[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Banks and FinTech Companies
Inquiry Category	Budgeting and financial planning advice
Inquiry Sub-Category	Account balances and transaction monitoring
Description	Customers inquire about accessing and tracking their account balances and transactions to effectively budget and manage their finances.
Data Size	8,857 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Online Bank and FinTech Company" customer inquiry. (Purchased data will not be masked.)

_____ the _____ _____ _____ customized _____ for _____ analysis and comparison _____ different expense _____?

_____ the _____ _____ _____ categorize _____ _____ _____ that will aid _____ analyzing and _____ different expense types?

Is it _____ _____ _____ _____ categorization preferences for better _____ _____?

Can _____ modify my preferences _____ analyzing _____ comparing _____ _____ using _____ _____ feature?

_____ _____ _____ _____ _____ it easier to compare and _____ _____ expenditure types.

_____ _____ categorization feature _____ analyses and _____ of expenses _____?

Is it _____ _____ _____ _____ feature will _____ it easier _____ analyze and compare _____ _____?

_____ _____ allow for _____ preferences _____ analyzing different expense _____?

To _____ analysis _____ comparison _____ _____ expenditure groups, how _____ I _____ _____ categorization _____?

_____ the categorization _____ _____ way _____ _____ expense categories _____ easily?

_____ _____ possible to _____ and organize diverse _____ _____ categories?

Can _____ categorizations be adjusted _____ make it _____ to _____ _____ _____ _____ _____ categories?

Do _____ _____ make _____ and comparison of _____ expenses _____?

_____ the _____ feature _____ _____ analysis and comparison of _____ _____?

_____ _____ tool _____ _____ it easier to compare and _____ different _____.

_____ it possible _____ _____ classification _____ _____ make it easier _____ analyze _____ contrast _____?

Does _____ categorization feature _____ _____ easier _____ analyze and _____ _____ _____ types?

Does the _____ _____ make _____ easy to _____ and _____ _____ expense _____?

Does the categorization feature allow _____ _____ _____ _____ _____?

Is _____ _____ _____ personalize the _____ feature in _____ to _____ it easier _____ compare _____ types _____ expenses?

_____ it possible _____ _____ _____ categorization feature for easier _____ _____ _____ of _____ types _____ expenses?

_____ _____ be adjusted to _____ _____ easier to _____ different _____ categories?

_____ it possible _____ me _____ _____ _____ preferences _____ analyze _____ compare _____ expense types?

Is it _____ _____ _____ the categorization _____ _____ simplify assessment _____ different _____?

_____ _____ possible _____ make _____ _____ preferences _____ for comparing expenses?

Can _____ categorization _____ personalize _____ _____ make analyzing _____ comparison _____ _____ types simpler?

_____ _____ _____ of a _____ feature make it _____ to compare _____ _____ based on _____?

Can _____ modify my categorization _____ to _____ _____ _____ _____ _____ my expenses?

When _____ _____ from multiple types, _____ _____ _____ _____ feature that _____ different preferences?

____ ____ categorization ____ ____ in comparing different ____ ____ more easily?

Can custom preferences be ____ with the ____ ____ ____ ____ ____ ____ expenses more ____?

____ ____ possible to adjust my ____ ____ for a ____ ____ ____ comparison?

The categorization ____ might make ____ easier ____ ____ ____ compare ____.

____ ____ feature enable ____ ____ ____ analyzing ____ comparing expense categories?

____ the ____ feature ____ used to modify ____ ____ ____ ____ ____ comparing different ____ of expenses?

____ ____ ____ feature make comparison of ____ and preferences ____?

Is ____ categorization feature ____ ____ ____ ____ comparing different expense ____.

Will ____ ____ ____ ____ categorization ____ make it ____ to compare expenses?

____ we use the ____ ____ ____ ____ ____ easier ____ ____ and compare different types ____ expenses?

____ your categorization ____ ____ ____ ____ to ____ and analyze expenses?

____ ____ preferences ____ used ____ analyze and ____ different ____ more easily?

____ personalized ____ make ____ ____ to compare different ____ ____ expenses?

Is ____ ____ ____ modify the ____ ____ ____ make ____ ____ to ____ at and compare different ____ of expenses?

Does your ____ ____ ____ options to tailor ____ categorization ____ ____ make ____ easier ____ compare ____ expenses?

____ ____ category ____ allow ____ preferences for analyzing and ____ ____ categories?

Will the classification ____ ____ analyzing ____ ____ expense ____ simpler?

Can you ____ ____ ____ ____ category feature ____ ____ comprehend ____ ____ different expendable stuff?

____ ____ possible to make it ____ ____ ____ ____ compare different kinds of ____ ____ ____ categorization option?

Can ____ be ____ ____ the category ____ to ____ and ____ different ____ more ____?

____ it possible ____ ____ analyzing and ____ different ____ ____ expenses ____ using ____ categorization feature?

____ the ____ feature ____ analysis ____ ____ of expenses easier?

____ category feature might allow ____ ____ ____ ____ analyzing and ____ expense ____.

____ ____ categorization ____ make it ____ to compare ____ expenses?

Can ____ modify my preferences ____ ____ ____ ____ to ____ ____ ____ to compare ____ expense types?

____ analyzing ____ ____ multiple types, ____ you have ____ ____ ____ personalizes preferences?

____ the ____ feature let you ____ different ____ ____?

Is ____ ____ ____ make it easier ____ analyze and ____ ____ ____ of expenses ____ the categorization ____?

____ the categorization feature be ____ to personalize preferences ____ ____ ____ analysis ____ ____?

____ your system ____ ____ ____ to modify ____ categorization ____ to ____ ____ easier to compare ____?

Is ____ ____ feature ____ ____ help ____ with simpler analysis ____ ____ spending groups?

Is ____ ____ to ____ ____ categorization function to ____ it ____ to ____ and compare ____ ____ types?

____ classification tool is suppose to ____ it ____ ____ analyze and ____ ____ ____.

Can customized ____ ____ used with the ____ ____ ____ compare and analyze ____ ____ of ____?

Does ____ ____ function allow forPersonalization ____ ____ for simpler ____ and ____ of diverse ____ ____?

____ the selection ____ ____ ____ tool make ____ easier to ____ and analyze ____?

Can users ____ their ____ ____ order to ____ ____ ____ categories?

____ preferences ____ analyzing and ____ different ____ ____ ____ ____ enabled ____ the category feature.

____ ____ ____ any options ____ ____ categorization feature for easier analysis of ____ ____ ____?

Can ____ categorization function make it ____ to ____ ____ ____ ____ ____ types?

____ you ____ the ____ ____ ____ designed to make ____ easier to ____ expense ____?

____ it possible ____ organize and ____ ____ using ____?

The classification tool ____ make ____ easier ____ analyze ____ ____ various ____.

____ there a way ____ use custom preferences ____ ____ ____ different ____ ____?

____ ____ categorization ____ ____ to allow ____ of expense types?

Does the unique ____ to ____ ____ ____ ____ ____ aid in ____ and ____ varied ____ with ease?

Do ____ preferences ____ analysis ____ ____ expenses ____?

____ ____ categorization feature ____ me to ____ ____ choices for simpler ____ ____ various ____ groups?

Can ____ personalize ____ choice in ____ to ____ ____ ____ categories?

Is ____ possible ____ ____ classification ____ ____ make ____ easier to ____ expense types?

Do _____ preferences _____ _____ _____ _____ of different expenses simpler?

Can I adjust _____ _____ _____ _____ categorization _____ to _____ it easier to _____ _____ expense _____?

Does _____ _____ for personal _____ _____ _____ expense types?

Is it _____ _____ _____ _____ personal _____ to _____ and _____ _____ types of spending?

_____ categorization _____ _____ _____ it _____ to analyze _____ compare _____ expense types.

Can _____ _____ feature _____ analysis and _____ of _____ easier?

_____ you have a function that _____ _____ _____ _____ different _____ categories?

Will the categorization tool make _____ _____ _____ _____ _____ _____ analyze expenses?

Is _____ _____ to use personalized _____ _____ categorical _____ _____ better _____ _____ _____ of diverse expenditures?

_____ it possible for _____ to tailor _____ _____ in order _____ easily _____ _____ _____?

Do customized _____ allow easier _____ _____ _____?

_____ it possible _____ use custom _____ when analyzing _____ _____ _____?

_____ I _____ my _____ in _____ categorization _____ so that I _____ easily _____ different _____?

In order _____ simplify analyzing _____ _____ different _____ _____ _____ is _____ possible _____ use the categorization _____.

The categorization feature can aid _____ _____ _____ comparing _____ _____.

Is the categorization _____ _____ _____ make _____ _____ _____ diverse expense categories _____?

_____ it possible to compare _____ costs _____ _____ _____?

Is the _____ _____ _____ for _____ analysis and _____?

_____ it possible _____ the _____ tool _____ make it _____ _____ _____ expenses?

Is it possible _____ personalize _____ _____ _____ _____ feature _____ order _____ simplify analyzing _____ _____ expenses?

Is _____ categorization _____ _____ to personalize the _____ _____ expenses?

_____ _____ allow for _____ preferences when _____ and comparing _____ _____

Am I _____ _____ use _____ preferences for _____ _____ _____ expense types?

_____ the _____ _____ to categorize _____ personalized settings _____ _____ in analyzing and comparing _____ _____ _____ ease?

_____ wonder if the categorization _____ _____ me to personalize _____ types _____ _____ _____.

_____ _____ _____ make it easier _____ compare and _____ different _____ categories?

Can customized preferences _____ _____ _____ _____ _____ types of expenses _____ quickly?

Does the categorization _____ _____ _____ choice _____ _____ for simpler _____ _____ spending categories?

_____ the _____ of _____ categorization element _____ for _____ analysis of _____ _____ _____ groups?

_____ the categorization feature allow tailored preferences _____ _____ analysis _____ _____ _____?

_____ the _____ of _____ categorization _____ enable easier comparative _____ of separate _____ _____?

_____ it possible _____ use _____ _____ _____ to make _____ easier to _____ and compare _____ _____?

Is it _____ _____ _____ organize _____ compare costs _____ categories?

_____ the _____ _____ to _____ enable personalized _____ that will _____ _____ analyzing _____ _____ different expense types with _____?

_____ the inclusion of _____ _____ feature make it _____ _____ _____ expense _____?

_____ _____ categorization _____ _____ make it easier _____ compare expense _____?

The classification tool _____ make it easier _____ _____ _____ _____ different _____ _____.

_____ _____ _____ feature _____ _____ analyzing _____ comparing differing expense types?

The _____ feature _____ _____ individualized _____ for analyzing and _____ _____ categories.

Is it _____ to _____ the categorization feature _____ _____ _____ examination _____ _____ types of _____?

Does _____ categorization feature help _____ _____ _____ comparison of _____ _____?

Does _____ _____ _____ for easy comparison _____ analysis of _____ _____ categories?

_____ _____ categorization feature _____ _____ _____ adjust preferences _____ easier _____ of expenses?

The categorization feature _____ help _____ the _____ _____ _____ _____ expense categories.

_____ _____ feature will _____ it easier to _____ _____ _____ types based on _____.

Is it possible _____ personalize _____ _____ to _____ _____ _____ expense types?

Do customized _____ _____ it _____ _____ _____ and compare _____ expenses?

_____ the _____ of _____ _____ element _____ easier _____ and comparative _____ _____ separate expenditure groups.

Do _____ _____ options that _____ you to _____ _____ compare different _____ of _____?

Is _____ categorization feature designed _____ _____ in _____ _____ comparing _____ expense _____?

____ ____ a way to ____ the ____ ____ ____ make it ____ to compare ____ ____ different types of ____?

____ I ____ ____ ____ ____ make ____ easy to compare expense types?

____ I personalize my preferences ____ compare ____ analyze ____ ____ using ____ ____ feature?

Can users ____ their choice ____ order ____ ____ ____ ____ categories?

____ the unique ____ to categorize ____ personalized ____ that help ____ ____ and comparing different ____ ____ ____ ease?

Do ____ features enable ____ preferences ____ ____ and ____ ____ categories?

The categorization ____ can ____ used ____ ____ and ____ various kinds ____ ____.

____ ____ possible to ____ the categorization ____ to ____ it easier ____ ____ ____ compare ____ types of expenses?

Can ____ modify my preferences ____ ____ categorization feature ____ ____ me ____ compare ____ expense ____?

Do ____ think the categorization feature ____ ____ ____ easier to ____ ____ ____ ____ preferences?

____ ____ feature may allow personalized ____ ____ ____.

Can ____ change my preferences ____ ____ categorization ____ to ____ able ____ ____ and ____ ____ expenses?

____ within the ____ ____ ____ make it easier ____ ____ ____ compare expenses

____ ____ unique capability to ____ ____ ____ settings that ____ in analyzing and comparing ____ ____ ____ with ease?

Is ____ category feature ____ to ____ personalized preferences ____ ____ expense ____?

Is there ____ ____ ____ tailor the ____ feature to make ____ ____ ____ compare ____ ____ of expenses?

____ ____ ____ to use the ____ option to simplify analyzing ____ ____ of ____?

Is it ____ to ____ ____ ____ ____ for easier ____ comparisons?

____ you ____ ____ classification function ____ ____ easy analysis ____ ____ of diverse ____ categories?

Is it ____ to ____ ____ within categorical ____ ____ better analyze ____?

____ ____ ____ analyze an array of diverse ____ by using ____ ____ ____ ____ examination?

Does ____ ____ ____ ____ for customization options to make ____ easier ____ ____ ____ analyze different ____ of expenses?

Does ____ system ____ options ____ ____ ____ analyzing ____ expenditure categories?

Can the categorization ____ ____ ____ to modify ____ which ____ simplify sorting ____ ____ categories ____ assessing ____?

____ the ____ ____ ____ the analysis and ____ of ____ types easier?

____ the categorization feature ____ it ____ ____ ____ ____ analyze various ____ based on ____?

The classification ____ ____ ____ it ____ ____ compare ____ expense types.

____ it possible to ____ the categorization ____ ____ make it ____ ____ ____ at ____ types of ____?

Is it ____ ____ use a ____ ____ to simplify assessing ____ ____ ____?

Can ____ categorization ____ be used ____ ____ it ____ to ____ out ____ ____ ____ assessing expenses?

Does the unique capability ____ ____ ____ personalized settings to ____ ____ ____ and comparing ____ ____ types with ____?

____ ____ ____ to tailor the ____ feature ____ make it easier ____ ____ and evaluate ____ types of ____?

____ the ____ feature ____ for personal ____ for analyzing ____ comparing ____ ____?

____ ____ possible to analyze and compare ____ expense ____ ____ easily ____ ____ ____ feature?

Could one ____ ____ ____ within categorical examination to ____ analyze ____ ____?

____ ____ preferences allow ____ easier ____ ____ expenses?

Will the ____ feature make ____ easier ____ ____ ____ compare expense types ____ ____ personal ____?

The category ____ might ____ ____ for analyzing ____ ____ expense ____.

Is it ____ to ____ ____ ____ ____ a ____ analysis ____ different expenses?

____ custom ____ make ____ easier ____ assess and ____ ____ categories?

Is it ____ to set up personal ____ settings ____ compare ____ ____ ____ ____ ____ expenditures?

Does categorization allow ____ preferences ____ analyzing ____ ____ expense ____?

Is ____ ____ way to ____ ____ ____ ____ categorize different expense types?

Can I ____ ____ compare ____ costs using ____ ____?

Can the ____ ____ make it ____ ____ analyze and ____ expense ____ based ____ ____?

____ ____ ____ ____ false ____ customizing ____ category ____ ____ it easier to compare distinct ____ types.

____ categorizations ____ changed ____ make it ____ to assessment and compare ____ ____ ____?

Will ____ ____ tool ____ able to help ____ ____ ____ expenses?

Is there a ____ ____ that ____ personalized ____ type ____?

____ ____ ____ ____ use ____ categorization ____ to ____ ____ easier to ____ different types of expenses?

____ ____ tool may ____ ____ easier ____ analyze ____ contrast ____ expense types.

Does ____ ____ ____ categorize enable ____ settings that ____ in analyzing ____ comparing ____ ____?

Will tailored selections ____ the ____ ____ ____ it ____ to ____ and ____ expenses?

____ ____ system allow for easy comparison ____ ____ ____ various ____ categories?

____ the categorization ____ ____ for ____ ____ comparisons?

____ ____ ____ to ____ categorization to ____ the comparison ____ different expenses?

Does the categorization ____ allow ____ ____ creation ____ ____ for analysis ____ ____ ____ different spending ____?

____ ____ ____ capability ____ ____ ____ personalized ____ that help in ____ and comparing expense types?

Do ____ ____ feature ____ comparisons of ____ ____?

____ the ability to ____ enable ____ settings that ____ help ____ analyzing ____ ____ different expense ____ ____ ease?

____ categorization allow ____ unique ____ ____ analyzing and comparing ____?

____ ____ customized selections ____ the ____ ____ make ____ ____ to analyze ____ compare expenses?

____ ____ ____ ____ help ____ and compare expenses?

____ there ____ way to ____ analyzing and ____ expense types simpler ____ ____ ____?

Is ____ categorization ____ ____ ____ make ____ analysis and comparison ____ expenses ____?

The ____ tool is ____ ____ ____ it ____ to analyze and contrast ____ ____.

____ the ____ ____ ____ for personalized preferences ____ ____ ____ comparing expense categories?

____ categorization feature ____ be designed ____ ____ ____ easier ____ compare expense ____.

Is the categorization ____ designed ____ ____ ____ ____ ____ comparing expense categories ____ easily?

Is using ____ settings ____ ____ ____ analyzing different expense ____ ____?

____ you ____ options ____ the categorization ____ for easier analysis ____ ____ ____ types?

Does the category ____ allow ____ personalized ____ ____ analyzing ____ ____ expense ____?

To simplify ____ and ____ ____ ____ of expenses, is ____ possible ____ ____ the categorization ____.

____ ____ ____ within ____ tool make ____ easier ____ ____ and analyze expenses?

Is ____ ____ to modify ____ categorization option ____ simplify the ____ ____ ____ types of ____?

Is ____ categorization feature ____ to ____ ____ easier ____ compare ____ ____ types?

____ the ____ ____ allow for different ____ to be ____?

Is the categorization ____ ____ to ____ tailored ____ for ____ ____ of expense ____?

____ ____ unique ____ ____ categorize enable personalized settings ____ ____ ____ analyzing and ____ varied expense ____?

____ the categorization feature ____ to make ____ ____ ____ different expenses ____?

____ is ____ ____ false ____ customizing ____ category ____ makes it easier to ____ different types ____ ____.

____ ____ ____ to ____ ____ ____ the categorization feature in order to ____ ____ and comparing different ____?

Could ____ ____ personalized ____ within categorical examination ____ better ____ ____?

Is it ____ to ____ the categorization feature ____ ____ ____ ____ it easier ____ compare ____?

Is it possible ____ ____ my ____ preferences for ____ ____ expense ____?

____ the category feature support ____ ____ ____ analyzing and comparing ____ ____?

____ classification tool ____ make ____ easier ____ ____ and contrast ____ ____ types.

Can ____ categorization ____ make analyzing ____ ____ ____ expenses simpler?

Is it possible ____ ____ ____ ____ different kinds ____ ____ ____ customized preferences?

Does ____ unique ability ____ ____ enable personalized ____ ____ help in ____ ____ comparing expenses ____ ____?

____ your ____ allow for easier ____ ____ ____ of expenditure ____?

Is the ____ feature ____ to ____ it easier ____ ____ different ____ ____?

Can ____ ____ ____ ____ ____ order to compare their ____ categories?

____ categorization ____ can help me ____ ____ ____ ____ simpler analysis ____ spending groups.

____ ____ ____ for certain preferences when ____ ____ comparing ____ types?

Do ____ ____ ____ ____ ____ that ____ easy ____ of different expenditure categories?

____ ____ ____ be able ____ compare different expense types ____ ____ preferences ____ ____ categorization feature.

The categorization ____ could help ____ the analysis ____ ____ ____ ____ categories.

Does your ____ ____ ____ easy comparison ____ different ____ categories?

____ ____ inclusion of ____ ____ ____ make it ____ to ____ ____ different expenditure groups?

_____ it _____ to use _____ preferences _____ categorization _____ _____ analysis of different _____ _____?

Does the categorization _____ allow for _____ _____ and comparison _____ _____ _____?

_____ it _____ _____ _____ _____ compare different kinds of expenses _____ _____ _____ of custom preferences?

Is there _____ _____ _____ tailor _____ _____ feature to make it _____ to _____ and examine _____ types _____ _____?

_____ categorizations be adjusted _____ facilitate _____ assessment _____ comparison _____ expense _____?

_____ the categorization feature _____ of giving _____ _____ _____ comparisons?

_____ _____ to compare different _____ categories, can users _____ _____ _____?

_____ your _____ allow for _____ preferences when _____ expenses from _____ _____?

Does _____ allow for different preferences _____ _____ _____ _____?

_____ _____ categorization feature help me _____ _____ _____ _____ _____ analysis of spending groups?

_____ inclusion of a _____ feature _____ _____ it _____ to analyze _____ compare _____ _____.

Can _____ easily compare expense _____ _____ their _____ _____ _____ customization?

_____ the _____ _____ make _____ and contrasting different _____ _____ simpler?

_____ the _____ _____ _____ it _____ to compare and analyze expense _____?

_____ categorization _____ _____ make _____ easier _____ compare expenses based on _____.

_____ it possible _____ use _____ category feature _____ _____ _____ types of _____?

Is it _____ to analyse _____ compare _____ _____ _____ _____ with _____ preferences?

_____ the _____ of _____ categorization element _____ for easier comparison _____ _____ _____ groups?

Is it _____ to _____ the _____ _____ to _____ preferences _____ simplify analyzing and _____ _____ types of _____?

Can _____ unique capability to categorize enable _____ settings that aid _____ _____ _____ _____ _____ _____ with ease?

_____ _____ _____ to _____ the categorization _____ _____ easier analysis _____ expense types?

Will _____ categorization _____ _____ _____ analyzing _____ comparing expense types _____ easily?

_____ _____ _____ make it easy _____ _____ different types _____ expenses?

Individualized selections _____ _____ categorization _____ will make _____ _____ to analyze _____ compare _____.

_____ the category _____ _____ personalized preferences for _____ _____ comparing _____ categories?

Does your system _____ you modify _____ categorization feature _____ make _____ _____ to _____ _____ _____?

Can _____ _____ feature make it _____ to _____ and compare _____ _____ _____ _____ preferences?

The categorization feature could _____ _____ _____ _____ of expenses _____.

Is it _____ _____ tailor the _____ feature in order to _____ it easier _____ _____ _____ _____ _____ _____ of expenses?

_____ categorization feature might be _____ to help in _____ _____ _____ _____ expense _____.

_____ it possible _____ _____ _____ preferences _____ _____ _____ analyze different expense types?

Is _____ possible to _____ _____ categorization feature _____ _____ _____ analysis _____ comparison?

_____ _____ _____ for custom preferences when _____ expense _____

Should the category _____ enable personalized _____ for _____ _____ _____ expense _____?

Is it possible _____ _____ the _____ feature to facilitate _____ examination _____ _____ _____ separate types _____ _____?

_____ _____ modify _____ _____ _____ this categorization _____ to make _____ _____ comparison _____ different expense types easier?

_____ analyzing _____ comparing _____ types, _____ _____ allow _____ personalized preferences?

_____ _____ a classification function that _____ _____ analysis and _____ of diverse _____ _____?

Will _____ categorization _____ make _____ _____ to compare _____?

_____ personalized preferences _____ _____ by _____ _____ _____ help simplify _____ and comparisons among _____ _____ categories?

_____ the _____ within _____ categorization _____ make it _____ to _____ different _____ of _____?

Can I easily change my _____ _____ _____ categorization _____ to make _____ _____ _____ _____ _____ compare different expense _____?

The categorization _____ could _____ streamline _____ _____ _____ various _____ categories.

_____ it possible to _____ the _____ feature _____ make analyzing _____ _____ expenses _____?

_____ _____ _____ any customization options for easier _____ _____ _____ _____ expenditure categories?

Can _____ _____ my categorization _____ _____ convenient for expense _____?

_____ the categorization function _____ _____ choice _____ _____ for simpler _____ _____ spending?

_____ _____ possible _____ organize _____ compare _____ costs with custom _____?

_____ personalized preferences _____ possible through _____ tool _____ simplify _____ and comparisons among _____ _____ _____?

Is _____ classification settings _____ _____ make _____ _____ contrasting _____ expense _____ easier?

Is the _____ _____ designed to _____ analyzing _____ comparing _____ _____ categories?

Is _____ a _____ _____ use _____ _____ for simplified analysis _____ _____ of different expense _____?

The classification tool can _____ _____ _____ _____ _____ _____ contrast expenses.

Is _____ possible _____ use _____ preferences in _____ _____ _____ compare expense _____?

_____ _____ _____ feature make _____ _____ _____ compare different expense types _____ on preferences?

_____ using _____ _____ make analyzing and contrasting _____ _____ simpler?

_____ there _____ _____ to simplify expense _____ _____ setting _____ custom categories?

_____ this tool _____ _____ analyses _____ _____ among different expenditure _____?

Will the categorization tool make it _____ _____ _____ _____ _____ _____?

Is _____ _____ feature helpful in _____ _____ analyzing _____ _____ types?

Can _____ _____ feature be used _____ simplify _____ _____ expense _____?

_____ the categorization _____ allow for comparison _____ _____ expense _____?

_____ the categorization feature _____ _____ comparison _____ _____ expense types?

_____ _____ _____ _____ _____ it easier to _____ and _____ different expense categories?

Is it _____ _____ _____ _____ _____ to compare different types _____ expenses through _____ _____ feature?

Is it possible to _____ a categorization _____ to _____ _____ and _____ _____ _____?

Is it _____ _____ _____ the categorization option _____ _____ _____ assessment and comparison _____ _____?

Does _____ _____ of _____ categorization element allow _____ analysis and _____ _____ _____ _____ expenditure groups?

Is it _____ _____ tailor _____ categorization _____ in _____ _____ _____ simpler examination and comparison _____ _____ expenses?

Is _____ possible to _____ custom preferences _____ _____ _____ _____ differing _____ types?

Can _____ tailor _____ choices in _____ _____ _____ _____ different expense categories?

_____ _____ possible to personalize _____ preferences _____ _____ _____ and compare expense _____?

Will a categorization _____ make it _____ to _____ different _____ _____ _____?

_____ categorization allow _____ tailored preferences _____ _____ _____ _____ expense types?

When analyzing and _____ various _____ _____ _____ categorization _____ for _____ preferences?

_____ the categorization feature let _____ personalize the _____ _____ _____?

_____ analyzing expenses _____ multiple types, do you _____ _____ _____ _____ allows _____ customization?

Do _____ _____ _____ _____ help _____ _____ different types of spending?

_____ categorization _____ _____ _____ preferences for analyzing and comparing _____ expense _____?

Does _____ allow _____ personal preferences _____ analyzing _____ _____ expense _____?

Can one _____ _____ _____ within _____ examination to better _____ _____ array _____ diverse _____?

_____ the _____ of _____ _____ element _____ it easier for _____ and comparison _____ _____ _____ groups?

_____ _____ _____ for different _____ when analyzing _____ comparing _____ types?

_____ it _____ to personalize _____ _____ _____ comparative study among _____ classifications?

_____ _____ categorization _____ _____ for _____ and comparing _____ expense categories?

Will the categorization _____ make _____ _____ to compare _____ _____ _____ of _____?

_____ _____ possible to _____ _____ preferences in categorization for _____ _____ analysis?

Is _____ _____ _____ _____ to give preferences for _____ analysis _____ _____ categories?

Are _____ _____ _____ _____ a classification _____ that _____ _____ analysis _____ comparisons of different expenditure _____?

_____ _____ categorization _____ able to modify _____ _____ for better _____?

categorization _____ _____ _____ custom _____ when analyzing expense _____

_____ are _____ options in the _____ feature _____ _____ _____ of _____ expense types.

_____ _____ categorization _____ make it easier to _____ different kinds _____ _____?

_____ the categorization _____ be used _____ modify preferences in _____ _____ _____ _____ and comparing _____?

Is it possible _____ _____ my _____ preferences for _____ convenient _____ _____?

_____ _____ _____ to _____ _____ preferences for simplified analysis of _____ expenses?

_____ the _____ feature be used _____ _____ preferences _____ easier _____ _____ comparison of _____?

Does the unique capability _____ categorize enable _____ _____ that help _____ analyzing _____ _____ varied _____ _____ with _____?

_____ _____ _____ function _____ _____ to make _____ easier _____ _____ and compare expense types?

Do _____ have _____ to help with analyzing and _____ _____ _____ _____ _____?

_____ _____ _____ to organize _____ _____ diverse costs using _____ categories?

_____ _____ _____ preferences _____ analyzing and _____ expense types?

_____ _____ _____ _____ _____ my _____ in the _____ feature _____ compare different expense types?

_____ it _____ _____ personalize _____ _____ feature in _____ to _____ the analysis _____ different expenses?

Will using classification _____ _____ analyzing _____ _____ expenses _____?

_____ _____ possible _____ set custom preferences _____ analyzing _____ _____ of _____ expenses?

The _____ feature _____ allow _____ to _____ expense _____ _____ better comparisons.

Does the _____ feature _____ _____ analyzing _____ expense _____?

_____ the _____ feature _____ _____ personalized expense _____?

_____ the category feature enable _____ _____ for _____ and _____ expense _____?

The _____ _____ is supposed _____ make it _____ to _____ expense _____.

_____ it possible to use _____ preferences _____ simplified analysis _____ _____ _____ _____?

Is the _____ _____ _____ helpful in _____ and _____ different _____ types?

Do you have _____ options in the _____ feature _____ easier _____ _____ _____ _____?

Is _____ possible to _____ my _____ _____ _____ _____ types using your categorization _____?

Can _____ categorization feature _____ _____ _____ to comparison _____ _____ expenses?

_____ _____ possible to organize _____ compare costs _____ _____?

_____ users easily compare _____ _____ categories with _____ _____ of _____ _____ choices.

So, can _____ _____ me about the category _____ that helps _____ _____ _____ _____ _____ expendable _____?

Does _____ _____ _____ allow us to _____ _____ types?

Is _____ possible to tailor _____ _____ _____ _____ _____ comparison _____ examination of different _____ _____ expenses?

_____ the categorization _____ _____ it _____ for _____ to _____ expense types?

_____ _____ possible _____ _____ my categorization preferences more convenient for _____ _____ _____?

Is _____ possible _____ _____ up personal preferences _____ _____ to _____ and analyze different _____ _____ _____?

_____ is _____ or _____ that customizing _____ _____ preferences _____ _____ easier to analyze _____ compare distinct expenditure _____.

Does your _____ feature _____ it _____ _____ to _____ _____ types?

_____ the _____ ability _____ categorize _____ _____ _____ _____ _____ in analyzing and comparing varied expense _____ make sense?

Will _____ classification tool make it _____ to _____ and _____ _____ _____?

Do you _____ customization _____ for _____ comparison and _____ _____ various _____ _____?

Can _____ category _____ use _____ preferences to _____ and _____ different types _____ _____?

_____ it possible to personalize _____ categorization _____ to help _____ the _____ of _____ _____ _____?

_____ _____ categorization feature designed to _____ _____ _____ _____ you to compare expense _____?

_____ it _____ _____ use the categorization option _____ simplify _____ _____ different _____?

_____ the _____ function _____ _____ _____ _____ it easier _____ analyse and _____ expense types?

_____ I personalize _____ preferences _____ the _____ _____ _____ be able to compare _____ _____ types?

_____ _____ personalize their _____ in order _____ _____ compare _____ different _____ categories?

_____ custom _____ _____ it _____ to analysis _____ _____ different expenses?

_____ it possible to _____ _____ _____ feature _____ personalize _____ in order _____ _____ _____ different types of expenses?

_____ _____ to be _____ to analyze _____ _____ different expense types using _____ _____ _____.

Can the category _____ _____ personal preferences for _____ _____ _____ _____ categories?

Will users _____ able to easily compare _____ _____ _____ with _____ _____ _____?

_____ the categorization _____ able to _____ me with _____ _____ _____ simpler _____ of spending _____?

_____ custom preferences _____ _____ _____ used _____ _____ analysis _____ comparison of diverse expense _____?

_____ the categorization feature make _____ easy to _____ _____ compare _____ _____?

Is it _____ to use the _____ _____ _____ _____ _____ assessment of _____ kinds _____ expenses?

_____ _____ be possible _____ use _____ categorization _____ to make it _____ _____ compare _____ types of _____?

_____ the _____ feature _____ it easier to _____ and _____ _____ expense _____?

_____ it _____ to modify _____ categorization feature _____ _____ _____ _____ to compare and _____ _____ different types of _____?

Does the _____ _____ allow _____ _____ compare _____ types?

Does your _____ provide _____ _____ _____ and analysis _____ _____ expenditure categories?

_____ _____ _____ feature make it more _____ _____ compare different _____ types?

_____ it possible _____ use _____ categorization option _____ _____ assessing different _____?

_____ it _____ to _____ _____ categorization _____ to make analyzing and comparing _____ _____ of _____ _____?

Is _____ _____ _____ gonna make analyzing _____ _____ different expense types _____?

_____ you have a classification _____ that makes it _____ to _____ _____ _____ _____ _____ categories?

Will the _____ _____ make it _____ _____ _____ _____ compare _____ expense types?

Does _____ unique _____ to categorize enable _____ settings that _____ aid _____ _____ _____ comparing _____ types with _____?

_____ it _____ _____ _____ _____ my preferences _____ this _____ _____ to _____ it easier to compare different expense _____?

Can _____ categorization function _____ it _____ to compare _____ _____?

Is the _____ feature designed to _____ _____ _____ to compare and _____ _____ _____?

Do _____ _____ _____ function that allows easy _____ _____ _____ expenditure categories?

Can adjusting categorizations _____ _____ easy _____ _____ _____ compare different expense _____?

Does _____ _____ personalized expense _____?

In _____ _____ simplify _____ _____ _____ different _____ _____ expenses, _____ it possible to use the categorization _____ to change _____?

Is _____ _____ to _____ _____ _____ _____ _____ modify preferences _____ order to _____ analyzing different types of expenses?

Tailoring your category _____ _____ _____ _____ to _____ separate expenditure _____.

Is the categorization _____ _____ to _____ _____ analysis and _____?

Can customized preferences _____ _____ easier to _____ _____ compare _____ _____?

Could _____ use personalized preferences _____ categorical _____ _____ _____ an array _____ diverse _____?

_____ it possible to _____ the categorization function to _____ it _____ to _____ _____ _____ _____ _____?

Does the _____ _____ _____ enable _____ _____ that _____ _____ analyzing and comparing varies expenses _____ _____?

Is _____ possible _____ _____ custom _____ in _____ analysis of diverse _____ _____?

_____ the inclusion _____ a categorization _____ make it _____ to _____ _____ _____ groups?

_____ _____ _____ tool make it _____ to compare and _____ _____ types _____ expense?

Is _____ _____ _____ analyze _____ _____ different expense _____ based on preferences?

Is the categorization _____ _____ _____ _____ preferences for _____ _____ analysis and _____?

Does _____ _____ feature _____ it _____ _____ analyze and _____ expense types?

Can I _____ my preferences to _____ _____ _____ _____ using _____ categorization _____?

Do _____ _____ _____ _____ _____ _____ and analysis of expenditure categories?

Tailoring your _____ _____ will _____ _____ _____ to compare distinct expenditure _____.

_____ your _____ _____ _____ options to modify _____ _____ feature _____ _____ it _____ to compare expenses?

Is _____ categorization _____ intended _____ facilitate analyzing and _____ _____ _____?

Does the _____ _____ allow customization of _____ for analysis _____ _____ _____ _____ spending _____?

_____ _____ adjust my preferences in _____ categorization feature _____ compare _____ _____?

Is _____ possible to change _____ _____ in the _____ feature _____ _____ different _____ _____ expenses?

_____ _____ possible _____ personalize _____ preferences _____ comparative study amongst _____ cost _____?

_____ your _____ _____ for _____ for _____ comparison and analysis _____ expenditure _____?

categorization can _____ _____ to _____ and compare various _____ _____

Is _____ possible to _____ _____ categorization _____ to make it simpler to examine _____ _____ _____ _____ of _____.

_____ you have a _____ function _____ _____ it _____ to _____ _____ compare different expenditure _____?

Is _____ categorization _____ designed to _____ _____ _____ _____ compare _____ analyze diverse _____ categories?

Is it _____ to modify the categorization _____ to _____ it _____ _____ _____ and _____ distinct types _____ _____?

_____ _____ categorization feature used to make _____ _____ _____ _____ _____ categories simpler?

_____ _____ _____ _____ _____ _____ preferences for analysis _____ comparison of different types of _____?

Is _____ _____ feature _____ for expense type _____ and _____?

_____ easier _____ _____ and _____ _____ the categorization feature be _____?

_____ it possible _____ personalize my _____ for comparative study _____ _____ _____ _____ _____ classifications?

The _____ _____ may help streamline _____ _____ _____ _____ of expense categories.

Is it _____ _____ use the _____ _____ to modify preferences _____ order _____ simplify _____ _____?

_____ custom preferences _____ _____ _____ _____ analysis of _____ expense types?

Can _____ personalize _____ settings _____ that _____ can compare _____ _____?

Is _____ _____ _____ _____ expenses _____ easy comparisons

Does the _____ of a categorization element allow _____ _____ _____ and _____ of _____ _____ _____?

Does the _____ feature _____ personalized preferences for analyzing _____ _____ _____ _____?

Will custom _____ within the _____ tool _____ _____ easier _____ _____ expenses?

Is it _____ to _____ _____ _____ option to _____ assessing and _____ _____?

Does this _____ _____ comparisons _____ expense _____?

_____ _____ feature is designed _____ make _____ easier _____ compare _____ expense _____.

Am I _____ _____ _____ the _____ option _____ simplify assessing _____ comparing different kinds _____ _____?

Will _____ categorization _____ _____ _____ easier _____ analyze _____ compare the _____ _____ of expenses?

Does your _____ _____ for customizability to _____ it easier _____ compare _____ _____ _____ _____?

_____ the _____ capability to categorize enable personalized _____ _____ aid _____ _____ and comparing _____ _____ make _____?

_____ users personalize their _____ to make it _____ _____ compare _____ _____ _____?

Does _____ _____ feature allow _____ preferences _____ _____ analysis of different _____?

Is it possible to use _____ _____ in _____ _____ _____ of _____ expense _____?

_____ _____ feature may _____ for personalized _____ for analyzing _____ _____ _____ expense categories.

_____ you _____ _____ easier to _____ and _____ different expenses?

_____ the system allow _____ personalization to make _____ _____ to _____ _____ _____ different _____ _____ expenses?

Is it possible _____ compare _____ _____ using _____ _____.

_____ _____ _____ _____ personalize the categorization _____ for _____ expense analysis _____ comparison?

Will _____ categorization _____ make it _____ to _____ _____ _____ various expense _____?

_____ categorization _____ might aid _____ _____ and comparing _____ expenses.

_____ _____ tool _____ _____ _____ make it easier to _____ and _____ expenses.

Can _____ personalize their options in order _____ _____ _____ _____ expense _____?

_____ classification _____ is _____ _____ make it easier _____ _____ and _____ various _____ types.

Is there _____ _____ _____ organize _____ compare costs _____?

categorization can allow _____ _____ preferences _____ analyzing _____ _____ expense _____.

_____ _____ _____ to _____ my preferences to _____ _____ compare _____ expense types easily?

_____ _____ _____ feature _____ _____ expense types comparisons?

When _____ _____ from _____ types, do _____ _____ a _____ _____ allows custom preferences?

Can the _____ function _____ _____ _____ _____ preferences, which will make _____ easier to sort out _____ _____ for _____ _____?

Can I easily compare _____ _____ diverse _____ _____ custom _____?

_____ it _____ _____ classify _____ for _____ comparisons?

Can _____ unique capability _____ _____ enable _____ settings that _____ _____ analyzing _____ comparing varied _____ _____?

_____ it possible to tailor the _____ _____ _____ _____ it _____ _____ compare and _____ _____ types of expenses.
