____ my _____ _____ _____ over certain limits?

_____ specific _____ usage _____ _____ configured for _____?

Alert _____ notifying _____ _____ crossing specific caps on _____ data _____ _____ is _____ I'm _____ _____.

_____ _____ _____ _____ _____ can be _____ when I exceed _____ limits _____ data usage?

Is _____ _____ _____ _____ _____ _____ certain amount of data have been _____?

_____ there any way _____ _____ _____ notifications _____ specific implementations of _____ _____ usage _____?

Is there a _____ _____ you will warn _____ _____ _____ limits _____ _____ high?

Is _____ a way to warn _____ _____ I _____ _____ _____ _____ thresholds?

_____ _____ a _____ _____ know when I _____ particular data _____ thresholds?

_____ looking for _____ _____ system that _____ alert _____ _____ I'm _____ too _____ data.

When I exceed _____ limits of _____ _____ can _____ _____ _____?

Can ____ ____ notifications ____ ____ ____ usage gets too high?

____ ____ possible to inform me ____ ____ reach ____ ____ of data ____?

____ there ____ ____ for your services to notify ____ ____ ____ cross the ____ consumption ____?

____ there ____ option ____ notifying me based ____ ____ ____ use limits?

____ ____ a way to ____ ____ ____ I reach certain data ____ ____?

____ it ____ ____ ____ to get an ____ ____ my data usage reaches ____ ____?

____ ____ ____ ____ of my data usage ____?

____ ____ ____ ____ cross the ____ data usage boundaries.

When the ____ ____ are ____ set ____ ____.

____ ____ ____ data cap, should ____ ____ notified?

Is ____ possible ____ you to let ____ ____ ____ ____ consumption targets?

____ ____ an ____ ____ the ____ limits are reached.

____ I ____ told when ____ ____ particular ____ ____ data consumption?

Inform when ____ ____ ____ cap?

Can ____ get an ____ ____ ____ use ____ much data?

____ it possible ____ warn ____ certain bandwidth ____ ____?

Is it ____ to ____ notified when ____ ____ ____ data ____ limits.

It's ____ ____ get an ____ for data ____ ____.

I would like ____ know ____ ____ ____ ____ provision ____ your services to receive ____ ____ ____ data consumption ____.

Can I be notified ____ ____ usage ____ ____ ____ ____ reached?

Is there ____ ____ ____ notifications ____ you ____ ____ consumption limits?

Is ____ possible for ____ ____ ____ notified ____ my data ____ goes ____ ____ limits?

____ ____ any chance of ____ ____ alert for data ____?

____ there ____ preset ____ usage ____ ____ notifications?

Is ____ any chance you will ____ ____ ____ my data ____ ____ ____ high?

____ ____ ____ ____ of ____ an alert ____ data usage levels?

____ ____ any ____ to get ____ ____ data usage limits?

____ methods can ____ ____ ____ receive ____ about data ____ thresholds?

____ ____ ____ know if ____ ____ possible to ____ up warnings ____ specific bandwidth ____ levels.

____ ____ have a ____ ____ warns me about data ____?

Is it ____ ____ get an ____ for ____ ____ ____ limits.

____ ____ ____ there ____ options ____ ____ me based on ____ data usage limits.

____ ____ usage limits ____ reached ____ I ____ notified?

____ you have a ____ for ____ ____ to ____ ____ if ____ cross ____ data consumption ____?

Is ____ ____ ____ of ____ ____ for data usage levels?

Is ____ any way to ____ notified if ____ ____ ____ are ____?

____ ____ have a way to know ____ data ____ ____ ____?

____ you ____ a feature that ____ warnings when I ____ ____ ____?

Is it ____ ____ get notifications for ____ ____ usage ____?

Is ____ a way ____ ____ ____ upon ____ ____ data consumption limits?

____ there a way ____ me to ____ when I ____ ____ ____ ____ consumption ____?

I don't know ____ ____ set ____ notifications ____ different ____ usage ____.

When ____ ____ ____ cap, ____ you ____ notified?

____ ____ exist ____ ____ my ____ consumption levels?

I want ____ ____ if it ____ ____ to ____ alerts ____ data usage ____.

____ ____ possible to ____ ____ when ____ reach ____ limits of ____ usage?

____ it possible to ____ heads ____ on ____ ____ consumption ____?

____ ____ ____ method to ____ notified ____ ____ ____ data caps are surpassed.

____ could be ____ ____ specific data ____.

Get ____ when ____ ____ a data ____?

____ ____ ____ me ____ I reach a ____ ____ of data consumption?

Can ____ be changed to ____ ____ ____?

Want ____ be updated each time ____ ____ ____ ____ preset ____?

____ ____ be able ____ ____ ____ updates when ____ surpass certain ____ of used ____?

____ ____ I be notified when ____ data consumption ____ ____ ____?

Is ____ a ____ that you ____ warn me when ____ ____ ____ ____?

When hitting ____ usage ____ ____ ____ be ____?

____ it possible ____ you ____ give me heads ____ ____ ____ data ____ targets?

____ there ____ way to be ____ ____ a data cap ____ ____?

Is ____ ____ ____ ____ ____ once certain amounts ____ data have ____ utilized?

When do ____ ____ ____ ____ I reach ____ ____ usage thresholds?

Is there ____ ____ for me ____ know ____ ____ reach particular ____ consumption ____?

Do ____ ____ I ____ be notified ____ ____ usage ____ are hit?

Is ____ a ____ ____ get ____ ____ the data ____ are reached?

Is it possible ____ ____ ____ ____ ____ different aspects of ____ ____ usage limit?

Is there ____ ____ ____ ____ ____ when I reach ____ data ____ thresholds?

____ there a ____ to set ____ warnings ____ ____ bandwidth use ____?

Is ____ ____ to get ____ ____ my data ____ hits ____ limits?

____ ____ be ____ when the data usage ____ are ____?

____ it possible ____ ____ on hitting ____ ____?

Is ____ ____ to inform ____ if ____ reach ____ levels ____ data ____?

____ there an ____ that ____ ____ given for ____ ____ use?

____ there a ____ to ____ ____ ____ ____ particular data usage limits?

When ____ data usage hits ____ certain ____ ____ ____ be ____?

When reaching a ____ ____ consumption ____ ____ method ____ be ____?

____ there a ____ to ____ me if my data ____ ____ ____ certain ____?

I want ____ know ____ it is ____ to ____ alert ____ ____ data ____ ____.

Is there a ____ to alert ____ ____ ____ ____?

Can ____ ____ ____ ____ ____ to receive alert when ____ reach certain ____ usage ____?

____ ____ ____ are reached, ____ an alert.

There ____ a way to ____ notified ____ you ____ ____ ____.

Provide me with ____ ____ ____ ____.

Can you give me an ____ ____ receive notifications when ____ ____ usage ____ ____ ____ ____?

I need ____ alert ____ ____ ____ me ____ I ____ specific caps on ____ ____ use.

What is ____ best way to ____ ____ ____ data ____ ____?

____ ____ for ____ alert ____ ____ ____ notify me when I ____ ____ caps on my data ____.

____ ____ the data ____ do you ____ ____?

Is it ____ ____ ____ ____ alert ____ the data usage ____ are ____?

There ____ ____ way ____ ____ notified ____ the data thresholds are ____.

____ method to be ____ when ____ ____ ____ are exceeded?

Is ____ ____ ____ ____ informed when a certain ____ ____ data ____ been used?

Is ____ ____ ____ ____ ____ when I ____ particular levels of data ____?

____ ____ ____ ____ aware ____ ____ amounts of data have been used?

____ ____ upon crossing usage ____?

____ it possible ____ receive an ____ ____ the data ____ ____ are ____?

Is ____ possible ____ get ____ ____ ____ ____ usage hits limits?

____ ____ for ____ ____ ____ will alert ____ when I cross ____ caps ____ data use.

____ ____ ____ ____ getalerts for ____ usage limits?

____ is ____ option to ____ ____ on ____ ____ data caps.

Is ____ ____ ____ to know when you ____ ____ data ____?

How _____ _____ know when _____ data usage _____ is _____?

There _____ any _____ to _____ notified _____ _____ caps _____ surpassed?

How can _____ _____ people _____ when their data usage _____ _____ _____?

_____ _____ _____ _____ to warn users of _____ bandwidth _____ levels?

alert _____ when _____ limits _____ _____

_____ _____ _____ to get an alert for _____ _____ data use _____?

What are the methods to _____ alert _____ _____ _____ _____?

Does _____ _____ send _____ if I _____ _____ caps?

I don't _____ _____ I _____ be notified _____ _____ _____ too much _____.

Can _____ be configured to _____ _____ _____ _____?

_____ it _____ to _____ an _____ _____ my data usage limits _____ _____?

_____ it _____ to _____ people when _____ _____ their _____ limits?

Is there _____ _____ that monitors _____ specific _____ _____ levels?

Is _____ a _____ that _____ let _____ know when _____ reach certain _____ _____ _____?

Can I know when _____ data _____ is _____ _____ _____?

Do _____ _____ _____ chance _____ warning _____ when the data limits _____ too _____?

_____ I _____ _____ about _____ data _____ limits?

Can warnings _____ _____ _____ particular bandwidth _____ _____?

Can _____ _____ configured for data _____ _____?

_____ is a method _____ _____ notified when _____ reach _____ _____ data _____ point.

How _____ _____ _____ know if my usage _____ are _____?

_____ there _____ _____ to alert _____ based on my _____ _____ limit?

_____ _____ _____ notifications on data _____?

_____ _____ _____ _____ usage limits alerts?

I _____ _____ if _____ can get _____ _____ I hit certain data _____ _____.

Do _____ _____ _____ there is a _____ of setting alert for _____ _____ _____ _____?

_____ my usage limits are _____ _____ about I _____ _____?

Can you give me the option to _____ _____ _____ _____ I _____ _____ data _____ _____?

_____ _____ _____ _____ on hitting usage caps?

_____ it _____ to _____ people _____ _____ reach data limits?

To _____ notified _____ _____ designated data consumption _____ any _____?

_____ a chance _____ setting _____ _____ for _____ data usage _____.

I _____ know if _____ _____ get notified when _____ _____ _____ _____ certain limits.

It's possible _____ _____ alert to _____ possible _____ specific _____ _____.

_____ you get notifications when _____ _____ _____ _____ cap?

_____ _____ _____ to configuration notifications _____ reaching _____ data _____ limits?

When _____ _____ certain data usage thresholds, is _____ _____ _____ _____ up an _____?

_____ I _____ _____ if I use too _____ _____?

_____ _____ possible _____ _____ notifications upon _____ preset data caps.

Is _____ possible _____ warn about _____ _____ consumption _____?

I want _____ know _____ _____ _____ _____ me _____ specific thresholds for _____ _____ usage.

I don't know how _____ _____ _____ notifications _____ certain _____ _____ _____ data _____ limit.

Should _____ _____ told if _____ exceed _____ limits _____ _____ usage?

_____ _____ a _____ to _____ notifications for specific _____ _____ limits?

_____ _____ possible to be alerted after _____ _____ of _____ have _____ _____?

Is _____ a _____ to be _____ _____ the set _____ caps _____ _____?

Is _____ _____ _____ give _____ _____ up on my _____ consumption targets?

Can _____ _____ me _____ I hit _____ levels _____ _____ consumption?

_____ am wondering if _____ are _____ options to _____ _____ based on _____ _____ usage _____.

_____ there an _____ when the _____ limit _____ _____?

_____ there a _____ to be _____ if data _____ _____ _____?

Is it _____ _____ receive an _____ _____ crossing _____ data _____.

Is it possible that _____ _____ _____ _____ when my data _____ _____ certain _____?

Is there _____ _____ of _____ _____ _____ for specific _____ usage levels.

_____ _____ _____ me when _____ _____ certain levels of data _____?

_____ it _____ to _____ _____ for specific _____ use?

_____ alerts _____ _____ know _____ my data _____ levels?

_____ any _____ to be _____ _____ _____ data caps _____ exceeded?

Is _____ a _____ to know when _____ _____ _____ hit _____ _____ thresholds?

_____ I know when _____ _____ usage reaches _____ _____?

There _____ any _____ _____ setting an _____ for _____ data usage _____.

Do _____ _____ to _____ _____ each time _____ data use _____ _____ amounts?

_____ _____ a _____ to _____ when a data _____ _____ being hit?

_____ would like _____ _____ how I can _____ me about _____ _____ _____ my used _____ _____.

Is it _____ _____ set up notifications _____ reaching _____ _____?

_____ _____ exceed _____ limits of _____ usage _____ _____ be notified?

Upon _____ preset data caps _____ _____ _____ _____?

How can _____ _____ notified _____ reaching a designated _____ _____ _____?

I'm looking _____ an alert system _____ _____ _____ me if _____ _____ _____ caps on _____ _____ use.

_____ notifications with _____ data _____ _____ _____ configured?

_____ I _____ notified _____ I _____ certain limits _____ _____ usage?

I _____ like _____ _____ if _____ can get an alert _____ _____ _____ usage goes _____ _____ limits.

_____ there a _____ for _____ to know _____ I _____ specific _____ consumption _____?

I'm _____ _____ I can _____ _____ for _____ limits.

Is it possible _____ _____ _____ when my data usage _____ _____ _____?

_____ _____ _____ know if _____ _____ any ways to _____ me based on _____ _____ _____ limits.

I _____ _____ I _____ get _____ alert when my data usage _____ _____ _____.

_____ _____ possible to get _____ _____ when my _____ usage goes _____ _____ limits?

_____ _____ _____ able to get an _____ for specific _____ _____.

_____ there _____ _____ for _____ me _____ on my data use _____?

_____ _____ possible for me to _____ _____ _____ when data _____ _____ are reached?

Is _____ a _____ _____ be _____ when you reach _____ designated data _____ _____?

_____ specific data usage limits _____ _____ _____ _____?

_____ notifications be _____ _____ reach specific _____ _____ limits?

_____ _____ possible _____ you guys _____ give _____ heads _____ _____ _____ data consumption targets?

_____ you _____ me the _____ _____ an alert when _____ reach my _____?

_____ it possible for you _____ alert _____ _____ _____ reach certain _____ _____ _____ consumption?

_____ to _____ people when _____ _____ levels are _____?

Can _____ _____ _____ an _____ _____ _____ notifications when _____ hit _____ data usage limits?

_____ want _____ alert system notifying me _____ _____ _____ caps _____ my data _____.

Is _____ possible _____ _____ alerts _____ certain _____ limits?

_____ _____ _____ _____ _____ of my data usage limits?

_____ _____ be made aware when _____ _____ _____ been used?

_____ it possible _____ _____ _____ when _____ limits are reached?

If _____ _____ preset data _____ is there _____ _____ _____ receive notifications?

Alerting _____ _____ data _____ is _____.

Is there _____ _____ for notifying _____ based on _____ _____ _____ limits?

When data _____ limits _____ reached, _____ _____ _____ alert?

_____ you know how to alert _____ of _____ _____ for _____ _____ _____?

When certain _____ of _____ have _____ used, _____ I _____ _____?

_____ _____ _____ way to receive _____ _____ certain data thresholds?

_____ there a way to know _____ _____ _____ _____ hits _____?

How can _____ _____ _____ when I reach _____ _____ _____ points?

Is there _____ _____ _____ be alert _____ _____ data _____ are reached?

_____ it _____ _____ warn _____ particular bandwidth _____ levels?

Is _____ _____ option to alert me _____ on my _____ _____ _____?

_____ you want _____ _____ notified _____ you _____ the data _____?

_____ _____ _____ informed about data usage _____?

_____ it possible _____ I _____ get an _____ when my _____ _____ _____ too _____?

_____ _____ _____ when the _____ limits are _____.

_____ _____ _____ be notified when _____ the _____ data _____ points?

Is _____ _____ to get an alert _____ the _____ _____?

_____ _____ _____ to _____ _____ when _____ exceed some limits _____ data usage?

Is _____ a _____ to _____ me _____ _____ my set _____ usage _____?

I _____ _____ _____ _____ _____ each time my data use exceeds _____ _____.

_____ _____ able _____ give me the _____ _____ _____ _____ when _____ reach specific _____ usage limits?

Will _____ _____ me _____ when I _____ _____ levels of data _____?

What _____ the _____ _____ get notifications about data _____ _____?

Is there _____ possibility of notifications _____ _____ _____ _____?

_____ looking for _____ alert system that _____ alert _____ _____ _____ _____ _____ on _____ data use.

_____ you _____ me the _____ _____ receive _____ when I _____ _____ data _____ limits?

_____ can I _____ _____ about _____ thresholds?

_____ _____ on hitting usage _____ _____ made?

_____ _____ _____ _____ I reach particular _____ of data consumption?

I want _____ _____ _____ _____ _____ options _____ _____ me based _____ my data usage limits.

_____ _____ possible _____ me _____ _____ updates every _____ my _____ use exceeds _____ amounts?

Is _____ a _____ _____ receive _____ _____ certain data thresholds?

Will I be notified _____ _____ _____ _____ certain _____?

_____ I get _____ _____ data usage _____ are _____?

Can _____ provide _____ with an option to _____ _____ _____ _____ _____ my data _____ limits?

_____ data _____ _____ _____ you _____ setup alerts.

_____ alert _____ _____ me upon crossing specific caps on _____ _____ _____ is what _____ _____ looking _____.

_____ _____ cross _____ data _____ limits, is there a provision in _____ service _____ _____ _____?

_____ _____ possible to set _____ for _____ _____?

Do _____ think _____ is _____ _____ _____ up _____ _____ exceeding data limits?

Is _____ _____ _____ _____ know _____ I reach _____ thresholds _____ data consumption?

_____ there _____ _____ _____ alert when _____ data levels are _____?

_____ _____ _____ an _____ system that _____ notify me of _____ data _____ caps.

_____ system _____ me upon crossing _____ on _____ _____ use, _____ _____ _____ looking for.

Is _____ _____ way for you _____ _____ notifications _____ _____ cross the data _____ _____?

Is it _____ _____ get _____ _____ data _____ limits?

_____ _____ possible _____ _____ _____ get a heads-up on _____ data _____ targets?

Is _____ possible _____ have notifications _____ hitting _____ _____.

Is there a _____ for _____ _____ reach _____ _____ limits?

_____ alert _____ to _____ _____ _____ use levels?

I would like _____ _____ _____ I _____ _____ _____ for data limits.

_____ _____ like _____ know _____ _____ is possible to get alert _____ specific data _____ _____.

Is there _____ chance of _____ _____ alert _____ _____ usage?

_____ can _____ _____ alerts regarding _____ usage _____?

_____ notifications be set _____ _____ reach _____ data _____ limits?

_____ there any _____ _____ receive notifications _____ reaching _____ _____ caps?

_____ is possible _____ set alerts _____ specific data _____ _____.

Is there a _____ _____ get _____ regarding data _____ _____?

Is _____ _____ _____ _____ _____ people _____ particular bandwidth consumption levels?

_____ notifications _____ _____ _____ cap is reached.

Is there _____ _____ I _____ be _____ based on _____ set _____ usage _____?

_____ _____ _____ informed once _____ data has been _____?

_____ reaching preset _____ caps, is _____ _____ option to _____ _____?

Is _____ _____ _____ to _____ me to the data _____?

Is _____ a way _____ alert _____ _____ data _____?

_____ there _____ way to _____ notifications about reaching _____ _____?

_____ is a _____ _____ _____ alert for _____ data usage _____.

When _____ preset _____ caps _____ _____ is _____ _____ option to receive _____?

_____ there _____ way to _____ _____ when _____ data caps _____ reached?

Notifications on _____ _____ caps _____?

_____ _____ _____ _____ notifications regarding _____ usage thresholds?

When reaching the _____ cap, _____ _____ _____ _____?

When _____ _____ _____ _____ _____ is there a _____ to be notified?

There is _____ way to _____ notified _____ _____ _____ caps.

_____ _____ a way for _____ to get notifications when _____ _____ _____ _____ consumption _____?

Is it _____ to _____ _____ on _____ _____ thresholds?

I'm looking _____ an _____ system that will notify _____ when _____ _____ _____ crosses _____ _____.

_____ to _____ _____ _____ _____ use goes over a set _____?

Is it _____ _____ alert people _____ _____ data _____ _____ reached?

Do you _____ a _____ _____ _____ me when the data _____ _____ too _____?

_____ _____ reach _____ levels of data consumption, can _____ _____ _____?

_____ there any _____ _____ _____ _____ _____ data usage is too much?

Alert _____ _____ _____ _____ _____ specific caps _____ _____ data use is what _____ looking for

It's possible _____ get notifications _____ _____ _____ _____.

_____ _____ a _____ _____ _____ notifications on crossing _____ consumption limits?

Is _____ a _____ to receive notifications _____ there _____ preset _____ _____?

_____ _____ _____ me _____ I hit _____ certain _____ of data consumption?

Can _____ be _____ _____ data _____?

Is it possible _____ _____ _____ _____ _____ usage limits.

I _____ know _____ _____ _____ _____ _____ alert for data limits.

_____ I _____ _____ when my data _____ goes _____ certain _____?

_____ _____ _____ to _____ _____ notifications _____ data limits are reached?

_____ _____ _____ notifications when _____ reach specific _____ usage limits?

_____ _____ of _____ option is _____?

Is there a _____ that _____ _____ _____ I _____ data _____?

Is _____ an _____ possible _____ specific _____ _____?

Is _____ _____ _____ notify _____ when _____ reach _____ _____ of data usage?

_____ _____ when _____ hit _____ data cap?

Is it possible _____ _____ _____ _____ _____ caps?

Can notifications _____ configured to _____ _____ data _____ _____?

_____ _____ _____ _____ I can get _____ _____ when my _____ usage hits specific _____?
